**ORDER

%

1. On 22.12.2021, this Court, while issuing notice had recorded the submission of the learned senior counsel for the petitioners that the relief in the present writ petition was being confined to a consideration of the representations made by them to the CCI and SEBI.
2. While learned counsel for CCI/respondent no. 2 submits that the petitioners' representation has already been decided and communicated to the petitioners vide order dated 03.01.2022, learned counsel for the SEBI submits that the IPO against which the

petitioners had raised a grievance, already stands withdrawn by the respondent no. 4.

3. In the light of the aforesaid, nothing further survives for adjudication in the present petition, which is, accordingly disposed of as not pressed. It is however made clear that this Court has not expressed any opinion either on the merits of the petitioners' claim, or regarding the legality of the communication dated 03.01.2022, issued by the respondent no. 2 and therefore, in case the petitioners still feel aggrieved, it will be open for them to seek legal recourse on all grounds, including the grounds as raised in the present petition.
