	Vs	
CPIO, SEBI, Mumbai	:	Respondent

ORDER

1. The appellant had filed an application dated March 21, 2024 (received by the respondent through RTI MIS Portal) under the Right to Information Act, 2005 (“**RTI Act**”). The respondent, by a letter dated April 04, 2024 responded to the application filed by the appellant. The appellant filed an appeal (Reg. No. SEBIH/A/E/24/00076) dated April 09, 2024. I have carefully considered the application, the response and the appeal and find that the matter can be decided based on the material available on record.
2. **Request in the application** - The appellant, vide his application dated March 21, 2024, sought the following information:

“Kindly provide marks scored by the candidate in Phase 2 and interview in the Recruitment of Officer Grade A (Assistant Manager) Legal stream 2023.”
3. **Reply of the Respondent** – The respondent, in response to the aforesaid request informed that the information sought is available on SEBI website under “Careers” Section. The respondent also provided the relevant link to access the same.
4. **Ground of appeal** - The appellant filed the appeal on the ground that the information provided is incomplete, misleading or false information. The appellant, in his appeal, submitted that the requested information is not available on SEBI website.
5. I have perused the request and the response provided thereto. I note that the appellant, in his appeal has submitted that the requested information is not available on SEBI website. However, it is noted that the marks obtained by candidates in Phase II examination and interview for recruitment of Officers Grade ‘A’

(Assistant Manager) in Legal Stream, 2023 are published on SEBI website and can be accessed with the input of relevant credentials by the respective candidates. Hence, I find that the respondent has adequately addressed the request of the appellant by providing the information available with him. Accordingly, I do not find any deficiency in the response of the respondent.

6. In view of the above observations, I find that there is no need to interfere with the decision of the respondent. The Appeal is accordingly dismissed.
