3. As part of ongoing surveillance, SEBI came across large scale reversal of trades in Stock Options segment of the BSE. Subsequently, SEBI conducted an investigation into the trading activity in illiquid Stock Options at BSE (hereinafter, referred to as "investigation") for the period between April 1, 2014 to September 30, 2015 (hereinafter referred to as "Investigation Period").
4. Pursuant to investigation, it was observed that during the investigation period, a total of 2,91,744 trades comprising 81.41% of all the trades executed in BSE Stock Options Segment were trades which involved reversal of buy and sell positions by the clients and counterparties in a contract. The reversal trades involved squaring off transactions, but with significant difference in the sell value and buy value of the transactions. The aforesaid reversal trades allegedly resulted into generation of artificial volumes.
5. The Noticee was one of the entities which indulged in reversal trades which allegedly created false and misleading appearance of trading, generating artificial volumes in the Stock Options Segment of BSE during the investigation period. The Noticee is alleged to have engaged in 1 such reversal trade through 2 non-genuine trades in 1 unique contract, which led to generation of alleged artificial volume of 200,000 units. These trades of the Noticee involved reversal with the same counterparty on the same day, but at different prices. Details of all the trades of Noticee in Stock Options segment of BSE including reversal trades during the investigation period are given in **Annexure B**. An analysis of dealings of the Noticee in 1 Stock Option contracts in which the said Noticee allegedly executed reversal trades during the investigation period is given in **Annexure C**.
6. The trades entered by the Noticee were reversed on the same day with same counterparty at a substantial price difference without any basis for significant change in the contract price which indicates that these trades are artificial and are non- genuine in nature.
7. A summary of dealings of Noticee in 1 Stock Option contracts in which the said Noticee allegedly executed reversal trade during the investigation period, is as follows:-

8. The abovementioned reversal trade and volumes are illustrated through the dealings of Noticee in one contract viz, "IIBK15APR840.00CE" during the investigation period, as follows:-

9. In view of the foregoing, it is alleged that Noticee, by indulging in execution of non-genuine reversal of trades in Stock Options with same entity on the same day, created false and misleading appearance of trading in stock options and therefore allegedly violated Regulation 3(a),(b),(c),(d), 4(1), 4(2)(a) of PFUTP Regulations, 2003.
10. The aforesaid alleged violations, if established, make the Noticee liable for monetary penalty under section 15HA of the SEBI Act.
