*\* Note on Financial Statements*

*It may be noted that, Bhavnagar Municipal Corporation initiated the transition from a cash-based accounting system to an accrual-based double entry accounting system, in accordance with the guidelines prescribed under the National Municipal Accounting Manual (“NMAM”) and accordingly prepared the restated financial statements for FY.2021-2022 and FY.2022-2023.*

*The Financial Statements for the financial year ended March 31, 2023 were originally prepared on a cash-based accounting basis and were audited by the Auditor pursuant to an audit report dated January 31, 2024. For the purposes of the present issuance, the Corporation has prepared & approved the Restated Financial Statements for the financial year 2022–23, which are based on the audited financial statements and incorporates requisite changes arising from the transition to an accrual-based double entry accounting system and includes adjustments aligned with the NMAM. These adjustments are undertaken to ensure consistent accounting treatment as per the accounting policies and grouping/classification to be followed, to the extent possible. The Auditor has issued a Restated Audit Report dated November 06, 2024.*

*Subsequently, the financial statements for the financial years ended March 31, 2024 and March 31, 2025 were prepared on accrual-based double entry accounting system, in accordance with the guidelines prescribed under the NMAM for which the Auditor has issued Audit Reports dated November 06, 2024 and June 24, 2025 respectively.*

*The Financial Information have been sourced from the financial statements of the Issuer audited by the Auditor pursuant to the Restated Audit Report dated November 06, 2024 on the Restated Audited Financial Statements of the Issuer for the financial year ended March 31, 2023 and Audit Reports dated November 06, 2024 and June 24, 2025 on the Audited Financial Statements of the Issuer for the financial years ended March 31, 2024 and March 31, 2025 respectively.*

*The Audit Reports dated June 24, 2025 and November 06, 2024 in respect of the Audited Financial Statements for the financial year ended March 31, 2025, and March 31, 2024, respectively; and the Restated Audit Report dated November 06, 2024 in respect of the Restated Financial Statements for the financial year ended March 31, 2023 are annexed as Annexure VI of this Preliminary Placement Memorandum;*

## **SECTION-IV: RISK FACTORS**

*An investment in the Bonds involves a certain degree of risk. The risk factors set forth below do not purport to be complete or comprehensive in terms of all the risk factors that may arise in connection with the Issuer's operations or management or any decision to purchase, own or dispose of the Bonds. Prospective investors should carefully consider the risks and uncertainties described below, in addition to the other information contained in this Preliminary Placement Memorandum before making any investment decision relating to the Bonds. Additional risks and uncertainties, which are currently unknown or now deemed immaterial, if materialize, may in the future have a material adverse effect on Issuer's operations, management or cash flows. The market prices of the Bonds may decline due to such risks and the prospective investors may lose all or part of their investment.*

*The prospective investors should consult their own tax, financial and legal advisors about the risks associated with investment and suitability of investment in such bonds. Investment in these Bonds includes a degree of risk and investors should not invest any funds in this Issue unless they can afford to take the risk of losing their investment in debentures. For taking an investment decision, investors must rely on their own examination of the Issue, the Issuer and this Preliminary Placement Memorandum including the risks mentioned below. The Bonds have not been recommended or approved by the SEBI, nor does SEBI guarantee the accuracy or adequacy of this Preliminary Placement Memorandum.*

*This Preliminary Placement Memorandum contains statements, which may be forward-looking, that involve risk and uncertainties. The Issuer's actual results could differ materially from those anticipated as a result of several factors, including the considerations described below and elsewhere in this Preliminary Placement Memorandum.*

*Unless otherwise indicated, the financial information included herein is based on the Issuer's audited financial statements for FY 2023-2024 and FY 2024-2025 and restated audited financial statements for FY 2022-2023 included in paragraph I (Abridged Balance Sheet, Income and Expenditure and Cash Flow Statement for the last three years with major heads) of Section X: Financial Information on page no.91 of this Preliminary Placement Memorandum.*

*Investors are advised to read the following risk factors carefully before making an investment in the Bonds offered in this Issue. The order of the risk factors is intended to facilitate ease of reading and reference and does not in any manner indicate the importance of one risk factor over another. Potential investors must rely on their examination of the Issuer and this Issue, including the risks and uncertainties involved.*

*If any of the following stated risks or other risks that are not currently known or are now deemed immaterial actually occur, the Issuer's operations, financial conditions, cash flows and implementation of projects could suffer and, therefore, the value of the Issuer's Bonds could decline and/or the Issuer's ability to meet its obligations in respect of the Bonds could be affected. Potential investors should perform their own independent investigation of the financial condition and affairs of the Issuer, and their own appraisal of the creditworthiness of the Issuer.*

*Please note that unless specified or quantified in the relevant risk factors, the Issuer is not in a position to quantify the financial or other implications of any risk mentioned herein below and the financial information used in this section is derived from and should be read in conjunction with the Financial Information as included in this Preliminary Placement Memorandum.*

### **INTERNAL RISK FACTORS**

#### **Project Risk and Internal Risks**

- 1. We intend to utilize the Issue proceeds for the proposed Projects which is subject to the risk of unanticipated delays in implementation and cost overruns. Any such unanticipated delays in implementation and cost overruns of the Projects may have an adverse impact on our operations, reputation and cash flows.**

We intend to utilize the Issue proceeds for proposed projects, i.e., (i) Construction of 30 MLD Water Treatment Plant at Takhteshwar, Bhavnagar ("**Project I**") and (ii) Construction of Sewerage Network on Gadhechi Riverbanks and Gadhechi River Rejuvenation Works ("**Project II**") (Project I and Project II are hereinafter, collectively, referred to as "**Projects**").

The Projects are proposed to be financed through Issue proceeds of this Issue and internal accruals of the Issuer/ grants in cash or kind received/to be received by the Corporation from the government subject to conditions mentioned in the respective schemes. In case of non-receipt of grants or any shortfall of funds, the Issuer will

have to arrange for alternative sources which may impact the Projects, timelines and the cost. There can be no assurance, despite best efforts, that we will be able to complete the Projects within estimated time and cost without any cost overruns. The work orders have already been issued for implementation of the Projects and the work is under process. The Issuer has obtained certificates from the Project Consultants dated August 14, 2025 regarding the proposed Projects details, costs, schedule of implementation, benchmarks of the Projects etc.

The cost of the Projects may escalate or vary based on external factors which may not be in our control and could pose funding gaps and contingent budgetary risk for BMC.

Presently, there are no approvals required to be obtained by the Corporation for the implementation of the Projects at this stage, however in case of any delay in receipt of any approvals, if required at different stages, in relation to the Projects in a timely manner, occurrence of any force majeure events, etc., the proposed schedule of implementation and deployment of the Issue proceeds may be extended or may vary accordingly.

Although the Issuer is taking all reasonable steps to ensure timely execution, there can be no assurance despite best efforts of the Issuer, that the proposed Projects will be completed as planned or on schedule, and if it is not completed in a timely manner, or at all, our budgeted costs for the Projects may be insufficient to meet our proposed capital expenditure requirements towards the Projects. The grants from government are also based on conditions, in case of any non-receipt of grant, the gap will have to be contributed by BMC. We may not have sufficient revenue to fund the Projects.

There has been delay in implementation of Project I. The work order for Project I was issued on March 07, 2024. However, due to delays in site clearances & demolition of existing structures on the land proposed for construction of Project I, the project was delayed. The site clearance work was completed in February 2025 enabling the work for Project I to resume. There is also a possibility that the implementation of the Projects might get delayed due to various factors including workforce issues, non-availability of approvals/ no objection certificates, delays because of third party contractors, etc.

The proposed Schedule of Implementation of the Projects along with the timelines stated therein are indicative and the Physical Target and Financial Target for activities are as per the work order for implementation of the Projects. There can be no assurance that despite best efforts, that there shall be no further delays in the implementation of the Projects and that the proposed Projects will be completed as planned or on schedule, and if it is not completed in a timely manner, in accordance with the proposed schedule of implementation and any delay due to unforeseen circumstances that are beyond Issuer's control could have an adverse impact on our operations, reputation and cash flows.

2. **Any inability to obtain renew or maintain the statutory and regulatory permits and approvals which are required for construction and operation of the Projects may have a material adverse effect on our ability to complete the projects on a timely basis or at all. Any failure to successfully complete the Projects on a timely basis may have an adverse impact on our reputation, operations and cash flow.**

Presently, there are no pending approvals required to be obtained by the Corporation as per the certificates received from Projects Consultants dated August 14, 2025. In the future, there may be a requirement of approvals/NOCs for the implementation of Projects and the Issuer shall take all reasonable steps to obtain the said approvals/NOCs. However, the Issuer may be unable to obtain such approvals/consents (if so required) or renew such approvals within the stipulated time due to unforeseen circumstances or reasons beyond the control of the Issuer. Additionally, any failure in future to comply with the terms and conditions of the existing regulatory or statutory approvals may cause the Issuer to lose or become unable to renew such approvals.

The Projects are also susceptible to the policies of the state and cost overruns, however, these will not affect the debt servicing of the Bonds, which are backed by the appropriate revenues of the Issuer, to be collected and remitted to the Escrow Account for payment during tenure of Bonds.

While the Issuer shall make best efforts to ensure timely implementation and progress of the Projects, there may be unforeseen circumstances beyond the control of the Issuer which may cause delay in receipt of approvals or renewing the approvals, as may be required in a timely manner, which may lead to delay in implementation of the Projects in a timely manner or cost overruns which may have impact over the cash flows and financial condition of the Issuer. Further, our capital expenditure plans remain subject to the potential problems and uncertainties that Projects activities face including cost overruns or delays. However, all payments to the Bond

Holders are backed by a Structured Payment Mechanism. For further details, please refer to Annexure – I on page A-1.

For further details in relation to the list of approvals/ permissions received in relation to the Projects, please see “Objects of the Issue –Details and status of the regulatory approvals” on page no. 62.

**3. We are involved in large number of litigations & adverse decisions in the same may impact our working and operational efficiency.**

The Issuer is a party to various legal proceedings and has received notices from certain statutory authorities. These legal proceedings are pending at different levels of adjudication before various courts, tribunals, statutory and regulatory authorities, and if determined against the Issuer, could have impact on the operations, implementation of projects, income and the financial condition of the Issuer.

A summary of pending proceedings involving Issuer are as follows:

**• Matters related to Direct and Indirect Taxes against the Issuer**

**1. Criminal Litigations involving the Issuer and the members of the Bond Issue Committee**

The details of the criminal litigations involving the Issuer have been disclosed in the “Section-XI- Legal and Other Information” on Page No. 104 of the PPM.

**2. Actions by Regulatory and Statutory Authorities**

The details of all the actions by Regulatory and Statutory Authorities have been disclosed in the “Section-XI- Legal and Other Information” on Page No. 104 of the PPM.

**3. Other Civil Litigation**

The details of all the individual civil litigations above the materiality threshold have been disclosed in the “Section-XI- Legal and Other Information” on Page No. 104 of the PPM.

There are certain matters disclosed under the Section “Section-XI-Legal and Other Information” beginning on page no. 104 of this Preliminary Placement Memorandum in relation to which no claim amount is quantifiable.

No assurances can be given as to whether these legal proceedings will be decided in the Issuer’s favour or have no adverse outcome, nor can any assurance be given that no further liability/ loss will arise out of such legal proceedings. The details of outstanding material litigations involving the Issuer which are based on the Materiality Policy of the Issuer are set out in “*Other Matters based on the Materiality Policy of the Issuer*” of *Section XI Legal and Other Information* on page no. 104 of this Preliminary Placement Memorandum.

Except for the disclosures in Section titled “*Legal and Other Information*”, the Issuer, in the ordinary course of its business, is involved in various claims, suits, investigations, and legal proceedings that arise from time to time. Although the Issuer does not expect that the outcome in any of these legal proceedings, will have a material adverse effect on the Issuer’s financial position or results of operations, yet litigation is

inherently unpredictable. Therefore, the Issuer could incur judgments or enter into settlements of claims that could adversely affect the Issuer's operating results or cash flows in a particular period.

**4. Leakage of tax collections may affect volume of collections and inflows which may have an adverse impact on the accumulation of funds for future development, and on the Issuer's future execution capabilities and revenue collections.**

The tax collections are primarily dependent on the integrity of tax/ charges collection systems and any leakage in the same due to fraud or technical faults affects the Issuer's collections and inflows and may have an adverse impact on accumulation of funds for future development, resulting in reduction of the Issuer's future execution capabilities.

If the tax collection is not properly monitored, such tax leakages may reduce the Issuer's revenue. Although the Issuer has systems in place to minimise the leakages due to fraud and pilferage, yet any significant failure by the Issuer to control leakage in the collection systems due to future events, unforeseen circumstances or reasons beyond the control of the Issuer, though not quantifiable monetarily, could have a material adverse effect on the Issuer's operations and prospects. Further, any leakage in the collections resulting in avoidance of payment of taxes/ charges, may also adversely affect the Issuer's operations. Further, there may be situations where the tax/ charges collection is disrupted or halted due to public agitation which may result in lesser revenue collection by the Issuer. Any such disruption or stoppage of tax/ charges collection will adversely affect the Issuer's revenue collections.

**5. Our statutory auditors have highlighted few qualifications/observations/ remarks in their audit reports relating to our audited financial statements**

Our statutory auditors have highlighted few observations/remarks in the audit reports dated June 24, 2025 for F.Y. 2024-25, dated November 06, 2025 for FY 2023-24 and FY 2022-23. The auditors have also expressed qualified opinion in the abovementioned audit reports.

The key Auditor qualifications/observations in the Audit Reports for the preceding three financial years are as follows:

***As per the Auditor's Report dated November 06, 2024 for F.Y. 2022-23 on the Restated Audited Financial Statement for F.Y. 2022-23, the following observations are the basis for qualified opinion:***

1. **Difference in opening balances:** Since 1982, the cash basis of accounting has been followed by the Corporation, and opening balance was not carried forward till then. The amount of accumulated difference in opening balances for preparation of financial statements on accrual- based accounting system is ₹ 31,575.73 Lakhs for FY 2022-23, which is adjusted in Municipal General Fund of the Corporation. These differences are due to various reasons for which we have received a very limited explanation, hence impractical to quantify the same from the earlier used method of accounting that is Cash basis of accounting.
2. **Fixed Assets:** Opening balances of Fixed Assets have been taken from the details available with the Corporation, and capital expenses for fixed assets are recognized as per Actual Expense data of the budget of Bhavnagar Municipal Corporation, approved by the Competent Authority which is mainly based on utilization of the grant by the Corporation. These expenses have been shown after netting them off with the balance of Capital Contribution of that asset. The Corporation has only limited departments who have maintained the fixed asset related data and out of them, few have verified the actual existence of those fixed assets. So, the conclusive data relating to fixed assets cannot be said to have been incorporated due to very limitation on the part of the Corporation.
3. **Stores and Consumables:** Difference in the value of stock in hand is ₹172.72 Lakhs, which is mainly due to the change in accounting system from cash basis into accrual basis, and, is adjust with any excess or deficit arrived at in Income and Expenditure Account of concerned Financial Period, whereas ₹ 167.83 Lakh has been adjusted in Municipal Fund Balance. The figures have been taken from the Actual Expenditure data as per the budgets for the respective year as no separate registers have been maintained in this regard.

4. **Depreciation:** Depreciation has been charged on the assets keeping in mind the generally accepted principal. They have been adopted keeping in mind the usefulness of the assets and tenure of its useful life based on their own assumption and some reference from the similar type of Local Authorities of the State of Gujarat. The policy and assumptions have been taken by the management and competent authorities and the same may not be in conformity with the treatment specified under any accounting standard, but seems fair and just in the given circumstances.
5. **Sundry Debtors:** The difference of ₹52,875.40 Lakh, is adjusted with any excess or deficit arrived at in Income and Expenditure Account of concerned Financial Period, whereas ₹ 48,134.26 Lakh has been adjusted in Municipal Fund Balance. The Corporation's concerned departments are having separate software from which the record of receivables at the beginning of the year can be made available; hence the data has been calculated keeping in the mind the actual data of demands with respect to the taxes at the beginning of the financial year reduced by the actual income received in respect of all those taxes during the concerned financial year.
6. **Deposits:** In absence of deposit register maintained by all concerned departments, the amount of total deposits have been arrived from the budget of the concerned year, which was prepared by the compatible department of the Corporation and also approved by the competent authority of the Corporation. Hence the same has been taken as it is from the actual data shown in the budget and the difference or creation of the deposit amounting to ₹ 7,854.29 Lakh has been adjusted in the Municipal General Fund account.
7. **Other Liabilities:** All the other liabilities including any liabilities towards creditors, employees, Government etc. have been taken based on actual data available in the budget and difference if any has been transferred to Municipal Fund Account.
8. **PF Loans to Employees:** The Corporation has maintained records of PF Loan given to the employees as well the interest received on account of the same, but it should have been shown separately classified in the books of accounts as it should have been as per the generally accepted accounting practices.
9. **Bank Charges:** Bank charges have not been specifically considered while preparing the Financial Statements.
10. **Municipal Fund:** All the adjustments with respect to any changes in amount due to change in Cash system to accrual system has been given effect in the account called Municipal fund which is General Fund in nature.

*As per the Auditor's Report dated November 06, 2024 on Audited Financial Statement for F.Y. 2023-24, the following observations are the basis for qualified opinion:*

1. **Difference in opening balances:** Since 1982, the cash basis of accounting has been followed by the Corporation, and opening balance was not carried forward till then. The amount of accumulated difference in opening balances for preparation of financial statements on accrual- based accounting system is ₹ 3,926.10 Lakhs for FY 2023-24, which is adjusted in Municipal General Fund of the Corporation. These differences are due to various reasons for which we have received a very limited explanation, hence impractical to quantify the same from the earlier used method of accounting that is Cash basis of accounting.
2. **Fixed Assets:** Opening balances of Fixed Assets have been taken from whatever details have been provided by the Corporation, and capital expenses for fixed assets are recognized as per Actual Expense data of the budget of Bhavnagar Municipal Corporation, approved by the Competent Authority as per the actual expenditure of the grants in this behalf. These expenses have been shown after netting them off with the balance of Capital Contribution of that asset. The Corporation has only limited departments who have maintained the fixed asset related data and out of them, few have verified the actual existence of those fixed assets. So, the conclusive data relating to fixed assets cannot be said to have been incorporated due to very limitation on the part of the Corporation.
3. **Depreciation:** Depreciation has been charged on the assets keeping in mind the generally accepted principal. They have been adopted keeping in mind the usefulness of the assets and tenure of its useful life based on their own assumption and some reference from the similar type of Local Authorities of the State of Gujarat. The policy and assumptions have been taken by the management and competent authorities and

the same may not be in conformity with the treatment specified under any accounting standard, but seems fair and just in the given circumstances.

4. **Sundry Debtors:** The Corporation's concerned departments are having separate software from which the record of receivables at the beginning of the year can be made available; hence the data has been calculated keeping in the mind the actual data of demands with respect to the taxes at the beginning of the financial year reduced by the actual income received in respect of all those taxes during the concerned financial year.
5. **Deposits:** In absence of deposit register maintained by all concerned departments, the amount of total deposits have been arrived from the budget of the concerned year, which was prepared by the compatible department of the Corporation and also approved by the competent authority of the Corporation. Hence the same has been taken as it is from the actual data shown in the budget.
6. **Other Liabilities:** All the other liabilities including any liabilities towards creditors, employees, Government etc. have been taken based on actual data available in the budget.
7. **PF Loans to Employees:** The Corporation has maintained records of PF Loan given to the employees as well the interest received on account of the same, but it should have been shown separately classified in the books of accounts as it should have been as per the generally accepted accounting practices.
8. **Municipal Fund:** All the adjustments with respect to any changes in amount has been given effect in the account called Municipal fund which is General Fund in nature.

*As per the Auditor's Report dated June 24, 2025 on Audited Financial Statement for F.Y. 2024-25, the following observations are the basis for qualified opinion:*

1. **Difference in opening balances:** Since 1982, the cash basis of accounting has been followed by the Corporation, and opening balance was not carried forward till then. The amount of accumulated difference in opening balances for preparation of financial statement is adjusted in Municipal General Fund of the Corporation. These differences are due to various reasons for which we have received a very limited explanation, hence impractical to quantify the same from the earlier used method of accounting that is Cash basis of accounting till FY 2022-23. The current financial statements are drawn up using mixture of cash basis as well as accrual basis of accounting wherever possible to apply appropriate accounting method, decision of which was the absolute responsibility of the management of the Corporation keeping in mind the provisions of NMAM.
2. **Adjustments to opening balances:** During the course of our audit, we noted that adjustments were made to the opening balances to give effect of necessary changes in the accounting estimates and policies in accordance with applicable financial reporting standards as management thinks fit and just. The amount involved is material looking at the size of the financial statements. These estimates and policies are subject matter of decisions taken by management and we as auditor are not in a position to quantify or justify the same due to Impracticability on our part to verify each of those items.
3. **Disclosures:** The financial statements do not adequately disclose the nature, reasons, and financial effects of certain adjustments made to the opening balances as well as other adjustment entries recorded during the period.
4. Corporation generally prepares its financial statements using the accrual basis of accounting, in accordance with the applicable financial reporting framework. However, for certain transactions the Corporation has applied a cash basis of accounting. Such treatment may not fully align with the principles of accrual accounting, which require the recognition of income and expenses when they are earned or incurred, regardless of when cash transactions occur, but seems in fair conformity with what is laid in NMAM.
5. During the course of the audit, we observed discrepancies between the income/expense figures and receivable/payable balances recorded in the accounting software and those reflected in the corresponding bills and supporting documentation. As informed to us, there's a difference in amount of income as per software and as per actual bills, on inquiring upon management about this, we understood that any difference arising on account of same has been adjusted to opening balance. These differences arise due to constant changes in the demand data due to resurvey process by the concerned department of the

Corporation, and due to this there will be constant variation with respect to amount mentioned in data entry, Amount of recognition, and reconciliation processes.

6. **Fixed Assets:** Opening balances of Fixed Assets have been taken from whatever details have been provided by the Corporation, and capital expenses for fixed assets are recognized as per Actual Expense data available with Bhavnagar Municipal Corporation, approved by the Competent Authority as per the actual expenditure of the grants in this behalf. These expenses have been shown after netting them off with the balance of Capital Contribution of that asset. The Corporation has only limited departments who have maintained the fixed asset related data and out of them, few have verified the actual existence of those fixed assets. So, the conclusive data relating to fixed assets cannot be said to have been incorporated due to very limitation on the part of the Corporation.

One of the lands was not recorded in previous years, and the same was sold in current year for ₹ 44,12,45,000.00. Therefore, to record this transaction the land is recorded in current year and transferred to revaluation reserve.

7. **Depreciation:** Depreciation has been charged on the assets keeping in mind the generally accepted principal. They have been adopted keeping in mind the usefulness of the assets and tenure of its useful life based on their own assumption and some reference from the similar type of Local Authorities of the State of Gujarat. The policy and assumptions have been taken by the management and competent authorities and the same may not be in conformity with the treatment specified under any accounting standard, but seems fair and just in the given circumstances.
8. **Statutory Obligations:** The Corporation is discharging its statutory obligations such as TDS and GST-TDS on a cash Basis, i.e. payments are made when amounts are actually available in fund balances received from appropriate authorities. However, the related expenses and liabilities are accounted for on accrual basis in the books of accounts.
9. **Closing Stock:** No physical verification of inventory was conducted during the year, and the Corporation has not provided us with sufficient appropriate audit evidence regarding the existence and condition of these inventories. Furthermore, the basis of valuation of inventories has not been disclosed, and we were unable to obtain sufficient appropriate audit evidence to determine whether inventories are stated at the lower of cost and net realizable value.
10. **Regrouping of Previous Year Financial Items:** The previous year financial data has been regrouped wherever required to make the presentation more suitable and comparable for the better understanding keeping in mind the requirements of provisions of NMAM.
11. **Sundry Debtors:** The Corporation's concerned departments are having separate software from which the record of receivables at the end of the year can be made available; hence the data has been calculated keeping in the mind the actual data of demands with respect to the taxes at the beginning of the financial year reduced by the actual income received in respect of all those taxes during the concerned financial year. The opening data has been taken at the close of the year so as to incorporate any changes in demand data due to any resurvey conducted during the year.
12. **Unreconciled entries with bank:** There are few receipts in the bank statement amounting to ₹9,21,31,268.00, which are accounted for but could not be identified by the Corporation. So, the same has been transferred to ledger named UNRECONCILED ENTRIES WITH BANK.
13. **PF Loans to Employees:** The Corporation has maintained records of PF Loan given to the employees as well the interest received on account of the same, but it should have been shown separately classified in the books of accounts as it should have been as per the generally accepted accounting practices.
14. **Municipal Fund:** All the adjustments with respect to any changes in amount has been given effect in the account called Municipal fund which is General Fund in nature.

*In addition to the Audit observations/qualification as provided above, there are certain additional observations in the Auditor's Report dated November 06, 2024 for FY 2022-2023 and FY 2023-24 as below:*

1. Additions to fixed assets were recorded based on actual expenditures incurred and paid during the year. These additions were aligned with the budgeted actual data for accurate financial tracking.

*In addition to the Audit observations/qualification as above, there are certain additional observations in the Auditor's Report dated June 24, 2025 for FY 2024-25 as below:*

1. Under the AMRUT-1 account the recorded balance exceeded the actual spending limit; an adjustment was made to reduce the recorded balance to ensure that, only the actual fund availability and eligible utilization are reflected in the account.
2. Initially, the entire sanction limit under AMRUT- 2.0 was recorded as grant fund. However, as per the revised accounting guidelines the previously recorded grant amount has been nullified and the account balance has been brought down to zero. Under the compliance requirement, grant recognition is now based on actual fund disbursement and utilization rather than on sanctioned limits.
3. The investment balance under the 'Investments' includes only the principal component of deposits made by the corporation. The accumulated or accrued interest on these is not included under this schedule.
4. Under 'Cash and Bank Balances' head: there are approximately 25 bank accounts where no transactions are found, out of which 2 accounts have already been closed. Additionally, there are 14 bank accounts which are Single Nodal Agency Accounts for which bank statements are not available with the corporation. The balances pertaining to these accounts have been taken from the book records.
5. The bank reconciliation statement highlights timing differences between the date on which the corporation issues or remits payments and the date on which those transactions are actually cleared or reflected in the bank account. This delay occurs because, as per the internal protocol. A formal resolution of the Corporation's concerned department is required before such receipts can be officially entered into the accounting records. This procedural requirement may result in temporary mismatches during the bank reconciliation process.

For details on all Audit Qualifications/ Observations, please refer to the Audit Reports issued by the Auditor of the Issuer for the F.Y. 2024-25, F.Y. 2023-24 and F.Y. 2022-23 annexed as Annexure VI of this Preliminary Placement Memorandum.

There can be no assurance that our statutory auditors will not include further similar comments in the audit reports to our audited financial statements in the future, or that such remarks will not affect our financial results in future financial years. Investors should consider the above observations while in evaluating our financial condition, results of operations and cash flows. Any such similar comments on our financial statements in the future may affect the trading price of the bonds.

6. **We are dependent on grants and support in the form of budgetary allocation from Central and State Government for Central and State Government projects. Failure to obtain grants or any reduction in funding in the form of grants or budgetary allocation from the government may adversely impact such projects.**

The projects undertaken by the Issuer are very capital intensive and supported by grants and the form of budgetary allocation from Central and State Government. Any reduction in budgetary allocation of capital, funding or non-receipt of grants by the GoI and GoG may materially affect projects being undertaken by the Issuer and impact the Issuer's operations, performance and asset generation capacity. Since grants are one of the main sources of revenue for the Issuer, any irregularity in release of grants may affect the projects' implementation schedules and affect the financial condition of the Issuer. Any delay in receipt of the grant may have an impact on our liquidity position. For details of grants received from the State Government please refer to Section VI: About the Issuer and Capital Structure of the Issuer on page no. 53 of this Preliminary Placement Memorandum. Further, the growth plans of the Issuer are mainly determined by the amount of grants and support in the form of budgetary allocations and any adverse developments in the policy of the government in

the manner in which it seeks to address the development of the infrastructure needs of India will have a material and adverse effect on the Issuer's operations. Moreover, if the funding from grants decreases or if there is any adverse change in the pattern of allocation of the tax collected by GoI or if there is a downturn in the macroeconomic environment in India or in the sectors which are directly dependent on the infrastructure projects that the Issuer undertakes/ proposes to undertake, the Issuer's operations and future performance could be materially and adversely affected.

The proposed Projects are also being financed by grants. In case of any delay in receipt of the grants, it may have an impact the timeline for implementation of the Projects.

**7. The Projects for which funds are being raised have not been appraised by any bank or regulatory body or financial institution and are not insured for any losses.**

The Projects for which funds are proposed to be financed through Bonds, and internal accruals of BMC, including grants from GoI/GoG have not been appraised by any bank or regulatory body or financial institution. The Projects have been approved by General Board and Standing Committee of the Issuer and the GoG. The cost of the Projects are based on the details, estimates and assumptions given in Detailed Project Reports received for the Projects and the related Project Costs approved by the Bond Issue Committee and certified by the Project Consultants vide their certificates dated August 14, 2025. Our budgeted costs for the Projects may be insufficient to meet our proposed capital expenditure requirements. Cost of projects may vary during implementation. Any incremental cost to the projects shall be borne by Issuer. Although BMC would endeavour to complete the Projects on time and within the prescribed cost, a funding gap could develop due to cost overruns, which may pose a contingent budgetary risk for BMC. Further, the Issuer does not have any insurance coverage for the Projects and in case of any loss caused to the Projects due to fire, earthquake, flood or any other natural calamities etc. leading to cost and time overruns. While the Issuer shall make best efforts to ensure implementation of the Projects within the estimated timelines there may be delays due to unforeseen circumstances beyond the control of the Issuer. The non-implementation of the Projects as per the schedule of implementation will affect the Issuer's performance and asset generation capacity, receipt of grants from GoI/GoG and thereby impacting the business, cashflow and financial conditions of the Issuer. The schedule of implementation has been provided under Objects of the Issue chapter on page no. 54 of this PPM.

**8. We are eligible for incentive from Government of India, Ministry of Housing and Urban Affairs under Atal Mission for Rejuvenation and Urban Transmission 2.0 ("AMRUT 2.0") for raising funds from Bonds. We cannot assure that we will be able to successfully raise the Bonds and any failure to raise funds through issuance of Bonds in a timely manner may impact our ability to receive incentive from Ministry of Housing and Urban Affairs, Government of India.**

The Corporation will be eligible to receive incentive as per D.O. No. K-14012/01/2022-AMRUT-IIB dated April 07, 2025 and any subsequent notification from Ministry of Housing and Urban Affairs Government of India under Atal Mission for Rejuvenation and Urban Transmission 2.0 ("AMRUT 2.0") for raising of funds through the proposed Bonds.

AMRUT 2.0 was launched with the objective of making cities 'Aatma Nirbhar' and water secure. Under the said notification for AMRUT 2.0, the first 15 urban local bodies on 'first come, first serve' basis during the mission period to issue municipal bonds by urban local bodies for raising bonds for the first time shall be eligible for incentive of ₹ 13,00,00,000/- (Rupees Thirteen Crores) for every ₹ 100,00,00,000/- (Rupees One Hundred Crores) of bonds, subject to a maximum of ₹ 26,00,00,000 (Rupees Twenty Six Crores) per urban local body.

Any failure by us to complete the Issue in a timely manner due to future events, unforeseen circumstances or reasons beyond the control of the Issuer may impact our ability to claim incentives under AMRUT 2.0 from Government of India, Ministry of Housing and Urban Affairs.

**9. Considering the nature of the Issuer, recovery proceeding, if any, initiated in case of any default might take longer which may have a negative impact on the ability of the investor to recover the outstanding dues.**

The NCD Holders may not be able to recover, on a timely basis or at all, the full value of the outstanding amounts and/or the interest accrued thereon in connection with the NCDs.

A minimum-security cover of 1 time will be maintained during the tenor of the Debentures. In any event of default, the Debentures Trustee shall take all steps to ensure redemption of Debentures and enforcement of Security or any other legal recourse available to the Bond Holders as per the terms of the Transaction Documents and in accordance with the Applicable Law. Given the nature of the Issuer and type of security being offered in the Issue, in case of any default by the Issuer the process to be followed for recovery of Investor's monies might be time consuming.

### **Risks relating to Credit Risk**

#### **10. The credit rating assigned to Bonds may be downgraded. Any downgrading in credit rating of the Issuer and/or the Bonds may adversely impact our creditworthiness and, thus, our ability to raise further debts.**

The Bonds have been rated (a) Provisional IND AA-/Stable by India Rating and Research Private Limited *vide* its letter dated January 16, 2025 and revalidated *vide* letter dated July 23, 2025 and a rating rationale dated January 16, 2025; and (b) Provisional Crisil AA-/ Stable by CRISIL Ratings Limited *vide* its letter dated December 13, 2024 and revalidated *vide* letter dated July 16, 2025 and a rating rationale dated June 05, 2025. The above-mentioned credit ratings may not reflect the potential impact of any future uncertainties related to structure, market and/or other factors that may affect the value of the Bonds.

However, if there is a deterioration in our financial performance or position, accumulation of debt or if there are any statutory or regulatory restrictions detrimentally affecting our ability to collect revenues or manage expenditures due to future events, unforeseen circumstances or reasons beyond the control of the Issuer, our credit rating and credit rating assigned to the Bonds may be downgraded. Any downgrading in our credit rating or credit rating of instruments will result in an enhanced risk to the Bondholders.

Further, in terms of the rating rationale issued by India Ratings and Research Private Limited on January 16, 2025 and CRISIL Ratings Limited on June 05, 2025 and the outlook has been kept as 'Stable', considering the healthy economic base, high proportion of own tax revenues in the overall revenue profile and operating surplus scenario which is expected to continue over the near-medium term and the structured payment mechanism.

The Issuer cannot guarantee that the credit rating(s) of the Issuer or the Bonds will not be downgraded by the Rating Agencies in future. Thus, the credit rating(s) is not a recommendation to buy, sell or hold the Bonds and investors should take their own decisions. The ratings provided by the Rating Agencies may be suspended, withdrawn or revised at any time including without limitation on financial deterioration of the Issuer. Any revision or downgrading in the above credit rating may lower the value of the Bonds and may also affect the Issuer's ability to raise further debt. In such cases where the value of the Bonds decreases, potential investors may incur losses on sale of their investment in the secondary market. Please refer to Annexure II on page no. A-8 for rating letters, revalidation letters and rationales for the above ratings.

### **Financial Risk including Liquidity Risk**

#### **11. Collection ratios of Issuer may vary in the future that may impact the financial condition of the Issuer.**

The overall collection ratios of Property Tax which is one of the main sources of own revenue for the Issuer are 36.38% in Financial Year 2024-2025, 44.17 % in Financial Year 2023-2024 and 36.90% in Financial Year 2022-2023. The overall collection of Property Tax which is one of the main sources of revenue has increased from ₹ 57.42 Crore in Financial Year 2023, to ₹ 83.37 Crore in Financial Year 2024 and decreased to ₹ 79.16 Crore in Financial Year 2025. While the Issuer has implemented various reforms, measures and established systems to improve the collection of Property Tax, due to unforeseen circumstances beyond the control of the Issuer, there can be no assurance that the total collection will not decrease in future as it did in FY 2025, which will have an impact on the financial condition of the Issuer. The portion of property tax due but not collected is shown as receivables in our financial statements. While the Issuer takes certain measures from time to time to collect such arrears, there can be no guarantee for timely collection of such arrears.

Any shortage in collections in any period may result in a mismatch in revenue and expenditure of the Issuer and the funds may be inadequate for transfer to the Escrow Account. Such shortfall will impact the Issuer's financial condition and the Issuer's ability to meet its obligations in respect of the Bonds. For further details please refer to the "Details of Property Tax collection" of Section X: Financial Information on page no. 99 of this Preliminary Placement Memorandum.

- 12. The Bonds are secured and the Issuer's ability to pay Coupon and redeem principal in accordance with the terms of the Issue is subject to various factors affecting the Issuer's financial condition. Any adverse change in these factors may have an adverse impact on Issuer's ability to pay interest accrued on the Bonds and/ or the principal amount in timely manner as outstanding from time to time**

The Issuer's ability to pay Coupon accrued on the Bonds and/or the principal amounts outstanding from time to time in connection therewith would be subject to various factors, including inter alia the Issuer's financial condition, profitability, revenue generation and general economic conditions prevailing in India and in the global financial markets. Any adverse change in these factors may have an adverse impact on our reputation and financial condition and our ability to pay interest accrued on the Bonds and/or the principal amount in timely manner. The Issuer shall create a structured payment mechanism through which the funds lying in account(s) in which the Own Revenues/ Cash Flows gets collected and/ or pooled by the Issuer shall be transferred to the Escrow Account for debt servicing on daily basis.

The Issuer's ability to timely pay interest accrued on the Bonds and/ or the principal amount outstanding from time to time in connection therewith would be subject to various factors, including inter-alia timely completion of the Projects, on collecting the Own Revenues/ Cash Flows and the general economic conditions prevailing in India and in the global financial markets. In the event of any default, the Bond Holders may not be able to recover, on a timely basis, the full value of the outstanding amounts and/or the interest accrued thereon in connection with the Bonds. Though Debenture Trustee on behalf of Debenture Holders shall have exclusive first ranking charge over the receivables of own revenues/cashflows, the Escrow Account and the account(s) where the Own Revenues/ Cash flows is collected and/ or pooled by the Issuer, however, the realizable value of the Security may be lower than the outstanding principal and/ or interest accrued thereon and consequently, the potential investor may not be able to recover on a timely basis or at all, the full value of the outstanding amounts and/ or the interest accrued thereon in connection with the Bonds.

A minimum security cover of 1(one) time of the outstanding Secured Obligations will be maintained during the tenor of Debentures. In the event of any default, Debentures Trustee shall take all steps to ensure redemption of Debentures and enforcement of Security or any other legal recourse available to the Bond Holders as per the terms of the Transaction Documents and in accordance with the Applicable Law.

### **Business Risk**

- 13. The Issuer is dependent on information technology and any breach on information technology may affect the Issuer's activities.**

The Issuer's operations are dependent on information technology. The Issuer has undertaken various reforms towards digitization of payment of tax and other services. A failure, inadequacy or security breach in the information technology and telecommunication systems or an inability to adapt to rapid technological changes may adversely affect the Issuer's activities, timely collection of taxes and the Issuer's financial condition.

The Issuer's ability to maintain and upgrade its information technology systems and infrastructure on a timely and cost-effective basis, including the ability to process a large number of transactions on daily basis may have an impact on the Issuer's business. The Issuer's operations also rely on the secure processing, storage and transmission of confidential and other information in its computer systems and networks. The Issuer has engaged various private sectors entities for enabling the digitalization. If any of these entities is unable to meet the desired objectives, these services may fail to operate adequately or become disabled as a result of events that may be beyond the Issuer's control, including a disruption of electrical or communications services. Further, despite Issuer's best efforts to ensure data security, the computer systems, software and networks may be vulnerable to unauthorised access, computer viruses or other attacks that may compromise data integrity and security and result in information or identity theft, as a consequence of which the Issuer's operations and future performance could be materially and adversely affected.

- 14. If we are unable to protect our trademarks, others may be able to use our trademarks and tradenames to compete more effectively. Also, we may breach third-party intellectual property rights.**

Our logo  is not registered with the Trademarks Registry.

We will not be able to avail legal protections under the trademark or prevent unauthorised use of such trademarks by third parties. Our efforts to protect our intellectual property or proprietary information and the measures we take to identify potential infringement of our intellectual property may not be adequate to detect or prevent infringement, misappropriation or unauthorized use. Any such misappropriation or duplication of our name, registered/ official addresses, corporate logos or other intellectual property or proprietary information may disrupt our business, distract management and employees, reduce revenues and increase expenses. In addition, we may also become subject to infringement claims. Even if claims against us are not meritorious, any legal, arbitral or administrative proceedings that we may be required to initiate or defend in this regard may be time-consuming, costly and harmful to our reputation, and there is no assurance that such proceedings will ultimately be determined in our favor. Furthermore, the application of laws governing intellectual property rights in India is continuously evolving and there may be instances of infringement or passing-off of our brand in Indian markets. Our failure to adequately protect our brand, trademarks and other related intellectual property rights may adversely affect our business, financial condition and results of operations.

We may be subject to claims by third-parties, both within and outside India, if we breach their intellectual property rights by using slogans, names, trademarks, or other such rights that are of a similar nature to the intellectual property these third-parties may have registered or are using. We might also be in breach of such third-party intellectual property rights due to accidental or purposeful actions by our employees where we may also be subjected to claims by such third-parties.

To the best of our knowledge, there are currently no such claims and our use of the trademark has not infringed upon any existing intellectual property rights and such usage is not in conflict with, or in violation of any Applicable Law or any binding contractual or fiduciary obligation. However, any legal proceedings that result in a finding that we have breached third-parties' intellectual property rights, or any settlements concerning such claims, may require us to provide financial compensation to such third parties or stop using the relevant intellectual property (including by way of temporary or permanent injunction) or make changes to our marketing strategies or to the brand names of our products, any of which may have a material adverse effect on our business, prospects, reputation, results of operations and financial condition.

#### **15. Reliance on third-party intermediaries, contractors and service providers.**

The Issuer while undertaking various projects relies on third-party intermediaries, contractors and service providers who may not perform their obligations satisfactorily or in compliance with Applicable Laws.

The Issuer enters into outsourcing arrangements/ contracts with civil contractors for undertaking various civil contracts and with third party vendors for providing various services. Any failure by the contractors or service providers to provide a specified service, develop the Projects and maintain it or a breach in security/ confidentiality or non-compliance with legal and regulatory requirements may result in financial loss, loss of reputation, delay in the Projects and have an adverse impact on the financial condition of the Issuer.

Further, if the third parties upon which the Issuer relies on cannot expand system capacity to handle increased demand, or if any of their systems otherwise fail to perform or experience interruptions, malfunctions, disruptions in service, slower response times or delays, then we could incur reputational damage, regulatory sanctions, litigation and loss of trading, any of which could materially adversely affect the Issuer's financial condition. While the Issuer shall make best efforts to ensure that sufficient measures are undertaken and clauses are built in the agreements with the contractors / service providers/ third parties to prevent such risks, these measures may not be sufficient to deter such activities in all cases, which may adversely affect our operations and profitability.

#### **16. Labour Related Risks**

India has stringent labour legislation that protects the interests of workers, including legislation that sets forth detailed procedures for discharge of employees and dispute resolution and imposes financial obligations on employers upon employee layoffs. As a result of such stringent labour regulations, it is difficult for the Issuer to maintain flexible human resource policies, discharge employees or downsize, which may adversely affect our business, financial condition and results of operations. Additionally, some of the Issuer's employees are part of certain industry labour unions and such unions could result in labour unrest. Strikes or work stoppages or any mishaps/ accidents impacting the labour in future could have an adverse impact on the Issuer's operations. The Government of India has given its assent to enact (i) Code on Wages, 2019 (ii) Industrial Relations Code, 2020 (iii) Code on Occupational Safety, Health & Working Conditions Code, 2020 (iv) Code on Social Security,

2020 which has replaced some of the existing labour laws with the objective to simplify and modernize labour regulations. Certain portions of the Code on Wages, 2019 and Code on Social Security, 2020, have come into force upon notification dated December 18, 2020 and May 3, 2023, respectively, by the Ministry of Labour and Employment. The remaining provisions of these codes shall become effective as and when notified by the Government of India.

The Issuer, from time to time, for certain activities, appoints independent contractors who in turn may engage on-site contract labour for performance of certain activities. The spread of the Covid-19 virus and the measures taken by the Government of India and Government of Gujarat including lockdown and curfew have had a negative impact on the movement and activities of contract labour. This has had a negative impact on the activities of execution agencies such as civil contractors and other vendors that have been engaged by the Issuer. Further, the Issuer may be held responsible for any payment of wages/ compensation for any accidents or losses relating to such contracted labourers in certain cases even though such labourers are not directly engaged by the Issuer. Such an event may have an adverse impact on the Issuer's financial position and operations due to future events, unforeseen circumstances or reasons beyond the control of the Issuer.

**17. We are exposed to operational risks, including employee negligence, petty theft, burglary and embezzlement and fraud by employees or third parties, which could harm our results of operations and financial position.**

We are exposed to operational risks, including employee negligence, petty theft, burglary and embezzlement and fraud by employees or third parties, which could harm our results of operations and financial position. We may do cash collections to recover our dues. Such cash transactions may expose us to the risk of theft, burglary and misappropriation or unauthorized transactions by our employees and fraud by employees or third parties. Our insurance policies, security systems and measures undertaken to detect and prevent these risks may turn out to be insufficient to prevent or deter such activities in all cases or due to future events, unforeseen circumstances or reasons beyond the control of the Issuer, which may adversely affect our operations and profitability. Further, we may be subject to regulatory or other proceedings in connection with any unauthorized transaction, fraud or misappropriation by our representatives and employees, which could adversely affect our goodwill.

**18. The Issuer has certain contingent liabilities, the materialisation of which may adversely affect the Issuer's financial condition.**

The Issuer, in the ordinary course of its business, is involved in various claims, suits, investigations, and legal proceedings that arise from time to time. Although the Issuer does not expect that the outcome in any of these legal proceedings, individually or collectively, will have a material adverse effect on the Issuer's financial position or results of operations, yet litigation is inherently unpredictable. Therefore, the Issuer could incur judgments or enter into settlements of claims that could adversely affect the Issuer's operating results or cash flows in a particular period. As on the date of this Preliminary Placement Memorandum, there are a number of ongoing civil and consumer claims against the Issuer. While for some cases, some deposits have already been done with the regulatory authorities however, there may be other cases wherein provision for contingent liabilities has not been recognized in the Issuer's financial statements. The outcomes of these cases are remote and the financial implications are not ascertainable. In the event, any of these contingent liabilities materialise, the Issuer's financial condition may be adversely affected.

As per the certificate of the Auditor dated August 14, 2025, as on the date of the latest audited financial statements there are matters pending before various courts awaiting adjudication. As these cases are still under legal consideration, the exact amount of potential liability, if any, cannot be determined.

For further details, please refer to the paragraph "Contingent Liabilities" of Section XI: Legal and Other Information on page no. 104 of this Preliminary Placement Memorandum.

## **EXTERNAL RISK FACTORS**

### **General Risk**

**19. There may be less information available about the municipal corporations listed on the Indian securities markets compared with information that would be available if we were listed on securities markets in certain other countries.**

There may be differences between the level of regulation and monitoring of the Indian securities markets and the activities of investors, brokers and other participants in India and that in the markets in the United States and certain other countries. SEBI is responsible for ensuring and improving disclosure and other regulatory standards for the Indian securities markets. SEBI has issued regulations and guidelines on disclosure requirements, insider trading and other matters. There may, however, be less publicly available information about a municipal corporation listed on an Indian stock exchange compared with information that would be available if that the said municipal corporation was listed on a securities market in certain other countries. As a result, investors may have access to less information about the operations, results of operations, cashflows and financial conditions than you may find in the case of municipal corporations listed on a securities market of other developed countries.

**20. Political Scenario prevailing in India might risk our business.**

Periodic elections and/ or rotation of the officers might pose a risk to the operations of the Issuer since a change in the government might shift the policy focus for the municipal corporation which will impact the ongoing activities of the Issuer. Though the payment of interest and principal to the Bonds holders are backed by structured payment mechanism, however, such changes in policy focus might affect the relative priority of capital expenditures for the Projects and other projects undertaken by the Issuer. For further details, please refer to Structured Payment Mechanism on page 128 of this PPM.

**21. Any future changes in Government Policies may affect the collection of revenue of the Issuer and may also affect the management of the expenditure.**

The Issuer's operations are dependent on the policies of the government, central as well as state initiatives. Any future changes in government policies detrimental to the Issuer may affect the collection of revenue of the Issuer and may also affect the management of the expenditure of the Issuer. Further, inconsistencies in our revenue collection and any lack of support in terms of regulatory initiatives will adversely affect the Issuer's operations, as will any delayed response in policy alteration or other regulatory impediments, which will adversely affect the Issuer's operations. Additionally, policies of central and state government which mandate urban local bodies to focus on development in certain specific sectors or areas or future events, unforeseen circumstances or reasons beyond the control of the Issuer may affect the Issuer's projects and operations.

**22. Material changes in regulations to which the Issuer is subject could impair the Issuer's ability to meet payment or other obligations.**

Issuer is subject to numerous statutes, rules, regulations, and guidelines issued by central, state, and local authorities, including but not limited to those relating to municipal governance, financial management, public works, taxation, environmental norms, procurement, public health, and urban development.

Any material change in the existing regulatory environment, or the introduction of new laws or policies—whether at the central, state, or local level—may have an adverse impact on Issuer's operations, financial position, or prospects. Such changes may include, inter alia, amendments to the municipal legislation under which Issuer is constituted, changes in accounting standards applicable to government entities, modifications in guidelines relating to the issuance and servicing of municipal bonds, or revised norms governing the use of grants and public funds.

These changes could increase the cost of compliance, necessitate restructuring of existing financial arrangements, delay the execution of infrastructure or service delivery projects, or result in restrictions on the Issuer's ability to raise funds or allocate resources. Further, adverse regulatory developments may also impact Issuer's revenue generation mechanisms, including its ability to levy taxes, collect user charges, or receive grants from higher levels of government.

Any of the foregoing could impair Issuer's ability to meet its payment obligations under the instruments offered through this Preliminary Placement Memorandum, and may also adversely affect their financial performance.

**23. External factors like natural calamities, pandemics, protest, riots, terrorism etc. may affect our operations and may delay the implementation of proposed Projects.**

Any occurrence of natural calamities like storm, flash floods, any instance of pandemics, protest, riots etc. could hamper the transportation facilities, impact mobility and functioning of the city and hence the implementation of

proposed Projects. Though we are scaling up our internal systems to take care of any such sudden events, in case they occur in future, these conditions may result in hampering the functioning of BMC due to additional cost burden for retrieving the city back to normalcy.

**24. Decentralization with respect to Municipal Corporations.**

BMC has legislative and administrative control over its operating revenues, expenditure and capital plans, as permitted under the relevant Acts. Nevertheless, changes in State and Central Government revenue sources and regulatory frameworks could have an effect on the credit profile of BMC (positive and negative), should those changes result in devolution of power, of revenues or of spending mandates.

Additionally, being a government organization, BMC is subject to regulations by Indian governmental authorities. There may be future changes in the regulatory system or in the enforcement of the laws and regulations that could adversely affect BMC.

**25. The Issue may not be fully subscribed to by potential investors.**

In case the Issue is not fully subscribed to by potential investors, the Issuer may be unable to meet the funding requirements of the Projects from the proceeds of the Issue to the full extent. The Issuer may be required to raise additional funds to meet the shortfall in funding the Projects through other sources which may lead to a delay in the completion of the Projects. The funding gap may develop due to such shortfall in full subscription to the Issue, in which the Issuer may utilize its internal accruals or obtain funding through other means for completion of the Projects. Please refer to paragraph J (Capital structure relating to Projects for which funds are proposed to be mobilised) of Section VI *About the Issuer and Capital Structure of the Issuer* on page no. 53 of this PPM.

**26. There may be a delay in making refunds to applicants.**

The Issuer is obligated to ensure refund of application money to applicants in case of any failure in obtaining listing or trading permission of NCDs within seven days of receipt of intimation from the Stock Exchange.

However, in case of delay in refund the Issuer will be liable to repay the entire application monies, with interest at the rate of 15% (fifteen percent) per annum till such refund is made as per provisions of the SEBI Municipal Debt Regulations.

**Risk in relation to the Bonds**

**27. The Issuer shall do all necessary actions for listing of the bond in timely manner, however there is no assurance that the Bonds issued pursuant to this Issue will be listed on NSE in a timely manner, or at all.**

In accordance with Indian law and practice, permissions for listing and trading of the Bonds issued pursuant to the Issue will not be granted until after the Bonds have been issued and allotted. Approval for listing and trading will require all relevant documents to be submitted and carrying out of necessary procedures with the Stock Exchange. There could be a failure or delay in listing the Bonds on NSE for reasons unforeseen. In case of delay in listing of the Debentures beyond 3 (Three) working days from the Issue Closing Date, the Issuer shall pay penal interest of at least 1% p.a. (One percent per annum) which shall be paid over and above the Coupon Rate for the period of delay (i.e. from the date of allotment to the date of listing) as specified in Chapter VII of the SEBI Master Circular.

Further, in accordance with the SEBI Municipal Debt Regulations, in case the Issuer fails to obtain listing or trading permission from the Stock Exchange, it shall refund the entire monies received within seven days of receipt of intimation from the Stock Exchange and if any such money is not repaid after the Issuer becomes liable to repay it, the Issuer shall be liable to repay that money with interest at the rate of 15% (fifteen percent) per annum till such refund is made. Thus, there is no assurance that the Bonds issued pursuant to the Issue shall be listed on the Stock Exchange in a timely manner, or at all.

**28. Changes in interest rates may affect the price of the Bonds. Any increase in rate of interest is likely to have a negative effect on the price of our Bonds.**

All securities where a fixed rate of interest is offered, such as the Bonds, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rate, i.e., when interest rates rise, prices of

fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest which frequently accompany inflation and/ or a growing economy are likely to have a negative effect on the price of the Debentures.

The secondary market pricing of the Bonds is subject to factors affecting the general economic condition in India and in the domestic and global financial markets. All securities where a fixed rate of interest is offered, such as in the present case, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e., when interest rates rise prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity, credit rating and the increase or decrease in the level of prevailing interest rates. Thus, the investor may face volatility in the price of the bond issued due to abovementioned factors.

**29. Bonds are subject to the risk of change in law.**

The terms and conditions of the Bonds are based on Indian law in effect as of the date of issue of the Bonds. No assurance can be given as to the impact of any possible judicial decision or change to Indian law or administrative practice after the date of issue of the Bonds and any such change could materially and adversely impact the value of any Bonds affected by it.

**30. There may be nil or partial allotment to investors in case of oversubscription of the Issue.**

In case the Issue is oversubscribed the allotments will be made to the applicants on yield-time priority/ pro-rata basis in line with the SEBI EBP Guidelines and the NSE EBP Guidelines and the investors may not receive allotment to the full extent of their application size or any allotment at all. Accordingly, the investors may get partial allotment in case of oversubscription of the Issue, depending on their bids on the EBP Platform, in accordance with SEBI EBP Guidelines and the NSE EBP Guidelines.

**31. There may be no active market for the Bonds on the platform of the Stock Exchange. As a result, the liquidity and market prices of the Bonds may fail to develop and may, accordingly, be adversely affected.**

There can be no assurance that an active market for the Bonds will develop. If an active market for the Bonds fails to develop or be sustained, the liquidity and market prices of the Bonds may be adversely affected. The market price of the Bonds would depend on various factors, inter alia, including (i) the interest rate on similar securities available in the market and the general interest rate scenario in the country (ii) the market for listed debt securities, (iii) general economic conditions, and (iv) our reputation, financial performance and results of operations. The aforementioned factors may adversely affect the liquidity and market price of the Bonds, which may trade at a discount to the price at which you purchase the Bonds and/or be relatively illiquid.

The Bonds may be less liquid, and no secondary market may develop in respect thereof. Even if there is a secondary market for the Bonds, it might not offer substantial liquidity. Potential investors may have to hold the Bond until redemption to realise any value.

**32. The Issuer, post listing of the Bonds shall be subject to continuous listing compliances with applicable rules and regulations with respect to such listed non-convertible debentures.**

The Bonds are proposed to be listed on the NSE. Subsequently, we will be required to comply with various applicable rules and regulations, including the SEBI circulars issued on continuous disclosures and compliances for our Bonds.

Despite the best efforts of the Issuer to comply with all Applicable Law post listing of the Debentures on NSE, there may be instances of delays or non-compliances in relation to continuous disclosures and filings in terms of the listed non-convertible debentures. If we fail to rectify such non-compliances or comply with such rules and regulations including any further compliance notified by NSE or relevant regulatory authorities, we may be subject to certain penal actions, imposition of which may have an adverse effect on our operations, reputation and financial condition.

### **E. Details of the members of the Committee approving the projects/ various Standing Committees relating to Taxation / Finance /Accounts/ Audit/ Infrastructure.**

The Issuer has a Standing Committee and a Bond Issue Committee.

#### **Standing Committee**

Details of the Standing Committee are given below:

The Standing Committee comprises of members appointed by the corporation from amongst themselves at its first meeting after the general elections. The term of the members shall be two and a half years from appointment and the members shall be eligible for re-appointment. Standing Committee comprises of 12 councilors. The members of the Standing Committee shall appoint one of its members to be the Chairman of the Standing Committee. The Standing Committee may from time to time by a resolution carrying votes in favour of by at least 2/3rd of the members present in meeting, delegate to any special committee (constituted under the GPMC Act) any of its powers and duties in respect of any matter in which such special committee is competent to deal. The Standing Committee may, subject to the rules, by a specific resolution, delegate any of its powers and duties to a sub-committee consisting of at least three members of the Standing Committee and every such sub-committee shall conform to any instructions that may from time to time be given to it by the Standing Committee.

Presently the constitution of the Standing Committee is as follows:

| Name and Designation       | Date of Appointment /Resignation | Member of the Committee since (in case of resignation) | Remarks |
|----------------------------|----------------------------------|--------------------------------------------------------|---------|
| <b>Chairman</b>            |                                  |                                                        |         |

## **SECTION-VI: ABOUT THE ISSUER AND CAPITAL STRUCTURE OF THE ISSUER**

### **A. About the Issuer**

The Bhavnagar Municipal Corporation (BMC) is municipal body of Bhavnagar City. Presently, Shri Bharatbhai M. Barad is the Mayor and Shri Narander Kumar Meena, I.A.S is the Municipal Commissioner of Bhavnagar Municipal Corporation.

Bhavnagar Municipal Corporation is in charge for managing the city and providing basic infrastructure facilities to people of Bhavnagar city in Gujarat state of India. The Bhavnagar Municipal Corporation is committed to enhancing its services and bridging the gap between demand and services provided to people of the city of Bhavnagar.

#### **a. About Bhavnagar**

Bhavnagar city is capital of district of Bhavnagar and is located in the Saurashtra region of Gujarat state of India. Its neighboring districts are Amerli, Botad and Ahmedabad. Bhavnagar city is now the administrative headquarter of the Bhavnagar district. Bhavnagar is situated 198 km from the state capital, Gandhinagar, and to the west of the Gulf of Khambhat.

#### **b. Constitution of the Issuer**

The Bhavnagar Municipal Corporation has been constituted under Article 243Q(1)(c) of the Constitution of India, 1949.

BMC was initially established as a municipality under the Gujarat Municipalities Act, 1963 and later was established as municipal corporation under Section 5 of the Bombay Provincial Municipal Corporation Act, 1949, then applicable Act in Gujarat (now GPMC Act) vide notification dated February 12, 1982 bearing reference no KP-30/82/BMN-1082/2860(iii)-P. The BPMC Act (now GPMC Act) has been amended vide Section 3 read with Schedule (Serial No. 36) of the Gujarat Short Titles (Amendment) Act, 2011 to be renamed as the Gujarat Provincial Municipal Corporations Act, 1949.

The Issuer, being a corporation established under the BPMC Act (now GPMC Act), which is a State Act, is a public sector company for the purposes of the Income Tax Act, 1961, which defines the term 'public sector company' under Section 2(36A) to mean any corporation established by or under any central, state or provincial act or a government company as defined in the Section 617 of the Companies Act, 1956 (currently defined under Section 2(45) of Companies Act, 2013).

#### **c. Composition of the Issuer**

In accordance with Section 4 of the GPMC Act, the municipal authorities charged with carrying out the provisions of the Act for each city are:

- a) a Corporation;
- b) a Standing Committee; and
- c) a Municipal Commissioner

In accordance with the GPMC Act, the Corporation consists of councillors chosen by direct election and shall continue to hold office for five years. The term of the councilors shall be co-extensive with the duration of the Corporation. The Corporation shall at its first meeting after general elections and at its first meeting on expiry of succeeding two and half years elect a Mayor and a Deputy Mayor from amongst the councillors. The terms of both the Mayor and Deputy Mayor shall be two and half years. The Corporation can appoint a special committee out of its own body to carry out specific works assigned to it. The Municipal Commissioner is to be appointed by the State Government and shall hold office for such period not exceeding three years and his appointment may be renewed from time to time for a period not exceeding three years at a time.

#### **d. Elected representative in BMC**

BMC area has a head office and two zones (East Zone and West Zone) for administrative purposes. The political wing is an elected body of Municipal Councillors headed by the Mayor. BMC has 3 administrative areas and 13 election wards. Each election ward is represented by 4 councillors. Thus, the total number of Municipal Councillors is 52. The general election is held once in five years and the Mayor's tenure is maximum of two and half years.

Under the GPMC Act, 1949 (erstwhile BPMC Act), the powers are vested with three distinct statutory authorities of the elected wing, viz. the General Board, the Standing Committee and other Committees. The corporation has statutory and non-statutory functional committees for setting the obligatory and discretionary functions. The General Board under the GPMC Act also enjoys sanctioning powers. <sup>#</sup>The PMAY 1506 grant received by BMC was grouped under Revenue grants spent in the financial statements for FY 2023-24 as negative figure/balance. However, in the above table, this PMAY 1506 grant has been shown under revenue grant received instead of negative figure/balance under revenue grant spent.

## SECTION-VII: OBJECTS OF THE ISSUE

### **PROJECT I: Construction of 30 MLD Water Treatment Plant at Takhteshwar, Bhavnagar**

The details of Project I based on the Detailed Project Report dated May 04, 2023 (“**DPR for Project I**”) prepared by Sapient Techno Consultants, the project consultant for Project I (“**Project Consultant for Project I**”), Tender document published dated December 29, 2023 (“**Tender Document for Project I**”) and certificate dated August 14, 2025 from the Project Consultant for Project I, are listed below:

**A. The proceeds of the proposed issue shall be clearly earmarked for a defined project or a set of projects along with the location of the project and plant and machinery, technology, process, etc.:**

The Bhavnagar Municipal Corporation (BMC) is implementing project for construction of a water treatment plant of capacity 30 MLD at, Takhteshwar filter plant, situated in Bhavnagar, under Atal Mission for Rejuvenation and Urban Transformation (AMRUT) 2.0 Scheme. This Project I includes:

- a) Design, Procuring, Providing, Constructing, Installing & Commissioning of Water Treatment Plant of 30 MLD capacity at Bhavnagar near Takhteshwar Filter Plant, Bhavnagar along with all related Mechanical and Electrical equipment and accessories, Instrumentation, etc. and
- b) Operation and maintenance of the entire proposed water treatment facilities at site for two years.

Normally, raw water contains impurities that are not suitable for human consumption. Therefore, the conceptual approach to the present water treatment has been considered on the basis of the removal of impurities such as settled suspended particulate materials, fine suspended and colloids, dissolved inorganic matters and the destruction of algae and other pathogenic organisms so that the water becomes palatable and safe for human consumption after treatment.

Treated water from the WTP shall be supplied to existing clear water reservoir and shall be distributed to Bhavnagar city by BMC. The sludge from clarifier and filter backwash water shall be taken to existing recycling sump.

| <b>Plant &amp; Machinery/ Components</b> | <p>The construction of Elevated Service Reservoirs (ESR) and Ground Service Reservoirs (GSR) involves the utilization of a diverse range of plants and machinery to ensure efficient and precise execution. Here is a list of machinery used in the construction of ESR and GSR:</p> <ol style="list-style-type: none"><li><b>1. Excavators:</b> These machines are essential for digging and excavating the foundation and trenches required for the reservoirs.</li><li><b>2. Concrete Batching Plants:</b> These plants are used to produce large quantities of concrete with specified mix designs, ensuring the structural integrity of the reservoirs.</li><li><b>3. Tower Cranes:</b> Tower cranes are employed for lifting and placing heavy components such as precast concrete panels and reinforcing steel.</li><li><b>4. Concrete Pump Trucks:</b> Used to pump and place concrete in hard-to-reach areas, ensuring proper filling and consolidation.</li><li><b>5. Formwork Systems:</b> To mould and shape the concrete during construction, formwork systems are employed for creating walls, slabs, and other structural elements.</li><li><b>6. Rebar Cutters and Benders:</b> Essential for cutting and bending reinforcing steel bars to the required specifications for structural reinforcement.</li><li><b>7. Compactors:</b> Vibratory compactors help in achieving proper compaction of soil and backfill materials around the foundation of the reservoirs.</li><li><b>8. Tower Crane Climbing Systems:</b> Necessary for adjusting the height of tower cranes as construction progresses upward.</li><li><b>9. Concrete Mixers:</b> Used to mix concrete batches on-site, ensuring a consistent and quality mix for construction.</li><li><b>10. Earthmoving Equipment (Bulldozers, Loaders):</b> Used for moving and levelling earth during site preparation and construction.</li><li><b>11. Cranes:</b> Mobile and crawler cranes are employed for lifting and placing heavy</li></ol> |

| <p><b>Process Technology</b> and</p> | <p>Water treatment process includes the removal of suspended solids by flocculation with addition of coagulant to raw water to obtain desired quality of water at final unit of WTP.</p> <p><b>a. Inlet chambers</b> - The raw water shall be transferred up to the inlet chamber for water treatment plant. The raw water flow shall be pre-chlorinated by normal dosing rate of 3.0 - 5.0 mg /L by injecting the chlorine solution through bottom mounted diffuser disks or pipes. Two chlorinators and two chlorine booster pumps shall be provided for Pre-Chlorination at the inlet chamber. The water from inlet chamber shall go to flash mixer where alum will be mixed. Bypass arrangement from flash mixer to filter inlet is provided.</p> <p><b>b. Flash Mixer</b> - There shall be one no. of RCC flash mixer that shall receive the total flow of 30 MLD plus losses from the inlet chamber for quick mixing of coagulant (Alum) added to enhance the formation of flocs of suspended solids. The mixer shall be equipped with an impeller type, high speed mixer. The outlet of the mixer shall lead directly to Flocculator. Maximum 50 mg /L dose of alum solution (10 % solution strength) shall be fed to the inlet of the flash mixer. Two nos. (1W +1S) of alum dosing tank and pumps, having capacity for 8 hours dosage requirement and each tank shall be provided with slow speed paddle agitator.</p> <p><b>c. Clariflocculator</b> - After mixing the raw water with Alum/PAC, it shall be taken to the clariflocculator for removal of Turbidity due to suspended solids. The sludge from the clarifier shall be drawn off periodically through sludge draw off pipe, as per process requirement. The clarifier sludge withdrawal / drain arrangement shall be provided for each clarifier by means of D.I. Pipeline / valves to withdraw sludge / drain the clarifier. The clarified water from Clariflocculator overflows into outlet launder and led to filter inlet channel. The clarified water from Clariflocculator shall be taken to the rapid gravity sand filters.</p> <p><b>d. Rapid Gravity Sand Filter</b> - The clarified water flow from the lamella clarifier shall be taken to rapid gravity sand filters through an inlet channel to remove the residual solids by filtration. Proposed filter house for 30 MLD capacity shall contain 5 nos. (4W + 1S) filters with twin section. The back washing shall be done for one twin bed at a time. The treated water shall be collected to post chlorination sump and sent to the existing reservoir tank. Filtration rate shall be 6 m<sup>3</sup>/m<sup>2</sup>/hr. A Filter Gallery of adequate width shall be provided along the entire length of filters which shall contain the pipelines, valves, and filter controls fixtures, etc. The gallery floor shall be sloped towards a drainage sump. The filter sand shall consist of hard, durable grains of silica, having specific gravity of not less than 2.5 and having average size of 0.45 mm to 0.7 mm resting on the filter under drain system suitable for washing the filtration media with air and water backwash. Each filter shall have central and lateral wash water troughs for equal withdrawal of the wash water during back-washing the filter. Each filter shall be back washed first by introducing the air at a rate of 36 m<sup>3</sup> / m<sup>2</sup>/hr by air blower for 5 to 8 minutes and then by wash water at a rate of 24 m<sup>3</sup> / m<sup>2</sup>/hr for 8 to 10 minutes. 2 numbers, (1w +1s) of air blowers shall be provided for the same. The filter back wash water shall ultimately be discharged to the dirty water sump nearby. The water for back-wash</p> |

#### **G. Details and status of the regulatory approval (if required):**

Project I has been approved by GoG vide letter from Gujarat Urban Development Mission vide letter no. G.U.D.M/AMRUT2.0/Projects Fund Disbursed/2022-23/2132 dated August 23, 2022.

Based on the certificate dated August 14, 2025 from the Project Consultant for Project I, other than the approval mentioned herein above, there are no other statutory or regulatory approvals/permissions/licenses/NoCs required to be obtained by the Corporation for implementation of the Project I.

## **PROJECT-II: Construction of Sewerage Network on Gadhechi Riverbanks and Gadhechi River Rejuvenation Works**

The details of Project II based on the detailed project report dated June 14, 2024 (“**DPR for Project II**”) prepared by Infinite Civil Solutions Private Limited, the project consultant for Project II (“**Project Consultant for Project II**”), Tender document dated August 29, 2024 (“**Tender Document for Project II**”) and certificate dated August 14, 2025 from the Project Consultant for Project II are listed below:

**A. The proceeds of the proposed issue shall be clearly earmarked for a defined project or a set of projects along with the location of the project and plant and machinery, technology, process, etc.:**

Due to development and urbanization of Bhavnagar, it is found that sewage is directly disposed into the Gadhechi River. Such direct disposal is polluting the environment and aesthetic looks of surrounding area. Further, during monsoon, some areas are being flooded and it causes unhygienic environment along the banks.

Bhavnagar City has prepared different plans for improving services to nullify gap between services and demands. As part of its on-going efforts, Bhavnagar Municipal Corporation intends to develop the Gadhechi river in Ward No. 2,3,8,9 in order to avoid flooding and pollution problems etc.

The primary objective of the project is to stop the direct disposal of sewage into the river and strengthening of their banks to protect against flood. Following is the need of the Project II;

- a. To control the environmental pollution in and around the Gadhechi river.
- b. To provide a good hygienic condition.
- c. To avoid direct disposal of sewage.
- d. To prevent flooding condition.
- e. To provide infrastructure to the city.

The scope under the Project II covers;

- (i) To pass safely the storm water from the under-section area to final disposal location along the catchment area coming through the length of river.
- (ii) To convert Gadhechi river as pollution free Water River of adequate capacity to function as a natural drainage system.
- (iii) To provide sewer network wherever required along the Gadhechi river to avoid direct disposal of sewage into the river i.e. sewerage facility is not available / illegal disposal in the river.
- (iv) To provide better hygienic condition & beautification of city.

Post completion of the Project II the following impacts are foreseen;

- The project area will have flood protection;
- Direct disposal of sewage will be eliminated, which is the main cause of water pollution;
- The dread for water borne disease will be diminished up to great level;
- Sewerage systems will prevent water accumulation that can lead to flooding;
- Ground water recharge after construction of rainwater harvesting structures;
- Construction of service road will facilitate in improving traffic condition;
- Reduction in pollution in the River;
- Sanitation scenario will be improved in the surrounding of project area;
- Improvement in aesthetic look of the city.

| <b>Process and Technology</b> | <p>Entire project area has been divided into different sub catchment area as per the contour map. With the help of various sub catchment areas, rainfall data, topographic condition &amp; existing structure study, detailed design work is carried out.</p> <p>After detailed survey and the hydraulic requirements for the required section for the design discharge; it is necessary that the longitudinal profile of the channels has to be modified and accordingly the cross section has been designed. After going through the present required section, it is tried to adopt the same slope as per existing one by considering the limitation of velocity and bed level of existing structure. It also improves the flow conditions in a defined manner and protects the flow area. After proper channelization; the land would be available for further development. If the profile of the channels is not changed and channelized, there are chances of flooding in the nearby areas.</p> <p>To develop the design section as per existing site condition and land use map, RCC lining work (with gabion mattress bed lining) section is finalised.</p> <p>Following are the main features of RCC type lining work for proposed trapezoidal section;</p> <p><b><u>RCC type lining trapezoidal section with Gabion Mattress bed lining</u></b></p> <p>By the lining of river, it is meant that the earthen surface of the channel is lined with a stable lining surface such as concrete, and gabion mattress. There are various type of surface linings, however, as per site condition and long term O &amp; M point of view, out of various hard surface lining, it is recommended to adopt concrete lining due to following reason:</p> <ol style="list-style-type: none"> <li>a. Notes:

\* The cost for Project II is as approved by the Standing Committee dated November 28 2024, resolution of Bond Issue Committee dated August 14, 2025, tender issued & work order awarded. Cost of project is inclusive of GST and may vary during implementation. Any incremental cost shall be borne by BMC.

**\*\*BMC Contribution (Internal accruals/Grant of GoI/GoG) is based on approval received from Gujarat Urban Development Mission vide letter no. G.U.D.M/AMRUT2.0/Projects Fund Disbursement/2023-24/1340 dated 19<sup>th</sup> May 2023.**

**As per letter 'GUDM No./1741/AMRUT 2.0/Power Delegation/ Delegation of Powers for approving DPRs-DTPs-Tenders by various implementing agencies under AMRUT 2.0 Mission the grant under AMRUT 2.0 Scheme shall be disbursed to the BMC based on the Approved cost, which will be lower of appraised cost [Appraised Cost = Minimum of three: (1) DPR cost (Excl. O&M Cost); (2) Work Order Amount (Excl. O&M Cost & Tender Premium); (3) Respective SWAP Allocation of respective sector & project) of respective and contract award cost (excluding O&M). No tender premium will be allotted/dispursed to the BMC. BMC have to bear the cost of Tender Premium (cost above than the estimated amount put to tender) and O&M cost for 5 years.**

The Issuer confirms that its contribution for the Issue shall not be less than 20% (Twenty percent) of the cost of the Project II, which shall be contributed from its internal resources or grants that may be in cash or kind.

## STATEMENT OF SPECIAL TAX BENEFITS

Under the existing provisions of law, the following special tax benefits, *inter alia*, will be available to the Issuer and Debenture Holder(s). The tax benefits are given as per the prevailing tax laws and may vary from time to time in accordance with amendments to the law or enactments thereto.

The information given below lists out the special tax benefits available to the Issuer and Debenture Holder(s), in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the subscription, ownership and disposal of the Debentures. The Debenture Holders are advised to consider in its own case, the tax implications in respect of subscription to the Debentures after consulting its tax advisor as alternate views are possible. We are not liable to the Debenture Holders in any manner for placing reliance upon the contents of this statement of special tax benefits.

We have also perused the relevant provisions of Income Tax Act, 1961, Central Goods and Service Tax Act (CGST), State Goods and Service Tax Act (SGST) and Integrated Goods and Service Tax Act (IGST) along with the notifications issued by the revenue authorities from time to time.

On the basis of such perusal/examination of the provisions and on the discussions held with the officials of Issuer, we are of the opinion that the following special tax benefits are available to the Issuer and the Debenture Holders:

### **DIRECT TAXES**

#### **IMPLICATIONS UNDER THE INCOME-TAX ACT, 1961 (“IT Act”)**

We have perused various provisions of tax exemption / tax rebates specified under Chapter III and Chapter VI A of the IT Act. From the perusal of the said Chapters, our opinion is as under:

In accordance with the amendments under the Finance Act, 2025, Surcharge and Health & Education Cess shall be added to rate of tax deduction, wherever applicable.

#### **Benefits to the Issuer**

The Income of the Issuer from specified sources are exempted under Section 10(20) of the IT Act. The provisions under Section 10(20) of the IT Act are as under:

*“the income of a local authority which is chargeable under the head "Income from house property", "Capital gains" or "Income from other sources" or from a trade or business carried on by it which accrues or arises from the supply of a commodity or service (not being water or electricity) within its own jurisdictional area or from the supply of water or electricity within or outside its own jurisdictional area.*

*Explanation. —For the purposes of this clause, the expression "local authority" means—*

- (i) Panchayat as referred to in clause (d) of article 243 of the Constitution; or*
- (ii) Municipality as referred to in clause (e) of article 243P of the Constitution; or*
- (iii) Municipal Committee and District Board, legally entitled to, or entrusted by the Government with, the control or management of a Municipal or local fund; or*
- (iv) Cantonment Board as defined in section 3 of the Cantonments Act, 1924 (2 of 1924);”*

As per the provisions of Section 10(20) of the IT Act read with the other relevant provisions of the IT Act and the Income Tax Rules, 1962 and as per the information and explanations given to us, any income arising to the Issuer on the issuance of the Debentures shall be assessed as “Income From Other Sources” which is exempted under Section 10(20) of the IT Act.

Apart from the above, there are no special tax benefits available under the IT Act.

#### **Benefits to the Debenture holder(s)**

The interest income earned on investment made in municipal bonds are not exempt under the provisions of Chapter III of the IT Act. Also, there are no special tax benefits available under any other provisions of the IT Act.

Also, the capital gains arising on transfer of municipal bond are not exempt under Chapter IV of IT Act.

Tax at source shall be deducted on interest as per the rate applicable under the IT Act.

### **Tax deduction at source concession to the Foreign Portfolio Investors (“FPIs”)**

As per provisions of Section 194LD of the IT Act, it is proposed that foreign portfolio investors shall be eligible for concessional rate of tax deduction at source on the interest on bonds at 5%. Section 194LD of the IT Act reads as under:

*“(1) Any person who is responsible for paying to a person being a Foreign Institutional Investor or a Qualified Foreign Investor, any income by way of interest referred to in sub-section (2), shall, at the time of credit of such income to the account of the payee or at the time of payment of such income in cash or by the issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon at the rate of five per cent.*

*(2) The income by way of interest referred to in sub-section (1) shall be the interest payable in respect of investment made by the payee in—*

*(i) a rupee-denominated bond of an Indian company; or*

*(ii) Government security:*

*Provided that the rate of interest in respect of bond referred to in clause, (i) shall not exceed the rate as may be notified by the Central Government in this behalf.*

*Explained: –*

*a) ‘Foreign Institutional Investor’ is a registered institution that invests in a country other than its own.*

*b) ‘Qualified Foreign Investor’ is a subcategory of FII who is a foreign individual, group or association restricted from those countries, which are the members of FATF.*

*c) ‘Rupee-denominated bond’ is a bond issued by an Indian entity in a foreign market where the buying, selling and repayment are expressed in rupees.*

*d) ‘Government security’ is a Government issued bond, which is of low risk.”*

A foreign institutional investor or a qualified foreign investor consider investing in securities to be gainful and thus, make investments claiming a security interest on the collateral. The interest payable by the Indian concern or entity to a foreign entity is deducted at 5% tax at source and disbursed in terms of rupees.

### **Deduction of Tax at Source on interest on NCDs**

1. Income Tax is deductible at source at the rate of 10% (no surcharge or health education cess) on interest on NCDs held by resident Indians in accordance with Section 193 of the IT Act. In cases where interest is to be paid to an Individual or hindu undivided family (“HUF”) (being the NCD Holder) is less than Rs. 10,000 and interest is to be paid by way of account payee cheque then the relevant NCD Holder may seek non deduction of tax at source on the interest on NCDs by submitting the prescribed declaration/certificates with the Issuer and the RTA at the aforesaid address on or prior to the relevant Record Date.
2. In case of NCD Holder who is a resident Individual or resident HUF claiming non-deduction or lower deduction of tax at source under section 193 of the IT Act, as the case may be, the NCD Holder should furnish either (a) a declaration (in duplicate) in the prescribed form i.e. (i) Form 15H which can be given by Individuals who are of the age of 60 years or more (ii) Form 15G which can be given by all Debenture Holders (other than companies and firms), or (b) a certificate, from the Assessing Officer which can be obtained by all Debenture Holders (including companies and firms) by making an application in the prescribed form i.e. Form No. 13.
3. Debenture Holders may seek/ may be granted, as the case may be, non-deduction or lower deduction of tax at source in following instances under the IT Act:

- a) When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture Holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the IT Act; and that a valid certificate is filed by the NCD Holder with the Company before the Record Date for payment of interest;
  - b) When the resident Debenture Holder with Permanent Account Number (“PAN”) (not being a company or a firm) submits a declaration as per the provisions of section 197A (1A) of the IT Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial year in which such income is to be included in computing his total income will be NIL. However, under section 197A(1B) of the IT Act, Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the dividend income referred to in section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of Unit Trust of India as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the financial year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax;
  - c) Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of section 197A(1C) of the IT Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on the estimated total income of the year concerned will be NIL;
  - d) All mutual funds registered under Securities and Exchange Board of India are exempt from tax on all their income, including income from investment in Debentures under the provisions of Section 10 (23D) of the IT Act in accordance with the provisions contained therein. Further, as per the provisions of section 196 of the IT Act, no deduction of tax shall be made by any person from any sums payable to mutual funds specified under Section 10(23D) of the IT Act, where such sum is payable to it by way of interest or dividend in respect of any securities or shares owned by it or in which it has full beneficial interest, or any other income accruing or arising to it;
  - e) For any NCDs held by Foreign Institutional Investors/ Foreign Portfolio Investors/ Qualified Foreign Investors, interest on NCDs may be eligible for concessional tax rate of 5% (plus applicable surcharge and health and education cess) for interest referred under Section 194LD applicable in respect of rupee denominated bonds of an Indian Company between June 1, 2013 and July 1, 2023 provided such rate does not exceed the rate as may be notified by the Government. Further, in case where section 194LD is not applicable, the interest income earned by FIIs/FPIs should be chargeable to tax at the rate of 20% under section 115AD of the IT Act. Tax shall be deducted u/s. 196D of the IT Act on such income at 20%. Where DTAA is applicable to the payee, the rate of tax deduction shall be lower of rate as per DTAA or 20%, subject to the conditions prescribed therein;
  - f) Interest payable to Life Insurance Corporation, General Insurance Corporation and any other insurers are exempted from deductions of tax at source under Section 193 of the IT Act;
  - g) Interest payable to entities falling under the list of entities exempted from TDS by the circular no. 18/2017 by Central Board of Direct Taxes (whose income is unconditionally exempt under Section 10 of the IT Act and who are also statutorily not required to file return of income as per Section 139 of the IT Act);
  - h) Any other specific exemption available to any other category of investors under the IT Act.
4. In case(s) where the NCD Holder(s) do not submit the declaration/ certificates as per format prescribed under applicable laws with the Issuer and the RTA at the specified address on or prior to the relevant Record Date for payment of interest on the NCDs, the Issuer shall not be liable to refund the applicable amount of tax deducted at source and the NCD Holders would be required to directly take up with the tax authorities for refund, if any.
  5. Documents required in cases of lower/ non-deduction of TDS due to exemption available

Tax will be deducted at source at reduced rate, or no tax will be deducted at source in the following cases:

- a. When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the IT Act; and that a valid certificate is filed with the Issuer before the prescribed date of closure of books for payment of debenture interest;
- b. When the resident Debenture Holder with Permanent Account Number ('PAN') (not being a company or a firm) submits a declaration as per the provisions of section 197A(1A) of the IT Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial year in which such income is to be included in computing his total income will be NIL. However, under section 197A(1B) of the IT Act, Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the dividend income referred to in section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of Unit Trust of India as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the financial year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax;
- c. Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of section 197A(1C) of the Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on the estimated total income of the year concerned will be NIL; and

In all other situations, tax would be deducted at source as per prevailing provisions of the IT Act. Please find below the class of resident investors and respective documents that would be required for granting TDS exemption, unless specified otherwise hereinabove:

## **SECTION-IX: ISSUE SPECIFIC INFORMATION**

### **1. Issue/instrument specific regulations**

The Bonds are proposed to be issued in accordance with SEBI Municipal Debt Regulations and relevant circulars of SEBI, as amended from time to time.

The GPMC Act provides borrowing powers to BMC. The proposed issue is being made pursuant to Section 109 and Section 118 of the GPMC Act and is subject to the provisions of the GPMC Act, the terms of this Preliminary Placement Memorandum and other terms and conditions as may be incorporated in the Transaction Documents. The Issuer has obtained approval for the Issue of bonds as mentioned under section titled “*About the Issuer and Capital Structure of the Issuer*” on page no. 47.

Section 109(1) of the GPMC Act provides that the Corporation may with the previous sanction of the State Government, from time to time, borrow or re-borrow and take up at interest by the issue of debentures or otherwise on the security of any immovable property vested in the Corporation on or proposed to be acquired by it under this Act or of all the taxes or of any tax which it is authorised to levy for the purposes of this Act or the Transport Undertaking, or of all or any of those securities any sum necessary for the purpose of:

- a. defraying any costs, charges or expenses, incurred or to be incurred by it in the execution of this Act;
- b. for discharging any loan contracted under this Act or any other loan or debt for the repayment of which the Corporation is liable; and
- c. generally for carrying out the purposes of this Act, including the advance of loans authorized thereunder.

Further in accordance with Section 111 of the GPMC Act, “Every loan raised by the Corporation under Section 109 of the GPMC Act shall be repaid within the time approved under proviso (ii) to sub-section (1) of the said section and by such of the following methods as may be approved under the said proviso, namely,

- a. by payment from a sinking fund established under Section 112 of the GPMC Act in respect of the loan;
- b. by equal payments of principal and interest;
- c. by equal payments of principal;
- d. in the case of a loan borrowed before the appointed day by annual drawings if such method was in operation for the repayment of such loan immediately before such day;
- e. from any sum borrowed for the purpose under Section 109 (1) (b) of the GPMC Act; or
- f. partly from a sinking fund established in respect of the loan and partly from money borrowed for the purpose under Section 109(1) (b) of the GPMC Act.

### **2. Rating and detailed Rating Rationale.**

- In case of non-receipt of such prescribed declaration/ certificate from the NCD Holders claiming non-deduction or lower deduction of tax at source under applicable laws, on or prior to the relevant Record Date, the Issuer shall make TDS deductions in accordance with the prescribed rates prior to credit of interest on NCDs.
- Income Tax is deductible at source at the rate of 10% on interest on NCDs held by resident Indians in accordance with Section 193 of the IT Act. In cases where interest is to be paid to an Individual or Hindu Undivided Family (“**HUF**”) (being the NCD Holder) is less than ₹ 10,000 and interest is to be paid by way of account payee cheque then the relevant NCD Holder may seek non deduction of tax at source on the interest on NCDs by submitting the prescribed declaration/certificates with the Issuer and the RTA at the aforesaid address on or prior to the relevant Record Date.
- In case of NCD Holder who is a resident Individual or resident HUF claiming non-deduction or lower deduction of tax at source under section 193 of the IT Act, as the case may be, the NCD Holder should

furnish either (a) a declaration (in duplicate) in the prescribed form i.e. (i) Form 15H which can be given by Individuals who are of the age of 60 years or more (ii) Form 15G which can be given by all Debenture Holders (other than companies and firms), or (b) a certificate, from the Assessing Officer which can be obtained by all Debenture Holders (including companies and firms) by making an application in the prescribed form i.e. Form No. 13.

- e. Debenture Holders may seek/ may be granted, as the case may be, non-deduction or lower deduction of tax at source in following instances under the IT Act:
  - a. When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture Holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the IT Act; and that a valid certificate is filed by the NCD Holder with the Company before the Record Date for payment of interest;
  - b. When the resident Debenture Holder with Permanent Account Number (“PAN”) (not being a company or a firm) submits a declaration as per the provisions of section 197A(1A) of the IT Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the Financial Year in which such income is to be included in computing his total income will be NIL. However, under section 197A(1B) of the IT Act, Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the dividend income referred to in section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of Unit Trust of India as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the Financial Year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax;
  - c. Senior citizens, who are 60 or more years of age at any time during the Financial Year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of section 197A(1C) of the IT Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on the estimated total income of the year concerned will be NIL;
  - d. All mutual funds registered under Securities and Exchange Board of India are exempt from tax on all their income, including income from investment in Debentures under the provisions of Section 10 (23D) of the IT Act in accordance with the provisions contained therein. Further, as per the provisions of section 196 of the IT Act, no deduction of tax shall be made by any person from any sums payable to mutual funds specified under Section 10(23D) of the IT Act, where such sum is payable to it by way of interest or dividend in respect of any securities or shares owned by it or in which it has full beneficial interest, or any other income accruing or arising to it;
  - e. For any NCDs held by Foreign Institutional Investors/ Foreign Portfolio Investors/ Qualified Foreign Investors, interest on NCDs may be eligible for concessional tax rate of 5% (plus applicable surcharge and health and education cess) for interest referred under Section 194LD applicable in respect of rupee denominated bonds of an Indian Company between June 1, 2013 and July 1, 2023 provided such rate does not exceed the rate as may be notified by the Government. Further, in case where section 194LD is not applicable, the interest income earned by FIIs/FPIs should be chargeable to tax at the rate of 20% under section 115AD of the IT Act. Tax shall be deducted u/s. 196D of the IT Act on such income at 20%. Where DTAA is applicable to the payee, the rate of tax deduction shall be lower of rate as per DTAA or 20%, subject to the conditions prescribed therein;
  - f. Interest payable to Life Insurance Corporation, General Insurance Corporation and any other insurers are exempted from deductions of tax at source under Section 193 of the IT Act;
  - g. Interest payable to entities falling under the list of entities exempted from TDS by the circular no. 18/2017 by Central Board of Direct Taxes (whose income is unconditionally exempt under Section 10 of the IT Act and who are also statutorily not required to file return of income as per Section 139 of the IT Act);
  - h. Any other specific exemption available to any other category of investors under the IT Act; and
  - i. In case(s) where the NCD Holder(s) do not submit the declaration/ certificates as per format prescribed under applicable laws with the Issuer and the RTA at the specified address on or prior to the relevant

Record Date for payment of interest on the NCDs, the Issuer shall not be liable to refund the applicable amount of tax deducted at source and the NCD Holders would be required to directly take up with the tax authorities for refund, if any.

### iii. **Bids by the Arrangers**

Only the Arrangers mapped by the Issuer on the NSE EBP Platform shall be entitled to bid on behalf of Eligible Investors in the capacity of an arranger. An arranger can bid, on behalf of multiple participants, subject to the limits for each participant in accordance with SEBI Master Circular.

The Arrangers are allowed to bid on a proprietary, client and consolidated basis. At the time of bidding, the Arrangers are required to disclose the following details to the NSE EBP Platform:

Whether the bid is proprietary bid or is being entered on behalf of an Eligible Investor or is a consolidated bid, i.e., an aggregate bid consisting of proprietary bid and bid(s) on behalf of Eligible Investors.

For consolidated bids, the Arrangers shall disclose breakup between proprietary bid and bid(s) made on behalf of Eligible Investors.

For bids entered on behalf of Eligible Investors, the Arrangers shall disclose the following:

- Names of such Eligible Investors;
- Category of the Eligible Investors (i.e. QIB or non-QIB); and
- Quantum of bid of each Eligible Investor

Provided that the Arrangers shall not be allowed to bid on behalf of any Eligible Investor if the bid amount for a series of the Debentures exceeds 5% (five percent) of base issue size of the Debentures or ₹ 100 Crores, whichever is lower (or such revised limits as may be specified in the SEBI EBP Guidelines from time to time).

### iv. **Modification or cancellation of the bids**

Modification or cancellation of the bids shall be allowed i.e. bidder can cancel or modify the bids made in an issue, subject to the following:

- a. such cancellation/ modification in the bids can be made only during the bidding period;
- b. no cancellation of bids shall be permitted in the last 10 minutes of the bidding period; and
- c. in the last 10 minutes of the bidding period, only revision allowed would be for:
  - i. downward revision of coupon/ spread or upward modification of price; and/ or
  - ii. Upward revision in terms of the bid size.

NSE reserves the right to cancel any bids placed by the Bidder or any transaction, if found in contravention of applicable law, or when requested/directed by any competent legal authority(ies), or if found that occurrence of material events have bearing on the performance/operations of the Issuer or an informed appraisal of the status/position of the Issuer by Bidder/it's client.

After the end of the bidding window, the Issuer has the option to:

- a. Withdraw the Issue; or
- b. Accept the Issue

In case the Issuer does not accept or withdraws the issue before the specified deadline, then the issue will be withdrawn by the system as per the NSE EBP guidelines.

**v. Allocation and Settlement:**

The allotment of valid applications received on the latest by the time of close of bidding window shall be done on 'uniform yield allotment' basis in the following manner:

- a. all bids shall be arranged in accordance with "yield time priority" basis and the allotment shall be done at the cut-off rate determined in the bidding process. The allotment and settlement value shall be based on the face value.
- b. where two or more bids have the same yield coupon and time, then allotment shall be done on "pro-rata" basis.

Post completion of the bidding process and closure of the Issue, the Issuer will accept and upload the provisional allocation on the NSE-EBP Platform. Post receipt of investor details, the Issuer may freeze the allocation on the NSE EBP Platform.

Eligible Investors whose bids have been accepted by the Issuer ("Successful Bidders") shall make pay-in of subscription monies in respect of the Bonds towards the allocation made to them, into the bank account of NSE Clearing Limited, on the Pay-In Date and before the pay-in cut-off time in accordance with the NSE and SEBI EBP Guidelines, the details of which will be displayed on NSE EBP Platform.

The fund pay-in by the successful bidders will be made only from the bank account(s), which have been provided/updated on the NSE EBP Platform. All transfers/RTGS must be made payable to the designated bank accounts of NSE Clearing Limited, details of which accounts are as set out below:

|                            |                                                                                                                      |

| <b>Beneficiary Name</b>    | NSE Clearing Limited                                                                                                 |
| <b>Clearing House Bank</b> | HDFC Bank Ltd                                                                                                        |
| <b>IFSC</b>                | HDFC0000060                                                                                                          |
| <b>Bank account number</b> | Will be available on NSE EBP Platform post bidding and will be shared on mail post allocation for making the payment |

It may be noted that payment by any other means shall not be accepted. The Issuer assumes no responsibility for any delayed receipts / non-receipt of RTGS payments or any applications lost in mail or in transit or any failure of electronic fund transfer.

Any amount received from third party accounts or from accounts not specified in the EBP may lead to cancellation of bid and no allotment will be made against such payments and the funds shall be refunded. Further, pay-in received from any other bank account may consequently lead to debarment of the bidder from accessing the NSE EBP Platform for 30 (thirty) days or as may be provided under NSE EBP Guidelines.

Upon the transfer of funds into the aforesaid account of NSE Clearing Limited by the Successful Bidders, the Issuer shall confirm its decision to proceed with the allotment of the Bonds in favour of the Successful Bidders to the clearing corporation(s), Depository(ies), Registrar and the NSE EBP Platform. The Issuer shall initiate the requisite corporate action for allotment of Debentures and credit of allocated Debentures into the relevant demats account of the Successful Bidders through the Registrar. The Registrar shall provide corporate action file along with all requisite documents to the Depositories and intimate the NSE EBP of the aforesaid actions.

Upon the Depositories confirming the allotment of the Bonds and the credit of allocated Debentures into the demat account of the Successful Bidders to NSE EBP, the subscription monies in respect of the Bonds from the aforesaid account of the clearing corporation shall be released into the Issue Proceeds Account, as intimated by the Issuer to NSE EBP in accordance with applicable regulations/notifications and guidelines issued by SEBI from time to time. The details of the Issuer's Issue Proceeds Account are as provided herein below:

|                         |     |
|-------------------------|-----|
| <b>Beneficiary Name</b> | [●] |
| <b>Bank Account No.</b> | [●] |
| <b>IFSC Code</b>        | [●] |
| <b>Bank Name</b>        | [●] |
| <b>Branch Address</b>   | [●] |

It must be noted that all pay-in obligations need to be fulfilled in totality. Partial fund receipt against any given obligation will be treated as a default and debarment penalties may be applicable as specified by the NSE and SEBI EBP Guidelines.

Upon final allocation by the Issuer, the Issuer shall disclose the Issue Size, price quoted during bidding, ISIN, number of successful bidders, category of the successful bidder(s), etc., in accordance with the SEBI Master Circular and SEBI & NSE EBP Guidelines. The NSE EBP platform shall upload such data, as provided by the Issuer, on its website to make it available to the eligible participants.

All benefits relating to Debentures will be available to the Investors from the Deemed Date of Allotment. The actual allotment of Debentures may take place on a date other than the Deemed Date of Allotment. In case if the issue closing date of Debentures is changed (preponed/ postponed), the Deemed Date of Allotment of Debentures may also be changed (preponed/ postponed) by the Issuer

**vii. Withdrawal of Issue**

The Issuer may, at its discretion, withdraw the issue process on the conditions set out under the NSE EBP Guidelines; provided that the Issuer shall accept or withdraw the issue on the NSE EBP Platform in accordance with NSE EBP Guidelines as prevailing on the date of the bid. If the Issuer has withdrawn the Issue, and the cut-off yield of the Issue is higher than the estimated cut-off yield disclosed to the NSE EBP Platform, the estimated cut-off yield shall be mandatorily disclosed by the NSE EBP Platform to the Eligible Investors. The expression ‘estimated cut off yield’ means yield so estimated by the Issuer, prior to opening of issue on the NSE EBP Platform. The disclosure of estimated cut off yield by NSE EBP Platform to the Eligible Investors, pursuant to closure of the Issue, shall be at the discretion of the Issuer.

**viii. Continuous Listing Conditions**

The Issuer shall comply with the conditions of listing specified in Schedule V of the SEBI Municipal Debt Regulations including continuous disclosure and other requirements as specified by SEBI from time to time.

The Issuer shall comply with the provisions of Chapter VI of the SEBI Municipal Debt Regulations including the provisions in relation to continuous listing conditions; accounting and audit; and trading and reporting of municipal debt securities.

**ix. Trading and reporting of municipal debt securities**

The information in respect of the Issue such as Issuer details, Bond details, Ratings, rating migration, coupon, buyback etc. shall be reported to a common database as may be required and specified by SEBI.

**x. Fictitious Application**

Any person who makes, in fictitious name, any application to the Issuer for acquiring, or subscribing to, the Bonds, or otherwise induces the Issuer to allot, register any transfer of Bonds therein to him or any other person in a fictitious name, shall be punishable as per provisions of extant laws.

**xi. Procedure for Applying for Dematerialised Facility**

- a. The applicant must have at least one beneficiary account with any of the DP’s of NSDL/ CDSL prior to making the application.
- b. The applicant must necessarily fill in the details (including the beneficiary account number and DP - ID) appearing in the Application Form under the heading “Details for Issue of Debentures in Electronic/Dematerialised Form”.
- c. Debentures allotted to an applicant will be credited to the applicant’s respective beneficiary account(s) with the DP.
- d. For subscribing to the Debentures, names in the Application Form should be identical to those

appearing in the details in the Depository. In case of joint holders, the names should necessarily be in the same sequence as they appear in the account details maintained with the DP.

- e. If incomplete/incorrect details are given under the heading “Details for Issue of Debentures in Electronic/Dematerialised Form” in the Application Form, it will be deemed to be an incomplete application and the same may be held liable for rejection at the sole discretion of the Issuer.
- f. For allotment of Debentures, the address, nomination details and other details of the applicant as registered with his/her DP shall be used for all correspondence with the applicant. The applicant is therefore responsible for the correctness of his/her demographic details given in the Application Form vis-a-vis those with his/her DP. In case the information is incorrect or insufficient, the Issuer would not be liable for the losses, if any.
- g. The redemption amount or other benefits would be paid to those Debenture Holders whose names appear on the list of beneficial owners maintained by the R&T Agent as at the end of the Record Date. In case of those Debentures for which the beneficial owner is not identified in the records of the R&T Agent as on the Record Date, the Issuer would keep in abeyance the payment of the redemption amount or other benefits, until such time that the beneficial owner is identified by the R&T Agent and conveyed to the Issuer, whereupon the redemption amount and benefits will be paid to the beneficiaries, as identified.

**xii. Depository Arrangements**

The Issuer has appointed KFIN Technologies Limited as the Registrar to the present Bond Issue. The Issuer has entered into necessary depository arrangements with NSDL and CDSL for dematerialization of the Bonds offered under the present Issue, in accordance with the Depositories Act, 1996 and regulations made there under. In this context, the Issuer has entered two tripartite agreements as under:

- i. Tripartite Agreement between the Issuer, National Securities Depository Limited (“NSDL”) and the Registrar for dematerialization of the Bonds offered under the present Issue.
- ii. Tripartite Agreement between the Issuer, Central Depository Services (India) Limited and the Registrar for dematerialization of the Bonds offered under the present Issue.

The NCDs under this Issue will be allotted and transferred in dematerialized form only. However, as per the provisions of the Depositories Act, Investors have an option to hold the Bonds in physical form and deal with the same as per the provisions of Depositories Act, 1996 as amended from time to time.

**xiii. List of Beneficiaries**

The Issuer shall request the Depository(ies) to provide a list of beneficiaries as at the end of each Record Date. This shall be the list, which will be used for payment or repayment of redemption monies.

**xiv. Application under Power of Attorney**

A certified true copy of the power of attorney or the relevant authority as the case may be along with the names and specimen signature(s) of all the authorised signatories of the investor and the tax exemption certificate/document of the investor, if any, must be lodged along with the submission of the completed Application Form. Further modifications/additions in the power of attorney or authority should be notified to the Issuer or to its agents or to such other person(s) at such other address(es) as may be specified by the Issuer from time to time through a suitable communication.

In case of an application made by companies under a power of attorney or resolution or authority, a certified true copy thereof along with the memorandum and articles of association and/or bye-laws along with other constitutional documents must be attached to the Application Form at the time of making the application, failing which, the Issuer reserves the full, unqualified and absolute right to accept or reject any application in whole or in part and in either case without assigning any reason thereto. Names and specimen signatures of all the authorised signatories must also be lodged along with the submission of the completed Application Form.

**xv. Procedure for application by Mutual Funds and Multiple Applications**

In case of applications by mutual funds and venture capital funds, a separate application must be made in respect of each scheme of an Indian mutual fund/venture capital fund registered with the SEBI and such applications will not be treated as multiple application, provided that the application made by the asset management company/trustee/custodian clearly indicated their intention as to the scheme for which the application has been made.

The application forms duly filled shall clearly indicate the name of the concerned scheme for which application is being made and must be accompanied by certified true copies of:

- i. SEBI registration certificate;
- ii. Resolution authorising investment and containing operating instructions; and
- iii. Specimen signature of authorised signatories.

**xvi. Applications to be accompanied with Bank Account Details**

Every application shall be required to be accompanied by the bank account details of the applicant and the magnetic ink character reader code of the bank for the purpose of availing direct credit of redemption amount and all other amounts payable to the Debenture Holder(s).

**xvii. Mode of Payment**

Applicants shall make remittance of application money by way of electronic transfer of funds through RTGS/electronic fund mechanism for credit by the pay-in time in the bank account of the National Securities Clearing Corporation Limited appearing on the EBP platform of NSE in accordance with the timelines set out in the NSE EBP Guidelines and the relevant rules and regulations specified by SEBI in this regard.

**xviii. Credit of Bonds**

The allotment of Bonds will be in terms of the timelines stipulated under SEBI Master Circular No. SEBI/HO/DDHS/PoD1/P/CIR/2024/54 dated May 22, 2024. The Bonds will be credited in dematerialized form within 2 (two) Working Days from the Deemed Date of Allotment.

**xix. Refunds**

As per the provisions of the SEBI Municipal Debt Regulations, in case the Issuer fails to obtain listing or trading permission from NSE where the Bonds are proposed to be listed, it shall refund the entire monies received within seven days of receipt of intimation from NSE rejecting the application for listing of Bonds, and if any such money is not repaid after the Issuer becomes liable to repay it, the Issuer shall be liable to repay that money with interest at the rate of 15% (fifteen percent) per annum till such refund is made.

In case the Issuer has received money from applicants for Debentures in excess of the aggregate of the application money relating to the Debentures in respect of which allotments have been made, the registrar shall upon receiving instructions in relation to the same from the Issuer repay the monies to the extent of such excess, if any.

**xx. PAN Number**

Every applicant should mention its Permanent Account Number (“PAN”) allotted under Income Tax Act, 1961, on the Application Form and attach a self-attested copy as evidence. Application forms without PAN will be considered incomplete and are liable to be rejected.

**xxi. Alterations to the Issue**

The Issuer reserves its sole and absolute right to modify the Issue Opening Date, Issue Closing Date, Pay-In Date and Deemed Date of Allotment in accordance with the regulatory provisions and EBP Guidelines. In the event of any change in the Issue Schedule including the Deemed Date of Allotment, the Issuer shall notify the Stock Exchange about such change. In such a case, recipients of this Disclosure Document shall be intimated the revised time schedule by the Issuer. In case the Issue Closing Date/ Pay-In Date is/ are

changed, the Deemed Date of Allotment and the Redemption Schedule may also be changed by the Issuer in accordance with the tenure of the Debentures at its sole and absolute discretion in accordance with the regulatory provisions and EBP Guidelines.

**xxii. Applications complete in all respects must be submitted before the last date indicated in the issue timetable.**

Applications should be for the number of Bonds applied by the Applicant. Applications not completed in the said manner are liable to be rejected. The name of the applicant's bank, type of account and account number must be filled in the Application Form. This is required for the applicant's own safety and these details will be printed on the refund orders and interest/ redemption warrants.

The applicant or in the case of an application in joint names, each of the applicant, should mention his/her Permanent Account Number (PAN) allotted under the Income Tax Act, 1961 or where the same has not been allotted, the GIR No. and the Income tax Circle/Ward/District. As per the provision of Section 139A (5A) of the Income Tax Act, PAN/GIR No. needs to be mentioned on the TDS certificates. Hence, the investor should mention his PAN/GIR No. Application Forms without this information will be considered incomplete and are liable to be rejected.

All applicants are requested to tick the relevant column "Category of Investor" in the Application Form. Public/ Private/ Religious/ Charitable Trusts, Provident Funds and Other Superannuation Trusts and other investors requiring "approved security" status for making investments.

For further instructions about how to make an application for applying for the Bonds and procedure for remittance of application money, please refer to the Application Form.

**xxiii. Issue of Bond Certificate(s)**

The Bonds since issued in electronic (dematerialized) form, will be governed as per the provisions of The Depository Act, 1996, Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018, rules notified by NSDL/ CDSL from time to time and other applicable laws and rules notified in respect thereof. The Bonds shall be allotted in dematerialized form only.

**xxiv. Market Lot**

The market lot for the purpose of bidding on the NSE EBP platform will be one bond ("Market Lot"). Since the Bonds are being issued only in dematerialized form, the odd lots will not arise either at the time of issuance or at the time of transfer of Bonds.

**xxv. Trading of Bonds**

The marketable lot for the purpose of trading of Bonds shall be 1(one) Bond. Trading of Bonds would be permitted in demat mode only in standard denomination of Rs.1 Lakh and such trades shall be cleared and settled in recognized stock exchange subject to conditions specified by SEBI. In case of trading in Bonds which has been made over the counter, the trades shall be reported on a recognized stock exchange having a nationwide trading terminal or such other platform as may be specified by SEBI.

**xxvi. Mode of Transfer/Transmission of Debentures**

The Debentures shall be transferable freely. The Debenture(s) shall be transferred and/or transmitted in accordance with the applicable provisions of the Act and other applicable laws. Attention of the investors is drawn to para 11 (a) "*Eligible Investors*" of this Section on page no. 74 of this Preliminary Placement Memorandum. The NCDs under this Issue will be allotted and transferred in dematerialized form only. However, as per the provisions of the Depositories Act, investors have an option to hold the Bonds in physical form and deal with the same as per the provisions of Depositories Act, 1996 as amended from time to time. The Debentures held in dematerialised form shall be transferred subject to and in accordance with the rules/procedures as prescribed by NSDL/CDSL and the relevant DPs of the transferor or the transferee and any other applicable laws and rules notified in respect thereof. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, amounts due will be paid/redemption will be made to the person, whose name appears in the register of debenture holders maintained by the R&T Agent as at the end of the Record Date, under all circumstances. In cases where the transfer formalities have not been completed by the transferor, claims, if any, by the

transferees would need to be settled with the transferor(s) and not with the Issuer. The normal procedure followed for transfer of securities held in dematerialised form shall be followed for transfer of these Debentures held in dematerialised form. The seller should give delivery instructions containing details of the buyer's DP account to his DP.

**xxvii. Debentures held in Dematerialised Form**

The NCDs under this Issue will be allotted and transferred in dematerialized form only. However, as per the provisions of the Depositories Act, investors shall have an option to hold the Bonds in physical form and deal with the same as per the provisions of Depositories Act, 1996 as amended from time to time. For the Debentures held in dematerialised form, no action is required on the part of the Debenture Holder(s) for redemption purposes and the redemption proceeds will be paid by cheque/ ECS/ NEFT/ fund transfer/ RTGS to those Debenture Holder(s) whose names appear on the register of debenture holders maintained by the R&T Agent as at the end of the Record Date. All such Debentures will be simultaneously redeemed through appropriate debit corporate action. If permitted, the Issuer may transfer payments required to be made in any relation by electronic fund transfer/ RTGS to the bank account of the Debenture Holder(s) for redemption payments.

**xxviii. Sharing of Information**

The Issuer may use, share or part with any financial or other information about the Debenture Holder(s) available with the Issuer, its affiliates, and other banks, financial institutions, credit bureaus, agencies with statutory bodies, regulators, etc., as may be required without prejudice to the interests of the Bond Holders and subject to Applicable Law.

**xxix. Modification of Debentures**

Any amendment to the terms and conditions of the Debentures or the Transaction Documents will require the consent of the Debenture Trustee and Majority Debenture Holders, either by providing their express consent in writing or by way of a resolution at a duly convened meeting of the Debenture Holders in accordance with applicable SEBI regulations.

**xxx. Right to accept or reject applications**

The Issuer reserves its full, unqualified and absolute right to accept or reject any application for subscription to the Debentures, in part or in full, without assigning any reason thereof, in accordance with the regulatory provisions and EBP Guidelines. The rejected applicants will be intimated along with the refund warrant, if applicable, to be sent. No interest shall be payable on any application money. Application would be liable to be rejected on one or more technical grounds, including but not restricted to:

- a. Number of debt security applied for is less than the minimum application size;
- b. Bank account details not given;
- c. Details for issue of Debt Securities in electronic/ dematerialized form not given;
- d. PAN/GIR and IT Circle/Ward/District not given;
- e. In case of applications under Power of Attorney by limited companies, corporate bodies, trusts, etc. relevant documents not submitted; and
- f. In the event, if any Debt Securities applied for are not allotted in full, the excess application monies of such Debt Securities will be refunded, as may be permitted.

**xxxi. Trustee for the Debentures**

The Issuer has appointed SBICAP Trustee Company Limited to act as the trustee for the Debenture Holder(s). The Issuer and the Debenture Trustee intend to enter into the debenture trust deed, inter alia, specifying the powers, authorities and obligations of the Debenture Trustee and the Issuer. The Debenture Holder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Debenture Trustee or any of its agents or authorized officials to do all such acts, deeds, matters and things

in respect of or relating to the Debentures as the Debenture Trustee may in its absolute discretion deem necessary or require to be done in the interest of the Debenture Holder(s). The Debenture Trustee will protect the interest of the Debenture Holder(s) in regard to timely payment of Coupon and repayment of principal and they will take necessary action, subject to and in accordance with the debenture trust deed, at the cost of the Issuer. The Issuer shall not utilize the proceeds of the Issue till the debenture trust deed is executed. The Debenture Trust Deed shall more specifically set out rights and remedies of the Debenture Holders and the manner of enforcement thereof. The Debenture Trustee shall carry out its duties and perform its functions in terms of the SEBI Debt Listing Regulations, the Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993, the Debenture Trust Deed and the PPM/PM, with due care, diligence and loyalty. The debenture trustee shall monitor the Escrow Account and shall ensure disclosure of all material events on an ongoing basis. The Debenture Trustee shall supervise the implementation of the obligations cast in terms of provisions of the SEBI Debt Listing Regulations.

**xxxii. Interest on Application Money**

Not Applicable.

**xxxiii. Interest on the Bonds**

The face value of the Bonds outstanding shall carry interest at the coupon rate from Deemed Date of Allotment and the coupon rate & frequency of payment (subject to deduction of income tax under the provisions of the Income Tax Act, 1961, or any other statutory modification or re-enactment thereof, as applicable) are mentioned in the summary term sheet.

The interest payment shall be made through electronic mode to the Bondholders whose names appear on the list of Beneficial Owners given by the Depositories to the Registrar as on the record date fixed by Issuer in the bank account which is linked to the demat of the Bondholder. However, in absence of complete bank details i.e., correct/updated bank account number, IFSC/RTGS code /NEFT code etc., Issuer shall be required to make payment through cheque/DDs on the due date. Interest or other benefits with respect to the Bonds would be paid to those Bondholders whose names appear on the list of Beneficial Owners given by the Depositories to the Registrar as on the Record Date.

**xxxiv. Computation of Interest**

Interest for each of the interest periods shall be computed as per Actual/ Actual day count convention on the face value amount of Bonds outstanding at the respective Coupon Rate rounded off to the nearest Rupee. Where the interest period (start date to end date) includes February 29 (leap year), interest shall be computed on 366 days-a-year basis, on the face value amount of Bonds outstanding.

**xxxv. Record Date**

The 'Record Date' for the Bonds shall be 15 days prior to each Coupon Payment Date and Redemption Date. In case of redemption of Bonds, the trading in the Bonds shall remain suspended between the Record Date and the Redemption Date. Interest payment and principal repayment shall be made to the person whose name appears as beneficiary with the Depositories as on Record Date. In the event of the Issuer not receiving any notice of transfer at least 15 days before the respective Coupon Payment Date and Redemption Date, the transferees for the Bonds shall not have any claim against the Issuer in respect of amount so paid to the registered Bondholders.

**Notes:**

<sup>(1)</sup>General fund: The variations in the General fund pertain to the adjustments made to the opening balances based on corrections and clarifications pertaining to previous years. These adjustments are undertaken to ensure that the opening balance accurately reflects the true financial position in the books of accounts.

In the FY 2024-25, the total adjustments amounting to INR 103.30crore were made. These include the correction of the opening balance of the Pension Fund Reserve and the nullification or reduction of certain grants, such as those related to AMRUT 2.0. Initially, the entire sanctioned limit under AMRUT 2.0 was recorded as a grant fund in the books of accounts. However, as per the revised accounting guidelines, this treatment has been corrected. The previously recorded grant amount has been nullified, and the account balance has been brought down to zero to align with revised grant recognition practices. Grant recognition is now based on actual fund disbursement and utilization, as per the demand data received from the respective departments, rather than on sanctioned limits. This adjustment ensures compliance with updated norms and accurate presentation of grant liabilities and entitlements.

<sup>(2)</sup>The increase in the reserves in FY 2024-25 is pertaining to (a) the accounting of revaluation reserve was created in FY 2024-25 to account for the land amounting to Rs. 44.12 Crores, (b) the pension fund reserve was updated in FY 2024-25 to reflect the correct balance (c) Increase in the capital contribution pertaining to assets created during the year.

<sup>(3)</sup>Other Liabilities: Amount payable to employees towards General provident fund, Contributory provident fund and State provident fund incorporated in the books during the financial year 2023-24 onwards, which was not included in the accounts till FY 2022-23.

<sup>(4)</sup>Investments: An increase in investments is on account of the investments made out of the unspent grants received during FY 2023-24 & FY 2024-25.

<sup>(5)</sup>Sundry Debtors (Receivables): The receivables of Rs 167.91 crores pertaining to dues under old taxation system outstanding for more than 5 years has been written off in the FY 2024-25 as per NMAM which resulted in decline in the balance of sundry debtors compared to the past years.

<sup>(6)</sup>Cash & Bank Balance: The increase in cash & bank balances in FY2023-24 as compared to FY2022-23 is primarily due to the accounting of amounts payable to employees towards GPF, CPF and SPF from FY2023-24 onwards, which were not recorded in FY2022-23 and the receipt of NGT grant in February 2024 that remained unspent in the year FY2023-24.

**Notes:**

<sup>(1)</sup>Fees & User Charges: The increase in fees & user charges in FY 2023-24 majorly is on account of increased service /administrative charges & other fees charged by BMC.

<sup>(2)</sup>Revenue Grants, contribution& subsidies: In the year 2022-23, primary education Grant given by Government of Gujarat was recorded under Revenue Grants, contribution & subsidies as income in the income and expenditure statement and then subsequently recorded as expense under Administrative Expenses in the same financial year.

*However, from the FY 2023-24 onwards, the treatment was revised and such grant was adjusted and nullified as the grant was not received directly in the bank accounts of BMC. This change was made to ensure correct and fair presentation of the financials.*

*Further due to change in accounting treatment the primary education expenditure incurred by BMC which was accounted under Administrative Expenses in FY 2022-23 was regrouped & has been accounted as expense under Revenue Grants, Contributions & subsidies resulting in increase in the same during FY 2023-24 & FY 2024-25.*

*<sup>(3)</sup>Interest Earned: The variation arising in the interest earned in FY2023-24 as compared to FY2022-23 is due to regrouping of Interest related to property tax from the year 2023-24 onwards. The interest related to property tax is grouped under the head Tax revenues – property tax from FY2023-24 onwards for better financial presentation.*

*<sup>(4)</sup>Other Income: The variation arising in the other income in FY 2023-24 is due to regrouping of some items from other income to Fees and User charges from the year FY 2023-24 onwards.*

## III. Status of reforms with respect to e-governance, cost recovery on water supply & Solid Waste Management (SWM), property tax, double entry accounting and others, as specified by MoUD and authorities concerned

Status of reforms with respect to e-governance, water supply & Solid Waste Management (SWM), property tax, double entry accounting and others, as per guidelines laid by MoUD and authorities concerned:-

### a. Reforms on E-Governance:

- BMC has launched a Complaint Redressal & Monitoring System to enhance security and transparency. This system uses OTP verification and features multiple complaint registration channels, automated escalation protocols, feedback mechanisms and multiple-channel communication.
- The Issuer has introduced a Mobile App titled as “Bhavnagar Municipal Corporation” for the citizens through which they can make property, vehicle and professional tax payments; download birth/death certificates, fire NOCs, marriage licenses; have access to tender notices, recruitment updates, emergency contacts; get latest update son news and events, etc.

- BMC has implemented a Work & Expense Monitoring System (WEMS) to streamline the internal processing and tracking of bills. The system enables digital, department-wise bill entries, ensuring systematic handling of financial documentation. Once a bill is uploaded, its status is updated by the Accounts Department, and if forwarded for audit, the Audit Department continues the status updates. Functioning as a digital abstract register, WEMS enables real-time monitoring and promotes greater transparency and accountability.
- The Issuer has introduced eOlakh, an online system for efficient tracking and management of birth and death certificates. The platform enables the concerned department to monitor active records in real time, ensuring timely processing and accuracy of data.
- BMC offers an online Swimming Pool Management System, providing citizens with a convenient platform to access various services such as learner program applications, swimmer card registrations, and online fee payments. This system ensures a transparent, user-friendly, and efficient process, encouraging greater public participation and ease of service.
- The Issuer has introduced an online facility for shops and establishments, providing access to eNagar portal for application of licenses, grievance redressal, and tax payments, thereby streamlining regulatory compliance.
- BMC uses an online Hoarding Board Permit System which allows for digital application for new hoarding permits, renewals, cancellations, etc. It eliminates the need for in-person visits, encourages greater transparency and accountability.

**b. Solid waste management (SWM) Reforms:**

- BMC's Legacy Waste Project is focused on the processing of 1,15,000 MT legacy waste using bio-mining and processing of daily generated fresh waste using Trommel screen at Bhavnagar. This supports the local environment, public health, improves the management of waste and ultimately promotes sustainability.
- The Issuer has implemented a door-to-door waste collection system in the city. This promotes the efficient collection and transportation of waste from individual households or businesses directly to designated waste disposal sites. This system ensures that the waste is handled in a controlled and environmentally friendly manner.
- The Issuer has introduced a waste collecting vehicle tracking facility on its website, which enables tracking of vehicle locations, monitoring coverage areas and verifying the stops taken. This initiative enhances transparency, operational oversight and accountability.
- BMC has introduced an online payment facility for user charges applicable to small vendors, such as lorry vendors, hawkers and others responsible for generating waste on public roads. To streamline the process and promote ease of compliance, such payments can be made through BMC's official website under the "Admin - User Charge Collection System" available in the E-Services section.

**c. Property Tax Reforms:**

With the efforts made by the BMC, the total collection of property tax, which is one of the main sources of revenue, has been Rs. 57.42 crores in FY 2022-2023 to Rs. 83.37 crores in FY 2023-2024 and to Rs. 79.16 in FY 2024-2025.

The various initiatives taken by the Issuer to increase the property tax are as under:

- Property tax payments: BMC offers an easy and convenient online facility for payment of Property Tax through its official website. Assesseees can also generate their tax bills online, enabling faster access to payment details. To promote digital transactions and reduce manual processing, BMC provides a rebate to taxpayers who opt for online payment. This incentive aims to encourage more citizens to use online platform, enhancing transparency, efficiency and user convenience.
- The Issuer offers incentives to encourage prompt payments for property tax where a rebate was provided for timely payment. Additionally, a 2% rebate is provided for payments made through online channels.

- BMC sends text message alerts to citizens with a direct link to pay property tax online, making the process quicker and more accessible.
- Digital New Assessment: The Issuer has outsourced the assessment of new properties for property tax. The initiative aims to improve accuracy and expand overall coverage of new properties being built in Bhavnagar city along with streamlining processes and boosting revenue collections.
- One-time instalment scheme: The implementation of a one-time instalment scheme for property tax payments is a proactive measure by the BMC to improve tax recovery rates. Under this scheme, the assessee can make payment of their dues till registration day in five annual instalments along with current year's dues. This shall facilitate flexible payment options, improve recovery rates, increase compliance as well as public goodwill. This initiative shall help streamlining the financial health of the corporation in the long run. In 2023-24, 3413 property owners benefited from this scheme, showcasing its widespread success. Building on this achievement, the BMC has introduced OITS 2.0 for the year 2024-25 to deliver even greater value.

d. **Double Entry Accounting Reforms:**

The following steps have been implemented towards double entry accounting system by way of improvements in the back-office system:

- The National Municipal Accounting Manual has been followed by the Issuer with a view to providing better financial management, improved governance, accountability and transparency of management.
- BMC utilizes Tally Software for accounting which eliminates manual errors, speeds reconciliation, and ensures accurate reporting.

e. **Reforms on Water Supply**

- The Issuer collects water tax through its online portal, ensuring transparency through cashless transactions, in turn minimizing delays.
- BMC has initiated a pilot project to meter all household water connections in the Kaliyabid - D area of Bhavnagar. This metering system is designed to provide all year around water supply to the household domestic connections. The experience gained from this pilot project shall help BMC to replicate the same in other areas in future

#### IV. **DETAILS OF ISSUER'S OUTSTANDING BORROWING**

a. **Details of borrowings of the Issuer, as on the latest quarter end as on June 30, 2025**

As on June 30, 2025 the Issuer does not have any borrowings.

b. **Details of Secured Loan Facilities:**

As on June 30, 2025, the Issuer does not have any secured borrowings.

c. **Details of Unsecured Loan Facilities:**

As on June 30, 2025, the Issuer does not have any unsecured borrowings.

d. **Details of NCDs/Bonds:**

The Issuer has not issued any debentures or bonds prior to this proposed Issue.

e. **List of Top 10 Debenture Holders**

**VI. Sufficient revenue generation and resources for timely servicing and redemption**

The Bonds are proposed for servicing through a Structured Payment Mechanism. Under the structured payment mechanism, Own revenue/ Cash Flows gets collected/pooled by the issuer shall be transferred to a separate no-lien Escrow Account for debt servicing on daily basis.

In order to ensure timely servicing and redemption, the Issuer shall establish 2 (Two) accounts solely for the purpose of servicing the debt. The Interest Payment Account shall be established with a deposit such that at any point of time the Interest Payment Account holds an amount equivalent to 4 (Four) succeeding Coupon payments and the Issuer shall deposit an amount every month for the payment of the Coupon. To ensure adequacy of funds for redemption of the Bonds, a Sinking Fund Account shall be opened where amounts shall be deposited for redemption of the principal amounts of the Debentures. There is sufficient revenue generation/collection for timely servicing and redemption of Debentures from Own revenue/ Cash Flows, deposited in the account(s) for timely servicing and redemption. The total Revenue from own revenue sources during the last 3 (Three) Financial Years is approximately Rs. 317.01 Crores (Financial Year 2024-2025), Rs. 295.02 Crores (Financial Year 2023-2024) & Rs. 276.51 Crores (Financial Year 2022-2023).

**VII. Issue Estimated Scenarios of Asset Liability Mismatches**

As there is sufficient collection, there does not seem to be any scenario of asset liability mismatch. The Issuer has sufficient revenue from its Own Revenues/ Cash flows. With respect to the repayment of bonds, the Debentures are to be paid from Own Revenues/ Cash flows of the BMC. The current collections are sufficient to ensure the timely servicing/redemption of the Debentures. The structured payment mechanism as provided in this Preliminary Placement Memorandum shall ensure that the funds deposited over period will be sufficient to service the Debentures. Further tax collections are estimated to remain sufficient; therefore, we do not foresee any scenario of Asset Liability mismatch in future as well. Further, any shortfall towards payments to be made in respect of the Debentures will be transferred in terms of the Transaction Documents.

## **SECTION-XI: LEGAL AND OTHER INFORMATION**

The Bond Issue Committee in its meeting held on August 14, 2025 has adopted a materiality policy for disclosure of litigation in relation to the Issuer according to which other litigation involving the Issuer and the members of the Bond Issue Committee which may have an adverse impact on the position of the Issuer, the operations of the Issuer and the Projects which are being funded by the proceeds of the Debentures, have been disclosed hereinbelow.

No. 21/2025 | The Gujarat Public Works Contracts Disputes Arbitration Tribunal at Ahmedabad (the <b>Tribunal</b> ) | <p>An application was filed by Om Construction Co. ("<b>Appellant</b>"), who was awarded a contract for construction of a road, against BMC for the termination of abovementioned contract, forfeiture of security deposit and barring of contractor from tendering without seeking any explanation from BMC. The Appellant claimed that they were unable to continue road construction work because of the lack of essential data and lack of clear work site by BMC. Initially the Appellant filed a Special Civil Application before the Gujarat High Court to restrain BMC from encashing the bank guarantee. Although interim relief was granted, it was later withdrawn by the Appellant to approach the Gujarat Public Works Contracts Disputes Arbitration Tribunal to seek relief.</p> <p>The Applicant is claiming damages worth Rs. 3,85,35,090/- and are alleging that they are not in breach of the contract.</p> <p>The said matter is currently pending before the Tribunal.</p> | 3.85                       | Pending     |

| 1.     | BMC<br>V<br>Ranjit Buidcon Ltd. | Arbitration Application No. 0212023 of 2017 | Commercial Court at Rajkot District Bhavnagar | <p>BMC had awarded Ranjit Buidcon Ltd. ("<b>Respondent</b>") a contract for a water supply project. Conflicts arose when the Respondent raised 12 claims totalling to Rs. 11,19,10,275/- crore for additional work, delay in payment, incorrect deductions, and extension of service obligations. BMC raised an objection over non-fulfilment of major obligations by the Respondent.</p> <p>The Respondent filed a petition under Section 11 of the Arbitration and Conciliation Act, 1996 ("<b>Act</b>") against BMC for the appointment of an arbitrator by the Hon'ble Gujarat High Court to settle their claims. The arbitrator partially allowed the Respondent's claims and rejected counterclaims filed by BMC for ₹49.23 lakh.</p> <p>Challenging the award, BMC made an application under Section 34 of the Act claiming that the award was arbitrary.</p> <p>The matter is currently pending.</p> | 11.19                          | Pending        |

3. **Audit Qualifications along with the financial statements:**

The Auditor has issued the Qualified Opinion in its audit report on restated financial statements for FY 2022-23 dated November 06, 2024, audit report on financial statements for FY 2023-24 dated November 06, 2024 and audit report on financial statements for FY 2024-25 dated June 24, 2025.

*As per the Auditor’s Report dated November 06, 2024 on Restated Financial Statement for F.Y. 2022-2, the following observations are the basis for qualified opinion:*

- 1. Difference in opening balances:** Since 1982, the cash basis of accounting has been followed by the Corporation, and opening balance was not carried forward till then. The amount of accumulated difference in opening balances for preparation of financial statements on accrual- based accounting system is ₹ 31,575.73 Lakhs for FY 2022-23, which is adjusted in Municipal General Fund of the Corporation. These differences are due to various reasons for which we have received a very limited explanation, hence impractical to quantify the same from the earlier used method of accounting that is Cash basis of accounting.
- 2. Fixed Assets:** Opening balances of Fixed Assets have been taken from the details available with the Corporation, and capital expenses for fixed assets are recognized as per Actual Expense data of the budget of Bhavnagar Municipal Corporation, approved by the Competent Authority which is mainly based on utilization of the grant by the Corporation. These expenses have been shown after netting them off with the balance of Capital Contribution of that asset. The Corporation has only limited departments who have maintained the fixed asset related data and out of them, few have verified the

actual existence of those fixed assets. So, the conclusive data relating to fixed assets cannot be said to have been incorporated due to very limitation on the part of the Corporation.

3. **Stores and Consumables:** Difference in the value of stock in hand is ₹172.72 Lakhs, which is mainly due to the change in accounting system from cash basis into accrual basis, and, is adjust with any excess or deficit arrived at in Income and Expenditure Account of concerned Financial Period, whereas ₹ 167.83 Lakh has been adjusted in Municipal Fund Balance. The figures have been taken from the Actual Expenditure data as per the budgets for the respective year as no separate registers have been maintained in this regard.
4. **Depreciation:** Depreciation has been charged on the assets keeping in mind the generally accepted principal. They have been adopted keeping in mind the usefulness of the assets and tenure of its useful life based on their own assumption and some reference from the similar type of Local Authorities of the State of Gujarat. The policy and assumptions have been taken by the management and competent authorities and the same may not be in conformity with the treatment specified under any accounting standard, but seems fair and just in the given circumstances.
5. **Sundry Debtors:** The difference of ₹ 52,875.40 Lakh, is adjusted with any excess or deficit arrived at in Income and Expenditure Account of concerned Financial Period, whereas ₹ 48,134.26 Lakh has been adjusted in Municipal Fund Balance. The Corporation's concerned departments are having separate software from which the record of receivables at the beginning of the year can be made available; hence the data has been calculated keeping in the mind the actual data of demands with respect to the taxes at the beginning of the financial year reduced by the actual income received in respect of all those taxes during the concerned financial year.
6. **Deposits:** In absence of deposit register maintained by all concerned departments, the amount of total deposits have been arrived from the budget of the concerned year, which was prepared by the compatible department of the Corporation and also approved by the competent authority of the Corporation. Hence the same has been taken as it is from the actual data shown in the budget and the difference or creation of the deposit amounting to ₹ 7,854.29 Lakh has been adjusted in the Municipal General Fund account.
7. **Other Liabilities:** All the other liabilities including any liabilities towards creditors, employees, Government etc. have been taken based on actual data available in the budget and difference if any has been transferred to Municipal Fund Account.
8. **PF Loans to Employees:** The Corporation has maintained records of PF Loan given to the employees as well the interest received on account of the same, but it should have been shown separately classified in the books of accounts as it should have been as per the generally accepted accounting practices.
9. **Bank Charges:** Bank charges have not been specifically considered while preparing the Financial Statements.
10. **Municipal Fund:** All the adjustments with respect to any changes in amount due to change in Cash system to accrual system has been given effect in the account called Municipal fund which is General Fund in nature.

*As per the Auditor's Report dated November 06, 2024 on Audited Financial Statement for F.Y. 2023-24, the following observations are the basis for qualified opinion:*

1. **Difference in opening balances:** Since 1982, the cash basis of accounting has been followed by the Corporation, and opening balance was not carried forward till then. The amount of accumulated difference in opening balances for preparation of financial statements on accrual- based accounting system is ₹ 3,926.10 Lakhs for FY 2023-24, which is adjusted in Municipal General Fund of the Corporation. These differences are due to various reasons for which we have received a very limited explanation, hence impractical to quantify the same from the earlier used method of accounting that is Cash basis of accounting.
2. **Fixed Assets:** Opening balances of Fixed Assets have been taken from whatever details have been provided by the Corporation, and capital expenses for fixed assets are recognized as per Actual

Expense data of the budget of Bhavnagar Municipal Corporation, approved by the Competent Authority as per the actual expenditure of the grants in this behalf. These expenses have been shown after netting them off with the balance of Capital Contribution of that asset. The Corporation has only limited departments who have maintained the fixed asset related data and out of them, few have verified the actual existence of those fixed assets. So, the conclusive data relating to fixed assets cannot be said to have been incorporated due to very limitation on the part of the Corporation.

3. **Depreciation:** Depreciation has been charged on the assets keeping in mind the generally accepted principal. They have been adopted keeping in mind the usefulness of the assets and tenure of its useful life based on their own assumption and some reference from the similar type of Local Authorities of the State of Gujarat. The policy and assumptions have been taken by the management and competent authorities and the same may not be in conformity with the treatment specified under any accounting standard, but seems fair and just in the given circumstances.
4. **Sundry Debtors:** The Corporation's concerned departments are having separate software from which the record of receivables at the beginning of the year can be made available; hence the data has been calculated keeping in the mind the actual data of demands with respect to the taxes at the beginning of the financial year reduced by the actual income received in respect of all those taxes during the concerned financial year.
5. **Deposits:** In absence of deposit register maintained by all concerned departments, the amount of total deposits have been arrived from the budget of the concerned year, which was prepared by the compatible department of the Corporation and also approved by the competent authority of the Corporation. Hence the same has been taken as it is from the actual data shown in the budget.
6. **Other Liabilities:** All the other liabilities including any liabilities towards creditors, employees, Government etc. have been taken based on actual data available in the budget.
7. **PF Loans to Employees:** The Corporation has maintained records of PF Loan given to the employees as well the interest received on account of the same, but it should have been shown separately classified in the books of accounts as it should have been as per the generally accepted accounting practices.
8. **Municipal Fund:** All the adjustments with respect to any changes in amount has been given effect in the account called Municipal fund which is General Fund in nature.

*As per the Auditor's Report dated June 24, 2025 on Audited Financial Statement for F.Y. 2024-25, the following observations are the basis for qualified opinion:*

1. **Difference in opening balances:** Since 1982, the cash basis of accounting has been followed by the Corporation, and opening balance was not carried forward till then. The amount of accumulated difference in opening balances for preparation of financial statement is adjusted in Municipal General Fund of the Corporation. These differences are due to various reasons for which we have received a very limited explanation, hence impractical to quantify the same from the earlier used method of accounting that is Cash basis of accounting till FY 2022-23. The current financial statements are drawn up using mixture of cash basis as well as accrual basis of accounting wherever possible to apply appropriate accounting method, decision of which was the absolute responsibility of the management of the Corporation keeping in mind the provisions of NMAM.
2. **Adjustments to opening balances:** During the course of our audit, we noted that adjustments were made to the opening balances to give effect of necessary changes in the accounting estimates and policies in accordance with applicable financial reporting standards as management thinks fit and just. The amount involved is material looking at the size of the financial statements. These estimates and policies are subject matter of decisions taken by management and we as auditor are not in a position to quantify or justify the same due to Impracticability on our part to verify each of those items.
3. **Disclosures:** The financial statements do not adequately disclose the nature, reasons, and financial effects of certain adjustments made to the opening balances as well as other adjustment entries recorded during the period.

4. Corporation generally prepares its financial statements using the accrual basis of accounting, in accordance with the applicable financial reporting framework. However, for certain transactions the Corporation has applied a cash basis of accounting. Such treatment may not fully align with the principles of accrual accounting, which require the recognition of income and expenses when they are earned or incurred, regardless of when cash transactions occur, but seems in fair conformity with what is laid in NMAM.
5. During the course of the audit, we observed discrepancies between the income/expense figures and receivable/payable balances recorded in the accounting software and those reflected in the corresponding bills and supporting documentation. As informed to us, there's a difference in amount of income as per software and as per actual bills, on inquiring upon management about this, we understood that any difference arising on account of same has been adjusted to opening balance. These differences arise due to constant changes in the demand data due to resurvey process by the concerned department of the Corporation, and due to this there will be constant variation with respect to amount mentioned in data entry, Amount of recognition, and reconciliation processes.
6. **Fixed Assets:** Opening balances of Fixed Assets have been taken from whatever details have been provided by the Corporation, and capital expenses for fixed assets are recognized as per Actual Expense data available with Bhavnagar Municipal Corporation, approved by the Competent Authority as per the actual expenditure of the grants in this behalf. These expenses have been shown after netting them off with the balance of Capital Contribution of that asset. The Corporation has only limited departments who have maintained the fixed asset related data and out of them, few have verified the actual existence of those fixed assets. So, the conclusive data relating to fixed assets cannot be said to have been incorporated due to very limitation on the part of the Corporation.

As per explanation provided to us, one of the lands was not recorded in previous years, and the same was sold in current year for ₹ 44,12,45,000.00. Therefore, to record this transaction the land is recorded in current year and transferred to revaluation reserve.

7. **Depreciation:** Depreciation has been charged on the assets keeping in mind the generally accepted principal. They have been adopted keeping in mind the usefulness of the assets and tenure of its useful life based on their own assumption and some reference from the similar type of Local Authorities of the State of Gujarat. The policy and assumptions have been taken by the management and competent authorities and the same may not be in conformity with the treatment specified under any accounting standard, but seems fair and just in the given circumstances.
8. **Statutory Obligations:** The Corporation is discharging its statutory obligations such as TDS and GST-TDS on a cash Basis, i.e. payments are made when amounts are actually available in fund balances received from appropriate authorities. However, the related expenses and liabilities are accounted for on accrual basis in the books of accounts.
9. **Closing Stock:** No physical verification of inventory was conducted during the year, and the Corporation has not provided us with sufficient appropriate audit evidence regarding the existence and condition of these inventories. Furthermore, the basis of valuation of inventories has not been disclosed, and we were unable to obtain sufficient appropriate audit evidence to determine whether inventories are stated at the lower of cost and net realizable value.
10. **Regrouping of Previous Year Financial Items:** The previous year financial data has been regrouped wherever required to make the presentation more suitable and comparable for the better understanding keeping in mind the requirements of provisions of NMAM.
11. **Sundry Debtors:** The Corporation's concerned departments are having separate software from which the record of receivables at the end of the year can be made available; hence the data has been calculated keeping in the mind the actual data of demands with respect to the taxes at the beginning of the financial year reduced by the actual income received in respect of all those taxes during the concerned financial year. The opening data has been taken at the close of the year so as to incorporate any changes in demand data due to any resurvey conducted during the year.

12. **Unreconciled entries with bank:** There are few receipts in the bank statement amounting to ₹9,21,31,268.00, which are accounted for but could not be identified by the Corporation. So, the same has been transferred to ledger named UNRECONCILED ENTRIES WITH BANK.
13. **PF Loans to Employees:** The Corporation has maintained records of PF Loan given to the employees as well the interest received on account of the same, but it should have been shown separately classified in the books of accounts as it should have been as per the generally accepted accounting practices.
14. **Municipal Fund:** All the adjustments with respect to any changes in amount has been given effect in the account called Municipal fund which is General Fund in nature.

**In addition to the Audit observations/qualification as provided above, there are certain additional observations in the Auditor's Report dated November 06, 2024 for FY 2022-2023 and FY 2023-24 as below:**

1. Additions to fixed assets were recorded based on actual expenditures incurred and paid during the year. These additions were aligned with the budgeted actual data for accurate financial tracking.

**In addition to the Audit observations/qualification as provided above, there are certain additional observations in the Auditor's Report dated June 24, 2025 for FY 2024-25 as below:**

1. Under the AMRUT-1 account the recorded balance exceeded the actual spending limit; an adjustment was made to reduce the recorded balance to ensure that, only the actual fund availability and eligible utilization are reflected in the account.
2. Initially, the entire sanction limit under AMRUT- 2.0 was recorded as grant fund. However, as per the revised accounting guidelines the previously recorded grant amount has been nullified and the account balance has been brought down to zero. Under the compliance requirement, grant recognition is now based on actual fund disbursement and utilization rather than on sanctioned limits.
3. The investment balance under the 'Investments' includes only the principal component of deposits made by the corporation. The accumulated or accrued interest on these is not included under this schedule.
4. Under 'Cash and Bank Balances' head: there are approximately 25 bank accounts where no transactions are found, out of which 2 accounts have already been closed. Additionally, there are 14 bank accounts which are Single Nodal Agency Accounts for which bank statements are not available with the corporation. The balances pertaining to these accounts have been taken from the book records.
5. The bank reconciliation statement highlights timing differences between the date on which the corporation issues or remits payments and the date on which those transactions are actually cleared or reflected in the bank account. This delay occurs because, as per the internal protocol. A formal resolution of the corporation's concerned department is required before such receipts can be officially entered into the accounting records. This procedural requirement may result in temporary mismatches during the bank reconciliation process.

For details on all Audit Qualifications/ Observations, please refer to the Audit Reports issued by the Auditor of the Issuer for the F.Y. 2024-25, F.Y. 2023-24 and F.Y. 2022-23 annexed as Annexure VI of this Preliminary Placement Memorandum.

- (e) In case of any shortfall in the Escrow Account to the tune of Minimum Balance, the Issuer shall make good the shortfall from the funds from other account(s) to Escrow Account as per the terms of the transaction documents.

On a monthly basis, on each Transfer Date, the Minimum Balance maintained as indicated above shall be transferred to the Interest Payment Account and Sinking Fund Account. The Issuer, with the prior written consent of the Debenture Trustee, can transfer the Minimum Balance maintained in Escrow Account to the Interest Payment Account and the Sinking Fund Account on any day prior to the Transfer Date.

It is hereby clarified that, notwithstanding the appropriation of any amount from the Escrow Account to fund the shortfall in Interest Payment Account (including the required DSRA amount), Sinking Fund Account and Upfront FD (in case of utilization of the amount deposited in the Upfront FD), the obligation of the Issuer to fund the Minimum Balance before the last date of any monthly period shall continue until the Final Settlement Date.

6. The following amounts will be required to be transferred to the Interest Payment Account and the Sinking Fund Account from the Escrow Account as mentioned above each year (Each year here means each period of 12 months from the Deemed Date of Allotment until the Maturity Date and is also referred to as '12 month block') on first priority basis:

Interest payment Account (IPA) – Quarterly interest payable amount shall be divided into two equal parts and each part shall be transferred to IPA every month for 2 months. Accordingly, 50% of the Quarterly coupon payment (along with any further interest payable (by whatsoever name called) as per the terms of the issuance and any shortfall in earlier contribution) shall be transferred to IPA each month within first 8 months of each 12 month block in the following manner:-

For Interest payable in 1st Quarter - in 1st & 2nd Month

For Interest payable in 2nd Quarter- in 3rd & 4th Month

For Interest payable in 3rd Quarter- in 5th & 6th Month

For Interest payable in 4th Quarter- in 7th & 8th Month

Sinking Fund Account (SFA) – Total issue size of the Debentures (Rs 25 Crore) shall be divided into 5 equal parts and each part (Rs. 5 Crore) shall be transferred to SFA in each year from the 1st to 5th year.

1st to 4th year

Further, this one part to be transferred to SFA in each of the first Four years shall be sub-divided into 10 sub-parts and each sub-part (Rs. 0.50 Crore) (along with any shortfall in earlier contribution) shall be transferred to SFA each month for first 10 months. Accordingly, 20% of total issue size shall be transferred each year for the first 4 years out of which 2 % each month for first 10 months of each year.

5th year

The remaining Rs 5 Crore (20% of the total issue size) shall be transferred in the 5th year, out of which:

- (i) Rs 2.5 Crore shall be sub-divided into 5 equal sub-parts and each sub-part (Rs. 0.50 Crore) (along with any shortfall in earlier contribution) shall be transferred to SFA each month for the first 5 months.

(ii) Remaining Rs 2.5 Crore shall be transferred to the Sinking Fund Account in lump sum from Upfront Fixed Deposit at the end of 54th month from deemed date of allotment

Once the sinking fund account gets completely built up equivalent to the 100% of the total issue size i.e. Rs 25 Crore at the end of 54th month from the deemed date of allotment, there shall be no further fund transfers to the Sinking Fund Account from the Escrow Account.

7. The funds lying in the above-mentioned account(s) shall be utilised in the following manner:

- (a) The funds lying in the Interest Payment Account (apart from the DSRA Amount) will be first utilized for meeting the Coupon payment to the Debenture Holders. In the event that the balance in the Interest Payment Account (apart from the DSRA Amount) is not sufficient for this purpose, the DSRA Amount can be utilized for meeting such shortfall in the Interest Payment Account for making the Coupon payment to the Debenture Holders.
- (b) The DSRA Amount lying in the Interest Payment Account, can be used to meet (i) any shortfall in the Interest Payment Account for the Coupon payment to be made on any Coupon Payment Date; and thereafter (ii) can be used to meet any shortfall at the time of redemption of NCD (up to the excess DSRA amount) on the Redemption Date. However, the DSRA Amount cannot be utilized for any other purpose, including (a) to meet any shortfall in contribution to Sinking Fund Account except at the time of Redemption; and (b) to meet any shortfall in the amounts to be transferred to the Interest Payment Account except at the time of actual payment of Coupon on the Debentures.
- (c) Any surplus amounts available in the Interest Payment Account after making the Coupon payment to Debenture Holders (which is over and above the Required DSRA Amount) should be used to make good any shortfall in contribution to Sinking Fund Account to the extent required for redemption on the Redemption Date.
- (d) The funds lying in the Sinking Fund Account shall be used to redeem the Debentures.
- (e) Upfront FD can be used (i) to meet any shortfall in the Sinking Fund Account prior to the end of each 12 month block and (ii) to transfer the entire amount in lump sum to Sinking Fund Account at the end of 54th month from deemed date of allotment.
- (f) Any funds lying in the above account(s) can be used for making Permitted Investments. However, the funds (including investment(s)) shall not, without the approval of the Debenture Trustees, be utilised for any purpose other than as mentioned in paragraph (a) to (e) above.
- (g) Any surplus funds lying in the above account(s) after the Debentures have been redeemed in full and all dues to the Debenture Holders have been paid can be transferred to the Escrow Account on the written instructions of the Debenture Trustee (acting on the instructions of the Issuer).

8. The Debenture Trustee, on behalf of the Debenture Holders shall have an exclusive first ranking charge over the Escrow Account and the account(s) where the 'Own revenues/Cash flows' that are being collected/pooled by the

|  | <p>The Debenture Trustee shall check the amount lying to the credit of Interest Payment Account (which is over and above the Required DSRA Amount) at 25 (Twenty-Five) days prior to the Coupon Payment Date (T-25 days). In case of any shortfall in the amount required to make payment of Coupon on the Coupon Payment Date in the Interest Payment Account (calculated on the basis of the amounts available in addition to the Required DSRA Amount), the Debenture Trustee shall intimate the Issuer of the shortfall and the Issuer shall make good the short fall in the Interest Payment Account prior to the date falling 10 (Ten) days prior to the Coupon Payment Date (T-10 days). Further, the amounts lying or credited in the escrow account shall flow into the interest payment account for funding the shortfall and shall not be transferred by the Issuer to the general fund account(s) till the time the shortfall is funded. In case of shortfall in the amount required to make payment of Coupon on the Coupon Payment Date in the Interest Payment Account (calculated on the basis of the amounts available in addition to the Required DSRA Amount) at 9 (Nine) days prior to the Coupon Payment Date (T-9 days), the Debenture Trustee shall trigger the payment mechanism and shall instruct the Bank to utilise the DSRA Amount to the extent of the shortfall in the amount required to make payment of the Coupon on the Coupon Payment Date on or prior to the date falling 8 (Eight) days prior to the Interest Payment Date (T-8 days). The Coupon shall be paid by the Issuer on the Coupon Payment Date (T).</p> <p>In case the DSRA Amount (or part thereof) is utilized to fund the shortfall in the amount required to make payment of the Coupon in respect of any Coupon Payment Date, immediately after the Debenture Trustee shall instructed the Bank to utilise the DSRA Amount as above and in any event 7 (Seven) days prior to the relevant Coupon Payment Date (T-7), the Debenture Trustee would issue a final notice in writing to the Issuer. On the issuance of such notice, the Issuer shall make good the DSRA Amount Shortfall within next 15 (Fifteen) days (T+8). Further, immediately after the DSRA utilization, the amounts lying or credited in the escrow account shall flow into the interest payment account for DSRA replenishment and shall not be transferred by the Issuer to the general fund account(s) till the time the required DSRA amount is replenished.</p> <p>It is hereby clarified that, notwithstanding the appropriation of any amount from the Escrow Account to fund the shortfall in interest payment account (including the required DSRA amount), the obligation of the Issuer to fund the interest payment account and sinking fund account to the extent of the minimum balance not later than the monthly Transfer Date shall continue until the Final Settlement Date.</p> <p>Further, such notice(s) would continue to get served if required, as per the same timelines for subsequent and future servicing's. If any over dues on account of past servicing's from the DSRA Amount continues to remain and the Required DSRA Amount continues to remain un-replenished, then such overdue amount would be added in the subsequent notice.</p> <p>In any of the milestone days mentioned in the T-Structure above (except the Coupon Payment Dates) happens to not be a Business Day, the deemed date for execution of the relevant action shall be the previous Working Day.</p> <p><b>Principal Repayment (Sinking Fund) Mechanism</b></p> <p>The Debenture Trustee shall check the balance in the Sinking Fund Account prior to the end of each 12 month block - and in case of any Sinking Fund mismatch it shall be replenished as per the following mechanism:-</p> <p>The Debenture Trustee shall check the amount lying to the credit of Sinking Fund Account at 45 (Forty-Five) days prior to the end of each 12 months block</p> |

# **ANNEXURE I**

## **Structured Payment Mechanism**

## **Structured Payment Mechanism**

1. The Issuer shall open the following accounts for servicing the Coupon and principal amount of the Debentures for the exclusive benefit of the Debenture Holders:
  - (a) Escrow Account
  - (b) Interest Payment Account
  - (c) Sinking Fund Account

2. The Issuer shall set up the separate no-lien Escrow Account and the funds lying in account(s) in which the Issuer's **Own revenues** get collected and/ or pooled by the Issuer shall be transferred to the Escrow Account for debt servicing on daily basis. Debenture Holders/ Debenture Trustee on behalf of Debenture Holders shall have first and exclusive charge over the Escrow Account and the account(s) where own revenues gets collected and/ or pooled by the Issuer.

**‘Own revenues/Cash flows’** here shall mean the revenues/cash flows being directly levied and collected/recovered by the Issuer and not being the revenues/cash flows received from the Government in the form of Grants, contributions & subsidies, assigned revenues & compensations or others. The revenues/cash flows being directly levied and collected/recovered by the Issuer include tax revenues, rental income from municipal properties, fees and user charges, sale and hire charges and such other Incomes.

3. The Interest Payment Account is an account from which the interest payments on the Debentures will be serviced and the Required DSRA Amount (as hereinafter defined) will also be maintained as per the requirements of the SEBI circular in relation to ‘Continuous disclosures and compliances by listed entities under SEBI (Issue and Listing of Municipal Debt Securities) Regulations, 2015’ dated November 13, 2019 bearing reference no. SEBI/HO/DDHS/CIR/P/134/2019.

For ensuring maintenance of the Required DSRA Amount, the Interest Payment Account shall be funded 1 (One) day prior to the Pay-In Date with an amount equal to the 4 (Four) succeeding coupon payments (i.e. one year interest obligation) required to be paid by the Issuer in respect of the Debentures (**“Required DSRA Amount”**). The amounts lying in, or credited into, the Interest Payment Account from time to time towards maintenance of the Required DSRA Amount, shall be hereinafter referred to as the **“DSRA Amount”**. In the event of any utilisation from the DSRA Amount, the Issuer shall be obliged to replenish the same as per the Interest Payment Mechanism below.

Further, as the interest liability would progressively come down after the peak, the Issuer would be permitted to take out the excess DSRA progressively under intimation to the Debenture Trustee, subject to: (i) no unresolved breach of any covenant or event of default, (ii) no shortfall in any of the Interest Payment Account (including the Required DSRA Amount) or the Sinking Fund Account or Upfront FD.

4. The Sinking Fund Account is an account from which the principal redemptions of NCDs will be made.

The Issuer shall, 1 (One) day prior to the Pay-in Date, create upfront Fixed Deposit in terms of the Transaction Documents for an amount equivalent to 10% (Ten percent) of the total bond issue size (**“Upfront Fixed Deposit” or “Upfront FD”**).

The Upfront FD shall be utilized in accordance with the Principle Repayment (Sinking Fund) mechanism defined in the structured payment mechanism below and at the end of 54 months from the deemed date of allotment, the said fixed deposit amount shall be transferred to the Sinking Fund Account.

The Issuer hereby agrees and undertakes that it shall, at all times maintain the Upfront Fixed Deposit with scheduled commercial bank with a dual rating of AA+ or above and the same shall always be lien marked to the debenture trustee in terms of the Transaction Documents until the amount gets transferred to the Sinking Fund Account at the end of 54 months from the deemed date of allotment.

5. The funds lying in the Escrow Account shall be used in the following priority:
- (a) The funds should be first utilized to fund any shortfall in required DSRA amount (in case of utilization of the DSRA amount), Interest payment account, the sinking fund account and Upfront FD (in case of utilization of the amount deposited in the Upfront FD) as per the interest payment and sinking fund mechanism defined below;
  - (b) Thereafter, the funds should be utilized to accumulate the Minimum Balance in Escrow Account. The Minimum Balance to be maintained in any monthly period expiring on the Transfer Date (Transfer date here means last date of any monthly period) shall be the amount to be transferred to the Interest Payment Account and Sinking Fund Account on the Transfer Date;
  - (c) The Minimum Balance shall not be used for any purpose other than transfer to the Interest Payment Account and Sinking Fund Account;
  - (d) The surplus funds, if any, after first accumulating the Minimum Balance can thereafter be transferred to the general fund account(s) in accordance with a one-time written instruction providing for such transfer is given by the Debenture Trustee for such monthly period provided however that, in case of a shortfall in any of the Interest Payment Account (including towards maintenance of the Required DSRA Amount) or Sinking Fund Account or Upfront Fixed Deposit, no transfer to the general fund account(s) shall be effected and the surplus funds shall first be utilised towards funding the relevant account in which there is a shortfall.
  - (e) In case of any shortfall in the Escrow Account to the tune of Minimum Balance, the Issuer shall make good the shortfall from the funds from other account(s) to Escrow Account as per the terms of the transaction documents.

On a monthly basis, on each Transfer Date, the Minimum Balance maintained as indicated above shall be transferred to the Interest Payment Account and Sinking Fund Account. The Issuer, with the prior written consent of the Debenture Trustee, can transfer the Minimum Balance maintained in Escrow Account to the Interest Payment Account and the Sinking Fund Account on any day prior to the Transfer Date.

It is hereby clarified that, notwithstanding the appropriation of any amount from the Escrow Account to fund the shortfall in Interest Payment Account (including the required DSRA amount), Sinking Fund Account and Upfront FD (in case of utilization of the amount deposited in the Upfront FD), the obligation of the Issuer to fund the Minimum Balance before the last date of any monthly period shall continue until the Final Settlement Date.

6. The following amounts will be required to be transferred to the Interest Payment Account and the Sinking Fund Account from the Escrow Account as mentioned above each year (Each year here means each period of 12 months from the Deemed Date of Allotment until the Maturity Date and is also referred to as '12 month block') on first priority basis:

**Interest payment Account (IPA)** – Quarterly interest payable amount shall be divided into two equal parts and each part shall be transferred to IPA every month for 2 months. Accordingly, 50% of the Quarterly coupon payment (along with any further interest payable (by whatsoever name called) as per the terms of the issuance and any shortfall in earlier contribution) shall be transferred to IPA each month within first 8 months of each 12 month block in the following manner:-

For Interest payable in 1st Quarter - in 1st & 2nd Month  
 For Interest payable in 2nd Quarter- in 3rd & 4th Month  
 For Interest payable in 3rd Quarter- in 5th & 6th Month  
 For Interest payable in 4th Quarter- in 7th & 8th Month

**Sinking Fund Account (SFA)** – Total issue size of the Debentures (Rs 25 Crore) shall be divided into 5 equal parts and each part (Rs. 5 Crore) shall be transferred to SFA in each year from the 1<sup>st</sup> to 5<sup>th</sup> year.

**1st to 4th year**

Further, this one part to be transferred to SFA in each of the first Four years shall be sub-divided into 10 sub-parts and each sub-part (Rs. 0.50 Crore) (along with any shortfall in earlier contribution) shall be transferred to SFA each month for first 10 months. Accordingly, 20% of total issue size shall be transferred each year for the first 4 years out of which 2 % each month for first 10 months of each year.

**5th year**

The remaining Rs 5 Crore (20% of the total issue size) shall be transferred in the 5th year, out of which:

- (i) Rs 2.5 Crore shall be sub-divided into 5 equal sub-parts and each sub-part (Rs. 0.50 Crore) (along with any shortfall in earlier contribution) shall be transferred to SFA each month for the first 5 months.
- (ii) Remaining Rs 2.5 Crore shall be transferred to the Sinking Fund Account in lump sum from Upfront Fixed Deposit at the end of 54<sup>th</sup> month from deemed date of allotment

Once the sinking fund account gets completely built up equivalent to the 100% of the total issue size i.e. Rs 25 Crore at the end of 54<sup>th</sup> month from the deemed date of allotment, there shall be no further fund transfers to the Sinking Fund Account from the Escrow Account.

7. The funds lying in the above-mentioned account(s) shall be utilised in the following manner:
  - (a) The funds lying in the Interest Payment Account (apart from the DSRA Amount) will be first utilized for meeting the Coupon payment to the Debenture Holders. In the event that the balance in the Interest Payment Account (apart from the DSRA Amount) is not sufficient for this purpose, the DSRA Amount can be utilized for meeting such shortfall in the Interest Payment Account for making the Coupon payment to the Debenture Holders.
  - (b) The DSRA Amount lying in the Interest Payment Account, can be used to meet (i) any shortfall in the Interest Payment Account for the Coupon payment to be made on any Coupon Payment Date; and thereafter (ii) can be used to meet any shortfall at the time of redemption of NCD (up to the excess DSRA amount) on the Redemption Date. However, the DSRA Amount cannot be utilized for any other purpose, including (a) to meet any shortfall in contribution to Sinking Fund Account except at the time of Redemption; and (b) to meet any shortfall in the amounts to be transferred to the Interest Payment Account except at the time of actual payment of Coupon on the Debentures.
  - (c) Any surplus amounts available in the Interest Payment Account after making the Coupon payment to Debenture Holders (which is over and above the Required DSRA Amount) should be used to make good any shortfall in contribution to Sinking Fund Account to the extent required for redemption on the Redemption Date.
  - (d) The funds lying in the Sinking Fund Account shall be used to redeem the Debentures.
  - (e) Upfront FD can be used (i) to meet any shortfall in the Sinking Fund Account prior to the end of each 12 month block and (ii) to transfer the entire amount in lump sum to Sinking Fund Account at the end of 54<sup>th</sup> month from deemed date of allotment.
  - (f) Any funds lying in the above account(s) can be used for making Permitted Investments. However, the funds (including investment(s)) shall not, without the approval of the Debenture Trustees, be utilised for any purpose other than as mentioned in paragraph (a) to (e) above.
  - (g) Any surplus funds lying in the above account(s) after the Debentures have been redeemed in full and all dues to the Debenture Holders have been paid can be transferred to the Escrow Account on the written instructions of the Debenture Trustee (acting on the instructions of the Issuer).
8. The Debenture Trustee, on behalf of the Debenture Holders shall have an exclusive first ranking charge over the Escrow Account and the account(s) where the '**Own revenues/Cash flows**' that are being collected/pooled by the Issuer, the Interest Payment Account (including the DSRA Amount), Sinking Fund Account and Upfront Fixed Deposit.

9. The Debenture Trustee, on behalf of the Debenture Holder(s), shall have an exclusive first charge on the Escrow Account, Interest Payment Account (including the DSRA Amount), Sinking Fund Account and Upfront Fixed Deposit and any Permitted Investment(s) made from these account(s) for the exclusive benefit of the Debenture Holders(s). The amount deposited in the Interest Payment Account (including the DSRA Amount), Sinking Fund Account and Upfront Fixed Deposit shall be used solely for meeting the dues of the Debenture Holders. Any surplus in the above account(s) after the Debentures have been redeemed in full and all the dues to the Debenture Holders have been paid can be transferred to the Escrow Account after obtaining written consent of the Debenture Trustee. No amount can be withdrawn from these account(s) without the approval of Debenture Trustee.

#### **PERMITTED INVESTMENT**

10. The Upfront FD and funds lying credited in the Escrow Account (to the extent of the minimum balance) & Interest Payment Account (including the DSRA Amount) can be kept in fixed deposits with any scheduled commercial bank with a dual rating of AA+ or above. However, the conditions of the fixed deposits shall not restrict premature withdrawal from the fixed deposit. The lien shall be created in favor of Debenture Trustee on all the investments made in terms hereof. The Issuer shall ensure that funds lying in the escrow accounts shall be invested in accordance with the SEBI ILMDS Regulations and SEBI circulars issued thereunder and Gujarat Provincial Municipal Corporation Act, 1949, to the extent applicable.
11. The funds lying to the credit of Sinking Fund Account can be deposited in such instruments which may be permitted both in terms of the SEBI Circulars and also Gujarat Provincial Municipal Corporation Act, 1949. The lien shall be created in favor of Debenture Trustee on all the investments made in terms hereof.
12. Any actual interest income earned and received on the Permitted Investment(s) shall be utilizable by the Issuer, in accordance with the terms set out in the Transaction Documents, only: (a) with the prior approval of the Debenture Trustee; and (b) if there is no shortfall in any of the Interest Payment Account (including the Required DSRA Amount) or the Sinking Fund Account or Upfront Fixed Deposit.
13. The Escrow Account, Interest Payment Account (including the Required DSRA Amount), Sinking Fund Account and Upfront Fixed Deposit shall be maintained with a scheduled commercial bank rated at least AA+ by two rating agencies throughout the tenor of the Debentures ("Bank"). In case, at any point of time, the rating of senior debt of the Bank falls below AA+ by any rating agency the Issuer shall, with the written consent of Debenture Trustee, move the funds to any other bank satisfying the rating criteria.
14. The Bank shall share statement(s) of these account(s) with Debenture Trustee and the Issuer for such period as may be specified by the Debenture Trustee but not greater than 12 (Twelve) months in any case till such time as the Debentures are redeemed. The Issuer shall share copies of all such reports with the Rating Agencies. The Issuer and Debenture Trustee shall keep the Rating Agencies informed in case of change in the Bank.

#### **Interest Payment Mechanism**

The Debenture Trustee shall check the amount lying to the credit of Interest Payment Account (which is over and above the Required DSRA Amount) at 25 (Twenty-Five) days prior to the Coupon Payment Date (T-25 days). In case of any shortfall in the amount required to make payment of Coupon on the Coupon Payment Date in the Interest Payment Account (calculated on the basis of the amounts available in addition to the Required DSRA Amount), the Debenture Trustee shall intimate the Issuer of the shortfall and the Issuer shall make good the short fall in the Interest Payment Account prior to the date falling 10 (Ten) days prior to the Coupon Payment Date (T-10 days). Further, the amounts lying or credited in the escrow account shall flow into the interest payment account for funding the shortfall and shall not be transferred by the Issuer to the general fund account(s) till the time the shortfall is funded. In case of shortfall in the amount required to make payment of Coupon on the Coupon Payment Date in the Interest Payment Account (calculated on the basis of the amounts available in addition to the Required DSRA Amount) at 9 (Nine) days prior to the Coupon Payment Date (T-9 days), the Debenture Trustee shall trigger the payment mechanism and shall instruct the Bank to utilise the DSRA Amount to the extent of the shortfall in the amount required to make

payment of the Coupon on the Coupon Payment Date on or prior to the date falling 8 (Eight) days prior to the Interest Payment Date (T-8 days). The Coupon shall be paid by the Issuer on the Coupon Payment Date (T).

In case the DSRA Amount (or part thereof) is utilized to fund the shortfall in the amount required to make payment of the Coupon in respect of any Coupon Payment Date, immediately after the Debenture Trustee shall instructed the Bank to utilise the DSRA Amount as above and in any event 7 (Seven) days prior to the relevant Coupon Payment Date (T-7), the Debenture Trustee would issue a final notice in writing to the Issuer. On the issuance of such notice, the Issuer shall make good the DSRA Amount Shortfall within next 15 (Fifteen) days (T+8). Further, immediately after the DSRA utilization, the amounts lying or credited in the escrow account shall flow into the interest payment account for DSRA replenishment and shall not be transferred by the Issuer to the general fund account(s) till the time the required DSRA amount is replenished.

It is hereby clarified that, notwithstanding the appropriation of any amount from the Escrow Account to fund the shortfall in interest payment account (including the required DSRA amount), the obligation of the Issuer to fund the interest payment account and sinking fund account to the extent of the minimum balance not later than the monthly Transfer Date shall continue until the Final Settlement Date.

Further, such notice(s) would continue to get served if required, as per the same timelines for subsequent and future servicing's. If any over dues on account of past servicing's from the DSRA Amount continues to remain and the Required DSRA Amount continues to remain un-replenished, then such overdue amount would be added in the subsequent notice.

In any of the milestone days mentioned in the T-Structure (except the Coupon Payment Dates) above happens to not be a Business Day, the deemed date for execution of the relevant action shall be the previous Working Day.

#### **Principal Repayment (Sinking Fund) Mechanism**

The Debenture Trustee shall check the balance in the Sinking Fund Account prior to the end of each 12 month block - and in case of any Sinking Fund mismatch it shall be replenished as per the following mechanism:-

The Debenture Trustee shall check the amount lying to the credit of Sinking Fund Account at 45 (Forty-Five) days prior to the end of each 12 months block (T). In case of any Sinking Fund mismatch, the Debenture Trustee shall intimate Issuer of the shortfall and Issuer shall make good the Sinking Fund mismatch 15 (Fifteen) days prior to the end of each 12 month block (T-15 days).

Further, in case of shortfall on T-45 days, the amounts lying or credited in the escrow account shall flow into the sinking fund account for funding the shortfall and shall not be transferred by the Issuer to the general fund account(s) till the time the shortfall is funded.

In case of shortfall still persists in the Sinking Fund Account at 14 (Fourteen) days prior to the end of each 12 month block (T-14 days), the Debenture Trustee shall trigger the payment mechanism and shall instruct the Bank to utilise the Upfront FD to the extent of the shortfall in the Sinking Fund Account on or prior to the date falling 13 (Thirteen) days prior to the end of each 12 month block (T-13 days).

In case the Upfront FD (or part thereof) is utilized to fund the shortfall in the amount in sinking fund account prior to the end of each 12 month block, immediately after the Debenture Trustee has instructed the Bank to utilise the Upfront FD as above and in any event prior to 12 (Twelve) days prior to the end of each 12 month block (T-12), the Debenture Trustee would issue a final notice in writing to the Issuer. On the issuance of such notice, the Issuer shall replenish the Upfront FD within next 12 (Twelve) days (T). Further, immediately after the utilization of Upfront FD, the amounts lying or credited in the escrow account shall be utilized for replenishment of Upfront FD and shall not be transferred by the Issuer to the general fund account(s) till the time Upfront FD is fully replenished.

It is hereby clarified that, notwithstanding the appropriation of any amount from the Escrow Account to fund the shortfall in sinking fund account or upfront FD, the obligation of the Issuer to fund the interest payment

account and sinking fund account to the extent of the minimum balance no later than the monthly Transfer Date shall continue until the Final Settlement Date.

The redemption shall be made by the Issuer on the relevant Redemption Date. If the redemption/maturity date of the Bonds falls on a non-business day, the redemption proceeds shall be paid on the previous working day. In such case, along with the redemption proceeds, the coupon accrued on such Bonds shall also be paid on the previous working day.

The Debenture Trustee shall keep the Rating Agencies informed of any shortfall in the Interest Payment Account (including in the Required DSRA Amount), Sinking Fund Account.

Bhavnagar - 364001

Dear Mr. Ritesh Maheta,

**Re: CRISIL Rating on the Rs.25 Crore Bond<sup>&</sup> of Municipal Corporation of Bhavnagar (BMC)**

We refer to your request for a rating for the captioned Debt instrument.

CRISIL Ratings has, after due consideration, assigned a Provisional CRISIL AA-/Stable (pronounced as Provisional CRISIL double A minus rating with Stable outlook) rating to the captioned Debt instrument. Securities with this rating are considered to have high degree of safety regarding timely servicing of financial obligations. Such securities carry very low credit risk.

Kindly note that the provisional rating will be converted to final rating after CRISIL Ratings receives following transaction documents duly executed and/or confirmations on completion of the following pending steps, within 90 days from the date of issuance of the instrument and to the satisfaction of CRISIL Ratings.

- Debenture trust deed
- Debenture trustee appointment agreement
- Escrow agreements
- Final representation and warranties letter
- Final debenture trustee consent letter
- Final debenture trustee awareness letter
- Final term sheet

The final rating assigned after end of 90 days (or following an extension of upto 90 days, if any, granted by the rating committee of CRISIL Ratings after considering case specific considerations) shall be consistent with the available documents or completed steps, as applicable. CRISIL Ratings will issue a final rating letter on receipt of documents as mentioned above.

Please note that, in arriving at the ratings, CRISIL Ratings has assumed that the representations made by BMC are true and that the structure, shall work and operate as represented by BMC. CRISIL Ratings does not guarantee the accuracy, adequacy, or completeness of the representations made by you to CRISIL Ratings and/or the representations made in the transaction documents. CRISIL Ratings is not responsible for any acts of commission or omission of the BMC and/or the Trustee.

As per our Rating Agreement, CRISIL Ratings would disseminate the ratings, along with the outlook, through its publications and other media, and keep the ratings, along with the outlook, under surveillance over the life of the instrument/facility. CRISIL Ratings reserves the right to withdraw, or revise the ratings, along with the outlook, at any time, on the basis of new information, or unavailability of information, or other circumstances which CRISIL Ratings believes may have an impact on the ratings. #### Detailed Rationale

Crisil Ratings has reaffirmed its 'Provisional Crisil AA-/Stable' rating on the Rs 25 crore proposed bond programme of Municipal Corporation of Bhavnagar (BMC).

The rating continues to reflect the healthy business risk profile of the corporation, driven by a healthy economic base, high proportion of own tax revenue in the overall revenue profile, and the operating surplus scenario which is expected to continue in the near-to-medium term. The rating also reflects the moderate financial risk profile and comfortable liquidity, marked by nil debt as on March 31, 2025, and comfortable liquidity.

The rating derives comfort from the strength of the proposed, trustee-administered, escrow and payment mechanism and payment mechanism which incorporates upfront creation of liquidity (Rs 2.5 crore in the form of a fixed deposit (FD) for servicing the principal amount) and debt service reserve account (DSRA) amounting to 12 months of interest obligation as outlined in the draft term sheet. The rating also factors the strength of structured payment mechanism, and the presence of the sinking fund account (SFA) is expected to create liquidity for principal servicing well before the due date (six months before the due date).

These strengths are partially offset by the modest scale of operations, low-cost recovery for services provided, and an average (but improving) collection efficiency.

#### Analytical Approach

Crisil Ratings has applied its criteria on future flow securitisation.

#### Key Rating Drivers & Detailed Description

##### Strengths:

**Robust escrow mechanism:** The escrow and bond payment mechanism provides adequate strength to the bond issuance. Own revenue escrowed at collection, the trustee-managed escrow mechanism, and payment structure with recourse to the originator, should ensure timely payments to investors. Linkage of the inflows to the performance of BMC is low as the inflows are dependent on taxes collected by BMC. Creation of an upfront liquidity of 10% of the issue amount (Rs 2.5 crore) as a FD and creation of a DSRA equivalent to annual interest payment before pay-in and its maintenance throughout the tenure further enhances the strength of the structure.

The DSCR is also expected to be high through the tenure of the instrument. Additionally, the principal amount, coupon payment and other charges will be secured through an exclusive first ranking floating charge over present and future receivables pertaining to its own revenue. Non-adherence to the payment structure mechanism will be a key rating sensitivity factor.

**Moderate financial risk profile:** While the revenue receipt has increased to Rs 360 crore in fiscal 2024 (from Rs 280 crore in fiscal 2023), with the corporation posting operating surplus of Rs 48 crore (vs being operating deficit in past). BMC has the ability to generate adequate revenue from its own sources to fund its revenue expenditure. The corporation has a share of its own revenue contributing over 80% of revenue receipts. Apart from own revenue, BMC receives octroi compensation and other revenue grants. As of March 2025, BMC had no debt on its book. Liquidity was adequate at Rs 62 crore as on March 31, 2025, of unencumbered balance in the form of cash and bank balance and investment in FDs.

**Adequate economic base:** Bhavnagar stands second in the diamond cutting and polishing industry after Surat. BMC has sound civic infrastructure and delivery systems, with good solid waste management practices, strong coverage of service deliveries and adequate treatment capacities. The population coverage for water supply is ~almost 100% and that for

sewerage systems is around 92%. Solid waste management services are sound, as reflected in 100% door-to-door collection and waste disposal.

#### **Weaknesses:**

**Modest scale of operations and collection efficiency:** Owing to the low industrial base, the revenue base is relatively lower when compared to other corporations in the state. Revenue income was Rs 360 crore in fiscal 2024 and is expected to grow moderately over the medium term. Current collection efficiency of property taxes, which is a major source of revenue, was ~79% in fiscal 2025 (against overall collection efficiency of 44%). Initiatives by BMC to expand citizen outreach through various mediums (including social media) and discount schemes are expected to further improve collection efficiency over the medium term. Furthermore, cost recovery for maintenance of water supply is 55%. The implementation of new projects is expected to drive improvement in service-level arrangements and result in increased collection of taxes and charges.

**High dependence on the state government for capital expenditure:** The corporation is expected to undertake capital expenditure (capex) of Rs 400-500 crore annually under various schemes such as Atal Mission for Rejuvenation and Urban Transformation and Pradhan Mantri Awas Yojana; the capex is expected to be funded largely through grants, in line with the past. However, with relatively low operating surplus, ability of the corporation to execute capital projects remains limited and depends largely on receipt of grants. Furthermore, after abolishment of octroi in fiscal 2008, the state government has been compensating the corporation for loss of revenue. The compensation in lieu of Octroi contributed to around 12% of the total revenue receipts in fiscal 2024.

#### **Liquidity: Strong**

Total unencumbered cash and bank balance available with the corporation was Rs 62 crore as on March 31, 2025. BMC is likely to maintain healthy liquidity, which will be sufficient to fund a portion of the capex. It has a limited revenue surplus against nil debt obligation (apart from obligations pertaining to the bond issuance).

#### **Outlook: Stable**

BMC will continue to benefit from the strong escrow mechanism and its moderate financial risk profile and adequate economic base.

#### **Rating sensitivity factors**

##### **Upward factors**

- Growth in size of the corporation, with sustained revenue surplus of over 15% of revenue receipts
- Improvement in collection efficiency and cost recovery of services

##### **Downward factors**

- Steady reduction in own revenue due to dip in property tax collection efficiency, leading to revenue deficit of over 5% of revenue receipts
- Irregularity or decline in receipt of grants from the state government
- Any adverse change in the payment structure mechanism or non-adherence to the same

#### **Additional disclosures for the provisional rating**

The 'provisional' rating will be converted into a 'final' rating, on receipt of the following documents duly executed:

- Debenture trust deed
- Debenture trustee appointment agreement
- Escrow agreements
- Final representation and warranties letter
- Final debenture trustee consent letter
- Final debenture trustee awareness letter
- Final term sheet

Additional documents, if any, executed for the transaction will also have to be provided. A rating rationale/report indicating conversion of the 'provisional' rating into a 'final' rating will be published on the Crisil Ratings website on receipt of the required documents.

The provisional rating shall be converted into a final rating after receipt of transaction documents duly executed within 90 days from the date of issuance of the instrument.

The final rating assigned, following the conversion, shall be consistent with available documents. In case of non-receipt of the duly executed transaction documents within the above-mentioned timelines, the rating committee of Crisil Ratings may grant an extension of up to another 90 days, in line with its policy on provisional ratings.

#### **Rating that would have been assigned in the absence of the pending documentation**

In the absence of the pending documentation considered while assigning the provisional rating, Crisil Ratings would have assigned its 'Crisil A-' rating.

#### **Risks associated with the provisional rating:**

The 'Provisional' prefix indicates that the rating is contingent on occurrence of certain steps or execution of certain documents by the issuer, as applicable. If the documents received and/or completion of steps deviate significantly from the expectations, Crisil Ratings may take an appropriate action, including placing the rating on watch or changing the rating/outlook, depending on the status of progress on a case to case basis. In the absence of the pending steps / documentation, the rating on the instrument would not have been assigned ab initio.

**About the corporation**

BMC is the local civic body entrusted with administration and development of Bhavnagar in Gujarat. It is governed by the Gujarat Provincial Municipal Corporations Act, 1949, as amended by the Government of Gujarat. Set up in 2010, BMC oversees 108 sq km and population of 6,43,365, as per the report released by Census India 2011.

The corporation provides basic civic services such as water supply, sewerage management and solid waste management. It has an elected body, with the municipal commissioner as the administrative head.

**Any other information:****Annexure****Broad contours of the escrow structure pertaining to the proposed Rs 25 crore bond:**

- All funds, as own revenue/cash flow (own revenue/cash flow here), shall mean the revenue/cash flow being directly levied and collected/recovered by the issuer and not the revenue/cash flow received from the government, in the form of grants, contributions and subsidies, assigned revenue and compensations or others. Revenue/cash flow being directly levied and collected/recovered by the issuer include tax revenue, rental income from municipal properties, fees and user charges, sale and hire charges). Collection accounts(s) shall be transferred to a separate no-lien escrow account for debt servicing. This transfer is done on a daily basis.
- Eligible bond holders and lenders shall have first and pari passu charge over escrow account collections.
- Funds lying in the escrow account shall be used to meet the minimum balance required in the account. Surplus funds, after meeting the minimum balance, can be transferred to BMC on a daily basis. The funds should be first utilised to accumulate the minimum balance in the escrow account. The surplus funds, after meeting the minimum balance, can be transferred to general fund account.
- Monthly contribution to be transferred from the escrow account to IPA (interest payment account) shall be calculated separately for each bond/non-convertible debenture/loan facility, as per terms of the said issuance/facility.
- BMC shall open the following accounts for servicing the interest and principal of the proposed bonds, for the exclusive benefit of bond holders:
  - Escrow account
  - IPA – Series I (“IPA - I”)
  - SFA – Series I (“SFA - I”)
- The IPA – I shall be funded one day before the pay-in date with an amount equal to annual interest payments for bonds referred to as DSRA amount.
- At the end of every month, the funds lying/deposited in the escrow account shall be used in the following priority:
  - Firstly, to transfer funds to respective accounts created for servicing of each loan/bonds
  - Secondly, an amount equal to interest payment for one month to be transferred to the IPA along with any further interest payable (by whatsoever name called) as per the terms of the issuance and any shortfall in earlier contribution shall be transferred to the IPA
- At the end of each month, an amount equal to one month equivalent of the redemption amount to be transferred to SFA, and any shortfall in earlier contribution shall be transferred to the SFA.
- Any shortfall in the above account(s) shall be made good by BMC by transfer from other account(s) of BMC.
- The amount deposited in IPA and SFA shall be used solely for meeting the dues to the bondholders.
- No amount can be withdrawn from these accounts without the approval of the trustees to the bond holders.
- BMC shall, one day prior to the pay-in date, create an upfront FD, in terms of the transaction documents, for an amount equivalent to 10% of the total bond issue size (upfront FD). The upfront FD shall be utilised in accordance with the principal repayment (sinking fund) mechanism, as defined in the structured payment mechanism below, and at the end of 54 months from the deemed date of allotment, the said FD amount shall be transferred to the SFA.
- The principal amount of debentures to be issued with all coupon due, as well as cost, charges, fees, remuneration of the debenture trustee and expenses payable in respect thereof, have been secured by way of exclusive first-ranking floating charge over present and future receivables pertaining to its own revenue/cash flow.

| Day  |                                                                                                                                                                                                                                                                                                                                                                                                                       |
|      | The debenture trustee shall check the balance in the SFA, prior to the end of each 12-month block - and in case of any SFA mismatch, it shall be replenished, as per the following mechanism:-                                                                                                                                                                                                                        |
| T-45 | The trustees shall check the amount lying to the credit of SFA. In case of any shortfall in amount, the trustees shall intimate BMC of the same. Further, in case of a shortfall on T-45 days, the amounts lying or credited in the escrow account shall flow into the SFA for funding the shortfall and shall not be transferred by the issuer to the general fund account(s) till the time the shortfall is funded. |
| T-15 | BMC shall make good the shortfall in the SFA                                                                                                                                                                                                                                                                                                                                                                          |
| T-14 | The debenture trustee shall trigger the payment mechanism and shall instruct the bank to utilise the sinking fund FD to the extent of the shortfall in the SFA on or prior to the date falling 13 days prior to the end of each 12-month block (T-13 days).                                                                                                                                                           |
| T-12 | After the debenture trustee has instructed the bank to utilise the sinking fund FD, as above and in any event 12 days prior to the end of each 12-month block (T-12), the debenture trustee would issue a final notice in writing to the issuer. On the issuance of such notice, the issuer shall replenish the sinking fund FD within next 12 days (T).                                                              |

**About Crisil Ratings Limited (A subsidiary of Crisil Limited, an S&P Global Company)**

Crisil Ratings pioneered the concept of credit rating in India in 1987. With a tradition of independence, analytical rigour and innovation, we set the standards in the credit rating business. We rate the entire range of debt instruments, such as bank loans, certificates of deposit, commercial paper, non-convertible/convertible/partially convertible bonds and debentures, perpetual bonds, bank hybrid capital instruments, asset-backed and mortgage-backed securities, partial guarantees and other structured debt instruments. We have rated over 33,000 large and mid-scale corporates and financial institutions. We have also instituted several innovations in India in the rating business, including ratings for municipal bonds, partially guaranteed instruments and infrastructure investment trusts (InvITs).

Crisil Ratings Limited ('Crisil Ratings') is a wholly-owned subsidiary of Crisil Limited ('Crisil'). Crisil Ratings Limited is registered in India as a credit rating agency with the Securities and Exchange Board of India ("SEBI").

## India Ratings Assigns Municipal Corporation of Bhavnagar’s Proposed Municipal Bonds ‘Provisional ‘IND AA-’; Outlook Stable

Jan 16, 2025 | Urban Local Bodies

India Ratings and Research (Ind-Ra) has rated Municipal Corporation of Bhavnagar’s (BMC) proposed municipal bonds as follows:

### Details of Instruments

| Instrument Description            | Date of Issuance | Coupon Rate | Maturity Date | Size of Issue (million) | Rating Assigned along with Outlook/Watch | Rating Action |
|-----------------------------------|------------------|-------------|---------------|-------------------------|------------------------------------------|---------------|
| Proposed municipal bonds (NCDs)*# | -                | -           | -             | INR250                  | Provisional IND AA-/Stable               | Assigned      |

\*The rating is provisional and contingent upon execution of certain documents and/occurrence of certain steps. Please refer to the section, DISCLOSURES FOR PROVISIONAL RATING, for additional details as per the Securities and Exchange Board of India’s (SEBI) Master Circular dated 6 July 2023.  
#Frequency of interest payment is quarterly

### Analytical Approach

Ind-Ra has taken a standalone view of BMC for the rating assignment.

### Detailed Rationale of the Rating Action

The rating reflects the operational and financial profile of BMC, performance of the escrowed assets (the whole of own revenue) and the enforceable nature of these collections by the corporation. The rating also factors in legal foundation and custodial arrangement of the structured payment mechanism, which will be monitored and controlled by the debenture trustee (DT).

The structured payment mechanism is backed by an interest payment account (IPA) and a sinking fund account (SFA). The IPA will be pre-funded with one annual interest instalment, which is the required debt service reserve (DSR) amount, instead of creating a separate debt service reserve account to meet the requirements of the Securities and Exchange Board of India’s circular in relation to the ‘Continuous disclosures and compliances by the listed entities under the SEBI (Issue and Listing of Municipal Debt Securities) Regulations, 2015’ dated 13 November 2019. As per the draft term sheet, the NCDs would be issued at a fixed rate of interest, which mitigates the interest rate risk.

The rating also benefits from BMC’s healthy coverage of debt servicing obligations (interest payment plus proportionate principal deposited in the SFA or instalment of principal redemption) during the tenor of the proposed NCDs.

### List of Key Rating Drivers

#### Strengths

- Adequacy of escrowed revenue stream
- Structured debt servicing mechanism
- Trustee monitored payment mechanism
- Dependence on own revenue sources
- Moderate collection efficiency of property tax

**Weaknesses**

- Low operating margin
- Further improvement required in civic services delivery

**Detailed Description of Key Rating Drivers**

**Adequacy of Escrowed Revenue Stream:** Ind-Ra expects the escrowed tax receivables to provide an adequate cover for BMC’s debt obligations during the tenure of the NCDs. BMC depends on own sources of revenue income, primarily property taxes, water and conservancy taxes, professional taxes and non-tax revenue such as fees and user charges. Under the structure, receivables from entire own revenue would be escrowed for the servicing of debt repayment obligations. The escrowed collections will be first utilised for meeting the minimum balance required to be transferred to the IPA and SFA. The own revenue receipts (proposed to be escrowed) increased to INR3,030.45 million in FY24 (FY23: INR2,877.40 million).

**Structured Debt Servicing Mechanism:** Ind-Ra believes that structured payment mechanism will provide adequate protection to investor interest. BMC will create an upfront liquidity buffer of 10% of the issue amount as a fixed deposit (FD), which will be known as sinking fund FD. It will be utilised for the repayment of the principal as per structured payment mechanism.

Under the structure, an amount equivalent to the annual instalment of interest payment will be maintained in the IPA at all times as the DSR amount. BMC will also create an escrow mechanism; wherein the whole of own revenue shall be transferred to an escrow account (EA) on a daily basis. On a monthly basis, the minimum balance, an aggregate of monthly fund required to service debt, will be transferred to servicing accounts from the EA.

The funds in the EA shall be used in the following order of priority:

- a) to fund any shortfall in the required DSR amount (in case of utilisation of the DSR amount), IPA, SFA and upfront FD as per the interest payment and sinking fund mechanism;
- b) to accumulate the minimum balance in the EA. The minimum balance shall not be used for any purpose other than transfer to the IPA and SFA. The issuer with a prior written consent of the DT can transfer surplus funds after accumulating minimum balance to general funds, provided there is no shortfall in the IPA or SFA

The DT will verify the availability of the requisite funds for interest servicing T-25 days before the due date. In case of a shortfall, the trustee will intimate BMC to cover up the shortfall by T-10 days. In case of a shortfall in the IPA at T-9 days prior to the interest payment date, the trustee shall trigger the payment mechanism and instruct the escrow bank to utilise the DSR amount lying in the IPA to the extent of the shortfall in the amount required for making payment on the due date. The DT shall also check the balance in the SFA at the end of the year, and in case of any shortfall, BMC shall replenish the account to that extent. The trustee shall also check the amount lying to the credit of the SFA at T-45 days prior to the redemption date. In case of any shortfall in the amount, the trustees shall intimate BMC of the shortfall and BMC shall make good the shortfall by T-15 days prior to the redemption date. In case shortfall in any amount still persists in the SFA at T-14, the trustee shall trigger the payment mechanism and shall instruct the bank to utilise the sinking fund FD to the extent of the shortfall in the SFA on or prior to T-13 days. In case the sinking fund FD is utilised to fund the shortfall, BMC shall replenish the sinking fund FD before T.

Refer to the annexure for the structure’s detailed trustee monitoring mechanism.

**Trustee Monitored Payment Mechanism:** All accounts will be monitored by the DT. The amount deposited in the IPA and SFA shall be used solely for meeting the dues to the bondholders. Any surplus funds available in the EA can be transferred to the account of BMC with the approval of the trustee.

**Dependence on Own Revenue Sources:** Ind-Ra expects BMC’s reliance on its own revenue to sustain in the medium term. BMC has the ability to generate adequate revenue from its own sources to fund its revenue expenditure. Tax and non-tax revenue constituted 41.37% and 14.63%, on an average, of the total revenue income over FY22-FY24, respectively. The share of assigned revenue and grants in the total revenue income averaged around 25% during FY22-FY24, indicating a moderate dependence on grants and a higher dependence on own income sources to meet its revenue expenditure requirements.

**Moderate Collection Efficiency of Property Tax:** The property tax collection efficiency in terms of current demand stood at 68%-75% during FY20-FY24 (FY24:72.6%; FY23: 70.00%). The overall tax collection efficiency was hampered over FY20-FY24, due to low collection of accumulated arrears. The corporation expects to improve its house tax collection efficiency to over 80% in the medium term.

**Low Operating Margin:** BMC reported a low revenue surplus before depreciation over FY22-FY24 (FY24: INR594.61 million; FY23: INR480.63 million). The operating margin remained positive but averaged around 13.70% during the period. However, Ind-Ra expects the operating margin to improve over the medium term, supported by tax revenue, non-tax revenue and grants.

BMC currently is debt-free and thus has no debt servicing obligations. Ind-Ra expects BMC’s DSCR to remain comfortable over the medium-term factoring in the proposed issuance of INR250 million of NCDs. Ind-Ra will closely monitor the coverage adequacy during the entire tenure of the NCDs.

**Further Improvement Required in Civic Services Delivery:** BMC’s service delivery levels for water supply (99%), sewerage coverage (96.1%) and solid waste collection (100%) remained comfortable in FY24, against the benchmark levels of 100% for each of the services set by the ministry of housing and urban affairs. The per capita supply of water stood at 205 litres per capita per day in FY24, much above the benchmark of 135 litres per capita per day. However, BMC’s performance was less than adequate in areas such as continuity of water supply (FY24: 45 minutes against benchmark of 24 hours per day).

BMC has undertaken and completed several works in the areas of water supply, sanitation and sewerage under the Atal Mission for Rejuvenation and Urban Transformation Scheme, which Ind-Ra believes would improve civic services delivery in the medium term. BMC undertook these capital works from its own revenue sources combined with grants from both state and central government. The proposed municipal bonds would further help in improvement of the services delivery.

Liquidity

**Adequate:** Ind-Ra expects BMC to maintain a healthy liquidity profile in the medium term by generating operating surplus and accumulated cash buffers. BMC’s liquidity position is supported by sustained operating surpluses, capital grants to fund capex, sizeable cash and bank balances, and unencumbered investments in FDs. The debt servicing requirement on the NCDs would be backed by way of escrow of the whole of own revenue. As per the management, the corporation always maintains liquidity equivalent to two months of expenses as buffer. BMC’s cash and bank balances and investments stood at INR5,021.57 million as on 31 October 2024 (FYE24: INR4,982.59 million).

Rating Sensitivities

**Positive:** Events that may collectively lead to a positive rating action are:

- property tax current collection efficiency increasing to or exceeding 80%, on a sustained basis;

- a sustained improvement in the civic service deliverables such as hours of water supply and coverage of sewerage network in line with the corresponding benchmark levels.

**Negative:** Events that may, individually or collectively, lead to a negative rating action are:

- a breach of financial covenants and a deviation from the structured payment mechanism,
- an unanticipated increase in the debt levels resulting in the DSCR remaining below 2.0x for two consecutive years,
- a higher dependence on grants and/or deterioration in the revenue on a sustained basis,
- the property tax current collection efficiency falling below 55% on a sustained basis,
- a failure or breach to comply with the SEBI listing requirements with regard to timely disclosure on a sustained basis.

3) VALIDITY PERIOD

The final rating, upon the receipt of executed documents consistent with the draft documents, shall be assigned within 90 days from the date of issuance of the instrument. The provisional rating may be extended by another 90 days, subject to Ind-Ra’s policy, if the execution of the documents is pending.

Any Other Information

FINANCIAL COVENANTS

BMC shall, at all times till the debentures are outstanding, ensure that the total amounts collected in the EA in any financial year shall be at least 2 (Two) times of the annual payments amount. As per the draft term sheet, the term ‘annual payments’ shall, in respect of any financial year, mean the aggregate of: (a) the coupon payable in such year (in relation to the present bond issue and any further borrowings); and (b) the portion of principal amount of the debentures which are required to be deposited by the Issuer into the SFA in such financial year (in relation to the present bond issue and any further borrowings), in terms hereof.

So long as the eligibility conditions are met, BMC shall be entitled to raise further financial indebtedness based on its

cash flows including the cash flows through the EA, provided that it is clarified that nothing in this provision should be construed to permit the creation of any encumbrance over the hypothecated property without the express prior written consent of the debenture trustee.

As per draft term sheet, the term ‘eligibility conditions’ shall mean the following conditions: (a) the annual payments ratio is maintained by the issuer; (b) there is no shortfall in the contribution to the EA, the IPA (including towards maintenance of the required DSR amount), the SFA and/or the upfront FD which has not been made good by the issuer in terms of the transaction documents; (c) no event of default has occurred.

ESG Issues

**ESG Factors Minimally Relevant to Rating:** Unless otherwise disclosed in this section, the ESG issues are credit neutral or have only a minimal credit impact on BMC, due to either their nature or the way in which they are being managed by the entity. Sanctioning issuance of Taxable Municipal Bonds of Rs. 25 Crores.

**Government of Gujarat**

**Urban Development and Urban Housing Department,**

**Resolution No.: UDUHD/SPP/e-file/18/2025/0890/P Section**

**Read:-**

- Municipal Commissioner, Bhavnagar Municipal Corporation's letter dated 27/01/2025.
- Deputy Municipal Commissioner, Accounts Department, Bhavnagar Municipal Corporation's letter dated 14/02/2025.

**Preamble:**

The Bhavnagar Municipal Corporation has requested the State Government vide its letters read above (i) and (ii) to sanction issuing Taxable Municipal Bonds amounting to Rs. 25 Crores for developing new facilities as well as enhancement of existing facilities at various places of the City to meet the present and future capacities under AMRUT 1.0 and AMRUT 2.0 schemes. The matter of granting permission for issuing the taxable bonds was under consideration of the State Government.

**Resolution:**

After careful consideration, the State Government is pleased to accord in principle sanction to the proposal of Bhavnagar Municipal Corporation for issuing Taxable Municipal Bonds amounting to Rs. 25 Crores (Twenty-Five Crores Only) under section 109 of The Gujarat Provincial Municipal Corporation Act, 1949, with the following conditions: -

1. The amount raised by issuance of the taxable bonds shall be used only for the infrastructure development facilities mentioned in the proposal.
2. The Bhavnagar Municipal Corporation has to follow the standing instructions issued by the State Government regarding Merchant Bankers, duration of Bond, Rate of interest etc. upon approval of the proposal by the State Government and the Government of India.
3. The Bhavnagar Municipal Corporation shall be responsible for timely repayment of principal amount and payment of the interest to the investors. For which Bhavnagar Municipal Corporation shall follow the accounting process and all the norms as prescribed by the SEBI.
4. The Taxable Bonds are not guaranteed by the State Government and the Bonds will not be a part of the outstanding liabilities of the State Government.
5. The Bhavnagar Corporation shall be liable for proper maintenance of Escrow Account and to report the same to the State Government on monthly basis.
6. The Bhavnagar Municipal Corporation shall adhere to the relevant clauses of Chapter X (10) 'Borrowing Powers' of the Gujarat Provincial Municipal Corporations Act, 1949 regarding their proposal.

This resolution is issued with the concurrence of the Finance Department on this Department's file of even number dated 05/05/2025 and the State Government.

By order and in the name of the Governor of Gujarat.

We confirm that we are duly registered with the Securities and Exchange Board of India (SEBI), and that our registration remains valid and in force as of the date of this letter. A copy of our SEBI registration certificate is enclosed herewith as **Annexure A**, and a declaration confirming our SEBI registration, in the prescribed format, is annexed as **Annexure D**.

2. We further confirm that neither have we been prohibited by SEBI or any other regulatory authority to act as an intermediary including, without limitation, in capital market transactions, nor debarred or restrained from functioning by any regulatory authority, court, or tribunal.
3. We hereby authorise you and your representatives to submit a copy of this letter of consent and make disclosures in relation thereto to the Stock Exchange, SEBI or any other statutory/regulatory authority/court or tribunal, as may be required under applicable laws. We also authorize to share this letter, as necessary, with the intermediaries duly appointed in this regard for their reliance, in respect of the Issue.
4. We hereby confirm that there are no disciplinary actions or any enforcement action/ adjudication taken by SEBI or any regulatory authority against us *except as disclosed in Annexure C*, during last five years. We further confirm that no enquiry/investigation is presently being conducted by SEBI on us.
5. We also agree to keep information strictly confidential, until such time as the proposed transaction is completed.
6. We also confirm that we are not an associate of the Issuer in terms of the Securities and Exchange Board of India (Merchant Bankers) Regulations, 1992, as amended.
7. We confirm that we do not have any conflict of interest with the Issuer.
8. We confirm that the information in relation to us in this letter together with the annexures is true, correct and complete in all respects and may be disclosed in the issue related documents/materials/communication.
9. We undertake that we shall immediately intimate the Issuer and the other merchant bankers to the Issue of any changes in the aforementioned details until the listing and trading of the Bonds on the Stock Exchange. In absence of any such communication from us, the above information should be taken as updated information until the listing and trading of Bonds on the Stock Exchange.
10. This letter may be relied upon by the Issuer, the other merchant bankers and the legal advisor to the Issue.

## **INDEPENDENT AUDITORS REPORT**

To,

The Municipal Commissioner,

Bhavnagar Municipal Corporation,

Bhavnagar

### **Opinion**

We have audited the financial statements on Accrual Based Double entry accounting system prepared by The Bhavnagar Municipal Corporation (The Corporation), which comprise of Income and Expenditure statement for the period from 1<sup>st</sup> April, 2024 and ending on 31<sup>st</sup> March, 2025, also Balance Sheet as at 31<sup>st</sup> March, 2025 and all the relevant Schedules forming part thereof including notes forming part of the accounts, Cash Flow Statements for the period ending on 31<sup>st</sup> March, 2025, and any accounting policies followed by the corporation while preparing such financial statements. The same has been prepared by the concerned Department of the corporation and the same also has been approved by the competent authority of the Bhavnagar Municipal Corporation. Moreover, the corporation was supposed to follow the requirements specified under the provisions of National Municipal Accounting Manual (NMAM), while preparing any sort of financial statements which is currently a mixture of accrual-based accounting system for majority items of the Financial Statement, and also Cash basis of accounting system for few of the items of the Financial Statement, which is in conformity with the provisions of NMAM.

We have examined such financial Statement taking into consideration:

- 1) The terms of reference and terms of our engagement agreed upon with you in accordance with our engagement letter with the Bhavnagar Municipal Corporation.
- 2) The Guidance Note also requires that we comply with the requirements.
- 3) Concepts of test check and materiality to obtain reasonable assurance based on verification of evidence supporting the Financial Statement.

As the corporation is following mixture of Cash basis as well as Accrual based double entry accounting system as mentioned in the National Municipal Accounting Manual, based on our examination and according to the information and explanation given to us, we report that the Financial Statement;

- 1) Have opening balances from the years which have been restated from cash-based system to accrual based double entry accounting system. So, any effect lying in the opening balances have been carried forward in the current year account as well; and
- 2) Though the accounts are prepared based on accrual based double entry accounting system, the impact of accrual-based entries can't be seen in the few of those items, where Cash Basis of Accounting in the financial statement has been followed, and the same cannot be quantified precisely as the management is at discretion to decide the matter relating the accrual accounting in items of financials as mentioned in NMAM.

In our opinion and to the best of information and explanation provided to us, the Financial Statements of the Bhavnagar Municipal Corporation, read with significant accounting policies and notes to accounts are prepared after providing appropriate adjustments as considered appropriate in the given circumstances.

We have no responsibility to update our report for events and circumstance occurring after the date of the report.

In our opinion, the Financial Statement along with Note of this report read with the significant Accounting Policies and Notes to Accounts are prepared after adjustment as considered appropriate and have been prepared in accordance with NMAM.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements, ***subject to observations and notes to accounts and annexures forming part of the report***, are in conformity with the accounting principles generally accepted in India,

- 1) In the case of Balance Sheet of the state of affairs of the corporation as at 31<sup>st</sup> March, 2025,
- 2) In case of the statement of Income and Expenditure of the surplus for the year ended on the same date.
- 3) In case of the Cash Flow statement for the year ended on the same date.

**Basis for Qualified Opinion:**

- 1) Difference in opening balances:

Since 1982, the cash basis of accounting has been followed by the corporation, and opening balance was not carried forward till then. The amount of accumulated difference in opening balances for preparation of financial statement is adjusted in Municipal General Fund of the corporation. These differences are due to various reasons for which we have received a very limited explanation, hence impractical to quantify the same from the earlier used method of accounting that is Cash basis of accounting till FY 2022-23. The current financial statements are drawn up using mixture of cash basis as well as accrual basis of accounting wherever possible to apply appropriate accounting method, decision of which was the absolute responsibility of the management of the corporation keeping in mind the provisions of NMAM.

- 2) Adjustments to opening balances:

During the course of our audit, we noted that adjustments were made to the opening balances to give effect of necessary changes in the accounting estimates and policies in accordance with applicable financial reporting standards as management thinks fit and just. The amount involved is material looking at the size of the financial statements. These estimates and policies are subject matter of decisions taken by management and we as auditor are not in a position to quantify or justify the same due to Impracticability on our part to verify each of those items.

## 3) Disclosures:

The financial statements do not adequately disclose the nature, reasons, and financial effects of certain adjustments made to the opening balances as well as other adjustment entries recorded during the period.

- 4) Corporation generally prepares its financial statements using the accrual basis of accounting, in accordance with the applicable financial reporting framework. However, for certain transactions the Corporation has applied a cash basis of accounting. Such treatment may not fully align with the principles of accrual accounting, which require the recognition of income and expenses when they are earned or incurred, regardless of when cash transactions occur, but seems in fair conformity with what is laid in NMAM.
- 5) During the course of the audit, we observed discrepancies between the income/expense figures and receivable/payable balances recorded in the accounting software and those reflected in the corresponding bills and supporting documentation. As informed to us, there's a difference in amount of income as per software and as per actual bills, on inquiring upon management about this, we understood that any difference arising on account of same has been adjusted to opening balance. These differences arise due to constant changes in the demand data due to resurvey process by the concerned department of the corporation, and due to this there will be constant variation with respect to amount mentioned in data entry, Amount of recognition, and reconciliation processes.

## 6) Fixed Assets

Opening balances of Fixed Assets have been taken from whatever details have been provided by the Corporation, and capital expenses for fixed assets are recognized as per Actual Expense data available with Bhavnagar Municipal Corporation, approved by the Competent Authority as per the actual expenditure of the grants in this behalf. These expenses have been shown after netting them off with the balance of Capital Contribution of that asset. The corporation has only limited departments who have maintained the fixed asset related data and out of them, few have verified the actual existence of those fixed assets. So, the conclusive data relating to fixed assets cannot be said to have been incorporated due to very limitation on the part of the Corporation.

- As per explanation provided to us, one of the lands was not recorded in previous years, and the same was sold in current year for Rs. 44,12,45,000.00. Therefore, to record this transaction the land is recorded in current year and transferred to revaluation reserve.

7) Depreciation:

Depreciation has been charged on the assets keeping in mind the generally accepted principal. They have been adopted keeping in mind the usefulness of the assets and tenure of its useful life based on their own assumption and some reference from the similar type of Local Authorities of the State of Gujarat. The policy and assumptions have been taken by the management and competent authorities and the same may not be in conformity with the treatment specified under any accounting standard, but seems fair and just in the given circumstances.

8) Statutory Obligations:

The Corporation is discharging its statutory obligations such as TDS and GST-TDS on a cash Basis, i.e. payments are made when amounts are actually available in fund balances received from appropriate authorities. However, the related expenses and liabilities are accounted for on accrual basis in the books of accounts.

9) Closing Stock:

No physical verification of inventory was conducted during the year, and the Corporation has not provided us with sufficient appropriate audit evidence regarding the existence and condition of these inventories. Furthermore, the basis of valuation of inventories has not been disclosed, and we were unable to obtain sufficient appropriate audit evidence to determine whether inventories are stated at the lower of cost and net realizable value.

10) Regrouping of Previous Year Financial Items:

The previous year financial data has been regrouped wherever required to make the presentation more suitable and comparable for the better understanding keeping in mind the requirements of provisions of NMAM.

11) Sundry Debtors:

The Corporation's concerned departments are having separate software from which the record of receivables at the end of the year can be made available; hence the data has been calculated keeping in the mind the actual data of demands with respect to the taxes at the beginning of the financial year reduced by the actual income received in respect of all those taxes during the concerned financial year. The opening data has been taken at the close of the year so as to incorporate any changes in demand data due to any resurvey conducted during the year.

12) Unreconciled entries with bank:

There are few receipts in the bank statement amounting to Rs. 9,21,31,268.00, which are accounted for but could not be identified by the corporation. So, the same has been transferred to ledger named UNRECONCILED ENTRIES WITH BANK.

13) PF Loans to Employees:

The corporation has maintained records of PF Loan given to the employees as well the interest received on account of the same, but it should have been shown separately classified in the books of accounts as it should have been as per the generally accepted accounting practices.

14) Municipal Fund:

All the adjustments with respect to any changes in amount has been given effect in the account called Municipal fund which is General Fund in nature.

**15) General Observation:**

The financials have been on accrual basis only on few of the items of the financials. Hence if any other items were required to be considered for accrual-based accounting, then the same has not been given any effect in the preparation of the same. But the management is of the opinion of the same that the required accounting treatment has been sufficient to put the case under a validly prepared financial statements under accrual-based accounting system, hence auditors' opinion is only limited to the aspects covered by the management, and for any other point which were required to be covered, but not covered by the corporation, the auditor is not bound to examine or comment upon on the same. Hence our opinion on such financials is limited to the extent it had been stated by the corporation and submitted to us for our opinion building purpose.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, the management is responsible for assessing the entity's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the entity or to cease operation or has no realistic alternative but to do so.

Management is also responsible for overseeing the entity's financial reporting process.

### Responsibilities of the Auditor

Our responsibility is to express an opinion on the financial statements based on our audit procedures. We have conducted our audit in accordance with the standard on auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidences about the amounts and disclosures in the financial statements. The procedure selected depend on the auditor's judgement, including the assessment of the risk of material misstatements of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor consider the internal control relevant to Corporation's preparation and fair presentation of financial statements to design audit procedure that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

## SIGNIFICANT ACCOUNTING POLICIES:

Significant Accounting Policies refers to the basis of accounting that is used to determine how transactions are reported in the Financial Statements.

### 1. BASIS OF ACCOUNTING

The Financial Statements of Bhavnagar Municipal Corporation (BMC) have been prepared in accordance with the **National Municipal Accounting Manual (NMAM)**, as introduced by the Ministry of Urban Development, the **Gujarat Municipal Accounting Rules** and the **Gujarat Provincial Municipal Corporations Act, 1949 (GPMC Act)**. Additionally, the Corporation adheres to the **applicable Accounting Standards** issued by the Institute of Chartered Accountants of India (ICAI) and the guidelines prescribed by the **Comptroller and Auditor General of India (CAG)**.

The preparation and presentation of Financial Statements are based on three fundamental accounting assumptions: **Going concern**, **Consistency**, and **Accrual**. These principles form the conceptual foundation for municipal accounting and ensure transparency, comparability, and reliability of financial information. BMC employs the **double-entry system of accounting**, which ensures that every financial transaction has equal and corresponding effect in at least two different accounts, thereby maintaining the accounting equation. The accounts are maintained on an **accrual basis**, wherein revenues and expenditures are recognized in the period to which they relate, rather than when cash is received or paid. This approach allows for a more accurate representation of the Corporation's financial performance and position during the reporting period. The major difference between accrual accounting and cash accounting is the timing of recognition of Revenues, Expenditures, Gains and Losses. In practical terms, this means that revenues and expenses are recorded with reference to the **period in which they are incurred**, which is often determined by the date of invoice, delivery of goods, rendering of services, passage of time, or fulfillment of contractual obligations.

The accrual basis is the superior method of accounting for the economic resource of any organization. It results in accounting measurement based on the substance of transactions and events, thus enhancing their relevance, neutrality, timeliness, completeness and comparability.

Benefits of Accrual Accounting:

#### I. Accrual basis promotes:

- **Accurate financial performance tracking:** Reflects true earnings by recording income and expenses when they occur, not when cash changes hands.
- **Improved decision-making:** Provides management with timely and relevant financial data for strategic planning.
- **Better expense and revenue matching:** Helps align revenues with the expenses that generated them, improving profit analysis.
- **Supports scalability:** As corporations grow, accrual accounting ensures consistent and comprehensive financial reporting.

- **Enables reliable financial forecasting:** More accurate period-based data aids in projecting future cash flows and performance.
- **Helps plan for future funding and liabilities:** By recognizing obligations and receivables early, corporation can better plan for future funding needs and repayment of debts.

Thus, accrual accounting system ensures that the Financial Statements of BMC present a true and fair view of its financial operations at the close of the financial year.

Accrual basis of accounting is mainly based on two principles:

- ✦ **Revenue Recognition Principle:** Revenue shall be recognized in the period in which it is earned and deemed realizable, irrespective of the timing of cash receipt.
- ✦ **Matching Principle:** The Matching Principle is a key element of accrual accounting, requiring that expenses be recognized in the same accounting period as the revenues they are associated with.

Moreover, BMC prepares its accounts following the **historical cost convention**, wherein assets are recorded at their original purchase price, which includes costs incurred to bring them into use. This is done to maintain objectivity and consistency in valuation. Overall, the accounting practices followed by Bhavnagar Municipal Corporation are designed to facilitate sound financial management, ensure legal compliance, support decision-making processes, and enhance accountability and transparency in municipal governance.

## 2. USE OF ESTIMATES

The preparation of Financial Statements in accordance with Generally Accepted Accounting Principles requires the **use of certain accounting estimates, judgments, and assumptions**. These estimates and assumptions have a direct impact on the reported amounts of assets and liabilities, the recognition of income and expenditure and the disclosure of contingent assets and liabilities as of the reporting date.

In the municipal context, management is required to make informed assumptions regarding several complex and subjective areas, including but not limited to: the useful life and residual value of fixed assets, actuarial valuations of employee benefits, provisions for doubtful debts, recognition of income from grants, and the timing and measurement of contingent liabilities arising from legal or contractual obligations. These estimates are based on historical experience, current conditions, available information, and reasonable expectations of future events. However, due to the inherent uncertainty in these assumptions, actual results may differ from those estimates. Any variations between actual outcomes and prior estimates are recognized in the financial statements in the period in which the results become known or are materialized. For example, if a provision has been made for an anticipated liability based on the best available data, but the actual outcome is more or less than estimated, the difference is adjusted in the year in which the actual information becomes available. This approach ensures that the financial statements reflect realistic and updated financial information, contributing to fair presentation and informed decision-making.

In summary, while estimates are an integral part of financial reporting, the Bhavnagar Municipal Corporation exercises prudence, transparency, and consistency in their application, and continuously reviews them to ensure they remain relevant and reliable under evolving circumstances.

### 3. REVENUE RECOGNITION

#### • Property tax:

The Bhavnagar Municipal Corporation (BMC) adopted the **carpet area-based assessment system** for property taxation beginning in the financial year 2013–14, in accordance with the provisions as laid out in **Section 141B** of the Gujarat Provincial Municipal Corporations (GPMC) Act. This reform marked a significant shift from the earlier system to a more transparent, equitable, and scientifically grounded method of calculating property tax. Under this system, the tax liability for a property is primarily determined based on its carpet area—that is, the actual usable floor space within the premises. The move to a carpet area-based system was aimed at simplifying the assessment process and ensuring uniformity in valuation across the city.

The calculation of property tax under this framework considers four key parameters, which help reflect the fair taxable value of a property:

1. **Location Factor:** The city is categorized into different zones or areas based on their geographic location, infrastructure availability, and real estate value. Properties located in premium zones or commercial hubs attract a higher rate of tax compared to those in less developed areas.
2. **Age of Building:** The age of the structure plays a role in determining depreciation. Older buildings are granted a deduction in tax assessment, acknowledging reduced market value and diminished utility over time.
3. **Usage Type:** The nature of use—whether the property is used for residential, commercial, industrial, or institutional purposes—significantly influences the tax amount. Commercial and industrial properties are generally taxed at a higher rate compared to residential properties due to their greater demand on municipal services and higher income-generating potential.
4. **Occupancy Status:** The occupancy pattern—whether the property is self-occupied by the owner or rented/leased out to tenants—also affects the tax computation. Properties occupied by tenants attract a higher tax rate, considering the commercial benefit derived by the owner.

By implementing this structured and rationalized property tax model, BMC has enhanced both revenue generation and citizen transparency. It encourages property owners to declare accurate information and aligns municipal resources more efficiently with urban growth and planning needs. The Corporation continuously reviews and updates property records through surveys and GIS mapping to ensure the system remains fair and accurate.

In cases involving new property assessments or changes to existing assessments (e.g., due to construction, modifications or change in usage), the corresponding property tax revenue is recognized in the month in which the demand notice is served. Any interest or penalty levied as part of the demand is recognized as revenue only upon actual receipt. This conservative approach ensures that such income is accounted for only when there is certainty of realization.

Revenue from various municipal fees—such as **notice fees, warrant fees and other service-related charges**—is recognized when the bills for the same are raised; as per NMAM. This reflects the point at which the Corporation establishes its right to receive the income. Revenue arising from **property transfer charges** (levied during change of ownership or title in property records) is recognized **on actual receipt basis** as per NMAM, ensuring that income is recorded only when the transfer is formally completed and payment is received.

Certain levies, such as the Education Cess, are collected by BMC on behalf of the State Government. The corresponding liability to remit these dues is recognized at the time of collection, in accordance with statutory requirements. These amounts are treated as payable until transferred to the appropriate state authority. Refunds, remissions of taxes for the current year is adjusted against the income and if pertains to previous years then it is treated as prior period item.

• Rental revenues:

Revenue arising from the rent of municipal properties—including shops and plots owned by Bhavnagar Municipal Corporation—is accrued in accordance with the terms and conditions stipulated in the lease or rental Agreement wherever fixed rentals are charged and information is available. Revenue from advertisement rights, including hoardings, banners, and digital signage, is recognized either based on the terms of the contractual agreement or when a formal demand is raised. Revenue from trade licenses is accrued in the financial year to which it pertains, in line with the governing provisions of the relevant State Acts and Municipal Rules. Where applicable, revenue is recognized upon raising demand notices for license renewals or new issuances, ensuring timely recognition aligned with regulatory obligations.

#### 4. EMPLOYEE RELATED LIABILITIES

Expenditure on salaries and allowances is recognized in the accounts of Bhavnagar Municipal Corporation in the period in which they become due for payment, regardless of when the actual disbursement is made as per NMAM.

Statutory deductions from employee salaries—such as Professional Tax, Income Tax, Provident Fund (PF), and other applicable deductions—are recognized as liabilities in the same accounting period in which the related salary expense is recorded as per NMAM.

In addition, employer contributions toward retirement benefits and other post-employment obligations (e.g., Provident Fund, Gratuity, and Pension) are recognized both as expenditure and corresponding liabilities in the period to which the benefit relates in accordance with applicable laws and accounting principles and as per NMAM.

#### 5. GRANTS

**Unconditional grants of a revenue nature**, such as general-purpose grants received from the State or Central Government, is recognized as income on an actual receipt basis as per NMAM.

**Grants received for specific revenue expenditures** (e.g., health programs, education schemes, sanitation drives) are recognized as income in the accounting period in which the related expenditure is charged to the Income and Expenditure Account. This ensures a proper matching of revenue with expenses, maintaining consistency and transparency in financial reporting.

**Grants received for capital purposes**, such as for infrastructure development, construction of public amenities, or acquisition of fixed assets, are initially recognized as liabilities. These remain classified as

such until the relevant capital asset is acquired or constructed. Upon completion or acquisition, the corresponding portion of the liability—equivalent to the asset's value—is reduced, and the amount is recognized as a capital receipt in the books of accounts.

#### 6. REVENUE EXPENDITURE

Revenue expenditures are recognized as expenses in the accounting period in which they are incurred, in accordance with the accrual basis of accounting. Expenditure is considered to be accrued upon admission of the relevant bill, indicating confirmation of liability. Admission of the relevant bill received at the Accounts Department is done after it is passed at BMC's internal Audit Department.

To ensure completeness of financial reporting, provisions are made at the end of the financial year for all bills received up to a defined cut-off date, which pertain to the current accounting period. This practice ensures that all known liabilities related to the financial year are duly captured in the accounts, even if payment occurs in the subsequent period.

#### 7. PUBLIC WORKS

The cost of fixed assets comprises all expenditures incurred to acquire, install, or construct the asset and bring it to its intended operational condition. This includes the purchase price, directly attributable costs such as freight, duties, installation charges, and incidental expenses related to acquisition or construction. In cases where borrowings are specifically obtained for the acquisition or construction of a qualifying fixed asset, the interest incurred on such borrowings during the construction or installation period is capitalized as part of the cost of the asset, in accordance with applicable accounting standards.

Any additions, improvements, or modifications to existing assets that significantly enhance their utility, functionality, or extend their useful life are also capitalized and added to the carrying amount of the asset. Routine repairs and maintenance expenditures, which do not increase the future economic benefits or life of the asset, are treated as revenue expenditures and are charged to the Income and Expenditure Account in the period in which they are incurred.

Expenditures incurred on new capital projects or infrastructure assets that are under development or construction are shown as Capital Work-in-Progress (CWIP) to the extent information is provided by the concerned department, until the asset is completed and ready for intended use, at which point the asset is capitalized.

In respect of Earnest Money Deposits (EMD) and Security Deposits received by Bhavnagar Municipal Corporation, any amount that is forfeited due to non-fulfillment of contractual terms is recognized as income in the period in which the right to claim a refund expires or is legally extinguished.

## 8. FIXED ASSETS

All fixed assets are recorded in the books of Bhavnagar Municipal Corporation (BMC) at their historical cost, which includes all expenses incurred to bring the asset to its usable condition, less accumulated depreciation.

Depreciation on fixed assets is charged using the Written Down Value (WDV) method, based on the rates prescribed by the State Government. The depreciation policy adheres to the following principles:

- If the asset is acquired and put to use on or before October 1st of the financial year, full-year depreciation is charged.
- If the asset is acquired and put to use after October 1st, half-year depreciation is charged for that financial year.

## 9. INVESTMENTS

Investments made by Bhavnagar Municipal Corporation are initially recognized at their cost of acquisition. The cost of investment includes not only the purchase price but also all directly attributable expenses and incidental costs incurred in connection with the acquisition, such as brokerage, fees, and taxes.

- **Long-term investments** (those intended to be held for more than one year) are carried at cost in the financial statements. A provision for diminution in value is made only if such a decline is considered to be other than temporary.
- **Short-term investments** (intended to be held for less than one year) are valued at the lower of cost or market value, in accordance with the principle of prudence.

Most of the investments made by Bhavnagar Municipal Corporation are primarily held in the form of Fixed Deposits (FDs) with scheduled commercial banks or other approved financial institutions, in accordance with applicable municipal and treasury guidelines. Interest income on investments is recognized in the books when it becomes due, i.e., when there is reasonable certainty of receipt based on the terms of the investment.

## 10. STORES

Expenditure incurred on the procurement of materials and equipment is recognized on an accrual basis i.e. on admission of bill by the Corporation. In cases where materials or goods are received and accepted before the financial year-end but the corresponding invoice has not been received by the cut-off date, the expenditure is accrued based on the terms of the purchase order. At the end of the financial year, inventory or stock-in-hand, including materials, consumables, and stores, is valued on a **First-In-First-Out (FIFO) basis**, in accordance with standard inventory valuation principles. This ensures that older stock is considered as consumed first, and the most recent purchases are reflected in the closing stock.

#### 11. PRIOR PERIOD ITEMS

Prior period items refer to income or expenses that arise in the current financial year as a result of errors or omissions in the preparation of financial statements in one or more prior periods. These items are not related to normal current-year operations but pertain to earlier accounting periods. In accordance with the principles of accrual accounting and materiality, Bhavnagar Municipal Corporation recognizes prior period items separately in the financial statements. They are disclosed distinctly in the Income and Expenditure Account to ensure that the current year's financial results reflect only current-period performance.

## NOTES TO ACCOUNTS

### Method of Accounting:

1. Since April 1, 2021, the Bhavnagar Municipal Corporation has undertaken the process of transitioning to accrual-based accounting in accordance with the guidelines contained in the National Municipal Accounts Manual.
2. Accounting Policy: "Accounting policies" refer to the specific principles, rules, and procedures that an organization follows in preparing and presenting its financial statements. These policies guide how financial transactions are recorded, measured, and reported, ensuring consistency, transparency, and comparability over time and with other entities.

Bhavnagar Municipal Corporation (BMC) has adopted and consistently applied accrual-based accounting policies in accordance with the National Municipal Accounts Manual (NMAM) for the recognition of expenditures. All expenditures relating to a particular financial year are accounted for in that same year, irrespective of the timing of actual cash outflows.

To ensure accuracy and transparency, the following process is adhered to:

- i. **Verification and Validation:** All expenditure-related invoices and claims are first verified by the concerned departments and subsequently reviewed by BMC's Internal Audit Department to ensure compliance with applicable rules, contract terms, and budget provisions.
- ii. **Inward and Acknowledgment:** Once verified, the invoices are formally received and recorded as 'inward' entries in the Accounts Department.
- iii. **Accounting and Recognition:** After acknowledgment, the expenditure is recorded in the books of accounts for the relevant financial year. This includes both paid and unpaid expenses, ensuring that all financial obligations incurred during the year are reflected in the financial statements.

This systematic approach ensures that BMC's financial reporting remains complete, timely, and in line with the principles of accrual accounting, thereby enhancing the reliability and usefulness of its financial information.

### 3. PROPERTY AND OTHER TAXES:

BMC has implemented a robust and fully computerized system for property tax collection, which is updated on a real-time basis. The standardization of the formula for calculating property tax has significantly reduced disputes regarding tax assessments.

The Corporation offers timely incentives to encourage prompt payments — a 10% rebate in April and a 5% rebate in May. An additional 2% rebate is provided for payments made through online channels, which has also seen encouraging participation. On an average, BMC achieves a property tax collection efficiency of 70-75% of the annual demand each year. To enhance collections, BMC conducts recovery drive throughout the year for arrears, which consistently receives a positive

response from citizens. The Corporation is continuously working to improve this rate, with a dual approach aimed at recovering arrears: offering incentives for voluntary compliance while also employing punitive measures where necessary. This strategic drive has yielded promising results in enhancing arrear recovery.

Additionally, the implementation of a one-time installment scheme for property tax payments is a proactive measure by the Corporation to improve tax recovery rates. Under this scheme, the assessee can make payment of their dues till registration day in five annual installments along with current year dues. This shall facilitate flexible payment options, improved recovery rates, increased compliance as well as public goodwill. This initiative shall help streamlining the financial health of the corporation in the long run. In 2023-24, approximately 3,000 property owners benefited from this scheme, showcasing its widespread success. Building on this achievement, the BMC has introduced OITS 2.0 for the year 2024-25 to deliver even greater value.

Schedule IE-1 of the Income and Expenditure Account captures revenues from property tax and other tax revenues. In the financial year 2023-24, property tax revenues amounted to ₹8,971.98 lakhs, which increased to ₹9,660.59 lakhs in 2024-25—indicating a growth of approximately 7.68%. This schedule also includes other tax revenues such as water, lighting, and sewerage charges, which stood at approximately ₹8,264.33 lakhs in 2023-24 and have increased to around ₹9,983.61 lakhs in 2024-25, reflecting an overall growth of about 20.80%.

As the Corporation follows the accrual system of accounting, receivables pertaining to property tax and other taxes have been duly accounted for, and the corresponding balances are reflected in Schedule BS-11 of the Balance Sheet.

With effect from 1st April 2013, the Corporation transitioned from the old taxation schemes for Property Tax and other related municipal taxes to a carpet-area-based taxation system, in line with the revised framework mandated under the National Municipal Accounting Manual (NMAM).

As per the provisions of the NMAM, tax receivables pertaining to periods exceeding five years prior to the current financial year should not be recognized in the accounts. Accordingly, in the financial year 2024-25, the opening balance of receivables amounting to ₹16,791.39 lakhs—pertaining to dues under the old taxation system—has been written off. This adjustment has been recorded under 'Prior Period Adjustments' in the Excess of Income over Expenditure account, as disclosed in Schedule BS-1 of the Balance Sheet. The write-off has been carried out in compliance with the prescribed five-year recognition window, beyond which such dues are no longer considered recoverable. Further, due to revisions in demand data during the year, there have been changes in the closing balance of receivables for property and other taxes as on 31.03.2025, and the corresponding opening balance as on 01.04.2025. The resulting difference, amounting to ₹49.52 lakhs has also been adjusted under the same account.

#### RENTAL INCOME FROM MUNICIPAL PROPERTIES:

Schedule IE-3 of the Income and Expenditure Account captures the rental income earned from municipal properties during the financial year. This includes lease and license fees collected from properties owned by the Corporation, such as commercial buildings, markets, community halls, and other rentable municipal assets.

In parallel, Schedule BS-11 of the Balance Sheet reflects the outstanding rental income receivable as on the end of the financial year. These receivables represent amounts due from tenants or occupants of municipal properties which have been accrued based on demand records maintained by the Estate Department of the Corporation.

4. ACCRUED INTEREST:

Schedule IE-7 of the Income and Expenditure Account presents the interest income earned from bank & other interest income during the financial year. Correspondingly, Schedule BS-14 of the Balance Sheet reflects the accrued interest receivable from banks as on the end of the financial year. This represents the portion of interest income that has been earned but not yet received by the end of the financial year, and is thus recognized as an asset in the books of accounts.

For the purpose of computing the accrued interest receivable, we have considered the Fixed Deposit balances held by the Corporation throughout the year. The calculation has taken into account the tenure, interest rates, and dates of investment and maturity of the respective FDs to ensure accurate recognition of income in accordance with applicable accounting principles.

5. ESTABLISHMENT EXPENSES:

Schedule IE-10 of the Income and Expenditure Account reflects the establishment-related expenses incurred by the Corporation, which primarily include payments to employees in the form of salaries, wages, pensions, gratuity, and other employment-related benefits. These expenses are accounted for on due for payment basis, implying that they are recognized in the books of accounts at the month end.

This method of accounting means that no provision is made for outstanding dues or accrued expenses at the end of the financial year. As a result, the reported figures under this schedule represent only those expenses that have been paid during the reporting period, regardless of the period to which they relate.

6. DEPRECIATION:

Depreciation has been charged using the Written down Value (WDV) method, which is a commonly used approach in accounting for allocating the cost of an asset over its useful life.

Under this method, depreciation is calculated on the net book value of the asset—i.e., the original cost less accumulated depreciation from previous years. As a result, the depreciation expense is higher in the earlier years of the asset's life when its book value is higher, and it gradually decreases over time. This method reflects the natural decline in the asset's value and utility, aligning more closely with the actual usage and wear-and-tear pattern of many fixed assets.

The depreciation rates applied to various categories of assets are as follows:

| Group                     | Asset                    | Rate of Depreciation |
|---------------------------|--------------------------|----------------------|
| Land                      | Land                     | Nil                  |
|                           | Gardens & Parks          | Nil                  |
| Buildings                 | Town planning Schemes    | 1.65%                |
| Plant & Machinery         | Pesticides Machinery     | 6.67%                |
|                           | Other Plant & Machinery  | 6.67%                |
| Vehicles                  | Vehicles                 | 10%                  |
|                           | Tankers                  | 10%                  |
| Computers                 | Hardware                 | 20%                  |
|                           | Software                 | 20%                  |
| Electric Appliances       | Air Conditioners         | 7%                   |
| Office & Other Equipments | Fire Safety Instruments  | 7%                   |
| Roads & Bridges           | Roads & Bridges          | 2.20%                |
| Public Lighting           | Round Polls & Lightings  | 5%                   |
| Sewerage & Drainage       | Sewerage Pipelines       | 7%                   |
|                           | Storm Water Drains       | 7%                   |
| Waterways                 | Pipelines & Water Stands | 7%                   |
| Furniture & Fixtures      | Furniture                | 7%                   |
|                           | Other Fixed Assets       | 7%                   |

#### 7. MUNICIPAL FUND:

Schedule BS-1 reflects the balance of the Municipal Fund, which includes adjustments made to the opening balances based on corrections and clarifications pertaining to previous years that came to light during the current financial year. These adjustments are undertaken to ensure that the opening balance accurately reflects the true financial position in the books of accounts.

In the financial year 2024-25, total adjustments amounting to ₹10,330.03 lakhs were made. These include the correction of the opening balance of the Pension Fund Reserve and the nullification or reduction of certain grants—such as those related to AMRUT 2.0—as further elaborated in Notes 9 and 10 of the Notes to Accounts. These effects have been routed through the Municipal Fund account.

#### 8. REVALUATION RESERVE:

Revaluation Reserve refers to a capital reserve that is created when a company or entity increases the book value of its assets to reflect their current fair market value, based on a formal revaluation process. Such revaluation reserve does not constitute free reserve.

Schedule BS-2 includes the Revaluation Reserve, which has been created to account for the upward revaluation of land recorded in the books of accounts. The revaluation was undertaken during the year as the sale of land was recorded at its prevailing market value.

#### 9. PENSION FUND RESERVE:

Pension Fund Reserve refers to a designated reserve created by the Municipal Corporation to ensure the availability of sufficient funds to meet its future pension liabilities. It represents the amount set aside from the corporation's revenues or surplus for the purpose of paying retirement benefits to its employees, such as pensions, gratuity, and other post-retirement dues.

Maintaining a Pension Fund Reserve is essential for:

- Ensuring timely payment of pensions.
- Reducing fiscal stress in future periods.
- Complying with statutory and accounting standards, such as those prescribed in the National Municipal Accounting Manual (NMAM).

Schedule BS-2 of the Balance Sheet includes the Pension Fund Reserve, which represents a dedicated reserve created by the Corporation to meet its future pension liabilities towards retired employees. In accordance with prudent financial management practices and with a view to ensuring the long-term sustainability of post-retirement benefit obligations, the Corporation has been making regular monthly contributions to a dedicated reserve. This initiative commenced on 1st April 2015 with a monthly contribution of ₹10 lakhs, which was subsequently enhanced to ₹25 lakhs per month from 1st April 2016 onwards.

#### 10. GRANTS:

Schedule BS-3 of the Balance Sheet includes the grants received from the Central Government, particularly under the AMRUT (Atal Mission for Rejuvenation and Urban Transformation) and AMRUT 2.0 programs. These grants are intended for urban infrastructure development and are subject to specific accounting treatments and utilization norms as per government guidelines.

##### **AMRUT Grant**

Under the AMRUT-1 account, it was observed that the recorded balance exceeded the actual available spending limit as per the scheme's financial provisions. To ensure accurate financial reporting and compliance with grant utilization rules, an adjustment was made to reduce the

recorded balance, aligning it with the permissible expenditure limit. This ensures that only the actual fund availability and eligible utilization are reflected in the accounts.

#### **AMRUT 2.0 Grant**

Under the AMRUT 2.0 Mission, the Bhavnagar Municipal Corporation is undertaking various infrastructure projects, including improvements in water supply, sewerage management, and other urban services. The grants for these projects are released on a project-wise basis. Funds are allocated and monitored through the Single Nodal Agency (SNA) account, with limits set and tracked via the Public Financial Management System (PFMS) portal. Disbursements and spending are carried out in accordance with the approved funding pattern jointly defined by the Central and State Governments.

Initially, the entire sanctioned limit under AMRUT 2.0 was recorded as a grant fund in the books of accounts. However, as per the revised accounting guidelines, this treatment has been corrected. The previously recorded grant amount has been nullified, and the account balance has been brought down to zero to align with revised grant recognition practices. Under the compliance requirements of the SNA SPARSH Portal (which has replaced the earlier PFMS Portal), grant recognition is now based on actual fund disbursement and utilization, as per demand data received from the respective departments, rather than on sanctioned limits. This adjustment ensures compliance with updated norms and accurate presentation of grant liabilities and entitlements.

#### **AXIS Bank SNA Account**

One of the Axis Bank accounts, which is a Single Nodal Agency (SNA) account and for which the bank statement is available with the Corporation, has been nullified. As per the nature of transactions expected in this account, the closing balance should ideally be zero. However, an incorrect balance was carried forward in the books of accounts. This discrepancy has now been rectified, and the balance has been appropriately adjusted to reflect a nil balance in line with the operational nature of the account.

### **11. CAPITAL WORK IN PROGRESS:**

Capital Work in Progress (CWIP) refers to the expenditure incurred on capital projects that are currently under construction or development and are not yet completed or ready for use as on the balance sheet date.

It typically includes costs related to:

- Ongoing construction of buildings or infrastructure
- Installation of machinery or equipment
- Upgrades or major repairs that will result in a new asset
- Project-related consultancy, design, and planning expenses

During the financial year, the Corporation collected detailed information from various departments regarding capital works undertaken, including infrastructure projects, construction activities, and asset development initiatives.

Each department provided data indicating whether the respective capital works were completed during the year or was still ongoing as of the balance sheet date. Based on the input received from the departments, the capital expenditure was assessed and appropriately classified.

The portion of expenditure relating to ongoing and incomplete projects was identified as Capital Work in Progress (CWIP). These amounts were subsequently recorded under the Capital Work in Progress Account, which is reflected in Schedule BS-8 of the Balance Sheet.

## 12. INVESTMENTS:

Schedule BS-9 of the Balance Sheet represents the investments made by the Corporation, which entirely consist of Fixed Deposits (FDs) placed with various banks.

These investments are made in accordance with the financial policies and fund management strategy of the Corporation, with the objective of:

- Safeguarding surplus funds,
- Earning steady interest income, and
- Ensuring liquidity and financial stability.

The investment balance under this head includes only the principal component of these deposits. The accumulated or accrued interest earned on these FDs is not included under this schedule.

## 13. STOCK IN HAND:

Schedule BS-10 of the Balance Sheet reflects the inventory held by the Corporation, which primarily includes materials, consumables, and other stock items maintained for operational and maintenance purposes.

The balance under this schedule is of loose tools.

## 14. CASH AND BANK BALANCES:

Schedule BS-12 of the balance sheet depicts the Cash on Hand and Bank Balances of Bhavnagar Municipal Corporation.

a. The balance of cash is certified by the Competent Authority.

b. There are approximately 25 bank accounts where no transactions are found, out of which two accounts have already been closed. Additionally, there are 14 bank accounts which are Single Nodal Agency (SNA) accounts, for which bank statements are not available with the Corporation. The balances pertaining to these accounts have been taken from the book records. A summary of such non-operative bank accounts by type is as follows:

| Sr. No. | Bank Account type            | No. of Accounts |
|---------|------------------------------|-----------------|
| 1.      | Private Sector Bank Accounts | 30              |
| 2.      | Public Sector Bank Accounts  | 9               |
|         | <b>Total</b>                 | <b>39</b>       |

The Bank Reconciliation Statement (BRS) highlights the timing differences between the date on which the Corporation issues or remits payments and the date on which those transactions are actually cleared or reflected in the bank account. In the Corporation's accounting process, discrepancies between the bank statement and the bank book may even arise due to the receipt of funds reflected in the bank statement, which have not yet been recorded in the books of accounts due to non availability of details from the Government or depositor's end. This delay occurs because, as per internal protocol, a formal resolution by the Corporation's concerned department is required before such receipts can be officially entered into the accounting records. This procedural requirement ensures proper authorization and accountability, but may result in temporary mismatches during the bank reconciliation process.

These timing differences typically arise due to:

- Cheques issued but not yet presented for payment by the beneficiaries.
- Deposits made but not yet credited by the bank.
- Electronic fund transfers that are initiated by the Corporation but processed with a delay due to banking cycles or holidays.
- Bank charges or interest entries recorded by the bank but not yet accounted for in the Corporation's books.

The purpose of preparing the BRS is to ensure that the balances as per the Corporation's cash book and the bank statements are reconciled, thereby providing accurate reporting of available funds.

The Corporation has prepared Bank Reconciliation Statement of 66 bank accounts. In all bank accounts the reconciliation process has confirmed that the balances recorded in the bank book are fully aligned with the corresponding bank statements. This indicates that there are no outstanding transactions, timing differences, or discrepancies between the accounting records and the bank's records for these accounts.

| Sr. No. | Bank Account type            | No. of Accounts |
|---------|------------------------------|-----------------|
| 1.      | Private Sector Bank Accounts | 39              |
| 2.      | Public Sector Bank Accounts  | 27              |
|         | <b>Total</b>                 | <b>66</b>       |

#### 15. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:

In accordance with prudent accounting practices, provisions have been made for the recovery of property tax, water tax, streetlight tax and other taxes based on carpet area. This provision represents the estimated amount of revenue expected to be realized from taxpayers whose dues are pending or yet to be collected. By recognizing this amount as a receivable, the accounts more accurately reflect the financial position of the municipality and ensure compliance with accrual-based accounting standards.

Total number of pending cases against BMC:-

The number of pending legal cases against the Bhavnagar Municipal Corporation (BMC), as reported by the Legal Department, is summarized below:

| Authority/Court | No. of cases |
|-----------------|--------------|
| District Court  | 272          |
| High Court      | 356          |
| Supreme Court   | 2            |

There are a total of 40 pending appeals related to property tax are currently included among the cases filed in the District Court. The matters are currently pending before various courts and are awaiting adjudication. As these cases are still under legal consideration, the exact amount of potential liability, if any, cannot be determined at this stage. The Corporation is monitoring these cases closely, and appropriate accounting treatment will be undertaken once a clear outcome is established or a reliable estimate of the liability becomes available.

#### 16. OTHER DISCLOSURES:

- For enhanced financial presentation and clarity, regrouping and reclassification of items have been carried out wherever considered necessary, without affecting the overall financial results.

**AUDIT REPORT  
OF  
BHAVNAGAR  
MUNICIPAL  
CORPORATION  
FOR  
FINANCIAL YEAR  
2023-24**

## **INDEPENDENT AUDITORS REPORT**

To,  
The Municipal Commissioner,  
Bhavnagar Municipal Corporation,  
Bhavnagar

We have audited the financial statements on Accrual Based Double entry accounting system by The Bhavnagar Municipal Corporation, which comprise of Income and Expenditure for the period from 1<sup>st</sup> April, 2023 and ending on 31<sup>st</sup> March, 2024, also Balance Sheet as at 31<sup>st</sup> March, 2024 and all the relevant Schedules forming part thereof including notes forming part of the accounts, Cash Flow Statements for the period ending on 31<sup>st</sup> March, 2024, and any accounting policies followed by the corporation while preparing such financial statements. The same has been prepared by the concerned Department of the corporation and the same also has been approved by the competent authority of the Bhavnagar Municipal Corporation. Moreover, the corporation was supposed to follow the requirements specified under the provisions of National Municipal Accounting Manual while preparing any sort of financial statements whether on cash basis which was the case up to previous financial year, or on Accrual basis from the current financial year.

We have examined such financial Statement taking into consideration:

- 1) The terms of reference and terms of our engagement agreed upon with you in accordance with our engagement letter with the Bhavnagar Municipal Corporation.
- 2) The Guidance Note also requires that we comply with the requirements.
- 3) Concepts of test check and materiality to obtain reasonable assurance based on verification of evidence supporting the Financial Statement.

As the corporation shifted from Cash based accounting system to Accrual based double entry accounting system, based on our examination and according to the information and explanation given to us, we report that the Financial Statement;

- 1) Have opening balances from previous years which have been restated from cash-based system to accrual based double entry accounting system. So, any effect lying in the opening balances have been carried forward in the current year account as well; and
- 2) Though the accounts are prepared based on accrual based double entry accounting system, but the impact of accrual-based entries can't be seen in the entire financial statement and the same cannot be quantified precisely as the management is at discretion to decide the matter relating the accrual accounting in items of financials.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, the management is responsible for assessing the entity's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the entity or to cease operation or has no realistic alternative but to do so.

Management is also responsible for overseeing the entity's financial reporting process.

### Responsibilities of the Auditor

Our responsibility is to express an opinion on the financial statements based on our audit procedures. We have conducted our audit in accordance with the standard on auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidences about the amounts and disclosures in the financial statements. The procedure selected depend on the auditor's judgement, including the assessment of the risk of material misstatements of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor consider the internal control relevant to Corporation's preparation and fair presentation of financial statements to design audit procedure that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

### Opinion

In our opinion and to the best of information and explanation provided to us, the Financial Statements of the Bhavnagar Municipal Corporation, read with significant accounting policies and notes to accounts are prepared after providing appropriate adjustments as considered appropriate in the given circumstances.

We have no responsibility to update our report for events and circumstance occurring after the date of the report.

In our opinion, the Financial Statement along with Note of this report read with the significant Accounting Policies and Notes to Accounts are prepared after adjustment as considered appropriate and have been prepared in accordance with NMAM.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements, *subject to observations and notes to accounts and annexures forming part of the report*, are in conformity with the accounting principles generally accepted in India,

- 1) In the case of Balance Sheet of the state of affairs of the corporation as at 31<sup>st</sup> March, 2024,
- 2) In case of the statement of Income and Expenditure of the surplus for the year ended on the same date.
- 3) In case of the Cash Flow statement for the year ended on the same date.

**Basis for Qualified Opinion:**

- 1) Difference in opening balances:

Since 1982, the cash basis of accounting has been followed by the corporation, and opening balance was not carried forward till then. The amount of accumulated difference in opening balances for preparation of financial statements on accrual-based accounting system is Rs. 3,926.10 Lakhs for FY 2023-24, which is adjusted in Municipal General Fund of the corporation. These differences are due to various reasons for which we have received a very limited explanation, hence impractical to quantify the same from the earlier used method of accounting that is Cash basis of accounting.

## 2) Fixed Assets:

Opening balances of Fixed Assets have been taken from whatever details have been provided by the Corporation, and capital expenses for fixed assets are recognized as per Actual Expense data of the budget of Bhavnagar Municipal Corporation, approved by the Competent Authority as per the actual expenditure of the grants in this behalf. These expenses have been shown after netting them off with the balance of Capital Contribution of that asset. The corporation has only limited departments who have maintained the fixed asset related data and out of them, few have verified the actual existence of those fixed assets. So, the conclusive data relating to fixed assets cannot be said to have been incorporated due to very limitation on the part of the Corporation.

## 3) Depreciation:

Depreciation has been charged on the assets keeping in mind the generally accepted principal. They have been adopted keeping in mind the usefulness of the assets and tenure of its useful life based on their own assumption and some reference from the similar type of Local Authorities of the State of Gujarat. The policy and assumptions have been taken by the management and competent authorities and the same may not be in conformity with the treatment specified under any accounting standard, but seems fair and just in the given circumstances.

## 4) Sundry Debtors:

The Corporation's concerned departments are having separate software from which the record of receivables at the beginning of the year can be made available; hence the data has been calculated keeping in the mind the actual data of demands with respect to the taxes at the beginning of the financial year reduced by the actual income received in respect of all those taxes during the concerned financial year.

## 5) Deposits:

In absence of deposit register maintained by all concerned departments, the amount of total deposits have been arrived from the budget of the concerned year, which was prepared by the compatible department of the corporation and also approved by the competent authority of the corporation. Hence the same has been taken as it is from the actual data shown in the budget.

## 6) Other Liabilities:

All the other liabilities including any liabilities towards creditors, employees, Government etc. have been taken based on actual data available in the budget.

## 7) PF Loans to Employees:

The corporation has maintained records of PF Loan given to the employees as well the interest received on account of the same, but it should have been shown separately classified in the books of accounts as it should have been as per the generally accepted accounting practices.

## 8) Municipal Fund:

All the adjustments with respect to any changes in amount has been given effect in the account called Municipal fund which is General Fund in nature.

## 9) General Observation:

The financials have been on accrual basis only on the above-mentioned items of the financials. Hence if any other items were required to be considered for accrual-based accounting, then the same has not been given any effect in the preparation of the same. But the management is of the opinion of the same that the required accounting treatment has been sufficient to put the case under a validly prepared financial statements under accrual-based accounting system, hence auditors' opinion is only limited to the aspects covered by the management, and for any other point which we required to be covered, but not covered by the corporation, the auditor is not bound to examine or comment upon on the same. Hence our opinion on such financials is limited to the extent it had been stated by the corporation and submitted to us for our opinion building purpose.

Based on our examination and according to the information and explanation given to us, we report that the Restated Financial Statement;

- 1) Have been made after incorporating adjustments for the changes in accounting policies retrospectively in respective financial period to reflect the same accounting treatment as per the changed accounting policy for all reporting period, if any; and
- 2) The adjustments are related to only few points have been taken into consideration and not all the points which could have been had that been the case of original accounts based on accrual-based accounting system.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, the management is responsible for assessing the entity's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the entity or to cease operation or has no realistic alternative but to do so.

Management is also responsible for overseeing the entity's financial reporting process.

### Responsibilities of the Auditor

Our responsibility is to express an opinion on the restated financial statements based on our additional audit procedures. We have conducted our audit in accordance with the standard on auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidences about the amounts and disclosures in the financial statements. The procedure selected depend on the auditor's judgement, including the assessment of the risk of material misstatements of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor consider the internal control relevant to Corporation's preparation and fair presentation of financial statements to design audit procedure that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

### Opinion

In our opinion and to the best of information and explanation provided to us, the Restated Financial Statements of the Bhavnagar Municipal Corporation, read with significant accounting policies and notes to accounts are prepared after providing appropriate adjustments and regroupings as considered appropriate in the given circumstances.

We have no responsibility to update our report for events and circumstance occurring after the date of the report.

In our opinion, the Financial Statement along with Note of this report read with the significant Accounting Policies and Notes to Accounts are prepared after regrouping as considered appropriate and have been prepared in accordance with The National Municipal Accounting Manual.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements, ***subject to observations and notes to accounts and annexures forming part of the report***, are in conformity with the accounting principles generally accepted in India,

- 1) In the case of Balance Sheet of the state of affairs of the corporation as at 31<sup>st</sup> March, 2023,
- 2) In case of the statement of Income and Expenditure of the surplus for the year ended on the same date.

**Basis for Qualified Opinion:**

- 1) Difference in opening balances:

Since 1982, the cash basis of accounting has been followed by the corporation, and opening balance was not carried forward till then. The amount of accumulated difference in opening balances for preparation of financial statements on accrual-based accounting system is Rs. 31,575.73 Lakhs for FY 2022-23, which is adjusted in Municipal General Fund of the corporation. These differences are due to various reasons for which we have received a very limited explanation, hence impractical to quantify the same from the earlier used method of accounting that is Cash basis of accounting.

- 2) Fixed Assets:

Opening balances of Fixed Assets have been taken from the details available with the Corporation, and capital expenses for fixed assets are recognized as per Actual Expense data of the budget of Bhavnagar Municipal Corporation, approved by the Competent Authority which is mainly based on utilization of the grant by the Corporation. These expenses have been shown after netting them off with the balance of Capital Contribution of that asset. The corporation has only limited departments who have maintained the fixed asset related data and out of them, few have verified the actual existence of those fixed assets. So, the conclusive data relating to fixed assets cannot be said to have been incorporated due to very limitation on the part of the Corporation.

3) Stores and Consumables:

Difference in the value of stock in hand is Rs.172.72 Lakhs, which is mainly due to the change in accounting system from cash basis into accrual basis, and, is adjust with any excess or deficit arrived at in Income and Expenditure Account of concerned Financial Period, whereas Rs. 167.83 Lakh has been adjusted in Municipal Fund Balance. The figures have been taken from the Actual Expenditure data as per the budgets for the respective year as no separate registers have been maintained in this regard.

4) Depreciation:

Depreciation has been charged on the assets keeping in mind the generally accepted principal. They have been adopted keeping in mind the usefulness of the assets and tenure of its useful life based on their own assumption and some reference from the similar type of Local Authorities of the State of Gujarat. The policy and assumptions have been taken by the management and competent authorities and the same may not be in conformity with the treatment specified under any accounting standard, but seems fair and just in the given circumstances.

5) Sundry Debtors:

The difference of Rs. 52,875.40 Lakh, is adjust with any excess or deficit arrived at in Income and Expenditure Account of concerned Financial Period, whereas Rs. 48,134.26 Lakh has been adjusted in Municipal Fund Balance. The Corporation's concerned departments are having separate software from which the record of receivables at the beginning of the year can be made available; hence the data has been calculated keeping in the mind the actual data of demands with respect to the taxes at the beginning of the financial year reduced by the actual income received in respect of all those taxes during the concerned financial year.

## 6) Deposits:

In absence of deposit register maintained by all concerned departments, the amount of total deposits have been arrived from the budget of the concerned year, which was prepared by the compatible department of the corporation and also approved by the competent authority of the corporation. Hence the same has been taken as it is from the actual data shown in the budget and the difference or creation of the deposit amounting to Rs. 7,854.29 Lakh has been adjusted in the Municipal General Fund account.

## 7) Other Liabilities:

All the other liabilities including any liabilities towards creditors, employees, Government etc. have been taken based on actual data available in the budget and difference if any has been transferred to Municipal Fund Account.

## 8) PF Loans to Employees:

The corporation has maintained records of PF Loan given to the employees as well the interest received on account of the same, but it should have been shown separately classified in the books of accounts as it should have been as per the generally accepted accounting practices.

## 9) Bank Charges:

Bank charges have not been specifically considered while preparing the Financial Statements.

## 10) Municipal Fund:

All the adjustments with respect to any changes in amount due to change in Cash system to accrual system has been given effect in the account called Municipal fund which is General Fund in nature.

## 11) General Observation:

The restated financial statements have been prepared after incorporating adjustments pertaining to change from cash-based accounting system to accrual based double entry accounting system. The restated financial statements have been prepared after adopting any adjustments in line with the National Municipal Accounting Manual retrospectively for the year ended on 31<sup>st</sup> March 2023 to reflect the same accounting treatment as per the accounting policies and grouping/classifications required to be followed to the extent and not for all the items as mentioned in our opinion above. The management is of the opinion that the required accounting treatment has been sufficient to put the case under a validly prepared restated financial statement, hence auditor's opinion is only limited to the aspect for which required accounting treatment is covered by the management. Hence our opinion on such restated financials is limited to the extent it had been restated by the Corporation and submitted to us for our opinion building purpose.
