(hereinafter, referred to as "investigation") for period 01/04/2014 to 30/09/2015
(hereinafter referred to as "I.P.").

4. Reversal trades have been considered those trades in which an entity reverse its buy or sell positions in a contract with subsequent sell or buy positions with the same counterparty during the same day. The said reversal trades are alleged to be non genuine trades as they are not executed in normal course of trading, lack basic trading rationale, and allegedly lead to false or misleading appearance of trading in terms of generation of artificial volume, hence were deceptive and manipulative. Artificial volume is considered to be the volume (no. of units) reversed in both legs of said reversal trades while keeping out the volume, if any, which is not reversed.
5. Pursuant to investigation, it is observed that during the I.P, total 2,91,643 trades comprising substantial 81.38% of all the trades executed in Stock Options Segment of BSE were non genuine trades. The aforesaid non genuine trades resulted into creation of artificial volume to the tune of 826.21 crore units or 54.68% of the total market volume in Stock Options segment of BSE during the I.P.
6. It is noted that said non genuine trades were not restricted to any specific contract or between any specific set of entities. It is noted that Noticee was one of the various entities which were indulged in execution of non genuine trades in Stock Options Segment of BSE during the I.P. Following points mention the dealings of Noticee in Stock Options segment of BSE during the I.P., and allegations against Noticee for execution of non genuine trades.
7. Non genuine trades and artificial volume are illustrated through the dealings of Noticee in the contract viz, "GRSM15APR3800.00CEW4" during the I.P, mentioned as follows:
 - (a) During the I.P, total 2 trades for 205750 units were executed in the said contract on 31/03/2015, wherein Noticee was party to both the said 2 trades.
 - (b) While dealing in the said contract on 31/03/2015, Noticee at 14:53:48 hrs entered into 1 sell trade with counter party viz, ASSAM VELLY FINANCE PVT LTD for 102875 units at rate of Rs.60 per unit. Thereafter, on the same day, within 7 seconds from the above trade, Noticee, at 14:53:54 hrs entered into 1 buy trade with same counterparty for 102875 units at rate of Rs.26 per unit.
 - (c) From the above, it is noted that while dealing in the said contract during the I.P., Noticee executed total 2 reversal trades (1 sell trade + 1 buy trade) with same

counterparty viz, ASSAM VELLY FINANCE PVT LTD on the same day and with significant price differential in buy and sell rate.

- (d) Thus, Noticee, through his dealing in the contract viz, "GRSM15APR3800.00CEW4" during the I.P, executed 2 non genuine trades which is 100% of the total trades from the market in the said contract during the I.P., and thereby, Noticee generated artificial volume of 205750 units which is 100% of the volume traded in the said contract from the market during the I.P.
8. Similarly, Noticee allegedly indulge in execution of non genuine trades and generation of artificial volume in several other contracts during the I.P. Noticee, during the I.P. traded in total 34 unique contracts, from which he allegedly executed 80 non genuine trades in all the said 34 contracts, resulting in artificial volume of total 1,15,50,250 units. Noticee, by executing non genuine trades during the I.P. made gains of Rs. 2,60,50,100/- approx.
9. Details of all the trades of Noticee in Stock Options segment of BSE during the I.P. are given in **Annexure B**, details of all the non genuine trades of Noticee in Stock Option Segment of BSE during I.P. are given in **Annexure C**, and the detailed summary of dealings of Noticee in 34 Stock Options contracts in which Noticee allegedly executed non genuine trades during the I.P is given in **Annexure D**.
10. Short summary of the dealings of Noticee in 34 Stock Options contracts in which Noticee allegedly executed non genuine trades during the I.P, is as follows:

- b) No. of non genuine trades of Noticee has significantly contributed to the total no. of trades from the market in the above contracts, as a significant portion ranging upto 100% of the trades that happened in most of the aforementioned contracts were due to non-genuine trades executed by the Noticee.
- c) A substantial 94% to 100% of volume generated by the Noticee in each of the above contracts was artificial volume, and further artificial volume generated by it also contributed to significant 7% to 100% of the total volume from the market in said contracts.
- d) Non genuine trades executed by Noticee in most of the above contracts had significant differential in buy rates and sell rates considering that the trades were reversed on same day.
12. In view of the foregoing, it is alleged that Noticee indulged in execution of reversal trades in Stock Options at BSE during the I.P. Such reversal trades are non-genuine in nature and have created false or misleading appearance of trading in terms of artificial volumes in stock options and therefore alleged to be manipulative, deceptive in nature.
