21. Besides the connections mentioned above there were more connections among these entities are given in CD as **Annexure -05**.

22. Details of LTP contribution among these 11 group entities is given below:

Table 5: LTP Contribution among group

Seller Name → / Buyer Name ↓	Noticee No. 3	Noticee No. 4	Noticee No. 5	Noticee No. 6	Noticee No. 7	Noticee No. 8	Noticee No. 9	Noticee No. 10	Noticee No. 11	Total LTP as Buyer (Number of Trades)

23. As seen from the table above, Noticee No. 1 as a buyer entered into three trades with connected entity Noticee No. 3 and contributed to positive LTP of Rs. 6.75. Similarly. Noticee No. 1 as buyer has entered 20 trades with seven connected entities and contributed to positive LTP of Rs.41.88. And Noticee No. 2 as a buyer entered 16 trades with eight connected entities and contributed to positive LTP of Rs.33.27.

24. Noticee No. 1 and 2 were placing their buy orders at prices higher than last traded price and these nine entities were placing sell orders to match that order and executed trade at higher price. In this manner the 11 entities traded among themselves and their trades contributed Rs.77.15 (29.98%) to market positive LTP in 36 trades.

25. These 11 connected entities were repeatedly placing their buy and sell orders above last traded price in the scrip when there were no major corporate announcements made by the company, fundamentals of the company did not support price rise and there were only 16 buyers and 15 sellers during this period.

26. In view of above, it is alleged that two entities as buyer (i.e. Noticee No. 1 and 2) (table 4) and nine entities as seller (i.e. Noticee 3 to 11) (table 5) manipulated the price by repeatedly placing orders at above LTP and through trades among themselves, and violated Regulation 3(a),(b),(c),(d) and Regulation 4(1),4(2)(a),(e) of SEBI (PFUTP) Regulations,2003.

27. During investigation it was also observed from connection among entities as given in figure 1 above that Noticee No. 1 and 2 received funds from Noticee No. 19 and 20. Noticee No. 1 received Rs.17.5 lakhs from Noticee No. 20 on February 20, 2014 which she transferred to its broker on same day to clear debit balance. Similarly Noticee No. 2 received Rs.25 lakhs from Noticee No. 19 on February 13, 2014. He transferred Rs. 24.92 lakhs to his broker on February 15, 2014 to clear his debit balance.

28. Their nine connected counterparties (i.e. Noticee No. 3 to 11) (table 5) received their shares from Noticee No. 18, who is connected to the Noticee No. 12 and Noticee No. 19 and 20. (is given in CD as **Annexure -05)**. They did not buy any shares during patch-1. All the shares they sold during patch-1 from were received by them from Noticee No. 18.

29. Company related entities funded the buyers and provided shares to the sellers, who manipulated the price of the scrip. This shows that there were part of scheme to manipulate the price of the scrip.

30. Noticee No. 19 and 20 were part of manipulative scheme to manipulate the price of the scrip and paid Noticee No. 1 and 2 for manipulating the price of Greencrest Financial Services Ltd., and violated Regulation 3 (a), (b), (c), (d) and Regulation 4(1) and 4(2) (d) of SEBI (PFUTP) Regulations,2003. And Noticee No. 18 was part of manipulative scheme to manipulate the price of the scrip and transferred shares to group entities which were used to manipulate

the price, and violated Regulation 3(a),(b),(c),(d) and Regulation 4(1) and 4(2) (d) of SEBI (PFUTP) Regulations, 2003.

Major Net Sellers:

31. During investigation it is observed that fifty entities who received shares from promoters of the company in physical transfers (list is given in CD as **Annexure 06**) and forty preferential allottees sold shares in market.

32. Fifty entities who received shares from promoters sold shares worth Rs.57.89 crores and forty preferential allottees sold shares worth Rs.251.94 crores. Details of trades of these entities is given in CD as **Annexure-07.**

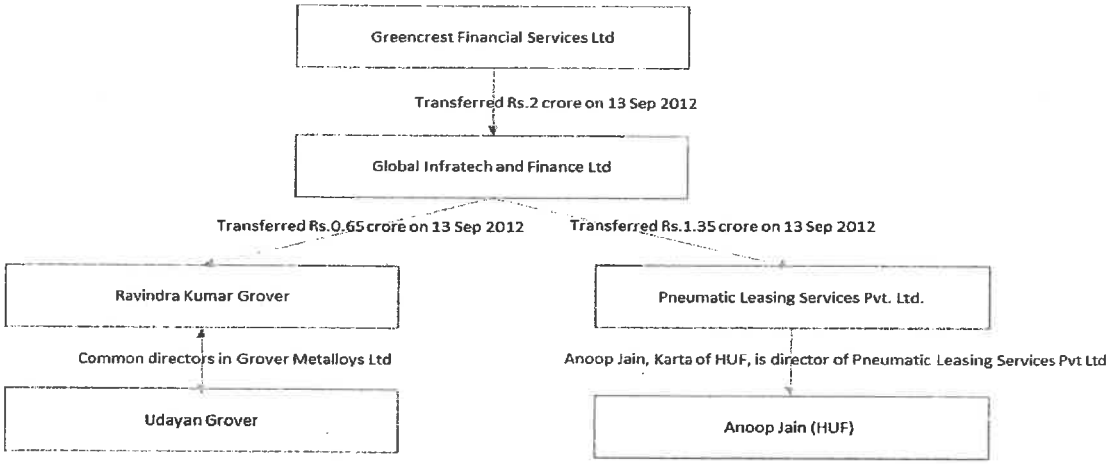

33. Details of counterparties to preferential allottees and promoter related entities is given in CD as **Annexure-08**.

Role of the company and its directors:

34. During investigation it is observed that the company transferred Rs. two crore to Global Infratech and Finance Ltd. (HDFC- 12842000000973) on September 13, 2012 out of money received towards first preferential allotment. Global Infratech and Finance Ltd, which had balance of Rs.216,624 before this transfer, transferred on the same day Rs.65 lakhs to Noticee No. 16 and Rs.1.35 crore to Pneumatic Leasing Services Pvt. Ltd.

35. It is also observed that Noticee No. 16 and its connected entity Noticee No. 17 were preferential allottees of the company. Director of Pneumatic Leasing Services Pvt. Ltd. was Anoop Jain. He was preferential allottee of the company and also was karta of Noticee No. 15 - Anoop Jain HUF, who was preferential allottee of the company. Diagrammatic representation of these connections is given below:

भारतीय प्रतिभूति और विनिमय बोर्ड अधिनियम, 1992 के अधीन न्यायनिर्णयन अधिकारी
Adjudicating Officer under Securities and Exchange Board of India Act, 1992

36. The company returned preferential allotment application money indirectly through Global Infratech and Finance Ltd. to Noticee No. 15 to 17. Thereafter company related entities manipulated the price. And these three allottees – Noticee No. 15 to 17 sold shares of value of Rs.2.06 crore, Rs.12.35 core and Rs.11.35 crore respectively at manipulated price. Evidence for these connections are given in CD as **Annexure 09.**

37. The company made preferential allotments to these entities when price was low. Company related entities provided funds and shares to entities who manipulated the price during patch-1. Then price was manipulated by entities connected to the company. Thereafter aforementioned preferential allottees who received money from the company sold their shares at manipulated high price.

38. In view of above it is alleged that company was part of scheme to manipulate the price of the scrip to benefit these three preferential allottees. A company cannot act by itself, but only through its directors who are expected to exercise their powers on behalf of the company with utmost care, skill and diligence. Hence executive directors of the company at time of preferential allotment, Noticee No. 13 and 14, were also part of this scheme.

भारतीय प्रतिभूति और विनिमय बोर्ड अधिनियम, 1992 के अधीन न्यायनिर्णायक अधिकारी
Adjudicating Officer under Securities and Exchange Board of India Act, 1992

39. Hence it is alleged that company and its directors and connected allottees: Ravindra Grover, Udayan Grover and Anoop Jain HUF (i.e. Noticee No. 12 to 17) violated Regulation 3 (a), (b), (c) and (d) and Regulation 4(1) of PFUTP Regulations.

40. Copy of investigation report and Annexures 1 to 8 of investigation report is given in **CD** as **Annexure 10**. A soft copy of the Trade log and Order log for the investigation period for the scrip – Greencrest is placed in CD as **Annexure – 11** and **12** respectively.

41. In view of the aforesaid Paras, it is alleged that the Noticees have violated the following:-

42. It is alleged that Noticee No. 1 to 11 have manipulated the price of the scrip by repeatedly trading among them at prices higher than last traded price, and violated Regulation 3(a),(b),(c),(d) and Regulation 4(1),4(2) (a) and (e) of PFUTP Regulations.
