SECTION-I: FORWARD LOOKING STATEMENTS

Certain statements in this Draft Offer Document that are not statements of historical facts constitute "forward looking statements". Investors can generally identify forward-looking statements by terminology like "aim", "anticipate", "intend", "believe", "continue", "could", "can", "estimate", "expect", "may", "objective", "plan", "potential", "project", "pursue", "shall", "should", "will", "would" or other words or phrases of similar import. Similarly, statements regarding the Issuer's strategies, objectives, expected financial condition and results of operations, business, proposed projects, plans and prospects are forward looking statements and accordingly, should be read together with such assumptions and notes thereto. However, these are not the exclusive means of identifying forward-looking statements.

All statements regarding the Issuer's cash flows, operations and prospects are forward-looking statements. These forward-looking statements include statements as to the Issuer's operations, planned projects, investment revenue and other matters discussed in this Draft Offer Document that are not historical facts.

These forward-looking statements and any other projections contained in this Draft Offer Document (whether made by the Issuer or any third party) are predictions and involve known and unknown risks, uncertainties and other factors that may cause the Issuer's actual results, performance and achievements to be materially different from any future results, performance or achievements, expressed or implied, by such forward looking statements or other projections.

The forward-looking statements contained in this Draft Offer Document are based on the beliefs of the Issuer and the Bond Issue Committee of the Issuer, as well as the assumptions made by and information available to the Bond Issue Committee of the Issuer as on the date of this Draft Offer Document. There can be no assurance that the expectations will prove to be correct.

Factors that could cause actual results, performance or achievements of the Issuer to differ materially include, but are not limited to, those discussed in the Sections titled "*Risk Factors*" and "*Legal and Other Information*", on pages 18 and 135, respectively.

Forward-looking statements reflect current views as of the date of this Draft Offer Document and are not a guarantee of future performance or returns to Investors. In any event, these statements speak only as of the date of this Draft Offer Document or the respective dates indicated in this Draft Offer Document and none of the Issuer or the Lead Manager undertake any obligation to update or revise any of them, whether as a result of new information, future events, changes in assumptions or changes in factors affecting these forward looking statements or otherwise. If any of these risks and uncertainties materialise, or if any of the underlying assumptions prove to be incorrect, the actual results of operations or financial condition of the Issuer could differ materially from that described herein as anticipated, believed, estimated or expected. All subsequent forward-looking statements attributable to the Issuer are expressly qualified in their entirety by reference to these cautionary statements.

Neither the Issuer nor the Lead Manager have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. The Issuer expressly disclaims any obligation or undertaking to release any updated information or revisions to any forward-looking statements contained herein to reflect any changes in the expectations or assumptions with regard thereto or any change in the events, conditions or circumstances on which such statements are based. Given these uncertainties, recipients are cautioned not to place undue reliance on such forward-looking statements. All subsequent, written and oral, forward looking statements attributable to the Issuer are expressly qualified in their entirety by reference to these cautionary statements.

SECTION II: CERTAIN COVENTIONS, USE OF FINANCIAL DATA AND CURRENCY OF PRESENTATION

Certain Conventions

In this Draft Offer Document, unless otherwise specified or the context otherwise indicates or implies the terms, all references to "we", "us", "our", "Nashik Municipal Corporation", "NMC" and "our Corporation" are to Nashik Municipal Corporation, references to "you", "offeree", "purchaser", "subscriber", "recipient", "investors" and "potential investor" are to the prospective investors in this Issue. Unless stated otherwise, all references to page numbers in this Draft Offer Document are to the page numbers of this Draft Offer Document.

All references in this Draft Offer Document to "India" are to the Republic of India and its territories and possessions. All references to the "Government" or "State Government" are to Government of India, Central or State, as applicable.

Unless stated otherwise all references to time in this Draft Offer Document are to Indian standard time.

Presentation of Financial Information

Our Corporation's financial year commences on April 1 of the immediately preceding calendar year and ends on March 31 of that particular calendar year, so all references to a particular financial year or fiscal are to the 12-month period commencing on April 1 of the immediately preceding calendar year and ending on March 31 of that particular calendar year. Unless the context requires otherwise, all references to a year in this Draft Offer Document are to a calendar year and references to a Fiscal/Fiscal Year/Financial Year/FY are to the year ended on March 31 of that calendar year.

The degree to which the financial information included in this Draft Offer Document will provide meaningful information is entirely dependent on the reader's level of familiarity with the applicable accounting policies and practices. Any reliance by persons not familiar with the accounting policies and practices on the financial disclosures presented in this Draft Offer Document should accordingly be limited.

Our Corporation's restated audited financial statements for the years ended March 31, 2025, March 31, 2024 and March 31, 2023 prepared in accordance with the National Municipal Accounts Manual form the basis of preparation of the financial information which is included in this Draft Offer Document and is referred to hereinafter as the "*Financial Information*" in the section titled "*Financial Information*" on page 125.

The Corporation has disclosed the restated audited financial statements (abridged balance sheet, abridged income and expenditure statement and abridged cash flow statements) for the Financial Years ended March 31, 2023 March 31, 2024 and March 31, 2025 in this Draft Offer Document.

Notes to Accounts

It may be noted that, Nashik Municipal Corporation (NMC) had restated the financial statements for FY 2022-2023, FY 2023-2024 & FY 2024-2025 after (i) adopting corrective steps with respect to qualifications/observations/remarks of the auditors on the audited financial statements and (ii) incorporating adjustments in accordance with the guidelines prescribed under the National Municipal Accounting Manual ("**NMAM**") and accordingly prepared the restated financial statements for FY 2022-2023, FY 2023-2024, FY 2024-2025 ("Restated Audited Financial Statements"), in order to ensure enhanced presentation and financial transparency.

The Financial Statements for the financial years ended March 31, 2023, March 31, 2024 & March 31, 2025 were initially audited by the Auditor pursuant to the audit reports dated July 31, 2024, April 15, 2025 and July 31, 2025, respectively in which the Auditor has reported certain qualifications/observations/remarks. Subsequently, the Corporation has undertaken corrective steps to address certain qualifications/observations/remarks of the Auditor.

For the purposes of the present issuance, the Corporation has prepared & approved the Restated Audited Financial Statements for the financial years ended March 31, 2023, March 31, 2024 & March 31, 2025, which are based on the audited financial statements referred in above paragraph and incorporates requisite changes considering corrective steps with respect to qualifications/observations/remarks of the Auditor, to the extent possible & includes adjustments in accordance with the guidelines prescribed under the National Municipal Accounting Manual ("**NMAM**"). These adjustments are undertaken to ensure consistent accounting treatment as per the accounting policies and grouping/classification to be followed, to the extent possible. The Restated Audited Financial Statements of the Issuer have been audited by the Auditor pursuant to the audit reports dated September 15, 2025, September 17, 2025 and September 19, 2025 respectively ("**Restated Audit Reports**").

The Financial Information has been sourced from the Restated Audited Financial Statements of the Issuer comprising

of Restated Balance Sheets, Restated Income & Expenditure Statements and Restated Cash Flow Statements for the financial years ended March 31, 2023, March 31, 2024, March 31, 2025, audited by the Auditor pursuant to the Restated Audit Reports dated September 15, 2025, September 17, 2025 and September 19, 2025, respectively.

Currency and Unit of Presentation

In this Draft Offer Document, all references to 'Rupees'/'₹'/'INR'/'Rs.' are to Indian Rupees, the official currency of the Republic of India. Except where stated otherwise in this Draft Offer Document, all figures have been expressed in 'crores'.

Certain figures contained in this Draft Offer Document, including financial information, have been subject to rounding adjustments. Unless set out otherwise, all figures in decimals, including percentage figures, have been rounded off to two decimal points. In certain instances, (i) the sum or percentage change of such numbers may not conform exactly to the total figure given; and (ii) the sum of the numbers in a column or row in certain tables may not conform exactly to the total figure given for that column or row.

Except otherwise specified, our Corporation has presented numerical information in this Draft Offer Document in "crores". One crore represents 10,000,000 one lakh represents 100,000 one million represents 1,000,000 and one billion represents 1,000,000,000.

SECTION-III: DEFINITIONS AND ABBREVIATIONS

SECTION-IV: RISK FACTORS

An investment in Green Bonds involves a certain degree of risk. You should carefully consider all the information contained in this Draft Offer Document, including the sections titled "Financial Information" and "Objects of the Issue" on pages 125 and 51, respectively, of this Draft Offer Document before making an investment decision. The risk factors set forth below do not purport to be complete or comprehensive in terms of all the risks that may arise in connection with our operations or projects or any decision to purchase, own or dispose of the Green Bonds. Prospective investors should carefully consider the risks and uncertainties described below, in addition to the other information contained in this Draft Offer Document before making any investment decision relating to the Green Bonds. Any additional risks and uncertainties, currently unknown or deemed immaterial, if materialize, may in the future have a material adverse effect on our operations and cash flows. The market price of the Green Bonds could decline due to such risks, and you may lose all or part of your investment.

If any one of the following stated risks or other risks that are not currently known or are now deemed immaterial actually occurs, the Issuer's operations, financial condition, cash flows and implementation of the Projects could suffer and, therefore, the trading price of the Issuer's Green Bonds could decline and/or the Issuer's ability to meet its obligations in respect of the Green Bonds could be affected and you may lose all or part of your interest and/or redemption amounts. More than one risk factor may have simultaneous effect with regard to the Green Bonds such that the effect of a particular risk factor may not be predictable. In addition, more than one risk factor may have a compounding effect which may not be predictable. No prediction can be made as to the effect that any combination of risk factors may have on the value of the Green Bonds and/or the Issuer's ability to meet its obligations in respect of the Green Bonds.

The financial and other related implications of the risks described in this section, have been disclosed to the extent quantifiable as on the date of this Draft Offer Document. Unless otherwise indicated, the financial information included herein is based on the Issuer's Audited Financial Statements as included in paragraph I (abridged balance sheet, income and expenditure and cash flow statement for the last three years with major heads) of Section titled "Financial Information" as included in this Draft Offer Document on page 125 of this Draft Offer Document.

Unless specified or quantified in the relevant risk factors below, we are not in a position to quantify the financial or other implication of any of the risks described in this section.

This Draft Offer Document also contains forward-looking statements that involve risks and uncertainties. Our results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including events described below and elsewhere in this Draft Offer Document. The prospective Investors should consult their own tax, financial and legal advisors about the risks associated with investment and suitability of investment in such Green Bonds. Investment in these Green Bonds includes a degree of risk and investors should not invest any funds in this Issue unless they can afford to take the risk of losing their investment in debentures. For taking an investment decision, investors must rely on their own examination of the Issue, the Issuer and this Draft Offer Document including the risks mentioned below. The Green Bonds have not been recommended or approved by the SEBI, nor does SEBI guarantee the accuracy or adequacy of this Draft Offer Document.

This Draft Offer Document contains statements that involve risk and uncertainties. The Issuer's actual results could differ materially from those anticipated as a result of several factors, including the considerations described below and elsewhere in this Draft Offer Document.

Investors are advised to read the following risk factors carefully before making an investment in the Green Bonds offered in this Issue. The order of the risk factors is intended to facilitate ease of reading and reference and does not in any manner indicate the importance of one risk factor over another. Potential investors must rely on their examination of the Issuer and this Issue, including the risks and uncertainties involved.

In this section any reference to "we" or "us" or "our" refers to Nashik Municipal Corporation.

INTERNAL RISK FACTORS

Project Risk and Internal Risk

1. We intend to utilize the Net Proceeds for funding our capital expenditure requirements for setting up the Project. Our proposed Project is subject to the risk of unanticipated delays in implementation and cost overruns. Any such unanticipated delays in implementation and cost overruns of the Project may have an adverse impact on our operations, reputation and cash flows.

We intend to utilize the Net Proceeds for the proposed Project i.e. Augmentation of Mukane Water Supply Scheme, Water Treatment Plant (WTP), Construction of Gravity Main from Vilholi to Gandhinagar, Sadhugram

& Nilgiri Baug WTP for Sinhastha Kumbh ("**Project**"); For further details of the Project, see section titled *"Objects of the Issue"* on page 51 of this Draft Offer Document.

The Project is proposed to be financed through Net Proceeds internal accruals/GoI/GoM Grants /to be received by the Corporation from the government subject to conditions mentioned in the respective schemes. Work order has been issued for the Project and the work is under process. There can be no assurance, despite the best efforts, that we will be able to complete the Project within estimated time and without any cost overruns. The cost of the Project may escalate or vary based on external factors which may not be in our control, and which could pose funding gaps and contingent budgetary risk for NMC.

Presently, except for a pending approval in relation to the Project, for which the requisite applications have been made, there are no other pending approvals which are required to be obtained by the Corporation for the implementation of the Project. Despite best efforts of the Issuer, in case of any delay in receipt of any approvals required at different stages, in relation to the Project occurrence of any force majeure events, etc., the proposed schedule of implementation and deployment of the Net proceeds may be extended or may vary accordingly. There can be no assurance, despite the best efforts of the Issuer, that the proposed Project will be completed as planned or on schedule, and if it is not completed in a timely manner, our budgeted costs for the Project may be insufficient to meet our proposed capital expenditure requirements towards the Project. We may not have sufficient revenue to fund the Project.

The proposed schedule of implementation of the Project along with the timelines stated therein and the Physical Target and Financial Target for activities areas are indicative as per the work order for implementation of the Project. The completion of the various activities under our Project may be subject to delays due to a variety of factors, including, but not limited to, workforce shortages, delays in receipt of necessary approvals or no-objection certificates, and dependencies on third-party contractors. Although the Issuer is taking all reasonable steps to ensure timely execution, there can be no assurance that despite best efforts, Project will be completed as scheduled. Any delay, particularly those arising from unforeseen events or factors beyond the Issuer's control, may adversely impact our operations, reputation, and cash flows.

As per the Structured Payment Mechanism, payments of principal and interest on issuances are not conditional on the performance of the Project.

2. Our funding requirements and proposed deployment of the Net Proceeds are based on internal estimates and estimates provided by the Project Consultant derived from quotations and bids received during the tendering process, pursuant to which work order has been issued. These estimates have not been independently appraised by any third-party expert, bank, or financial institution.

The funding requirement, proposed deployment of funds and the intended use of the Net Proceeds set out in Objects of the Issue section is based on (a) the policies, current initiatives and development plans of our Corporation; (b) internal estimates of the Corporation; (c) estimates of the Project Consultant, including those based on quotations procured by them and the bids received during the tendering process on the basis of which work orders have been issued (d) prevailing regulatory framework and market conditions; (e) other technical and commercial considerations; and (f) the Detailed Project Report and certificate from the Project Consultant. They have not been appraised independently by any third party expert or banks or financial institution. Further, CARE Analytics and Advisory Private Limited ("**CareEdge Advisory**") as Third Party Reviewer has issued an Third Party Review Report dated January 14, 2025 on the "Green Bond Framework". However, the fund requirements and proposed deployment of proceeds have not been independently appraised by any bank, financial institution or any expert or third party.

The budgeted costs and implementation timelines for the Project are based on internal estimates, approvals by the General Board, Standing Committee, Bond Issue Committee of the Corporation and certificate from Project Consultant. These may be subject to change due to a variety of factors, including unforeseen technical challenges, changes in scope, or other contingencies. There can be no assurance that the budgeted costs or timelines will be met. Any cost overruns or delays in implementation may lead to funding gaps or affect the timely execution of the Project.

While the Corporation itself does not maintain insurance coverage for the Project, the tender document includes a requirement for the contractor to obtain appropriate insurance against potential risks such as natural disasters, fire, or other force majeure events. Accordingly, insurance has been taken for the Project by the contractor, and the relevant documentation has been submitted to the Corporation. However, despite such coverage, the occurrence of any such force majeure event could result in unforeseen costs and delays in implementation due to factors such as insurance claim processing time, gaps in coverage, or other operational disruptions.

We may have to revise our funding requirement on account of various factors, such as market conditions, change in government policies and changes in the regulatory framework, which may not be within the control of our Corporation. This may also entail rescheduling of the proposed deployment of the Net Proceeds at the discretion of our Corporation including rescheduling and revising the planned expenditure and funding requirement and increasing or decreasing the expenditure for a particular purpose from the planned expenditure at the discretion of our Corporation, subject to compliance with applicable laws.

3. **Our Corporation and Subsidiary are involved in large number of litigations & adverse decisions in the same may impact our working and operational efficiency.**

The Issuer and Subsidiary are a party to various legal proceedings and has received notices from certain statutory authorities. These legal proceedings are pending at different levels of adjudication before various courts, tribunals, statutory and regulatory authorities, and if determined against the Issuer or its Subsidiary, could have impact on the operations, implementation of projects, income and the financial condition of the Issuer.

A summary of pending proceedings involving Issuer and Subsidiary are as follows:

- **Matters related to Direct and Indirect Taxes against the Issuer and Subsidiary**

- **Criminal Litigations involving the Issuer, Subsidiary and the members of the Bond Issue Committee**
The details of the criminal litigations involving the Issuer, Subsidiary and members of the Bond Issue Committee have been disclosed in the "Section-XI- Legal and Other Information" on Page No. 135 of the Draft Offer Document.

- **Actions by Regulatory and Statutory Authorities against Issuer and Subsidiary**
The details of all the actions by Regulatory and Statutory Authorities have been disclosed in the "Section-XI-Legal and Other Information" on Page No. 135 of the Draft Offer Document.

- **Other Civil Litigation**
The details of all the individual civil litigations above the materiality threshold have been disclosed in the "Section-XI- Legal and Other Information" on Page No. 135 of the Draft Offer Document.

There are certain matters disclosed under the Section "Section-XI-Legal and Other Information" beginning on page no. 135 of this Draft Offer Document in relation to which no claim amount is quantifiable.

No assurances can be given as to whether these legal proceedings will be decided in the Issuer's or the Subsidiary's favour or have no adverse outcome, nor can any assurance be given that no further liability/ loss will arise out of such legal proceedings. The details of outstanding material litigations involving the Issuer, Subsidiary and Bond Issue Committee which are based on the Materiality Policy of the Issuer are set out in *"Other Matters based on the Materiality Policy of the Issuer"* of *Section XI Legal and Other Information* on page no.135 of this Draft Offer Document.

Except for the disclosures in Section titled "*Legal and Other Information*", the Issuer and the Subsidiary, in the ordinary course of its business, is involved in various claims, suits, investigations, and legal proceedings that arise from time to time. Although the Issuer does not expect that the outcome in any of these legal proceedings, will have a material adverse effect on the Issuer's financial position or results of operations, yet litigation is inherently unpredictable. Therefore, the Issuer could incur judgments or enter into settlements of claims that could adversely affect the Issuer's operating results or cash flows in a particular period.

4. Any inability to obtain, renew or maintain the statutory and regulatory permits and approvals which are required for installation and operation of the Project may have a material adverse effect on our ability to complete the Project on a timely basis or at all. Any failure to successfully complete the Project on a timely basis may have an adverse impact on our reputation, operations and cash flows.

Work order has been issued for the Project and the work is under process. As per the certificate received from the Project Consultant dated January 14, 2025, except for the pending approvals for which applications have been made as mentioned in "Details and status of the regulatory approval" in the section titled Object of the Issue at page 57, there are no statutory and regulatory approvals required for the implementation of the Project. In case in future, there is a requirement of any additional approvals/NOCs, which cannot be identified at this point, for the Project, the Issuer shall take all reasonable steps to obtain the said approvals/ no-objection certificates ("**NOCs**") to ensure successful and timely implementation of the Project or renew existing approval in relation to the Project. While the Corporation intends to take all reasonable steps to obtain or renew such approvals/NOCs, there can be no assurance that the same will be received or renewed in a timely manner, or at all, particularly in the event of unforeseen circumstances or factors beyond the Corporation's control. Further, any failure to comply with the terms and conditions attached to existing regulatory or statutory approvals may result in such approvals being suspended, revoked, or not renewed, which may, in turn, delay the progress or completion of the Project.

Additionally, the Project is also susceptible to the policies of the state, administrative decisions, and cost overruns, which are risks inherent in the execution of large-scale infrastructure projects. While such delays or cost overruns are not expected to affect the Issuer's debt servicing obligations under the Green Bonds, which are proposed to be serviced through a structured payment mechanism under which the Issuer's Own Revenues/Cash Flows will be transferred to an Escrow Account for servicing the debt. There can be no assurance that implementation of the Project will be completed within the estimated timelines and budgeted cost.

For further details pertaining to the list and status of approvals and permissions received in relation to the Project, see the section titled "*Objects of the Issue*" beginning on page 51 of this Draft Offer Document.

5. Leakage of tax collections may affect volume of collections and accumulation of funds for future development, and on the Issuer's future execution capabilities and revenue collections.

The tax collections of the Issuer are primarily dependent on the integrity of tax/ charges collection systems and any leakage in the same due to fraud or technical faults affects the Issuer's collections and inflows and may have an adverse impact on accumulation of funds for future development, resulting in reduction of the Issuer's future execution capabilities.

If the tax collection is not properly monitored, such tax leakages may reduce the Issuer's revenue. Although the Issuer has systems in place to minimise leakages due to fraud and pilfering, yet any significant failure by the Issuer to control leakage in the collection systems, though not quantifiable monetarily, could have a material adverse effect on the Issuer's operations and prospects. Further, any leakage in the collections resulting in avoidance of payment of taxes/ charges, may also adversely affect the Issuer's operations. Further, there may be situations where the tax/ charges collection is disrupted or halted due to public agitation which may result in lesser revenue collection by the Issuer. Any such disruption or stoppage of tax/ charges collection will adversely affect the Issuer's revenue collections.

6. Our Auditors have highlighted a few observations/ notes in their audit reports relating to our Audited Financial Statements.

Our statutory auditors have highlighted few qualifications/observations in the Audit Reports on Restated Financial Statements dated September 19, 2025, for F.Y. 2024-25, dated September 17, 2025, for FY 2023-24 and dated September 15, 2025 for FY 2022-23. The auditors have also expressed qualified opinion in the abovementioned restated audit reports.

The key Auditor qualifications in the Audit Reports on Restated Financial Statements for the preceding three financial years i.e. F.Y. 2024-25, F.Y. 2023-24, & F.Y. 2022-23 are as follows:

i. The Corporation recorded receipts under the Grant Account; however, the corresponding expenditure outflows financed from such grants were not appropriately classified to align with the nature of revenue and capital transactions.

ii. The Corporation's depreciation methodology is not aligned with the NMAM requirements, as depreciation has not been applied on an asset wise consistent rate. Due to which certain assets have been written off in the year immediately following acquisition.

In addition to the Audit qualifications as provided above, there are certain additional observations in the Restated Audit Reports (under Significant Accounting Policies and Notes to Accounts to the Restated Financial Statements) dated September 19, 2025 for FY 2024-2025, September 17, 2025 for FY 2023-2024 and September 15, 2025 for FY 2022-23 as below:

i. Grants: Grants are recognized when there is reasonable assurance that attached conditions will be complied with and the grants will be received. In the absence of classification details, nature wise grant balances have not been adjusted and remain carried forward pending verification.
ii. Sweep Deposits: Interest on sweep deposits has been recognized on redemption/maturity in cases where formal bank confirmations were not available during the period; recognition is based on verified credit entries in the bank statements. In the absence of sweep deposit balance confirmations, balances and interest have been accounted for on the basis of bank statement entries and available correspondence, subject to subsequent confirmation and reconciliation.
iii. Bank Balances: There are certain old unreconciled bank balances pertaining to bank accounts that have since been closed; these balances continue to lie in the books and are currently under detailed reconciliation and review by management Upon completion of the reconciliation exercise, appropriate accounting adjustments, if any, will be carried out to write back/write off/reclassify/rectify such items.
iv. The Education Department was merged with the Nashik Municipal Corporation in the year 2015. The process of merging and consolidation of its accounts with the Nashik Municipal Corporation's accounts is still under progress. Accordingly, the accounts pertaining to the Education Department have not been considered in these Restated financial statements.
v. Employee Advances: There are differences between employee advance balances as per the books of accounts and the employee advance register maintained by the Nashik Municipal Corporation. The differences mainly relate to certain unrecorded/uncaptured entries in the employee advance register. Management has reviewed the matter and is in the process of reconciling the same.
vi. Old Stale Cheques: Certain cheques issued in past years which have not been presented for payment till date have been parked under a Control Account. These cheques, though considered time-barred, are still being carried in the books under a Control Account until their status is fully reconciled.
vii. Interest on Housing Loan: The interest charged on housing loans provided to employees was not separately disclosed as interest income in the Income & Expenditure Statement as data was not available. Consequently, both the interest income and the outstanding receivables from employees against the housing loans were understated. Steps are taken by concern department to ensure proper segregation and reporting of such transactions.
viii. Contingent Liabilities: The Corporation may face claims, disputes, or demands in the ordinary course of business that are currently not reliably measurable, and hence no provision has been recognised at this stage. Such matters are monitored continuously, and contingent liabilities are disclosed only where an outflow is not remote and estimation is practicable, with non-disclosure when such disclosure would seriously prejudice the Corporation's position as permitted by the standards. Based on management's assessment as of the reporting date, no contingent liability requires recognition and no disclosure is necessary beyond this policy, as the likelihood of material outflow is assessed as remote.
ix. Old balances: The Nashik Municipal Corporation has certain old unreconciled balances under debtors, creditors, and advances, deposits, liabilities, which have been carried forward over the years. Some very old balances pertaining to loans, debtors, creditors and advances have been reconciled during the year on the basis of balance confirmations obtained from the respective departments. Differences identified, if any, have

been appropriately adjusted in the books of accounts either by way of write-off or write-back or reclassification or rectification.

For details on all Audit Qualifications/ Observations/Remarks, please refer to the Audit Reports on Restated Financial Statements issued by the Auditor of the Issuer for the F.Y. 2024-25, F.Y. 2023-24 and F.Y. 2022- 23 annexed as Annexure VI of this Draft Offer Document.

We have undertaken and are in the process of undertaking corrective steps, as required, to address the qualifications/observations provided in the Audit Reports on Restated Financial Statements for FY 2022- 23, FY 2023-24 and FY 2024-25. The qualifications/observations shall not have a material impact on our Financial Statements and therefore, no further restatement is required.

There can be no assurance that our statutory auditors will not include further similar comments in the audit reports to our audited financial statements in the future, or that such remarks will not affect our financial results in future financial years. Investors should consider the above observations while in evaluating our financial condition, results of operations and cash flows. Any such similar comments on our financial statements in the future may affect the trading price of the bonds.

7. **The elections of the local bodies of the Corporation have not taken place as on date and there is no Mayor or Deputy Mayor of the Corporation at present and the operations of the Corporation are being managed by the Administrator, which may adversely affect the reputation and effective functioning of the Corporation**

Pursuant to the Order of the Department of Urban Development, Government of Maharashtra bearing reference number MCO-2020/Case/P. No. 71 (Part-2) Navi 14 dated March 03, 2022, the term of the Nashik Municipal Corporation has come to an end on March 14, 2022 and the charge of the post of Administrator has been entrusted to the Municipal Commissioner of the Corporation. In pursuance of the Government Order No. N.G.L. No. AEO/1124/5/2025/IAS-1 dated December 26, 2024, Smt. Manisha Khatri, has been appointed as Commissioner of the Corporation and is presently holding charge as Commissioner and Administrator of NMC with effect from December 26, 2024. Under the provisions of Section 452A of the MMC Act, the Administrator is empowered to carry out the various functions of the Corporation, till such time as a new Corporation is formed through elections. Presently, there are no officials elected in the post of Mayor or Deputy Mayor of the Corporation, and the General Board and Standing Committee are not constituted as required under the provisions of the MMC Act. Presently, as there are no elected councilors, who represent the interests of the citizens residing in the wards in which they are elected, the reputation and effective functioning of the Corporation may be adversely affected.

Further, as per the letter issued by the State Election Commission to Nashik Municipal Corporation dated December 15, 2025, bearing reference no. Rania/Munpa-2025/Pr.No. 80/Ka-5, the election programme for the general elections of 29 municipal corporations in the state has been announced. The letter also referred to the orders for preparation for the elections which were issued to the Corporation by the State Election Commission vide its order No. Rania/Municipality-2025/Pr.no.79/Ka.05 dated December 14, 2025. As per the aforesaid letter, the date of polling has been notified to be January 15, 2026, and date of counting and declaration of results has been notified as January 16, 2026. Upon declaration of the election results, the Mayor, Deputy Mayor, members of the Standing Committee and General Board shall be elected from amongst the councillors in accordance with the provisions of the MMC Act. Such changes in the administration of the Corporation may lead to change in policies, administrative delays which may have an adverse impact on the operations and financial results of the Corporation.

8. **We are eligible for incentive from Government of India, Ministry of Housing and Urban Affairs under Atal Mission for Rejuvenation and Urban Transmission 2.0 ("AMRUT 2.0") for raising funds from Green Bonds. We cannot assure that we will be able to successfully raise the Green Bonds and any failure to raise funds through issuance of Green Bonds in a timely manner may impact our ability to receive incentive from Ministry of Housing and Urban Affairs, Government of India.**

The Corporation will be eligible to receive incentive as per D.O.No.K-14012/01/2022-AMRUT-IIB dated April 7, 2025 and any subsequent notification from Ministry of Housing and Urban Affairs Government of India under Atal Mission for Rejuvenation and Urban Transmission 2.0 ("AMRUT 2.0") for raising of funds through the proposed Green Bonds.

AMRUT 2.0 was launched with the objective of making cities 'Aatma Nirbhar' and water secure. Under the said circular/ notification of AMRUT 2.0, in case of issuers who have already issued municipal bonds the subsequent bonds issued meeting the definition of green bonds by SEBI, will be eligible for incentives. In such cases, incentive of ₹ 10.00 crores will be given for every ₹ 100.00 crores of green bonds issued subject to a limit of ₹ 20.00 crores per urban local body. Urban local bodies raising bonds for the first time shall, on the other hand, be

eligible for an incentive of Rs 13.00 crores per ₹ 100.00 crores of bond issued, subject to a limit of ₹ 26.00 crores per urban local body.

Any failure by us to complete the Issue in a timely manner will impact our ability to claim incentives under AMRUT 2.0 from Government of India, Ministry of Housing and Urban Affairs which may have an adverse impact on our, operations and cash flows including in relation to the projects being undertaken by us.

9. **We are dependent on grants and support in the form of budgetary allocation from Central and State Government for our operations. Any failure to obtain grants or any reduction in funding in the form of grants or budgetary allocation from the government may adversely impact our operations, financial condition and future performance.**

The projects undertaken by the Issuer are capital intensive and supported by grants in the form of budgetary allocation from Central and State Government. Any reduction in budgetary allocation of capital, funding or non-receipt of grants by the GoI and GoM may materially affect the projects undertaken by the Issuer and impact the Issuer's operations and asset generation capacity. As grants are one of the main sources of revenue for the Issuer, any irregularity in release of grants may affect the project implementation schedules and affect the financial condition of the Issuer. Any delay in receipt of the grant may have an impact on the Issuer's liquidity position.

The grants received are not specifically earmarked for individual projects and may be utilised interchangeably across various ongoing and approved projects, based on timing and funding requirements. Accordingly, the application of such funds may vary from time to time, and any delay or reduction in grants may impact the overall project execution and prioritization.

Further, the documentation or formal agreements governing such grants may, in some cases, be limited or subject to varying conditions imposed by the relevant government authorities. This may lead to uncertainty regarding the timing of disbursement, conditions for utilisation, or consequences of non-compliance, and could result in delays or disputes in the availability or application of grant funds. Any such lack of clarity in the terms and conditions or enforceability of grant-related documentation may adversely impact the Issuer's ability to plan or execute its projects in a timely manner. For details of grants received from the Central and State Government, please refer to the Section titled "*About the Issuer and Capital Structure of the Issuer*" on page 50 of this Draft Offer Document. Further, the growth plans of the Issuer are mainly determined by the amount of grants and support in the form of budgetary allocations and any adverse developments in the policy of the government in the manner in which it seeks to address the development of the infrastructure needs of India will have a material and adverse effect on the Issuer's operations. Moreover, if the funding from grants decreases or if there is any adverse change in the pattern of allocation of the tax collected by GoI or if there is a downturn in the macro-economic environment in India or in the sectors which are directly dependent on the infrastructure projects that the Issuer undertakes/ proposes to undertake, the Issuer's operations and future performance could be materially and adversely affected.

10. **Successful implementation of the Project is dependent on various evaluation factors. Any failure on evaluation process may impact the project implementation**

Successful implementation of the Project is dependent on factor like (i) suitable site selection after all technical studies with adequate space, infrastructure access, and regulatory compliance (ii) comprehensive cost-benefit analysis (ii) Continuously monitoring of key environmental parameters to ensure compliance and minimize environmental impact. (iii) Developing a comprehensive O&M plan to ensure optimal performance.

Any failure to evaluate the above factors may impact the smooth implementation of the Project and lead to time and cost overruns thereby impacting the Issuer's operations and financial condition.

11. **The Bonds are unsecured and the Issuer's ability to pay Coupon and redeem principal in accordance with the terms of the Issue is subject to various factors affecting the Issuer's financial condition. Any adverse change in these factors may have an adverse impact on Issuer's ability to pay interest accrued on the Bonds and/ or the principal amount in timely manner as outstanding from time to time**

The Issuer's ability to pay Coupon accrued on the Bonds and/or the principal amounts outstanding from time to time in connection therewith would be subject to various factors, including inter alia the Issuer's financial condition, profitability, revenue generation and general economic conditions prevailing in India and in the global financial markets. Any adverse change in these factors may have an adverse impact on our reputation and financial condition and our ability to pay interest accrued on the Bonds and/or the principal amount in timely manner. The Issuer shall create a structured payment mechanism through which the funds lying in account(s) in

which the Own Revenues/Cash Flows gets collected and/ or pooled by the Issuer shall be transferred to the Escrow Account for debt servicing on daily basis.

The Issuer's ability to timely pay interest accrued on the Bonds and/ or the principal amount outstanding from time to time in connection therewith would be subject to various factors, including inter-alia collecting the Own Revenues/Cash Flows and the general economic conditions prevailing in India and in the global financial markets.

In the event of any default, the Bond Holders may not be able to recover, on a timely basis, the full value of the outstanding amounts and/or the interest accrued thereon in connection with the Bonds. The Bonds are not "secured debt securities" for the purposes of the SEBI (ILMDS) Regulations, 2015 and corresponding provisions of Applicable Law. The amounts payable towards the principal amount of the NCDs together with all the interest/coupon due and payable on the NCDs, shall be secured by way of creating lien over such security as mentioned in Term sheet on page no. 170 of this Draft Offer Document . As the Bonds are unsecured in nature, the potential investor may not be able to recover on a timely basis or at all, the full value of the outstanding amounts and/ or the interest accrued thereon in connection with the Bonds.

In the event of any default, Debentures Trustee shall take all steps to ensure redemption of Debentures and enforcement of Security or any other legal recourse available to the Bond Holders as per the terms of the Transaction Documents and in accordance with the Applicable Law.

Financial Risk including Liquidity Risk

12. Collection ratios of Issuer may vary in the future that may impact the financial condition of the Issuer.

The overall collection ratios of Property Tax which is one of the main sources of own revenue for the Issuer are 43.56% in Financial Year 2024-2025, 43.33% in Financial Year 2023-2024 and 44.84% in Financial Year 2022-2023.The overall collection of Property Tax which is one of the main sources of revenue has increased from ₹ 153.38 Crore in Financial Year 2023, to ₹162.31 Crore in Financial Year 2024 and to ₹ 182.65 Crore in Financial Year 2025. While the Issuer has implemented various reforms, measures and established systems to improve the collection of Property Tax, as mentioned under Section X: Financial Information on page 129 under the heading "Property Tax Reforms", due to unforeseen circumstances beyond the control of the Issuer, there can be no assurance that the total collection will not decrease in future, which will have an impact on the financial condition of the Issuer. The portion of property tax due but not collected is shown as receivables in our financial statements. While the Issuer takes certain measures from time to time to collect such arrears, there can be no guarantee for timely collection of such arrears. Further, the payment of interest and principal to the Bonds holders are backed by "Structured Payment Mechanism" as provided on page 177 (Summary of term sheet) of this Draft Offer Document.

Any shortage in collections in any period may result in a mismatch in revenue and expenditure of the Issuer and the funds may be inadequate for transfer to the Escrow Account. Such shortfall will impact the Issuer's financial condition and the Issuer's ability to meet its obligations in respect of the Bonds. For further details please refer to the "Details of Property Tax collection" of Section X: Financial Information on page no. 131 of this Draft Offer Document.

Operations Risk

13. We are dependent on information technology and any breach on information technology may affect the Issuer's activities

Our operations are dependent on information technology. We have undertaken various reforms towards digitisation of payment of tax and other services. Any failure, inadequacy or security breach in the information technology and telecommunication systems or an inability to adapt to rapid technological changes may adversely affect the our activities, timely collection of taxes and our financial condition.

Our ability to maintain and upgrade its information technology systems and infrastructure on a timely and cost-effective basis, including the ability to process a large number of transactions on a daily basis may have an impact on our operations. Our operations also rely on the secure processing, storage and transmission of confidential and other information in its computer systems and networks. We have engaged various private sectors entities for enabling the digitalization. If any of these entities is unable to meet the desired objectives these services may fail to operate adequately or become disabled as a result of events that may be beyond our control, including a disruption of electrical or communications services. Further, despite our best efforts to ensure data security the

computer systems, software and networks may be vulnerable to unauthorised access, computer viruses or other attacks that may compromise data integrity and security and result in information or identity theft, as a consequence of which our operations and future performance could be materially and adversely affected.

14. Reliance on third-party intermediaries, contractors and service providers.

We while undertaking various projects rely on third-party intermediaries, contractors and service providers who may not perform their obligations satisfactorily or in compliance with Applicable Laws.

We enters into outsourcing arrangements/ contracts with civil contractors for undertaking various civil contracts and with third party vendors for providing various services. Any failure by the contractors or service providers to provide a specified service, develop the Project and maintain it or a breach in security/ confidentiality or non-compliance with legal and regulatory requirements may result in financial loss, loss of reputation, delay in the Project and have an adverse impact on our financial condition. While we make best efforts to ensure that sufficient measures are undertaken and clauses are built in the agreements with the contractors / service providers/ third parties to prevent such risks, these measures may not be sufficient to deter such activities in all cases, which may adversely affect our operations and asset generation capacity.

15. Labour Related Risks

India has stringent labour legislation that protects the interests of workers, including legislation that sets forth detailed procedures for discharge of employees and dispute resolution and imposes financial obligations on employers upon employee layoffs. As a result of such stringent labour regulations, it is difficult for the Issuer to maintain flexible human resource policies, discharge employees or downsize, which may adversely affect our business, financial condition and results of operations. Additionally, some of the Issuer's employees are part of certain industry labour unions and such unions could result in labour unrest. Strikes or work stoppages or any mishaps/ accidents impacting the labour in future could have an adverse impact on the Issuer's operations. The Government of India has given its assent to enact (i) Code on Wages, 2019 (ii) Industrial Relations Code, 2020 (iii) Code on Occupational Safety, Health & Working Conditions Code, 2020 (iv) Code on Social Security, 2020 which has replaced some of the existing labour laws with the objective to simplify and modernize labour regulations. Certain portions of the Code on Wages, 2019 and Code on Social Security, 2020, have come into force upon notification dated December 18, 2020 and May 3, 2023, respectively, by the Ministry of Labour and Employment. The remaining provisions of these codes shall become effective as and when notified by the Government of India

We, from time to time, for certain activities, appoints independent contractors who in turn may engage on-site contract labour for performance of certain activities. This has had a negative impact on the activities of execution agencies such as civil contractors and other vendors that have been engaged by us. Further, we may be held responsible for any payment of wages/ compensation for any accidents or losses relating to such contracted labourers in certain cases even though such labourers are not directly engaged by the Issuer. Such an event may have an adverse impact on our financial position and operations.

.

16. We are unable to ascertain contingent assets and liabilities because of the complex nature of capital contracts.

We regularly enter into capital work contracts in the ordinary course of our operations. Due to the nature, scope, and complexity of such contracts, the Issuer is unable to precisely determine the extent of contingent assets and liabilities that may arise from them. Consequently, there may be unascertained or undisclosed obligations or entitlements that could materially impact our financial condition, cash flows, or results of operations. Any such impact may not be adequately reflected in our financial statements, which could affect investors' ability to make an informed investment decision.

17. We are exposed to operational risks, including employee negligence, petty theft, burglary and embezzlement and fraud by employees or third parties, which could harm our results of operations and financial position.

We are exposed to operational risks, including employee negligence, petty theft, burglary and embezzlement and fraud by employees or third parties, which could harm our results of operations and financial position.

We may do cash collections to recover our dues. Such cash transactions may expose us to the risk of theft, burglary and misappropriation or unauthorized transactions by our employees and fraud by employees or third parties. Our insurance policies, security systems and measures undertaken to detect and prevent these risks may not be sufficient to prevent or deter such activities in all cases, which may adversely affect our operations and

asset generation capacity. Further, we may be subject to regulatory or other proceedings in connection with any unauthorized transactions, fraud or misappropriation by our representatives and employees, which could adversely affect our goodwill.

18. If we are unable to protect our trademarks, others may be able to use our trademarks and tradenames to compete more effectively. Also, we may breach third-party intellectual property rights.

Our logo is not registered with the Trademarks Registry.

We will not be able to avail legal protections under the trademark or prevent unauthorised use of such trademarks by third parties. Our efforts to protect our intellectual property or proprietary information and the measures we take to identify potential infringement of our intellectual property may not be adequate to detect or prevent infringement, misappropriation or unauthorized use. Any such misappropriation or duplication of our name, corporate logos or other intellectual property or proprietary information may disrupt our operations, distract our officials and employees, reduce revenues and increase expenses. In addition, we may also become subject to infringement claims. Even if claims against us are not meritorious, any legal, arbitral or administrative proceedings that we may be required to initiate or defend in this regard may be time-consuming, costly and harmful to our reputation, and there is no assurance that such proceedings will ultimately be determined in our favor. Furthermore, the application of laws governing intellectual property rights in India is continuously evolving and there may be instances of infringement or passing-off of our brand in Indian markets. Our failure to adequately protect our brand, trademarks and other related intellectual property rights may adversely affect our business, financial condition and results of operations.

We may be subject to claims by third-parties, both inside and outside India, if we breach their intellectual property rights by using names, trademarks or other such rights that are of a similar nature to the intellectual property these third-parties may have registered or are using. We might also be in breach of such third-party intellectual property rights due to accidental or purposeful actions by our employees where we may also be subjected to claims by such third-parties. To the best of our knowledge, there are currently no such claims and our use of the trademark has not infringed upon any existing intellectual property rights and such usage is not in conflict with, or in violation of any applicable law or any binding contractual or fiduciary obligation.

However, any legal proceedings that result in a finding that we have breached third-parties' intellectual property rights, or any settlements concerning such claims, may require us to provide financial compensation to such third-parties or stop using the relevant intellectual property (including by way of temporary or permanent injunction) any of which may have a material adverse effect on our reputation, results of operations and financial condition.

19. Our existing non-convertible debentures issued on private placement basis are listed on NSE and we are subject to continuous post listing compliances with applicable rules and regulations. Instances of delays and non-compliances may attract penal actions by stock exchange or SEBI.

Our existing non-convertible debentures are listed on the NSE. We are required to comply with various applicable rules and regulations, including the SEBI ILMDS Regulations and SEBI circulars issued on continuous disclosures and compliances by listed entities in terms of our listed non-convertible debentures. There have not been any instances of delays and non-compliances in relation to continuous disclosures and filings in terms of our listed non-convertible debentures including delay in filing of financial results, delay in intimations to the Stock Exchanges. While there have been no penalties imposed/penal actions initiated by the Stock Exchange against us, we cannot assure that there will be no penalties imposed/penal actions initiated by the stock exchange in future.

EXTERNAL RISK FACTORS

General Risks

20. Political Scenario prevailing in India might risk our business.

Periodic elections and/ or rotation of the officers might pose a risk to the operations of the Issuer since a change in the government might shift the policy focus for the municipal corporation which will impact the ongoing activities of the Issuer. Such changes in policy focus might affect the relative priority of capital expenditures for the Project and other projects undertaken by the Issuer.

21. Any future changes in Government Policies may affect the collection of revenue of the Issuer and may also affect the management of the expenditure.

Our operations are dependent on the policies of the government, central as well as state initiatives. Any future changes in government policies detrimental to the Issuer may affect the collection of our revenue and may also affect our management of the expenditure. Any lack of support in terms of regulatory initiatives will adversely affect our operations, as will any delayed response in policy alteration or other regulatory impediments, which will adversely affect our operations. Further, inconsistencies in our revenue collection and any lack of support in terms of regulatory initiatives any delayed response in policy alteration or other regulatory impediments, which will adversely affect our operations and various planned initiatives and projects being undertaken by us. Additionally, policies of central and state government which mandate urban local bodies to focus on development in certain specific sectors or areas will affect our projects and operations.

22. Material changes in regulations to which the Issuer is subject could impair the Issuer's ability to meet payment or other obligations.

We are subject to changes in Indian laws, as well as to changes in government regulations and policies and accounting principles. As a municipal corporation constituted under applicable laws in India, we are subject to numerous statutes, rules, regulations, and guidelines issued by central, state, and local authorities, including but not limited to those relating to municipal governance, financial management, public works, taxation, environmental norms, procurement, public health, and urban development.

Any material change in the existing regulatory environment, or the introduction of new laws or policies—whether at the central, state, or local level—may have an adverse impact on our operations, financial position, or prospects. Such changes may include, inter alia, amendments to the municipal legislation under which we are constituted, changes in accounting standards applicable to government entities, modifications in guidelines relating to the issuance and servicing of municipal bonds, or revised norms governing the use of grants and public funds.

These changes could increase the cost of compliance, necessitate restructuring of existing financial arrangements, delay the execution of infrastructure or service delivery projects, or result in restrictions on the Issuer's ability to raise funds or allocate resources. Further, adverse regulatory developments may also impact our revenue generation mechanisms, including its ability to levy taxes, collect user charges, or receive grants from higher levels of government.

Any of the foregoing could impair our ability to meet its payment obligations under the instruments offered in this Draft Offer Document and may also adversely affect our financial performance.

23. External factors like natural calamities, pandemics, protest, riots, terrorism etc. may affect our operations and may delay the implementation of proposed Project.

Any occurrence of natural calamities like storm, flash floods, any instance of pandemics, protest, riots etc. could hamper the transportation facilities, impact mobility and functioning of the city and hence the implementation of proposed Projects. Though we are scaling up our internal systems to take care of any such sudden events, in case they occur in future, these conditions may result in hampering the functioning of NMC due to additional cost burden for retrieving the city back to normalcy.

24. Decentralization with respect to Municipal Corporations

Decentralization is an ongoing process, and further adjustments in service responsibility, taxation authority and accountability are likely in the coming years. NMC has legislative and administrative control over its operating revenues, expenditures and capital plans, as permitted under the Act. Nevertheless, changes in State and Central Government revenue sources and regulatory frameworks could have an effect on the credit profile of NMC (positive and negative), should those changes result in devolution of power, of revenues or of spending mandates.

Additionally, we are subjected to regulations by Indian Governmental Authorities. These laws and regulations impose numerous requirements and restrictions for us to grow our area of operations and revenue generation, including asset classification and prescribed levels of capital adequacy, cash reserves and liquid assets. There may be future changes in the regulatory system or in the enforcement of the laws and regulations that could adversely affect us.

Risk in relation to the Green Bonds

25. Changes in interest rate may affect the price of our Green Bonds. Any increase in rate of interest are likely to have a negative effect on the price of our Green Bonds.

All securities where a fixed rate of interest is offered, such as our Green Bonds, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e., when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. Any increase in the rate of interest is likely to have a negative effect on the price of our Green Bonds. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the price of our Green Bonds.

The secondary market pricing of the Green Bonds is subject to factors affecting the general economic condition in India and in the domestic and global financial markets. As a result, the investor may face volatility in the price of the Green Bonds due to above mentioned factors

26. Any downgrading in credit rating of our Green Bonds may adversely affect the value of Green Bonds and thus our ability to raise further debts.

CRISIL Rating Limited has vide its letter dated January 14, 2026, assigned a rating of 'Provisional CRISIL AA+/Stable'. India Ratings and Research Private Limited has vide its letter dated January 14, 2026, assigned a rating of Provisional IND AA+/Stable.

The above mentioned credit ratings may not reflect the potential impact of any future uncertainties related to structure, market, and/or other factors that may affect the value of the Bonds. If there is deterioration in our financial performance or position, accumulation of debt or if there are any statutory or regulatory restrictions detrimentally affecting our ability to collect revenues or manage expenditures, our credit rating and credit rating assigned to the Green Bonds may be downgraded. Any downgrading in our credit rating or credit rating of these instruments will result in an enhanced risk to the Bondholders.

Further, in terms of the rating rationale issued by CRISIL on January 13, 2026 and India Ratings on January 14, 2026 the outlook has been kept as 'Stable', considering the steady growth in revenue receipts, significant improvement in general tax collection efficiency and cost recovery of services, strong financial risk profile, backed by healthy operating surplus and liquidity. The ratings, also factor in the structured payment mechanism, which will be monitored and controlled by the Debenture Trustee.

The Issuer cannot guarantee that the credit ratings of the Issuer or the Bonds will not be downgraded by the Rating Agencies in future. Thus, the credit ratings are not a recommendation to buy, sell or hold the Bonds and investors should take their own decisions. The ratings provided by the Rating Agencies may be suspended, withdrawn or revised at any time including without limitation the financial deterioration of the Issuer. Any revision or downgrade of the above credit rating may lower the value of the Green Bonds and may also affect the Issuer's ability to raise further debt. In such cases where the value of the Green Bonds decreases, potential investors may incur losses on sale of their investment in the secondary market.

27. There may be less information available about the municipal corporations listed on the Indian securities markets compared with information that would be available if we were listed on securities markets in certain other countries.

There may be differences between the level of regulation and monitoring of the Indian securities markets and the activities of investors, brokers and other participants in India and that in the markets in the United States and certain other countries. SEBI is responsible for ensuring and improving disclosure and other regulatory standards for the Indian securities markets. SEBI has issued regulations and guidelines on disclosure requirements, insider trading and other matters. There may, however, be less publicly available information about a municipal corporation listed on an Indian stock exchange compared with information that would be available if that the said municipal corporation was listed on a securities market in certain other countries. As a result, investors may have access to less information about the operations, results of operations, cashflows and financial conditions than you may find in the case of municipal corporations listed on a securities market of other more developed countries.

28. There may be a delay in making refund/ unblocking of funds to Applicants.

We cannot assure you that the monies refundable to you, on account of (i) withdrawal of your applications, (ii) our failure to receive minimum subscription in connection with the Base Issue, (iii) withdrawal of the Issue, (iv) failure to obtain the final approval from the Stock Exchanges for listing of the Green Bonds or (v) non allotment due to technical rejections or over subscriptions will be refunded to you / unblocked in a timely manner. We, however, shall refund such monies, within the timelines prescribed under applicable laws. In case of any delays in making such refunds/unblocking instruction, the Corporation shall be liable to pay interest as prescribed under the SEBI ILMDS regulations and the SEBI Master Circular. For further details please refer to page 72 under section "*Issue Specific Information*".

29. The Issuer shall do all necessary actions for listing of the bond in timely manner, however there is no assurance that the Green Bonds issued pursuant to this Issue will be listed on the Stock Exchanges in a timely manner, or at all.

In accordance with Indian law and practice, permissions for listing and trading of the Green Bonds issued pursuant to the Issue will not be granted until after the Green Bonds have been issued and allotted. Approval for listing and trading will require all relevant documents to be submitted and carrying out of necessary procedures with the Stock Exchanges. There could be a failure or delay in listing the Green Bonds on the Stock Exchanges for reasons unforeseen.

While the Issuer shall ensure compliance with the provisions related to the timelines for listing of securities, however, if we fail to obtain listing or trading permission from any of the recognized stock exchanges where the Green Bonds are proposed to be listed, we shall refund the entire monies received within seven days of receipt of intimation from stock exchange or in case of multiple stock exchange(s) within seven days from the earliest intimation rejecting the application for listing of the Green Bonds, and if any such money is not repaid after the we become liable to repay it, we shall be liable to repay that money with interest at the rate of fifteen percent per annum till such refund is made.

30. The Green Bonds shall be subject to continuous post listing compliances with applicable rules and regulations with respect to such listed non-convertible debentures.

The Green Bonds are proposed to be listed on the Stock Exchanges (i.e. National Stock Exchange of India Limited and BSE Limited). Subsequently, we will be required to comply with various applicable rules and regulations, including the SEBI circulars issued on continuous disclosures and compliances for our Green Bonds.

Despite best efforts of the Issuer to comply with all applicable law post listing of the Debentures on the Stock Exchanges, there may be instances of delays or non-compliances in relation to continuous disclosures and filings in terms of the listed non-convertible debentures. If the Issuer fails to rectify such non-compliances or comply with such rules and regulations including any further compliance notified by the Stock Exchanges or relevant regulatory authorities, it may be subject to certain penal actions, imposition which may have an adverse effect on the Issuer's operations, reputation and financial condition.

31. There may be no active market for the Bonds on the platform of the Stock Exchanges. As a result, the liquidity and market prices of the Bonds may fail to develop and may, accordingly, be adversely affected.

There can be no assurance that an active market for the Green Bonds will develop. If an active market for the Green Bonds fails to develop or be sustained, the liquidity and market prices of the Green Bonds may be adversely affected. The market price of the Green Bonds would depend on various factors, inter alia, including (i) the interest rate on similar securities available in the market and the general interest rate scenario in the country (ii) the market for listed debt securities, (iii) general economic conditions, and (iv) our reputation, financial performance and results of operations. The aforementioned factors may adversely affect the liquidity and market price of the Bonds, which may trade at a discount to the price at which you purchase the Bonds and/or be relatively illiquid.

Even if there is a secondary market for the Green Bonds, it is not likely to provide significant liquidity. Potential investors may have to hold the Green Bond until redemption to realise value.

32. The investors may be subject to taxes arising on the sale of the Bonds.

The sale of Green Bonds by any Bonds Holder may give rise to tax liability. The returns received by the investors from Debentures issued by the Issuer in the form of interest and the gains on the sale/transfer of the Debentures may be subject to tax liabilities under the Income Tax Act, 1961. For details of possible tax benefits available to the Issuer and NCD Holders under the applicable laws in India, as discussed in section titled "*Tax Benefits*" on page 65 of this Draft Offer Document.

33. The Issue may not be fully subscribed to by potential investors.

In case the Issue is not fully subscribed to by potential investors, the Issuer may be unable to meet the funding requirements of the Project from the proceeds of the Issue to the full extent. The Issuer may be required to raise additional funds to meet the shortfall in funding the Project through other sources which may lead to a delay in the completion of the Projects. The funding gap may develop due to such shortfall in full subscription to the Issue, in which the Issuer may utilize its internal accruals or obtain funding through other means for completion of the Project. Please refer to paragraph K (Capital structure relating to Projects for which funds are proposed to be mobilised) of '*Section VI: About the Issuer and Capital Structure of the Issuer*' on page 41 of this Draft Offer Document.

34. Trading of the Green Bonds may be limited by temporary exchange closures, broker defaults, settlement delays, strikes by brokerage firm employees and disputes.

The Stock Exchanges have experienced temporary exchange closures, broker defaults, settlement delays and strikes by brokerage firm employees. In addition, the governing bodies of the Stock Exchanges have from time to time imposed restrictions on trading in certain securities, limitations on price movements and margin requirements. Furthermore, from time to time, disputes have occurred between listed companies and Stock Exchanges and other regulatory bodies, which in some cases may have had a negative effect on market sentiment.

35. Bonds are subject to the risk of change in law.

The terms and conditions of the Green Bonds are based on Indian law in effect as of the date of issue of the Green Bonds. No assurance can be given as to the impact of any possible judicial decision or change to Indian law or administrative practice after the date of issue of the Green Bonds and any such change could materially and adversely impact the value of any Green Bonds affected by it.

O. Debenture Trustee to the Issue

In accordance with the provisions of Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993, NMC has appointed Beacon Trusteeship Limited to act as Debenture Trustee ("**Debenture Trustee**") for and on behalf of the holder(s) of the Green Bonds.

A copy of letter from Beacon Trusteeship Limited conveying their consent to act as Debenture Trustee for the current issue of Green Bonds is attached as **Annexure IV**.

NMC hereby undertakes that the rights of the bondholders will be protected as per the governing SEBI rules and regulations, agreement/deed executed/to be executed between NMC and the Debenture Trustee. The Debenture Trustee Agreement/Deed shall contain such clauses as may be prescribed under the Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993, as amended from time to time and various SEBI circulars. Further the Debenture Trustee Agreement/Deed shall not contain any clause which has the effect of (i) limiting or extinguishing the obligations and liabilities of the Debenture Trustee or NMC in relation to any rights or interests of the holder(s) of the Green Bonds; (ii) limiting or restricting or waiving the provisions of the SEBI Act; SEBI ILMDS Regulations and circulars or guidelines issued by SEBI; and (iii) indemnifying the Debenture Trustee or NMC for loss or damage caused by their act of negligence or commission or omission.

The Bond Holder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Debenture Trustee or any of their agents or authorized officials to do all such acts, deeds, matters and things in respect of or relating to the Green Bonds as the Debenture Trustee may in their absolute discretion deem necessary or require to be done in the interest of the holder(s) of the Green Bonds. Any payment made by the Issuer to the Debenture Trustee on behalf of the Bond Holder(s) shall discharge the Issuer pro-tanto to the Bond Holder(s).

The Debenture Trustee shall perform its duties and obligations and exercise its rights and discretions, in keeping with the trust reposed in the Debenture Trustee by the holder(s) of the Green Bonds and shall further conduct itself, and comply with the provisions of all applicable laws, provided that, the provisions of Section 20 of the Indian Trusts Act, 1882, shall not be applicable to the Debenture Trustee. The Debenture Trustee shall carry out its duties and perform its functions as required to discharge its obligations under the terms of SEBI ILMDS Regulations, the Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993, the Debenture Trustee Agreement/Deed, Offer Document and all other related transaction documents, with due care, diligence and loyalty.

The Debenture Trustee shall be vested with the requisite powers for protecting the interest of the Bond Holders(s). The Debenture Trustee shall monitor the separate escrow account maintained in respect of the earmarked revenue. The Debenture Trustee shall ensure disclosure of all material events on an ongoing basis.

P. Investor Relations and Grievance Redressal

Arrangements have been made to redress investor grievances expeditiously as far as possible. The Issuer endeavors to resolve the investor's grievance within 21days of its receipt in such manner as may be specified by the SEBI. All grievances related to the issue may be addressed to the Compliance Officer at head office of the Issuer or emailed to nmc.bond200@gmail.com. All investors are hereby informed that the Issuer has appointed a Compliance Officer who may be contacted in case of any pre-issue/ post-issue related problems such as non-credit of Green Bonds in the demat account, non-receipt of refund order(s), interest warrant(s)/ cheque(s) etc. Contact details of the Compliance Officer are given at point G of this Section at page 34 in this Draft Offer Document. The Corporation has already obtained registration with the SCORES platform of SEBI (SCORES ID: CCOMN00629) for the convenience of the investors for filing of any complaint.

Q. Minimum subscription

In terms of the SEBI ILMDS Regulations, for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue Size (i.e. Rs. 75 Crores). If our Corporation does not receive the minimum subscription of 75% of Base Issue Size (i.e. Rs. 75 Crores), prior to the Issue Closing Date the entire Application Amount shall be unblocked in the relevant ASBA Account(s) of the Applicants within prescribed time period under applicable law or such time as may be specified by SEBI provided wherein in case of any delay by the Issuer in making the aforesaid refund, the Corporation will become liable to refund the Application Amount along with interest at the rate of 10 (ten) percent per annum for the delayed period.

To the extent possible, where the required information for making such refunds is available with our Corporation, refunds will be made to the account prescribed. However, where our Corporation does not have the necessary information for making such refunds, our Corporation will follow the guidelines prescribed by SEBI in the SEBI Master Circular.

R. Recovery Expense Fund

NMC will create a recovery expense fund in the manner as specified by the SEBI Master Circular for Debenture Trustees and will inform the Debenture Trustee regarding the creation of such fund. The recovery expense fund may be utilised by Debenture Trustee, in the event of default by NMC under the terms of the Debenture Trust Deed and the applicable laws, for taking appropriate legal action to enforce the security.

Kindly note, any default committed by the Corporation in terms of the NCDs proposed to be issued shall be reckoned at each respective ISIN assigned to the respective STRPP issued.

S. Settlement Guarantee Fund

NMC, if applicable will deposit amounts in the settlement guarantee fund in the manner as specified in the SEBI Master Circular. This fund will be created under the SEBI Master Circular to ensure upfront collection of charges from eligible issuers at the time of allotment of debt securities.

SECTION VI: ABOUT THE ISSUER AND CAPITAL STRUCTURE OF THE ISSUER

A. About the Issuer

Nashik Municipal Corporation (NMC) is the municipal body of Nashik city. Presently, Smt. Manisha Khatri (I.A.S.) is the Commissioner and Administrator of Nashik Municipal Corporation.

Nashik Municipal Corporation is the governing body responsible for the administration and development of Nashik city in Maharashtra. It oversees urban planning, public services and infrastructure management. The Corporation ensures essential services such as water supply, waste management, healthcare and road maintenance.

a. About Nashik

Nashik district, located between 18.33 degrees and 20.53 degrees North latitude and between 73.16 degrees and 75.16 degrees East longitude, is a region with rich mythological and historical background. It is the third largest district in Maharashtra, surrounded by the Western Ghats in the west and the Deccan Plateau in the east. Spanning over 15,582 square kilometers in the north of Maharashtra, the city holds cultural and religious significance.

The Trimbakeshwar Shiva Temple, located in Trimbak, Nashik, is revered as the origin of the sacred Godavari River. Nashik is one of the only four cities that host the Sinhastha Kumbh Mela once every twelve years.

Simhastha Kumbh Mela is a state-recognised, a periodic religious congregation. Simhastha Kumbh Mela is held once every twelve years at Nashik and Trimbakeshwar in the State of Maharashtra. The Nashik Municipal Corporation ("NMC" or "Issuer") is responsible for execution of certain municipal-level infrastructure and civic service works which are within the territorial jurisdiction of NMC under the Nashik–Trimbakeshwar Kumbh Mela Authority (NTKMA). Such responsibilities (subject to administrative sanction and availability of funds) generally include water supply and sanitation infrastructure and other municipal amenities relevant to the conduct of the Simhastha Kumbh Mela.

b. Constitution of the Issuer

Nashik Municipal Corporation was constituted under Article 243Q(1)(c) of the Constitution of India, 1949 and established on November 07, 1982 under the Bombay Provincial Municipal Corporations Act, 1949 then applicable act in Nashik, Maharashtra vide notification dated October 22, 1982 bearing reference NCC.-1082/211(i)-UD-21.

The Issuer, being a corporation established under the MMC Act, which is a state act, is a public sector company for the purposes of the Income Tax Act, 1961, which defines the term 'public sector company' under Section 2(36A) to mean any corporation established by or under any central, state or provincial act or a government company as defined in the Section 2(45) of the Companies Act, 2013.

c. Composition of the Issuer

In accordance with Section 4 of the MMC Act, the municipal authorities charged with carrying out the provisions of the Act for each city are:

a) a Corporation;
b) a Standing Committee;
c) Ward Committees:
d) a Mayor and
e) a Municipal Commissioner

In accordance with the Act, the Corporation consists of councilors chosen by direct election and shall continue for five years. The term of the councilors shall be co-extensive with the duration of the corporation. The corporation shall at its first meeting elect a Mayor and a Deputy Mayor from amongst the councilors. The term of both the Mayor and deputy Mayor shall be for two and half years. The Corporation can appoint a special committee out of its own body to carry out specific works assigned to it. As per Section 36 of the MMC Act, the Commissioner is to be appointed by the State Government and shall hold office for such period not exceeding three years at the first instance; however, his/her appointment can be renewed for a period not

exceeding three years at a time.

Pursuant to the order of Department of Urban Development, Government of Maharashtra, bearing reference number MCO- 2020/Case/P. No. 71 (Part-2) Navi 14 dated March 03, 2022, the term of the Municipal Corporation expired on March 14, 2022. Post the expiry of its tenure, elections were not conducted in various municipal corporations in Maharashtra due to outbreak of COVID-19 pandemic in the State. Consequently, there were no elected councilors or Mayor, and the General Board and Standing Committee did not have any elected members. In accordance with Section 452A of the MMC Act, the Municipal Commissioner was appointed as the Administrator to exercise all the powers and the functions of the Corporation.

Further, pursuant to a letter issued by the State Election Commission letter to Nashik Municipal Corporation dated December 15, 2025, bearing reference no. Rania/Munpa-2025/Pr.No. 80/Ka-5, the election programme for the general elections of 29 municipal corporations in the state was announced. The letter also referred to the orders for preparation for the elections which were issued to the Corporation by the State Election Commission vide its order No. Rania/Municipality-2025/Pr.no.79/Ka.05 dated December 14, 2025. As per the aforesaid letter, the date of polling has been notified to be January 15, 2026, and date of counting and declaration of results has been notified as January 16, 2026.

Upon declaration of the election results, the Mayor, Deputy Mayor, members of the Standing Committee and General Board shall be elected from amongst the councillors in accordance with the provisions of the MMC Act.

d. Elected representatives in NMC

NMC area is divided into seven zones for administrative purposes and further divided into administrative wards and election wards. The political wing is an elected body of Municipal Councilors headed by a Mayor. As per the MMC Act, elections are held once in five years and the Mayor's tenure is maximum of two and half years. Currently, the Commissioner has been appointed as the Administrator in accordance with Section 452A of the MMC Act to take all executive and administrative decisions on behalf of the Corporation.

Under the MMC Act, 1949 (erstwhile BPMC Act) the powers are vested with three distinct statutory authorities of the elected wing, viz. General Board, the Standing Committee and other committees.

Pursuant to a letter issued by the State Election Commission letter to Nashik Municipal Corporation dated December 15, 2025, bearing reference no. Rania/Munpa-2025/Pr.No.80/Ka-5, the election programme for the general elections of 29 municipal corporations in the state was announced. The letter also referred to the orders for preparation for the elections which were issued to the Corporation by the State Election Commission vide its order No. Rania/Municipality-2025/Pr.no.79/Ka.05 dated December 14, 2025. As per the aforesaid letter, the date of polling has been notified to be January 15, 2026, and date of counting and declaration of results has been notified as January 16, 2026. Upon declaration of the election results, the Mayor, Deputy Mayor, members of the Standing Committee and General Board shall be elected from amongst the councillors in accordance with the provisions of the MMC Act.

e. Administrative Cadre in NMC

The Administrative wing of NMC works under the command of the Commissioner who heads a team of officials comprising of Additional Commissioners, Deputy Commissioners, Assistant Commissioners and other officials like City Engineer, Chief Accounts and Finance Officer and ward officers who administer their respective domains.

I. Details of all the projects undertaken or proposed in terms of cost and means of financing

The Issuer is presently engaged in undertaking various projects. Following are the key projects undertaken by the Issuer:

1. **Improvement of Sewage management system in Nashik city to prevent pollution in River Godavari based on PPP/HAM Model.**

   The said project aims to prevent direct discharge of untreated and untapped sewage into the river Godavari by augmenting sewage treatment capacity from 404 MLD to 547.5 MLD using suitable treatment technology to meet NGT bathing standards (pH 6.5–9.0, BOD < 5 mg/l, TSS < 5 mg/l, TN < 10 mg/l, TP < 1.0 mg/l, Total coliforms < 100 MPN/100 ml) and expanding wastewater coverage to growing city zones. All untapped and untreated nallahs on the Godavari will be intercepted and diverted to existing or new sewage pumping stations for treatment in nearby STPs; polluted water in the Nandini river will be intercepted upstream of Godavari Sangam and diverted to the proposed Agartakli STP covering Satpur and Ambad industrial areas. Eighteen existing SPS will be retrofitted, eleven new SPS constructed, STPs upgraded while remaining operational, and long term O&M provided under a 25 year One City One Operator concession with novation of existing O&M contracts, while sewage from Chandshi and Jalalpur will be routed to the proposed Makhmalabad SPS for pumping to Tapovan STP and the sewerage network to Makhmalabad MPS is part of another project.

2. **Improvement of water supply system for Nashik Municipal Corporation under Amrut 2.0.**

   The said project aims to focuses on reducing real losses, improving pressure management, and enhancing efficiency. Both short-term and long-term measures are planned to meet Nashik's projected 2055 water demand.

3. **Proposed Sewer Network Improvement Works for administrative zones of Panchavati, Satpur and Nashik West.**

   The said project specifically addresses improvements in the sewer network in Panchvati, Satpur and Nashik West zones. It proposes laying of 111.67 km of sewer pipelines ranging from 200 mm to 1600 mm in diameter and nalla diversion work with of 2 m x 2 m RCC box drain of length 1.763 Kms in the upstream areas of Ramkund before the 2027 Kumbh Mela.

4. **Replacement of existing raw water PSC line from Gangapur Dam to Bara Bunglow WTP in Nashik Municipal Corporation, Nashik.**

   The said project aims to replace existing PSC pipelines to reduce losses, and ensure continuous supply by lowering technical losses and maintenance costs. Proposals follow GoI, GoM, MJP, CPHEEO and relevant codes. The transmission system replaces two 1200 mm PSC pipelines with one 1800 mm mild steel pipeline to serve ~70% of city supply for 2055 demand. The first section (BPT to Bara Bungalow) is 1800 mm; surge tank level is 621 m raised to 637 m for 424.5 MLD demand to ensure required terminal pressure at five WTPs. One 1200 mm PSC will be replaced with 1200 mm DI under AMRUT 2.0; 900 mm DI beyond Gandhinagar is in progress.

5. **Design, Construction, Supply, Erection, Testing, Commissioning, Start up and Performance run of 3 months followed up by O & M of 60 months for following works for NMC, Nashik**

   The said projects includes 11.5 MLD Sewage Treatment Plant (STP) using SBR technology at Gangapur, 29.5 MLD Tertiary Treatment Plant (TTP) covering both existing (18 MLD) and new (11.5 MLD) STP capacities, 1.65 ML treated water sump, pump house, and electro-mechanical systems, Infrastructure for reuse and recycling of tertiary treated water, Rising mains, 2 elevated storage reservoirs (0.5 ML each), and allied distribution works. All works on a lumpsum turnkey basis, with 60 months of O&M post successful performance run.

A summary of capital cost and sources of funds for the above key projects are presented in the table below:

Project Description

Project: Augmentation of Mukane Water Supply Scheme, Water Treatment Plant (WTP), Construction of Gravity Main from Vilholi to Gandhinagar, Sadhugram & Nilgiri Baug WTP for Sinhastha Kumbh ("Project").

The details of the Project are based on the Detailed Project Report dated April 16, 2025 (**"DPR for Project"**), prepared by Joint Venture of Fortress Infracon Limited & Yash Innovative Solutions LLP* ("**Project Management Consultant/ Project Consultant"),** approval from Government of Maharashtra vide G.O. NMC-2025/P./Case No.256/UD-25 dated October 03, 2025, resolutions of Bond Issue Committee dated January 14, 2026and certificate dated January 14, 2026.

The details of the Project are as below:

A. The proceeds of the proposed issue shall be clearly earmarked for a defined project or a set of projects along with the location of the project and plant and machinery, technology, process, etc.:

Nashik district is the third largest district in Maharashtra in terms of Population of 61,09,052 and area occupying an area of 15,582 square kilometres in the north Maharashtra region. The city is situated on the banks of Godavari River. Nashik has a rich historical past, as the mythology has it that, Lord Rama, the King of Ayodhya, made Nashik his abode during his 14 years in exile. At the same place, Lord Laxman, by the wish of Lord Rama, cut the nose of 'Shurpnakha' and thus city was named as 'Nasik'. Lord Rama lived in Panchvati during his vanvas. Agasti Rushi also stayed in Nashik for Tapasya. The Godavari River originates from Trimbakeshwar in Nashik.

One of the 12 Jyotirlingas is also at Trimbakeshwar. Nashik district is also known as Mini Maharashtra, because the climate and soil conditions of Surgana, Peth, Igatpuri resembles Konkan. Niphad, Sinnar, Dindori, Baglan blocks are like Western Maharashtra and Yeola, Nandgaon, Chandwad blocks are like Vidarbha Region. Nashik, Malegaon, Manmad, Igatpuri are some of the big cities situated in the Nashik District. Nashik is a pilgrim center known for its historical importance and its intangible heritage manifested in various religious occasions like Kumbha mela, rituals performed here at Ramkund and Godavari Ghats. Various aspects of its physical heritage include Godavari River and its awe-inspiring banks in the heart of the city.

Geographically Nashik is blessed with two natural sources of water, Godavari River and Darna River. The city is traditionally dependent on Godavari River. There are three dams upstream of the city, viz. Gangapur, Kashyapi and Gautami. Nashik's headwork is in submergence of the Gangapur Dam, Mukane Dam, and another one at Darna River weir or Chehedi barrage, to fulfil the need of potable water of the Nashik city, raw water main is laid up to 7 WTPs where the city's water gets treated and is supplied to different locations of the Nashik city via network of distribution system.

Gangapur Dam was constructed in 1957 with a storage capacity of 5630 MCFT (159.42 MCM) but capacity is now reduced at present due to siltation. There is reservation of water in this dam chain (Gangapur, Kashyapi, Gautami-Godavari, Kikvi etc.) for Nashik Municipal Corporation.

Mukane Dam was constructed in 1994 with a storage capacity of 204.98 MCM and it is 30 km away from the Nashik City. Nashik Municipal Corporation (NMC) has 28.32 MCM quota of water reserved in Mukane Dam as per 2021 water reservation. NMC has constructed Headworks in Mukane Dam submergence for lifting water.

Necessity of the project

The government of India has initiated the Smart Cities Mission to promote the cities with potential and provide them with the core infrastructure and give a decent quality of life to the residents. Nashik City was ranked 11th in the round 2 of the smart city challenge. The city's physical heritage is manifested through the Godavari River and its beautiful ghats in the heart of the city.

The growing population demands improved infrastructure, amenities, and the services from the city. Uninterrupted provision of electricity and potable water is of the utmost importance for the city dwellers. Currently, the water supply for the city is around 553.2 MLD which is just for the current population. However, looking at the pace of the city expansion, there is a need to envision the forthcoming demand prior to experiencing the demand and supply gap. In order to cater to the growing demand, there is a need to draw reserved water from reserved sources of the city and develop such infrastructures.

Water demand for the city projects to 686 MLD for the year 2040 against the supply of 553.2 MLD as on date. Nashik gets it water supply from its main resources reserved for the city (for 2021), namely Gangapur, Kashyapi, Gautami-Godavari, Darna, and Mukane dams which contributes to total supply. The water supply system of Nashik has 7 WTPs of capacity 609.5 MLD (expanding up to 661.5 MLD under Smart City Project) out of which the WTP located at Gandhinagar is not sufficient . This WTP needs to be strengthened for further operations. It is envisioned that some part of this WTP District Metered Area (DMA) can be catered through proposed WTP at Vilholi. Some portion of existing load of Gandhinagar WTP is proposed to be transferred to the upcoming 274 MLD New Nashik/Vilholi WTP by re-zoning of the supply area. As the Ground Level at Vilholi is very high compared to DMA of this WTP; it is possible to supply water over here by gravity only; which in turn will considerably reduce the power consumption making the scheme sustainable for years to come. After Sinhastha Kumbh 2027; the Gravity Main to Sadhugram will be utilized for water supply of upcoming Sinhastha Kumbh 2039. Further, there is need of new WTP at Vilholi considering the water demand which is ought to increase during Sinhastha Kumbh 2027.

The proposed Project comprises of three parts i.e. (i) Development of Raw Water Rising Main, Pumping system & allied works at Mukane Dam (ii) Construction of Water Treatment Plant of 274 MLD capacity & allied works at Vilholi and (iii) Development of Pure Water Gravity Main from Vilholi to Gandhinagar & Nilgiri Baug WTP.

Following are the Objectives of the Project;

i. Address projected water demand of 686 MLD by 2040 against the current supply of 553.2 MLD.
ii. Enable optimal utilisation of reserved Mukane Dam allocation (189.32 MLD by 2031; 452.74 MLD by 2041).
iii. Strengthen bulk water availability for routine and peak-period demand, including Sinhastha Kumbh

Key Benefits of the Project;

The key environmental benefits associated with the project are as follows:

i. Drinking-water supply to Gandhinagar, New Nashik, Sadhugram, Nilgiri Baug, and adjoining elevated zones catering to residents and floating population during Sinhastha Kumbh 2027-28, 2039-40, 2051-52;
ii. Improved treated water quality, ensuring compliance with BIS 10500/WHO standards;
iii. Enhanced climate resilience, ensuring reliable supply during droughts, floods, seasonal fluctuations, and high-demand events.

There are key significant social co-benefits like:

i. Access to safe drinking water, contributing to better public health outcomes;
ii. Local employment generation during the construction phase

The net proceeds of the Issue are being earmarked for the following project:

Details of location, plant and machinery, technology, process etc. for Project as stated below:

Location	(i) Mukane dam, Nashik (Coordinates - 359561.03 m E, 2193167.18 m N) (ii) Vilholi Water Treatment Plant (Coordinates - 367486.00 m E, 2204986.00 m N) (iii) Nilgiri Baug Water Treatment Plant (Coordinates-377610.35 m E, 2212839.44 m N)
Plant & Machinery/ Components	**Following are the components the Project;** 1. Excavators: These machines are essential for digging and excavating the foundation and trenches required for the reservoirs. 2. Concrete Batching Plants: The batching plants are used to produce large quantities of concrete with specified mix designs, ensuring the structural integrity of the reservoirs. 3. Concrete Pump Trucks: Used to pump and place concrete in hard-to-reach areas, ensuring proper filling and consolidation. 4. Formwork Systems: To mold and shape the concrete during construction, formwork systems are employed for creating walls, slabs, and other structural elements. 5. Rebar Cutters and Benders: Essential for cutting and bending reinforcing steel bars to the required specifications for structural reinforcement. 6. Compactors: Vibratory compactors help in achieving proper compaction of soil and backfill materials around the foundation of the reservoirs. 7. Concrete Mixers: Used to mix concrete batches on-site, ensuring a consistent and quality mix for construction. 8. Earthmoving Equipment (Bulldozers, Loaders): Used for moving and leveling earth during site preparation and construction. The use of these plants and machinery in a coordinated manner is crucial for the successful and timely completion of the Project.
Process and Technology	**1. Site Selection and Surveying:** • Process: Initial site selection involves evaluating factors such as elevation, topography, and proximity to water sources. Surveying is conducted to assess the geological and geotechnical conditions. • Technology: Surveying instruments such as total stations and GPS are used for accurate site measurements and data collection. **2. Design and Planning:** • Process: Engineers develop detailed structural and architectural plans considering water demand, hydraulic calculations, and safety standards.

	• Technology: Computer-Aided Design (CAD) software is commonly used for creating detailed blueprints, and hydraulic modeling software aids in optimizing water distribution. **3. Excavation and Foundation Construction:** • Process: Site preparation involves excavation for foundation pits and trenches. • Technology: Earthmoving equipment, including excavators and bulldozers, is utilized for efficient excavation. **4. Reinforcement and Formwork:** • Process: Reinforcement bars are cut and bent according to design specifications. Formwork is erected to mold and shape the concrete. • Technology: Rebar cutters and benders, along with advanced formwork systems, enhance precision and efficiency. **5. Concrete Placement:** • Process: High-quality concrete is mixed and poured into the formwork to create the structural components. • Technology: Concrete batching plants and transit mixers ensure consistent and quality concrete mixes, while concrete pumps facilitate precise placement. **6. Curing and Quality Control:** • Process: Proper curing methods are employed to enhance concrete strength. Quality control measures are implemented throughout the construction process. • Technology: Temperature and moisture sensors, along with non-destructive testing methods, contribute to quality assurance. **7. Structural Monitoring:** • Process: Continuous monitoring of structural elements during and after construction. • Technology: Structural health monitoring systems may include sensors to detect stresses, deformations, and other parameters affecting the reservoir's integrity. **8. Installation of Mechanical Components:** • Process: Installation of inlet and outlet pipes, valves, and other mechanical components. • Technology: Advanced welding and jointing technologies may be employed for connecting pipes, and leak detection systems enhance overall functionality. **9. Final Inspection and Commissioning:** • Process: Comprehensive inspection is conducted to ensure adherence to design specifications and safety standards. • Technology: Inspection may involve the use of drones, cameras, and other technologies to assess the overall condition. **10. Landscaping and Surrounding Infrastructure:** • Process: Landscaping is performed around the reservoir, and surrounding infrastructure is developed. • Technology: Advanced landscaping techniques and civil engineering technologies contribute to the aesthetic and functional aspects of the project. **11. Automation and Control Systems**: • Process: Implementation of automated control systems for water level monitoring and distribution. • Technology: SCADA (Supervisory Control and Data Acquisition) systems enable remote monitoring and control of operations of the system. The successful completion of the Project involves the integration of these processes and technologies, ensuring a robust and sustainable water supply infrastructure.

B. Where the issuer proposes to undertake more than one activity or project, such as diversification, modernization, or expansion, etc., the total project cost activity-wise or project wise as the case may be.

The activity-wise project cost for the Project is given below:

S. No.	Activity	Amount (Rs in Cr)
Part A - Headworks @Mukane Dam		
1	**Civil Components** - Raw Water Rising Main & allied works	5.15
2	**Electro-Mechanical Components;** Raw water Pumping System at Mukane Dam & Automation of Raw Water Pumping Machinery	33.26
	Total (A)	38.41
PART B: Vilholi WTP & allied works		
1	**Civil Components;** • Working Survey; • Raw Water Rising Main for connection to Pro. WTP; • Water Treatment Plant (Conventional - 274 MLD) And Allied Works; • Hill Cutting at WTP; • Pure Water Gravity Main for Interconnection; • Master Balancing Reservoir (MBR); • Trial Run	56.92
2	**Electro-Mechanical Component** - Pure Water Pumping System	1.35
	Total (B)	58.27
PART C: Gravity Main from Vilholi to Gandhinagar & Nilgiri Baug WTP via Sadhugram Area		
1	**Civil Components;** • Working Survey; • Pure Water Gravity Main MS (1800mm & 1400 mm ID); • Pure Water Gravity Main DI (1200, 800 mm) 7.9 km from Common Point to Gandhinagar WTP & Nilgiri Baug WTP via Sadhugram; • Road Reinstatement for Crossing & laying of pipeline along the Roads; • Master Balancing Reservoir (MBR) at Nilgiri Baug WTP; • Trial Run	229.05
	Total (B)	229.05
	Total (A+B+C)	325.73
	Operation & Maintenance (D)	5.74
	Gross Cost including O&M (E)	331.47
	Project Cost (after adjusting Tender Discount @4.968%) (F)	315.00
	GST (@18%) (G)	56.70
	Labour Insurance (H)	0.05
	Maximum incentive bonus to contractor for early completion of project (I)	15.75
	Net Project Cost (F+G+H+I)	**387.50**

The activity-wise cost for the Project is as per the Bond Issue Committee resolution dated January 14, 2026 & certificate dated January 14, 2026 from Project Consultant for the Project.

C. Issuer is implementing the project in a phased manner, the cost of each phase, including the phase, if any, which has already been implemented, shall be separately given.

Not Applicable, as the Project will be executed in a single phase only.

D. An investment plan for the project components as well as phases thereof as well as financing thereof as approved by the local authority or the agency as the case may be.

A summary of capital cost and sources of funds for the proposed Projects are presented in the table below:

Approved project cost*	Means of the finance of the capital cost**	
	NMC Contribution (Including internal accruals/GoI/GoM Grants)	External Borrowing (proposed bonds)
387.50	[●]	[●]***

*Note:*The Project Cost is as approved by Municipal Commissioner cum Administrator vide Standing Committee resolution dated October 14, 2025 & resolution of Bond Issue Committee dated January 14. 2026*

Further, for completion of the Project, the Issuer shall incur additional cost with respect to (i) Security Deposit payable to MSEDCL, (ii) MJP Scrutiny Fees, (iii) Charges payable to Project Management Consultant (PMC); & (iv) Other Permissions & Shifting Charges (utilities) which shall borne by the Issuer.

***The Means of the finance of the Project is as approved by the resolution of Bond Issue Committee dated January 14. 2026. Cost of the Project is inclusive of amount payable towards GST and may vary during implementation. Any incremental cost shall be borne by NMC.*

****An amount of up to ₹ 200.00 crores has been proposed to be funded from the proceeds of the Issue. The actual amount to be utilized for Project shall be finalized upon determination of the Issue Expenses and will be updated in the Offer Document.*

The Issuer confirms that its contribution for the Issue shall not be less than 20% (Twenty percent) of the cost of the Project, which shall be contributed from its internal resources.

E. Schedule of implementation of the Project

The following is the proposed schedule of implementation for the Project:

S. No.	Activity Description	Estimated Start Date	Estimated Completion Date (months)	Physical Target (%)	Financial Target (%)
1	Headworks @Mukane Dam	T*	T+14	1.55 %	1.55 %
2	Vilholi WTP & allied works	T	T+14	17.17 %	17.17 %
3	Gravity Main from Vilholi to Gandhinagar & Nilgiri Baug WTP via Sadhugram Area	T	T+12	69.10 %	69.10 %
4	Electro-Mechanical Work	T+10	T+16	10.44 %	10.44 %
5	Operation & Maintenance (Work Started after completion of above part)	3 Years from completion of the Project		1.73 %	1.73 %
				100%	100%

**T stands for work order date of the Project i.e. October 24, 2025.*

Note:

1. *The above timelines are indicative and the Physical Target and Financial Target for activity and may vary basis actual completion of the work.*
2. *The details above are based on the certificates dated January 14, 2026, from Project Consultant for the Project.*

F. Benchmarks for commencement and completion of the Project including milestone dates for all components of the Project:

The indicative milestone dates for the proposed Project are as below:

S. No.	Activity Description	Period (No. of Months)	Estimated Start Date	Estimated Completion Date
1	Headworks @Mukane Dam	14	T*	T+14
2	Vilholi WTP & allied works	14	T	T+14
3	Gravity Main from Vilholi to Gandhinagar & Nilgiri Baug WTP via Sadhugram Area	12	T	T+12
4	Electro-Mechanical Work	6	T+10	T+16
5	Operation & Maintenance (Work Started after completion of above part)	3 Years from completion of the Project		

**T stands for work order date of the Project i.e. October 24, 2025.*

Note: The above timelines are based on the certificate from Project Consultant dated January 14, 2026.

Current Status of Project: The tendering process has been completed and work order has been awarded for the Project and the work is under progress. The current completion status of the Project is as follows:

Activity Description	Physical Target achieved (%)	Financial Target achieved (%)
Headworks @Mukane Dam	0.00 %	0.00 %
Vilholi WTP & allied works	0.00 %	0.00 %
Gravity Main from Vilholi to Gandhinagar & Nilgiri Baug WTP via Sadhugram Area	7.10%	0.00 %
Electro-Mechanical Work	0.00 %	0.00 %

G. Details and status of the regulatory approval (if required):

The Government of Maharashtra vide its Government Order Number: - NMC-2025/P.No. 256/NV-25 dated October 03, 2025 approved issuance of Bonds for purpose of funding the Project.

The details of regulatory approvals/NOCs/permits/approval/consents required to be obtained by the Corporation for implementation of the Project are as below:

Sr. No.	Description of Approval/ Arrangement and Name of the Authority/Agency	Status of Approval
1.	Approval for project implementation from General Body, NMC for implementation of the Project.	Approved
2.	Approval for financing the project through Green Bond issuance from General Body, NMC for implementation of the Project.	Approved
3.	Technical Sanction from Maharashtra Jeevan Pradhikaran, Nashik.	Approved
4.	Administrative approval for implementation of the Project from Nashik–Trimbakeshwar Sinhastha Kumbh Mela Authority.	Approved
5	Approval for road crossing of National Highway from NHAI for laying of pipelines along roads, road crossings at necessary locations.	Applied*
6	Approval for road crossing of State Highway from Maharashtra State Public Works Department (PWD) for laying of pipelines along roads, road crossings at necessary locations.	Applied*
7	Approval from Irrigation Department for works near Mukane Dam (sub-station work), bridges across Nandini & Godavari Rivers.	Applied**

**The approvals shall be required during the implementation of the work for road crossing during laying of pipeline across national highways and/or state highways and is not required at this stage.*
***The approval shall be required during the implementation of the work for construction of sub-station near Mukane Dam & for construction of bridge across Nandini & Godavari Rivers which have been initiated in advance for timely completion of the Project and is not required at this stage.*

As per the certificate dated January 14, 2026 from Project Consultant, other than the regulatory approvals/NOCs/permits/approval/consents mentioned herein, there are no other regulatory approvals/NOCs/permits/approvals required to be obtained by the Corporation for implementation of the Project.

H. Disclosures pertaining to green debt securities in accordance with the SEBI Master Circular:

Nashik is supported by two natural water sources—the Godavari and Darna rivers, with the city primarily dependent on the Godavari system. Raw water is abstracted from the Gangapur and Mukane dams, and from the Darna River weir (Chehedi barrage), conveyed to seven WTPs for treatment, and distributed across the city through the municipal supply network. Nashik's water supply system draws from five major reservoirs — Gangapur, Kashyapi, Gautami-Godavari, Darna, and Mukane Dams — providing about 553.2 million litre per day (MLD) of water.

Nashik's water supply system is under increasing pressure due to population growth, urban expansion, and periodic demand surges. In order to cater to the growing demand, there is need to draw reserved water from reserved sources of the city and develop such infrastructure. Accordingly, through this Project, the Nashik Municipal Corporation is undertaking a comprehensive infrastructure initiative to strengthen and augment the city's water-supply network.

Green Bond Framework

Nashik Municipal Corporation has developed a Green Bond Framework, duly approved by the Bond Issue Committee vide its resolution dated December 30, 2025 ("**Green Bond Framework**"), to outline a transparent approach for the allocation, management, and reporting of the Net Proceeds from the Issue of Green Bonds. The Green Bond Framework has been developed in accordance with:

1. SEBI (Issue and Listing of Non-Convertible Securities) Regulations, 2021, as amended*;

2. Master Circular for issue and listing of Non-convertible Securities, Securitised Debt Instruments, Security Receipts, Municipal Debt Securities and Commercial Paper dated October 15, 2025; and
3. International Capital Market Association (ICMA) Green Bond Principles (GBP), 2025.

The Green Bond Framework lays down the Corporation's mechanism of raising funds from the issuance of Green Bonds and to deploy the Net Proceeds consistent with the defined 'Use of Proceeds'. The Green Bonds shall be issued in accordance with the applicable provisions of the SEBI (Issue and Listing of Municipal Debt Securities) Regulations, 2015 and the SEBI Master Circular.

**As per the SEBI circular dated November 24, 2022 "an issuer under the Issue and Listing of Municipal Debt Securities (ILMDS) Regulations may issue a green debt security if it falls within the definition of "green debt security", as per Regulation 2(1)(q) of the NCS Regulations".*

Third Party Review Report

The Corporation has appointed CARE Analytics and Advisory Private Limited ("**CareEdge Advisory**") to provide Third Party Review Report on the Green Bond Framework. CareEdge Advisory has conducted a review of the Green Bond Framework developed by NMC for the Project to be funded through the proposed Issue and provided a review report dated January 14, 2026 on the conformity of the Green Bond Framework with the (i) SEBI NCS Regulations; (ii) SEBI Master Circular; and (iii) the ICMA Green Bond Principles, 2025 ("**Third Party Review Report**"). The Third Party Review Report has been annexed as Annexure VIII.

The Green Bond Framework has been approved by the Bond Issue Committee vide their resolution dated December 30, 2025 and reviewed by the Third Party Reviewer vide their Third Party Review Report dated January 14, 2026.

The disclosures pertaining to the Green Bonds are in accordance with the Green Bond Framework and the Third Party Review Report.

a. A statement on environmental sustainability objectives of the issue of green debt securities

The Project is being undertaken under the Nashik–Trimbakeshwar Simhastha Kumbh Mela Authority Act, 2025, focusing on the augmentation of wastewater treatment capacity at Vilholi, strengthening of pumping capacity at Mukane Dam, and the construction of a gravity-based bulk transmission pipeline to Gandhinagar, Sadhugram, and Nilgiri Baug. The Project has been identified as a priority infrastructure initiative to ensure a reliable water supply for Sinhastha Kumbh 2027 and 2039, while also addressing the long-term water supply requirements of Nashik city.

The Third Party Review Report enumerates the sustainability objectives for the Project components as follows:

- Augmentation of the Mukane Water Supply Scheme- meets long-term water demand by optimally utilizing the Mukane Dam allocation and strengthening bulk supply for peak and event-based demand especially around and during Kumbh.
- Construction of a new WTP at Vilholi- enhances treatment capacity, reduces operational stress and energy costs, and improves system flexibility through gravity-based supply.
- Development of Gravity Main from Vilholi to Gandhinagar, Sadhugram, and Nilgiri Baug WTP – ensures efficient gravity-driven water transmission and reliable supply to key service zones, including uninterrupted service during and after Sinhastha Kumbh events.

The Green Bond Framework and Third Party Review Report identify the following environmental benefits of the Project:

Activity	Primary UN SDG Targets	Environmental Benefits
Raw-water abstraction at Mukane Dam, 274 MLD WTP at Vilholi, and bulk gravity mains for potable water transmission	6.1 - Universal access to safe & affordable drinking water 6.3 - Improve water quality 9.1 - Resilient infrastructure 11.1 - Access to basic services	**Sustainable drinking-water supply infrastructure** - Enables a reliable, treated drinking water supply for residents and the floating population during Sinhastha Kumbh through intake–treatment–transmission assets, supporting basic urban services and resilient infrastructure
Meeting BIS 10500 / WHO drinking-water standards at treatment plant outlets and delivery nodes	3.3 / 3.9 - Reduce water-borne diseases and illness from hazardous water 6.3 - Improve water quality	**Water quality and treatment compliance**- Treatment to potability standards links directly to safer water and downstream public-health outcomes

System redundancy and reliable bulk supply to manage extreme events and surge demand	13.1 - Strengthen resilience and adaptive capacity 11.5 - Reduce disaster impacts on people/economy	**Climate adaptation and service resilience** - Robust conveyance and diversified routing sustain supply during floods/heat stress/surge events

Further, as per the Third Party Review Report, the Project is expected to generate social co-benefits including:

- Improved access to safe drinking water for households and institutions, contributing to better public health outcomes and reducing exposure to water-borne diseases.
- Generation of local employment during the construction phase, supporting livelihoods and short-term economic activity in the Project area.

As per the Third Party Review Report, the Project qualifies under the below mentioned categories specified under regulations/principles:

Regulations/Framework	Qualifying Category
SEBI NCS Regulations, 2021 – clause 2(1)(q)(iii)	**Climate change adaptation** including efforts to make infrastructure more resilient to impacts of climate change and information support systems such as climate observation and early warning systems
ICMA Green Bond Principles (GBP) 2025	• **Sustainable water and wastewater management** (including sustainable infrastructure for clean and/ or drinking water, wastewater treatment, sustainable urban drainage systems and river training and other forms of flooding mitigation) • **Climate change adaptation** (including efforts to make infrastructure more resilient to impacts of climate change, as well as information support systems, such as climate observation and early warning systems)

The Third Party Review Report provides the following rationale for the determining the eligibility under the abovementioned categories as per industry standards:

- The Project's design substantially enhances water quality and service reliability under climate extremes. Accordingly, the project squarely qualifies for the climate change adaptation category, including the information support and early-warning systems, by strengthening NMC's ability to monitor system performance and respond proactively to potential disruptions.

- The Project supports sustainable treatment, and transmission of potable water; and improves resource efficiency and service coverage.

- The Project strengthens climate adaptation in a hydro-climatically stressed Godavari basin through added treatment capacity, and monitoring-ready bulk systems.

At the global level, the Project aligns with the United Nations Sustainable Development Goals (UNSDGs) by advancing equitable access to safe drinking water and strengthening resilient, efficient, and sustainable urban water infrastructure.

b. Brief details of decision-making process followed/proposed for determining the eligibility of project(s) and/or asset(s), for which the proceeds are being raised through issuance of green debt securities, such as:

i. Process followed/ to be followed for determining how the project(s) and/or asset(s) fit within the eligible green projects categories as defined under Regulation 2 (1) (q) of NCS Regulations:

Given below is the process for project evaluation and selection as per the Green Bond Framework:

A dedicated Bond Issue Committee has been constituted by the NMC to manage, oversee, and execute all activities associated with the Issue of Green Bond and utilization of Issue proceeds.

The Bond Issue Committee will jointly & severally be responsible for taking all decisions required for the issuance of the Green Bonds, including but not limited to:

- Preparation & Approval of Green Bond Framework, identifying eligible green projects as per the applicable guidelines.
- Managing allocation, disbursement, and utilisation of proceeds exclusively toward the eligible green project, including temporary investment of unutilized funds in safe interest-bearing instruments.

- Reviewing bond term sheet and placing the same before the Standing Committee and the Municipal General Body for approval and finalisation.
- Appointing and coordinating with all key intermediaries, including Trustee, Registrar, Credit Rating Agencies, Legal Advisor, Banker, Depositories (NSDL/CDSL), Stock Exchanges and Third-Party Reviewer.

As per the Third Party Review Report, NMC has a structured and appropriate process for project evaluation and selection for green bond issuance, supported by the availability of requisite approvals and technical sanctions. The process for selection of the Project is as given below:

- It was proposed by the Water Supply Department, NMC, and received technical sanction from Maharashtra Jeevan Pradhikaran, Nashik Division.
- The proposal was subsequently deliberated and approved by the Municipal General Body for project implementation and for financing the project through a Green Bond issuance.
- Further, administrative approval for the Project implementation was granted by the Nashik–Trimbakeshwar Sinhastha Kumbh Mela Authority, recognizing the project's critical role in meeting Kumbh-related water demand.
- The Government of Maharashtra subsequently accorded administrative approval for raising funds through the issuance of Green Bonds vide its resolution.

The Project was assessed considering its significant public utility, environmental benefits, and contribution to strengthening sustainable and resilient urban water supply.

The Bond Issue Committee while making note that the Project for which the proceeds are being raised through issuance of Green Bonds is fit to be qualified as eligible green project as per categories suggested in relevant circular for issue of green debt securities, vide its resolution dated January 14, 2026 and has approved the Issue of Green Bonds.

ii. The criteria making the project(s) and/ or asset(s) eligible for using the green debt securities proceeds;

In accordance with NMC's Green Bond Framework, NMC will use 100% of the proceeds from the Issue of Green Bonds towards 'Augmentation of Mukane Water Supply Scheme, Water Treatment Plant (WTP), Construction of Gravity Main from Vilholi to Gandhinagar, Sadhugram & Nilgiri Baug WTP for Sinhastha Kumbh' ("**Project**").

As per the Third Party Review Report, the Project falls under the following categories of Regulation 2(1)(q) of SEBI NCS Regulations:

Clause 2(1)(q)(iii)- **climate change adaptation** including efforts to make infrastructure more resilient to impacts of climate change and information support systems such as climate observation and early warning systems.

The Green Bond Framework provides rationale for alignment of the Project with Regulation 2(1)(q)(iii) - **climate change adaptation** of SEBI NCS Regulations for issuance of green debt securities as follows:

A. Climate and Hazard Context: Upper Godavari Basin

- The Project is located within the Upper Godavari basin, a region characterized by documented hydro-climatic stress.
- A 100-year rainfall analysis for the Upper Godavari basin (1911–2010) indicates a high inter-annual variability, and recurring multi-year deficit periods, increasing supply risks for surface-water-dependent systems.
- The Southwest Monsoon contributes ~85% of annual rainfall, concentrating hydrological risk within a short period and increasing vulnerability to seasonal failure.
- The hydrology research for the Godavari basin, including climate projections, indicates increasing rainfall variability and altered flow regimes, leading to more frequent flood pulses and heightened dry-season stress, thereby underscoring the need for resilient water treatment and conveyance infrastructure.
- Flood modelling for the Godavari basin demonstrates exposure to material inundation risks during extreme flow events, reinforcing the need for robust and recoverable water treatment and transmission infrastructure to maintain service continuity under climate stress.

B. Climate Adaptation and Resilience

- **Gravity Main (Vilholi to Gandhinagar–Sadhugram–Nilgiri Baug)**: Reduces dependence on energy-intensive pumping, thereby enhancing service continuity during heat-wave-induced grid stress or flood-related power outages and lowering failure risks associated with pumping infrastructure.

- **Augmented WTP at Vilholi**: Provides additional process headroom to manage raw-water quality fluctuations (turbidity/microbial spikes) associated with extreme rainfall events, reducing outage risks and safeguarding public health during climate stress.
- **Resilient Transmission Network**: Bulk transmission along robust and strategically aligned corridors minimize exposure to pipe breaks and system failures during intense rainfall and flooding events observed within the Godavari basin.

C. Information Support and Early-Warning Alignment

The Project's bulk water infrastructure is inherently compatible with SCADA and telemetry systems, enabling real-time monitoring of flows, pressures, reservoir levels, and water quality. When integrated with publicly available Indian Meteorological Department (IMD) rainfall forecasts and flood alerts, these systems strengthen NMC's ability to anticipate disruptions and manage operations during extreme events. The inclusion of meters, Remote Terminal Unit (RTUs), and communication systems within the Project scope aligns with the "information-support and early-warning" category, enhancing climate preparedness and operational resilience.

Further, as stated in the framework, NMC undertakes that proceeds of the Issue of Green Bonds shall not be used for any purpose which may be in contravention of the regulations/guidelines/norms issued by the SEBI/ Maharashtra Government / Stock Exchanges.

iii. Details of taxonomies, green standards or certifications both Indian and global, if any referenced and the alignment of projects with said taxonomies, related eligibility criteria, and exclusion criteria, if applicable.

NMC has developed a Green Bond Framework to outline the governing framework for execution and managing the green bonds on an ongoing basis based on requirements of SEBI NCS Regulations and SEBI Master Circular and aligned with ICMA Green Bond Principles, 2025.

CareEdge Advisory in its Third Party Review Report dated December 30, 2025 has referred to: (i) SEBI NCS Regulations, Clause 2(1)(q) while determining the eligibility of the Project under SEBI guidelines; and; (ii) ICMA Green Bond Principles, 2025 for checking eligibility of the activities.

NMC has not adopted any exclusion list.

iv. Details of the alignment of the objective of the issue with the India's Intended Nationally Determined Contributions in case of the proceeds raised though issuance of transition bonds

Not Applicable.

The funds are not raised through the issuance of transition bonds.

c. Details of the system/procedures to be employed for tracking the deployment of the proceeds of the issue.

As per the Third Party Review Report:

NMC will create and maintain a separate account to ensure transparent allocation and proper accounting of the Green Bond proceeds. The proceeds will be tracked to ensure that allocations are made exclusively toward the eligible green project in line with the disclosures provided in the Offer Documents.

For monitoring the use of proceeds, an Independent Chartered Accountant / External Auditor appointed by NMC will issue annual allocation certificate at the end of the financial year over the lifetime of the bond to certify the parking and deployment of proceeds and the management of unallocated funds.
Further, as per the Green Bond Framework, over the life of NMC's Green Bond, NMC will annually report the following on its website, along with external verification:

- **Allocation Reporting** – Amounts allocated towards the components of the Project, unallocated amount, and investments made through such unallocated amount basis external statutory auditor's certification and external verification.
- **Impact Reporting** – Performance against the Key Performance Indicators (KPIs) as prescribed in NMC's Green Bond Framework basis external verification.
- **BRSR Reporting** – Major Elements of BRSR Reporting as prescribed by SEBI's Green Debt Securities disclosure requirements.

To provide timely and transparent information about the reporting of the allocation of funds from the Green Bond issued under this framework, NMC has engaged CARE Analytics and Advisory Private Limited, as post issuance impact assessor to provide opinion annually on the following aspects till the bonds are fully redeemed:

- Verify that utilization of net proceeds is in accordance with the stated objectives of use of proceeds as mentioned in the Framework the disclosure documents.
- Assess the management of proceeds and of unallocated proceeds, if any.
- Monitor the expenditure towards and impacts of selected components of the green project.

NMC will provide the requisite information (e.g. Independent Chartered Accountant / External Auditor's Certificate, Performance against KPIs, Information regarding major elements of BRSR, etc.) to the Third-Party Reviewer for periodic verification and disclosure.

d. Details of the project(s) and/or asset(s) or areas where the issuer, proposes to utilise the proceeds of the issue of green debt securities, including towards refinancing of existing green project(s) and/or asset(s), if any.

The Issuer proposes to utilise the proceeds of the Issue of green debt securities towards 'Augmentation of Mukane Water Supply Scheme, Water Treatment Plant (WTP), Construction of Gravity Main from Vilholi to Gandhinagar, Sadhugram & Nilgiri Baug WTP for Sinhastha Kumbh' ("the **Project**").

The Third Party Reviewer has confirmed that the Project has been selected through a process that is transparent, well-governed, and consistent with the green bond principles.

The proceeds are not being utilised towards re-financing of existing green project(s).

e. Details of an indicative estimate of distribution of proceeds raised though issuance of green debt security between financing and refinancing of project(s) and/ or asset(s); if applicable.

Not Applicable.

As per Green Bond Framework, NMC intends to use the 100% of the proceeds of the Issue towards financing of the Project.

f. Details of the intended types of temporary placement of the unallocated and unutilised net proceeds from the issue of green debt securities

In accordance with the Green Bond Framework and Third Party Review Report, the unallocated proceeds will be brought out under the supervision of the concerned department and the Bond Issue Committee. The unallocated proceeds, if any, will be carried forward to successive years for deployment across eligible components of the approved green project.

Until allocation, these proceeds will be held in a fixed deposit with a scheduled bank and/or as per the provisions of the Maharashtra Municipal Corporation Act, 1949.

g. Details related to the perceived social and environmental risks and proposed mitigation plan associated with the project(s) proposed to be financed/ refinanced through the proceeds from the issue of green debt securities.

As per the Third Party Review Report, during the construction period of the project, minor (a) environmental risks air & noise pollution; and (b) safety risks to construction workers are perceived. However, no major environmental or social risks are perceived during the operational phase of the Project.

To mitigate the risks mentioned above, NMC has implemented Environmental, Health, Safety and Social (EHS&S) Risk Mechanism Framework, which identifies relevant statutory and contractual requirements and integrates them into tender documents and contract conditions for project implementation. The Green Bond Framework sets down the following risk mechanism:

- **Regulatory Compliance**- NMC requires all contractors, project management consultants, and implementation partners comply with applicable National and State regulations, including environmental, health & safety regulations, labour laws, and codes. These compliance requirements are embedded into tender documents and contractual obligations to ensure full adherence throughout project execution.

- **Implementation & Supervision of Environmental, Health and Safety (EHS) Contract Conditions**- All contractors will be responsible for implementing and maintaining EHS conditions at project sites in accordance with contractual provisions and NMC's EHS requirements. Project Management Consultants (PMC) undertake regular site supervision to ensure: (i) adherence to contract safety standards, (ii) use of Personal Protective Equipment (PPE), and (iii) maintenance of hygienic working conditions.

- **Monitoring, Reporting, and Accountability**- NMC's Environment and Engineering Departments will periodically monitor EHS&S compliance during project construction and operation. The Supervisory Engineer has the power to take curative actions.

h. The Issuer shall appoint an independent third party reviewer/ certifier, for reviewing/certifying the processes including project evaluation and selection criteria, project categories eligible for financing by green debt securities, etc.

CARE Analytics and Advisory Private Limited, as the Third Party Reviewer, has conducted a review of the Green Bond Framework developed by NMC and the Project to be funded through the proposed Issue. The scope included reviewing the eligibility of project components, evaluation and selection procedures, and alignment with domestic and international standards such as SEBI NCS Regulations and ICMA GBP framework. CARE Analytics and Advisory Private Limited has provided a review report dated January 14, 2026 for the proposed Issue.

i. Undertaking of the Issuer:

The Issuer hereby undertakes the following:

1. It shall comply with the monitoring and continuous disclosure requirements suggested for the issue of green debt securities by SEBI from time to time.
2. Maintain a decision-making process which it uses to determine the continuing eligibility of the project(s) and/or asset(s). This includes, without limitation statement on the environmental objectives of the green debt securities and a process to determine whether the project(s) and/or asset(s) meet the eligibility requirements.
3. Ensure that all project(s) and/or asset(s) funded by the proceeds of green debt securities, meet the documented objectives of green debt securities;
4. Utilise the proceeds only for the stated purpose, as disclosed in the offer document; and
5. Ensure compliance with "Dos and don'ts relating to green debt securities to avoid occurrences of greenwashing" stated in Chapter IX-A of SEBI Master Circular.
    - To address the concerns of market participants, regarding greenwashing, an issuer of green debt securities shall ensure the following to avoid its occurrence:

STATEMENT OF SPECIAL TAX BENEFITS

Under the existing provisions of law, the following special tax benefits, *inter alia*, will be available to the Issuer and Debenture Holder(s). The tax benefits are given as per the prevailing tax laws and may vary from time to time in accordance with amendments to the law or enactments thereto.

The information given below lists out the special tax benefits available to the Issuer and Debenture Holder(s), in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the subscription, ownership and disposal of the Debentures. The Debenture Holders are advised to consider in its own case, the tax implications in respect of subscription to the Debentures after consulting its tax advisor as alternate views are possible. We are not liable to the Debenture Holders in any manner for placing reliance upon the contents of this statement of special tax benefits.

We have also perused the relevant provisions of Income Tax Act, 1961, Central Goods and Service Tax Act (CGST), State Goods and Service Tax Act (SGST) and Integrated Goods and Service Tax Act (IGST) along with the notifications issued by the revenue authorities from time to time.

On the basis of such perusal/examination of the provisions and on the discussions held with the officials of Issuer, we are of the opinion that the following special tax benefits are available to the Issuer and the Debenture Holders:

DIRECT TAXES

IMPLICATIONS UNDER THE INCOME-TAX ACT, 1961 ("*IT Act*")

We have perused various provisions of tax exemption / tax rebates specified under Chapter III and Chapter VI A of the IT Act. From the perusal of the said Chapters, our opinion is as under:

In accordance with the amendments under the Finance Act, 2025, Surcharge and Health & Education Cess shall be added to rate of tax deduction, wherever applicable.

Benefits to the Issuer

The Income of the Issuer from specified sources are exempted under Section 10(20) of the IT Act. The provisions under Section 10(20) of the IT Act are as under:

"*the income of a local authority which is chargeable under the head "Income from house property", "Capital gains" or "Income from other sources" or from a trade or business carried on by it which accrues or arises from the supply of a commodity or service (not being water or electricity) within its own jurisdictional area or from the supply of water or electricity within or outside its own jurisdictional area.*

Explanation. —For the purposes of this clause, the expression "local authority" means—

(i) Panchayat as referred to in clause (d) of article 243 of the Constitution; or

(ii) Municipality as referred to in clause (e) of article 243P of the Constitution; or

(iii) Municipal Committee and District Board, legally entitled to, or entrusted by the Government with, the control or management of a Municipal or local fund; or

(iv) Cantonment Board as defined in section 3 of the Cantonments Act, 1924 (2 of 1924);"

As per the provisions of Section 10(20) of the IT Act read with the other relevant provisions of the IT Act and the Income Tax Rules, 1962 and as per the information and explanations given to us, any income arising to the Issuer on the issuance of the Debentures shall be assessed as "Income From Other Sources" which is exempted under Section 10(20) of the IT Act.

Apart from the above, there are no special tax benefits available under the IT Act to the issuer.

Benefits to the Debenture holder(s)

The interest income earned on investment made in municipal bonds are not exempt under the provisions of Chapter III of the IT Act. Also, there are no special tax benefits available under any other provisions of the IT Act.

Also, the capital gains arising on transfer of municipal bond are not exempt under Chapter IV of IT Act.

Tax at source shall be deducted on interest as per the rate applicable under the IT Act.

Tax deduction at source concession to the Foreign Institutional Investor or a Qualified Foreign Investor as Foreign Portfolio Investors ("*FPIs*")

As per provisions of Section 194LD of the IT Act, it is proposed that FPIs shall be eligible for concessional rate of tax deduction at source on the interest on bonds at 5%. Section 194LD of the IT Act reads as under:
"*(1) Any person who is responsible for paying to a person being a Foreign Institutional Investor or a Qualified Foreign Investor, any income by way of interest referred to in sub-section (2), shall, at the time of credit of such income to the account of the payee or at the time of payment of such income in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rate of five per cent.*

(2) The income by way of interest referred to in sub-section (1) shall be the interest payable in respect of investment made by the payee in—

(i) a rupee-denominated bond of an Indian company; or

(ii) Government security:

Provided that the rate of interest in respect of bond referred to in clause, (i) shall not exceed the rate as may be notified by the Central Government in this behalf.

Explained: –

a) 'Foreign Institutional Investor' is a registered institution that invests in a country other than its own.

b) 'Qualified Foreign Investor' is a subcategory of FII who is a foreign individual, group or association restricted from those countries, which are the members of FATF.

c) 'Rupee-denominated bond' is a bond issued by an Indian entity in a foreign market where the buying, selling and repayment are expressed in rupees.

d) 'Government security' is a Government issued bond, which is of low risk."

A foreign institutional investor or a qualified foreign investor consider investing in securities to be gainful and thus, make investments claiming a security interest on the collateral. The interest payable by the Indian concern or entity to a foreign entity is deducted at 5% tax at source and disbursed in terms of rupees.

Deduction of Tax at Source on interest on NCDs

1. Income Tax is deductible at source at the rate of 10% (no surcharge or health education cess) on interest on NCDs held by resident Indians in accordance with Section 193 of the IT Act. In cases where interest is to be paid to an Individual or hindu undivided family ("HUF") (being the NCD Holder) is less than Rs. 10,000 per annum and interest is to be paid by way of account payee cheque then the relevant NCD Holder may seek non deduction of tax at source on the interest on NCDs by submitting the prescribed declaration/certificates with the Issuer and the RTA at the aforesaid address on or prior to the relevant Record Date.

2. In case of NCD Holder who is a resident Individual or resident HUF claiming non-deduction or lower deduction of tax at source under section 193 of the IT Act, as the case may be, the NCD Holder should furnish either (a) a declaration (in duplicate) in the prescribed form i.e. (i) Form 15H which can be given by Individuals who are of the age of 60 years or more (ii) Form 15G which can be given by all Debenture Holders (other than companies and firms), or (b) a certificate, from the Assessing Officer which can be obtained by all Debenture Holders (including companies and firms) by making an application in the prescribed form i.e. Form No. 13.

3. Debenture Holders may seek/ may be granted, as the case may be, non-deduction or lower deduction of tax at source in following instances under the IT Act:

a) When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture Holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the IT Act; and that a valid certificate is filed by the NCD Holder with the Company before the Record Date for payment of interest;

b) When the resident Debenture Holder with Permanent Account Number ("PAN") (not being a company or a firm) submits a declaration as per the provisions of section 197A (1A) of the IT Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial

year in which such income is to be included in computing his total income will be NIL. However, under section 197A(1B) of the IT Act, Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the dividend income referred to in section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of Unit Trust of India as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the financial year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax;

c) Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of section 197A(1C) of the IT Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on the estimated total income of the year concerned will be NIL;

d) All mutual funds registered under Securities and Exchange Board of India are exempt from tax on all their income, including income from investment in Debentures under the provisions of Section 10 (23D) of the IT Act in accordance with the provisions contained therein. Further, as per the provisions of section 196 of the IT Act, no deduction of tax shall be made by any person from any sums payable to mutual funds specified under Section 10(23D) of the IT Act, where such sum is payable to it by way of interest or dividend in respect of any securities or shares owned by it or in which it has full beneficial interest, or any other income accruing or arising to it;

e) In case where section 194LD is not applicable, the interest income earned by FIIs/FPIs should be chargeable to tax at the rate of 20% under section 115AD of the IT Act. Tax shall be deducted u/s. 196D of the IT Act on such income at 20%. Where DTAA is applicable to the payee, the rate of tax deduction shall be lower of rate as per DTAA or 20%, subject to the conditions prescribed therein;

f) Interest payable to Life Insurance Corporation, General Insurance Corporation and any other insurers are exempted from deductions of tax at source under Section 193 of the IT Act;

g) Interest payable to entities falling under the list of entities exempted from TDS by the circular no. 18/2017 by Central Board of Direct Taxes (whose income is unconditionally exempt under Section 10 of the IT Act and who are also statutorily not required to file return of income as per Section 139 of the IT Act);

h) Any other specific exemption available to any other category of investors under the IT Act.

4. In case(s) where the NCD Holder(s) do not submit the declaration/ certificates as per format prescribed under applicable laws with the Issuer and the RTA at the specified address on or prior to the relevant Record Date for payment of interest on the NCDs, the Issuer shall not be liable to refund the applicable amount of tax deducted at source and the NCD Holders would be required to directly take up with the tax authorities for refund, if any.

Documents required in cases of lower/ non-deduction of TDS due to exemption available

Tax will be deducted at source at reduced rate, or no tax will be deducted at source in the following cases:

a. When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the IT Act; and that a valid certificate is filed with the Issuer before the prescribed date of closure of books for payment of debenture interest;
b. When the resident Debenture Holder with Permanent Account Number ('PAN') (not being a company or a firm) submits a declaration as per the provisions of section 197A(1A) of the IT Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial year in which such income is to be included in computing his total income will be NIL. However, under section 197A(1B) of the IT Act, Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the dividend income referred to in section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of Unit Trust of India as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the financial year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax;
c. Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of section 197A(1C) of the Act even if the aggregate income credited or

paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on the estimated total income of the year concerned will be NIL; and

Trustees for the NCD Holders

Our Corporation has appointed Beacon Trusteeship Limited to act as the Debenture Trustee for the NCD Holders.

Our Corporation and the Debenture Trustee will execute a Debenture Trust Deed as per Regulation 20 of the SEBI ILMDS Regulations, inter alia, specifying the powers, authorities and obligations of the Debenture Trustee and our Corporation. The NCD Holder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Debenture Trustee or any of its agents or authorized officials to do all such acts, deeds, matters and things in respect of or relating to the Green Bonds as the Debenture Trustee may in its absolute discretion deem necessary or require to be done in the interest of the NCD Holder(s). Any payment made by us to the Debenture Trustee on behalf of the NCD Holder(s) shall discharge us pro tanto to the NCD Holder(s).

The Debenture Trustee will protect the interest of the NCD Holders in the event of default by us in regard to timely payment of interest and repayment of principal and they will take necessary action at our cost.

Events of Default (including manner of voting/conditions of joining Inter Creditor Agreement)

Subject to the terms of the Debenture Trust Deed, the Debenture Trustee at its discretion may, or if so requested in writing by the Debenture Holders or with the sanction of a resolution, passed at a meeting of the Debenture Holders in the manner provided in the Debenture Trust Deed shall, give notice to the Issuer specifying that the NCDs and/or any particular series of NCDs, in whole but not in part are and have become due and repayable on such date as may be specified in such notice, inter alia, if any of the events listed below and as further detailed in the Debenture Trust Deed occurs.

Notwithstanding anything to the contrary contained herein, on occurrence of any event of default specifically identified under the Debenture Trust Deed, the Debenture Holder shall be entitled, in the manner provided in the Debenture Trust Deed, to instruct the Debenture Trustee to issue notice and/or to take actions as stipulated under the Debenture Trust Deed in consultation with holders of such debt securities and in accordance with applicable law.

The debenture trustee shall supervise the implementation of the conditions regarding creation of security for the debt securities, creation of recovery expense fund and debenture redemption reserve, as applicable.

The description below is indicative and a complete and detailed list of events of defaults and the terms of occurrence of such events of default and related consequences will be specified in the Debenture Trust Deed.

Indicative list of events of default as will be more specifically set out in the Debenture Trust Deed:

- default is committed in payment of the principal amount of the NCDs on the due date(s);
- default is committed in payment of any interest/coupon on the NCDs on the due date(s).
- default is committed in payment of any other amounts outstanding on the NCDs;
- any step is taken by Governmental Authority or agency or any other competent authority, with a view to the seizure, compulsory acquisition, expropriation or nationalisation of all or (in the opinion of the Debenture Trustee) a material part of the assets of the Issuer;
- distress being enforced or levied against whole or substantial part of the assets of the Issuer and any order relating thereto is not discharged or stayed within a period of 30 (thirty) days from the date of enforcement or levy;
- if in the opinion of the Debenture Trustee, the Security is in jeopardy.
- Default is committed in the performance of covenants, conditions or agreements on the part of the Issuer in the manner provided under the Debenture Trust Deed other than any payment defaults under the Debenture Trust Deed or the other Transaction Documents;
- Any information furnished or any representation and / or warranty given by the Issuer to the NCD Holders: (a) in this Draft Offer Document, Offer Document or any other Transaction Documents until the date of listing of the NCDs on the Stock Exchanges, is or proves to be untrue or inaccurate in any respect or omits any disclosure of fact which may make the information furnished therein, in light of circumstances under which it was furnished, false or misleading; or (b) under the Transaction Documents on an ongoing basis after the date of listing of the NCDs on the Stock Exchanges, is or proves to be misleading or incorrect in any respect or is found to be incorrect in any respect;
- If the Issuer voluntarily creates or attempts to create any encumbrance on the hypothecated property or any part thereof, other than as expressly permitted under the transaction documents;
- If the Security (or any part thereof) becomes unenforceable, illegal or invalid or any restriction, imposition, attachment, or any similar event has been levied on the Hypothecated Property;
- The occurrence of any other event or condition which leads to occurrence of a material adverse effect, as set out in the Debenture Trust Deed;

Any event of default shall be called by the Debenture Trustee in accordance with applicable laws including the SEBI Master Circular for Debenture Trustees and as per the terms as set out in the Debenture Trust Deed.

In accordance with the SEBI Master Circular for Debenture Trustees, post the occurrence of a "default", the consent of the NCD Holders for entering into an inter-creditor agreement (the "ICA")/enforcement of security shall be sought by the debenture trustee after providing a notice to the investors in the manner stipulated under applicable law.

Further, the meeting of the NCD Holders shall be held within the period stipulated under applicable law. In case(s) where majority of investors express their consent to enter into the ICA, the debenture trustee shall enter into the ICA on behalf of the investors upon compliance with the conditions as stipulated in the abovementioned circular. In case consents are not received for signing the ICA, the debenture trustee shall take further action, if any, as per the decision taken in the meeting of the investors. The consent of the majority of investors shall mean the approval of not less than 75% of the investors by value of the outstanding debt and 60% of the investors by number at the ISIN level.
Any default committed by the Issuer shall be reckoned at the International Securities Identification Number level notwithstanding the debt securities and/or non-convertible redeemable preference shares being issued under different offer documents.

Regulation 51 read with the Explanation to Clause A (11) in Part B of Schedule III of the SEBI Listing Regulations, defines 'default' as non-payment of interest or principal amount in full on the pre-agreed date which shall be recognized at the first instance of delay in the servicing of any interest or principal on debt.

Where the Issuer has defaulted in payment of interest or redemption of debt securities or in creation of security under a specific ISIN in accordance with the terms of the offer document, any distribution of dividend shall require approval of the debenture trustee acting on instructions of the Special Majority.

It is hereby confirmed, in case of an occurrence of a "default", the Debenture Trustee shall abide and comply with the procedures mentioned in the SEBI Master Circular for Debenture Trustees issued by SEBI.

Rights of NCD Holders

Some of the significant rights available to the NCD Holders are as follows:

1. The rights and privileges of the NCD Holders shall be as provided in the Debenture Trust Deed, the Maharashtra Municipal Corporation Act 1949 and the SEBI ILMDS Regulations.

2. The Corporation hereby undertakes that the rights of the NCD Holders will be protected as per the governing Act, agreement/deed executed/to be executed between the Corporation and the Debenture Trustee. The Debenture Trustee Agreement/Deed shall contain such clauses as may be prescribed under the Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993, and various other circulars. Further the Debenture Trustee Agreement/Deed shall not contain any clause which has the effect of (i) limiting or extinguishing the obligations and liabilities of the Debenture Trustee or Corporation in relation to any rights or interests of the holder(s) of the NCDs; (ii) limiting or restricting or waiving the provisions of the SEBI Act; SEBI ILMDS Regulations and circulars or guidelines issued by SEBI; and (iii) indemnifying the Trustee or Corporation for loss or damage caused by their act of negligence or commission or omission. Subject to the above and the applicable statutory/regulatory requirements and terms of the Debenture Trust Deed, the rights, privileges and conditions attached to the NCDs may be varied, modified and/or abrogated with the consent in writing of the holders of at least three-fourths of the outstanding amount of the NCDs or with the sanction of a special resolution passed at a meeting of the concerned NCD Holders, provided that nothing in such consent or resolution shall be operative against us, where such consent or resolution modifies or varies the terms and conditions governing the NCDs, if the same are not acceptable to us.

3. Subject to applicable statutory/regulatory requirements and terms of the Debenture Trust Deed, the registered NCD Holder or in case of joint-holders, the one whose name stands first in the register of debenture holders shall be entitled to vote in respect of such NCDs, either in person or by proxy, at any meeting of the concerned NCD Holders and every such holder shall be entitled to one vote on a show of hands and on a poll, his/her voting rights on every resolution placed before such meeting of the NCD Holders shall be in proportion to the outstanding nominal value of NCDs held by him/her.

4. The NCDs are subject to the provisions of the SEBI ILMDS Regulations, the Maharashtra Municipal Corporations Act, 1949, the terms of this Draft Offer Document, the Offer Document, the Application Form, the terms and conditions of the Debenture Trust Deed, other applicable statutory and/or regulatory requirements relating to the issue and listing, of securities and any other documents that may be executed in connection with the NCDs.

5. For the NCDs issued in dematerialized form, the Depositories shall also maintain the upto date record of holders of the NCDs in dematerialized Form. For NCDs in dematerialized form, all interest and principal sums becoming due and payable in respect of the NCDs will be paid to the person for the time being appearing in the register of beneficial owners of the Depository.

6. Subject to applicable laws, the Green Bonds can be rolled over only by a special resolution of the NCD Holders after providing 21 days prior notice for such roll over and in accordance with Section 21 of the SEBI ILMDS Regulations. Our Corporation shall redeem the NCDs of all the NCD Holders, who have not given their positive consent to the roll-over.

Following the initial issue of the NCDs, the trading lot shall be 1 (one) STRPP forming part of any NCD (pursuant to which 1 STRPP of any NCD bearing individual ISIN shall be tradable by the NCD Holders). Therefore, rights available to any NCD Holder shall also be available to each holder(s) of any STRPP of an NCD. The aforementioned rights of the NCD Holders are merely indicative. The final rights of the NCD Holders will be as per the terms of the Offer Document and the Debenture Trust Deed.

Nomination facility to NCD Holder

Nomination facility will be provided to the NCD Holders if provided under applicable law and in a manner provided under to applicable law.

Jurisdiction

The NCDs and the Transaction Documents (other than the Public Issue Account and Sponsor Bank Agreement) shall be governed by and construed in accordance with the laws of India and the parties submit to the exclusive jurisdiction of courts and tribunals in Nashik, Maharashtra. The Public Issue Account and Sponsor Bank Agreement shall be governed by and construed in accordance with the laws of India and the parties submit to the exclusive jurisdiction of courts and tribunals in Mumbai, Maharashtra.

Application in the Issue

Green Bonds being issued through the relevant Offer Document can be applied for, through a valid Application Form filled in by the applicant along with attachments, as applicable. Further, Applications in this Issue shall be made through the ASBA facility only. (including Applications made by UPI Investors under the UPI Mechanism).

In terms of Regulation 4C of the SEBI ILMDS Regulations, our Corporation has entered into an arrangement with a depository registered with the Board for dematerialisation of the municipal debt securities that are proposed to be issued, in accordance with the Depositories Act, 1996, rules and regulations made thereunder and make public issue of the NCDs in the dematerialised form.

As per the provisions of the Depositories Act, investors have an option to hold the Bonds in physical form and deal with the same as per the provisions of Depositories Act, 1996 as amended from time to time. However, trading of the NCDs shall be compulsorily in dematerialised form only.

Market Lot / Trading Lot

The market lot for the proposed Issue of Green Bonds shall be 1 (one) STRPP bearing individual ISIN ("Market Lot").

Mode of Transfer/Transmission of NCDs

The NCDs / STRPPs shall be transferred or transmitted freely in accordance with the provisions of applicable law and/or as provided in the Debenture Trust Deed. The NCDs / STRPPs which are held in dematerialized form shall be transferred subject to and in accordance with the rules/procedures as prescribed under applicable law. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date.

In the absence of the same, interest will be paid/redemption will be made to the person, whose name appears in the register of debenture holders. In such cases, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer or Registrar. The seller should give delivery instructions containing details of the buyer's DP account to his depository participant.

For further details, see "Issue Structure" beginning on page 72, for the implications on the interest applicable to NCDs held by individual NCD Holders on the Record Date and NCDs held by non-individual NCD Holders on the Record Date.

Any trading of the NCDs / STRPPs issued pursuant to this Issue shall be compulsorily in dematerialized form only.

Neither our Corporation, nor the Lead Manager, nor any Trading Member of the Stock Exchanges are liable for any failure in uploading the Applications due to failure in any software/ hardware systems or otherwise. Please note that the Basis of Allotment under the Issue will be on the basis of date of upload of each application into the electronic book of the Stock Exchanges in accordance with the SEBI Master Circular. However, on the date of oversubscription and thereafter, the allotments should be made to the applicants on proportionate basis.

Taxation

Income Tax is deductible at source at the rate of 10% on interest on Green Bonds held by resident Indians in accordance with Section 193 of the IT Act. In cases where interest is to be paid to an Individual or Hindu Undivided Family ("HUF") (being the Bond Holder) is less than ₹ 10,000 and interest is to be paid by way of account payee cheque then the relevant Bond Holder may seek non deduction of tax at source on the interest on Green Bonds by submitting the prescribed declaration/certificates with the Issuer and the RTA at the aforesaid address on or prior to the relevant Record Date. For details of possible tax benefits available to the Corporation and the NCD Holders under the applicable laws in India, please see the section titled "Tax Benefits" on page 65.

Tax will be deducted at source at reduced rate, or no tax will be deducted at source in the following cases:

a) When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture holder justifies no/lower deduction of tax at source as per the provisions

of Section 197(1) of the IT Act; and that a valid certificate is filed with the Registrar or the Corporation before the prescribed date of closure of books for payment of debenture interest;

b) When the resident Debenture Holder with Permanent Account Number ('PAN') (not being a company or a firm) submits a declaration as per the provisions of Section 197A(1A) of the IT Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial year in which such income is to be included in computing his total income will be NIL. However, under Section 197A(1B) of the IT Act, Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the dividend income referred to in Section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of Unit Trust of India as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the financial year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax;

c) Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of Section 197A(1C) of the Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on the estimated total income of the year concerned will be NIL.

In all other situations, tax would be deducted at source as per prevailing provisions of the IT Act. However in case of NCD Holders claiming non-deduction or lower deduction of tax at source, as the case may be, the NCD Holder should furnish either (a) a declaration (in duplicate) in the prescribed form i.e. (i) Form 15H which can be given by individuals who are of the age of 60 years or more (ii) Form 15G which can be given by all applicants (other than companies, and firms), or (b) a certificate, from the Assessing Officer which can be obtained by all applicants (including companies and firms) by making an application in the prescribed form i.e. Form No.13.

Further, eligible NCD Holders other than resident individuals or resident HUF investors, the following documents should be submitted with the Corporation/ Registrar, at least 7 days before the relevant record date for payment of debenture interest (i) copy of registration certificate issued by the regulatory authority under which the investor is registered, (ii) self-declaration for non-deduction of tax at source, and (iii) such other document a may be required under the Income Tax Act, for claiming non-deduction / lower deduction of tax at source and/or specified by the Corporation/ Registrar, from time to time.

The aforesaid documents, as may be applicable, should be submitted at least 7 days before the relevant Record Date for payment of interest on the NCDs quoting the name of the sole/ first NCD Holder, NCD folio number and the distinctive number(s) of the NCD held, to ensure non-deduction/lower deduction of tax at source from interest on the NCD. The aforesaid documents for claiming non-deduction or lower deduction of tax at source, as the case may be, shall be submitted to the Registrar or our Corporation as per below details or any other details as may be updated on the website of the Issuer or the Registrar at www.purvashare.com, from time to time. The tax exemption forms may be sent to the email-id of the Registrar to the Issue as mentioned below.

The investors need to submit Form 15H/ 15G/certificate in original from the Assessing Officer for each Fiscal during the currency of the NCD to claim non-deduction or lower deduction of tax at source from interest on the NCD. Tax exemption certificate/document, if any, must be lodged at the office of the Registrar to the Issue at least seven days prior to the Record Date or as specifically required, failing which tax applicable on interest will be deducted at source on accrual thereof in our Corporation's books and/or on payment thereof, in accordance with the provisions of the IT Act and/or any other statutory modification, enactment or notification as the case may be. A tax deduction certificate will be issued for the amount of tax so deducted.

Please also see, "Tax Benefits" on page 65. Subject to the terms and conditions in connection with computation of applicable interest on the Record Date as stated in the section titled "Issue Procedure" on page 94, please note that in case the NCDs are transferred and/or transmitted in accordance with the provisions of this this Draft Offer Document, the transferee of such NCDs or the deceased holder of NCDs, as the case may be, shall be entitled to any interest which may have accrued on the NCDs.

Subject to the terms and conditions in connection with computation of applicable interest on the Record Date, please note that in case the NCDs are transferred and/or transmitted in accordance with the provisions of this Draft Offer Document and Offer Document, the transferee of such NCDs or the deceased holder of NCDs, as the case may be, shall be entitled to any interest which may have accrued on the NCDs.

Day Count Convention

Interest shall be computed on an actual/actual basis on the principal outstanding on the NCDs as per the SEBI Master Circular.

Procedure for deciding and adjusting Payment Dates

The amount of interest/coupon payable shall be as specified in the Offer Document and rounded off to the nearest Rupee. In the event, the interest/payout of total coupon /redemption amount is a fraction and not an integer, such amount will be rounded off to the nearest integer. By way of illustration if the redemption amount is ₹ 1,837.50 then the amount shall be rounded off to ₹ 1,838.

If the date of interest/coupon payment falls on Sundays or holidays of commercial banks in Nashik, then interest as due and payable on such day, would be paid on the immediately succeeding Working Day, however the calculation for payment of interest will be only till the originally stipulated schedule. The dates of the future interest payments would be as per the originally stipulated schedule and shall not be changed because of postponement of such interest payment on account of it falling on a non-Working Day. Payment of interest would be subject to the deduction as prescribed in the I.T. Act or any statutory modification or re-enactment thereof for the time being in force.

If the date of payment of coupon/redemption of principal does not fall on a Working Day, the payment of coupon/principal shall be made in accordance with SEBI Master Circular dated October 15, 2025 bearing reference SEBI/HO/DDHS/DDHS-PoD/P/CIR/2025/0000000137, as amended from time to time and detailed in the Summary Term Sheet on page 170 of the Draft Offer Document.

If the coupon payment date falls on a Sunday or a holiday, the coupon payment shall be made on the next Business day. The dates of the future payments would continue to be as per the schedule originally stipulated in the Draft Offer Document/ Term Sheet in line with applicable guidelines/ regulations/ circulars as issued by SEBI from time to time. If the redemption/maturity date of the STRPPs falls on a Sunday or a holiday, the redemption proceeds shall be paid on the previous working day. In such case, along with the redemption proceeds, the coupon accrued on such STRPPs shall also be paid on the previous working day as per the cash flows provided in the Offer Document.

If a leap year (i.e. February 29) falls during the tenor of the bonds, then the number of days shall be reckoned as 366 days (actual/ actual day count convention) for the entire year, irrespective of whether the interest is payable annually, half yearly, quarterly or monthly. For the purpose of clarification, the payment of interest/redemption shall be made only as per the cash flows provided in the Offer Document. Investors should note that this example is shall be solely for illustrative purposes.

We have not considered the effect of public holidays as it is difficult to ascertain for future dates. In the event the Record Date falls on a day which is not a Business Day, the immediately preceding Business Day will be considered as the Record Date. The interest/redemption payments shall be made only on the days when the commercial banks are open for business in Nashik.

In the event, the interest, refund or redemption amount is a fraction and not an integer, such amount will be rounded off to the nearest integer.

The bank details will be obtained from the Depositories for payment of interest, refund or redemption, as the case may be. Applicants who are holding the NCDs in electronic form, are advised to immediately update their bank account details as appearing on the records of the Depository Participant.

Please note that failure to do so could result in delays in credit of interest / refund / redemption amount to the Applicant at the applicant's sole risk, and none of the Lead Manager, the Corporation or the Registrar to the Issue shall have any responsibility and undertake any liability arising from such details not being up to date.

Illustration for guidance in respect of the day count convention and effect of holidays on payments.

The illustration for guidance in respect of the day count convention and effect of holidays on payments, as required by SEBI Master Circular will be as disclosed in the Offer Document.

Basis of Payment of Interest

The tenor, coupon rate / yield and redemption amount applicable for each STRPP of each NCDs shall be determined at the time of Allotment of the NCDs. NCDs once allotted shall continue to bear the applicable tenor, coupon/yield and redemption amount as at the time of original Allotment irrespective of the category of NCD Holder on any record date, and such tenor, coupon/yield and redemption amount as at the time of original allotment will not be impacted by trading of any STRPP of NCDs between the categories of persons or entities in the secondary market.

Procedure for Redemption by NCD holders

The procedure for redemption is set out below:

NCDs held in physical form on account of rematerialisation

No action would ordinarily be required on the part of the NCD Holder at the time of redemption and the redemption proceeds would be paid to those NCD Holders whose names stand in the register of debenture holders maintained by us on the Record Date fixed for the purpose of Redemption. However, our Corporation may require that the NCD certificate(s), duly discharged by the sole holder/all the joint-holders (signed on the reverse of the NCD certificates) be surrendered for redemption on maturity and should be sent by the NCD Holders by Registered Post with acknowledgment due or by hand delivery to our office or to such persons at such addresses as may be notified by us from time to time. NCD Holders may be requested to surrender the NCD certificates in the manner as stated above, not more than three months and not less than one month prior to the redemption date so as to facilitate timely payment. We may at our discretion redeem the unsecured NCDs without the requirement of surrendering of the NCD certificates by the holder(s) thereof. In case we decide to do so, the holders of NCDs need not submit the NCD certificates to us and the redemption proceeds would be paid to those NCD holders whose names stand in the register of debenture holders maintained by us on the Record Date fixed for the purpose of redemption of NCDs. In such case, the NCD certificates would be deemed to have been cancelled. Also see the para "Payment on Redemption" given below.

Unsecured NCDs held in electronic form

No action is required on the part of Bond Holder(s) at the time of redemption of NCDs.

Maturity and Redemption

Each of the STRPPs shall be redeemed on respective Redemption/Maturity Dates

Record Date

The record date for payment of interest in connection with the Green Bonds or repayment of principal in connection therewith shall be 15 (fifteen) calendar days prior to the date on which interest payment is due and payable, and/or in case of redemption, the relevant Redemption Date/ Maturity Date for each relevant STRPP or such other date as may be determined by the Bond Issue Committee/ authorised officer(s) of the Bond Issue Committee from time to time in accordance with the applicable law.

In case the record date falls on a day when the Stock Exchanges are having a trading holiday, the immediate subsequent trading day or a date notified by the Bond Issue Committee to the Stock Exchanges, will be deemed as the record date.

In case of Redemption Date/Maturity Date of any STRPPs, the trading in the respective STRPP shall remain suspended between the record date and the Redemption Date/Maturity Date.

Payment on Redemption

Each STRPP of each NCD would be paid on the relevant Maturity Date. On the relevant Redemption/Maturity Date, redemption proceeds would be paid by cheque/ pay order/ electronic mode to those NCD Holders whose names appear on the list of beneficial owners given by the Depositories to our Corporation. These names would be as per the Depositories' records on the Record Date fixed for the purpose of redemption. These NCDs will be simultaneously extinguished to the extent of the amount redeemed through appropriate debit corporate action upon redemption of the corresponding value of the NCDs. It may be noted that in the entire process mentioned above, no action is required on the part of NCD Holders.

Such payment will be a legal discharge of the liability of the Issuer towards the NCD Holders.

Further, we will not be liable to pay any interest, income or compensation of any kind from the date of redemption of the NCDs.

If the Redemption Date or Maturity Date of the STRPPs falls on a Sunday or a holiday, the redemption amount shall be paid on the immediately preceding Working Day along with interest accrued on such STRPPs. The interest payments shall be made only on the subsequent day when the Banks are functioning in Nashik. Interest shall be computed on an actual/actual basis i.e., on the principal outstanding on the NCDs/STRPPs as per the SEBI Master Circular.

Terms of payments and procedure and time schedule for allotment and issue certificates/ demat credit

The entire issue price per NCD, is blocked in the ASBA Account on application itself. In case of allotment of lesser number of NCDs than the number of NCDs applied for, the Issuer shall unblock the excess amount paid on application to the applicant in accordance with the terms of the Offer Document.

The allotment of Green Bonds and credit of the Green Bonds in the accounts of the Successful Applicants shall be completed as per the prescribed timelines.

Deemed Date of Allotment

The date on which the Bonds Issue Committee approves the Allotment of the NCDs for this Issue or such date as may be determined by the Bonds Issue Committee (as permitted under applicable law) and notified to the Stock Exchanges. The actual Allotment of NCDs may take place on a date other than the Deemed Date of Allotment. All benefits relating to the NCDs including interest on NCDs/ any STRPP forming part of the NCD shall be available to the NCD Holders from the Deemed Date of Allotment.

Mode of payment of Interest to NCD Holders

Payment of interest will be made (i) in case of NCDs in dematerialised form, the persons who, for the time being appear in the register of beneficial owners of the NCDs as per the Depositories, as on the Record Date and (ii) in case of NCDs in physical form on account of re-materialization, to the persons whose names appear in the register of debenture holders maintained by us (or to first holder in case of joint-holders) as on the Record Date.

We may enter into an arrangement with one or more banks in one or more cities for direct credit of interest to the account of the NCD Holders. In such cases, interest, on the interest payment date, would be directly credited to the account of those investors who have given their bank mandate.

We may offer the facility of NACH, NEFT, RTGS, Direct Credit and any other method permitted by RBI and SEBI from time to time to effect payments to NCD Holders. The terms of this facility (including towns where this facility would be available) would be as prescribed by RBI.

Manner of Payment of Interest / Refund / Redemption*

The manner of payment of interest / refund / redemption in connection with the NCDs is set out below:

The bank details will be obtained from the Depositories for payment of Interest / refund / redemption as the case may be. Applicants are advised to keep their bank account details as appearing on the records of the depository participant updated at all points of time. Please note that failure to do so could result in delays in credit of Interest/ Redemption Amounts at the Applicant's sole risk, and the Lead Manager, our Corporation or the Registrar shall have no responsibility and undertake no liability for the same.

The Registrar to the Issue will issue requisite instructions to the relevant SCSBs to un-block amounts in the ASBA Accounts of the Applicants representing the amounts to be unblocked for the Applicants.

The mode of interest / refund / redemption payments shall be undertaken in the following order of preference:

1.Direct Credit

Investors having their bank account with the Refund Bank, shall be eligible to receive refunds, if any, through direct credit. The refund amount, if any, would be credited directly to their bank account with the Refund Bank.

2.NACH

National Automated Clearing House which is a consolidated system of ECS. Payment would be done through NACH for Applicants having an account at one of the centres specified by the RBI, where such facility has been made available. This would be subject to availability of complete bank account details including Magnetic Ink Character Recognition ("MICR") code wherever applicable from the depository. Payments through NACH are mandatory for Applicants having a bank account at any of the centres where NACH facility has been made available by the RBI (subject to availability of all information for crediting the refund through NACH including the MICR code as appearing on a cheque leaf, from the depositories), except where applicant is otherwise disclosed as eligible to get payments through NEFT or Direct Credit or RTGS.

3.RTGS

Applicants having a bank account with a participating bank and whose interest payment/ refund/ redemption amounts exceed ₹ 200,000, or such amount as may be fixed by RBI from time to time, have the option to receive payments through RTGS. Such eligible Applicants who indicate their preference to receive interest payment/ refund/ redemption through RTGS are required to provide the IFSC code in the Application Form or intimate our Corporation and the Registrar to the Issue at least seven days prior to the Record Date. Charges, if any, levied by the Applicant's bank receiving the credit would be borne by the Applicant. In the event the same is not provided, interest payment/ refund/ redemption shall be made through NACH subject to availability of complete bank account details for the same as stated above.

4.NEFT

Payment of interest/ refunds/ redemption shall be undertaken through NEFT wherever the Applicants' banks have been assigned the Indian Financial System Code ("IFSC"), which can be linked to a MICR, if any, available to that particular bank branch. The IFSC Code will be obtained from the website of RBI as on a date immediately prior to the date of payment of refund, duly mapped with MICR numbers. Wherever the Applicants have registered their nine

digit MICR number and their bank account number while opening and operating the demat account, the same will be duly mapped with the IFSC Code of that particular bank branch and the payment of interest/ refund/ redemption will be made to the applicants through this method.

Registered Post/Speed Post

For all other applicants, including those who have not updated their bank particulars with the MICR code, the interest payment / refund / redemption orders shall be dispatched through speed post/registered post.

Please note that applicants are eligible to receive payments through the modes detailed in (1), (2) (3), and (4) herein above provided they provide necessary information for the above modes and where such payment facilities are allowed / available.

Please note that the Corporation shall not be responsible to the holder of NCDs/STRPPs, for any delay in receiving credit of interest / refund / redemption so long as the Corporation has initiated the process of such request in time.

In case of ASBA Applicants, the Registrar to the Issue will issue requisite instructions to the relevant SCSBs to unblock amounts in the ASBA Accounts of the Applicants representing the amounts to be refunded to the Applicants. The Registrar to the Issue shall instruct the relevant SCSB or in case of Bids by Retail Individual Investors applying through the UPI Mechanism to the Sponsor Bank, to revoke the mandate and to unblock the funds in the relevant ASBA Account to the extent of the Application Amount specified in the Application Forms for withdrawn, rejected or unsuccessful or partially successful Applications within 2 (two) Working Days of the Issue Closing Date.

Printing of bank particulars on interest or redemption warrants

As a matter of precaution against possible fraudulent encashment of refund orders, and interest or redemption warrants due to loss or misplacement, the particulars of the Applicant's bank account are mandatorily required to be given for printing on the orders/ warrants. In relation to NCDs applied and held in dematerialized form, these particulars would be taken directly from the Depositories. Bank account particulars will be printed on the orders/ warrants which can then be deposited only in the account specified.

Application Size

Each Application should be for a minimum of 10 NCDs and in multiples of one NCD thereafter, as specified in this Draft Offer Document. Each NCD shall consist of Eight STRPPs, i.e., 1 STRPP A and 1 STRPP B, 1 STRPP C, 1 STRPP D, 1 STRPP E, 1 STRPP F, 1 STRPP G,1 STRPP H. Each of the STRPPs shall have a different maturity and ISIN, and shall be redeemable at par on relevant Maturity Date;

Applicants are advised to ensure that applications made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and or regulatory provisions.
Buy Back of NCDs

The Corporation may, from time to time, consider, subject to applicable statutory and/or regulatory requirements, buy-back of the NCDs/ any STRPPs, upon such terms and conditions as may be decided by the Bond Issue Committee in accordance with applicable laws.

Form and Denomination of NCDs

In case of NCDs held in physical form on account of rematerialisation, a single certificate will be issued to the Bond Holder for the aggregate amount of the NCDs held ("Consolidated Certificate"). The Applicant can also request for the issue of NCD certificates in denomination of one STRPP ("Market Lot"). In case of STRPPs of different Maturity, are held by a Bond Holder, separate Consolidated Certificates will be issued to the Bond Holder for the aggregate amount of the STRPPs held. It is however distinctly to be understood that the NCDs/STRPPs pursuant to this issue shall be traded only in demat form.

In respect of Consolidated Certificates, we will, only upon receipt of a request from the Bond Holder, split such Consolidated Certificates into smaller denominations subject to the minimum of Market Lot. No fees would be charged for splitting of NCD certificates in Market Lots, but stamp duty payable, if any, would be borne by the Bond Holder. The request for splitting should be accompanied by the original NCD certificate which would then be treated as cancelled by us.

As per the provisions of the Applicable Law, the trading of the NCDs/STRPPs on the Stock Exchanges shall be in dematerialized form only in multiples of 1 (one) STRPP ("Market Lot"). Allotment in this Issue to all Allottees, will

be in electronic form i.e., in dematerialised form and in multiples of one NCD. For details of allotment see "Issue Procedure" beginning on page 94.

Right to Reissue Green Bonds

Subject to the provisions of the SEBI ILMDS Regulations and the Maharashtra Municipal Corporation Act, 1949, where we have fully redeemed or repurchased any NCDs, we shall have and shall be deemed always to have had the right to keep such NCDs in effect without extinguishment thereof, for the purpose of resale or reissue and in exercising such right, we shall have and be deemed always to have had the power to resell or reissue such NCDs either by reselling or reissuing the NCDs or by issuing other NCDs in their place subject to applicable laws. The aforementioned right includes the right to reissue original NCDs.

Right to Recall or Redeem prior to Maturity

Not Applicable

Transfer of NCDs/STRPPs held in electronic form

The normal procedure followed for transfer of securities held in dematerialised form shall be followed for transfer of the NCDs/STRPPs held in electronic form. The Bond Holder (seller) should give delivery instructions containing details of the buyer's Depository Participant account to her/his Depository Participant.

In case the transferee does not have a Depository Participant account, the transferor can rematerialise the NCDs and thereby convert his dematerialised holding into physical holding. Thereafter these NCDs/STRPPs can be transferred in the manner as stated above for transfer of NCDs held in physical form.

Any trading of the NCDs/STRPPs issued pursuant to this Issue shall be compulsorily in dematerialised form only.

Common form of transfer

The Corporation undertakes that there shall be a common form of transfer for the NCDs/STRPPs and the provisions of all applicable laws including the FEMA and the rules and regulations thereunder shall be duly complied with in respect of all transfer of debentures and registration thereof.

Sharing of Information

The Issuer may, use, share or part with any financial or other information about the Debenture Holder(s) available with the Issuer, with its affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required without prejudice to the interests of the Bond Holders and subject to Applicable Laws.

Notices

All notices to the NCD Holder(s) required to be given by us or the Debenture Trustee shall be published in one English language newspaper having wide circulation and one regional language daily national newspaper at the place where the head office of the Corporation is situated and/or will be sent by speed post/ courier or through email or other electronic media to the Registered Holders of the Green Bond(s) from time to time.

Future Borrowings

Our Corporation will be entitled to make further issue of secured or unsecured debentures and/or raise term loans or raise further funds from time to time from any persons, banks, financial institutions or bodies corporate or any other agency, in accordance with Maharashtra Municipal Corporation Act, 1949, so long as (i) there is no shortfall in the contribution to the Escrow Account, the interest payment account (created for the previous bond issuance) & Interest Payment Account-II (including towards maintenance of the Required DSRA Amount) and/or the sinking fund account (created for the previous bond issuance) & Sinking Fund Account- II which has not been made good by the Issuer in terms of the Transaction Documents; (ii) the Financial Covenants and Conditions are met (iii) consents and approvals and other conditions, as may be required under Applicable Law or financing agreements, including intimations, if applicable under any Transaction Documents, are obtained or provided, as the case may be, and (iv) no event of default has occurred and is continuing. However, until the Debentures are fully redeemed, the Issuer shall not create any charge on any of the Hypothecated Property, without the prior written approval from the Debenture Trustee acting on the instructions of the Majority Debenture Holders.

Pre-closure

Our Corporation, in consultation with the Lead Manager, reserves the right to close the Issue at any time prior to the Issue Closing Date (subject to Issue being kept open for the minimum statutory period of three working days), subject to receipt of minimum subscription or as may be specified in this Draft Offer Document. Our Corporation shall allot NCDs with respect to the Applications received until the time of such pre-closure in accordance with the Basis of Allotment as described in the Offer Document and subject to applicable statutory and/or regulatory requirements. In the event of such early closure of the Issue, our Corporation shall ensure that public notice of such early closure is published on or before such early date of closure as applicable, through advertisement(s) in all those newspapers in which pre-issue advertisement have been given.

Minimum subscription

In terms of the SEBI ILMDS Regulations, for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue Size (i.e. Rs. 75 crores). If our Corporation does not receive the minimum subscription of 75% of Base Issue Size (i.e. Rs. 75 crores), prior to the Issue Closing Date the entire Application Amount shall be unblocked in the relevant ASBA Account(s) of the Applicants within prescribed time period under applicable law or such time as may be specified by SEBI provided wherein in case of any delay by the Issuer in making the aforesaid refund, the Corporation will become liable to refund the Application Amount along with interest at the rate of 10 (ten) percent per annum for the delayed period.

To the extent possible, where the required information for making such refunds is available with our Corporation, refunds will be made to the account prescribed. However, where our Corporation does not have the necessary information for making such refunds, our Corporation will follow the guidelines prescribed by SEBI in the SEBI Master Circular.

Trading Lot

The NCDs shall be allotted in dematerialized form. As per the SEBI ILMDS Regulations, the trading of the NCDs is in dematerialised form.

The trading lot shall be 1 (one) STRPP forming part of any NCD, pursuant to which 1 STRPP of any NCD bearing individual ISIN will be tradable by the NCD Holders.

Please note that in case of Maturity Date of any STRPP, the trading in the respective STRPP shall remain suspended between the Record Date and the Maturity Date.

Allotment in this Issue will be in electronic form in multiples of one NCD. For further details of Allotment, please see the chapter titled "Issue Procedure" on page 94.

Utilisation of Application Amount

The sum received in respect of the Issue will be kept in separate bank account(s) and we will have access to such funds only upon allotment of the NCDs, execution of Debenture Trust Deed and on receipt of listing and trading approval from the Stock Exchanges as per applicable provisions of law(s), regulations, and approvals.

Utilisation of Issue Proceeds

Our Corporation certifies that:

i. all monies received out of the Issue of the NCDs to the public shall be transferred to a separate bank account maintained with a scheduled bank, other than the bank account referred to in the SEBI ILMDS Regulations, and our Corporation will comply with the conditions as stated therein, and these monies will be transferred to Corporation's bank account after receipt of listing and trading approvals;

ii. the allotment letter shall be issued, or application money shall be refunded in accordance with the applicable law failing which interest shall be due to be paid to the applicants in accordance with applicable law for the delayed period

iii. details of all monies utilised out of the Issue referred to in sub-item (i) shall be disclosed under an appropriate separate head in our balance sheet indicating the purpose for which such monies were utilised;

iv. details of all unutilised monies out of the Issue referred to in sub-item (i), if any, shall be disclosed under an appropriate separate head in our balance sheet indicating the form of financial assets in which such unutilised monies have been invested;

v. we shall utilize the Issue Proceeds only upon creation of security as stated in this Draft Offer Document in the chapter titled "Terms of the Issue" on page 75 and after (a) permissions or consents for creation of charge over the assets of the Corporation and for further raising of funds from the creditors, if required; (b) receipt of the minimum subscription of 75% of the Base Issue Size (i.e. Rs. 75 crores) pertaining to the Issue; (d) creation of security and confirmation of the same in terms of Green Bonds and (e) receipt of listing and trading approval from Stock Exchanges;

vi. the Issue Proceeds shall not be utilized towards full or part consideration for the purchase or any other acquisition, inter alia by way of a lease, of any property;

vii. the Issue Proceeds shall be utilized in compliance with various guidelines, regulations and clarifications issued by SEBI or any other statutory authority from time to time. Further the Issue Proceeds shall be utilised only for the purpose and objects stated in the Draft Offer Document; and

viii. If Allotment is not made, application monies will be refunded/unblocked in the ASBA Accounts within 3 Working Days from the Issue Closing Date or such lesser time as specified by SEBI, failing which interest will be due to be paid to the Applicants in accordance with applicable laws.

Pre-Issue Advertisement

Our Corporation will issue a statutory advertisement on or before the Issue Opening Date. This advertisement will be issued in compliance with the Regulation 9 of SEBI ILMDS Regulations and shall contain the information as prescribed in the SEBI ILMDS Regulations.

Material updates, if any, between the date of filing of the Draft Offer Document with SEBI and the date of release of the statutory advertisement will be included in the statutory advertisement information as prescribed under SEBI ILMDS Regulations.

Payment of Interest

If Allotment is not made within the prescribed time period under applicable law, the entire subscription amount will be unblocked within the time prescribed under applicable law, failing which interest may be due to be paid to the Applicants, for the delayed period, as prescribed in applicable law. Our Corporation shall not be liable to pay any interest on monies liable to be refunded in case of (a) invalid applications or applications liable to be rejected, (b) applications which are withdrawn by the Applicant and/or (c) monies paid in excess of the amount of NCDs applied for in the Application Form. For further details, see "Issue Procedure - Rejection of Applications" beginning on page 116.

Listing

The NCDs offered through this Draft Offer Document are proposed to be listed on the BSE and NSE. Our Corporation has obtained an 'in-principle' approval for the Issue from the NSE vide their letter bearing reference number [●] dated [●] for BSE and reference number [●] dated [●] for NSE. For the purposes of the Issue, NSE shall be the Designated Stock Exchange. Final Application for listing of the NCDs will be made to the Stock Exchanges in terms of SEBI ILMDS Regulations and the SEBI Master Circular.

If permissions to deal in and for an official quotation of our NCDs are not granted by the Stock Exchanges, our Corporation will forthwith repay, without interest, all moneys received from the Applicants in pursuance of the Offer Document within seven days from the earliest intimation rejecting the application for listing of the NCDs, and if any such money is not repaid after the Issuer becomes liable to repay it, the Issuer will repay that money with interest at the rate of fifteen percent per annum till such refund is made.

Our Corporation will use best efforts to ensure that all steps for the completion of the necessary formalities for listing and commencement of trading at the Stock Exchanges are taken within 3 Working Days of the Issue Closing Date.

Guarantee/Letter of Comfort

The Issue is not backed by a guarantee or letter of comfort or any other document and/or letter with similar intent.

Monitoring and Reporting of Utilisation of Issue Proceeds

There is no requirement for appointment of a monitoring agency in terms of the SEBI ILMDS Regulations. The Corporation shall monitor the utilization of the proceeds of the Issue in accordance with Green Bond Framework developed by Issuer and approved by Bond Issue Committee vide its resolution dated December 30, 2025. Our Corporation will disclose the status of implementation of project(s) which is being financed using the proceeds of the Issue along with reasons for delay, if any and the utilizations of Issue Proceeds for execution of the Project as stated in the Draft Offer Document, as applicable, on a half yearly basis to the Stock Exchanges. Further, the Corporation shall in disclose in its balance sheet the purpose for which the Issue Proceeds have been utilized until the whole proceeds are utilised for the Objects of the Issue.

Issue of duplicate NCD certificate(s)

If NCD certificate(s), issued pursuant to rematerialisation, is/ are mutilated or defaced or if there be no further space on the back thereof for endorsement of transfer of NCDs, the same may be replaced by us against the surrender of such certificate(s). Provided, where the NCD certificate(s) are mutilated or defaced, the same will be replaced as aforesaid only if the certificate numbers and the distinctive numbers are legible.

If any NCD certificate is destroyed, stolen or lost then upon production of proof thereof to our satisfaction and upon furnishing such indemnity/ security and/or documents as we may deem adequate, duplicate NCD certificates shall be issued. Upon issuance of a duplicate NCD certificate, the original NCD certificate shall stand cancelled.

Our Corporation will have the right of set-off and lien, present as well as future on the moneys due and payable to the NCD Holder, whether in single name or joint name, to the extent of all outstanding dues, if any by the NCD Holder to our Corporation.

Lien on Pledge of NCDs

Subject to applicable law, our Corporation, at its discretion, may record a lien on pledge of NCDs if such pledge of NCDs is accepted by any bank or institution for any loan provided to the NCD Holder against pledge of such NCDs as part of the funding.

Interim use of proceeds

Pending utilization of the proceeds of the Issue for the Objects described in this Draft Offer Document, the Issuer may temporarily invest the Issue proceeds as provided in the Green Bond Framework and the MMC Act in accordance with SEBI circular dated November 13, 2019.

C. ISSUE PROCEDURE

This section applies to all Applicants. Pursuant to the SEBI Master Circular, all Applicants are required to apply for in the Issue through the ASBA process and an amount equivalent to the full Application Amount as mentioned in the Application Form will be blocked by the Designated Branches of the SCSBs. Further, pursuant to the SEBI Master Circular, SEBI has provided the UPI Mechanism as a payment mechanism for the Issue, wherein a UPI Investor, may submit the Application Form with a SCSB or a Designated Intermediary or through the app/web based interface platform of the Stock Exchanges and use their bank account linked UPI ID for the purpose of blocking of funds, if the Application being made is for a value of ₹5 lakhs or less. The UPI Mechanism is applicable for public issue of debt securities which open for subscription on or after January 1, 2021. Accordingly, payment through the UPI Mechanism shall be available for the Issue. SEBI, vide the SEBI Master Circular has also introduced an additional mode for application in public issues of debt securities through an online (app/web) interface to be provided by the Stock Exchanges. In this regard, SEBI has also stipulated that the Stock Exchanges formulate and disclose the operational procedure for applying through the app/web based interface developed by them for making applications in public issues through the Stock Exchanges' website.

Further, pursuant to SEBI RTA Master Circular all individual investors applying in public issues of such securities through intermediaries (viz. syndicate members, registered stock brokers, registrar to an issue and transfer agent and depository participants), where the application amount is up to ₹ 5,00,000 shall only use UPI for the purpose of blocking of funds and provide his/ her bank account linked UPI ID in the bid-cum application form submitted with intermediaries. Further, individual investors shall continue to have the choice of availing other modes (viz. through SCSBs and Stock Exchanges Platform) for making an application in the public issue.

Applicants should note that they may submit their Application Forms (including in cases where Applications are being made under the UPI mechanism) at (i) the Designated Branches of the SCSBs or (ii) at the Collection Centres, i.e. to the respective Members of the Consortium at the Specified Locations, the Trading Members at the Broker Centres, the CRTA at the Designated RTA Locations or CDP at the Designated CDP Locations or (iii) through the app and/or web based interface/platform of the Stock Exchanges, as applicable. ASBA Applicants must ensure that their respective ASBA Accounts can be blocked by the SCSBs, in the relevant ASBA accounts for the full Application Amount. For further information, please see "Issue Procedure - Submission of Completed Application Forms" on page 114.

Applicants are advised to make their independent investigations and ensure that their Application do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable law or as specified in the Offer Document.

Please note that this section has been prepared based on the SEBI Master Circular and other related circulars. Retail Individual Investors should note that they may use the UPI mechanism to block funds for application value up to UPI Application Limit (to participate in the public issue for an amount up to ₹ 5,00,000 for issue of debt securities pursuant to the SEBI Master Circular, or any other investment limit, as applicable and prescribed by SEBI from time to time) submitted through the app/web interface of the Stock Exchanges or through intermediaries (Syndicate Members, Registered Stockbrokers, Registrar and Transfer agent and Depository Participants).

Specific attention is drawn to the SEBI Master Circular which provides for allotment in public issues of debt securities to be made on the basis of the date of upload of each application into the electronic book of the Stock Exchanges, as opposed to the date and time of upload of each such application.

The Issuer and the Lead Manager do not accept any responsibility for the completeness and accuracy of the information stated in this section and are not liable for any amendment, modification or change in the applicable law which may occur after the date of this Draft Offer Document. Investors are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws.

Further, the Issuer, the Lead Manager and the Members of the Consortium do not accept any responsibility for any adverse occurrence consequent to the implementation of the UPI Mechanism for application in the Issue.

PLEASE NOTE THAT ALL DESIGNATED INTERMEDIARIES WHO WISH TO COLLECT AND UPLOAD APPLICATION IN THIS ISSUE ON THE SYSTEM/ PLATFORM FOR SUBSCRIBTION IN ELECTRONIC MODE PROVIDED BY THE STOCK EXCHANGES ("ELECTRONIC APPLICATION PLATFORM") WILL NEED TO APPROACH THE STOCK EXCHANGE(S) AND FOLLOW THE REQUISITE PROCEDURES AS MAY BE PRESCRIBED BY THE STOCK EXCHANGES. THE FOLLOWING SECTION MAY CONSEQUENTLY UNDERGO CHANGE BETWEEN THE DATES OF THIS DRAFT OFFER DOCUMENT AND OFFER DOCUMENT, THE ISSUE OPENING DATE AND THE ISSUE CLOSING DATE.

THE LEAD MANAGER, THE CONSORTIUM MEMBER(S) AND THE ISSUER SHALL NOT BE RESPONSIBLE OR LIABLE FOR ANY ERRORS OR OMISSIONS ON THE PART OF THE TRADING MEMBERS / DESIGNATED INTERMEDIARIES IN CONNECTION WITH THE RESPONSIBILITY OF SUCH TRADING MEMBERS / DESIGNATED INTERMEDIARIES IN RELATION TO COLLECTION AND UPLOAD OF APPLICATIONS IN THIS ISSUE ON THE ELECTRONIC APPLICATION PLATFORM PROVIDED BY THE STOCK EXCHANGES. FURTHER, THE RELEVANT STOCK EXCHANGE SHALL BE RESPONSIBLE FOR ADDRESSING INVESTOR GRIEVANCES ARISING FROM APPLICATIONS THROUGH TRADING MEMBER/ DESIGNATED INTERMEDIARIES REGISTERED WITH SUCH STOCK EXCHANGES.

For purposes of this Issue, the term "Working Day" means all days on which commercial banks in the Nashik are open for business. In respect of announcement or bid/issue period, working day/business day shall mean all days, excluding Saturdays, Sundays and public holidays, on which commercial banks in Mumbai are open for business. Further, in respect of the time period between the bid/ issue closing date and the listing of the NCDs on the Stock Exchanges, working day/business day shall mean all trading days of the Stock Exchanges for NCDs, excluding Saturdays, Sundays and bank holidays, as specified.

The information below is given for the benefit of the Investors. The Issuer and the Members of Syndicate are not liable for any amendment or modification or changes in applicable laws or regulations, which may occur after the date of the Draft Offer Document.

The information below is given for the benefit of Applicants. The Issuer and the Lead Manager are not liable for any amendment or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Offer Document.

Method of Application

In terms of SEBI Master Circular, an eligible investor desirous of applying in the Issue can make Applications only through the ASBA process only.

All Applicants shall mandatorily apply in the Issue through the ASBA process only. Applicants intending to subscribe in the Issue shall submit a duly filled Application Form to any of the Designated Intermediaries. Designated Intermediaries (other than SCSBs) shall submit/deliver the Application Form (except the Application Form from a retail individual investor bidding using the UPI mechanism) to the respective SCSB, where such investor has a bank account and shall not submit it to any non-SCSB bank or Public Issue Account Bank or Sponsor Bank.

Applicants are requested to note that in terms of the SEBI Master Circular, SEBI has mandated issuers to provide, through a recognized stock exchange which offers such a facility, an online interface enabling direct application by investors to a public issue of debt securities with an online payment facility ("**Direct Online Application Mechanism**"). In this regard, SEBI has, through the SEBI Master Circular, directed recognized Stock Exchange in India to put in necessary systems and infrastructure for the implementation of the SEBI Master Circular and the Direct Online

Application Mechanism. The Direct Online Application facility will be available for this Issue as per mechanism provided in the SEBI Master Circular.

Applicants should submit the Application Form only at the bidding centres, *i.e*. to the respective Members of the Consortium at the Specified Locations, the SCSBs at the Designated Branches, the Registered Broker at the Broker Centres, the RTAs at the Designated RTA Locations or CDPs at the Designated CDP Locations. Kindly note that Application Forms submitted by Applicants at the Specified Locations will not be accepted if the SCSB with which the ASBA Account, as specified in the Application Form is maintained has not named at least one branch at that location for the Designated Intermediaries for deposit of the Application Forms. A list of such branches is available at http://www.sebi.gov.in.

The relevant Designated Intermediaries, upon receipt of physical Application Forms from ASBA Applicants, shall upload the details of these Application Forms to the online platform of the Stock Exchanges and submit these Application Forms with any of the Designated Branches at any Specified Location of the SCSB with whom the relevant ASBA Accounts are maintained.

Pursuant to SEBI RTA Master Circular, all individual investors applying in public issues where the application amount is up to ₹5,00,000 shall use UPI and shall also provide their UPI ID in the bid cum application form submitted with any of the entities mentioned herein below:

1. a syndicate member;
2. a stock broker registered with a recognised stock exchange (and whose name is mentioned on the website of the stock exchange as eligible for this activity);
3. a depository participant (whose name is mentioned on the website of the stock exchange as eligible for this activity);
4. a registrar to an issue and share transfer agent (whose name is mentioned on the website of the stock exchange as eligible for this activity).

In terms of the SEBI Master Circular, an eligible investor desirous of applying in this Issue can make Applications through the following modes:

1. ***Through Self-Certified Syndicate Bank (SCSB) or intermediaries (viz. Syndicate members, Registered Stock Brokers, Registrar and Transfer agent and Depository Participants)***

(a) An investor may submit the bid-cum-application form, with ASBA as the sole mechanism for making payment, physically at the branch of a SCSB, i.e. investor's bank. For such applications, the existing process of uploading of bid on the Stock Exchanges bidding platform and blocking of funds in investors account by the SCSB would continue.

(b) An investor may submit the completed bid-cum-application form to intermediaries mentioned above along with details of his/her bank account for blocking of funds. The intermediary shall upload the bid on the Stock Exchanges bidding platform and forward the application form to a branch of a SCSB for blocking of funds.

(c) An investor may submit the bid-cum-application form with a SCSB or the intermediaries mentioned above and use his / her bank account linked UPI ID for the purpose of blocking of funds, if the application value is ₹ 5 lac or less. The intermediary shall upload the bid on the Stock Exchanges bidding platform. The application amount would be blocked through the UPI mechanism in this case.

2. ***Through Stock Exchanges***

(a) An investor may submit the bid-cum-application form through the App or web interface developed by Stock Exchanges (or any other permitted methods) wherein the bid is automatically uploaded onto the Stock Exchanges bidding platform and the amount is blocked using the UPI Mechanism.

(b) The Stock Exchanges have extended their web-based platforms i.e., 'BSEDirect' and 'NSE goBID' to facilitate investors to apply in public issues of debt securities through the web based platform and mobile app with a facility to block funds through Unified Payments Interface (UPI) mechanism for application value up to ₹ 5 Lac. To place bid through 'BSEDirect' and 'NSE goBID' platform/ mobile app the eligible investor is required to register himself/ herself with BSE Direct/ NSE goBID.

(c) An investor may use the following links to access the web-based interface developed by the Stock Exchanges to bid using the UPI Mechanism: BSE: https://www.bsedirect.com; and NSE: https://www.nseindiaipo.com.

(d) The BSE Direct and NSE goBID mobile application can be downloaded from play store in android phones. Kindly search for 'BSEdirect' or 'NSE goBID' on Google Playstore for downloading mobile applications

(e) To further clarify the submission of bids through the App or web interface, the BSE has issued operational guidelines and circulars dated December 28, 2020 available at https://www.bseindia.com/markets/MarketInfo/DispNewNoticesCirculars.aspx?page=20201228-60, and https://www.bseindia.com/markets/MarketInfo/DispNewNoticesCirculars.aspx?page=20201228-61. Similar circulars by NSE can be found here: x https://www1.nseindia.com/content/circulars/IPO46907.zip x https://www1.nseindia.com/content/circulars/IPO46867.zipFurther, NSE has allowed its 'NSE GoBid' mobile application which is currently available for placing bids for non-competitive bidding shall also be available for applications of public issues of debt securities.

Application process through physical Application Form

Applicants opting for the physical mode of Application process, should submit the Application Form (including for Applications under the UPI Mechanism) only at the Collection Centres, i.e. to the respective Members of the Syndicate at the Specified Locations, the SCSBs at the Designated Branches, the registered broker at the Broker Centres, the RTAs at the Designated RTA Locations or CDPs at the Designated CDP Locations. Kindly note that Application Forms submitted by Applicants at the Specified Locations will not be accepted if the SCSB with which the ASBA Account, as specified in the Application Form is maintained has not named at least one branch at that location for the Designated Intermediaries for deposit of the Application Forms. A list of such branches is available on SEBI's website *for Applications under the UPI Mechanism* at https://www.sebi.gov.in.

The relevant Designated Intermediaries, upon receipt of physical Application Forms from ASBA Applicants (including for Applications under the UPI Mechanism), shall upload the details of these Application Forms to the online platform of the Stock Exchanges and submit the Application Forms (except Application Forms submitted by UPI Investors under the UPI Mechanism) with any of the Designated Branches at any Specified Location of the SCSB with whom the relevant ASBA Accounts are maintained. An Applicant shall submit the Application Form, which shall be stamped at the relevant Designated Branch of the SCSB, with the SCSB and can also be submitted to be the Designated Intermediaries at the Specified Locations. The SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the Application Form. For Applicants submitting the physical application Form who wish to block the funds in their respective UPI linked bank account through the UPI Mechanism, post uploading of the details of the Application Forms into the online platform of the Stock Exchanges, the Stock Exchanges shall share the Application details (including UPI ID) with the Sponsor Bank on a continuous basis to enable the Sponsor Bank to initiate a UPI Mandate Request to such UPI Investors for blocking of funds.

Designated Intermediaries (other than SCSBs) shall not accept any Application Form from a Retail Individual Investor who is not applying using the UPI Mechanism. Application Forms in physical mode, which shall be stamped, can also be submitted to be the Designated Intermediaries at the Specified Locations. The SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the Application Form.

An Applicant shall submit the Application Form, which shall be stamped at the relevant Designated Branch of the SCSB. Further, the Application may also be submitted through the app or web interface developed by Stock Exchanges wherein the Application is automatically uploaded onto the Stock Exchanges bidding platform and the amount is blocked using the UPI mechanism, as applicable.

The Issuer, the Lead Manager and the Registrar to the Issue shall not take any responsibility for acts, mistakes, errors, omissions and commissions etc. in relation to Applications (including Applications under the UPI Mechanism) accepted by and/or uploaded by and/or accepted but not uploaded by Trading Members, registered brokers, CDPs, RTAs and SCSBs who are authorised to collect Application Forms from the Applicants in the Issue, or Applications accepted and uploaded without blocking funds in the ASBA Accounts by SCSBs or failure to block the Application Amount under the UPI Mechanism. It shall be presumed that for Applications uploaded by SCSBs (other than UPI Applications), the Application Amount payable on Application has been blocked in the relevant ASBA Account and for Applications by UPI Investors under the UPI Mechanism, uploaded by Designated Intermediaries, the Application Amount payable on Application has been blocked under the UPI Mechanism.

Submission of Applications

Applications can be submitted through either of the following modes:

(a) Physically or electronically to the Designated Branches of the SCSB(s) with whom an Applicant's ASBA Account is maintained. In case of Application in physical mode, the Applicant shall submit the Application Form at the relevant Designated Branch of the SCSB(s). The Designated Branch shall verify if sufficient funds equal to the Application Amount are available in the ASBA Account and shall also verify that the signature on the Application Form matches with the Investor's bank records, as mentioned in the Application Form, prior to uploading such Application into the electronic system of the Stock Exchanges. **If sufficient funds are not available in the ASBA Account, the respective Designated Branch shall reject such Application and shall not upload such Application in the electronic system of the Stock Exchanges.** If sufficient funds are available in the ASBA Account, the Designated Branch shall block an amount equivalent to the Application Amount and upload details of the Application in the electronic system of the Stock Exchanges. The Designated Branch of the SCSBs shall stamp the Application Form and issue an acknowledgement as proof of having accepted the Application.

In case of Application being made in the electronic mode, the Applicant shall submit the Application either through the internet banking facility available with the SCSB, or such other electronically enabled mechanism for application and blocking funds in the ASBA Account held with SCSB, and accordingly registering such Application.

(b) Physically through the Designated Intermediaries at the respective Collection Centres. Kindly note that above Applications submitted to any of the Designated Intermediaries will not be accepted if the SCSB where the ASBA Account is maintained, as specified in the Application Form, has not named at least one branch at that Collection Center where the Application Form is submitted (a list of such branches is available at https://www.sebi.gov.in).

(c) A UPI Investor making an Application in the Issue under the UPI Mechanism, where the Application Amount is upto ₹5 lakhs, can submit his Application Form physically to a SCSB or a Designated Intermediary. The Designated Intermediary shall upload the application details along with the UPI ID on the Stock Exchange's bidding platform using appropriate protocols. Kindly note that in this case, the Application Amount will be blocked through the UPI Mechanism.

(d) A UPI Investor may also submit the Application Form for the Issue through BSE Direct/ NSE goBID, wherein the Application will be automatically uploaded onto the Stock Exchange's bidding platform and an amount equivalent to the Application Amount shall be blocked using the UPI Mechanism.

Upon receipt of the Application Form by the Designated Intermediaries, an acknowledgement shall be issued by the relevant Designated Intermediary, giving the counter foil of the Application Form to the Applicant as proof of having accepted the Application. Thereafter, the details of the Application shall be uploaded in the electronic system of the Stock Exchanges. Post which:

(a) ***for Applications other than under the UPI Mechanism*** - the Application Form shall be forwarded to the relevant branch of the SCSB, in the relevant Collection Center, named by such SCSB to accept such Applications from the Designated Intermediaries (a list of such branches is available at https://www.sebi.gov.in). Upon receipt of the Application Form, the relevant branch of the SCSB shall perform verification procedures including verification of the Applicant's signature with his bank records and check if sufficient funds equal to the Application Amount are available in the ASBA Account, as mentioned in the Application Form. **If sufficient funds are not available in the ASBA Account, the relevant Application Form is liable to be rejected.** If sufficient funds are available in the ASBA Account, the relevant branch of the SCSB shall block an amount equivalent to the Application Amount mentioned in the Application Form.

(b) ***for Applications under the UPI Mechanism*** – once the Application details have been entered in the bidding platform through Designated Intermediaries or BSE Direct/ NSE goBID, the Stock Exchanges shall undertake validation of the PAN and Demat account combination details of the Applicant with the Depository. The

Depository shall validate the PAN and Demat account details and send response to the Stock Exchanges which would be shared by the Stock Exchanges with the relevant Designated Intermediary through its platform, for corrections, if any. Post uploading of the Application details on the Stock Exchanges' platform, the Stock Exchanges shall send an SMS to the Applicant regarding submission of the Application. Post undertaking validation with the Depository, the Stock Exchanges shall, on a continuous basis, electronically share the bid details along with the Applicants UPI ID, with the Sponsor Bank appointed by the Issuer. The Sponsor Bank shall then initiate a UPI Mandate Request on the Applicant. The request raised by the Sponsor Bank, would be electronically received by the Applicant as an SMS or on the mobile app, associated with the UPI ID linked bank account. The Applicant shall then be required to authorise the UPI Mandate Request. Upon successful validation of block request by the Applicant, the information would be electronically received by the Applicants' bank, where the funds, equivalent to Application Amount, would get blocked in the Applicant's ASBA Account. The status of block request would also be shared with the Sponsor Bank, which in turn would be shared with the Stock Exchanges. The block request status would also be displayed on the Stock Exchange platform for information of the Designated Intermediaries.

The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/failure of this Issue or until withdrawal/ rejection of the Application Form, as the case may be.

Applicants must note that:

(a) Application Forms will be available with the Designated Branches of the SCSBs and with the Designated Intermediaries at the respective Collection Centres; and electronic Application Forms will be available on the websites of the SCSBs and the Stock Exchanges at least one day prior to the Issue Opening Date. Physical Application Forms will also be provided to the Trading Members of the Stock Exchanges at their request. The Application Forms would be serially numbered. Further, the SCSBs will ensure that the Offer Document is made available on their websites. The physical Application Form submitted to the Designated Intermediaries shall bear the stamp of the relevant Designated Intermediary. In the event the Application Form does not bear any stamp, the same shall be liable to be rejected.

(b) The Designated Branches of the SCSBs shall accept Application Forms directly from Applicants only during the Issue Period. The SCSBs shall not accept any Application Forms directly from Applicants after the closing time of acceptance of Applications on the Issue Closing Date. However, the relevant branches of the SCSBs at Specified Locations can accept Application Forms from the Designated Intermediaries, after the closing time of acceptance of Applications on the Issue Closing Date, if the Applications have been uploaded. For further information on the Issue programme, please see "*General Information – Issue Programme*" on page 40.

Physical Application Forms directly submitted to SCSBs should bear the stamp of SCSBs, if not, the same are liable to be rejected.

Please note that Applicants can make an Application for Allotment of NCDs in the dematerialised form only.

Please note in accordance with SEBI Master Circular instructions to investors for completing the application form as specified in Annex- II D of the aforesaid master circular shall be disclosed on the websites of the Issuer, Lead Manager and Consortium Members during the Issue Period and a copy of the Term Sheet shall be made available on the websites of Issuer, Lead Manager and Registrar to the Issue and a link for downloading the Term Sheet shall be provided in issue advertisement for the Issue.

Accordingly, a copy of the Term Sheet including instructions to investors for completing the application form shall be disclosed on the website of the Issuer, Lead Manager, Consortium Member(s) and the Registrar to the Issue.

- All Applicants should correctly mention the ASBA Account number and UPI ID in case applying through UPI Mechanism and ensure that funds equal to the Application Amount are available in the ASBA Account before submitting the Application Form to the Designated Branch and also ensure that the signature in the Application Form matches with the signature in Applicant's bank records, otherwise the Application is liable to be rejected.
- For Applicants, the Applications in physical mode should be submitted to the SCSBs or a member of the Syndicate or to the Trading Members of the stock exchanges (i.e., NSE and BSE) on the prescribed Application Form. SCSBs may provide the electronic mode for making Application either through an internet enabled banking facility or such other secured, electronically enabled mechanism for Application and blocking funds in the ASBA Account;
- Applicants should ensure that their Application Form is submitted either at a Designated Branch of a SCSB where the ASBA Account is maintained or with the Members of the Syndicate or Trading Members of the stock exchange(s) at the Specified Locations, and not directly to the escrow collecting banks (assuming that such bank is not a SCSB) or to the Issuer or the Registrar to the Issue.
- Applications through Syndicate ASBA, before submitting the physical Application Form to the Members of the Syndicate or Trading Members of the stock exchange(s), ensure that the SCSB where the ASBA Account, as specified in the ASBA Form, is maintained has named at-least one branch in that Specified Location for the Members of the Syndicate or Trading Members of the stock exchange(s), as the case may

be, to deposit ASBA Forms (A list of such branches is available at https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes)

- No separate receipts will be issued for the money payable on the submission of the Application Form. However, the Members of Consortium, Trading Members of the Stock Exchanges or the Designated Branches of the SCSBs, as the case may be, will acknowledge the receipt of the Application Forms by stamping and returning to the Applicants the Transaction Registration Slip ("TRS"). This TRS will serve as the duplicate of the Application Form for the records of the Applicant. Applicants must ensure that the requisite documents are attached to the Application Form prior to submission and receipt of acknowledgement from the Lead Manager, Trading Member of the Stock Exchanges or the Designated Branch of the SCSBs, as the case may be.
- Application Forms should bear the stamp of the Member of the Syndicate, Trading Member of the Stock Exchanges, Designated Intermediaries and/or Designated Branch of the SCSB. Application Forms which do not bear the stamp will be rejected.

The mode of allotment, PAN, demat account no. etc. should be captured by the relevant Designated Intermediaries in the data entries as such data entries will be considered for Allotment.

Applicants should note that neither the Members of Syndicate, Trading Member of the Stock Exchanges, Public Issue Account Banks nor Designated branches of SCSBs, as the case may be, will be liable for error in data entry due to incomplete or illegible Application Forms. The Issuer would allot the NCDs, as specified in the Offer Document for the Issue to all valid Applications, wherein the Applicants have not indicated their choice of the relevant option of NCDs.

B. Applicant's Beneficiary Account Details

Applicants must mention their DP ID, Client ID and UPI ID (wherever applicable) in the Application Form and ensure that the name provided in the Application Form is exactly the same as the name in which the Beneficiary Account is held. In case the Application Form is submitted in the first Applicant's name, it should be ensured that the Beneficiary Account is held in the same joint names and in the same sequence in which they appear in the Application Form. In case the DP ID, Client ID, PAN and UPI ID (wherever applicable) mentioned in the Application Form and entered into the electronic system of the Stock Exchanges do not match with the DP ID, Client ID, PAN and UPI ID (wherever applicable) available in the Depository database or in case PAN is not available in the Depository database, the Application Form is liable to be rejected. Further, Application Forms submitted by Applicants whose beneficiary accounts are inactive, will be rejected.

On the basis of the Demographic Details as appearing on the records of the DP, the Registrar to the Issue will take steps towards demat credit of NCDs. Hence, Applicants are advised to immediately update their Demographic Details as appearing on the records of the DP and ensure that they are true and correct, and carefully fill in their Beneficiary Account details in the Application Form. Failure to do so could result in delays in demat credit and neither the Issuer, Designated Intermediaries, SCSBs, Registrar to the Issue nor the Stock Exchanges will bear any responsibility or liability for the same.

In case of Applications made under power of attorney, the Issuer in its absolute discretion, reserves the right to permit the holder of power of attorney to request the Registrar that for the purpose of printing particulars on the Allotment Advice, the Demographic Details obtained from the Depository of the Applicant shall be used. By signing the Application Form, the Applicant would have deemed to have authorized the Depositories to provide, upon request, to the Registrar to the Issue, the required Demographic Details as available on its records. The Demographic Details given by Applicant in the Application Form would not be used for any other purpose by the Registrar to the Issue except in relation to this Issue. Allotment Advice would be mailed by speed post or registered post at the address of the Applicants as per the Demographic Details received from the Depositories. Applicants may note that delivery of Allotment Advice may get delayed if the same once sent to the address obtained from the Depositories are returned undelivered. Further, please note that any such delay shall be at such Applicants' sole risk and neither the Issuer, Registrar to the Issue, Public Issue Account Bank, Sponsor Bank nor the Lead Manager shall be liable to compensate the Applicant for any losses caused to the Applicants due to any such delay or liable to pay any interest for such delay. In case of refunds through electronic modes as detailed in the Offer Document, refunds may be delayed if bank particulars obtained from the Depository Participant are incorrect.

With effect from August 16, 2010, the beneficiary accounts of Applicants for whom PAN details have not been verified shall be suspended for credit and no credit of NCDs pursuant to this Issue will be made into the accounts of such Applicants. **Application Forms submitted by Applicants whose beneficiary accounts are inactive shall be rejected. Furthermore, in case no corresponding record is available with the**

Depositories, which matches the parameters, namely, DP ID, Client ID, PAN and UPI ID (wherever applicable), then such Application are liable to be rejected.

C. Unified Payments Interface (UPI)

Pursuant to the SEBI Master Circular, the UPI Mechanism is an applicable payment mechanism for public debt issues (in addition to the mechanism of blocking funds maintained with SCSBs under ASBA) for applications by retail individual bidders through Designated Intermediaries. All SCSBs offering the facility of making applications in public issues shall also provide the facility to make applications using UPI. The Issuer will be required to appoint one SCSB as a Sponsor Bank to act as a conduit between the Stock Exchanges and National Payments Corporation of India in order to facilitate the collection of requests and/or payment instructions of the investors.

D. Permanent Account Number

The Applicant should mention his or her Permanent Account Number allotted under the IT Act. For minor Applicants, applying through the guardian, it is mandatory to mention the PAN of the minor Applicant. In accordance with Circular No. MRD/DOP/Cir-05/2007 dated April 27, 2007 issued by SEBI, the PAN would be the sole identification number for the participants transacting in the securities market, irrespective of the amount of transaction. **Any Application Form, without the PAN is liable to be rejected, irrespective of the amount of transaction. It is to be specifically noted that the Applicants should not submit the GIR number instead of the PAN as the Application is liable to be rejected on this ground.**

However, Applications on behalf of the central or state government officials and the officials appointed by the courts in terms of a SEBI circular dated June 30, 2008 and Applicants residing in the state of Sikkim who in terms of a SEBI circular dated July 20, 2006 may be exempt from specifying their PAN for transacting in the securities market. The exemption for the central or state government and the officials appointed by the courts and for investors residing in the State of Sikkim is subject to the Depository Participants' verifying the veracity of such claims by collecting sufficient documentary evidence in support of their claims. At the time of ascertaining the validity of these Applications, the Registrar to the Issue will check under the Depository records for the appropriate description under the PAN field i.e. either Sikkim category or exempt category.

E. Joint Applications

Applications may be made in single or joint names (not exceeding three). In the case of joint Applications all interest / redemption amount payments will be made out in favour of the first Applicant. All communications will be addressed to the first named Applicant whose name appears in the Application Form and at the address mentioned therein. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form.

F. Additional/Multiple Applications

An Applicant is allowed to make one or more Applications for the NCDs for the same or other option of NCDs, subject to a minimum Application size as specified in the Offer Document and in multiples of thereafter as specified in the Offer Document. **Any Application for an amount below the aforesaid minimum Application size will be deemed as an invalid Application and shall be rejected**. However, multiple Applications by the same individual Applicant aggregating to a value exceeding ₹ 10 lakhs shall be deemed such individual Applicant to be an HNI Applicant and all such Applications shall be grouped in the HNI Portion, for the purpose of determining the Basis of Allotment to such Applicant. However, any Application made by any person in his individual capacity and an Application made by such person in his capacity as a Karta of a Hindu Undivided family and/or as Applicant (second or third Applicant), shall not be deemed to be a multiple Application. For the purposes of allotment of NCDs under this Issue, Applications shall be grouped based on the PAN, i.e., Applications under the same PAN shall be grouped together and treated as one Application. Two or more Applications will be deemed to be multiple Applications if the sole or first Applicant is one and the same. For the sake of clarity, two or more applications shall be deemed to be a multiple Application for the aforesaid purpose if the PAN number of the sole or the first Applicant is one and the same.

Do's and Don'ts

Applicants are advised to take note of the following while filling and submitting the Application Form:

Do's

1. Check if you are eligible to apply as per the terms of the Offer Document and applicable law, rules, regulations, guidelines and approvals.
2. Read all the instructions carefully and complete the Application Form in the prescribed form.
3. Ensure that you have obtained all necessary approvals from the relevant statutory and/or regulatory authorities to apply for, subscribe to and/or seek Allotment of NCDs pursuant to this Issue.
4. Ensure that the DP ID, the Client ID and the PAN mentioned in the Application Form, which shall be entered into the electronic system of the Stock Exchanges are correct and match with the DP ID, Client ID and PAN available in the Depository database. Ensure that the DP ID, Client ID, PAN and UPI ID (wherever applicable) are correct and the depository account is active as Allotment of the Equity Shares will be in dematerialized form only. The requirement for providing Depository Participant details is mandatory for all Applicants.
5. Ensure that you have mentioned the correct ASBA Account number (for all Applicants other than UPI Investors applying using the UPI Mechanism) in the Application Form. Further, UPI Investors using the UPI Mechanism must also mention their UPI ID.
6. UPI Investors applying using the UPI Mechanism shall ensure that the bank, with which they have their bank account, where the funds equivalent to the application amount are available for blocking, is certified by NPCI before submitting the ASBA Form to any of the Designated Intermediaries.
7. UPI Investors applying using the UPI Mechanism through the SCSBs and mobile applications shall ensure that the name of the bank appears in the list of SCSBs which are live on UPI, as displayed on the SEBI website. UPI Investors shall ensure that the name of the app and the UPI handle which is used for making the application appears on the list displayed on the SEBI website. An application made using incorrect UPI handle or using a bank account of an SCSB or bank which is not mentioned on the SEBI website is liable to be rejected.
8. Ensure that the Application Form is signed by the ASBA Account holder (or the UPI-linked bank account holder, as the case may be) in case the Applicant is not the ASBA account holder. Applicants (except UPI Investors making an Application using the UPI Mechanism) should ensure that they have an account with an SCSB and have mentioned the correct bank account number of that SCSB in the Application Form. UPI Investors applying using the UPI Mechanism should ensure that they have mentioned the correct UPI- linked bank account number and their correct UPI ID in the Application Form.
9. Ensure that you have funds equal to the Application Amount in the ASBA Account before submitting the Application Form to the respective Designated Branch of the SCSB, or to the Designated Intermediaries, as the case may be.
10. UPI Investors making an Application using the UPI Mechanism, should ensure that they approve the UPI Mandate Request generated by the Sponsor Bank to authorise blocking of funds equivalent to Application Amount and subsequent debit of funds in case of Allotment, in a timely manner.
11. UPI Investors making an Application using the UPI Mechanism shall ensure that details of the Application are reviewed and verified by opening the attachment in the UPI Mandate Request and then proceed to authorise the UPI Mandate Request using their UPI PIN. Upon the authorization of the mandate using their UPI PIN, the UPI Investor may be deemed to have verified the attachment containing the application details of the UPI Investor making and Application using the UPI Mechanism in the UPI Mandate Request and have agreed to block the entire Application Amount and authorized the Sponsor Bank to issue a request to block the Application Amount mentioned in the ASBA Form in their ASBA Account.
12. UPI Investors making an Application using the UPI Mechanism should mention valid UPI ID of only the Applicants (in case of single account) and of the first Applicant (in case of joint account) in the ASBA Form.
13. UPI Investors making an Application using the UPI Mechanism, who have revised their Application subsequent to making the initial Application, should also approve the revised UPI Mandate Request generated by the Sponsor Bank to authorise blocking of funds equivalent to the revised Application Amount in their account and in case of Allotment in a timely manner.
14. Ensure that the Application Forms are submitted at the Designated Branches of SCSBs or the Collection Centres provided in the Application Forms, bearing the stamp of the relevant Designated Intermediary/ Designated Branch of the SCSB.
15. Before submitting the Application Form with the Designated Intermediaries ensure that the SCSB, whose name has been filled in the Application Form, has named a branch in that relevant Collection Centre.
16. Ensure that you have been given an TRS and an acknowledgement as proof of having accepted the Application Form from the Designated Branch or the concerned Designated Intermediary or Trading Members of the stock exchange(s), as the case may be, for the submission of the Application Form.
17. Applicants may revise/ modify their Application details during the Issue Period, as allowed/permitted by the Stock Exchanges, by submitting a written request to the Designated Intermediary, as the case may be. However, for the purpose of Allotment, the date of original upload of the Application will be considered in case of such revision/modification. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic Application platform of the Stock Exchanges as per the procedures and requirements prescribed by each relevant Stock Exchanges, Applicants should ensure that they first

withdraw their original Application and submit a fresh Application. In such a case the date of the new Application will be considered for date priority for Allotment purposes

18. Ensure that signatures other than in the languages specified in the Eighth Schedule to the Constitution of India is attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal.
19. Ensure that you mention your PAN in the Application Form. In case of joint Applicants, the PAN of all the Applicants should be provided, and for HUFs, PAN of the HUF should be provided. Any Application Form without the PAN is liable to be rejected. Applicants should not submit the GIR Number instead of the PAN as the Application is liable to be rejected on this ground.
20. In case of an HUF applying through its Karta, the Applicant is required to specify the name of an Applicant in the Application Form as 'XYZ Hindu Undivided Family applying through PQR', where PQR is the name of the Karta. However, the PAN number of the HUF should be mentioned in the Application Form and not that of the Karta.
21. Ensure that the Applications are submitted to the Designated Intermediaries or Designated Branches of the SCSBs, as the case may be, before the closure of application hours on the Issue Closing Date.
22. Ensure that you have correctly signed the authorisation /undertaking box in the Application Form or have otherwise provided an authorisation to the SCSB or Sponsor Bank, as applicable, via the electronic mode, for blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the Application Form, as the case may be, at the time of submission of the Bid. In case of Retail Individual Investor submitting their Bids and participating in the Offer through the UPI Mechanism, ensure that you authorise the UPI Mandate Request raised by the Sponsor Bank for blocking of funds equivalent to Bid Amount and subsequent debit of funds in case of Allotment.
23. **Permanent Account Number:** Except for Application (i) on behalf of the central or state government and officials appointed by the courts, and (ii) (subject to SEBI circular dated April 3, 2008) from the residents of the state of Sikkim, each of the Applicants should provide their PAN. Application Forms in which the PAN is not provided will be rejected. The exemption for the central or state government and officials appointed by the courts and for investors residing in the state of Sikkim is subject to (a) the demographic details received from the respective depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in "active status"; and (b) in the case of residents of Sikkim, the address as per the demographic details evidencing the same..
24. Ensure that if the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form.
25. All Applicants should choose the relevant option in the column "Category of Investor" in the Application Form.
26. Choose and mark the option of NCDs in the Application Form that you wish to apply for.
27. Check if you are eligible to Apply under ASBA.
28. Retail individual investors using the UPI Mechanism to ensure that they submit bids up to the application value of ₹5,00,000 (or as stipulated by SEBI).
29. Read all the instructions carefully and complete the bid- cum-application form, as the case may be, in the prescribed form.
30. Guardians applying for minor applicants need to mention the PAN of the minor.
31. Ensure that the application form bears the stamp of the relevant designated intermediary(ies) to whom it is submitted.
32. In terms of SEBI Master Circular, SCSBs making applications on their own account using ASBA facility, should have a separate account in their own name with any other SEBI registered SCSB. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account.

SEBI Master Circular stipulates the time between closure of the Issue and listing at 3 (three) Working Days. In order to enable compliance with the above timelines, investors are advised to use ASBA facility only to make payment.

22. Do not submit a bid using UPI ID, if you are not a Retail Individual Investor.

Please also see "*Issue Procedure – Operational Instructions and Guidelines*" on page 100.

Kindly note that Applications submitted to the Designated Intermediaries will not be accepted if the SCSB where the ASBA Account, as specified in the Application Form, is maintained has not named at least one branch at that location for the Designated Intermediaries, to deposit such Application Forms (A list of such branches is available at https://www.sebi.gov.in).

Please see *"Issue Procedure – Rejection of Applications*" on page 116 for information on rejection of Applications.

TERMS OF PAYMENT

The Application Forms will be uploaded onto the electronic system of the Stock Exchanges and deposited with the relevant branch of the SCSB at the Collection Centres, named by such SCSB to accept such Applications from the Designated Intermediaries, as the case may be (a list of such branches is available at https://www.sebi.gov.in).

For Applications other than those under the UPI Mechanism, the relevant branch of the SCSB shall perform verification procedures and block an amount in the ASBA Account equal to the Application Amount specified in the Application. For Applications under the UPI Mechanism, i.e., upto ₹5 lakhs, the Stock Exchanges shall undertake validation of the PAN and Demat account combination details of the Applicant with the Depository. The Depository shall validate the PAN and Demat account details and send response to the Stock Exchanges which would be shared by the Stock Exchanges with the relevant Designated Intermediary through its platform, for corrections, if any. The blocking of funds in such case (not exceeding ₹5 lakhs) shall happen under the UPI Mechanism.

The entire Application Amount for the NCDs is payable on Application only. The relevant SCSB shall block an amount equivalent to the entire Application Amount in the ASBA Account at the time of upload of the Application Form. In case of Allotment of lesser number of NCDs than the number applied, the Registrar to the Issue shall instruct the SCSBs or the Sponsor Bank (as the case maybe) to unblock the excess amount in the ASBA Account.

For Applications submitted directly to the SCSBs, the relevant SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the Application, before entering the Application into the electronic system of the Stock Exchanges. SCSBs may provide the electronic mode of application either through an internet enabled application and banking facility or such other secured, electronically enabled mechanism for application and blocking of funds in the ASBA Account.

For Applications submitted under the UPI Mechanism, post the successful validation of the UPI Mandate Request by the Applicant, the information would be electronically received by the Applicants' bank, where the funds, equivalent to Application Amount, would get blocked in the Applicant's ASBA Account.

Applicants should ensure that they have funds equal to the Application Amount in the ASBA Account before submitting the Application. An Application where the corresponding ASBA Account does not have sufficient funds equal to the Application Amount at the time of blocking the ASBA Account is liable to be rejected.

A UPI Investor applying through the UPI Mechanism should ensure that, they check the relevant SMS generated for the UPI Mandate Request and all other steps required for successful blocking of funds in the UPI linked bank account, which includes accepting the UPI Mandate Request by 5:00 pm on the third Working Day from the day of bidding on the Stock Exchanges (except on the last day and the second to last day of the Issue Period, where the UPI Mandate Request shall be accepted by 5:00 pm of the Issue Closing Date.

The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of this Issue or until withdrawal/ rejection of the Application Form, as the case may be. Once the Basis of Allotment is approved, and upon receipt of intimation from the Registrar, the controlling branch of the SCSB shall, on the Designated Date, transfer such blocked amount from the ASBA Account to the Public Issue Account. The balance amount remaining after the finalisation of the Basis of Allotment shall be unblocked by the SCSBs or the Sponsor Bank (in case of Applications under the UPI Mechanism) on the basis of the instructions issued in this regard by the Registrar to the respective SCSB or the Sponsor Bank, within two Working Days of the Issue Closing Date. The Application Amount shall remain blocked in the ASBA Account until transfer of the Application Amount to the Public Issue Account, or until withdrawal/ failure of this Issue or until rejection of the Application, as the case may be.

SUBMISSION OF COMPLETED APPLICATION FORMS

Mode of Submission of Application Forms	To whom the Application Form has to be submitted
ASBA Applications	If using physical Application Form, (a) to the Designated Intermediaries at relevant Collection Centres, or (b) to the Designated Branches of the SCSBs where the ASBA Account is maintained; or If using electronic Application Form, to the SCSBs, electronically through internet banking facility, if available.
Applications under the UPI Mechanism	Through the Designated Intermediary, physically or electronically, as applicable; or Through BSE Direct/ NSE goBID.

No separate receipts will be issued for the Application Amount payable on submission of Application Form.

However, the Designated Intermediaries will acknowledge the receipt of the Application Forms by stamping the date and returning to the Applicants an Acknowledgement Slips which will serve as a duplicate Application Form for the records of the Applicant.

Electronic Registration of Applications

(a) The Designated Intermediaries and Designated Branches of the SCSBs, as the case may be, will register the Applications (including those under the UPI Mechanism) using the on-line facilities of the Stock Exchanges. **The Members of Syndicate, the Issuer and the Registrar to the Issue or the Lead Manager is not responsible for any acts, mistakes or errors or omission and commissions in relation to, (i) the Applications accepted by the SCSBs, (ii) the Applications uploaded by the SCSBs, (iii) the Applications accepted but not uploaded by the SCSBs, (iv) with respect to Applications accepted and uploaded by the SCSBs without blocking funds in the ASBA Accounts, (v) any Applications accepted and uploaded and/or not uploaded by the Trading Members of the Stock Exchanges or (vi) any Application made**

under the UPI Mechanism, accepted or uploaded or failed to be uploaded by a Designated Intermediary or through the app/web based interface of the Stock Exchanges and the corresponding failure for blocking of funds under the UPI Mechanism.

(b) In case of apparent data entry error by the Designated Intermediaries or Designated Branches of the SCSBs, as the case may be, in entering the Application Form number in their respective schedules other things remaining unchanged, the Application Form may be considered as valid and such exceptions may be recorded in minutes of the meeting submitted to the Designated Stock Exchange. However, the option, mode of allotment, PAN, demat account no. etc. should be captured by the relevant Designated Intermediaries or Designated Branches of the SCSBs in the data entries as such data entries will be considered for Allotment/rejection of Application.

(c) The Stock Exchanges will offer an electronic facility for registering Applications for this Issue. This facility will be available on the terminals of Designated Intermediaries and the SCSBs during the Issue Period. The Designated Intermediaries can also set up facilities for off-line electronic registration of Applications subject to the condition that they will subsequently upload the off-line data file into the on-line facilities for Applications on a regular basis, and before the expiry of the allocated time on this Issue Closing Date. On the Issue Closing Date, the Designated Intermediaries and the Designated Branches of the SCSBs shall upload the Applications till such time as may be permitted by the Stock Exchanges. This information will be available with the Designated Intermediaries and the Designated Branches of the SCSBs on a regular basis. Applicants are cautioned that a high inflow of high volumes on the last day of the Issue Period may lead to some Applications received on the last day not being uploaded and such Applications will not be considered for allocation. Based on the aggregate demand for Applications registered on the electronic facilities of the Stock Exchanges, a graphical representation of consolidated demand for the NCDs, as available on the websites of the Stock Exchanges, would be made available at the Application centres as provided in the Application Form during the Issue Period.

(d) With respect to Applications submitted directly to the SCSBs at the time of registering each Application, the Designated Branches of the SCSBs shall enter the requisite details of the Applicants in the on-line system including:

- Application Form number
- PAN (of the first Applicant, in case of more than one Applicant)
- Investor category and sub-category
- DP ID
- Client ID
- UPI ID (if applicable)
- Number of NCDs applied for
- Price per NCD
- Bank code for the SCSB where the ASBA Account is maintained
- Bank account number
- Location
- Application amount

(e) With respect to Applications submitted to the Designated Intermediaries, at the time of registering each Application, the requisite details of the Applicants shall be entered in the on-line system including:

- Application Form number
- PAN (of the first Applicant, in case of more than one Applicant)
- Investor category and sub-category
- DP ID
- Client ID
- UPI ID (if applicable)
- Number of NCDs applied for
- Price per NCD
- Bank code for the SCSB where the ASBA Account is maintained
- Bank account number
- Location
- Application amount

(f) A system generated acknowledgement (TRS) will be given to the Applicant as a proof of the registration of each Application. **It is the Applicant's responsibility to obtain the acknowledgement from the Designated Intermediaries and the Designated Branches of the SCSBs, as the case may be. The registration of the Application by the Designated Intermediaries and the Designated Branches of the SCSBs, as the case**

may be, does not guarantee that the NCDs shall be allocated/ Allotted by the Issuer. The acknowledgement will be non-negotiable and by itself will not create any obligation of any kind.

(g) **Applications can be rejected on the technical grounds listed below or if all required information is not provided or the Application Form is incomplete in any respect.** The permission given by the Stock Exchanges to use its network and software of the online system should not in any way be deemed or construed to mean that the compliance with various statutory and other requirements by the Issuer, the Lead Manager are cleared or approved by the Stock Exchanges; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the compliance with the statutory and other requirements nor does it take any responsibility for the financial or other soundness of the Issuer, the management or any scheme or project of the Issuer; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of the Offer Document; nor does it warrant that the NCDs will be listed or will continue to be listed on the Stock Exchanges.

(h) **Only Applications that are uploaded on the online system of the Stock Exchanges shall be considered for allocation/ Allotment**. The Designated Intermediaries and the Designated Branches of the SCSBs shall capture all data relevant for the purposes of finalizing the Basis of Allotment while uploading Application data in the electronic systems of the Stock Exchanges. In order that the data so captured is accurate the Designated Intermediaries and the Designated Branches of the SCSBs will be given up to one Working Day after the Issue Closing Date to modify/ verify certain selected fields uploaded in the online system during the Issue Period after which the data will be sent to the Registrar for reconciliation with the data available with the NSDL and CDSL.

REJECTION OF APPLICATIONS

Applications would be liable to be rejected on the technical grounds listed below or if all required information is not provided or the Application Form is incomplete in any respect. The Bond Issue Committee thereof, reserves its full, unqualified and absolute right to accept or reject any Application in whole or in part and in either case without assigning any reason thereof.

Application may be rejected on one or more technical grounds, including but not restricted to:

(a) Application by persons not competent to contract under the Indian Contract Act, 1872, as amended, (other than minors having valid Depository Account as per Demographic Details provided by Depositories);

For information on certain procedures to be carried out by the Registrar to the Issue for finalization of the Basis of Allotment, please see "*Information for Applicants*" below.

Information for Applicants

Upon the closure of the Issue, the Registrar to the Issue will reconcile the compiled data received from the Stock Exchanges and all SCSBs and match the same with the Depository database for correctness of DP ID, Client ID, UPI ID (where applicable) and PAN. The Registrar to the Issue will undertake technical rejections based on the electronic details and the Depository database and prepare list of technical rejection cases. In case of any discrepancy between the electronic data and the Depository records, the Issuer, in consultation with the Designated Stock Exchange, the Lead Manager and the Registrar to the Issue, reserves the right to proceed as per the Depository records for such Applications or treat such Applications as rejected.

Based on the information provided by the Depositories, the Issuer shall have the right to accept Applications belonging to an account for the benefit of a minor (under guardianship).

In case of Applications for a higher number of NCDs than specified for that category of Applicant, only the maximum amount permissible for such category of Applicant will be considered for Allotment.

Retention of oversubscription/Green Shoe Option

The Issuer shall have the option to retain over- subscription up to the Issue limit.

Basis of Allotment for NCDs

The Registrar to the Issuer will aggregate the Applications based on the Applications received through an electronic book from the Stock Exchanges and determine the valid Applications for the purpose of drawing the Basis of Allotment. Grouping of the Applications received will be then done in the following manner:

Grouping of Applications and allocation ratio

For the purposes of the basis of allotment:

A. *Applications received from Category I Applicants:* Applications received from Applicants belonging to Category I shall be grouped together, **("Institutional Portion")**;
B. *Applications received from Category II Applicants:* Applications received from Applicants belonging to Category II, shall be grouped together, **("Non-Institutional Portion")**.
C. *Applications received from Category III Applicants:* Applications received from Applicants belonging to Category III shall be grouped together, **("High Net Worth Individual Investors Portion")**.
D. *Applications received from Category IV Applicants:* Applications received from Applicants belonging to Category IV shall be grouped together, **("Retail Individual Investors Portion")**.

For removal of doubt, the terms "**Institutional Portion**", "**Non-Institutional Portion**", "**High Net Worth Individual Investors Portion**" and "**Retail Individual Investors Portion**" are individually referred to as "**Portion"** and collectively referred to as **"Portions"**.

For the purposes of determining the number of NCDs available for allocation to each of the abovementioned Portions, the Issuer shall have the discretion of determining the number of NCDs to be allotted over and above the Base Issue, in case the Issuer opts to retain any oversubscription in the Issue up to an amount specified under the Offer Document. The aggregate value of NCDs decided to be allotted over and above the Base Issue Size, (in case the Issuer opts to retain any oversubscription in Issue), and/or the aggregate value of NCDs upto the Base Issue Size shall be collectively termed in the Offer Document.

Allocation Ratio:

Particulars	Category I	Category II	Category III	Category IV
% of the Issue size	[●]%	[●]%	[●]%	[●]%
Base Issue Size in amount (₹ in crore)	[●]	[●]	[●]	[●]
Total Issue Size in amount (₹ in crore)	[●]	[●]	[●]	[●]

(a) *Allotments in the first instance:*

(i) Applicants belonging to the Institutional Portion, in the first instance, will be allocated NCDs up to [●] of Issue Size on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchanges;
(ii) Applicants belonging to the Non-Institutional Portion, in the first instance, will be allocated NCDs up to [●] of Issue Size on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchanges;
(iii) Applicants belonging to the High Net Worth Individual Investors Portion, in the first instance, will be allocated NCDs up to [●] of Issue Size on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchanges;
(iv) Applicants belonging to the Retail Individual Investors Portion, in the first instance, will be allocated NCDs up to [●] of Issue Size on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchanges.

As per the SEBI Master Circular, the allotment in this Issue is required to be made on date priority basis i.e., on first-come first-serve basis, based on the date of upload of each application into the electronic book of the Stock Exchanges, in each Portion subject to Allocation Ratio. However, from the date of oversubscription and thereafter, the allotments will be made to the applicants on proportionate basis.

Under Subscription

(a) If there is any under subscription in any Portion(s), priority in Allotments to other Portion(s) will be first to the Retail Individual Investors Portion, and balance, if any, shall be first made to applicants of the High Net Worth Individual Investors Portion, then to Non Institutional Portion, followed by the Institutional Portion on a first come first serve basis. If there is under subscription in the overall Issue Size, all valid Applications received till the end of last day of the Issue Closure shall be grouped together in each Portion and full and firm Allotments will be made to all valid Applications in each Portion.

(b) For each Category, all Applications uploaded on the same day onto the electronic platform of the Stock Exchanges would be treated at par with each other. Allotment would be on proportionate basis, where applications uploaded into the platform of the Stock Exchanges exceeds NCDs to be Allotted for each portion respectively from the date of oversubscription and thereafter.

(c) Minimum Allotments of 10 NCD and in multiples of 1 NCD thereafter would be made in case of each valid Application to all Applicants.

Allotments in case of oversubscription

In case of an oversubscription of the overall Issue, for the purpose of allotment oversubscription will considered Portion wise and allotments to the maximum extent, as possible, will be made on date priority basis i.e. on first-come first-serve basis, based on the date of upload of each application into the electronic book of the Stock Exchanges, in each Portion subject to Allocation Ratio, i.e. full allotment of the NCDs to the Applicants on a first come first basis up to the date falling 1 (one) day prior to the date of oversubscription and thereafter proportionate allotment of NCDs to the applicants from the date of oversubscription (based on the date of upload of each Application on the electronic platform of the Stock Exchanges, in each Portion) up to the last day of the Issue Period.

For the purpose of clarity, in case of oversubscription please see the below indicative scenarios:

a. In case of an oversubscription in all Portions resulting in an oversubscription in the Issue Size, Allotments to the maximum permissible limit, as possible, will be made on a first-come first serve basis and thereafter on proportionate basis, i.e. full allotment of the NCDs to the Applicants on a first come first serve basis up to the date falling 1 (one) day prior to the date of oversubscription to respective Portion and proportionate allotment of NCDs to the Applicants from the date of oversubscription in respective Portion (based on the date of upload of each Application on the electronic platform of the Stock Exchanges in each Portion).

b. In case there is oversubscription in Issue Size, however there is under subscription in one or more Portion(s), Allotments will be made in the following order:

   i. All valid Applications in the undersubscribed Portion(s) uploaded on the electronic platform of the Stock Exchanges till the end of the last day of the Issue Period, shall receive full and firm allotment.

   ii. In case of Portion(s) that are oversubscribed, allotment shall be made to valid Applications received on a first come first serve basis, based on the date of upload of each Application into the electronic platform of the Stock Exchanges. Priority for allocation of the remaining undersubscribed Portion(s) shall be given day wise Applications received in the Retail Individual Investors Portion followed by High Net Worth Individual Investors Portion, next Non-Institutional Portion and lastly Institutional Portion each according to the day of upload of Applications to the Electronic Book with Stock

Exchanges during the Issue period.

iii. For the sake of clarity, once full and firm allotment has been made to all the valid Applications in the undersubscribed portion, the remaining balance in the undersubscribed Portion will be Allocated to the oversubscribed Portion(s) and proportionate allotments shall be made to all valid Applications in the oversubscribed Portion(s) uploaded on the date of oversubscription and thereafter on the remaining days of the Issue Period.

In case of an oversubscription of the overall Issue and where any Portion(s) gets oversubscribed on the first day of the Issue, all valid applications in such Portion(s) uploaded on the electronic platform of the Stock Exchanges till the end of the last day of the Issue Period, shall get proportional allotment.

Proportionate Allotments:

For each portion, from the date of oversubscription and thereafter:

(1) Allotments to the Applicants shall be made in proportion to their respective Application size, rounded off to the nearest integer.

(2) If the process of rounding off to the nearest integer results in the actual allocation of NCDs being higher than the Issue size, not all Applicants will be allotted the number of NCDs arrived at after such rounding off. Rather, each Applicant whose Allotment size, prior to rounding off, had the highest decimal point would be given preference.

(3) In the event, there are more than one Applicant whose entitlement remain equal after the manner of distribution referred to above, the Issuer will ensure that the basis of allotment is finalised by draw of lots in a fair and equitable manner.

Unblocking of funds

The Registrar shall instruct the relevant SCSB to unblock the funds in the relevant ASBA Account for withdrawn, rejected or unsuccessful or partially successful ASBA Applications within the applicable regulatory timelines.
In case of ASBA Applications submitted to the SCSBs, in terms of the RTA Master Circular, the Registrar to the Issue will reconcile the compiled data received from the Stock Exchanges and all SCSBs and match the same with the Depository database for correctness of DP ID, Client ID and PAN. The Registrar to the Issue will undertake technical rejections based on the electronic details and the Depository database. In case of any discrepancy between the electronic data and the Depository records, the Issuer, in consultation with the Designated Stock Exchange, the Lead Manager and the Registrar to the Issue, reserves the right to proceed as per the Depository records for such ASBA Applications or treat such ASBA Applications as rejected. In case of Applicants submitted to the Lead Manager, Consortium Members and Trading Members of the Stock Exchanges at the Specified Cities, the basis of allotment will be based on the Registrar's validation of the electronic details with the Depository records, and the complete reconciliation of the final certificates received from the SCSBs with the electronic details in terms of the SEBI circular CIR/CFD/DIL/1/2011 dated April 29, 2011. The Registrar to the Issue will undertake technical rejections based on the electronic details and the Depository database. In case of any discrepancy between the electronic data and the Depository records, the Issuer, in consultation with the Designated Stock Exchange, the Lead Manager and the Registrar to the Issue, reserves the right to proceed as per Depository records or treat such ASBA Application as rejected. Based on the information provided by the Depositories, the Issuer shall have the right to accept Applications belonging to an account for the benefit of a minor (under guardianship). In case of Applications for a higher number of NCDs than specified for that category of Applicant, only the maximum amount permissible for such category of Applicant will be considered for Allotment.

Mode of making refunds

The Registrar to the Issue shall instruct the relevant SCSB or in case of Bids by Retail Individual Investors applying through the UPI Mechanism to the Sponsor Bank, to revoke the mandate and to unblock the funds in the relevant ASBA Account to the extent of the Application Amount specified in the Application Forms for withdrawn, rejected or unsuccessful or partially successful Applications within two Working Days of the Issue Closing Date.

The Issuer and the Registrar to the Issue shall credit the allotted NCDs to the respective beneficiary accounts/ dispatch the Letters of Allotment or letters of regret by registered post/speed post at the Applicant's sole risk, within twoWorking Days from the Issue Closing Date. We may enter into an arrangement with one or more banks in one or more cities for refund to the account of the applicants through Direct Credit/RTGS/NEFT/NACH.

Further,
a) Allotment of NCDs in this Issue shall be made within the time period stipulated by SEBI;
b) Credit to dematerialised accounts will be given within one Working Day from the Date of Allotment;

c) Interest at a rate of 15% per annum will be paid if the Allotment has not been made and/or the refund effected for the delay beyond two Working Days; and
d) The Issuer will provide adequate funds to the Registrar to the Issue for this purpose

ISSUANCE OF ALLOTMENT ADVICE

The Issuer shall ensure dispatch of Allotment Advice and give instructions for credit of NCDs to the beneficiary account with Depository Participants upon approval of Basis of Allotment. The Allotment Advice for successful Applicants will be mailed by ordinary post to their addresses as per the Demographic Details received from the Depositories.

The Issuer shall use best efforts to ensure that all steps for completion of the necessary formalities for commencement of trading at the Stock Exchanges where the NCDs are proposed to be listed are taken to ensure listing within 3 (three) Working Days from the Issue Closing Date.

Allotment Advices shall be issued or Application Amount shall be unblocked within prescribed timelines, failing which interest shall be due to be paid to the applicants at the rate of 15% per annum for the delayed period.

The Issuer will provide adequate funds required for dispatch of Allotment Advice to the Registrar to the Issue.

OTHER INFORMATION

Withdrawal of Applications during the Issue Period

Applicants can withdraw their Applications until the Issue Closing Date. In case an Applicant wishes to withdraw the Application during the Issue Period, the same can be done by submitting a request for the same to the concerned Designated Intermediary who shall do the requisite.

In case of Applications (other than under the UPI Mechanism) were submitted to the Designated Intermediaries, upon receipt of the request for withdrawal from the Applicant, the relevant Designated Intermediary, as the case may be, shall do the requisite, including deletion of details of the withdrawn Application Form from the electronic system of the Stock Exchanges and intimating the Designated Branch of the SCSB to unblock of the funds blocked in the ASBA Account at the time of making the Application. In case of Applications (other than under the UPI Mechanism) submitted directly to the Designated Branch of the SCSB, upon receipt of the request for withdraw from the Applicant, the relevant Designated Branch shall do the requisite, including deletion of details of the withdrawn Application Form from the electronic system of the Stock Exchanges and unblocking of the funds in the ASBA Account, directly.

Revision of Applications

As per the notice No: 20120831-22 dated August 31, 2012 issued by the BSE and notice no. NSE/CML/2012/0672 dated August 07, 2012 issued by NSE, cancellation of one or more orders (series) within an Application is permitted during the Issue Period as long as the total order quantity does not fall under the minimum quantity required for a single Application. Please note that in case of cancellation of one or more orders (series) within an Application, leading to total order quantity falling under the minimum quantity required for a single Application will be liable for rejection by the Registrar.

Applicants may revise/ modify their Application details during the Issue Period, as allowed/permitted by the Stock Exchanges, by submitting a written request to the Designated Intermediary and the Designated Branch of the SCSBs, as the case may be. For Applications made under the UPI Mechanism, an Applicant shall not be allowed to add or modify the details of the Application except for modification of either DP ID/Client ID, or PAN ID but not both. However, the Applicant may withdraw the Application and reapply.

However, for the purpose of Allotment, the date of original upload of the Application will be considered in case of such revision/ modification. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic Application platform of the Stock Exchanges as per the procedures and requirements prescribed by the Stock Exchanges, Applicants should ensure that they first withdraw their original Application and submit a fresh Application. In such a case the date of the new Application will be considered for date priority for Allotment purposes.

Revision of Applications is not permitted after the expiry of the time for acceptance of Application Forms on the Issue Closing Date. However, in order that the data so captured is accurate, the Designated Intermediaries and/ or the Designated Branches of the SCSBs will be given up to 5:00 p.m. on the Issue Closing Date to modify/ verify certain selected fields uploaded in the online system during the Issue Period, after which the data will be sent to the Registrar

for reconciliation with the data available with the NSDL and CDSL. Please also see, "*Issue Procedure – Operational Instructions and Guidelines - Modification and cancellation of orders*" on page 100.

Depository Arrangements

We have made depository arrangements with NSDL and CDSL. Please note that Tripartite Agreements have been executed between the Issuer, the Registrar and both the depositories.

As per the provisions of the Depositories Act, 1996, the NCDs issued by us can be held in a dematerialised form.

In this context:

(i) Tripartite agreement dated October 28, 2025 among the Issuer, the Registrar and NSDL and tripartite agreement dated October 28, 2025among the Issuer, the Registrar and CDSL, respectively for offering depository option to the investors.
(ii) An Applicant must have at least one beneficiary account with any of the Depository Participants (DPs) of NSDL or CDSL prior to making the Application.
(iii) The Applicant must necessarily provide the DP ID and Client ID details in the Application Form.
(iv) NCDs Allotted to an Applicant in the electronic form will be credited directly to the Applicant's respective beneficiary account(s) with the DP.
(v) Non-transferable Allotment Advice will be directly sent to the Applicant by the Registrar to this Issue.
(vi) It may be noted that NCDs in electronic form can be traded only on the Stock Exchanges having electronic connectivity with NSDL or CDSL. The Stock Exchanges has connectivity with NSDL and CDSL.
(vii) Interest or other benefits with respect to the NCDs held in dematerialised form would be paid to those Debenture Holders whose names appear on the list of beneficial owners given by the Depositories to us as on Record Date. In case of those NCDs for which the beneficial owner is not identified by the Depository as on the Record Date/ book closure date, we would keep in abeyance the payment of interest or other benefits, till such time that the beneficial owner is identified by the Depository and conveyed to us, whereupon the interest or benefits will be paid to the beneficiaries, as identified, within a period of 30 days.

Allottees will have the option to rematerialize the NCDs/STRPPs allotted under this Issue as per the provisions of the SEBI ILMDS Regulations and the Depositories Act.

Please note that the NCDs shall cease to trade from the Record Date (for payment of the principal amount and the applicable premium and interest for such NCDs) prior to redemption of the NCDs.

PLEASE NOTE THAT TRADING OF STRPPs ON THE FLOOR OF THE STOCK EXCHANGES SHALL BE IN DEMATERIALISED FORM ONLY IN MULTIPLE OF ONE STRPP.

Communications

Dear Sir/Madam,

1. We have examined the financial information comprising the abridged balance sheet, income and expenditure statements and cash flow statements as at and for the financial years ended March 31, 2025, March 31, 2024 and March 31, 2023 (collectively, the "**Financial Information**") of Nashik Municipal Corporation (the "**Issuer**") annexed to this report for the purpose of inclusion in the Draft Offer Document and the Offer Document to be filed by the Issuer with the Securities and Exchange Board of India ("**SEBI**"), BSE and NSE where the Green Bonds are proposed to be listed ("**Stock Exchanges**") for public issue by the Issuer of up to 20,00,000 listed, rated, unsecured, non-convertible, redeemable, taxable green bonds in the nature of debentures of the aggregate face value of Rs. 1,000/- (Rupees one thousand only) each ("**Green Bonds**"/ "**NCDs**"/ "**Debentures**"), (Comprising of 8 (Eight) Separately Transferable and Redeemable Principal Parts ("**STRPPs**") (namely STRPP A of face value of ₹ 125/-, STRPP B of face value of ₹ 125/-, STRPP C of face value of ₹ 125/-, STRPP D of face value of ₹ 125/-, STRPP E of face value of ₹ 125/-, STRPP F of face value of ₹ 125/-, STRPP G of face value of ₹ 125/-, STRPP H of face value of ₹ 125/-) for an amount of ₹ 100 crores (Rupees Hundred Crores Only) ("**Base Issue Size**") with an option to retain oversubscription up to ₹ 100 crores (Rupees Hundred Crores Only) ("**Green Shoe Option**") aggregating up to ₹ 200 crores (Rupees Two Hundred Crores Only) ("**Issue**") under Securities and Exchange Board of India (Issue and Listing of Municipal Debt Securities) Regulation, 2015, as amended from time to time.

   We have examined the attached Financial Information comprising of Abridged Balance Sheets, Income & Expenditure Statements and Cash Flow Statements for the year ended March 31, 2023, March 31, 2024 and March 31, 2025 (collectively, the **'Financial Information')** prepared and approved by the management of Issuer in terms of the requirements of the proposed Issue and prepared in accordance with:

a) Securities and Exchange Board of India (Issue and Listing of Municipal Debt Securities) Regulations, 2015, as amended from time to time ("**Regulations**");
b) The National Municipal Account Manual (NMAM);
c) The Maharashtra Municipal Corporations Act, 1949 ("**Act**") and the rules framed thereunder;
d) The guidance notes issued from time to time by the Institute of Chartered Accountants of India ("**ICAI**"), as amended from time to time (the "**Guidance Notes**")

   It may be noted that, Nashik Municipal Corporation (NMC) had restated the financial statements for FY 2022-2023, FY 2023-2024 & FY 2024-2025 after (i) adopting corrective steps with respect to qualifications/observations/remarks of the auditors on the audited financial statements and (ii) incorporating adjustments in accordance with the guidelines prescribed under the National Municipal Accounting Manual ("NMAM") and accordingly prepared the restated financial statements for FY 2022-2023, FY 2023-2024, FY 2024-2025 ("**Restated Audited Financial Statements**"), in order to ensure enhanced presentation and financial transparency.

   The Financial Statements for the financial years ended March 31, 2023, March 31, 2024 & March 31, 2025 were initially audited by the Auditor pursuant to the audit reports dated July 31, 2024, April 15, 2025 and July 31, 2025, respectively in which the Auditor has reported certain qualifications/observations/remarks. Subsequently, the Corporation has undertaken corrective steps to address certain qualifications/observations/remarks of the Auditor.

   For the purposes of the present issuance, the Corporation has prepared & approved the Restated Audited Financial Statements for the financial years ended March 31, 2023, March 31, 2024 & March 31, 2025, which are based on the audited financial statements referred in above paragraph and incorporates requisite changes considering corrective steps with respect to qualifications/observations/remarks of the Auditor, to the extent possible & includes adjustments in accordance with the guidelines prescribed under the National Municipal Accounting Manual ("**NMAM**"). These

adjustments are undertaken to ensure consistent accounting treatment as per the accounting policies and grouping/classification to be followed, to the extent possible. The Restated Audited Financial Statements of the Issuer have been audited by the Auditor pursuant to the restated audit reports dated September 15, 2025, September 17, 2025 and September 19, 2025 respectively ("**Restated Audit Reports**").

The Financial Information has been sourced from the Restated Audited Financial Statements of the Issuer comprising of Restated Balance Sheets, Restated Income & Expenditure Statements and Restated Cash Flow Statements for the financial years ended March 31, 2023, March 31, 2024, March 31, 2025, audited by the Auditor pursuant to the Restated Audit Reports dated September 15, 2025, September 17, 2025 and September 19, 2025, respectively.

Management Responsibility

2. The management of the Issuer is responsible for the preparation of the financial information that gives a true and fair view of the financial position and financial performance of the Issuer, for the purpose of inclusion in the Draft Offer Document/ Offer Document to be filed with Securities and Exchange Board of India, Stock Exchange(s), and or any other statutory/regulatory authority in relation to the Issue. The management of the Issuer's responsibility includes the designing, implementation, and maintenance of the internal control relevant to the preparation and presentations of the financial information that give a true and fair view and are free from material mis-statements, whether due to fraud or error.

Notes:

1. *The Municipal Fund has increased during FY 2024–25 primarily due to the transfer of excess of income over expenditure for the year.*
2. *During FY 2024–25, the Provision amount has increased compared to FY 2023–24, primarily due to year on year rise in provision of FSI (Floor Space Index) premium dues payable to the Government.*
3. *During FY 2023–24, investments in General Fixed Deposits (FDRs) declined as compared to FY 2022–23, primarily due to their utilization for the Corporation's general purposes. Further, in FY 2024–25, investments under the General Fund decreased vis-à-vis FY 2023–24, mainly owing to a reduction in FDRsof ₹60 crore transferred and set aside as a fixed deposit under the 'Other Fund' for the specific purpose of the Nashik Sinhasth Kumbhmela.*
4. *The increase in Investments in Other Funds is primarily on account of allocations made to specific earmarked funds such as the Defined Contribution Pension Fund, Development Fund, Fire Fund, Tree Fund, Building Depreciation Fund, and Machine Depreciation Fund. These funds represent amounts collected and set aside by the Corporation for meeting future committed or planned expenditures*
5. *In FY 2023–24, Building Plan Management System (BPMS) receipts were collected and were parked under the head of Sundry Debtors for which income was not recognized due to pending for reconciliation up-to FY 2023-24. Later on, in FY 2024-25 majority of Challans were reconciled and recognized as income.*
6. *The increase in Cash and Bank Balances is primarily attributable to operational surplus during the reporting period and receipt of specific grants during the period which were not fully utilized by the end reporting period.*

Notes:

7. *During FY 2022–23, Local Body Tax (LBT) Income and Road Damage Charges were accounted for under Tax Revenue. However, in subsequent financial years, these items were reclassified under Fees and User Charges to ensure accurate accounting presentation. This reclassification has resulted in a notional decline in reported Tax Revenue for the following years, without affecting the overall revenue position.*
8. *The decrease in rent income is primarily attributable to the revision in rental rates pursuant to Gazette Notification No. MAHBIL/2009/37831 dated 06th November 2023, which was made effective retrospectively from 13th September 2019. Consequently, rent collections from tenants were reduced during the year due to adjustments made for excess rentals received in prior periods.*
9. *In FY 2023–24, Building Plan Management System (BPMS) receipts were collected and were parked under the head of Sundry Debtors for which income was not recognized due to pending for reconciliation up to FY 2023-24. Later on, in FY 2024-25 majority of Challans were reconciled and recognized as income and hence there an increase in the fees & user charge in FY 2024-25.*
10. *The Corporation receives several revenue grants from Government and other agencies towards various operational and developmental purposes. Such grants are recognized as income upon actual receipt, in accordance with the applicable accounting policies. During the year, there has been a year-on-year decline in revenue grants received, primarily attributable to variations in sanctioning and disbursement patterns by the respective funding authorities.*
11. *The income from investments in FY 2023-24 has increased, primarily due to the Corporation's policy shift from maintaining idle funds in bank accounts to investing surplus funds in Sweep Deposits and Fixed Deposits. This strategic change, combined with higher interest rates offered by banks during the year, has resulted in improved interest earnings.*
12. *Administrative expenses reduced in FY 2023–24, primarily because of City Survey-related expenses that were incurred during FY 2022–23 and FY 2024–25.*
13. *During FY 2023–24, Repairs and Maintenance expenses increased compared to FY 2022–23, primarily due to higher expenditure on road repairs and enhanced spending on building maintenance, particularly for Anganwadi school facilities.*

III. Status of reforms with respect to e-governance, cost recovery on water supply & Solid Waste Management (SWM), property tax, double entry accounting and others, as specified by MoUD and authorities concerned

Status of reforms with respect to e-governance, water supply & Solid Waste Management (SWM), property tax, double entry accounting and others, as per guidelines laid by MoUD and authorities concerned:-

i) Reforms on E-Governance:

- NMC provides an integrated e-Governance platform that serves as a unified digital interface for citizens, enabling them to access various services online. Through this platform, users can pay property and water taxes, obtain or correct birth and death certificates, apply for marriage registration certificates, make hospital registrations, register bio medical waste, request for new water connections or transfer an existing one, among other civic services.
- The Issuer has a mobile app titled "**NMC e-Connect**" through which citizens can make property and water tax payments, seek grievance redressal, obtain emergency contact numbers as well as contact information of NMC officials.
- NMC has set up multiple **e-Suvidha Kendras** or **Citizen Facilitation Centers** across Nashik city to promote digital inclusion by providing citizens an entire gamut of services such as birth and death certificate registration, hospital registration, bio medical waste registration, building completion certificate, etc., reducing the need to visit municipal offices.
- The Issuer has the following apps for the benefit of its citizens:
    - "**Smart Street Light Complaint**" for e-registration of complaints regarding malfunctioning streetlights.
    - "**CITILINC**" which is an app for Nashik city bus service where commuters can book tickets,

register grievances, give feedback and suggestions, etc.

- NMC has various digital platforms for services such as "**Building Plan Management System**" for automated building permission, repairs, redevelopment, etc.; an e-platform for seeking festival-related permissions; a platform for various garden-related services such as tree cutting, tree trimming, videography and photography, visits and grievances; the Godavari River conservation cell for monitoring conservation activities; and "**Work Updates**" which provides real-time information on departmental works across NMC.
- The Issuer has developed a robust grievance redressal system with multiple channels, including the NMC e-connect app, a helpline number and an online portal. The system operates on an automated escalation matrix which ensures that unresolved complaints are promptly escalated, thereby strengthening accountability and boosting public confidence in governance.

ii) Solid Waste Management

- NMC has implemented door-to-door collection of segregated Municipal Solid Waste ("**MSW**") from each household, ensuring its systematic transportation to various composting plants across the city. This initiative maximises recycling and recovery of products while significantly reducing landfill waste.
- The Issuer operates self-propelled CNG fuel fired mechanical Road Sweepers for the purpose of cleaning roads, main carriageways, service roads, back lanes, flyovers and other open public places or grounds in the service areas of NMC. Further, each of these sweeping machines are equipped with GPS devices and both front and rear cameras.
- NMC has set up a Construction and Demolition ("**C&D**") Waste Processing Plant where C&D waste is collected, transported, recycled, processed and disposed.
- NMC conducts a door-to-door awareness campaign under Swachh Survekshan Abhiyan to educate citizens on waste segregation and proper sanitation practices. The Corporation has also installed vending machines across the city for collection and disposal of plastic waste.

- NMC invited proposals for redevelopment of the Godavari riverfront from Trimbakeshwar to Nashik, with the objective of creating sustainable, culturally rooted, and innovative solutions for heritage conservation, river rejuvenation, and enhanced public amenities.
- The Corporation held various competitions under Swachhta Harit Kumbh in March, 2025, some of which include:
    - Plastic waste collection and awareness competition for schools
    - Waste to Best Spardha (3R- Reduce, Reuse, Recycle)
    - Best home composting and onsite waste processing competition

iii) Property Tax Reforms:

With the efforts made by the NMC, the total collection of property tax, which is one of the main sources of revenue, has increased from to Rs. 153.38 crores in FY 2022-2023 to Rs. 162.31 crores in FY 2023-2024 and to Rs. 182.65 crores in FY 2024-2025.

The various initiatives taken by the Issuer to increase the property tax are as under:

- NMC offers an easy and convenient facility for online payment of property tax through its official website. This encourages transparency, efficiency and user convenience.
- The Issuer has outsourced the assessment of new properties for property tax to enhance accuracy, broaden coverage of newly constructed properties in Nashik, streamline assessment process and boost revenue collections.
- NMC has implemented GIS-based tagging of properties along with regular updates and digitization in GIS software, reducing record duplication and errors, increased property tax collection, and enhancing transparency as well as operational efficiency.
- The Corporation has implemented an Amnesty scheme which offers taxpayers a waiver on property tax penalties, which is aimed at clearing arrears and boosting revenue collection.
- NMC has appointed three agencies for collection of information on properties, the preparation and distribution of bills, and other incidental works. This initiative is aimed at improving accuracy in records, streamlining billing processes, and ensuring efficient service delivery to citizens.
- The Issuer has developed Miscellaneous Tax Receipt Software to digitize and track small revenue collections such as penalties, fines, and minor service fees, enabling real-time tracking, instant digital receipts, reduced manual errors, greater transparency, and improved efficiency in financial operations.

iv) Double Entry Accounting Reforms:

The following steps have been implemented towards double entry accounting system by way of improvements in the back-office system:

- NMC has implemented Accrual-Based Double Entry Accounting System and National Municipal Accounting Manual and maintains its books of accounts under it.
- The Issuer has engaged a professional consultancy firm to assist it in Accrual-Based Double Entry Accounting System, National Municipal Accounting Manual including asset accounting, inventory management system as well as staff training.

v) Reforms on Cost Recovery of Water Supply

- NMC has launched an online portal to facilitate convenient and secure payment of water charges.
- The Issuer has appointed an agency to prepare and manage a comprehensive database for water meter readings, spot billing, user charge collection, and to enhance the coverage of water connections.

VI. Sufficient revenue generation and resources for timely servicing and redemption

The Bonds issued are proposed for servicing through a Structured Payment Mechanism. Under the Structured Payment Mechanism all funds deposited on account of own revenues/cash flows that shall be collected (Collection Accounts(s)) shall be transferred to a separate no-lien Escrow Account for debt servicing.

In order to ensure timely servicing and redemption, the Issuer shall establish 2 (Two) accounts solely for the purpose of servicing the debt. The Interest Payment Account-II shall be established with a deposit such that at any point of time the Interest Payment Account holds an amount equivalent to annual interest payments for bonds in the form of DSRA. Further, the monthly amounts shall be deposited in interest payment account for half yearly payments of interest obligations. To ensure adequacy of funds for redemption of the Bonds, a Sinking Fund Account shall be opened where amounts shall be deposited on monthly basis for redemption of the principal amounts of the Debentures. There is sufficient revenue generation/collection from Own Revenues/cash flows for timely servicing and redemption. The total Revenue from Own Revenues is approximately ₹846.70 Crores (Financial Year 2024-2025), ₹ 670.29 Crores (Financial Year 2023-2024) and ₹ 781.12 Crores (Financial Year 2022-2023).

VII. Issue Estimated Scenarios of Asset Liability Mismatches

As there is sufficient tax collection based on past year's data and as per assumption framed by the Corporation, there does not seem to be any scenario of asset liability mismatch. With respect to the repayment of bonds/debenture and revenue generation, the Bonds/Debentures are to be paid from Own revenue/ Cash Flows of the Issuer. The current collections are sufficient to ensure the redemption of the Debentures. The structured payment mechanism as provided in the Draft Offer Document shall ensure that the funds deposited over period will be sufficient to service the Debentures. Further tax collections are estimated to remain sufficient; therefore, we do not foresee any scenario of Asset Liability mismatch in future as well.

SECTION-XI : LEGAL AND OTHER INFORMATION

The Bond Issue Committee in its meeting held on January 14, 2026 has adopted a materiality policy for disclosure of litigation in relation to the Issuer according to which other litigation involving the Issuer and the members of the Bond Issue Committee which may have an adverse impact on the position of the Issuer, the operations of the Issuer and the Project which are being funded by the proceeds of the Debentures, have been disclosed hereinbelow.

Except as stated in this section, there are no:*(i) criminal proceedings; (ii) actions by statutory or regulatory authorities; (iii) disciplinary action including penalty imposed by SEBI or stock exchanges against the Issuer or the members of the Bond Issue Committee in the last five financial years including outstanding action; (iv) claims relating to direct and indirect taxes; or (v) Material Litigation (as mentioned below), involving the Issuer or the members of the Bond Issue Committee or Subsidiary.*

For the purpose of (v) above, the Issuer has considered and adopted a policy of materiality for identification of material litigation in terms of the SEBI Municipal Debt Regulations, as amended, for disclosure of all pending litigation involving the Issuer and members of the Bond Issue Committee where:

a. *the potential financial liability/monetary claim by or against Municipal Corporation or the members of the Bond Issue Committee, in any such pending matter(s) is in excess of 0.62 % of gross surplus as per the restated audited financial statements of the Issuer for the FY 2024-25, i.e., Rs.4 crores;*
b. *any such litigation wherein the monetary liability is not quantifiable which is and/or which may have a material adverse effect from the perspective of the (i) operations of the Corporation, (ii) the financial position, income and cash flows of our Corporation; (iii) the Projects proposed to be funded out of the proceeds of the Issue; (iv) the Issue; or the investor's decision to invest/continue to invest in the Bonds;*
c. *It is hereby clarified that Notices received from third parties (excluding statutory/regulatory/tax authorities or notices threatening criminal action) shall, not be evaluated for materiality until such time that the Issuer or any of the any of the members of the Bond Issue Committee of the Municipal Corporation is impleaded as defendants in litigation proceedings before any judicial forum.*

Further, the Issuer has a policy for identification of material outstanding dues to creditors ("Material Dues") for creditors where outstanding due to any one of them is in excess of 0.62 % of gross surplus as per the restated audited financial statements of the Issuer for the FY 2024-25, i.e., Rs.4 crores.

A. CONTINGENT LIABILITIES OF THE ISSUER

As disclosed in notes to accounts of the Restated Audited Financial Statements for FY 2024-25, as on March 31,2025, the Corporation may face claims, disputes, or demands in the ordinary course of business that are currently not reliably measurable, and hence no provision has been recognised at this stage. Such matters are monitored continuously, and contingent liabilities are disclosed only where an outflow is not remote and estimation is practicable, with non-disclosure when such disclosure would seriously prejudice the Corporation's position as permitted by the standards. Based on management's assessment as of the reporting date, no contingent liability requires recognition and no disclosure is necessary beyond this policy, as the likelihood of material outflow is assessed as remote.

				ordered status quo on November 13, 1995 over the disputed survey numbers, including the Petitioner's plot. The Petitioner in its petition has stated that despite the order passed by the Hon'ble Bombay High Court against NMC and the State of Maharashtra, NMC and others, have allegedly trespassed on the plot in 2022 and completed approximately 95% of a cycle track. The Nagar Rachana Vibhag of NMC later measured the plot and concluded that 60% of it had been forcefully acquired by the police, State of Maharashtra and NMC. Initially, the Petitioner had filed a Criminal Miscellaneous Application No. 1664 of 2023 under Section 156(3) of the Criminal Procedure Code before the Judicial Magistrate First Class (JMFC) to register an FIR with the police which was rejected by the Hon'ble JMFC court stating that the dispute was a property matter based on documents and did not warrant custodial interrogation. The Petitioner has filed the present Criminal Writ Petition against the order passed by the Hon'ble JMFC and praying to compel the police to register an FIR against the respondents for trespassing and other offenses under the Indian Penal Code, 1860. As such the said case is currently pending.	

- There are 29 cases pending under Section 13 (3) of The Registration of Births and Deaths Act, 1969 against the Issuer. These cases have been instituted by residents within the jurisdiction of Nashik Municipal Corporation, seeking judicial directions for the registration and issuance of birth/death certificates. The nature of these proceedings is criminal, and no financial claims have been made therein. The Issuer does not anticipate any material impact on its financial position or operational capabilities. The Issuer shall comply with any judicial directions issued in connection with these matters.

1.	NMC V Assistant Provident Fund Commissioner, EPFO Nashik Regional Office	Appeal No. CGIT – 2 / EPFA/ 154/ 2024	Employees' Provident Fund Appellate Tribunal, Mumbai	An enquiry was conducted against NMC by the Employees' Provident Fund Organisation ("EPFO") in accordance with Section 7A of the Employees Provident Fund and Miscellaneous Provisions Act, 1952 (the "Act") in relation to delayed payment of provident fund ("PF") to contractual employees. Pursuant to the enquiry, an order dated September 18, 2024 bearing Order No. MH/56697/PF/RO/KD/NSK/Damages/786 was passed against NMC by EPFO, directing it to pay Rs. 29,91,311 under section 14B of the Act towards damages and pursuant to order bearing order no. MH/56697/PF/RO/KD/NSK/Damages/787 dated September 18, 2024, NMC was directed to pay Rs. 24,15,667/- under section 7Q of the Act towards interest, for the period from January 8, 2011 to August 30, 2023. The order further recorded that submission of KYC had been made mandatory for all salaried employee from with effect from April, 2022. Aggrieved by the said order, NMC filed an appeal before the Hon'ble Central Government Industrial Tribunal-cum-Labour Court No.1, Mumbai (Employees Provident Fund Appellate Tribunal) (the "Hon'ble Tribunal"), where it was submitted that approximately 1000 honorary employees are hired across various departments of NMC, all of whom are covered under the benefits as required by law. These employees are employed on temporary basis for six months and their reappointment usually takes around 2-3 months. This procedural gap had resulted in delays in the remittance of PF to these employees. NMC further submitted that after EPFO mandated KYC compliance for these payments, NMC faced difficulties in completing the KYC which in turn led to inordinate delay in paying the PF of the employees. Thus, the delay was purely due to compliance with administrative protocol and not deliberate. NMC prayed that the	0.54	Pending

1.	ZD271224020176R	FY 2021–22	₹60,88,642	A GST Intimation notice issued to Nashik Municipal Corporation pursuant to return scrutiny under Section 61 of the CGST Act, 2017, noting discrepancies between outward tax liability reported in GSTR-1 and tax paid through GSTR-3B/GSTR-9, along with wrongful availment of ITC in excess of eligible credit reflected in GSTR-2A, including ITC from ineligible or cancelled suppliers. Despite submission of reply in Form ASMT-11, the explanations were found inadequate. Accordingly, proceedings under Section 73(5) were initiated by issuance of Form DRC-01A, determining tax and interest dues aggregating to ₹60,88,642, with no penalty proposed at this stage, and calling upon the Issuer to pay the amount or submit objections, failing which a show cause notice under Section 73(1) may be issued. The matter is currently pending.

1.	M/s Leaf Biotech Pvt Ltd Vs NMC	Arbitration Proceedings No. 1 of 2011	Ld. Sole Arbitrator Municipal Commissione, Nashik	M/s. Leaf Biotech Pvt. Ltd. ("Claimant") initiated the present Arbitration Proceedings No. 1 of 2011 against NMC before the Ld. Sole Arbitrator Municipal Commissioner, Nashik claiming compensation of a sum of Rs. 11,02,34,182/-, return of control and peaceful possession of the municipal waste treatment plant. Claimant and NMC entered into a operation and maintenance contract for waste treatment plant and a 29-years lease agreement on April 10, 1997. The Claimant stated that NMC took over the operation and functions of the plant and invited new tenders for operation and maintenance while the same was sanctioned to the Claimant. Aggrieved by this, claimant approached Hon'ble High Court of Bombay in Civil Miscellaneous Application No. 320 of 2003 to appoint the arbitrator. Thereafter, The Hon'ble High Court appointed the commissioner of NMC as a sole arbitrator to decide the disputes of the parties. The said matter is currently pending before the Ld. 3.	Siemens Healthcare Private Limited versus NMC & Another	Com. Suit No. 5 of 2021	District and Sessions Court, Nashik	Siemens Healthcare Private Limited (hereinafter referred to as the "Petitioner") has filed a Commercial Suit No. 5 of 2021 before the District and Sessions Court, Nashik against NMC & another. The Petitioner was awarded a bid by NMC through an e-tender to supply, install, and commission a 1.5 Tesla MRI machine and a CT scan machine for a government hospital. NMC and the Petitioner entered into a Purchase Order and Agreement, requiring completion within 120 days from the Agreement's signing or site handover, whichever was later. In accordance with the petition of the Petitioner, NMC allegedly has failed to provide timely site access, free water, and power, causing delays and cost escalation, resulting in an alleged loss of ₹16,87,000 to the Petitioner. The Petitioner filed a commercial suit in the Bombay High Court, seeking recovery of ₹4,17,97,226, along with future interest, costs, and other relief as deemed appropriate. By an Order dated July 16, 2021, passed in an Interim Application No. 627 of 2021 filed by the Petitioner, the Hon'ble Bombay High Court directed that the suit be returned under Rule 283 of the Bombay High Court (Original Side) Rules, with liberty to the Petitioner to	4.17	Pending

4.	M/s MIC Electronics Ltd. versus NMC & Others	Special Leave Petition (C) No. 6491 of 2022	The Supreme Court of India	MIC Electronics Ltd. (hereinafter referred to as the "Petitioner") has filed a Special Leave Petition (Civil) No. 6491 of 2022 before the Hon'ble Supreme Court of India against NMC & others. The Petitioner and NMC had entered into an agreement on February 25, 2013 for installing and maintaining LED street lights in Nashik, for which NMC gave three bank guarantees in favour of the Petitioner. The Petitioner allegedly committed several serious breaches of contract by not starting work within the timeline set under the said agreement, wrongfully terminating the agreement without due notice of 30 days, and also illegally assigning one of the bank guarantees to a third-party. In view of the above, in 2015 NMC initiated arbitration proceedings, due to non-performance and breach of the said agreement, obtaining interim orders restraining the Petitioner from encashing the guarantees until the arbitration concluded. The Petitioner challenged the arbitration order by filing Writ Petition No. 906 of 2022 in the Bombay High Court, seeking to ensure encashment. On March 11, 2022, the Hon'ble High Court dismissed the petition, directing both parties to seek relief before the Civil Court or under Section 9 of the Arbitration and Conciliation Act, 1996. Aggrieved by the Hon'ble High Court's order the Petitioner has filed Special Leave Petition (Civil) No. 6491 of 2022 in the Hon'ble Supreme Court of India, seeking to overturn the order and obtain interim relief. 6.	Shri Gulab Nimse & Others Vs. NMC & Others	Writ Petition No. 18207 of 2024	The High Court of Bombay	Shri Gulab Nimse & others (hereinafter referred to as "the Petitioners") have filed a Writ Petition No. 18207 of 2024 before the Hon'ble Bombay High Court against NMC & others. NMC had approved the construction of a road for the Simhastha Kumbh Mela. NMC under the Maharashtra Regional and Town Planning Act, 1966 (MRTP Act) issued notices to the Petitioners, directing them to hand over possession within seven days for the said construction, failing which dispossession would follow. After, possession and upon completion of the construction of the road, NMC issued letters to the Petitioners acknowledging and appreciating their cooperation for serving a public purpose. Subsequently upon enquiries by the Petitioners, the Petitioners were informed that only an acquisition proposal had been forwarded by the Commissioner, NMC to the Collector, Nashik. The acquisition proposal and payment of compensations, allegedly remained pending due to incomplete documentation by NMC. A Land Acquisition Case No. 41 of 2015 came to be registered before the office of the Deputy Collector, Land Acquisition, Minor Irrigation, Collector Office, Nashik since allegedly there was no publication of notification under Section 126(2)(4) of the MRTP Act in spite of possession taken by NMC and without depositing the estimated cost of funds for declaring the award. Thus, a Writ Petition was brought before the Hon'ble Bombay High Court for competition of the acquisition proceedings and payment of adequate	Not ascertained	Pending

Nashik Municipal Corporation through The Commissioner, Nashik Municipal Corporation	Special Civil Suit No. 339 of 2008	District and Sessions Court Nashik	M/s Narendra Construction Co., through its proprietor Shri Amritlal Shah, filed Special Civil Suit No. 339 of 2008 before the Civil Judge (Senior Division), Nashik, against Nashik Municipal Corporation ("NMC"), arising out of a tender floated by NMC for construction of the Chehadi Barrage across River Darna. The plaintiff claimed that after purchasing the tender and pre-qualification documents, it was declared a competent tenderer, its bid was accepted, and an agreement was executed for an estimated contract value of ₹2,42,20,000/-. The plaintiff alleged that NMC breached its contractual obligations by failing to coordinate with the irrigation department, not ensuring continuous supply of cement, improperly disclosing ownership of the work site, and delaying reimbursement of dues and release of security deposits, while NMC denied the claims, contending that the contract was with a partnership firm and not a proprietary concern, that all due payments were made, and that no interest was payable for delayed payments under the agreement. The plaintiff accordingly sought recovery of ₹3,80,10,322/- along with interest at 18% per annum towards damages for loss of work opportunity, delay in execution, extension of bank guarantees, non-payment of dues and security deposit, along with ancillary reliefs, and the matter is stated to be pending before the Nashik District and Sessions Court. 3.	NMC Vs. Dr. Tushar Nanasaheb Patil	R.C.C. No. 57 of 2018	Metropolitan Chief Judicial Magis trate First Class Court, Nashik	Dr. Tushar Nanasaheb Patil (hereinafter referred to as the "Accused") had two registered sonography centres along with two registered sonography machines in the jurisdiction of NMC. An online complaint was lodged on Amchi Mulgi, a portal established by the Public Health Department of the Government of Maharashtra, alleging that the Respondent was conducting illegal sex determination tests in his vehicle. Acting on the directions of the District Surgeon, Nashik, the then Medical Superintendent and Appropriate Authority, along with other officials, conducted a secret inspection during which they discovered two sonography machines, a laptop, a mattress, two pillows, and various other materials including sonography gel and tissue paper. A show cause notice was issued to the Respondent on January 13, 2017 under Section 20(1) of the Pre-conception and Pre-natal Diagnostic Techniques Act (Prohibition of Sex Selection) Act, 2003. The machines are kept in custody; the vehicle has been sealed; and the registration of one of the sonography centre has been suspended. 5.	NMC & Anr. Vs. Sagar Motiram Palve	Summary Criminal Case No. 4975 of 2021 Criminal Writ Petition No. 5281 of 2024	The High Court of Bombay	Sagar Motiram Palve (hereinafter referred to as the "Petitioner") was employed as operations head with Ashoka Medicover Hospital. During the Covid-19 pandemic, the Public Health Department, Government of Maharashtra, issued a Notification dated May 21, 2020 prescribing treatment charges for Covid-19 patients and authorizing officers of the Municipal Corporations to inspect healthcare providers for compliance of the same. Pursuant to an inspection conducted by NMC, it was found that Ashoka Medicover Hospital had raised four bills wherein the hospital charged in excess of the notified rates aggregating to Rs. 3,80,488/-. Consequently, NMC issued a final notice dated September 25, 2020, to the hospital for recovery of the excess amount. As the hospital failed to remit the said amount within the stipulated period, an F.I.R. bearing C.R. No. 333 of 2020 was lodged by NMC. Following a charge sheet was filed and culminated into Summary Criminal Case No. 4975 of 2021 pending before the Judicial Magistrate First Class, Nashik. The Petitioner thereafter approached the Hon'ble Bombay High Court by filing a Criminal Writ Petition No. 5281 of 2024 seeking quashing of the F.I.R. and the charge sheet.	Pending

7.	NMC Vs. Dr. Vasant Punjaji Darade & Others	R.C.C. No. 300664 of 2014	In the Court of Chief Judicial Magistrate First Class, Nashik	Dr. Vasant Punjaji Darade (hereinafter referred to as the "Accused") owned a sonography clinic at Nashik, an inspection conducted by NMC, revealed several violations and irregularities. These included incompletely filled F-forms, absence of the mandatory board in the ultrasonography room, incomplete details in the register regarding addresses and phone numbers, scribbling in the signature fields on F-forms, non-filling of the sonography indicator column, and failure to display the registration certificate in a visible area. NMC further recorded that the Respondent had failed to make the requisite records available and had not maintained the mandatory register. Following these findings, a show cause notice dated 16 July 2011 was issued by NMC to the Respondent, to which an unsatisfactory reply was furnished by the Respondent on 22 July 2011. Consequently, NMC instituted R.C.C. No. 664 of 2014 before the Chief Judicial Magistrate First Class, Nashik, seeking investigation of the violations and imposition of punishment in accordance with the Pre-conception and Pre-natal Diagnostic Act (Prohibition of Sex Selection) Act, 2003. Auditor's Remark

Except as disclosed below, there are no reservations or qualifications or adverse remarks in the financial statements of our Corporation in the F.Y. 2024-25, F.Y. 2023-24 and F.Y. 2022-23:

Our statutory auditors have highlighted few qualifications/observations in the Audit Reports on Restated Financial Statements dated September 19, 2025, for F.Y. 2024-25, dated September 17, 2025, for FY 2023-24 and dated September 15, 2025 for FY 2022-23. The auditors have also expressed qualified opinion in the abovementioned restated audit reports.

The key Auditor qualifications in the Audit Reports on Restated Financial Statements for the preceding three financial years, i.e. F.Y. 2024-25, F.Y. 2023-24, & F.Y. 2022-23 are as follows:

i. The Corporation recorded receipts under the Grant Account; however, the corresponding expenditure outflows financed from such grants were not appropriately classified to align with the nature of revenue and capital transactions.

ii. The Corporation's depreciation methodology is not aligned with the NMAM requirements, as depreciation has not been applied on an asset wise consistent rates. Due to which certain assets have been written off in the year immediately following acquisition.

In addition to the Audit qualifications as provided above, there are certain additional observations in the Restated Audit Reports (under Significant Accounting Policies and Notes to Accounts to the Restated Financial Statements) dated September 19, 2025 for FY 2024-2025, September 17, 2025 for FY 2023-2024 and September 15, 2025 for FY 2022-23 as below:

i. Grants: Grants are recognized when there is reasonable assurance that attached conditions will be complied

with and the grants will be received. In the absence of classification details, nature wise grant balances have not been adjusted and remain carried forward pending verification.

ii. Sweep Deposits: Interest on sweep deposits has been recognized on redemption/maturity in cases where formal bank confirmations were not available during the period; recognition is based on verified credit entries in the bank statements. In the absence of sweep deposit balance confirmations, balances and interest have been accounted for on the basis of bank statement entries and available correspondence, subject to subsequent confirmation and reconciliation.

iii. Bank Balances: There are certain old unreconciled bank balances pertaining to bank accounts that have since been closed; these balances continue to lie in the books and are currently under detailed reconciliation and review by management Upon completion of the reconciliation exercise, appropriate accounting adjustments, if any, will be carried out to write back/write off/reclassify/rectify such items.

iv. The Education Department was merged with the Nashik Municipal Corporation in the year 2015. The process of merging and consolidation of its accounts with the Nashik Municipal Corporation's accounts is still under progress. Accordingly, the accounts pertaining to the Education Department have not been considered in these Restated financial statements.

v. Employee Advances: There are differences between employee advance balances as per the books of accounts and the employee advance register maintained by the Nashik Municipal Corporation. The differences mainly relate to certain unrecorded/uncaptured entries in the employee advance register. Management has reviewed the matter and is in the process of reconciling the same.

vi. Old Stale Cheques: Certain cheques issued in past years which have not been presented for payment till date have been parked under a Control Account. These cheques, though considered time-barred, are still being carried in the books under a Control Account until their status is fully reconciled.

vii. Interest on Housing Loan: The interest charged on housing loans provided to employees was not separately disclosed as interest income in the Income & Expenditure Statement as data was not available. Consequently, both the interest income and the outstanding receivables from employees against the housing loans were understated. Steps are taken by concern department to ensure proper segregation and reporting of such transactions.

viii. Contingent Liabilities: The Corporation may face claims, disputes, or demands in the ordinary course of business that are currently not reliably measurable, and hence no provision has been recognised at this stage. Such matters are monitored continuously, and contingent liabilities are disclosed only where an outflow is not remote and estimation is practicable, with non-disclosure when such disclosure would seriously prejudice the Corporation's position as permitted by the standards. Based on management's assessment as of the reporting date, no contingent liability requires recognition and no disclosure is necessary beyond this policy, as the likelihood of material outflow is assessed as remote.

ix. Old balances: The Nashik Municipal Corporation has certain old unreconciled balances under debtors, creditors, and advances, deposits, liabilities, which have been carried forward over the years. Some very old balances pertaining to loans, debtors, creditors and advances have been reconciled during the year on the basis of balance confirmations obtained from the respective departments. Differences identified, if any, have been appropriately adjusted in the books of accounts either by way of write-off or write-back or reclassification or rectification.

SECTION-XIII : GOVERNMENT APPROVALS

The Issuer is a municipal corporation incorporated under MMC Act and has received the necessary consents, licenses, permissions and approvals from the government and various governmental agencies required for its operations and except as mentioned below, no further approvals are required for carrying on our present operations.

Escrow Account	NMC had issued bonds aggregating to Rs 200 Crore in November 2025 for a tenor of 5 years ("7.80%NMC CLEAN GODAVARI BONDS 2030 SERIES - I"). For the said bonds issue, NMC had created first pari passu charge on the own revenues/cash flows are collected and/ or pooled by Nashik Municipal Corporation (collection account(s)) and created escrow mechanism on the said revenues/cash flows in line with the structured payment mechanism stipulated for the bonds issue. NMC is maintaining a no-lien escrow account i.e. "NMC ESCROW ACCOUNT" with Bank of Maharashtra with Account No. 605560228255 for the said purpose and the funds lying in account(s) in which own revenues/cash flows are collected and/ or pooled by Nashik Municipal Corporation (collection account(s)) by the NMC are being transferred to the Escrow Account for the debt servicing on daily basis. Now, for the present Issue, NMC is creating a first pari passu charge and escrow mechanism in favor of the NCD Holders on the own revenues/cash flows of NMC along with the existing bond holders as mentioned above and the Debenture Holders/Debenture Trustee on behalf of Debenture Holders shall have first pari passu charge (along with the existing bond holders) over the Escrow Account and the Collection Account(s) of the Issuer. The funds lying in this escrow account would be available proportionately towards the debt service requirements for the present Issue along with the earlier Issue ("7.80%NMC CLEAN GODAVARI BONDS 2030 SERIES - I") Proportion of charge, on the Escrow Account and the Collection Account(s) of the Issuer, between the bond holders of the existing bond issue and the present Issue – 200:200 (determined

	on the basis of principal amount outstanding in each issue) (at the time of issue which may vary in future depending upon the outstanding liabilities of the existing and the present issue).
Required DSRA Amount	For ensuring maintenance of the Required DSRA Amount, the Interest Payment Account- II shall be funded 1 (One) day prior to the Pay-In Date with an amount equal to the 2 (Two) succeeding coupon payments (i.e. one year interest obligation) required to be paid by the Issuer in respect of the Debentures ("**Required DSRA Amount**"). The amounts lying in, or credited into, the Interest Payment Account- II from time to time towards maintenance of the Required DSRA Amount, shall be hereinafter referred to as the "**DSRA Amount**". In the event of any utilization from the DSRA Amount, the Issuer shall be obliged to replenish the same as per the Interest Payment Mechanism below. Further, as the interest liability would progressively come down after the peak, the Issuer would be permitted to take out the excess DSRA progressively under intimation to the Debenture Trustee, subject to: (i) no unresolved breach of any covenant or event of default, (ii) no shortfall in any of the Interest Payment Account-II (including the Required DSRA Amount) or Upfront FD-2 or the Sinking Fund Account-II.
Structured Payment Mechanism	1. The Issuer shall open the following accounts for servicing the Coupon and principal amount of the Debentures for the exclusive benefit of the Debenture Holders: a) Escrow Account (For Both Series – I & II) b) Interest Payment Account-II c) Sinking Fund Account-II 2. The Issuer shall set up the separate no-lien Escrow Account and the funds lying in account(s) in which the Issuer's own revenues/cash flows gets collected and/ or pooled by the Issuer shall be transferred to the Escrow Account for debt servicing on daily basis. Debenture Holders/ Debenture Trustee on behalf of Debenture Holders shall have first paripassu charge over the Escrow Account and the account(s) where **own revenues/cash flows** gets collected and/ or pooled by the Issuer. **'Own Revenues/Cash flows'** here shall mean the revenues/cash flows being directly levied and collected/recovered by the Issuer and not being the revenues/cash flows received from the Government in the form of Grants, contributions & subsidies, assigned revenues & compensations or others. The revenues/cash flows being directly levied and collected/recovered by the Issuer include Tax Revenue, Fees, User Charges and Fines, Income from Investments, Interest Earned, Other Income, Rental Income from Municipal Properties, Sale & Hire Charges and such other Incomes. The Interest Payment Account-II is an account from which the interest payments on the Debentures will be serviced and the Required DSRA Amount (as hereinafter defined) will also be maintained as per the requirements of the SEBI circular in relation to 'Continuous disclosures and compliances by listed entities under SEBI (Issue and Listing of Municipal Debt Securities) Regulations, 2015' dated November 13, 2019, bearing reference no. SEBI/HO/DDHS/CIR/P/134/2019. 3. The Sinking Fund Account-II is an account from which the principal redemptions of the STRPPs/NCDs will be made. 4. The funds lying in the Escrow Account shall be used in the following priority: (a) The funds should be first utilized to fund any shortfall in required DSRA amount (in case of utilization of the DSRA amount), Upfront FD-2 (in case of utilization of the Upfront FD-2 amount), Interest payment account-II and the sinking fund account-II as per the interest payment and sinking fund mechanism defined below; (b) Thereafter, the funds should be utilized to accumulate the Minimum Balance in Escrow Account. The Minimum Balance to be maintained in any monthly period expiring on the Transfer Date (Transfer date here means last date of any monthly period) shall be the amount to be transferred to the Interest Payment Account-II and Sinking Fund Account- II on the Transfer Date;

(c) The Minimum Balance shall not be used for any purpose other than transfer to the Interest Payment Account- II and Sinking Fund Account- II;

(d) The surplus funds, if any, after first accumulating the Minimum Balance can thereafter be transferred to the general fund account(s) in accordance with a one-time written instruction providing for such transfer is given by the Debenture Trustee for such monthly period provided however that, in case of a shortfall in any of the Interest Payment Account- II (including towards maintenance of the Required DSRA Amount) or Sinking Fund Account-II, or Upfront FD-2 amount, no transfer to the general fund account(s) shall be effected and the surplus funds shall first be utilised towards funding the relevant account in which there is a shortfall.

In case of any shortfall in the Escrow Account to the tune of Minimum Balance, the Issuer shall make good the shortfall from the funds from other account(s) to Escrow Account as per the terms of the transaction documents.

On a monthly basis, on each Transfer Date, the Minimum Balance maintained as indicated above shall be transferred to the Interest Payment Account-II and Sinking Fund Account-II. The Issuer, with the prior written consent of the Debenture Trustee can transfer the Minimum Balance maintained in Escrow Account to the Interest Payment Account-II and the Sinking Fund Account-II on any day prior to the Transfer Date.

It is hereby clarified that, notwithstanding the appropriation of any amount from the Escrow Account to fund the shortfall in Interest Payment Account-II (including the required DSRA amount), Upfront FD-2 (in case of utilization of the amount deposited in the Upfront FD-2) and Sinking Fund Account-II, the obligation of the Issuer to fund the Interest Payment Account-II and Sinking Fund Account-II to the extent of the Minimum Balance no later than the monthly Transfer Date shall continue until the Final Settlement Date.

5. The following amounts will be required to be transferred to the Interest Payment Account-II and the Sinking Fund Account-II from the Escrow Account as mentioned above each year (Each year here means each period of 12 months from the Deemed Date of Allotment until the Maturity Date and is also referred to as '12 month block') on first priority basis along with Series-I.

a. **Interest payment Account (IPA-II)** – Half-yearly interest amount shall be divided into five equal parts and each part shall be transferred to IPA-II every month for 5 months. Accordingly, 20% of the half yearly coupon payment (along with any further interest payable (by whatsoever name called) as per the terms of the issuance and any shortfall in earlier contribution) shall be transferred to IPA-II each month as follows:-

(i) 1st half year - from 1st to 5th Month
(ii) 2nd half year - from 6th to 10th Month

b. **Sinking Fund Account (SFA-II)** – Total issue size of the Debentures (Rs 200 Crore) shall be divided into 8 parts and each part (₹25 Crore) shall be transferred to SFA-II in each of the 1st to 8th year.

1st to 7th year
Further, this one part (₹25 Crore) to be transferred to SFA-II in each of the first Seven years shall be sub-divided into 10 sub-parts and each sub-part (₹ 2.5 Crore) (along with any shortfall in earlier contribution) shall be transferred to SFA-II each month for first 10 months. Accordingly, 12.5% of total issue size shall be transferred each year for the first 7 years out of which 1.25% of the total issue size each month for first 10 months of each year;

8th year
Out of the remaining Rs 25 Crore (12.5% of the total issue size) to be transferred in the 8th year;

i) Rs 5 Crore shall be sub-divided into 2 sub-parts and each sub-part (Rs. 2.5 Crore) (along with any shortfall in earlier contribution) shall be transferred to SFA-II each month for first 2 months.

ii) Rs 20 Crore shall be transferred to the Sinking Fund Account-II in lumpsum from Upfront Fixed Deposit-2 at the end of 86th months from deemed date of allotment.

Once the sinking fund account-II gets completely built up equivalent to the 100% of the total issue size i.e. Rs 200 Crore at the end of 86th month from the deemed date of allotment, there shall be no further transfers to the Sinking Fund Account-II from the Escrow Account.

c. Any shortfall in the funds available in the Escrow Account to complete the aforesaid transfers to the above account(s) shall be made good by the Issuer by transfer from other account(s) of the Issuer.

6. The funds lying in the above-mentioned account(s) shall be utilised in the following manner:

(a) The funds lying in the Interest Payment Account-II (apart from the DSRA Amount) will be first utilized for meeting the Coupon payment to the Debenture Holders. In the event that the balance in the Interest Payment Account-II (apart from the DSRA Amount) is not sufficient for this purpose, the DSRA Amount can be utilized for meeting such shortfall in the Interest Payment Account-II for making the Coupon payment to the Debenture Holders.

(b) The DSRA Amount lying in the Interest Payment Account-II, can be used to meet (i) any shortfall in the Interest Payment Account-II for the Coupon payment to be made on any Coupon Payment Date; and thereafter (ii) can be used to meet any shortfall at the time of redemption of the STRPP (upto the excess DSRA amount) on the respective Redemption Date. However, the DSRA Amount cannot be utilized for any other purpose, including (a) to meet any shortfall in contribution to Sinking Fund Account-II except the utilization of excess DSRA Amount at the time of Redemption; and (b) to meet any shortfall in the amounts to be transferred to the Interest Payment Account-II except at the time of actual payment of Coupon on the Debentures.

(c) Any surplus amounts available in the Interest Payment Account-II after making the Coupon payment to Debenture Holders (which is over and above the Required DSRA Amount) should be used to make good any shortfall in contribution to Sinking Fund Account-II to the extent required for redemption of the STRPPs on the Redemption Dates.

(d) The funds lying in the Sinking Fund Account-II can be used to redeem the Debentures.

(e) The Upfront FD-2 can be used (i) to meet any shortfall in the Sinking Fund Account prior to the end of each 12 month block and (ii) to transfer the entire amount in lumpsum to Sinking Fund Account at the end of 86th months from deemed date of allotment.

(f) Any funds lying in the above account(s) can be used for making Permitted Investments. However, the funds (including investment(s) shall not, without the approval of the Debenture Trustees, be utilised for any purpose other than as mentioned in paragraph (a) to (e) above.

(g) Any surplus funds lying in the above account(s) after the Debentures have been redeemed in full and all dues to the Debenture Holders have been paid can be transferred to the Escrow Account on the written instructions of the Debenture Trustee (acting on the instructions of the Issuer).

7. The Debenture Trustee, on behalf of the Debenture Holders shall have first paripassu charge over the Escrow Account and the Collection Account(s) wherein own revenues/cash flows are being collected/pooled by the Issuer, and exclusive charge on the Interest Payment Account-II (including the DSRA Amount), Sinking Fund Account-II, upfront FD-2 and any permitted investment(s) made from these account(s) for the exclusive benefit of the Debenture Holders(s).

8. The amount deposited in the Interest Payment Account-II (including the DSRA Amount), Sinking Fund Account-II and Upfront FD-2 shall be used solely for meeting the dues to the Debenture Holders. Any surplus in the above account(s) after the Debentures have

been redeemed in full and all the dues to the Debenture Holders have been paid can be transferred to the Escrow Account after obtaining written consent of the Debenture Trustee. No amount can be withdrawn from these account(s) without prior approval of Debenture Trustee.

PERMITTED INVESTMENT

9. The Upfront FD - 2 and the funds lying credited in the Escrow Account (to the extent of the minimum balance), Interest Payment Account-II (including the DSRA Amount) can be kept in fixed deposits with any scheduled commercial bank with a dual rating of AA+ or above. However, the conditions of the fixed deposits shall not restrict premature withdrawal from the fixed deposit. The lien shall be created in favor of Debenture Trustee on all the investments made in terms hereof. The Issuer shall ensure that funds lying in the escrow accounts shall be invested in accordance with the SEBI ILMDS Regulations and SEBI circulars issued thereunder and Maharashtra Municipal Corporation Act, 1949, to the extent applicable.

The lien shall be created in favor of Debenture Trustee on all the investments made in terms hereof.

11. Any actual interest income earned and received on the Permitted Investment(s) shall be utilisable by the Issuer, in accordance with the terms set out in the Transaction Documents, only: (a) with the prior approval of the Debenture Trustee; and (b) if there is no shortfall in any of the Interest Payment Account-II (including the Required DSRA Amount) or the Sinking Fund Account-II or Upfront FD-2 amount.

12. The Escrow Account, Interest Payment Account-II (including the Required DSRA Amount) Sinking Fund Account-II and Upfront FD-2 shall be maintained with a scheduled commercial bank rated at least AA+ by two rating agencies throughout the tenor of the Debentures ("Bank"). In case, at any point of time, the rating of senior debt of the Bank falls below AA+ by any rating agency the Issuer shall, with the written consent of Debenture Trustee, move the funds to any other bank satisfying the rating criteria.

13. The Bank shall share statement(s) of these account(s) with Debenture Trustee and the Issuer for such period as may be specified by the Debenture Trustee but not greater than 12 (Twelve) months in any case till such time as the Debentures are redeemed. The Issuer shall share copies of all such reports with the Rating Agencies. The Issuer and Debenture Trustee shall keep the Rating Agencies informed in case of change in the Bank.

Interest Payment Mechanism

The Debenture Trustee shall check the amount lying to the credit of Interest Payment Account - II (which is over and above the Required DSRA Amount) at 25 (Twenty Five) days prior to the Coupon Payment Date (T-25 days).

In case of any shortfall in the amount required to make payment of Coupon on the Coupon Payment Date in the Interest Payment Account-II (calculated on the basis of the amounts available in addition to the Required DSRA Amount), the Debenture Trustee shall intimate the Issuer of the shortfall and the Issuer shall make good the short fall in the Interest Payment Account -II prior to the date falling 10 (Ten) days prior to the Coupon Payment Date (T-10 days).

Further, the amounts lying or credited in the escrow account shall flow into the interest payment account -II for funding the shortfall and shall not be transferred by the Issuer to the general fund account(s) till the time the shortfall is funded.

In case of shortfall in the amount required to make payment of Coupon on the Coupon Payment Date in the Interest Payment Account -II (calculated on the basis of the amounts available in addition to the Required DSRA Amount) at 9 (Nine) days prior to the Coupon Payment Date (T-

	9 days), the Debenture Trustee shall trigger the payment mechanism and shall instruct the Bank to utilise the DSRA Amount to the extent of the shortfall in the amount required to make payment of the Coupon on the Coupon Payment Date on or prior to the date falling 8 (Eight) days prior to the Interest Payment Date (T-8 days). The Coupon shall be paid by the Issuer on the Coupon Payment Date (T). In case the DSRA Amount (or part thereof) is utilized to fund the shortfall in the amount required to make payment of the Coupon in respect of any Coupon Payment Date, immediately after the Debenture Trustee has instructed the Bank to utilise the DSRA Amount as above and in any event prior to 7 (Seven) days prior to the relevant Coupon Payment Date (T-7), the Debenture Trustee would issue a final notice in writing to the Issuer. On the issuance of such notice, the Issuer shall make good the DSRA Amount Shortfall within next 15 (Fifteen) days (T+8). Further, immediately after the DSRA utilization, the amounts lying or credited in the escrow account shall flow into the interest payment account for DSRA replenishment and shall not be transferred by the Issuer to the general fund account(s) till the time the required DSRA amount is replenished. It is hereby clarified that, notwithstanding the appropriation of any amount from the Escrow Account to fund the shortfall in interest payment account (including the required DSRA amount), the obligation of the Issuer to fund the interest payment account -II and sinking fund account-II to the extent of the minimum balance no later than the monthly Transfer Date shall continue until the Final Settlement Date. Further, such notice(s) would continue to get served if required, as per the same timelines for subsequent and future servicing. If any over dues on account of past servicing from the DSRA Amount continues to remain and the Required DSRA Amount continues to remain un-replenished, then such overdue amount would be added in the subsequent notice. If any of the milestone days mentioned in the T-Structure above (except the coupon payment dates) happens to not be a Business Day, the immediately preceding Business Day would be the deemed date for execution of the relevant action. **Principal Repayment (Sinking Fund) Mechanism** The Debenture Trustee shall check the balance in the Sinking Fund Account-II prior to the end of each 12 month block and in case of any Sinking Fund mismatch it shall be replenished as per the following mechanism:- The Debenture Trustee shall check the amount lying to the credit of Sinking Fund Account-II at 45 (Forty Five) days prior to the end of each 12 month block (T). In case of any Sinking Fund mismatch, the Debenture Trustee shall intimate Issuer of the shortfall and Issuer shall make good the Sinking Fund mismatch 15 (Fifteen) days prior to the end of each 12 month block (T-15 days). Further, in case of shortfall on T-45 days, the amounts lying or credited in the escrow account shall flow into the sinking fund account for funding the shortfall and shall not be transferred by the Issuer to the general fund account(s) till the time the shortfall is funded. In case of shortfall still persists in in the Sinking Fund Account-II at 14 (Fourteen) days prior to the end of each 12 month block (T-14 days), the Debenture Trustee shall trigger the payment mechanism and shall instruct the Bank to utilise the Upfront FD -2 to the extent of the shortfall in the Sinking Fund Account-II on or prior to the date falling 13 (Thirteen) days prior to the end of each 12 month block (T-13 days). In case the Upfront FD-2 (or part thereof) is utilized to fund the shortfall in the amounting sinking fund account prior to the end of each 12 month block, immediately after the Debenture Trustee has instructed the Bank to utilise the Upfront FD-2 as above and in any event prior to 12 (Twelve) days prior to the end of each 12 month block (T-12), the Debenture Trustee would issue a final notice in writing to the Issuer. On the issuance of such notice, the Issuer shall replenish the Upfront FD-2 within next 12 (Twelve) days (T). Further, immediately after the utilization of Upfront FD-2, the amounts lying or credited in the escrow account shall be utilized for

	replenishment of Upfront FD-2 and shall not be transferred by the Issuer to the general fund account(s) till the time Upfront FD -2 is fully replenished. It is hereby clarified that, notwithstanding the appropriation of any amount from the Escrow Account to fund the shortfall in sinking fund account and Upfront FD-2, the obligation of the Issuer to fund the interest payment account and sinking fund account to the extent of the minimum balance no later than the monthly Transfer Date shall continue until the Final Settlement Date. The redemption shall be made by the Issuer on the relevant Redemption Dates. If the redemption/maturity date of the STRPPs falls on a non-business day, the redemption proceeds shall be paid on the previous working day. In such case, along with the redemption proceeds, the coupon accrued on such STRPP shall also be paid on the previous working day. If any of the milestone days mentioned in the T-Structure above happens to not be a Business Day, the immediately preceding Business Day would be the deemed date for execution of the relevant action. The Debenture Trustee shall keep the Rating Agencies informed of any shortfall in the Interest Payment Account -II (including in the Required DSRA Amount), Upfront FD-2 and Sinking Fund Account -II.
Financial Covenants	1. The Issuer shall, at all times till the Debentures are outstanding, ensure that the total amounts collected in the Escrow Account in any financial year shall be at least 1.25 times of the Annual Payments Amount. For the purpose of this term sheet, the term 'Annual Payments Amount' shall, in respect of any financial year, mean the aggregate of: (a) the Coupon payable in such year (in relation to the present Green Bond Issue (Series II), Bond issue (Series I) and any further borrowings); and (b) the portion of principal amount of the Debentures which are required to be deposited by the Issuer into the Sinking Fund Account-II in such financial year (in relation to the present Green Bond issue (Series II), Bond issue (Series I) and any further borrowings), (c) Principal Repayment amount (where sinking fund is not created) in relation to any further borrowings, in terms hereof. 2. The Issuer shall maintain the following ratios on an ongoing basis and the same should be tested at least at the end of each financial year: DSCR: Debt Service Coverage Ratio ("DSCR") for the NMC shall not be less than 1.25 times as the below: **DSCR = operating surplus / total debt service** i. **Operating surplus calculated as the below**: **Operating Surplus** = Total Income – Adjusted Expenditure **Total income** =Total income of the corporation as per the audited Income and Expenditure statement. **Adjusted Expenditure** = Total expenditure as per the audited Income and Expenditure statement –Depreciation – Finance charges - Other non-cash expenditures. ii. **Total debt service** = interest payment of loans and bonds + principal repayment deposited in the sinking fund or installment of principal repayment (where sinking fund is not created) 3. So long as the Eligibility Conditions are met, the Issuer shall be entitled to raise further financial indebtedness based on its cash flows including the cash flows through the Escrow Account, provided that nothing in this provision should be construed to permit the creation of any encumbrance over the hypothecated property (except for Series I and

	Series II bond holders) without the express prior written consent of the debenture trustee subject to the Applicable Law. For the purpose of this term sheet, the term 'Eligibility Conditions' shall mean the following conditions: (a) the Annual Payments Ratio is maintained by the Issuer; (b) The debt service coverage ratio of 1.25 times is maintained (c) there is no shortfall in the contribution to the Escrow Account, the Interest Payment Account -II (including towards maintenance of the Required DSRA Amount), Upfront FD-2 and/or the Sinking Fund Account -II which has not been made good by the Issuer in terms of the Transaction Documents; (d) no Event of Default has occurred. 4. ANNEXURE I

Structured Payment Mechanism

Structured Payment Mechanism

1. The Issuer shall open the following accounts for servicing the Coupon and principal amount of the Debentures for the exclusive benefit of the Debenture Holders:

   a) Escrow Account (For Both Series – I & II)
   b) Interest Payment Account-II
   c) Sinking Fund Account-II

2. The Issuer shall set up the separate no-lien Escrow Account and the funds lying in account(s) in which the Issuer's own revenues/cash flows gets collected and/ or pooled by the Issuer shall be transferred to the Escrow Account for debt servicing on daily basis. Debenture Holders/ Debenture Trustee on behalf of Debenture Holders shall have first paripassu charge over the Escrow Account and the account(s) where **own revenues/cash flows** gets collected and/ or pooled by the Issuer.

   'Own Revenues/Cash flows' here shall mean the revenues/cash flows being directly levied and collected/recovered by the Issuer and not being the revenues/cash flows received from the Government in the form of Grants, contributions & subsidies, assigned revenues & compensations or others. The revenues/cash flows being directly levied and collected/recovered by the Issuer include Tax Revenue, Fees, User Charges and Fines, Income from Investments, Interest Earned, Other Income, Rental Income from Municipal Properties, Sale & Hire Charges and such other Incomes.

   The Interest Payment Account-II is an account from which the interest payments on the Debentures will be serviced and the Required DSRA Amount (as hereinafter defined) will also be maintained as per the requirements of the SEBI circular in relation to 'Continuous disclosures and compliances by listed entities under SEBI (Issue and Listing of Municipal Debt Securities) Regulations, 2015' dated November 13, 2019, bearing reference no. SEBI/HO/DDHS/CIR/P/134/2019.

3. The Sinking Fund Account-II is an account from which the principal redemptions of the STRPPs/NCDs will be made.

4. The funds lying in the Escrow Account shall be used in the following priority:

   (a) The funds should be first utilized to fund any shortfall in required DSRA amount (in case of utilization of the DSRA amount), Upfront FD-2 (in case of utilization of the Upfront FD-2 amount), Interest payment account-II and the sinking fund account-II as per the interest payment and sinking fund mechanism defined below;

   (b) Thereafter, the funds should be utilized to accumulate the Minimum Balance in Escrow Account. The Minimum Balance to be maintained in any monthly period expiring on the Transfer Date (Transfer date here means last date of any monthly period) shall be the amount to be transferred to the Interest Payment Account-II and Sinking Fund Account- II on the Transfer Date;

   (c) The Minimum Balance shall not be used for any purpose other than transfer to the Interest Payment Account- II and Sinking Fund Account- II;

   (d) The surplus funds, if any, after first accumulating the Minimum Balance can thereafter be transferred to the general fund account(s) in accordance with a one-time written instruction providing for such transfer is given by the Debenture Trustee for such monthly period provided however that, in case of a shortfall in any of the Interest Payment Account- II (including towards maintenance of the Required DSRA Amount) or Sinking Fund Account-II, or Upfront FD-2 amount, no transfer to the general fund account(s) shall be effected and the surplus funds shall first be utilised towards funding the relevant account in which there is a shortfall.

   In case of any shortfall in the Escrow Account to the tune of Minimum Balance, the Issuer shall make good the shortfall from the funds from other account(s) to Escrow Account as per the terms of the transaction documents.

On a monthly basis, on each Transfer Date, the Minimum Balance maintained as indicated above shall be transferred to the Interest Payment Account-II and Sinking Fund Account-II. The Issuer, with the prior written consent of the Debenture Trustee can transfer the Minimum Balance maintained in Escrow Account to the Interest Payment Account-II and the Sinking Fund Account-II on any day prior to the Transfer Date.

It is hereby clarified that, notwithstanding the appropriation of any amount from the Escrow Account to fund the shortfall in Interest Payment Account-II (including the required DSRA amount), Upfront FD-2 (in case of utilization of the amount deposited in the Upfront FD-2) and Sinking Fund Account-II, the obligation of the Issuer to fund the Interest Payment Account-II and Sinking Fund Account-II to the extent of the Minimum Balance no later than the monthly Transfer Date shall continue until the Final Settlement Date.

5. The following amounts will be required to be transferred to the Interest Payment Account-II and the Sinking Fund Account-II from the Escrow Account as mentioned above each year (Each year here means each period of 12 months from the Deemed Date of Allotment until the Maturity Date and is also referred to as '12 month block') on first priority basis along with Series-I.

   a. **Interest payment Account (IPA-II)** – Half-yearly interest amount shall be divided into five equal parts and each part shall be transferred to IPA-II every month for 5 months. Accordingly, 20% of the half yearly coupon payment (along with any further interest payable (by whatsoever name called) as per the terms of the issuance and any shortfall in earlier contribution) shall be transferred to IPA-II each month as follows:-

      (i) 1st half year - from 1st to 5th Month
      (ii) 2nd half year - from 6th to 10th Month

   b. **Sinking Fund Account (SFA-II)** – Total issue size of the Debentures (Rs 200 Crore) shall be divided into 8 parts and each part (₹25 Crore) shall be transferred to SFA-II in each of the 1st to 8th year.

      1st to 7th year
      Further, this one part (₹25 Crore) to be transferred to SFA-II in each of the first Seven years shall be sub-divided into 10 sub-parts and each sub-part (₹ 2.5 Crore) (along with any shortfall in earlier contribution) shall be transferred to SFA-II each month for first 10 months. Accordingly, 12.5% of total issue size shall be transferred each year for the first 7 years out of which 1.25% of the total issue size each month for first 10 months of each year;

      8th year
      Out of the remaining Rs 25 Crore (12.5% of the total issue size) to be transferred in the 8th year;
      i) Rs 5 Crore shall be sub-divided into 2 sub-parts and each sub-part (Rs. 2.5 Crore) (along with any shortfall in earlier contribution) shall be transferred to SFA-II each month for first 2 months.
      ii) Rs 20 Crore shall be transferred to the Sinking Fund Account-II in lumpsum from Upfront Fixed Deposit-2 at the end of 86th months from deemed date of allotment.

      Once the sinking fund account-II gets completely built up equivalent to the 100% of the total issue size i.e. Rs 200 Crore at the end of 86th month from the deemed date of allotment, there shall be no further transfers to the Sinking Fund Account-II from the Escrow Account.

   c. Any shortfall in the funds available in the Escrow Account to complete the aforesaid transfers to the above account(s) shall be made good by the Issuer by transfer from other account(s) of the Issuer.

6. The funds lying in the above-mentioned account(s) shall be utilised in the following manner:

   (a) The funds lying in the Interest Payment Account-II (apart from the DSRA Amount) will be first utilized for meeting the Coupon payment to the Debenture Holders. In the event that the balance in the Interest Payment Account-II (apart from the DSRA Amount) is not sufficient for this purpose, the DSRA Amount can be utilized for meeting such shortfall in the Interest Payment Account-II for making the Coupon payment to the Debenture Holders.

   (b) The DSRA Amount lying in the Interest Payment Account-II, can be used to meet (i) any shortfall in the Interest Payment Account-II for the Coupon payment to be made on any Coupon Payment Date; and thereafter (ii) can be used to meet any shortfall at the time of redemption of the STRPP (upto the excess

DSRA amount) on the respective Redemption Date. However, the DSRA Amount cannot be utilized for any other purpose, including (a) to meet any shortfall in contribution to Sinking Fund Account-II except the utilization of excess DSRA Amount at the time of Redemption; and (b) to meet any shortfall in the amounts to be transferred to the Interest Payment Account-II except at the time of actual payment of Coupon on the Debentures.

(c) Any surplus amounts available in the Interest Payment Account-II after making the Coupon payment to Debenture Holders (which is over and above the Required DSRA Amount) should be used to make good any shortfall in contribution to Sinking Fund Account-II to the extent required for redemption of the STRPPs on the Redemption Dates.

(d) The funds lying in the Sinking Fund Account-II can be used to redeem the Debentures.

(e) The Upfront FD-2 can be used (i) to meet any shortfall in the Sinking Fund Account prior to the end of each 12 month block and (ii) to transfer the entire amount in lumpsum to Sinking Fund Account at the end of 86th months from deemed date of allotment.

(f) Any funds lying in the above account(s) can be used for making Permitted Investments. However, the funds (including investment(s) shall not, without the approval of the Debenture Trustees, be utilised for any purpose other than as mentioned in paragraph (a) to (e) above.

(g) Any surplus funds lying in the above account(s) after the Debentures have been redeemed in full and all dues to the Debenture Holders have been paid can be transferred to the Escrow Account on the written instructions of the Debenture Trustee (acting on the instructions of the Issuer).

7. The Debenture Trustee, on behalf of the Debenture Holders shall have first paripassu charge over the Escrow Account and the Collection Account(s) wherein own revenues/cash flows are being collected/pooled by the Issuer, and exclusive charge on the Interest Payment Account-II (including the DSRA Amount), Sinking Fund Account-II, upfront FD-2 and any permitted investment(s) made from these account(s) for the exclusive benefit of the Debenture Holders(s).

8. The amount deposited in the Interest Payment Account-II (including the DSRA Amount), Sinking Fund Account-II and Upfront FD-2 shall be used solely for meeting the dues to the Debenture Holders. Any surplus in the above account(s) after the Debentures have been redeemed in full and all the dues to the Debenture Holders have been paid can be transferred to the Escrow Account after obtaining written consent of the Debenture Trustee. No amount can be withdrawn from these account(s) without prior approval of Debenture Trustee.

PERMITTED INVESTMENT

9. The Upfront FD - 2 and the funds lying credited in the Escrow Account (to the extent of the minimum balance), Interest Payment Account-II (including the DSRA Amount) can be kept in fixed deposits with any scheduled commercial bank with a dual rating of AA+ or above. However, the conditions of the fixed deposits shall not restrict premature withdrawal from the fixed deposit. The lien shall be created in favor of Debenture Trustee on all the investments made in terms hereof. The Issuer shall ensure that funds lying in the escrow accounts shall be invested in accordance with the SEBI ILMDS Regulations and SEBI circulars issued thereunder and Maharashtra Municipal Corporation Act, 1949, to the extent applicable.

10. The funds lying to the credit of Sinking Fund Account-II can be deposited in such instruments which may be permitted both in terms of the SEBI Circulars and also Maharashtra Municipal Corporation Act, 1949. The lien shall be created in favor of Debenture Trustee on all the investments made in terms hereof.

11. Any actual interest income earned and received on the Permitted Investment(s) shall be utilisable by the Issuer, in accordance with the terms set out in the Transaction Documents, only: (a) with the prior approval of the Debenture Trustee; and (b) if there is no shortfall in any of the Interest Payment Account-II (including the Required DSRA Amount) or the Sinking Fund Account-II or Upfront FD-2 amount.

12. The Escrow Account, Interest Payment Account-II (including the Required DSRA Amount) Sinking Fund Account-II and Upfront FD-2 shall be maintained with a scheduled commercial bank rated at least AA+ by

two rating agencies throughout the tenor of the Debentures ("Bank"). In case, at any point of time, the rating of senior debt of the Bank falls below AA+ by any rating agency the Issuer shall, with the written consent of Debenture Trustee, move the funds to any other bank satisfying the rating criteria.

13. The Bank shall share statement(s) of these account(s) with Debenture Trustee and the Issuer for such period as may be specified by the Debenture Trustee but not greater than 12 (Twelve) months in any case till such time as the Debentures are redeemed. The Issuer shall share copies of all such reports with the Rating Agencies. The Issuer and Debenture Trustee shall keep the Rating Agencies informed in case of change in the Bank.

Interest Payment Mechanism

The Debenture Trustee shall check the amount lying to the credit of Interest Payment Account -II (which is over and above the Required DSRA Amount) at 25 (Twenty Five) days prior to the Coupon Payment Date (T-25 days).

In case of any shortfall in the amount required to make payment of Coupon on the Coupon Payment Date in the Interest Payment Account-II (calculated on the basis of the amounts available in addition to the Required DSRA Amount), the Debenture Trustee shall intimate the Issuer of the shortfall and the Issuer shall make good the short fall in the Interest Payment Account -II prior to the date falling 10 (Ten) days prior to the Coupon Payment Date (T-10 days).

Further, the amounts lying or credited in the escrow account shall flow into the interest payment account -II for funding the shortfall and shall not be transferred by the Issuer to the general fund account(s) till the time the shortfall is funded.

In case of shortfall in the amount required to make payment of Coupon on the Coupon Payment Date in the Interest Payment Account -II (calculated on the basis of the amounts available in addition to the Required DSRA Amount) at 9 (Nine) days prior to the Coupon Payment Date (T-9 days), the Debenture Trustee shall trigger the payment mechanism and shall instruct the Bank to utilise the DSRA Amount to the extent of the shortfall in the amount required to make payment of the Coupon on the Coupon Payment Date on or prior to the date falling 8 (Eight) days prior to the Interest Payment Date (T-8 days). The Coupon shall be paid by the Issuer on the Coupon Payment Date (T).

In case the DSRA Amount (or part thereof) is utilized to fund the shortfall in the amount required to make payment of the Coupon in respect of any Coupon Payment Date, immediately after the Debenture Trustee has instructed the Bank to utilise the DSRA Amount as above and in any event prior to 7 (Seven) days prior to the relevant Coupon Payment Date (T-7), the Debenture Trustee would issue a final notice in writing to the Issuer. On the issuance of such notice, the Issuer shall make good the DSRA Amount Shortfall within next 15 (Fifteen) days (T+8).

Further, immediately after the DSRA utilization, the amounts lying or credited in the escrow account shall flow into the interest payment account for DSRA replenishment and shall not be transferred by the Issuer to the general fund account(s) till the time the required DSRA amount is replenished.

It is hereby clarified that, notwithstanding the appropriation of any amount from the Escrow Account to fund the shortfall in interest payment account (including the required DSRA amount), the obligation of the Issuer to fund the interest payment account -II and sinking fund account-II to the extent of the minimum balance no later than the monthly Transfer Date shall continue until the Final Settlement Date.

Further, such notice(s) would continue to get served if required, as per the same timelines for subsequent and future servicing. If any over dues on account of past servicing from the DSRA Amount continues to remain and the Required DSRA Amount continues to remain un-replenished, then such overdue amount would be added in the subsequent notice.

If any of the milestone days mentioned in the T-Structure above (except the coupon payment dates) happens to not be a Business Day, the immediately preceding Business Day would be the deemed date for execution of the relevant action.

Principal Repayment (Sinking Fund) Mechanism

The Debenture Trustee shall check the balance in the Sinking Fund Account-II prior to the end of each 12 month block and in case of any Sinking Fund mismatch it shall be replenished as per the following mechanism:-

The Debenture Trustee shall check the amount lying to the credit of Sinking Fund Account-II at 45 (Forty Five) days prior to the end of each 12 month block (T). In case of any Sinking Fund mismatch, the Debenture Trustee shall intimate Issuer of the shortfall and Issuer shall make good the Sinking Fund mismatch 15 (Fifteen) days prior to the end of each 12 month block (T-15 days).

Further, in case of shortfall on T-45 days, the amounts lying or credited in the escrow account shall flow into the sinking fund account for funding the shortfall and shall not be transferred by the Issuer to the general fund account(s) till the time the shortfall is funded.

In case of shortfall still persists in in the Sinking Fund Account-II at 14 (Fourteen) days prior to the end of each 12 month block (T-14 days), the Debenture Trustee shall trigger the payment mechanism and shall instruct the Bank to utilise the Upfront FD -2 to the extent of the shortfall in the Sinking Fund Account-II on or prior to the date falling 13 (Thirteen) days prior to the end of each 12 month block (T-13 days).

In case the Upfront FD-2 (or part thereof) is utilized to fund the shortfall in the amounting sinking fund account prior to the end of each 12 month block, immediately after the Debenture Trustee has instructed the Bank to utilise the Upfront FD-2 as above and in any event prior to 12 (Twelve) days prior to the end of each 12 month block (T-12), the Debenture Trustee would issue a final notice in writing to the Issuer. On the issuance of such notice, the Issuer shall replenish the Upfront FD-2 within next 12 (Twelve) days (T). Further, immediately after the utilization of Upfront FD-2, the amounts lying or credited in the escrow account shall be utilized for replenishment of Upfront FD-2 and shall not be transferred by the Issuer to the general fund account(s) till the time Upfront FD -2 is fully replenished.

It is hereby clarified that, notwithstanding the appropriation of any amount from the Escrow Account to fund the shortfall in sinking fund account and Upfront FD-2, the obligation of the Issuer to fund the interest payment account and sinking fund account to the extent of the minimum balance no later than the monthly Transfer Date shall continue until the Final Settlement Date.

The redemption shall be made by the Issuer on the relevant Redemption Dates.

If the redemption/maturity date of the STRPPs falls on a non-business day, the redemption proceeds shall be paid on the previous working day. In such case, along with the redemption proceeds, the coupon accrued on such STRPP shall also be paid on the previous working day.

If any of the milestone days mentioned in the T-Structure above happens to not be a Business Day, the immediately preceding Business Day would be the deemed date for execution of the relevant action.

The Debenture Trustee shall keep the Rating Agencies informed of any shortfall in the Interest Payment Account -II (including in the Required DSRA Amount), Upfront FD-2 and Sinking Fund Account -II.

Nashik Municipal Corporation

'Crisil AA+/Stable' Converted from Provisional Rating to Final Rating for Bond

Rating Action

Rs.200 Crore Green Municipal Bonds&	**Provisional Crisil AA+/Stable (Reaffirmed)**
Rs.200 Crore Bond	**Crisil AA+/Stable (Converted from Provisional Rating to Final Rating)**

& A prefix of 'Provisional' indicates that the rating centrally factors in the strength of specific structures, and is contingent upon occurrence of certain steps or execution of certain documents by the issuer, as applicable, without which the rating would either have been different or not assigned ab initio. This is in compliance with a May 6, 2015 directive 'Standardizing the term, rating symbol, and manner of disclosure with regards to conditional/ provisional/ in-principle ratings assigned by credit rating agencies' by Securities and Exchange Board of India (SEBI) and April 27, 2021 circular 'Standardizing and Strengthening Policies on Provisional Rating by Credit Rating Agencies (CRAs) for Debt Instruments' respectively by SEBI.

1 crore = 10 million
Refer to Annexure for Details of Instruments & Bank Facilities

Detailed Rationale

Crisil Ratings has converted its provisional rating to the Rs 200 crore bonds of Nashik Municipal Corporation (NMC) to a final rating of '**Crisil AA+/Stable**' after receiving the documents executed for the transaction. The documents are in line with the transaction terms at the time of assigning the provisional rating. Hence, Crisil Ratings has converted the provisional rating into a final rating.

As required, Crisil Ratings has received copy of the following final legal documents:

- Debenture trustee agreement
- Debenture trust deed
- Escrow agreement
- Issue proceeds agreement
- Final representation and warranties letter
- Final debenture trustee consent letter
- Final debenture trustee awareness letter
- Final term sheet

Crisil Ratings has reaffirmed its 'Provisional Crisil AA+/Stable' rating on the proposed green municipal bond of Rs 200 crore of the NMC as it factors in the proposed trustee-administered escrow and bond payment mechanism as outlined in the draft term sheet.

The rating on the Rs 200 crore bond issued and Rs 200 crore proposed green municipal bond reflects the strength of the trustee-administered escrow and payment mechanism as outlined in the draft term sheet which incorporates escrow of own tax and non-tax revenues as well as the structured payment mechanism. The rating also takes comfort from liquidity in the form of debt service reserve account (DSRA) amounting to 1 year of interest obligation. The rating also factors in the upfront creation of liquidity (Rs 20 crore in the form of a fixed deposit for servicing principal. (Refer to the annexure for the payment mechanism for interest payment and redemption for both the bonds).

The rating also reflects the strong creditworthiness and low performance risk of NMC, moderate debt service coverage ratio (DSCR) leading to low impact of future flow on other obligations of the corporation. The linkage of the inflow to the performance of NMC is low, as the inflow is dependent on its own revenue. The expected high DSCR, coupled with stable (yet growing) inflow and low debt, will keep the financial risk profile comfortable. The structure also has points of recourse in case of shortfall in cash flow. The green municipal bond is expected to be issued in the coming months, subject to execution of documents and fulfilment of other requirements mentioned in the rating rationale.

The rating also factors in the adequate financial risk profile of the corporation, backed by improved operations and revenue surplus of Rs 618 crore in fiscal 2025, continued support from the government in the form of grants and compensation, comfortable liquidity, favourable economic base and sound service arrangements. These strengths are partially offset by modest cost recovery and collection efficiency and high dependence on state government grants in the form of GST compensation.

Analytical Approach

Crisil Ratings has applied its criteria on future flow securitisation.

Key Rating Drivers - Strengths

Strong escrow mechanism

The escrow and bond payment mechanism provides adequate strength to bond issuance. The own revenue escrowed at collection, trustee-managed escrow mechanism with the corporation escrowing own revenue and payment structure with recourse to the originator ensure sufficient safety for timely debt servicing for the investors. The creation of a DSRA equivalent to annual interest payment before pay-in and its maintenance throughout the tenure provides comfort on liquidity. The corporation will additionally create an upfront liquidity of 10% of the issue amount as a fixed deposit to be utilized for transfers to sinking fund account. In addition to the upfront liquidity, accelerated accumulation of the principal amount in sinking fund account enhances the strength of the structure. The DSCR is also expected to be high through the tenure of the instrument. Additionally, the principal amount, coupon payment and other charges will be secured through First paripassu charge over present and future receivables pertaining to its own revenues. Any non-adherence to the payment structure mechanism will be a key rating sensitivity factor.

Strong financial risk profile, backed by healthy operating surplus and liquidity

In fiscal 2025, NMC had healthy operating surplus of over Rs 600 crore, driven by timely and adequate GST compensation received by the corporation and other revenue sources such as property tax, fees and rental income. Revenue receipts grew by 14% to Rs 2262 crore in fiscal 2025 (from Rs 1,985 crore in fiscal 2024), led by stable revenue receipts. Revenue surplus is expected to be healthy at over Rs 600 crore per annum, driven by steady revenue receipts over the medium term. This is supported by an annual increase of 8% in the GST/LBT compensation received from the state government.

Over the years, capex has been almost entirely funded from revenue surplus, resulting in low reliance on capital grants and borrowing. NMC had nil debt as on March 31, 2025. The large, proposed capex towards the Kumbh Mela of ~Rs 5000 crore is likely to be funded through a mix of government grants, bond funding, and adequate liquidity.

Good service arrangements

NMC has good civic infrastructure and delivery systems. High-quality infrastructure is marked by good solid waste management practices, strong coverage of service delivery and adequate treatment capacities. Furthermore, successful implementation of many electronic reforms by NMC helped improve productivity and save on cost.

Water supply and sewerage systems cover over 100% of the population and the corporation has adequate treatment capacity for the sewage generated. Solid waste management services are good, reflected in 100% door-to-door collection and waste disposal.

Key Rating Drivers - Weaknesses

Modest cost recovery for services provided and collection efficiency

Although the corporation has good service arrangements, cost recovery for water supply, solid waste management and sewerage has been low. Collection efficiency of property taxes, which are major sources of revenue, was also modest at ~60% for fiscal 2025. Initiatives by NMC to expand citizen outreach through various mediums (including social media) and discount schemes are expected to improve collection efficiency going ahead.

High dependence on state government grants in the form of GST compensation

The state government has been providing GST compensation for the loss of revenue to urban local bodies (ULBs) in lieu of local body tax (LBT). LBT collected by ULBs was abolished with the implementation of GST. In fiscal 2025, the corporation received GST compensation of Rs 1,466 crore, contributing to around 65% of total revenue receipts in the fiscal. Among own sources of revenue, the contribution of property tax to NMC's total revenue was 10% in fiscal 2025. Cost recovery from other services, such as water supply, sewerage and solid waste management, is low and does not cover operations and maintenance expenses.

NMC's inability to develop alternative sources of revenue results in a high degree of concentration of revenue in GST collections. High share of GST compensation in revenue receipts has increased the dependence of NMC on the state government. NMC has been receiving timely and adequate GST compensation, but this will remain a key monitorable over the medium term.

Liquidity Strong

It has sizeable, unencumbered liquidity in the form of fixed deposits worth ~Rs 1700 crore as on March 31, 2025, against nil debt. The operating surplus is expected to remain over Rs 600 crore against debt obligation of maximum Rs 100 crore per annum over the medium term (including the sinking fund contribution). NMC is likely to maintain its healthy liquidity and continue to generate an operating surplus, which will be sufficient to meet its debt obligation and fund a portion of the capex.

Outlook Stable

NMC will continue to benefit from healthy operating surplus and implement its substantial capex in a timely manner.

Rating Sensitivity Factors

Upward factors:

- Steady growth in revenue receipts, with share of own revenue at more than 60%
- Significant improvement in general tax collection efficiency and cost recovery of services

Downward factors:

- Reduction in support from the state government in terms of GST compensation
- Large, debt-funded capex, impacting the debt protection metrics
- Operating surplus declining below 20% of revenue receipts on sustained basis
- Non-adherence to the escrow and payment mechanism.

Additional disclosures for the provisional rating

The 'provisional' rating will be converted into a 'final' rating on receipt of the following documents duly executed:

- Debenture trust deed
- Debenture trustee appointment agreement
- Escrow agreement
- Final representation and warranties letter
- Final debenture trustee consent letter
- Final debenture trustee awareness letter
- Final term sheet

Additional documents, if any, executed for the transaction will also have to be provided. A rating rationale/report indicating conversion of the 'provisional' rating into a 'final' rating will be published on the Crisil Ratings website on receipt of the required documents.

The provisional rating shall be converted into a final rating after receipt of the transaction documents duly executed within 90 days from the date of issuance of the instrument.

The final rating assigned, following the conversion, shall be consistent with the available documents. In case of non-receipt of the duly executed transaction documents within the above-mentioned timelines, the rating committee of Crisil Ratings may grant an extension of up to 90 days, in line with its policy on provisional ratings.

Rating that would have been assigned in the absence of the pending documentation
In the absence of the pending documentation considered while assigning the provisional rating as mentioned earlier, Crisil Ratings would have assigned a rating of 'Crisil AA-'.

Risks associated with the provisional rating:
The 'Provisional' prefix indicates that the rating is contingent on occurrence of certain steps or execution of certain documents by the issuer, as applicable. If the documents received and/or completion of steps deviate significantly from the expectations, Crisil Ratings may take an appropriate action, including placing the rating on watch or changing the rating/outlook, depending on the status of progress on a case to case basis. In the absence of the pending steps / documentation, the rating on the instrument would not have been assigned ab initio.

About the corporation
NMC is governed by the Maharashtra Municipal Corporation Act and has jurisdiction over 259.13 square kilometres. It provides a range of civic services to around 14, 86,973 people (as per 2011 census). Majority of these include water supply, sewerage disposal and solid waste management.

Any other information:
Annexure
Broad contours of the escrow structure pertaining to the Rs 200 crore issued bond are as follows:

- All funds as own revenue/cash flow (own revenue/cash flow here shall mean the revenue/cash flow being directly levied and collected/recovered by the issuer and not being the revenue/cash flow received from the government in the form of grants, contributions and subsidies, assigned revenue and compensations or others. The revenue/cash flow being directly levied and collected/recovered by the issuer include tax revenue, rental income from municipal properties, fees and user charges, sale and hire charges). Collection accounts(s) shall be transferred to a separate no-lien escrow account for debt servicing. This transfer is done on daily basis.
- Eligible bond holders and lenders shall have first and pari passu charge over the escrow account collections.
- The funds lying in the escrow account shall be used to meet minimum balance required in the account. The surplus funds after meeting the minimum balance can thereafter be transferred to NMC on daily basis. The funds should be first utilised to accumulate the minimum balance in the escrow account. The surplus funds after meeting the minimum balance can be transferred to general fund account.
- Monthly contribution to be transferred from the escrow account to IPA (interest payment account) shall be calculated separately for each bond/NCD/loan facility as per the terms of the said issuance/facility.
- NMC shall open the following accounts for servicing the interest and principal of the proposed bonds for the exclusive benefit of the bond holders:
    - Escrow account
    - IPA – Series I ("IPA - I")
    - Sinking fund account (SFA) – Series I ("SFA - I")
- The IPA – I shall be funded one day before the pay-in date with an amount equal to annual interest payments for bonds referred to as DSRA amount.
- At the end of every month, the funds lying/deposited in escrow account shall be used in the following priority:
    - The funds should be first utilized to fund any shortfall in required DSRA amount (in case of utilization of the DSRA amount), Upfront FD-1 (in case of utilization of the Upfront FD-1 amount), Interest payment account and the sinking fund account as per the interest payment and sinking fund mechanism;
    - Thereafter, the funds should be utilized to accumulate the Minimum Balance in Escrow Account. The Minimum Balance to be maintained in any monthly period expiring on the Transfer Date (Transfer date here means last date of any monthly period) shall be the amount to be transferred to the Interest Payment Account and Sinking Fund Account on the Transfer Date;

- The Minimum Balance shall not be used for any purpose other than transfer to the Interest Payment Account and Sinking Fund Account;
- (The surplus funds, if any, after first accumulating the Minimum Balance can thereafter be transferred to the general fund account(s) after a one-time written instruction providing for such transfer is given by the Debenture Trustee for such monthly period provided however that, in case of a shortfall in any of the Interest Payment Account (including towards maintenance of the Required DSRA Amount) or Sinking Fund Account, no transfer to the general fund account(s) shall be effected and the surplus funds shall first be utilised towards funding the relevant account in which there is a shortfall.

- The amount deposited in IPA and SFA shall be used solely for meeting the dues to the bondholders.
- No amount can be withdrawn from these accounts without the approval of the trustees to the bond holders.
- The issuer shall one day prior to the pay-in date, create upfront fixed deposit in terms of the transaction documents for an amount equivalent to 10% of the total bond issue size and the same will be used for principal repayment.
- The principal amount of the debentures to be issued with all the coupon due on the debentures, as well as costs, charges, all fees, remuneration of the debenture trustee and expenses payable in respect thereof has been secured by way of First paripassu charge charge over present and future receivables pertaining to its own revenue/ cash flow.

Rs 200 crore Green Municipal Bond

Broad contours of the escrow structure pertaining to the current Rs 200 crore proposed Green Municipal bond issue are as follows:

- All funds as own revenue/cash flow (own revenue/cash flow here shall mean the revenue/cash flow being directly levied and collected/recovered by the issuer and not being the revenue/cash flow received from the government in the form of grants, contributions and subsidies, assigned revenue and compensations or others. The revenue/cash flow being directly levied and collected/recovered by the issuer include tax revenue, rental income from municipal properties, fees and user charges, sale and hire charges). Collection accounts(s) shall be transferred to a separate no-lien escrow account for debt servicing. This transfer is done on daily basis.
- Eligible bond holders and lenders shall have first and pari passu charge over the escrow account collections.
- The funds lying in the escrow account shall be used to meet minimum balance required in the account. The surplus funds after meeting the minimum balance can thereafter be transferred to NMC on daily basis. The funds should be first utilised to accumulate the minimum balance in the escrow account. The surplus funds after meeting the minimum balance can be transferred to general fund account.
- Monthly contribution to be transferred from the escrow account to IPA (interest payment account) shall be calculated separately for each bond/NCD/loan facility as per the terms of the said issuance/facility.
- NMC shall open the following accounts for servicing the interest and principal of the proposed bonds for the exclusive benefit of the bond holders:
    - Escrow account
    - IPA – Series II (“IPA - II”)
    - Sinking fund account (SFA) – Series II (“SFA - II”)
- The IPA – II shall be funded one day before the pay-in date with an amount equal to annual interest payments for bonds referred to as DSRA amount.
- At the end of every month, the funds lying/deposited in escrow account shall be used in the following priority:
    - The funds should be first utilized to fund any shortfall in required DSRA amount (in case of utilization of the DSRA amount), Upfront FD-2 (in case of utilization of the Upfront FD-2 amount), Interest payment account and the sinking fund account as per the interest payment and sinking fund mechanism;
    - Thereafter, the funds should be utilized to accumulate the Minimum Balance in Escrow Account. The Minimum Balance to be maintained in any monthly period expiring on the Transfer Date (Transfer date here means last date of any monthly period) shall be the amount to be transferred to the Interest Payment Account and Sinking Fund Account on the Transfer Date;
    - The Minimum Balance shall not be used for any purpose other than transfer to the Interest Payment Account and Sinking Fund Account;
    - (The surplus funds, if any, after first accumulating the Minimum Balance can thereafter be transferred to the general fund account(s) after a one-time written instruction providing for such transfer is given by the Debenture Trustee for such monthly period provided however that, in case of a shortfall in any of the Interest Payment Account (including towards maintenance of the Required DSRA Amount) or Sinking Fund Account, no transfer to the general fund account(s) shall be effected and the surplus funds shall first be utilised towards funding the relevant account in which there is a shortfall.
- The amount deposited in IPA and SFA shall be used solely for meeting the dues to the bondholders.
- No amount can be withdrawn from these accounts without the approval of the trustees to the bond holders.
- The issuer shall one day prior to the pay-in date, create upfront fixed deposit in terms of the transaction documents for an amount equivalent to 10% of the total bond issue size and the same will be used for principal repayment.
- The principal amount of the debentures to be issued with all the coupon due on the debentures, as well as costs, charges, all fees, remuneration of the debenture trustee and expenses payable in respect thereof has been secured by way of First paripassu charge over present and future receivables pertaining to its own revenue/ cash flow.

Dear Sir/Madam,

Re: Rating Letter for NCD of Nashik Municipal Corporation

India Ratings and Research (Ind-Ra) has taken the following rating actions on Nashik Municipal Corporation's (NMC) bonds as follows:

Instrument Type	Date of Issuance	Coupon Rate	Maturity Date	Size of Issue (million)	Rating assigned along with Outlook/Watch	Rating Action
Proposed municipal bonds*#	-	-	-	INR0.10	Provisional IND AA+/Stable	Assigned
Proposed municipal bonds*#	-	-	-	INR1,999.90	Provisional IND AA+/Stable	Affirmed
Municipal bonds$^#	-	-	-	INR2,000	IND AA+/Stable	Converted to final

$Details in annexure

*The rating is provisional and contingent upon execution of certain documents and/occurrence of certain steps. Please refer to the section, DISCLOSURES FOR PROVISIONAL RATING, for additional details as per the Securities and Exchange Board of India's (SEBI) Master Circular.

^NMC issued INR2,000 million worth of municipal bonds on 25 November 2025. The rating has been converted to final from provisional after receiving key executed transaction documents that conform to the previously received information by Ind-Ra and depositing one annual interest instalment for the interest payment account as on 24 November 2025 as fixed deposit under lien to debenture trustee (DT) (minor deviation from transaction documents), which was required to be deposited one day prior to the pay-in date in interest payment account (IPA). The final rating, therefore, is the same as the provisional rating assigned on 19 September 2025. The key documents received are the debenture trustee deed, escrow agreement, final term sheet, final information memorandum, IPA statement, sinking fund fixed deposit (FD) and state government approval.

#Frequency of interest payment is to be half yearly for both the issuances

In issuing and maintaining its ratings, India Ratings relies on factual information it receives from issuers and underwriters and from other sources India Ratings believes to be credible. India Ratings conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security.

The manner of India Ratings factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in India where the rated security is offered and sold, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors.

Users of India Ratings ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information India Ratings relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its ratings India Ratings must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

India Ratings seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. For this reason, you should always consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that India Ratings is continuously evaluating and updating. Therefore, ratings are the collective work product of India Ratings and no individual, or group of individuals, is solely responsible for a rating. All India Ratings reports have shared authorship. Individuals identified in an India Ratings report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. India Ratings is not your advisor, nor is India Ratings providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services. Investors may find India Ratings ratings to be important information, and India Ratings notes that you are responsible for communicating the contents of this letter, and any changes with respect to the rating, to investors.

It will be important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason India Ratings deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between India Ratings and you or between India Ratings and any user of the ratings.

In this letter, “India Ratings” means India Ratings & Research Pvt. Ltd. and any successor in interest.

We are pleased to have had the opportunity to be of service to you. If we can be of further assistance, please email us at infogrp@indiaratings.co.in

India Ratings Converts Nashik Municipal Corporation's Municipal Bonds Provisional Rating to Final; Assigns Proposed Municipal Bonds 'Provisional IND AA+'/Stable; Affirms Existing Ratings

Jan 14, 2026 | Urban Local Bodies

India Ratings and Research (Ind-Ra) has taken the following rating actions on Nashik Municipal Corporation's (NMC) bonds as follows:

Details of Instruments

Instrument Type	Date of Issuance	Coupon Rate	Maturity Date	Size of Issue (million)	Rating assigned along with Outlook/Watch	Rating Action
Proposed municipal bonds*#	-	-	-	INR0.10	Provisional IND AA+/Stable	Assigned
Proposed municipal bonds*#	-	-	-	INR1,999.90	Provisional IND AA+/Stable	Affirmed

$Details in annexure

*The rating is provisional and contingent upon execution of certain documents and/occurrence of certain steps. Please refer to the section, DISCLOSURES FOR PROVISIONAL RATING, for additional details as per the Securities and Exchange Board of India's (SEBI) Master Circular.

^NMC issued INR2,000 million worth of municipal bonds on 25 November 2025. The rating has been converted to final from provisional after receiving key executed transaction documents that conform to the previously received information by Ind-Ra and depositing one annual interest instalment for the interest payment account as on 24 November 2025 as fixed deposit under lien to debenture trustee (DT) (minor deviation from transaction documents), which was required to be deposited one day prior to the pay-in date in interest payment account (IPA). The final rating, therefore, is the same as the provisional rating assigned on 19 September 2025. The key documents received are the debenture trustee deed, escrow agreement, final term sheet, final information memorandum, IPA statement, sinking fund fixed deposit (FD) and state government approval.

#Frequency of interest payment is to be half yearly for both the issuances

Analytical Approach

Ind-Ra continues to take a standalone view of NMC.

Detailed Rationale of the Rating Action

The rating reflects the operational and financial profile of NMC, performance of the escrowed assets (own revenue) and the enforceable nature of these collections by the corporation. The rating also factors in the legal foundation and custodial arrangement of the structured payment mechanism, which will be monitored and controlled by the DT.

For both the issuances (issued and proposed), the structured payment mechanism is backed by an IPA and a sinking fund

account (SFA). Municipal bonds were issued to the tune of INR2,000 million on 25 November 2025. The bonds are issued at a fixed coupon of 7.80% p.a. that mitigates the interest rate risk. The IPA was supposed to be pre-funded with one annual interest instalment, which is the required debt service reserve (DSR) amount to meet the requirements of The Securities and Exchange Board of India's (SEBI) circular in relation to the 'Continuous disclosures and compliances by the listed entities under the SEBI (Issue and Listing of Municipal Debt Securities) Regulations, 2015' dated 13 November 2019. Instead of transferring funds to the IPA and then earmarking lien to the trustee, NMC has made a fixed deposit under lien to DT of INR156 million (7.80% of INR2,000 million), which forms up to be annual interest instalment requirement from general funds. Also, under the structure, a fixed deposit was required to be made to the tune of 10% of the issuance amount, which was also made for INR200 million one day before the pay-in date. NMC made both the fixed deposits from their general funds. Banker has ensured that fixed deposits upon maturity will be deposited into respective IPA and SFA accounts as required. In Ind-Ra's assessment, a minor deviation in the structured payment mechanism (SPM) protects investor's interest to the same extent as envisaged in the SPM.

For Green bonds- Series II, the IPA will be pre-funded with an amount equal to one year's interest payment, which is the required DSR amount, instead of creating a separate DSRA to meet the requirements of the SEBI's circular in relation to the 'Continuous Disclosures and Compliances by the Listed Entities under the SEBI (Issue and Listing of Municipal Debt Securities) Regulations, 2015' dated 13 November 2019. Also, under the structure a fixed deposit is required to be made to the tune of 10% of the issuance amount which will be made one day before the pay-in date. As per the draft term sheet, the municipal bonds would be issued at a fixed rate of interest, which mitigates the interest rate risk.

The rating reflects NMC's healthy coverage of debt servicing obligations (interest payment plus proportionate principal deposited in the SFA or instalment of principal redemption) during the tenor of the bonds in the rating case scenario. In Ind-Ra's assessment, the structured payment mechanism of the bond is strong.

List of Key Rating Drivers

Strengths

- Adequacy of escrowed revenue stream
- Structured debt servicing mechanism
- Trustee-monitored payment mechanism
- Adequate own revenue sources
- Consistent revenue surplus and low debt

Weaknesses

- Moderate collection efficiency of property tax
- Civic services delivery remains key monitorable

Detailed Description of Key Rating Drivers

Adequacy of Escrowed Revenue Stream: Ind-Ra expects the escrowed tax and non-tax revenues to provide an adequate cover for NMC's debt obligations during the tenure of municipal bonds. NMC depends on own sources of revenue income, primarily property taxes, water and conservancy taxes, professional taxes and non-tax revenue such as fees and user charges. Under the structure for both the issuances, receivables from the entire own revenue would be escrowed for the servicing of debt repayment obligations. The escrowed collections will be first utilised for meeting the minimum balance required to be transferred to IPA and SFA. The escrowed revenue increased to INR6,635.67 million in FY25 (FY24: INR4,485.06 million).

Structured Debt Servicing Mechanism: Ind-Ra believes that structure payment mechanism will provide adequate support to investor interest. NMC has already issued bonds worth INR2,000 million in November 2025 as per the plans laid out for bonds issuance. As per the said plan, NMC will further issue municipal bonds to the tune of INR2,000 million as per the draft term sheet which will be Green Bonds in nature (as per the last draft term sheet issuance under the second tranche was INR1,999.9 million which now stands revised to INR2,000 million). NMC has already created an upfront liquidity buffer of 10% of the issue amount as a FD to fund sinking fund for NMC BONDS - SERIES- I, which is issued for four and five

years in two sub-series. For the proposed issuance of green bonds NMC will create an upfront liquidity buffer of 10% of the issue amount as a FD, one day prior to the pay-in date (deemed date of allotment). It will be utilised for principal repayment, as per structured payment mechanism. The tenor of the second tranche (NMC GREEN BONDS - SERIES- II) to the tune of INR2,000 million is proposed to be three-to-10 years in eight sub-series.

Under the structure for both tranches, an amount equivalent to the annual instalment of interest payment will be always maintained in IPA as DSRA amount, which will be created by transferring the required funds one day prior to the pay-in date. NMC will also create an escrow mechanism; wherein the whole of own revenue shall be transferred to an escrow account on a daily basis. On a monthly basis, the minimum balance – an aggregate of monthly fund required to service debt will be transferred to servicing accounts from the escrow account. The funds in the escrow account shall be used in the following order of priority: a) the funds should be first utilised to fund any shortfall in the required DSRA amount, sinking fund FD, IPA and SFA; b) thereafter, the funds will be utilised to accumulate the minimum balance; c) the minimum balance shall be utilised for transfers to IPA and SFA; and d) the issuer with a prior written consent of the debenture trustee can transfer surplus funds after accumulating minimum balance to general funds, provided there is no shortfall in IPA (including DSRA) or SFA or sinking fund FD. The following amounts will be required to be transferred to IPA and SFA from the escrow account as mentioned above each year (each year here means each period of 12 months from the deemed date of allotment until the maturity date and is also referred to as '12-month block') on the first priority basis. Refer to the annexure for the structure's detailed trustee monitoring mechanism.

Trustee-monitored Payment Mechanism: All accounts will be monitored by the debenture trustee. The funds deposited in IPA and SFA shall be used solely to meet bondholder dues. Any surplus in the escrow account can be transferred to NMC's account with trustee approval.

Adequate Own Revenue Sources: Ind-Ra expects NMC's reliance on its own revenue to sustain in the medium term. NMC has the ability to generate adequate revenue from its own sources including the goods and services tax (GST) compensation to fund its revenue expenditure. The tax and non-tax revenue constituted 9.21% and 18.99%, on an average, of the total revenue income over FY21-FY25, respectively. The corporation's revenue income increased to INR22,603.49 million in FY25 (FY24: INR19,877.20 million). The non-tax revenue was the key driver of revenue income during this period, where fees and user charges collections remained higher than property taxes.

The share of assigned revenue in the total revenue income which is the GST compensation averaged 57.60% during FY21-FY25, indicating a higher dependence on assigned revenue and a moderate dependence on own income sources to meet its revenue expenditure requirements. The ratio of grant income (revenue and capital grants combined), on an average, in the last five years has been around 3.25% and was 1.76% in FY25, reflecting low revenue dependence from the upper tiers of government and greater reliance on its own resources to fund both revenue and capital expenditure.

Consistent Revenue Surplus and Low Debt: Ind-Ra expects the consistent revenue surplus to continue over the medium term, supported by tax revenue and non-tax revenue. NMC reported revenue surplus over FY21-FY25 (FY25: INR6,878.61 million; FY24: INR3,683.37 million), mainly due to higher revenue income on account of higher GST compensation received over and above own tax and non-tax revenues. NMC funds major capex from its own revenues as dependence on the government grants is low, which is supported by their consistent revenue surplus. Operating margin remained healthy during FY21-FY25.

Ind-Ra expects NMC's debt service coverage ratio (DSCR) to remain comfortable over the medium term. Ind-Ra will closely monitor the coverage adequacy during the entire tenure of the municipal bonds. NMC had been debt free for over the past five years. In FY26, NMC has issued municipal bonds under NMC Bonds- Series- I to the tune of INR2,000 million. NMC has sufficient free cash balance to meet any immediate debt servicing requirement for both the issuances (issued and proposed).

Moderate Collection Efficiency of Property Tax: Ind-Ra notes that the property tax arrears have been increasing annually and its collection is low resulting in overall property tax collection efficiency being less than 33% during FY21-FY25 and expects it to improve gradually in near-term. The property tax collection efficiency (current) stood at 59%-62% during FY21-FY25 (FY25: 60.31%; FY24: 61.68%). The overall tax collection efficiency was pulled down by low arrears efficiency

(FY25: 20.6%). NMC is positive that property tax collections will grow in the near to medium term primarily due to various initiatives and measures implemented by NMC to boost collection including the rate revision pendency. The corporation expects to improve its current property tax collection efficiency to over 65% in the medium term.

Civic Services Delivery Remains Key Monitorable: Ind-Ra notes that the service delivery for sewerage treatment and continuity of water supply is lower than the benchmarks and it will be a key monitorable. NMC's service delivery levels for water supply (100%), sewerage treated (99.1%) and solid waste collection (100%) remained comfortable in FY25, against the benchmark levels of 100% for each of the services set by the Ministry of Housing and Urban Affairs. The per capita supply of water stood at 180 litres per capita per day in FY25, against the benchmark of 135 litres per capita per day. However, NMC's performance was less than adequate in areas such as continuity of water supply (FY25: 1.5-3 hours against benchmark of 24 hours per day).

NMC has undertaken and completed several works in the areas of water supply, sanitation and sewerage under the Atal Mission for Rejuvenation and Urban Transformation Scheme (AMRUT), which Ind-Ra believes would improve civic services delivery in the medium term. NMC undertook these capital works from its own revenue sources.

Liquidity

Superior: Ind-Ra expects NMC to maintain a healthy liquidity profile in the medium term by generating operating surplus and accumulated cash buffers. NMC's liquidity position is supported by sustained operating surpluses, sizeable cash and bank balances, and unencumbered investments in fixed deposits The debt servicing has been nil on account of NMC being debt free over the past five years. As per the management, the corporation always maintains liquidity equivalent to three months of expenses as buffer. NMC's cash balances and unencumbered investments stood at INR17,006.67 million at FYE25 (FYE24: INR12,235.24 million). The frequency of interest payment of the proposed bonds is half-yearly. NMC has no debt repayment requirement in FY26 and in FY27 as of now basis the issued bonds worth INR2,000 million only interest payment will take place in FY27 for INR156.00 million. Ind-Ra expects the DSCR to be healthy in the medium term.

Rating Sensitivities

Positive: The positive rating triggers are not applicable for the rated instrument of the urban local body as the instrument rating will have a cap of 'IND AA+' in the absence of any unconditional, irrevocable, pre-default and continuing guarantee from the sovereign for principal and interest payments throughout the life of the instrument or a full/partial credit guarantee from any multilateral donor agency.

Negative: Events that may, individually or collectively, lead to a negative rating action are:
- a breach of financial covenants and a deviation from the structured payment mechanism,
- an unanticipated increase in the debt levels resulting in DSCR remaining below 2.0x for two consecutive years,
- a higher dependence on grants and/or deterioration in revenue on a sustained basis,
- property tax collection efficiency falling below 50% on a sustained basis, and
- failure or breach to comply with SEBI listing requirements with regard to timely disclosure on a sustained basis.

Disclosures for Provisional Rating

1) RATING THAT WOULD HAVE BEEN ASSIGNED IN THE ABSENCE OF THE PENDING STEPS/ DOCUMENTATION

Ind-Ra would have assigned 'IND AA-' in the absence of the pending steps/documentation.

2) PENDING STEPS/ DOCUMENTATION CONSIDERED WHILE THE ASSIGNING PROVISIONAL RATING AND RISKS ASSOCIATED WITH THE PROVISIONAL NATURE OF THE CREDIT RATING:

Sr. No.	Pending documentation/steps considered while assigning provisional rating	Risks associated with the provisional nature of the credit rating in the absence of completed documentation/steps
1.	Final debenture trust deed	Weaker structure and monitoring; risks to timeliness of payment; lower protection to investors.

* Additionally, any other relevant documents executed for the transaction should be provided to the agency.

3) VALIDITY PERIOD

The final rating, upon the receipt of executed documents consistent with the draft documents, shall be assigned within 90 days from the date of issuance of the instrument. The provisional rating may be extended by another 90 days, subject to Ind-Ra's policy, if the execution of the documents is pending.

Any Other Information

Financial Covenants for both the issuances

1. NMC shall, at all times till the debentures are outstanding, ensure that the total amounts collected in the escrow account in any financial year shall be at least 1.25x of the annual payments amount. As per the term sheet, the term annual payments amount shall, in respect of any financial year, mean the aggregate of: (a) the coupon payable on outstanding borrowings in such year (in relation to the present Bond Issue (Series I), green bond issue (Series II) and any further borrowings); and (b) the portion of outstanding principal amount of the debentures which are
required to be deposited by the Issuer into the SFA-I in such financial year (in relation to both the bond issuances and any further borrowings), (c) principal repayment amount (where the SFA is not created), in terms hereof.
2. NMC shall maintain the following ratios on an ongoing basis and the same should be tested at least at the end of each financial year:
DSCR for the NMC shall not be less than 1.25x times as the below:
DSCR = operating surplus/total debt service

i. Operating surplus calculated as the below: operating surplus = total income – adjusted expenditure; total income =total income of the corporation as per the audited income and expenditure statement.; adjusted expenditure = total expenditure as per the audited income and expenditure statement –depreciation – finance charges - other non-cash expenditures.
ii. Total debt service = interest payment of loans and bonds + principal repayment deposited in the sinking fund or installment of principal repayment (where the SFA is not created)
So long as the eligibility conditions are met, the issuer shall be entitled to raise further financial indebtedness based on its cash flows including the cash flows through the escrow account, provided that nothing in this provision should be construed to permit the creation of any encumbrance over the hypothecated property (except for Series I and Series II bond holders) without the express prior written consent of the debenture trustee subject to the applicable law. For the purpose of this term sheet, the term eligibility conditions shall mean the following conditions: (a) the annual payments ratio is maintained by the issuer; (b) the DSCR of 1.25x is maintained (c) there is no shortfall in the contribution to the escrow account, the interest payment account (including towards maintenance of the required DSR amount), upfront FD and/or the SFA which has not been made good by the issuer in terms of the transaction documents; (d) no event of default has occurred.

3. Other financial covenants as defined in the transaction documents.

Broad terms of the both the issuances

On the transfer date (transfer date here means the last date of any monthly period), the funds parked in the escrow account shall be used in the following order of priority:

IPA for both the issuances

Half-yearly interest amount shall be divided into five equal parts and each part shall be transferred to IPA every month for five months. Accordingly, 20% of the half yearly coupon payment (along with any further interest payable (by whatsoever name called) as per the terms of the issuance and any shortfall in earlier contribution) shall be transferred to IPA each month as follows:-(i) first half year - from first to fifth Month; (ii) second half year - from sixth to tenth Month

SFA

NMC BONDS - SERIES- I: Total issue size of the debentures (INR2,000 million) shall be divided into four parts and each part (INR500 million) shall be transferred to SFA in each of the first to fourth year.

First to third year: Further, this one part to be transferred to SFA in each of the first three years shall be sub-divided into 10 sub-parts and each sub-part (INR 50 million) (along with any shortfall in earlier contribution) shall be transferred to SFA each month for first 10 months. Accordingly, 25% of total issue size shall be transferred each year for the first three years, of which 2.5 % each month for first 10 months of each year

Fourth year: Out of the remaining INR500 million (25% of the total issue size) to be transferred in the fourth year; i) INR300 million shall be sub-divided into six sub-parts and each sub-part (INR50 million) (along with any shortfall in earlier contribution) shall be transferred to SFA each month for the first six months.; ii) INR200 million shall be transferred to the SFA in the lumpsum from upfront fixed deposit-1 at the end of 42nd month from the deemed date of allotment. Once the SFA gets completely built up equivalent to the 100% of the total issue size i.e. INR2,000 million at the end of 42nd month from the deemed date of allotment, there shall be no further transfers to the SFA from the escrow account.

NMC GREEN BONDS - SERIES- II: Total issue size of the debentures (INR2,000 million) shall be divided into eight parts and each part (INR250 million) shall be transferred to SFA-II in each of the first to eight year.

First to seventh year: Further, this one part to be transferred to SFA-II in each of the first seven years shall be sub-divided into 10 sub-parts and each sub-part (INR25 million) (along with any shortfall in earlier contribution) shall be transferred to SFA-II each month for first 10 months. Accordingly, 12.5% of total issue size shall be transferred each year for the first seven years out of which 1.25% each month for first 10 months of each year;

Eight year: Out of the remaining INR250 million (12.5% of the total issue size) to be transferred in the eighth year; i) INR50 million shall be sub-divided into two sub-parts and each sub-part (INR25 million) (along with any shortfall in earlier contribution) shall be transferred to SFA-II each month for first two months.; ii) INR 200 million shall be transferred to the SFA-II in lumpsum from upfront FD-2 at the end of 86 months from the deemed date of allotment. Once the SFA-II gets completely built up equivalent to the 100% of the total issue size i.e. INR2,000 million at the end of 86th month from the deemed date of allotment, there shall be no further transfers to the SFA -II from the escrow account.

For both the issuances if there is any shortfall in the funds available in the escrow account to complete the aforesaid transfers to the above account(s) shall be made good by the Issuer by transfer from other account(s) of the NMC.

Structured Payment Mechanism

ANNEXURE - III

Resolutions and Approvals

Municipal Corporation Secretariat

Nashik Municipal Corporation, Nashik

Municipal Corporation General Assembly Resolution

Meeting No. 04

Subject No. 164 Resolution No. 164 Dated 09/07/2025

Reference: Letter outward No. / Account / 177 / 2025 dated 09/07/2025 from Hon'ble Commissioner and Administrator Saheb.

In accordance with the powers vested in the Honorable Administrator, as per the provisions of Section 452 (a) of the Maharashtra Municipal Corporation Act, it is hereby resolved that,

The Sihanstha Kumbh Mela is held in Nashik city every 12 years. The last time the Kumbh Mela was celebrated was in 2015-16. Lakhs of sadhus, mahants and crores of devotees from all over the country will come to Nashik city for the Kumbh Mela to be held in 2027. Nashik Municipal Corporation has to provide various necessary facilities to the sadhus, mahants and devotees coming for the said Kumbh Mela . Sadhu camps have to be built for the sadhus and mahants, temporary water supply at the said place, roads, bridges, lights, toilets, etc. have to be provided. Also, roads, water, public toilets, parking lots, and medical facilities need to be provided for devotees in the city. Similarly, since it is necessary to preserve the sanctity of the Godavari River during the festive season, it is necessary to keep the riverbed and surroundings clean, make

NASHIK MUNICIPAL CORPORATION, NASHIK

improvements at various places, carry out necessary works to make the riverbed pollution-free, and construct ghats at essential places. Work needs to be done to stop the drainage water that mixes with the riverbed and dispose of it properly, etc.

Considering all the above factors, Nashik Municipal Corporation has decided to provide basic amenities, medical services and public cleanliness to the devotees who come in large numbers for the Simhastha Kumbh Mela. A preparation plan has been prepared and the plan has been submitted for government approval. Administrative approval has been given to raise a bond of Rs 200 crore for the municipal expenditure incurred in connection with the pipeline network under the sewerage scheme for the pre-planning of the Kumbh Mela.

Also, to enable municipalities to benefit from market investments and for investors to participate in the development of the municipality, the Securities and Exchange Board of India (SEBI) has launched a Municipal Bond Index. Accordingly, local bodies in India are participating in it and raising municipal bonds. Ghaziabad Municipal Corporation and Pimpri Chinchwad Municipal Corporation have raised municipal bonds. Pimpri Chinchwad Municipal Corporation has recently raised a green bond of Rs 200 crore. The said municipality has received an incentive grant of Rs 26 crore from the Union Ministry of Housing and Urban Affairs. Therefore, the potential interest rate will be reduced from 8.15% to 5.55%.

For the Sihamstha Kumbh Mela, for the measures to be taken to reduce the pollution of the Godavari River and to preserve its sanctity so that sewage does not enter the river, The proposal for a sewerage pipeline network is being submitted by the Nashik Municipal Corporation through

NASHIK MUNICIPAL CORPORATION NASHIK

the Sewerage Department. Under this, the expenditure incurred in accordance with the approval of the plan will be made to arrange a fund of Rs. 275 crores, As per the letter given by the Superintendent Engineer, Public Works Department (Waste Water/Sewerage), it is proposed to raise Rs. 200 crore from bonds for municipal expenses.

Accordingly, considering the financial condition of the Municipal Corporation, regular development works are carried out from the amount available for capital works after deducting the committed expenses from the total income of the Municipal Corporation. Therefore, to make funds available for additional development works, a bond of Rs. 200 crore has been issued for the sewerage pipeline network costing Rs. 275 crore being submitted by the Sewerage Department. It is requested to give administrative approval of the Honorable General Assembly.

The Nashik Municipal Corporation has made token provision for raising debt in its budget for the year 2025-26. Also, approval should be given to make a provision of Rs. 50 lakhs for the expenditure incurred on raising the said loans and bonds, loan bonds and ancillary expenses, computer code 2647, for the year 2025-26. Necessary provisions will be made at the time of the revised budget for the year 2025-26.

An expert organization will have to be appointed to obtain government approval for the said loan and bond raising work, as well as to obtain approvals from government/other institutions for various stages of the work and to prepare/obtain the documents required for the loan and bond. Similarly, ratings will also have to be done for raising loans and bonds. An organization will also have to be appointed for that. For this, it is necessary to request and negotiate the rates and appoint institutions, so it is

NASHIK MUNICIPAL CORPORATION, NASHIK

necessary to appoint institutions like merchant banker, credit rating agency, debenture trustee, registrar, legal counsel, depositor, stock exchange, banker, etc.

Based on the above, the following items must be approved to issue municipal bonds.

a) Only the existing approvals of the Municipal Corporation (as listed above) may raise bonds in the form of debentures on private placement basis for implementation of projects for sewerage pipeline network up to a maximum limit of Rs. 200 crores,to finance the share of the Municipal Corporation (hereinafter referred to as Bonds) and which may be listed on a recognized stock exchange as per the terms and conditions, as per the SEBI (Issue and Listing of Municipal Debt Securities) Regulations, 2015, the Securities Contracts (Regulation) Act, 1956, the SEBI (Issue and Listing of Debt Securities) Regulations, 2008 and other laws, rules, guidelines related thereto, Notifications, circulars, or any other regulatory authority issued).

b) The Municipal Commissioner/Additional Commissioner and the authorized/jointly authorized to sign all transaction documents. This will include taking decisions on any matters including offer documents, initiatives, agreements, formation of a bond issue committee and undertaking any work related to the issuance of bonds by the municipality/corporation.

c) As mentioned above, a Bond Issue Committee (Bond Committee) of the Municipal Corporation shall be constituted and shall consist of the following members:

1) Commissioner

2) Additional Commissioner

NASHIK MUNICIPAL CORPORATION NASHIK

3) Chief Accounts and Finance Officer

4) Head of the Department concerned with the project

5) Chief Auditor

The abovementioned Bond Committee shall be authorized to decide the amount, timing and nature of the bonds, and the method of issuance. Also, in this context, the Central Bank will appoint all intermediaries and agencies including but not limited to credit agencies, trustees, legal advisors, depositors, stock exchanges, minimum subscription, retention of oversubscription, extension of term. It will also issue bonds or initiate bond issues early etc.

d) Also, the members of the Bond Committee will be jointly and severally authorized to take all further actions. They will sign all necessary deeds, all necessary documents/agreements/instruments/applications and related written events. Also, such matters as they deem necessary and desirable will be up to their discretion. The Bond Committee will be empowered to, among other things, do the following:

1) Finalizing and approving the appointment of credit rating agencies, trustees, registrars, legal counsel, depositories, stock exchanges, bankers, etc., to participate in such offers of bonds and to charge fees, commissions, brokerage Remuneration to such individuals/organizations including, etc., may be mutually agreed upon, as mentioned in their individual appointment letters.

Municipal Corporation's General Assembly/Body Resolution

Meeting No.: 05

Subject/Topic No.: 252 Resolution No. 252 Date: 5/8/2025

Reference: Letter from Hon. Commissioner and Administrator Outward No./Accounts and Finance/233/2025 dated 04.08.2025

According to the authority obtained by the Hon. Administrator Saheb as per the Section 452 (A) in the Maharashtra Municipal Corporation Act, it is resolved that,

The Simhastha Kumbh Mela is held in Nashik city every 12 years. The last time the Kumbh Mela was celebrated was in 2015-16. Lakhs of sadhus, mahants and crores of devotees from all over the country will come to Nashik city for the Kumbh Mela to be held in 2027. Nashik Municipal Corporation has to provide various necessary facilities to the sadhus, mahants and devotees who come during the Kumbh Mela period. Sadhu camps have to be built for the sadhus and mahants, temporary water supply at the said place, roads, bridges, lights, toilets etc. have to be provided. Also, roads, water, public toilets, vehicle parking, medical facilities have to be provided for the devotees in the city. Similarly, since it is necessary to preserve the sanctity of the Godavari River during the Parvani period, the riverbed and surroundings have to be kept clean, improvements have to be made at various places,

Considering all the above points, Nashik Municipal Corporation has decided to provide basic amenities, medical services and public sanitation to the devotees who come in large numbers for the Simhastha Kumbh Mela. A plan for the preparation of the Simhastha Kumbh Mela has been prepared, and the plan has been submitted to the government for approval. At present, the Department of Pre-Planning of Kumbh Mela has submitted a proposal vide letter of reference No. 3 for Augmentation of Mukane Water Supply Scheme, WTP, Construction of Gravity Main from Vilholi to Gandhinagar, Sadhugram & Nilgiri Baug WTP for Sinhastha Kumbh Rs. 395.78 Cr. under the Water Supply Scheme. A proposal is being submitted to obtain administrative approval from the Hon'ble General Assembly to raise a green bond of Rs. 200 crore for the purpose.

Also, to enable municipalities to benefit from market investments and for investors to participate in the development of the municipality, the Securities and Exchange Board of India (SEBI) has launched a Municipal Bond Index. Accordingly, local bodies in India are participating in it and raising municipal bonds. Ghaziabad Municipal Corporation and Pimpri Chinchwad Municipal Corporation have raised municipal bonds. Pimpri-Chinchwad Municipal Corporation has recently raised a green bond of Rs. 200 crore. The said municipality has received an incentive grant of Rs. 20 crore through the Ministry of Housing and Urban Affairs, Government of India. Therefore, the potential interest rate will be reduced from 8.15% to 6.00 -6.50%. The proposal for Augmentation of Mukane Water Supply

Scheme, WTP, Construction of Gravity Main from Vilholi to Gandhinagar, Sadhugram & Nilgiri Baug WTP schemes, required for Simhastha Kumbh Mela, has been submitted by the Water Supply Department. The Simhastha Authority has submitted it to the Government for approval under reference no. 1 above.

Accordingly, considering the financial position of the Municipality, regular development works are carried out from the amount available for capital works after deducting the committed expenses from the total income of the Municipality. Therefore, in order to make funds available for additional development works, Augmentation of Mukane Water Supply Scheme, WTP, Construction of Gravity Main from Vilholi to Gandhinagar, Sadhugram & Nilgiri Baug WTP under the water supply scheme Administrative approval of the Hon'ble General Assembly should be obtained for the expenditure of Rs. 395.78 crores for WTP schemes, Rs. 200 crores for green bonds and the remaining funds should be raised from UCF (Urban Challenge Fund) or Municipal Corporation share.

Nashik Municipal Corporation has made token provision for raising loans in its budget for the year 2025-26, and the expenditure incurred for raising the said loans and bonds should be approved from the provision of Rs. 50.00 lakhs in the year 2025-26 under "Debt Bonds Related Expenses Computer Code 2647". Necessary provisions will be made during the revised budget for the year 2025-26.

An expert organization will have to be appointed to obtain government approval for the green bond issuance, as well as to obtain approvals from government/other organizations for various stages of the work, as well as to prepare/obtain documents required for loans and bonds. Similarly, separate ratings will also have to be done for debt and bond issuance. For that too, an organization will have to be appointed. For this, it is necessary to request its rates, negotiate it, and appoint organizations such as merchant banker, credit rating agency, debenture trustee, registrar, legal counsel, depositor, stock exchange, banker, etc. It is necessary to re-appoint the institutions for green bonds. For this, approval should be given to establish and maintain the nature of work of the Bond Issue Committee ("Bond Committee") as mentioned in Reference No. 2 and as amended from time to time in the resolution.

As per the above-mentioned details, the Nashik Municipal Corporation should be approved to raise green bonds, including all the proposed items, and the expenditure incurred for this purpose from the provision of Rs. 50.00 lakhs in "Debt Bonds Ancillary Expenditure Computer Code 2647" for the year 2025-26. Also, necessary provisions will be made through re-appropriation or during the revised budget for the year 2025-26.

In connection with the Simhastha Kumbh Mela, the total funds sanctioned by various departments under Nashik Municipal Corporation are to be disbursed to the Municipal Corporation in accordance with the share to be disbursed to the Municipal Corporation, currently under the water supply scheme, Augmentation of Mukane Water Supply Scheme, WTP, Construction of Gravity Main from Vilholi to Gandhinagar, Sadhugram & Nilgiri Baug WTP schemes. For the expenditure of Rs.395.78 crore, Rs.200 crore is required to be raised from Green Bond and the remaining Rs.195.78 crore from UCF (Urban Challenge Fund) and Municipal Corporation share.

5) Government Decision Number: NMC-2025/Case No. 256/UD-25 Mantralaya Mumbai Dated 03 October, 2025

According to the authority obtained by the Hon. Administrator Saheb as per the Section 452 (A) in the Maharashtra Municipal Corporation Act, it is resolved that,

A Simhastha Kumbh Mela is held every 12 years in Nashik city. Last time Kumbh Mela was celebrated in year 2015-16. For the Kumbh Mela to be held in year 2027, millions of saints, mahants and crores of devotees are going to visit Nashik city. Nashik Municipal Corporation has to provide various necessary amenities to the saints, mahantas and devotees visiting during the said Kumbh Mela period. To build saint/sadhu camps for sadhus/saints and mahantas, to provide temporary water supply at the said places, has to provide amenities such as roads, bridges, light, toilets etc. Also, has to provide amenities such as roads, water (supply), public toilets, parking lots, medical facilities etc. Similarly, as it is necessary to maintain sanctity of the Godavari River during the festival/paravani period, has to carry out works such as to keep riverbed and area clean, to carry out improvements at various places, to carry out works necessary to make riverbed pollution free, to build ghats at very essential places, to intercept drainage water that mixes with the riverbed and dispose it of properly. Since it is required to provide basic amenities, medical services and public sanitation to the devotees who come in huge number for the Simhastha Kumbh Mela, by considering all the above matters Nashik Municipal Corporation has prepared pre-Simhastha Kumbh Mela preparation plan and the said plan has been submitted for government's approval.

Currently, for the work of preplanning of Kumbh Mela as per reference no. 1 to 3 an administrative approval has been granted to raise Rs. 225 crores for the "Pipeline Network under Sewerage Scheme and Ram Kal Path Phase-2, Ram Zula Pedestrian Bridge and creating vending zone near Shri. Kala Ram Mandir and Shri. Kapaleshwar Mandir" Rs. 200 crores for the expenses to be incurred in accordance with this project through regular bonds. Also, as per reference no. 4 an administrative approval has been granted to the resolution to raise Rs.

200 crores through Green Bonds. Accordingly, government has given approval to raise in total Rs. 400 crores through bonds including Rs. 200 crores through regular bonds and Rs. 200 crores through Green Bonds.

Accordingly, in the first phase "Pipeline Network under Sewerage Scheme and Ram Kal Path Phase-2, Ram Zula Pedestrian Bridge and creating vending zone near Shri. Kala Ram Mandir and Shri. Kapaleshwar Mandir" Rs. 200 crores regular bonds are being raised through a private agency (Private Placement), as per that a proposal has been submitted to the SEBI for which an approval as been obtained in principle.

As per aforementioned topics while making the said resolution, this was not certain that while raising loan through bonds, bonds will be raised through private agency (Private Placement) or in the form of public issue. Nashik Municipal Corporation is going to raise regular bonds first through a private agency (Private Placement) and proceedings regarding the same are underway in the final stage.

To the bonds of Rs. 200 crores recently raised by Surat Municipal Corporation through Public Issue, yearly 8.00% coupon (interest), (effective interest 8.16%) with fixed returns, it was seen that there was an 8.5 times higher response.

If the bonds are raised though said public issue, you get a direct participation of the citizens, also, we can decide on how much coupon (interest) should be kept of the said bonds. Also, if you get more response from the citizens, subscription increases.

Therefore, it is proposed to raise Green Bonds of Rs. 200 crores in the form of public issue for Rs. 395.78 crores (required) for Augmentation of Mukane Water Supply Scheme, WTP, Construction of Gravity Main from Viholi Sadhugram and Nilgiri Baug WTP for Simhastha Kumbh under Water Supply Scheme in the Nashik Municipal Corporation's approved plan for Simhastha Kumbh Mela of 2027 and accordingly, revised administrative approval is being granted to the said policy matters.

INDEPENDENT EXAMINATION REPORT ON RESTATED FINANCIAL STATEMENTS

To,
The Municipal Commissioner,
Nashik Municipal Corporation,
Nashik

We have examined the attached restated Financial Statements of The Nashik Municipal Corporation comprising the Restated statement of Income and Expenditure for the period from 1st April, 2024 and ending on 31st March, 2025, also Restated Balance Sheet as at 31st March, 2025, Restated Cashflow statements and all the relevant Schedules forming part thereof including notes forming part of the accounts and any accounting policies followed by the corporation while preparing such restated financial statements. The document has been prepared and approved by Nashik Municipal Corporation and the competent authority to ensure enhanced presentation and financial transparency, in alignment with statutory and proactive disclosure obligations as under:

1. After adopting any adjustments in line with the National Municipal Accounting Manual to reflect the same accounting treatment as per the accounting policies and grouping/classification to be followed, to the extent possible.
2. The Guidance note on Reports in Company Prospectus (Revised 2019).

Based on our examination and according to the information and explanation given to us, we report that the Restated Financial Statement have been made after incorporating adjustments for the changes in accounting policies retrospectively in respective financial periods to reflect the same accounting treatment as per the changed accounting policy for all reporting periods, if any.

Responsibilities of Management for the Restated Financial Statements

Management is responsible for the preparation of these restated financial statements along with significant accounting policies and notes to accounts that give a true and fair view of the financial position and financial performance. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act and NMAM for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, the management is responsible for assessing the entity's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the entity or to cease operation or has no realistic alternative but to do so. Management is also responsible for overseeing the entity's financial reporting process.

Responsibilities of the Auditor

Our responsibility is to express our opinion on the restated financial statements prepared under the Accrual Based system of the Corporation as per National Municipal Accounting Manual *(herein referred as NMAM)*. We have conducted the audit in an independent and fair manner in accordance with the auditing standard of India and the standards applicable to audit under double entry method. We have followed the procedures mentioned in our detailed audit plan to collect evidence about the disclosures made in the restated financial statements and have made the necessary risk assessment based on our judgment and experience. We have no responsibility to update our report for events and circumstances occurring after the date of the report.

Qualified Opinion

In our opinion and to the best of our information, and according to the explanation given to us, except for the effects of the matter described in the Basis for Opinion paragraph so attached,

1.1. In the case of the Balance Sheet, of the state of affairs of the corporation as at 31st March 2025, the said accounts read with notes there give true and fair view;

1.2. In the case of the Income & Expenditure Account of the surplus of the corporation for the year ended on that date. In our opinion and to the best of our information and according to explanations given to us, the particulars given in the said double entry statements are presenting the true and fair financial position of the corporation,

1.3. In the case of cash flow statement as on that date. In our opinion and to the best of our information and according to explanations given to us, the particulars given in the said statement represent true and fair view.

Basis for Qualified Opinion:

We conducted our audit in accordance with the standards and auditing specified under double entry system of accounting under NMAM. Our responsibilities under those standards are further described in the auditor's responsibility for the audit of financial statement section of our report. We are independent of the corporation in accordance with the Code of Ethics issued by the Institute of Chartered Accountants

of India, together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of ethics. We believe that the evidence so collected during our audit is sufficient and appropriate to formulate our audit opinion.

The other details which form the basis of Qualified Opinion are reported as follows;

a. The Corporation recorded receipts under the Grant Account; however, the corresponding expenditure outflows financed from such grants were not appropriately classified to align with the nature of revenue and capital transactions.

b. The Corporation's depreciation methodology is not aligned with the NMAM requirements, as depreciation has not been applied on an asset wise consistent rates. Due to which certain assets have been written off in the year immediately following acquisition.

Emphasis of Matter

We like to draw attention to Point 1 to 9 of the Notes to Accounts regarding the following matters: old balances, education department, sweep deposits, bank balances, employee advances, old stale cheques, interest on housing loans, other disclosure & contingent liability. Our opinion is not modified in respect of these matters.

Other Matter

We have already issued our audit report dated 31st July 2025 on the financial statements of Nashik Municipal Corporation for the year ended 31-03-25. This restated audit report is issued to replace and supersede our earlier report. The restatement has been made to incorporate ensure enhanced presentation and financial transparency, in alignment with statutory and proactive disclosure obligations.

Annexure – I – Accounting Standards applicable to Local Bodies issued by ICAI

In order to harmonies the diverse practices being followed by the local bodies, Accounting Standards for Local Bodies (herein after referred as ASLB) are being issued by the Institute of Chartered Accountants of India (herein after referred as ICAI) since March, 2005, which are high quality financial reporting standards for the local bodies based on International Public Sector Accounting Standards (IPSASs). Currently, accrual-based accounting guidance is drawn by Urban Local Bodies either from National Municipal Accounts Manual (NMAM, i.e., issued in 2004) or Municipal Accounting Manual of their respective state that have been formulated on NMAM.

Ensuring compliance with ASLBs is the responsibility of appropriate authority, which approves the financial statements of the local body for the purpose of issuance thereof. ASLBs issued by the ICAI are recommendatory and will become mandatory as and when the concerned state government adopts them for implementation.

ASLB 2 - Cash Flow Statements and ASLB 5 - Borrowing Cost are mandatory to be followed by the Members of ICAI while auditing financial statements of local bodies w.e.f. 1st April 2022. While remaining ASLBs are recommendatory. Opinion on the implementation of mandatory ASLB's are as follows –

1. Opinion for the ASLBs that are mandatory:
   a. ASLB – 2 – Cash Flow Statement
      The Cash Flow Statement is prepared in accordance with the ASLB – 2 – Cash Flow Statements using Indirect Method of Cash Flow Statement. Necessary disclosures have been made as required by the ASLB.

   b. ASLB – 5 – Borrowing Costs –
      The Corporation has not incurred any borrowing cost since there is no existing financial obligation.

Significant Accounting policies

The Significant Accounting Policies and Principles adopted for compiling Restated Balance Sheet, Restated Income and Expenditure & Restated Cash Flow Statement of Nashik Municipal Corporation as on 31st March 2025 covers the following:

1. Income and Expenditure Statement:

The accounting of revenue is carried out on accrual basis for all possible items, duly considering the nature of income. In cases where income is realized through challans, revenue is recognized at the point of preparation of challans, since such preparation establishes the enforceable right to receive the income.

Balances relating to unreconciled challans are maintained in a control account within debtors pending for definitive identification and classification. Provisions for sundry debtors are determined based on confirmations obtained from the respective departments. For all tax streams, the year-end receivable is derived as opening balance plus current-year demand less collections during the year, with residual balances presented as receivables and subjected to provisioning and disclosure in accordance with the accounting policy.

a) Tax Revenue: Tax revenues, including property tax, water tax, sewerage tax, conservancy tax, and streetlight tax, are recognized on an accrual basis consistent with the revenue recognition criteria, subject to reasonable certainty of ultimate collection.
b) Octroi, professional tax, vehicle tax, and rental income from municipal properties are recognized on an accrual basis when the enforceable right to receive arises and amounts are measurable with reasonable certainty.
c) Interest Income: Interest on fixed deposits is recognized on a time proportion basis using the accrual method where determinable; receipts are recorded on collection where accrual is not reasonably estimable.
d) Establishment expenses: Establishment expenses comprise salaries, wages, bonuses, pension and other retirement benefits, and incidental employee-related costs, recognized on an accrual basis in the period of service.
e) Other expenditures: Other expenditures are recognized on an accrual basis upon approval of last approving authority and on incurrence of the underlying obligation, matched to the period of benefit.

2. Grants –

Grants are recognized when there is reasonable assurance that attached conditions will be complied with and the grants will be received. Grants related to revenue are recognized in the Statement of Income as income. Grants related to capital are recognized under the capital in the Balance Sheet.

FRN No. 133536W

In the absence of classification details, nature wise grant balances have not been adjusted and remain carried forward pending verification. The Corporation is undertaking a comprehensive reconciliation to ensure accurate recognition, presentation, and disclosure of grant; consequential adjustments, if any, will be effected upon completion of this exercise with appropriate disclosures.

3. Sundry Creditors

Sundry creditors are recognized upon occurrence of a present obligation for approval of last approving authority coupled with other relevant parameters.

4. Fixed Assets –

Fixed assets are recognized when they are expected to provide future economic benefits to the Corporation.

The opening balance of fixed assets has been brought forward from the previous year's Restated Financial Statements. In the current Restated Financial Statements, fixed assets represent the cost incurred by various works departments for capital infrastructure, including the opening balance and expenditures capitalized during the year. Assets for which final completion certificates have not been received from the concerned departments, for all possible items, are classified as Capital Work in Progress (CWIP) until completion and formal acceptance. Movable assets, to the extent identified and verifiable, are recognized on the basis of vendor bills or invoices, with qualifying items capitalized as fixed assets.

5. Capital Work in Progress –

Movable assets, under installation or assembly carried as Capital Work in Progress (CWIP). For immovable assets, capitalization is effected upon receipt of completion/hand over certificates from the competent authority; pending such certification, related expenditures are presented as CWIP and are not depreciated. Management considers this policy consistent with applicable accounting principles and appropriate for a true and fair presentation in the Restated Financial Statements.

6. Depreciation –

The Nashik Municipal Corporation charges depreciation on the SLM basis as per the useful lives prescribed under the applicable norms/policy (NMAM) on the gross block of fixed assets. In the absence of a detailed item-wise fixed asset register for certain legacy assets, depreciation has been computed on a gross block basis for those classes.

7. Investments –

Fixed Deposit & Sweep Deposit

Investments comprises of fixed deposit and sweep deposit accounts with banks. Investment is valued at cost. Interest on fixed & sweep deposits is recognized on a

time proportion basis using the accrual method where determinable; receipts are recorded on collection where accrual is not reasonably estimable.

Other Investments

The Corporation has made the following investments, which are recorded at face value:

- Nashik Smart City Development Corporation Limited – 50% equity stake
- Nashik Mahanagar Parivahan Mahamandal Limited – 100% equity stake.

These investments are long-term and carried at cost.

8. Deposits –

Municipal Corporation has an unpaid liability against deposit received from contractor or supplier. The same are booked on the basis of day books & bank statements.

9. Receivables:

The opening balances of receivables, as provided by the respective departments, have been brought forward. During the year, demands for taxes are raised, and collections received are adjusted against these demands. Sundry debtors are recognized based on confirmations received from the respective departments. The closing balance of receivables at the end of the Financial Year is determined after considering the opening balances, current year demands, and collections, with any resulting difference being recorded in the Income Control Account to ensure compliance with the accrual concept of accounting.

10. Closing Stock -

The closing stock has been accounted for on the basis of details and confirmations received from the concerned departments. In respect of departments from which such details were not received, the opening balances of stock have not been carried forward as closing balances.

Notes to Accounts

The Notes to Accounts form an integral part of the financial statements and provide detailed disclosures required under applicable accounting standards. These notes aim to offer transparency, clarity, and additional information to stakeholders regarding the financial position and performance of the corporation. In opinion of corporation the following notes does not have any material impact on financial statement of the corporation.

1. Old Balances -

   The Nashik Municipal Corporation has certain old unreconciled balances under debtors, creditors, and advances, deposits, liabilities, which have been carried forward over the years.

   Some very old balances pertaining to loans, debtors, creditors and advances have been reconciled during the year on the basis of balance confirmations obtained from the respective departments. Differences identified, if any, have been appropriately adjusted in the books of accounts either by way of write-off or write-back or reclassification or rectification.

   Management is undertaking a focused reconciliation exercise; appropriate adjustments (write-off/write-back/reclassification/rectification) will be recorded on completion with requisite approvals.

2. Education Department

   The Education Department was merged with the Nashik Municipal Corporation in the year 2015. The process of merging and consolidation of its accounts with the Nashik Municipal Corporation's accounts is still under progress. Accordingly, the accounts pertaining to the Education Department have not been considered in these Restated financial statements.

3. Sweep Deposits

   Interest on sweep deposits has been recognized on redemption/maturity in cases where formal bank confirmations were not available during the period; recognition is based on verified credit entries in the bank statements. In the absence of sweep deposit balance confirmations, balances and interest have been accounted for on the basis of bank statement entries and available correspondence, subject to subsequent confirmation and reconciliation.

4. Bank Balances

   There are certain old unreconciled bank balances pertaining to bank accounts that have since been closed; these balances continue to lie in the books and are currently under detailed reconciliation and review by management Upon completion of the reconciliation exercise, appropriate accounting adjustments, if any, will be carried out to write back/write off/reclassify/rectify such items.

F.R.N No. 135536W

There are differences between balances as per day book, bank statement and those reflected in the Tally accounting system arising from incorrect accounting treatment and timing/classification issues; these are under detailed reconciliation. All bank account details, as provided by the corporation, have been incorporated in book of accounts. Pending completion of reconciliation, the balances as per Tally have been carried in the books of account, and adjustments (write-off/write-back/ reclassification/rectification) will be recorded upon completion of the reconciliation with proper approvals.
Bank Balances are subject to reconciliation and rectification.

5. Employee Advances -
There are differences between employee advance balances as per the books of accounts and the employee advance register maintained by the Nashik Municipal Corporation. The differences mainly relate to certain unrecorded/uncaptured entries in the employee advance register. Management has reviewed the matter and is in the process of reconciling the same.

6. Old Stale Cheques -
Certain cheques issued in past years which have not been presented for payment till date have been parked under a Control Account. These cheques, though considered time-barred, are still being carried in the books under a Control Account until their status is fully reconciled.

7. Interest on Housing Loan
The interest charged on housing loans provided to employees was not separately disclosed as interest income in the Income & Expenditure Statement as data was not available. Consequently, both the interest income and the outstanding receivables from employees against the housing loans were understated. Steps are taken by concern department to ensure proper segregation and reporting of such transactions.

8. Other Disclosures
For improved financial presentation and clarity, certain items have been regrouped and reclassified where necessary. These changes have been made without impacting the overall financial results.

9. Contingent Liabilities
The Corporation may face claims, disputes, or demands in the ordinary course of business that are currently not reliably measurable, and hence no provision has been recognised at this stage. Such matters are monitored continuously, and contingent liabilities are disclosed only where an outflow is not remote and estimation is practicable, with non-disclosure when such disclosure would seriously prejudice the Corporation's position as permitted by the standards.

To,
The Municipal Commissioner,
Nashik Municipal Corporation,
Nashik

We have examined the attached restated Financial Statements of The Nashik Municipal Corporation comprising the Restated statement of Income and Expenditure for the period from 1st April, 2023 and ending on 31st March, 2024, also Restated Balance Sheet as at 31st March, 2024, Restated Cashflow statements and all the relevant Schedules forming part thereof including notes forming part of the accounts and any accounting policies followed by the corporation while preparing such restated financial statements. The document has been prepared and approved by Nashik Municipal Corporation and the competent authority to ensure enhanced presentation and financial transparency, in alignment with statutory and proactive disclosure obligations as under:

1. After adopting any adjustments in line with the National Municipal Accounting Manual to reflect the same accounting treatment as per the accounting policies and grouping/classification to be followed, to the extent possible.

2. The Guidance note on Reports in Company Prospectus (Revised 2019).

Based on our examination and according to the information and explanation given to us, we report that the Restated Financial Statement have been made after incorporating adjustments for the changes in accounting policies retrospectively in respective financial periods to reflect the same accounting treatment as per the changed accounting policy for all reporting periods, if any.

Responsibilities of Management for the Restated Financial Statements

Management is responsible for the preparation of these restated financial statements along with significant accounting policies and notes to accounts that give a true and fair view of the financial position and financial performance. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act and NMAM for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, the management is responsible for assessing the entity's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the entity or to cease operation or has no realistic alternative but to do so. Management is also responsible for overseeing the entity's financial reporting process.

Responsibilities of the Auditor

Our responsibility is to express our opinion on the restated financial statements prepared under the Accrual Based system of the Corporation as per National Municipal Accounting Manual *(herein referred as NMAM)*. We have conducted the audit in an independent and fair manner in accordance with the auditing standard of India and the standards applicable to audit under double entry method. We have followed the procedures mentioned in our detailed audit plan to collect evidence about the disclosures made in the restated financial statements and have made the necessary risk assessment based on our judgment and experience. We have no responsibility to update our report for events and circumstances occurring after the date of the report.

Qualified Opinion

In our opinion and to the best of our information, and according to the explanation given to us, except for the effects of the matter described in the Basis for Opinion paragraph so attached,

1.1. In the case of the Balance Sheet, of the state of affairs of the corporation as at 31st March 2024, the said accounts read with notes there give true and fair view;

1.2. In the case of the Income & Expenditure Account of the surplus of the corporation for the year ended on that date. In our opinion and to the best of our information and according to explanations given to us, the particulars given in the said double entry statements are presenting the true and fair financial position of the corporation,

1.3. In the case of cash flow statement as on that date. In our opinion and to the best of our information and according to explanations given to us, the particulars given in the said statement represent true and fair view.

Basis for Qualified Opinion:

We conducted our audit in accordance with the standards and auditing specified under double entry system of accounting under NMAM. Our responsibilities under those standards are further described in the auditor's responsibility for the audit of financial statement section of our report. We are independent of the corporation in accordance with the Code of Ethics issued by the Institute of Chartered Accountants

of India, together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of ethics. We believe that the evidence so collected during our audit is sufficient and appropriate to formulate our audit opinion.

The other details which form the basis of Qualified Opinion are reported as follows;

a. The Corporation recorded receipts under the Grant Account; however, the corresponding expenditure outflows financed from such grants were not appropriately classified to align with the nature of revenue and capital transactions.

b. The Corporation's depreciation methodology is not aligned with the NMAM requirements, as depreciation has not been applied on an asset wise consistent rates. Due to which certain assets have been written off in the year immediately following acquisition.

Emphasis of Matter

We like to draw attention to Point 1 to 9 of the Notes to Accounts regarding the following matters: old balances, education department, sweep deposits, bank balances, employee advances, old stale cheques, interest on housing loans, other disclosure & contingent liabilities. Our opinion is not modified in respect of these matters.

Other Matter

We have already issued our audit report dated 15th April 2025 on the financial statements of Nashik Municipal Corporation for the year ended 31-03-24. This restated audit report is issued to replace and supersede our earlier report. Annexure – I – Accounting Standards applicable to Local Bodies issued by ICAI

In order to harmonies the diverse practices being followed by the local bodies, Accounting Standards for Local Bodies (herein after referred as ASLB) are being issued by the Institute of Chartered Accountants of India (herein after referred as ICAI) since March, 2005, which are high quality financial reporting standards for the local bodies based on International Public Sector Accounting Standards (IPSASs). Currently, accrual-based accounting guidance is drawn by Urban Local Bodies either from National Municipal Accounts Manual (NMAM, i.e., issued in 2004) or Municipal Accounting Manual of their respective state that have been formulated on NMAM.

Ensuring compliance with ASLBs is the responsibility of appropriate authority, which approves the financial statements of the local body for the purpose of issuance thereof. ASLBs issued by the ICAI are recommendatory and will become mandatory as and when the concerned state government adopts them for implementation.

ASLB 2 - Cash Flow Statements and ASLB 5 - Borrowing Cost are mandatory to be followed by the Members of ICAI while auditing financial statements of local bodies w.e.f. 1st April 2022. While remaining ASLBs are recommendatory. Opinion on the implementation of mandatory ASLB's are as follows –

1. Opinion for the ASLBs that are mandatory:
   a. ASLB – 2 – Cash Flow Statement
      The Cash Flow Statement is prepared in accordance with the ASLB – 2 – Cash Flow Statements using Indirect Method of Cash Flow Statement. Necessary disclosures have been made as required by the ASLB.

   b. ASLB – 5 – Borrowing Costs –
      The Corporation has not incurred any borrowing cost since there is no existing financial obligation.

Significant Accounting policies

The Significant Accounting Policies and Principles adopted for compiling Restated Balance Sheet, Restated Income and Expenditure & Restated Cash Flow Statement of Nashik Municipal Corporation as on 31st March 2024 covers the following:

1. Income and Expenditure Statement:

The accounting of revenue is carried out on accrual basis for all possible items, duly considering the nature of income. In cases where income is realized through challans, revenue is recognized at the point of preparation of challans, since such preparation establishes the enforceable right to receive the income.

Balances relating to unreconciled challans are maintained in a control account within debtors pending for definitive identification and classification. Provisions for sundry debtors are determined based on confirmations obtained from the respective departments. For all tax streams, the year-end receivable is derived as opening balance plus current-year demand less collections during the year, with residual balances presented as receivables and subjected to provisioning and disclosure in accordance with the accounting policy.

a) Tax Revenue: Tax revenues, including property tax, water tax, sewerage tax, conservancy tax, and streetlight tax, are recognized on an accrual basis consistent with the revenue recognition criteria, subject to reasonable certainty of ultimate collection.
b) Octroi, professional tax, vehicle tax, and rental income from municipal properties are recognized on an accrual basis when the enforceable right to receive arises and amounts are measurable with reasonable certainty.
c) Interest Income: Interest on fixed deposits is recognized on a time proportion basis using the accrual method where determinable; receipts are recorded on collection where accrual is not reasonably estimable.
d) Establishment expenses: Establishment expenses comprise salaries, wages, bonuses, pension and other retirement benefits, and incidental employee-related costs, recognized on an accrual basis in the period of service.
e) Other expenditures: Other expenditures are recognized on an accrual basis upon approval of last approving authority and on incurrence of the underlying obligation, matched to the period of benefit.

2. Grants –

Grants are recognized when there is reasonable assurance that attached conditions will be complied with and the grants will be received. Grants related to revenue are recognized in the Statement of Income as income. Grants related to capital are recognized under the capital in the Balance Sheet.

NASHIK MUNICIPAL CORPORATION, NASHIK

In the absence of classification details, nature wise grant balances have not been adjusted and remain carried forward pending verification. The Corporation is undertaking a comprehensive reconciliation to ensure accurate recognition, presentation, and disclosure of grant; consequential adjustments, if any, will be effected upon completion of this exercise with appropriate disclosures.

3. Sundry Creditors

Sundry creditors are recognized upon occurrence of a present obligation for approval of last approving authority coupled with other relevant parameters.

4. Fixed Assets –

Fixed assets are recognized when they are expected to provide future economic benefits to the Corporation.

The opening balance of fixed assets has been brought forward from the previous year's Restated Financial Statements. In the current Restated Financial Statements, fixed assets represent the cost incurred by various works departments for capital infrastructure, including the opening balance and expenditures capitalized during the year. Assets for which final completion certificates have not been received from the concerned departments, for all possible items, are classified as Capital Work in Progress (CWIP) until completion and formal acceptance. Movable assets, to the extent identified and verifiable, are recognized on the basis of vendor bills or invoices, with qualifying items capitalized as fixed assets.

5. Capital Work in Progress –

Movable assets, under installation or assembly carried as Capital Work in Progress (CWIP). For immovable assets, capitalization is effected upon receipt of completion/hand over certificates from the competent authority; pending such certification, related expenditures are presented as CWIP and are not depreciated. Management considers this policy consistent with applicable accounting principles and appropriate for a true and fair presentation in the Restated Financial Statements.

6. Depreciation –

The Nashik Municipal Corporation charges depreciation on the SLM basis as per the useful lives prescribed under the applicable norms/policy (NMAM) on the gross block of fixed assets. In the absence of a detailed item-wise fixed asset register for certain legacy assets, depreciation has been computed on a gross block basis for those classes.

7. Investments –

Fixed Deposit & Sweep Deposit

Investment comprises of fixed deposit and sweep deposit accounts with banks. Investment is valued at cost. Interest on fixed & sweep deposits is recognized on a

time proportion basis using the accrual method where determinable; receipts are recorded on collection where accrual is not reasonably estimable.

Other Investments

The Corporation has made the following investments, which are recorded at face value:

- Nashik Smart City Development Corporation Limited – 50% equity stake
- Nashik Mahanagar Parivahan Mahamandal Limited – 100% equity stake.

These investments are long-term and carried at cost.

8. Deposits –

Municipal Corporation has an unpaid liability against deposit received from contractor or supplier. The same are booked on the basis of day books & bank statements.

9. Receivables:

The opening balances of receivables, as provided by the respective departments, have been brought forward. During the year, demands for taxes are raised, and collections received are adjusted against these demands. Sundry debtors are recognized based on confirmations received from the respective departments. The closing balance of receivables at the end of the Financial Year is determined after considering the opening balances, current year demands, and collections, with any resulting difference being recorded in the Income Control Account to ensure compliance with the accrual concept of accounting.

10. Closing Stock -

The closing stock has been accounted for on the basis of details and confirmations received from the concerned departments. In respect of departments from which such details were not received, the opening balances of stock have not been carried forward as closing balances.

Notes to Accounts

The Notes to Accounts form an integral part of the financial statements and provide detailed disclosures required under applicable accounting standards. These notes aim to offer transparency, clarity, and additional information to stakeholders regarding the financial position and performance of the corporation. In opinion of corporation the following notes does not have any material impact on financial statement of the corporation.

1. Old Balances -

   The Nashik Municipal Corporation has certain old unreconciled balances under debtors, creditors, and advances, deposits, liabilities, which have been carried forward over the years.

   Some very old balances pertaining to loans, debtors, creditors and advances have been reconciled during the year on the basis of balance confirmations obtained from the respective departments. Differences identified, if any, have been appropriately adjusted in the books of accounts either by way of write-off or write-back or reclassification or rectification.

   Management is undertaking a focused reconciliation exercise; appropriate adjustments (write-off/write-back/reclassification/rectification) will be recorded on completion with requisite approvals.

2. Education Department

   The Education Department was merged with the Nashik Municipal Corporation in the year 2015. The process of merging and consolidation of its accounts with the Nashik Municipal Corporation's accounts is still under progress. Accordingly, the accounts pertaining to the Education Department have not been considered in these Restated financial statements.

3. Sweep Deposits

   Interest on sweep deposits has been recognized on redemption/maturity in cases where formal bank confirmations were not available during the period; recognition is based on verified credit entries in the bank statements. In the absence of sweep deposit balance confirmations, balances and interest have been accounted for on the basis of bank statement entries and available correspondence, subject to subsequent confirmation and reconciliation.

4. Bank Balances

   There are certain old unreconciled bank balances pertaining to bank accounts that have since been closed; these balances continue to lie in the books and are currently under detailed reconciliation and review by management Upon completion of the reconciliation exercise, appropriate accounting adjustments, if any, will be carried out to write back/write off/reclassify/rectify such items.

There are differences between balances as per day book, bank statement and those reflected in the Tally accounting system arising from incorrect accounting treatment and timing/classification issues; these are under detailed reconciliation. All bank account details, as provided by the corporation, have been incorporated in book of accounts. Pending completion of reconciliation, the balances as per Tally have been carried in the books of account, and adjustments (write-off/write-back/ reclassification/rectification) will be recorded upon completion of the reconciliation with proper approvals.
Bank Balances are subject to reconciliation and rectification.

5. Employee Advances -
There are differences between employee advance balances as per the books of accounts and the employee advance register maintained by the Nashik Municipal Corporation. The differences mainly relate to certain unrecorded/uncaptured entries in the employee advance register. Management has reviewed the matter and is in the process of reconciling the same.

6. Old Stale Cheques -
Certain cheques issued in past years which have not been presented for payment till date have been parked under a Control Account. These cheques, though considered time-barred, are still being carried in the books under a Control Account until their status is fully reconciled.

7. Interest on Housing Loan
The interest charged on housing loans provided to employees was not separately disclosed as interest income in the Income & Expenditure Statement as data was not available. Consequently, both the interest income and the outstanding receivables from employees against the housing loans were understated. Steps are taken by concern department to ensure proper segregation and reporting of such transactions.

8. Other Disclosures
For improved financial presentation and clarity, certain items have been regrouped and reclassified where necessary. These changes have been made without impacting the overall financial results.

9. Contingent Liabilities
The Corporation may face claims, disputes, or demands in the ordinary course of business that are currently not reliably measurable, and hence no provision has been recognised at this stage. Such matters are monitored continuously, and contingent liabilities are disclosed only where an outflow is not remote and estimation is practicable, with non-disclosure when such disclosure would seriously prejudice the Corporation's position as permitted by the standards.

Based on management's assessment as of the reporting date, no contingent liability requires recognition and no disclosure is necessary beyond this policy, as the likelihood of material outflow is assessed as remote.

INDEPENDENT EXAMINATION REPORT ON RESTATED FINANCIAL STATEMENTS

To,
The Municipal Commissioner,
Nashik Municipal Corporation,
Nashik

We have examined the attached restated Financial Statements of The Nashik Municipal Corporation comprising the Restated statement of Income and Expenditure for the period from 1st April, 2022 and ending on 31st March, 2023, also Restated Balance Sheet as at 31st March, 2023, Restated Cashflow statements and all the relevant Schedules forming part thereof including notes forming part of the accounts and any accounting policies followed by the corporation while preparing such restated financial statements. The document has been prepared and approved by Nashik Municipal Corporation and the competent authority to ensure enhanced presentation and financial transparency, in alignment with statutory and proactive disclosure obligations as under:

1. After adopting any adjustments in line with the National Municipal Accounting Manual to reflect the same accounting treatment as per the accounting policies and grouping/classification to be followed, to the extent possible.
2. The Guidance note on Reports in Company Prospectus (Revised 2019).

Based on our examination and according to the information and explanation given to us, we report that the Restated Financial Statement have been made after incorporating adjustments for the changes in accounting policies retrospectively in respective financial periods to reflect the same accounting treatment as per the changed accounting policy for all reporting periods, if any.

Responsibilities of Management for the Restated Financial Statements

Management is responsible for the preparation of these restated financial statements along with significant accounting policies and notes to accounts that give a true and fair view of the financial position and financial performance. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act and NMAM for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, the management is responsible for assessing the entity's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the entity or to cease operation or has no realistic alternative but to do so. Management is also responsible for overseeing the entity's financial reporting process.

Responsibilities of the Auditor

Our responsibility is to express our opinion on the restated financial statements prepared under the Accrual Based system of the Corporation as per National Municipal Accounting Manual *(herein referred as NMAM)*. We have conducted the audit in an independent and fair manner in accordance with the auditing standard of India and the standards applicable to audit under double entry method. We have followed the procedures mentioned in our detailed audit plan to collect evidence about the disclosures made in the restated financial statements and have made the necessary risk assessment based on our judgment and experience. We have no responsibility to update our report for events and circumstances occurring after the date of the report.

Qualified Opinion

In our opinion and to the best of our information, and according to the explanation given to us, except for the effects of the matter described in the Basis for Opinion paragraph so attached,

1.1. In the case of the Balance Sheet, of the state of affairs of the corporation as at 31st March 2023, the said accounts read with notes there give true and fair view;

1.2. In the case of the Income & Expenditure Account of the surplus of the corporation for the year ended on that date. In our opinion and to the best of our information and according to explanations given to us, the particulars given in the said double entry statements are presenting the true and fair financial position of the corporation,

1.3. In the case of cash flow statement as on that date. In our opinion and to the best of our information and according to explanations given to us, the particulars given in the said statement represent true and fair view.

Basis for Qualified Opinion:

We conducted our audit in accordance with the standards and auditing specified under double entry system of accounting under NMAM. Our responsibilities under those standards are further described in the auditor's responsibility for the audit of financial statement section of our report. We are independent of the corporation in accordance with the Code of Ethics issued by the Institute of Chartered Accountants

of India, together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of ethics. We believe that the evidence so collected during our audit is sufficient and appropriate to formulate our audit opinion.

The other details which form the basis of Qualified Opinion are reported as follows;

a. The Corporation recorded receipts under the Grant Account; however, the corresponding expenditure outflows financed from such grants were not appropriately classified to align with the nature of revenue and capital transactions.

b. The Corporation's depreciation methodology is not aligned with the NMAM requirements, as depreciation has not been applied on an asset wise consistent rates. Due to which certain assets have been written off in the year immediately following acquisition.

Emphasis of Matter

We like to draw attention to Point 1 to 9 of the Notes to Accounts regarding the following matters: old balances, education department, sweep deposits, bank balances, employee advances, old stale cheques, interest on housing loans, other disclosure & contingent liabilities. Our opinion is not modified in respect of these matters.

Other Matter

We have already issued our audit report dated 31st July 2024 on the financial statements of Nashik Municipal Corporation for the year ended 31-03-23. This restated audit report is issued to replace and supersede our earlier report. The restatement has been made to incorporate ensure enhanced presentation and financial transparency, in alignment with statutory and proactive disclosure obligations.

Annexure – I – Accounting Standards applicable to Local Bodies issued by ICAI

In order to harmonies the diverse practices being followed by the local bodies, Accounting Standards for Local Bodies (herein after referred as ASLB) are being issued by the Institute of Chartered Accountants of India (herein after referred as ICAI) since March, 2005, which are high quality financial reporting standards for the local bodies based on International Public Sector Accounting Standards (IPSASs). Currently, accrual-based accounting guidance is drawn by Urban Local Bodies either from National Municipal Accounts Manual (NMAM, i.e., issued in 2004) or Municipal Accounting Manual of their respective state that have been formulated on NMAM.

Ensuring compliance with ASLBs is the responsibility of appropriate authority, which approves the financial statements of the local body for the purpose of issuance thereof. ASLBs issued by the ICAI are recommendatory and will become mandatory as and when the concerned state government adopts them for implementation.

ASLB 2 - Cash Flow Statements and ASLB 5 - Borrowing Cost are mandatory to be followed by the Members of ICAI while auditing financial statements of local bodies w.e.f. 1st April 2022. While remaining ASLBs are recommendatory. Opinion on the implementation of mandatory ASLB's are as follows –

1. Opinion for the ASLBs that are mandatory:
   a. ASLB – 2 – Cash Flow Statement
      The Cash Flow Statement is prepared in accordance with the ASLB – 2 – Cash Flow Statements using Indirect Method of Cash Flow Statement. Necessary disclosures have been made as required by the ASLB.

   b. ASLB – 5 – Borrowing Costs –
      The Corporation has not incurred any borrowing cost since there is no existing financial obligation.

Significant Accounting policies

The Significant Accounting Policies and Principles adopted for compiling Restated Balance Sheet, Restated Income and Expenditure & Restated Cash Flow Statement of Nashik Municipal Corporation as on 31st March 2023 covers the following:

1. Income and Expenditure Statement:

The accounting of revenue is carried out on accrual basis for all possible items, duly considering the nature of income. In cases where income is realized through challans, revenue is recognized at the point of preparation of challans, since such preparation establishes the enforceable right to receive the income.

Balances relating to unreconciled challans are maintained in a control account within debtors pending for definitive identification and classification. Provisions for sundry debtors are determined based on confirmations obtained from the respective departments. For all tax streams, the year-end receivable is derived as opening balance plus current-year demand less collections during the year, with residual balances presented as receivables and subjected to provisioning and disclosure in accordance with the accounting policy.

a) Tax Revenue: Tax revenues, including property tax, water tax, sewerage tax, conservancy tax, and streetlight tax, are recognized on an accrual basis consistent with the revenue recognition criteria, subject to reasonable certainty of ultimate collection.
b) Octroi, professional tax, vehicle tax, and rental income from municipal properties are recognized on an accrual basis when the enforceable right to receive arises and amounts are measurable with reasonable certainty.
c) Interest Income: Interest on fixed deposits is recognized on a time proportion basis using the accrual method where determinable; receipts are recorded on collection where accrual is not reasonably estimable.
d) Establishment expenses: Establishment expenses comprise salaries, wages, bonuses, pension and other retirement benefits, and incidental employee-related costs, recognized on an accrual basis in the period of service.
e) Other expenditures: Other expenditures are recognized on an accrual basis upon approval of last approving authority and on incurrence of the underlying obligation, matched to the period of benefit.

2. Grants –

Grants are recognized when there is reasonable assurance that attached conditions will be complied with and the grants will be received. Grants related to revenue are recognized in the Statement of Income as income. Grants related to capital are recognized under the capital in the Balance Sheet.

In the absence of classification details, nature wise grant balances have not been adjusted and remain carried forward pending verification. The Corporation is undertaking a comprehensive reconciliation to ensure accurate recognition, presentation, and disclosure of grant; consequential adjustments, if any, will be effected upon completion of this exercise with appropriate disclosures.

3. Sundry Creditors

Sundry creditors are recognized upon occurrence of a present obligation for approval of last approving authority coupled with other relevant parameters.

4. Fixed Assets –

Fixed assets are recognized when they are expected to provide future economic benefits to the Corporation.

The opening balance of fixed assets has been brought forward from the previous year's Restated Financial Statements. In the current Restated Financial Statements, fixed assets represent the cost incurred by various works departments for capital infrastructure, including the opening balance and expenditures capitalized during the year. Assets for which final completion certificates have not been received from the concerned departments, for all possible items, are classified as Capital Work in Progress (CWIP) until completion and formal acceptance. Movable assets, to the extent identified and verifiable, are recognized on the basis of vendor bills or invoices, with qualifying items capitalized as fixed assets.

5. Capital Work in Progress –

Movable assets, under installation or assembly carried as Capital Work in Progress (CWIP). For immovable assets, capitalization is effected upon receipt of completion/hand over certificates from the competent authority; pending such certification, related expenditures are presented as CWIP and are not depreciated. Management considers this policy consistent with applicable accounting principles and appropriate for a true and fair presentation in the Restated Financial Statements.

6. Depreciation –

The Nashik Municipal Corporation charges depreciation on the SLM basis as per the useful lives prescribed under the applicable norms/policy (NMAM) on the gross block of fixed assets. In the absence of a detailed item-wise fixed asset register for certain legacy assets, depreciation has been computed on a gross block basis for those classes.

7. Investments –

Fixed Deposit & Sweep Deposit

Investments comprises of fixed deposit and sweep deposit accounts with banks. Investment is valued at cost. Interest on fixed & sweep deposits is recognized on a

time proportion basis using the accrual method where determinable; receipts are recorded on collection where accrual is not reasonably estimable.

Other Investments

The Corporation has made the following investments, which are recorded at face value:

- Nashik Smart City Development Corporation Limited – 50% equity stake
- Nashik Mahanagar Parivahan Mahamandal Limited – 100% equity stake.

These investments are long-term and carried at cost.

8. Deposits –

Municipal Corporation has an unpaid liability against deposit received from contractor or supplier. The same are booked on the basis of day books & bank statements.

9. Receivables:

The opening balances of receivables, as provided by the respective departments, have been brought forward. During the year, demands for taxes are raised, and collections received are adjusted against these demands. Sundry debtors are recognized based on confirmations received from the respective departments. The closing balance of receivables at the end of the Financial Year is determined after considering the opening balances, current year demands, and collections, with any resulting difference being recorded in the Income Control Account to ensure compliance with the accrual concept of accounting.

10. Closing Stock -

The closing stock has been accounted for on the basis of details and confirmations received from the concerned departments. In respect of departments from which such details were not received, the opening balances of stock have not been carried forward as closing balances.

Notes to Accounts

The Notes to Accounts form an integral part of the financial statements and provide detailed disclosures required under applicable accounting standards. These notes aim to offer transparency, clarity, and additional information to stakeholders regarding the financial position and performance of the corporation. In opinion of corporation the following notes does not have any material impact on financial statement of the corporation.

1. Old Balances -

   The Nashik Municipal Corporation has certain old unreconciled balances under debtors, creditors, and advances, deposits, liabilities, which have been carried forward over the years.

   Some very old balances pertaining to loans, debtors, creditors and advances have been reconciled during the year on the basis of balance confirmations obtained from the respective departments. Differences identified, if any, have been appropriately adjusted in the books of accounts either by way of write-off or write-back or reclassification or rectification.

   Management is undertaking a focused reconciliation exercise; appropriate adjustments (write-off/write-back/reclassification/rectification) will be recorded on completion with requisite approvals.

2. Education Department

   The Education Department was merged with the Nashik Municipal Corporation in the year 2015. The process of merging and consolidation of its accounts with the Nashik Municipal Corporation's accounts is still under progress. Accordingly, the accounts pertaining to the Education Department have not been considered in these Restated financial statements.

3. Sweep Deposits

   Interest on sweep deposits has been recognized on redemption/maturity in cases where formal bank confirmations were not available during the period; recognition is based on verified credit entries in the bank statements. In the absence of sweep deposit balance confirmations, balances and interest have been accounted for on the basis of bank statement entries and available correspondence, subject to subsequent confirmation and reconciliation.

4. Bank Balances

   There are certain old unreconciled bank balances pertaining to bank accounts that have since been closed; these balances continue to lie in the books and are currently under detailed reconciliation and review by management Upon completion of the reconciliation exercise, appropriate accounting adjustments, if any, will be carried out to write back/write off/reclassify/rectify such items.

MARSH & ASSOCIATES FRN 114355W CHARTERED ACCOUNTANTS

There are differences between balances as per day book, bank statement and those reflected in the Tally accounting system arising from incorrect accounting treatment and timing/classification issues; these are under detailed reconciliation. All bank account details, as provided by the corporation, have been incorporated in book of accounts. Pending completion of reconciliation, the balances as per Tally have been carried in the books of account, and adjustments (write-off/write-back/ reclassification/rectification) will be recorded upon completion of the reconciliation with proper approvals.
Bank Balances are subject to reconciliation and rectification.

5. Employee Advances -
There are differences between employee advance balances as per the books of accounts and the employee advance register maintained by the Nashik Municipal Corporation. The differences mainly relate to certain unrecorded/uncaptured entries in the employee advance register. Management has reviewed the matter and is in the process of reconciling the same.

6. Old Stale Cheques -
Certain cheques issued in past years which have not been presented for payment till date have been parked under a Control Account. These cheques, though considered time-barred, are still being carried in the books under a Control Account until their status is fully reconciled.

7. Interest on Housing Loan
The interest charged on housing loans provided to employees was not separately disclosed as interest income in the Income & Expenditure Statement as data was not available. Consequently, both the interest income and the outstanding receivables from employees against the housing loans were understated. Steps are taken by concern department to ensure proper segregation and reporting of such transactions.

8. Other Disclosures
For improved financial presentation and clarity, certain items have been regrouped and reclassified where necessary. These changes have been made without impacting the overall financial results.

9. Contingent Liabilities
The Corporation may face claims, disputes, or demands in the ordinary course of business that are currently not reliably measurable, and hence no provision has been recognised at this stage. Such matters are monitored continuously, and contingent liabilities are disclosed only where an outflow is not remote and estimation is practicable, with non-disclosure when such disclosure would seriously prejudice the Corporation's position as permitted by the standards.

1 Introduction

Nashik Municipal Corporation (hereinafter mentioned as 'NMC' or the 'they' or 'them') is the primary civic authority responsible for municipal governance, urban infrastructure, and service delivery in Nashik city. Established on October 22, 1982, and operational from November 7, 1982. NMC administers the city through its headquarters at Rajiv Gandhi Bhavan, Sharanpur Road, supported by six zonal ward offices across key areas of the city. In 2014, NMC was reclassified as a 'B' Class Municipal Corporation, reflecting its administrative scale and functional responsibilities.

2 Scope & Objective

NMC proposes to issue Green Bond and has developed a Green Bond Framework (the 'Framework'), for raising the Green Bond. Under this Framework, the net proceeds of the Green Bond issuances, or an equivalent amount, will be allocated exclusively to the Nashik Water Supply Project, comprising:

a. **Expansion of the existing Mukane Dam Water Supply Scheme**
b. Construction of a **new 274 MLD Water Treatment Plant at Vilholi**
c. **Development of a Pure Water Gravity Main** from Vilholi to Gandhinagar, Sadhugram, and Nilgiri Baug Water Treatment Plants (WTP)

NMC has appointed **CARE Analytics and Advisory Private Limited** (hereinafter mentioned '**CareEdge Advisory**' or 'us'); to provide **Third-Party Review** (TPR) on their Framework.

(ii) SEBI Master Circular for issue and listing of Non-convertible Securities, Securitized Debt Instruments, Security Receipts, Municipal Debt Securities and Commercial Paper [October 15, 2025] (hereinafter mentioned as 'SEBI Master Circular, 2025')[3] (iii) International Capital Market Association (ICMA) Green Bond Principles (GBP), [June 2025] (hereinafter mentioned as 'ICMA GBP')[4]
Third-Party Reviewer	CARE Analytics and Advisory Private Limited ('CareEdge Advisory')

Please note that CareEdge Advisory's opinion should not be construed as an assessment of: (i) technical soundness of the proposed project(s), (ii) financial performance / solvency of project(s), and/or; (iii) creditworthiness of NMC. It is solely an opinion on the Environmental, Social, and/or Governance aspects related to the green bond in compliance with the SEBI NCS, SEBI Master Circular and ICMA GBP. Please refer to CareEdge Advisory's Disclaimer (**Sec. 10**) for further details.

3 Approach

To form its opinion on NMC's Green Bond Framework, CareEdge Advisory has sought and examined information, explanations, and supporting evidence that were considered necessary within the defined scope specified in **Table 1**. The work performed was guided by professional judgment and involved a combination of inquiries, observation of relevant processes, examination of records, assessment of the suitability of reporting policies, and reconciliation with underlying documentation. Based on the procedures undertaken and the evidence obtained, we are satisfied that they provide a sound basis for our conclusion.

As part of our assessment, CareEdge Advisory has reviewed the NMC's Green Bond Framework and held discussions with management [NMC's Accounts Department and Water Department, the Project Management Consultant (PMC), and the Lead Manager] and relevant personnel responsible for the Green Bond issuance to understand the processes and controls established for the:

(i) Use of Proceeds and KPIs
(ii) Selection of Projects and Environmental & Social Risk Mechanism
(iii) Management of Proceeds and treatment of temporarily unallocated proceeds
(iv) Approach to allocation, permitted investment areas and impact reporting.

Documents Examined

As part of the verification process, the key documents listed in **Table 2,** were reviewed to form an opinion and evaluate alignment with applicable industry standards and requirements.

Table 2 – Documents Examined

Category	Key Documents
Reference Framework	NMC's Green Bond Framework (the Framework)
Governance Structure	• Municipal General Body Resolution No. 164 dated July 9 ,2025 for the formation of Bond Issue Committee (BIC) • Municipal General Body Resolution No. 252 dated August 5 ,2025 for financing the project through Green Bond issuance

Regulatory Requirements & Alignment with Frameworks	As per the scope listed above.
Other Documents	• Detailed Project Report (DPR) - "*Augmentation of Mukane Water Supply Scheme, WTP, Construction of Gravity Main from Vilholi to Gandhinagar, Sadhugram & Nilgiri Baug WTP for Sinhastha Kumbh"* (dt. April 2025) • Draft of the Bond Term Sheet • Administrative Approvals Received

Stakeholder Consultation

The following stakeholder consultations (either through virtual meetings or telephonic conversations), detailed in **Table 3**, were conducted to support the review of the Green Bond Framework.

Table 3 – Meetings Conducted with NMC and associated Parties

Date	Stakeholder	Agenda for discussion
October 24, 2025	NMC Team, Lead Manager and Project Management Consultants (PMC)	identification of SPOCs and basics of the project
October 31, 2025	NMC Team	Data Requirements
November 07, 2025	NMC Team, Lead Manager and Project Management Consultants (PMC)	Discussion on Eligible Green Project Categories and Alignment with Industry Standards
November 21, 2025	NMC Team, Lead Manager and Project Management Consultants (PMC)	Management of Proceeds, Key Performance Indicators (KPIs) & Reporting standards and clarification from NMC and Lead Manager
November 28, 2025	NMC Team and Project Management Consultants (PMC)	Discussion on gaps w.r.t extant market best practices

4 CareEdge Advisory's Third-Party Review

For forming our opinion on NMC's Green Bond Framework, CareEdge Advisory has evaluated the following five components, viz.:

(i) Use of Proceeds,
(ii) Process for Project Evaluation and Selection and Mitigation of Environmental, Health, Safety and Social (EHS&S) Risk
(iii) Management of Proceeds,
(iv) Reporting,
(v) External Review Mechanism.

CareEdge Advisory's Opinion:

CareEdge Advisory has found NMC's practices to be credible, effective, and in line with the extant market practices. Details are provided below.

4.1 Use of Proceeds

The following **Table 4** details the alignment of NMC's Use of Proceeds with the industry standards including: (a) SEBI's Non-Convertible Securities Regulations, 2021[5]; (b) SEBI Master Circular[6], and (c) ICMA Green Bond Principles, 2025[7].

Table 4 – Alignment of NMC's defined Use of Proceeds with Industry Standards

Pertinent Regulation and Framework	Eligible Category	Rationale for Alignment	Alignment with UNSDGs[8]
SEBI NCS Regulations, 2021 [Last amended on October 28, 2025,] – Reg. 2(1)(q)(iii)	**Climate change adaptation** including efforts to make infrastructure more resilient to impacts of climate change and information support systems such as climate observation and early warning systems	The Upper Godavari basin experiences **significant hydro-climatic stress,** including increasing incidence of floods, high inter-annual variability, and low-flow extremes. The project's design (i.e., upgraded treatment capacity, Supervisory Control and Data Acquisition [SCADA] and telemetry-ready bulk transmission infrastructure) substantially **enhances water quality and service reliability under climate extremes**. Accordingly, the project squarely qualifies for the **climate change adaptation** category, including the **information-support and early-warning systems**, by strengthening NMC's ability to monitor system performance and respond proactively to potential disruptions.	
ICMA Green Bond Principles (GBP) 2025	**Sustainable water and wastewater management** (including **sustainable infrastructure for clean and/ or drinking water,** wastewater treatment, sustainable urban drainage systems and river training and other forms of flooding mitigation)	The said project supports: (a) Sustainable treatment, and transmission of **potable water** (b) Improves resource efficiency and service coverage	

[8] Refer Table 6

	Climate change adaptation (including efforts to make infrastructure more resilient to impacts of climate change, as well as information support systems, such as climate observation and early warning systems)	The project strengthens climate adaptation in a hydro-climatically stressed Godavari basin through added treatment capacity, and monitoring-ready bulk systems. Refer to the above rationale mentioned for SEBI NCS Regulations, 2021	

CareEdge Advisory's Opinion:

CareEdge Advisory is of the opinion that NMC's Use of Proceeds is clearly defined and robust. NMC's categorisation of the green project is **consistent with both Indian regulatory requirements (SEBI NCS) and leading international market standards (ICMA and UNSDGs)**. This alignment enhances the credibility of NMC's green financing, supports investor confidence, and ensures compatibility with both domestic and global capital markets.

The recognition of eligible environmental categories and relevant KPIs under the SEBI NCS and ICMA GBP framework positions NMC to efficiently mobilize blended financing for the project that advances India's commitments under the **Paris Agreement 2015, Sustainable Development Goals (UN SDGs)**, and national priorities on climate adaptation and inclusive growth.

4.2 Process for Project Evaluation and Selection

4.2.1 Project Evaluation and Selection

The project has been prioritized to support **Sinhastha Kumbh 2027** and to strengthen the long-term water supply system of Nashik. It was proposed by the **Water Supply Department, NMC**, and received **technical sanction** from **Maharashtra Jeevan Pradhikaran, Nashik Division**. The proposal was subsequently deliberated and approved by the **Municipal General Body** for project implementation and for financing the project through a Green Bond issuance. Further, administrative approval for the project implementation was granted by the **Nashik–Trimbakeshwar Sinhastha Kumbh Mela Authority**, recognizing the project's critical role in meeting Kumbh-related water demand. The **Government of Maharashtra** subsequently accorded administrative approval for raising funds through the issuance of Green Bonds. **Refer Table 3 – Green Bond Framework**

A dedicated **Bond Issue Committee ("Bond Committee")** has been constituted by the NMC to oversee and manage all activities related to the Green Bond issuance and utilization of proceeds. The Bond Issue Committee will ensure that the selected Eligible Project complies with the section of Use of Proceeds as well as the environmental and social guidelines under the proposed framework. In addition, the committee will be responsible for managing any future updates of the Framework.

4.2.2 Mitigation of Environmental, Health, Safety and Social (EHS&S) Risk

NMC ensures effective mitigation of EHS&S risks through the following measures: (a) incorporation of EHS&S compliance provisions in tender documents and contracts (b) assignment of responsibility to contractors for implementation and maintenance of EHS&S measures at project sites (c) Project Management Consultants (PMC) undertake regular site supervision, and (d) periodic oversight and compliance review by NMC's Environment and Engineering Departments

CareEdge Advisory's Opinion:

CareEdge Advisory is of the opinion that NMC has a structured and appropriate process for Project evaluation and selection for green bond issuance, supported by the availability of requisite approvals and technical sanctions. The Bond Issue Committee (BIC), chaired by the Commissioner and comprising senior municipal officials, is a standard market practice for overseeing project selection in Indian municipal bond market and provides effective oversight.

NMC's incorporation of environmental, health and safety (EHS) clauses in the tender document and constant supervision of contractors provides a reliable environmental and social safeguard. **Based on our assessment, the project selection process is transparent, well-governed, and consistent with the green bond principles.**

4.3 Management of Proceeds

NMC will create and maintain a **separate account** to ensure transparent allocation and proper accounting of the Green Bond proceeds. The proceeds will be tracked to ensure that allocations are made exclusively toward the eligible green project in line with the disclosures provided in the Disclosure Documents.

The unallocated proceeds, if any, will be carried forward to successive years for deployment across eligible components of the approved green project. Until allocation, these proceeds will be held in a **fixed deposit with a scheduled bank** and/or as per the provisions of the Maharashtra Municipal Corporation Act, 1949.

An **Independent Chartered Accountant/External Auditor** shall be appointed by NMC and shall issue annual allocation certificate at the end of the financial year over the lifetime of the bond to certify the parking and deployment of proceeds and the management of unallocated funds.

CareEdge Advisory's Opinion:

CareEdge Advisory is of the opinion that, NMC's **approach to management of proceeds is consistent with applicable regulatory requirements and prevailing practices in the Indian municipal bond market.** NMC will maintain a separate account to track the allocation of green bond proceeds, while any unallocated proceeds will be temporarily parked in fixed deposits with a scheduled bank and/or managed in accordance with the provisions of the Maharashtra Municipal Corporation Act, 1949.

An Independent Chartered Accountant/External Auditor shall be appointed post-issuance to provide annual allocation certification throughout the life of the bond, covering parking of funds, deployment in line with the Use of Proceeds and the treatment of unallocated proceeds, in line with SEBI's continuous disclosure requirements for listed Green Debt securities.

In our opinion, the use of segregated accounts, periodic audits, and appointment of external auditor provides clear traceability of proceeds, demonstrating strong governance, transparency, and alignment with municipal green bond practices in India.

4.4 Reporting

As long as NMC's Green Bond is outstanding, it will annually report following disclosures on its website along with external review:

i. Allocation Reporting covering allocation of proceeds, outstanding balances, maturity profile, unallocated amount, and investments made through such unallocated amount
ii. Impact Reporting until full allocation of the green bond proceeds. Where possible, and subject to the nature of eligible activities and availability of information, NMC shall endeavor to report on qualitative and quantitative environmental and social impacts of the green bond proceeds issued under this Framework
iii. Major Elements of BRSR Reporting

CareEdge Advisory's Opinion:

NMC has committed to disclosing on its website, as long as the bonds remain outstanding, covering ((i) **Allocation Reporting** on the use of proceeds, unallocated balances, and maturity profile; (ii) **Impact Reporting**, including qualitative and quantitative performance; and (iii) **BRSR disclosures**. **The Framework specifies that impact reporting will track performance against Key Performance Indicators aligned to the ICMA Harmonized Framework for Impact Reporting 2024 and mapped to relevant UN SDG targets.**

Allocation reporting will be based on the Independent Chartered Accountant/External Auditor's certification and subject to external review, consistent with SEBI's Master Circular on continuous disclosure obligations for green debt securities.

NMC's planned allocation, impact reporting, supported by pre-issuance reporting (TPR Report) represents a **higher standard of transparency for a municipal green bond issuance and is in line with extant market best practices.**

4.5 External Review Mechanism

4.5.1 Third-Party Review

Third Party Review (TPR) on NMC's Green Bond Framework obtained from **CARE Analytics and Advisory Private Limited (CareEdge Advisory**), will be made available on NMC's website.

4.5.2 Post Issuance External Verification

To provide timely and transparent information about the reporting of the allocation of funds from green bond issued under this framework, NMC will engage with a Third-Party external annual reviewer to provide an opinion on the following aspects:

- Verify that utilization of proceeds is in accordance with stated objectives of use of proceeds as mentioned in the Framework
- Assess the management of proceeds and of unallocated proceeds, if any
- Monitor the expenditure towards and impacts of selected components of the green project.

The annual review report will be published on its website (https://www.nmc.gov.in/)

CareEdge Advisory's Opinion:

CareEdge Advisory is of the **opinion that NMC's practice of publishing (i)** its **Green Bond Framework** and (ii) the **Third-Party Review on its website is in line with extant market practice**. Pre-issuance verification by a reputed external agency improves credibility and reinforces environmental & social commitments. Additionally, publication of an Annual post-issuance review will further enhance transparency.

5 Exclusions

CareEdge Advisory's Third-Party Review (TPR) excludes the following:

- Technical soundness of the proposed project(s),
- Financial performance / solvency of project(s) and Creditworthiness of the proposed project(s) or the project proponent
- Verify NMC's financial statements, ESG rating or its economic performance
- Development of ESG Policy(s)
- Validate NMC's statements relating to opinions, beliefs, aspirations, expectations, aims, future intentions, nor the national or global socio-economic and environmental aspects presented beyond scope
- For anything excluded from CareEdge Advisory's scope, refer to the Disclaimer (Refer **Sec. 10**)

6 Conclusion

Based on the documents reviewed, and interviews with key personnel, nothing has come to CareEdge Advisory's attention that causes us to believe NMC's Green Bond Framework (the Framework) fails to meet the requirements or diverges from (a) SEBI Non-Convertible Securities (NCS) Regulations, 2021, (b) SEBI Master Circular for issue and listing of Non-convertible Securities, Securitized Debt Instruments, Security Receipts, Municipal Debt Securities and Commercial Paper (SEBI Master Circular), 2025 and (c) ICMA Green Bond Principles, 2025 (ICMA GBP), 2025 (as amended to date).

7 Annexure 1: NMC's Green Bond Framework's compliance with SEBI Requirements

SEBI has stipulated the following guidelines in their Circular No. SEBI/HO/DDHS/DDHS-PoD/P/CIR/2025/0000000137[9] dt. October 15, 2025, captioned 'Chapter IX – Green Debt Securities of the Master Circular for issue and listing of Non-Convertible Securities (NCS)', (hereinafter referred to as the 'NCS Master Circular'), as amended from time to time'. The 'Response' section in the **Table 5** presents a summary on how NMC's Green Bond conform with the said SEBI requirement.

Table 5 – Alignment with SEBI NCS Master Circular dt. October 15, 2025

#	Clause	Response	Evidence
1.1	A statement on environmental sustainability objectives of the issue of green debt securities	The overall sustainability objective of the project components is: • **Augmentation of the Mukane Water Supply Scheme –** *(i) Meet long-term water demand by optimally utilizing the Mukane Dam allocation and strengthening bulk supply for peak* and *(ii) event-based demand esp. around and during Kumbh* • **Construction of a New WTP (274 MLD) at Vilholi –** *(i) Enhance treatment capacity, (ii) reduce operational stress and energy costs,* and *(iii) improve system flexibility through gravity-based supply* • **Development of Gravity Main from Vilholi to Gandhinagar, Sadhugram, and Nilgiri Baug WTP –** *(i) Ensure efficient gravity-driven water transmission and reliable supply to key service zones, including uninterrupted service during and after Sinhastha Kumbh events.*	**NMC's Green Bond Framework** Sec. 2.1 Overview of the Project and Objectives Please read in conjunction with **Table 4** which represents the alignment of UNSDGs with the eligible green project.

1.2	Brief details of decision-making process followed/proposed for determining the eligibility of project(s) and/or asset(s), for which the proceeds are being raised through issuance of green debt securities, such as:	The project has received all requisite (i) technical and (ii) administrative approvals from the Maharashtra Jeevan Pradhikaran *(Technical)*, the Municipal General Body *(Administrative)*, the Nashik–Trimbakeshwar Sinhastha Kumbh Mela Authority *(Administrative)*, and the Government of Maharashtra (*Administrative)*, including approval for financing through Green Bond issuance. A dedicated Bond Issue Committee (BIC) has been constituted by NMC to oversee the Green Bond issuance, ensure compliance with the Use of Proceeds and environmental and social guidelines outlined in the proposed Framework. Additionally, the BIC will be responsible for managing and approving any future updates to the Framework.	**NMC's Green Bond Framework** Sec. 4.2 Process for Project Evaluation and Selection
1.2 (a)	Process followed/ to be followed for determining how the project(s) and/or asset(s) fit within the eligible green projects categories as defined under Regulation 2 (1)(q) of NCS Regulations	NMC's eligible green project align with domestic regulations like SEBI NCS 2(1)(q)(iii) and international standards such as ICMA Green Bond Principles Please read in conjunction with **Table 4**, which presents the alignment of eligible green project with these standards.	**NMC's Green Bond Framework** Sec. 3.2 Alignment with Domestic and International Financing Framework Sec. 4.2 Process for Project Evaluation and Selection
1.2 (b)	The criteria making the project(s) and/ or asset(s) eligible for using the green debt securities proceeds	The components of the Nashik Water Supply Project qualify under national and international taxonomies such as **SEBI NCS Regulations** 2021, as amended to date and **ICMA GBP 2025.** Please read in conjunction with **Table 4**, which presents the alignment of eligible green project with these standards.	**NMC's Green Bond Framework** Sec. 3.2 Alignment with Domestic and International Financing Framework Sec. 4.1 Use of Proceeds

1.2 (c)	Details of taxonomies, green standards or certifications both Indian and global, if any referenced and the alignment of projects with said taxonomies, related eligibility criteria, and exclusion criteria, if applicable.	CareEdge Advisory has referred to (i) SEBI NCS Regulation dt. Oct 28, 2025, Clause 2(1)(q) while categorizing projects under SEBI guidelines and (ii) ICMA Green Bond Principles, 2025 for checking eligibility of the project. NMC has not adopted any exclusion list.	**NMC's Green Bond Framework** Sec. 4.1 Use of Proceeds Please read in conjunction with **Table 4** of this document, which represents the alignment of the eligible green project with these standards.
1.2 (d)	Details of the alignment of the objective of the issue with the India's Intended Nationally Determined Contributions in case of the proceeds raised though issuance of transition bonds	The funds are not raised through the issuance of transition bonds. Hence not applicable.	**NMC's Green Bond Framework** Annexure 2: Impact Reporting
1.3	Details of the system/procedures to be employed for tracking the deployment of the proceeds of the issue.	Refer to **Sec. 4.3** for the details regarding system employed for tracking and Management of Proceeds.	**NMC's Green Bond Framework** Sec. 4.3.1 Tracking of Proceeds Sec. 4.3.3 Monitoring and Audit Mechanism Sec. 4.4 Reporting
1.4	Details of the project(s) and/or asset(s) or areas where the issuer, proposes to utilise the proceeds of the issue of green debt securities, including towards refinancing of existing green project(s) and/or asset(s), if any.	Proceeds from NMC's green bond issuances will be allocated to finance the project components - Augmentation of Mukane Water Supply Scheme, construction of new WTP at Vilholi and development of Gravity Main under the NMC's Green Bond Framework. The proceeds are not being utilised towards re-financing of existing green project.	**NMC's Green Bond Framework** Sec. 2 About the Project

1.5	Details of an indicative estimate of distribution of proceeds raised though issuance of green debt security between financing and refinancing of project(s) and/or asset(s); if applicable.	NMC intends to use the entire green bond proceeds to fund the project components of the Nashik Water Supply Project. As per the information provided, no refinancing is involved.	**NMC's Green Bond Framework** Sec. 4.3 Management of Proceeds Annexure 4: Project Cost and Financing Structure
1.6	Details of the intended types of temporary placement of the unallocated and unutilised net proceeds from the issue of green debt securities	Refer to **Sec. 4.3** for the details regarding treatment of Unallocated Proceeds.	**NMC's Green Bond Framework** Sec. 4.3.2 Use of Unallocated Proceeds
1.7	Details related to the perceived social and environmental risks and proposed mitigation plan associated with the project(s) proposed to be financed/ refinanced through the proceeds from the issue of green debt securities	During the construction period of the project, (a) minor environmental risks air & noise pollution and (b) minor safety risks to construction workers are perceived. To mitigate this NMC has envisaged various countermeasures in the DPR and enshrined these in the contractor's EHS contract conditions. During the operational phase of the project, no major environmental or social risks are perceived. Please refer to **Sec. 4.2.2** NMC's measures to ensure effective mitigation of EHS&S risks	**NMC's Green Bond Framework** Sec. 4.2.3 NMC's Environmental, Health, Safety and Social (EHS&S) Risk Mechanism Framework

1.8	The issuer shall appoint an independent third-party reviewer/ certifier, for reviewing/certifying the processes including project evaluation and selection criteria, project categories eligible for financing by green debt securities, etc.	NMC has appointed CARE Analytics and Advisory Pvt. Ltd. (CareEdge Advisory) to provide its Third-Party Review Report on their Green Bond Framework. The scope included reviewing the eligibility of project components, evaluation and selection procedures, and alignment with domestic and international standards such as SEBI NCS and ICMA GBP framework.	**NMC's Green Bond Framework** Sec. 5.2 Post-Issuance External Verification

8 Annexure 2: Benefits of the Project

The environmental benefits associated with the project are outlined below:

Table 6 – Benefits of the Project

Environmental Benefits	Activity covered in the DPR	Primary SDGs	Most relevant SDG targets	Probable Benefits Mapping
Sustainable drinking-water supply infrastructure	Raw-water abstraction at Mukane Dam, 274 MLD WTP at Vilholi, and bulk gravity mains for potable water transmission		(i) 6.1 - Universal access to safe & affordable drinking water (ii) 6.3 - Improve water quality (iii) 11.1 - Access to basic services (iv) 9.1 - Resilient infrastructure	Enables a reliable, treated drinking water supply for residents and the floating population during Sinhastha Kumbh through intake–treatment–transmission assets, supporting basic urban services and resilient infrastructure
Water quality and treatment compliance	Meeting BIS 10500 / WHO drinking-water standards at treatment plant outlets and delivery nodes		(i) 6.3 - Improve water quality (ii) 3.3 / 3.9 - Reduce water-borne diseases and illness from hazardous water	Treatment to potability standards links directly to safer water and downstream public-health outcomes
Climate adaptation and service resilience	System redundancy and reliable bulk supply to manage extreme events and surge demand		(i) 13.1 - Strengthen resilience and adaptive capacity (ii) 11.5 - Reduce disaster impacts on people/economy	Robust conveyance and diversified routing sustain supply during floods/heat stress/surge events

The project is expected to generate key **Social Co-Benefits**, including:

- *Improved access to safe drinking water for households and institutions, contributing to better public health outcomes and reducing exposure to water-borne diseases*
- *Generation of local employment during the construction phase, supporting livelihoods and short-term economic activity in the project area*

SCOPE OF REVIEW

The review:

☒ assessed the 4 core components of the principles **(complete review)** and confirmed the alignment with the GBP/SBP/SBG (delete where appropriate).

☐ assessed only some of them **(partial review)** and confirmed the alignment with the GBP/SBP/SBG (delete where appropriate); please indicate which ones:

☐	Use of Proceeds	☐	Process for Project Evaluation and Selection
☐	Management of Proceeds	☐	Reporting

☐ assessed the alignment with other regulations or standards (CBI, EU GBS, ASEAN Green Bond Standard, ISO 14030, etc.); please indicate which ones:

ROLE(S) OF INDEPENDENT REVIEW PROVIDER

☒	Second Part Opinion /Third Party Review	☐	Certification
☐	Verification	☐	Scoring/Rating
☐	Other *(please specify)*:		

Does the review include a sustainability quality score[11]?

☐	Of the issuer	☐	Of the project
☐	Of the framework	☐	Other (please specify):
☒	No scoring		

ASSESSMENT OF THE PROJECT(S)

Does the review include:

☒ The environmental and/or social features of the type of project(s) intended for the Use of Proceeds?

☒ The environmental and/or social benefits and impact targeted by the eligible Green and/or Social Project(s) financed by the Green, Social or Sustainability Bond?

☒ The potentially material environmental and/or social risks associated with the project(s) (where relevant)?

ISSUER'S OVERARCHING OBJECTIVES

Does the review include:

☐ An assessment of the issuer's overarching sustainability objectives and strategy, and the policies and/or processes towards their delivery?

[11] *The external review may indicate the provider's opinion of the overall sustainability quality of a bond or bond framework and assess whether it has a meaningful impact on advancing contribution to long-term sustainable development.*

☒ An identification and assessment of environmental, social and governance related risks of adverse impact through the Issuer's [actions] and explanations on how they are managed and mitigated by the issuer?

☒ A reference to the issuer's relevant regulations, standards, or frameworks for sustainability-related disclosure and reporting?

CLIMATE TRANSITION STRATEGY[12]

Does the review assess:

☐ The issuer's climate transition strategy & governance?

☐ The alignment of both the long-term and short/medium-term targets with the relevant regional, sector, or international climate scenario?

☐ The credibility of the issuer's climate transition strategy to reach its targets?

☐ The level/type of independent governance and oversight of the issuer's climate transition strategy (e.g. by independent members of the board, dedicated board sub-committees with relevant expertise, or via the submission of an issuer's climate transition strategy to shareholders' approval).

☐ If appropriate, the materiality of the planned transition trajectory in the context of the issuers overall business (including the relevant historical datapoints)?

☐ The alignment of the issuer's proposed strategy and targets with appropriate science-based targets and transition pathways[13] that are deemed necessary to limit climate change to targeted levels?

☐ The comprehensiveness of the issuer's disclosure to help investors assess its performance holistically[14]?

---

[12] *Where issuers wish to finance projects towards implementing a net zero emissions strategy aligned with the goals of the Paris Agreement, guidance on issuer level disclosures and climate transition strategies may be sought from the Climate Transition Finance Handbook.*

[13] *GHG emissions reduction targets that are in line with the scale of reductions required to keep the average global temperature increase to ideally 1.5°C, or at the very least to well below 2°C above pre-industrial temperatures. Science Based Targets Initiative (SBTi) is a branded verification body for science-based targets and SBTi verification is one way for issuers to validate the alignment of their emission reduction trajectories with science-based reference trajectories. In addition, ICMA has published a Methodologies Registry which includes a list of tools to specifically help issuers, investors, or financial intermediaries validate their emission reduction trajectories.*

[14] *Including information such as the respective contribution (e.g. %) of the different measures to the overall reduction, the total expenses associated with the plan, or the issuer's climate policy engagement.*

Overall comment on this section:
The funds are not raised through the issuance of transition bonds.

Section 3. Detailed Review

Reviewers are encouraged to provide the information below to the extent possible and use the comment section to explain the scope of their review.

1. USE OF PROCEEDS

Does the review assess:

☒ the environmental/social benefits of the project(s)?

☒ whether those benefits are quantifiable and meaningful?

☐ for social projects, whether the target population is properly identified?

Does the review assess if the issuer provides clear information on?

☐ the estimated proceeds allocation per project category (in case of multiple projects)?

☐ the estimated share of financing vs. re-financing (and the related lookback period)?

Overall comment on this section:
The proceeds from the issued green bonds will be exclusively used for the components of the eligible green project depicted in **Table 4.**

2. PROCESS FOR PROJECT EVALUATION AND SELECTION

Does the review assess:

☒ whether the eligibility of the project(s) is aligned with official or market-based taxonomies or recognized international standards? Please specify which ones[15].

☐ whether the eligible projects are aligned with the overall sustainability strategy of the issuer and/or if the eligible projects are aligned with material ESG-related objectives in the issuer's industry?

☐ the process and governance to set the eligibility criteria including, if applicable, exclusion criteria?

☒ the processes by which the issuer identifies and manages perceived social and environmental risks associated with the relevant project(s)?

☒ any process in place to identify mitigants to known material risks of negative social and/or environmental impacts from the relevant project(s)?

Overall comment on this section:
Please refer to **Table 4** for how the components of the eligible green project align with **SEBI NCS Regulations, 2021**, as amended, and **ICMA GBP, 2025.**
Please refer to **Sec. 4.2.2** and Sec 4.2.3 of NMC's Green Bond Framework.

3. MANAGEMENT OF PROCEEDS

Does the review assess:

☒ the issuer's policy for segregating or tracking the proceeds in an appropriate manner?

☒ the intended types of temporary investment instruments for unallocated proceeds?

☒ Whether an external auditor will verify the internal tracking of the proceeds and the allocation of the funds?

Overall comment on this section:
Please refer to **Sec. 4.3.** This section elaborates the process of management of proceeds.

4. REPORTING

Does the review assess:

☒ the expected type of allocation and impact reporting (bond-by-bond or on a portfolio basis)?

☒ the frequency and the means of disclosure?

☒ the disclosure of the methodology of the expected or achieved impact of the financed project(s)?

Overall comment on this section:
Please refer to **Sec. 4.4**. This section defines how NMC will disclose and report the proceeds of the green bonds.

1. INTRODUCTION

1.1 Background of the Issuer

The **Nashik Municipal Corporation (NMC)** serves as the principal governing and administrative body responsible for managing the city's civic infrastructure and urban development. Established on **22 October 1982** (effective from **7 November 1982**), NMC was constituted through the amalgamation of three erstwhile municipal councils—**Nashik Municipal Council, Nashik Road–Deolali Municipal Council,** and **Satpur Municipal Council.** The Corporation's jurisdiction also partially encompasses the villages of **Vihitgaon, Vadner,** and **Pimpalgaon Khamb.**

The civic administration operates from its **headquarters at Rajiv Gandhi Bhavan, Sharanpur Road, Nashik**, supported by **six ward offices** located across key zones—Main Road (Nashik East), Pandit Colony (Nashik West), Panchavati, Satpur, CIDCO, and Nashik Road. In 2014, NMC was reclassified as a ***'B' Class Municipal Corporation*** *(Government Notification No. MCO–2014/CR–153/UD–14, dated 1 September 2014).*

1.2 City Profile: Nashik

Nashik, one of the major cities of Maharashtra, is located on the banks of the **Godavari River** in northwestern Maharashtra. Known for its pleasant climate and undulating terrain, the city is surrounded by nine hills and enriched by rivers such as the **Godavari** and **Nasardi**. The region experiences a **tropical climate** characterized by hot summers, mild winters, and a southwest monsoon from June to September, with annual rainfall varying from **500 mm to 3400 mm**. The area's diverse agro-climatic conditions have earned it the name **"Mini Maharashtra."**

The **Godavari River**, often referred to as the *'South Ganges'*, originates at **Trimbakeshwar**, which is also home to one of the **twelve Jyotirlingas**. The city's religious identity is deeply tied to the **Kumbh Mela**, one of the largest spiritual gatherings in the world, held every **twelve years** on the banks of the Godavari. The **Ramkund** and **Godavari Ghats** remain the focal points for daily rituals and religious activities.

2. ABOUT THE PROJECT

2.1 Overview of the Project and Objectives

The **Augmentation of Water Supply Scheme from Mukane Dam, Vilholi Water Treatment Plant (WTP), and Gravity Main to Gandhinagar & Sadhugram areas** is a comprehensive infrastructure initiative aimed at strengthening Nashik city's water supply network. This project involves –

Table 1 - Overview of NMC's Project Components and Objectives[1]

Project Components	Associated Objectives
Augmentation of the Mukane Water Supply Scheme	• Address projected water demand of **686 MLD by 2040** against the current supply of **553.2 MLD** • Enable **optimal utilisation** of reserved Mukane Dam allocation (189.32 MLD by 2031; 452.74 MLD by 2041) • Strengthen bulk water availability for **routine and peak-period demand**, including **Sinhastha Kumbh**
Construction of a New WTP (274 MLD) at Vilholi *(purple arrow in Figure 1)*	• Augment city-wide **water treatment capacity** • Partially **relieve the load of the overstressed Gandhinagar WTP** through supply re-zoning • Reduce energy use and operating costs through **gravity-based conveyance** • Improve operational flexibility via **2 ML Master Balancing Reservoir (MBR)**
Development of Gravity Main from Vilholi to Gandhinagar, Sadhugram, and Nilgiri Baug WTP *(red line in Figure 1)*	• Enable **efficient gravity transmission** of treated water to Gandhinagar, Sadhugram, and Nilgiri Baug • Support reliable supply to **Gandhinagar and New Nashik/Pathardi District Metered Areas (DMAs)** • Ensure dedicated water supply during **Sinhastha Kumbh 2027 and 2039** • Provide post-Kumbh service continuity through **MBR at Nilgiri Baug WTP**

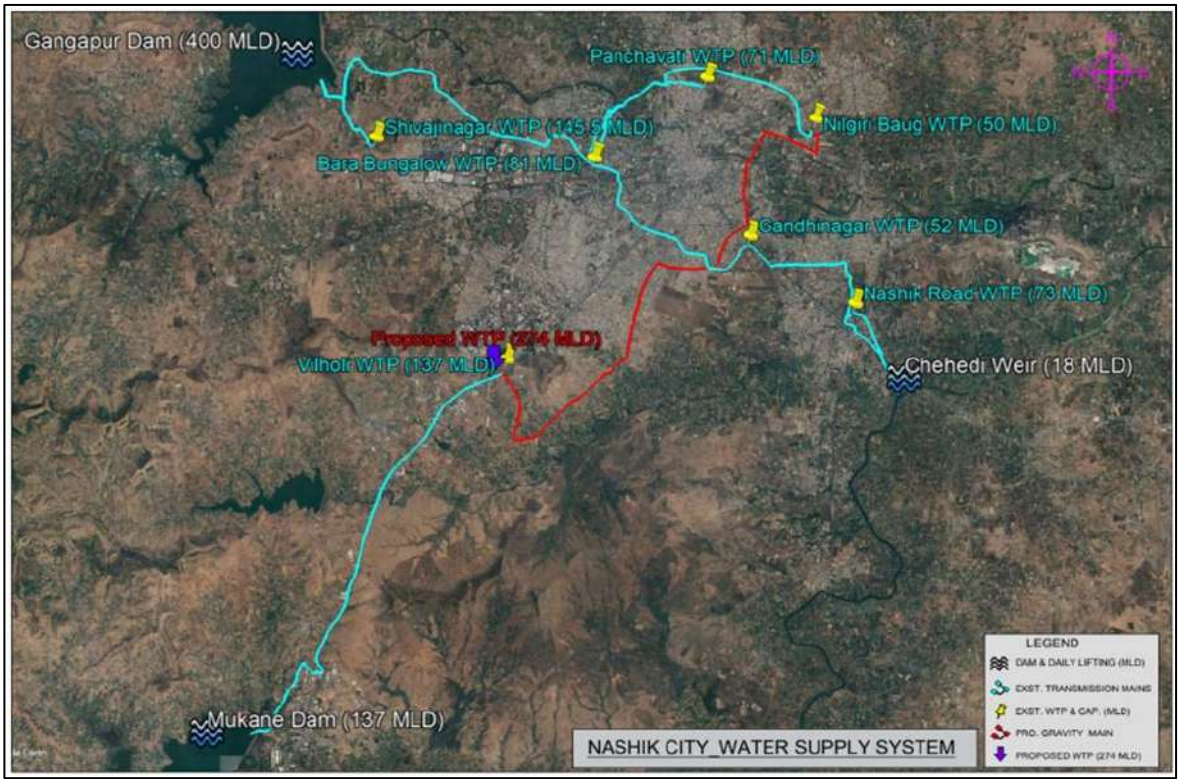

Figure 1 - Schematic of City Water Supply System

2.2 Project Rationale

2.2.1 Urban Water Demand and System Constraints

Nashik's[2] water supply system is under increasing pressure due to population growth, urban expansion, and periodic demand surges. The key demand-related challenges are outlined below:

- The existing water supply of **553.2 MLD** is largely utilised, while projected demand is expected to rise to **686 MLD by 2040.**
- Major treatment facilities, particularly the **52 MLD Gandhinagar WTP**, are operating under full capacity utilization with no scope for expansion
- The existing **137 MLD WTP at Vilholi** is insufficient to fully utilise Nashik's reserved raw-water allocation from the Mukane Dam (189.32 MLD by 2031; 452.74 MLD by 2041)
- Large-scale religious events such as the **Sinhastha Kumbh 2027** create sharp, short-term surges in water demand.

[2] ***Source:*** *Detailed Project Report (DPR) – Augmentation of Mukane Water Supply Scheme, WTP and Gravity Main, Nashik Municipal Corporation*

2.2.2 Existing Water Supply System in Nashik

Nashik's[3] water supply system draws from five major reservoirs — Gangapur, Kashyapi, Gautami-Godavari, Darna, and Mukane Dams — providing about **553.2 million litre per day (MLD)** of water. Water treatment and distribution are supported by **seven WTPs** with a combined treatment capacity of **609.5 MLD**, expected to increase to **661.5 MLD** under the Smart City Project, along with **118 Elevated Service Reservoirs (ESRs)** and an extensive **~2,500 km-long distribution network**, enabling city-wide service coverage.

Nashik is supported by two natural water sources—the **Godavari and Darna rivers**, with the city primarily dependent on the Godavari system. Raw water is abstracted from the Gangapur and Mukane dams, and from the Darna River weir (Chehedi barrage), conveyed to seven WTPs for treatment, and distributed across the city through the municipal supply network.

[3] ***Source:*** *Detailed Project Report (DPR) – Augmentation of Mukane Water Supply Scheme, WTP and Gravity Main, Nashik Municipal Corporation*

2.3 Alignment with National and Global Initiatives

The project is being undertaken as a **100% Authority-driven initiative** under the **Nashik–Trimbakeshwar Simhastha Kumbh Mela Authority Act, 2025**, focusing on the augmentation of treatment capacity at Vilholi, strengthening of pumping capacity at Mukane Dam, and the construction of a gravity-based bulk transmission pipeline to Gandhinagar, Sadhugram, and Nilgiri Baug. The project is structured to meet peak demand during **Sinhastha Kumbh 2027 and 2039**, while enhancing long-term system reliability and supporting Nashik's expanding urban water needs.

At the global level, the project aligns with the **United Nations Sustainable Development Goals (UNSDGs)**[4] by advancing equitable access to safe drinking water and strengthening resilient, efficient, and sustainable urban water infrastructure. Refer *Table 2* and *Table 4*

2.4 Benefits of the Project

The Nashik Water Supply Project is expected to have the following benefits:

The **key environmental benefits** associated with the project are as follows:

1. **Drinking-water supply** to Gandhinagar, New Nashik/Pathardi, Sadhugram, Nilgiri Baug, and adjoining elevated zones catering to residents and the floating population during Sinhastha Kumbh
2. **Improved treated water quality,** ensuring compliance with **BIS 10500/WHO standards**
3. **Enhanced climate resilience**, ensuring **reliable supply** during droughts, floods, seasonal fluctuations, and high-demand events

There are key significant **social co-benefits** like:

1. Access to safe drinking water, contributing to better public health outcomes
2. Local employment generation during the construction phase

3. NMC'S GREEN BOND FRAMEWORK

3.1 Objective of the Framework

The **NMC Green Bond Framework ("the Framework")** has been established by NMC as the guiding document for the **issuance of the Green Bond** in relation to the **approved Nashik Water Supply Project**. It outlines a transparent approach for the allocation, management, and reporting of proceeds from the Green Bond.

3.2 Alignment with Domestic and International Financing Framework

The Green Bond Framework has been developed in accordance with the:

1. **SEBI (Issue and Listing of Non-Convertible Securities) Regulations, 2021 [Last amended on October 28, 2025]**[5] ***('SEBI NCS')***[6]
2. **SEBI Master Circular for issue and listing of Non-convertible Securities, Securitised Debt Instruments, Security Receipts, Municipal Debt Securities and Commercial Paper, [October 15, 2025]** ***('SEBI Master Circular, 2025')***[7]
3. **International Capital Market Association (ICMA) Green Bond Principles, [June 2025] (*'ICMA GBP'*)**[8]

The Framework lays down NMC's mechanism of raising funds from the issuance of Green Bond and to deploy the proceeds consistent with the defined 'Use of Proceeds'. The bonds shall be issued in accordance with the applicable provisions of the *SEBI (Issue and Listing of Municipal Debt Securities) Regulations, 2015, [Last amended on August 18, 2023]*[9] and *the SEBI Master Circular, 2025*.

[5] As per the SEBI circular dated November 24, 2022 "an issuer under the Issue and Listing of Municipal Debt Securities (ILMDS) Regulations may issue a green debt security if it falls within the definition of "green debt security", as per Regulation 2(1)(q) of the NCS Regulations".

3.3 Framework Management

The Green Bond Framework along-with Third-Party Review Report will be made available on the NMC's website. The framework will be reviewed as and when required. The framework will be revised in case of the following points:

1. Significant internal or external regulatory changes affecting impact / allocation reporting and/or,
2. In case of any material change(s) in the four pillars of the framework (refer *Sec. 4*).

Accordingly, the Third-Party Reviewer Report will be obtained for the revised framework.

4. STRUCTURE OF THE FRAMEWORK

The Framework is designed to align with the four core components of the *ICMA GBP, 2025, SEBI NCS Regulations, 2021 and SEBI Master Circular, 2025*. These principles emphasize establishing a transparent process and clear disclosures by the issuer to enable investors, financial institutions, and other stakeholders to assess the key characteristics and environmental integrity of the Green Bond.

The four core components, as outlined by ICMA GBP, are:

i. **Use of Proceeds** (refer *Sec. 4.1*)
ii. **Process for Project Evaluation and Selection** (refer *Sec. 4.2*)
iii. **Management of Proceeds** (refer *Sec. 4.3)*
iv. **Reporting** (refer *Sec. 4.4*)

In addition, the Framework also incorporates the following elements:

v. **Green Bond's alignment with eligibility criteria for projects provided under SEBI Regulations and other International Frameworks** (refer *Sec. 4.1*)
vi. **Benefits arising from the Project** (refer *Sec. 2.4 and Annexure 1: Benefits of the Project with Strategic Alignment)*
vii. **Environmental and Social Risk Mechanism Framework** (refer *Sec. 4.2.3*)

4.1 Use of Proceeds

NMC will allocate **100% of the net proceeds** from the Green Bond issuance towards financing the components of the eligible green project in alignment with SEBI NCS and ICMA GBP, as detailed in *Table 2*

The proceeds will be exclusively utilized for the following components of the Nashik Water Supply Project:

- **Expansion of the existing Mukane Dam Water Supply Scheme**
- Construction of a **new 274 MLD Water Treatment Plant at Vilholi**
- **Development of a Pure Water Gravity Main** from Vilholi to Gandhinagar, Sadhugram, and Nilgiri Baug Water Treatment Plants

NMC commits that the proceeds of the Green Bond issue shall not be utilized for any purpose that contravenes the applicable guidelines / regulations / norms issued by SEBI / Maharashtra Government / Stock Exchange(s).

Table 2 - Alignment of Use of Proceeds with SEBI NCS Regulations, ICMA GBP and UN SDG and Succinct Rationale

Pertinent Regulation and Framework	Eligible Category	Rationale for Alignment	Alignment with UNSDGs
SEBI NCS Regulations, 2021 [Last amended on October 28, 2025] – Reg. 2(1)(q)(iii)	**Climate change adaptation** including efforts to make infrastructure more resilient to impacts of climate change and information support systems such as climate observation and early warning systems	The Upper Godavari basin experiences **significant hydro-climatic stress,** including increasing incidence of floods, high inter-annual variability, and low-flow extremes. The project's design (i.e., upgraded treatment capacity, Supervisory Control and Data Acquisition [SCADA] and telemetry-ready bulk transmission infrastructure) substantially **enhances water quality and service reliability under climate extremes**. Accordingly, the project squarely qualifies for the **climate change adaptation** category, including the **information-support and early-warning systems**, by strengthening NMC's ability to monitor system performance and respond proactively to potential disruptions. Refer *Annexure 3: Climate Resilience*	
ICMA Green Bond Principles (GBP) 2025	**Sustainable water and wastewater management** ***(including sustainable infrastructure for clean and/ or drinking water,*** wastewater treatment, sustainable urban drainage systems and river training and other forms of flooding mitigation)	The said project supports: (a) Sustainable treatment, and transmission of potable water (b) Improves resource efficiency and service coverage	
	Climate change adaptation (including efforts to make infrastructure more resilient to impacts of climate change, as well as information support systems, such as climate observation and early warning systems)	The project strengthens climate adaptation in a hydro-climatically stressed Godavari basin through added treatment capacity, and monitoring-ready bulk systems. Refer to the above rationale mentioned for SEBI NCS Regulations, 2021 and *Annexure 3: Climate Resilience.*	

Note 1: Benefits of the project have been included in Annexure 1: Benefits of the Project with Strategic Alignment separately.

Note 2: Key Performance Indictors (KPIs) of the project have been included in Annexure 2: Impact Reporting separately.

4.2 Process for Project Evaluation and Selection

4.2.1 Selection of the Project

The project, titled ***"Augmentation of Mukane Water Supply Scheme, Water Treatment Plant (WTP), and Construction of Gravity Main from Vilholi to Gandhinagar, Sadhugram, and Nilgiri Baug"***, has been identified as a priority infrastructure initiative to ensure a reliable water supply for Sinhastha Kumbh 2027 and 2039, while also addressing the long-term water supply requirements of Nashik city.

The proposal was initiated by the **Water Supply Department of Nashik Municipal Corporation** and received **technical sanction** from **Maharashtra Jeevan Pradhikaran, Nashik Division,** under **Proposal No. 48, Section No. (63), dated June 2025**. Following technical clearance, the proposal was forwarded to the State Government through the Hon'ble Commissioner and Administrator of NMC for administrative approval. The project was assessed considering its significant public utility, environmental benefits, and contribution to strengthening sustainable and resilient urban water supply.

4.2.2 Bond Issue Committee

A dedicated **Bond Issue Committee ("Bond Committee")** has been constituted by the NMC to manage, oversee, and execute all activities associated with the Green Bond issuance and utilization of proceeds. The composition of the committee is as follows:

- Commissioner - Chairperson
- Additional Commissioner (2) - Member
- Chief Accounts and Finance Officer - Member
- Head of the Department concerned with the project - Member
- Chief Auditor – Member

The Bond Issue Committee meetings are convened in the presence of all designated officials. The Committee meets as per the requirement to review and monitor the progress of the project.

The terms of reference of the Committee are as follows:

The Bond Issue Committee will jointly & severally be responsible for taking all decisions required for the issuance of the Green Bond, including but not limited to:

- Appointing and coordinating with all key intermediaries, including Trustees, Registrars, Credit Rating Agencies, Legal Advisors, Underwriters, Bankers, Depositories (NSDL/CDSL), Stock Exchanges and Third-Party reviewer
- Finalizing key bond parameters such as tenure, coupon rate, repayment structure, and underwriting requirements
- Preparation & Approval of Green Bond Framework, identifying eligible green projects as per the applicable guidelines
- Reviewing bond term sheet and placing the same before the Standing Committee and the Municipal General Body for approval and finalisation
- Establishing payment, escrow, Debt Service Reserve Account (DSRA) and other necessary financial arrangements, and opening dedicated bank accounts for proper fund tracking
- Preparing and executing all necessary agreements, contracts, disclosures, and filings with SEBI, Stock Exchanges, and other statutory bodies
- Overseeing dematerialization and listing formalities, and ensuring continuous regulatory compliance
- Managing allocation, disbursement, and utilisation of proceeds exclusively toward the eligible green project, including temporary investment of unutilized funds in safe interest-bearing instruments

4.2.3 NMC's Environmental, Health, Safety and Social (EHS&S) Risk Mechanism Framework

NMC ensures that all activities financed through Green Bond proceeds are implemented in compliance with applicable Environmental, Health and Safety & Social (EHS&S) regulations. To operationalize this, NMC has identified relevant statutory and contractual requirements and integrated them into **tender documents and contract conditions** for project implementation.

a) Regulatory Compliance

NMC requires all contractors, project management consultants, and implementation partners comply with applicable National and State regulations, including environmental, health & safety regulations, labour laws, and codes. These compliance requirements are embedded into tender documents and contractual obligations to ensure full adherence throughout project execution.

b) Implementation & Supervision of Environmental, Health and Safety (EHS) Contract Conditions

All contractors will be responsible for implementing and maintaining EHS conditions at project sites in accordance with contractual provisions and NMC's EHS requirements.

Project Management Consultants (PMC) undertake regular site supervision to ensure: (i) adherence to contract safety standards, (ii) use of Personal Protective Equipment (PPE), and (iii) maintenance of hygienic working conditions.

c) Monitoring, Reporting, and Accountability

NMC's Environment and Engineering Departments will periodically monitor EHS&S compliance during project construction and operation. The Supervisory Engineer has the power to take curative actions.

4.3 Management of Proceeds

4.3.1 Tracking of Proceeds

NMC will create and maintain a **separate account** to ensure transparent allocation and proper accounting of the Green Bond proceeds. The proceeds will be tracked to ensure that allocations are made exclusively toward the eligible green project in line with the disclosures provided in the Disclosure Documents.

4.3.2 Use of Unallocated Proceeds

The unallocated proceeds will be brought out under the supervision of the concerned department and the Bond Issue Committee. The unallocated proceeds, if any, will be carried forward to successive years for deployment across eligible components of the approved green project. Until allocation, these proceeds will be held in a **fixed deposit with a scheduled bank** and/or as per the provisions of the Maharashtra Municipal Corporation Act, 1949.

4.3.3 Monitoring and Audit Mechanism

An **Independent Chartered Accountant/External Auditor** shall be appointed by NMC, and will certify the allocation reporting (as per **Master Circular[10] Chapter IX Clause 2.1 - Continuous disclosure requirements for listed green debt securities**):

i. the **Parking of Funds** raised through the Green Bond issuance
ii. the **Deployment of Proceeds** in line with the selected Use of Proceeds and,
iii. the **management of Unallocated Proceeds**

The **Internal Auditor** will provide the above-mentioned details to the Independent Chartered Accountant/External Auditor at required intervals.

The Independent Chartered Accountant/External Auditor shall issue an allocation certificate at the end of the financial year over the lifetime of the bond.

4.4 Reporting

Over the life of NMC's Green Bond, NMC will **annually report** on its website (https://www.nmc.gov.in/) along with external verification:

i. **Allocation Reporting** – Amounts allocated towards the components of the project, unallocated amount, and investments made through such unallocated amount basis an Independent Chartered Accountant/External Auditor's certification and external verification.

ii. **Impact Reporting** – Performance against the Key Performance Indicators (KPIs) as prescribed in NMC's Green Bond Framework basis external verification.

iii. **BRSR Reporting** – Major Elements of BRSR Reporting as prescribed by SEBI's Green Debt Securities disclosure requirements.

A - 319

5. EXTERNAL REVIEW

5.1 Third-Party Review

This Green Bond Framework shall be reviewed by **CARE Analytics and Advisory Private Limited ("CareEdge Advisory")** and CareEdge Advisory shall issue an independent Third-Party Reviewer Report.

NMC Green Bond framework will be published on its website (https://www.nmc.gov.in/) along with the Third-Party Reviewer Report.

5.2 Post-Issuance External Verification

To provide timely and transparent information about the reporting of the allocation of funds from the Green Bond issued under this framework, NMC will engage CARE Analytics and Advisory Private Limited ("CareEdge Advisory"), as post issuance impact assessor to provide opinion annually on the following aspects till the bonds are fully redeemed:

i. Verify that **utilization of net proceeds is in accordance with the stated objectives of use of proceeds** as mentioned in the Framework the disclosure documents. (basis the Independent Chartered Accountant/External Auditor's report)

ii. Assess the **management of proceeds and of unallocated proceeds**, if any. (basis the Independent Chartered Accountant/External Auditor's report)

iii. Monitor the **expenditure towards** and **impacts of selected components of the green project**.

NMC will provide the requisite information (e.g. Independent Chartered Accountant/External Auditor's Certificate, Performance against KPIs, Information regarding major elements of BRSR, etc.) to the Third-Party Reviewer for periodic verification and disclosure. The annual verification report will be published on its website (https://www.nmc.gov.in/)

Annexure 1: Benefits of the Project with Strategic Alignment

Table 4 - Environmental benefits associated with the project

Environmental Benefits	What the DPR/Use of Proceeds covers	Primary SDGs	Most relevant SDG targets	Environmental Benefit Rationale
Sustainable drinking-water supply infrastructure	Raw-water abstraction at Mukane Dam, 274 MLD WTP at Vilholi, and bulk gravity mains for potable water transmission		6.1 - Universal access to safe & affordable drinking water 6.3 - Improve water quality 11.1 - Access to basic services 9.1 - Resilient infrastructure	Enables a reliable, treated drinking water supply for residents and the floating population during Sinhastha Kumbh through intake–treatment–transmission assets, supporting basic urban services and resilient infrastructure
Water quality and treatment compliance	Meeting BIS 10500 / WHO drinking-water standards at treatment plant outlets and delivery nodes		6.3 - Improve water quality 3.3/3.9 - Reduce water-borne diseases and illness from hazardous water	Treatment to potability standards links directly to safer water and downstream public-health outcomes
Climate adaptation & service resilience	System redundancy and reliable bulk supply to manage extreme events and surge demand		13.1 - Strengthen resilience and adaptive capacity 11.5 - Reduce disaster impacts on people/economy	Robust conveyance and diversified routing sustain supply during floods/heat stress/surge events

The project is expected to generate key **Social Co-Benefits**, including:

- Improved **access to safe drinking water** for households and institutions, contributing to **better public health outcomes** and reducing exposure to water-borne diseases
- **Generation of local employment** during the construction phase, supporting livelihoods and short-term economic activity in the project area

Annexure 2: Impact Reporting

Table 5 – KPIs identified for Impact Reporting

	KPIs	Unit / Definition	Primary Data Source	ICMA Harmonized Framework for Impact Reporting (HFIR) – Green (June 2024) indicator(s)[11]	UN SDGs targets
1	**Household connections with access to clean drinking water**	Number of households with reliable access to BIS 10500-compliant piped water	Utility MIS (connection database), census/ward-level household size, beneficiary records	HFIR 2024 - Sustainable water access	6.1 - Universal access to safe & affordable drinking water 11.1 - Access to basic services
2	**Annual volume of potable water supplied**	Total m^3 of treated water delivered for human consumption per year (m^3/year)	SCADA systems, flow meters, plant logbooks	HFIR 2024 - Sustainable water – output	6.1 - Universal access to safe & affordable drinking water 6.4 - Increase in water-use efficiency
3	**Water quality compliance**	% of samples compliant with WHO/BIS 10500 potable-water norms	Water quality lab reports, Third-party verification (if any)	HFIR 2024 - Clean drinking water	6.3 - Improve water quality

Annexure 3: Climate Resilience

Under **SEBI NCS[12], Reg. 2(1)(q)(iii),** "green debt securities" include projects related to **climate change adaptation**, defined as initiatives that **strengthen infrastructure resilience** to climate impacts and incorporate **information-support systems** such as climate observation and early-warning mechanisms. The Nashik Water Supply Project demonstrates clear alignment with this category.

A. Climate and Hazard Context: Upper Godavari Basin

The project is located within the Upper Godavari basin, a region characterized by documented hydro-climatic stress:

- A 100-year rainfall analysis for the Upper Godavari basin (1911–2010) indicates a high **inter-annual variability**, and recurring **multi-year deficit periods**, increasing supply risks for surface-water-dependent systems[13].
- The **Southwest Monsoon contributes ~85% of annual rainfall**, concentrating hydrological risk within a short period and increasing vulnerability to seasonal failure[14].
- The hydrology research for the Godavari basin, including climate projections, indicates **increasing rainfall variability** and **altered flow regimes**, leading to more frequent **flood pulses** and heightened **dry-season stress**, thereby underscoring the need for resilient water treatment and conveyance infrastructure[15].
- Flood modelling for the Godavari basin demonstrates exposure to **material inundation risks** during extreme flow events, reinforcing the need for robust and recoverable water treatment and transmission infrastructure to maintain service continuity under climate stress[16]

B. Project Elements Supporting Climate Adaptation and Resilience

- **Gravity Main (Vilholi to Gandhinagar–Sadhugram–Nilgiri Baug):** Reduces dependence on energy-intensive pumping, thereby enhancing **service continuity** during heat-wave-induced grid stress or flood-related power outages and lowering failure risks associated with pumping infrastructure.

- **Augmented WTP at Vilholi:** Provides additional process headroom to **manage raw-water quality fluctuations** (turbidity/microbial spikes) associated with extreme rainfall events, reducing outage risks and safeguarding public health during climate stress.

- **Resilient Transmission Network:** Bulk transmission along robust and strategically aligned corridors **minimize exposure to pipe breaks and system failures** during intense rainfall and flooding events observed within the Godavari basin.

C. Information-support / early-warning alignment

The project's bulk water infrastructure is inherently compatible with **SCADA and telemetry systems**, enabling **real-time monitoring** of flows, pressures, reservoir levels, and water quality. When integrated with publicly available **Indian Meteorological Department (IMD)[17] rainfall forecasts and flood alerts**, these systems strengthen NMC's ability to anticipate disruptions and manage operations during extreme events. The inclusion of meters, Remote Terminal Unit (RTUs), and communication systems within the project scope aligns with the "**information-support and early-warning**" category, enhancing climate preparedness and operational resilience.

Annexure 4: Project Cost

A summary of capital cost and sources of funds for the proposed Projects are presented in the table below:

Table 6 – Summar Project Cost

Approved project cost	Means of the finance of the capital cost**	
	NMC Contribution (Incl. internal accruals / Govt. of India / Govt. of Maharashtra Grants)	**External Borrowing** (Through proposed Green Bond)
Rs 387.50 Crore	At least Rs 187.50 crore	Up to Rs 200 Crore

Note:

For completion of the Project, the Issuer shall incur additional cost with respect to:

(i) Security Deposit payable to MSEDCL,
(ii) MJP Scrutiny Fees,
(iii) Charges payable to Project Management Consultant (PMC)
(iv) Other Permissions & Shifting Charges (utilities) which shall borne by the Issuer.

** An amount of up to ₹ 200.00 crores has been proposed to be funded from the proceeds of the Issue. The actual amount to be utilized for Project shall be finalized upon determination of the Issue Expenses.
