ORDER

1. The appellant filed 4 identical appeals dated December 28, 2024 (received by the Office of Appellate Authority on January 01, 2025, January 07, 2025 and January 13, 2025), wherein it has been submitted that the appellant has not received any response/ reply to his application dated November 25, 2024 made under the RTI Act, seeking certain information.
2. I note that the appellant had filed 3 RTI applications dated November 25, 2024, which were received by SEBI on November 27, 2024 and November 29, 2024. The respondent had returned two of these applications as they were identical. From the available records, it is observed that a response was issued by the respondent on December 23, 2024. I note that the said response was forwarded to the appellant vide Registered Post. I note from the available records that the aforementioned letter was delivered to the appellant on January 04, 2025. A copy of the response dated December 23, 2024 is enclosed with this order.
3. I find that the respondent has provided his reply to the applications within the time stipulated under RTI Act. I, therefore, find that nothing survives in the appeal and the same has become infructuous. It is, however, open for the appellant to file a fresh appeal as per law, if he is not satisfied with the reply provided by the respondent.
