3. SEBI observed large scale reversal of trades in stock options segment of BSE. Subsequently, upon investigation of the trading done during the period from April 1, 2014 to September 30, 2015 (hereinafter referred to as "Investigation Period" / "I.P.") in the stock options traded on BSE, SEBI observed large scale reversal of trades by various entities including the Noticee. The reversal trades comprised of 81.38% (2,91,643 trades) of all the trades executed in BSE Stock Options Segment wherein the open positions were squared off with a significant price difference without any basis for such change in the contract price. It is alleged that the aforesaid reversal trades were non-genuine in nature and also resulted into generation of artificial volumes.
4. The Noticee is alleged to have engaged in 6 instances in 3 unique contracts wherein the position was taken and was reversed with the same counterparty on the same day, but at a substantial price difference. Details of all the reversal trades of the Noticee and summary of all the reversal trades in Stock Option Segment of BSE during investigation period are given in **Annexure "B"** and **Annexure "C"** respectively.
5. A summary of dealings of Noticee in 3 Stock Options contracts in which the Noticee allegedly executed non genuine reversal trades during the investigation period, is as follows: -

Summary of dealings of Noticee in contracts wherein the Noticee executed reversal trades

Sl. No.	Contract Name	Avg. Buy Rate (₹)	Total Buy Volume (no. of units)	Avg. Sell Rate (₹)	Total Sell Volume (no. of units)	% of Non-genuine trades of the Noticee in the contract to Total trades in the contract	% of Artificial Volume generated by Noticee in the contract to Total Volume in the Contract
1	JISL14MAY70.00CEW3	16.90	16000	23.60	16000	100	100
2	PFCL14MAY175.00CEW3	29.50	10000	37.55	10000	100	100
3	UPHL14MAY250.00CEW3	19.80	12000	30	12000	50	50

6. The abovementioned reversal trades and volumes are illustrated through the dealings of Noticee in one contract viz, "JISL14MAY70.00CEW3" during the I.P., as follows:

- (a) On March 12, 2014, the Noticee bought 16,000 units of the aforesaid contract at 13:41:14 (Buy order placed at 13:41:13; Sell Order placed at 13:41:14) from Jay Jyoti India Private Ltd., at an average price of ₹16.90.
- (b) On the same day the Noticee reversed his position by selling 16,000 units to the same counterparty in at 13:50:45 (Buy order placed at 13:50:45; Sell Order placed at 13:50:45) at an average price of ₹23.60.
- (c) From the above, it is noted that while dealing in abovesaid contract during the investigation period, the Noticee executed total 2 trades (1 buy trade and 1 sell trade). This constituted 100% of the total market volume in the contract, and thereby the Noticee allegedly generated artificial volume of 32,000 units.

7. In view of the foregoing, it is alleged that Noticee, by indulging in execution of non-genuine reversal of trades in Stock Options with same entities on the same day, created false and misleading appearance of trading in stock options and therefore allegedly violated Regulation 3(a), (b), (c), (d), 4(1), 4(2)(a) of SEBI (PFUTP) Regulations, 2003.

8. The aforesaid alleged violations, if established, make the Noticee liable for monetary penalty under section 15HA of the SEBI Act, the provisions of which are reproduced hereunder:

Section 15HA of SEBI Act

"If any person indulges in fraudulent and unfair trade practices relating to securities, he shall be liable to a penalty which shall not be less than five lakh rupees but which may extend to twenty-five crore rupees or three times the amount of profits made out of such practices, whichever is higher".
