to its registration as an investment advisor will be carried out by SEBI, under Regulation 23 of IA Regulations. Accordingly, the Noticee was advised to send its reply to the pre-inspection questionnaire latest by November 29, 2019 (Copy of SEBI's letter dated November 15, 2019 is placed at **Annexure 1**). The Noticee acknowledged the said letter on November 15, 2019. Subsequently, the Noticee produced a letter dated November 21, 2019 vide which it authorized Mr. Abhishek Mishra (a Company Secretary having membership number: A56048) to represent the Noticee before SEBI (Copy of the letter dated November 21, 2019, received from the Noticee, is placed at **Annexure 2**).

4. Since the Noticee had not given any reply to the aforementioned letter dated November 15, 2019, an email dated November 29, 2019 was sent by SEBI to the Noticee instructing it to send the reply to the pre-inspection questionnaire. A reminder to the said email was also sent on December 02, 2019 to the Noticee. However, no reply was received from the Noticee (Copy of SEBI's emails dated November 29, 2019 and December 02, 2019 are placed at **Annexure 3**).
5. SEBI, vide letter no. WRO/PLO/IMD/Insp./31891/1/2019 dated December 02, 2019 informed the Noticee that the inspection of its books of account and other records shall commence from December 09, 2019 onwards. Subsequently, Noticee produced a letter dated December 04, 2019 (copy of SEBI letter dated December 02, 2019 and copy of Noticee's letter dated December 04, 2019 are placed at **Annexure 4**) vide which it submitted that, "*Mr. Arvinder Ajmani is authorized to represent PG before SEBI, ILO to do all such act and deed as may be required with respect to Inspection*".
6. On the day of commencement of inspection at the registered office address of the Noticee located at 415, Shekhar Central, Near Palasia, Petrol Pump, AB Road, Indore- 452001, (**hereinafter referred as Office Address**), it was found that only security guard was present in the office and the entire office was vacant. On asking the guard about the owner of PG, the guard led the team to 6th floor of the same building at the address, "612". It was noticed that 4 persons were present in the office who were surprised at the inspecting team visit. It was observed that no person including Mr. Satish Shukla, the Proprietor of Profit Guru, Mr. Abhishek Mishra or Mr. Arvinder Ajmani (authorized persons of the Noticee) was present in the office. The inspecting team asked the guard and the 4 persons present there to contact the aforesaid 3 persons of PG. The team was informed that the owner of PG is not in office due to some personal problems. The team tried to contact all the 3 persons over phone; however, none of them could be contacted.
7. It is noted that the Noticee, despite giving its confirmation to cooperate with the inspection, failed to do so by being absent during the inspection. Further, no explanation was given for the absence of the authorized persons. It is also noted that the Noticee did not reply to the pre-

inspection questionnaire sent by SEBI despite multiple reminders. In view thereof, it is alleged that by failing to furnish information relating to its activity as an IA during Inspection as required by the Board and not cooperating with SEBI by being absent during inspection, the Noticee has contravened the Regulation 13(a), 25(1), 25(2) read with 24(3), Clause 8 of Code of Conduct for Investment Advisers as specified under Third Schedule of IA Regulations read with Regulation 15(9) of IA Regulations.

8. Later, SEBI vide letter dated August 7, 2020, had advised the Noticee to submit information *inter alia* w.r.t. bank account statements of the Proprietor, year wise fees collected since date of registration, client master data, copy of audited financial statements for last three years, sample copy of agreement entered into with the clients. The letter dated August 7, 2020 was also forwarded vide email dated September 11, 2020 to 'satishshukla4@yahoo.com', as per the UCC details obtained from BSE Ltd. (Copy of SEBI's letter dated August 07, 2020 is placed at **Annexure 5** and copy of SEBI's email dated September 11, 2020 is placed at **Annexure 6**) However, no reply was received from the Noticee.

9. The details of bank accounts, as available in the website of the Noticee is as under:

Axis Bank Ltd. Branch: A. B. Road, Indore Account No.: 916020012377930 NEFT/IFSC: UTIB0001680
--

10. Further, as noted from the details mentioned on invoices issued to its clients, Noticee has the following bank accounts, viz.:

State Bank of India Branch: Indore Account No.: 36191784125 NEFT/IFSC: SBIN0011763	State Bank of India Branch: Indore Account No.: 38042844659 NEFT/IFSC: SBIN0030463
---	---

11. As observed from the client master (obtained from the Personal Computers (PCs) of the Noticee as part of inspection), the total fees earned during the inspection period i.e. April 2018 – December 09, 2019 (i.e. the day of inspection) appeared to be around Rs. 13,85,40,150/-. The figure is approximate as the inspection team could not get the data of clients of the Noticee due to non-cooperation by the Noticee. The data of client master is placed at **Annexure 7 in CD**.
12. During interaction with the available persons in the premises of the Noticee, the security guard and the 3 persons left the premises without intimating the inspecting team. Only 1 person was

available for interaction with the team. He informed that he is employed as a Business Analyst, however, during subsequent interaction with him, he told that he looks after the IT infrastructure. He assisted the inspection team in accessing the PCs, logging into CRM (software used by the Noticee in daily operations) and retrieving some of the data available in the PCs kept in the premises. Subsequently, the inspection team could gather some of the data relating to the clients of the Noticee in soft copy saved in the PCs.

13. While retrieving data from CRM, the team observed that stock tips were being generated on real time basis on CRM despite non-availability of any of the Noticee's staff in the office. The screenshot of the CRM is placed at **Annexure 8**. The sample message produced in CRM is reproduced below:

*"Cash Call: Sell OIL INDIA below 159.10, TGT 157.1-153.1, SL-162.10
SENT Date and Time: 09-12-2019, 12:09:54"*

14. From the above, it was clear that the Noticee was sending investment advice to its clients on a real time basis. However, the Noticee did not cooperate with the Inspection by deliberately not being present.
15. The inspection team fetched the client master detail of the Noticee by logging into CRM with the help of the employee as mentioned in paragraph 12 above. From the extracted data, it was observed that the Noticee had approximately 2,500 - 2,700 clients during the inspection period. However, this data may not be exhaustive as the entire client data may not be available on CRM.

Noticee Promised Assured / Guaranteed Unrealistic Returns to its Clients

18. On an examination of complaints and the material available on record, it was observed that PG has been promising assured profit / unrealistic returns on the investment made by the clients and luring them to avail its services. For example- PG has promised the following on its website www.profitguru.co.in (screenshot taken at the time of inspection) to lure clients into taking its services as observed during the time of inspection: -

"You are surely going to make profits if you do investments on the basis of advisory given by our Profit Guru team...."

"You are definitely going to make profits if you make investments on the basis of stock cash advisory given by our team...."

19. Such a statement is in the nature of promising assured returns and the same has been promised in its multiple services namely Cash, Cash HNI, etc. The sample screenshots of the pages of its website are placed as **Annexure 10**.
20. From the documents submitted by Mr. Kuldeep Raj (one of the clients of the Noticee) in his complaint against the Noticee on SCORES portal bearing registration no. SEBIE/MP20/0000695/1, it is noted that the Noticee vide email dated October 11, 2019 (Copy of SCORES complaint of Mr. Kuldeep Raj and email from the Noticee is placed at **Annexure 11**) promised guaranteed returns to the client. The details are as under:

23. From the copy of the email provided by Mr. Girdharilal (email dated December 09, 2020 from the Noticee to Mr Girdharilal is placed as **Annexure 12**) who had lodged a complaint against the Noticee on SCORES portal bearing registration no. SEBIE/MP20/0000726/1 dated February 13, 2020 (Copy of SCORES complaint placed at **Annexure 12**), it was noted that the Noticee has, *inter-alia*, mentioned the following in email:

"For us, the first priority is profit of our clients and we achieve this by working constantly for them and their good. Our reliable services and transparent transactions help our clients achieve their stock related targets and stay with us for long time."

24. Mr. Sudhir G. who had lodged a complaint against the Noticee on SCORES Portal bearing registration no. SEBIE/MP20/0002009/1 dated October 01, 2020, submitted an email dated December 17, 2020, to SEBI forwarding an email dated July 28, 2018 from the Noticee wherein a customized package (Equity and commodity pack) has been mentioned. As per the content of the email Mr. G. Sudheer has to pay Rs. 48,800/- to Profit Guru and duration of such service was 6 months. As mentioned in the email, the expected profit on the service is mentioned as Rs.12 lakhs on minimum investment of Rs. 1 lacs (Copy of email from G Sudheer and copy of SCORES complaint is placed as **Annexure 13**).
25. By making / promising assured profits and unrealistic returns, it is alleged that the Noticee has tried to deceive its clients. Neither there exist any grounds for belief for such unrealistic returns nor can the assured profits be achieved. Further, it is alleged that showing guaranteed returns on investments regardless of the market segment or security in which the investment is made, knowing fully well that the same is practically impossible, is equal to knowingly misrepresenting the truth on part of PG. Such representation is therefore, *prima facie*, fraudulent and is covered within the definition of "fraud" defined under Regulation 2(1)(c) of SEBI (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003 (**hereinafter referred to as PFUTP Regulations**). Hence, it is alleged that the Noticee has violated the provisions of Regulation 3 (a), (b), (c) and (d), 4(1) and 4(2)(k), (s) read with Regulations 2(1)(c) of PFUTP Regulations read with Section 12A(a), (b) and (c) of SEBI Act, 1992.
26. Moreover, it is also observed that by promising its clients of assured profits and unrealistic returns and not informing them about the material aspect that their investment in the securities market is subject to market risk where their capital can even erode, shows that the Noticee has not been honest and has not taken due care in its dealings in the best interest of its clients. Thus, it is alleged that the Noticee has failed to act in a fiduciary capacity towards its clients, thereby violating

Selling Multiple Services and collecting unreasonable payments:

27. Following were observed from the documents provided by Mr. Pinal Mistry who had lodged a complaint against PG on SCORES portal bearing registration no. SEBIE/MP19/0000223/1 (invoices, suitably assessment, Risk Profile Form (hereinafter referred to as RPF) etc. and copy of SCORES complaint of Pinal Kumar Mistry are placed in CD):

27.1. Noticee took multiple payments from Mr. Pinal within a period of 1 month and generated multiple invoices for 'Options HNI' service, the details of which are as under:

Invoice date	Product	Client risk category as per RPF	Period of Service as per Invoice	Invoice Amount (Rs.)

05-07-2018	Option HNI Tips	High Risk	30-11-0001 to 30-11-0001	1,60,654.20
17-07-2018	Future HNI Tips	High Risk	30-11-0001 to 30-11-0001	1,50,625.00
18-07-2018	Option HNI Tips	High Risk	30-11-0001 to 30-11-0001	50,007.50

27.2. Noticee further sold 'Future HNI' service also to the client during the same period as tabulated above. The period of service has not been clearly mentioned in all the invoices and therefore, the client has no means to know the start and end date of the service. Clause 5 (Information to its clients) of the Code of Conduct for IA specified in the Third Schedule of IA Regulations stipulates that "An investment adviser shall make adequate disclosures of relevant material information while dealing with its clients". From the above table, it is observed that the invoice did not specify the period of service and hence it is alleged that the Noticee has violated clause 5 of the Code of Conduct for IA specified in the Third Schedule of IA Regulations.

27.3. From an email dated August 31, 2018, sent by a representative of the Noticee to Mr. Pinal, it is noted that the Noticee sold 'PG Special Package' to the client, though the package is not mentioned anywhere on its website as observed during the course of inspection.

is Rs. 1 lakh- Rs 1.2 lakh. From the above, it was observed that the service fee itself is more than 6 times the proposed investment of the client (Copy of email from the Noticee to Mr Pinal Mistry is placed at Annexure 14).

28. As noted from the invoices submitted by Mr. Anand Patel to SEBI (placed in CD), it was observed that the Noticee has mentioned only the period of duration on the invoice i.e. one month / half yearly etc. and therefore the client has no means to know the actual start date of service and end date of service. There are instances where the Noticee had sold services to clients even before the tenure of the earlier package could end. As mentioned in the table below, amount of Rs. 1,19,000/- was collected from the client within 4 days (October 26th-30th) by selling service of 'Cash HNI Tips' and 'Option HNI Tips'.

64. Mr. Ashok Senegar lodged a complaint against PG on SCORES portal having SCORES registration no. SEBIE/MP20/0000624/1 dated March 03, 2020, in which he, *inter alia*, alleged that he had paid Rs. 2,34,326/- to PG. Leading Questions in RPF

65. PG's Risk Profiling questionnaire has 21 questions to measure risk appetite / tolerance of the clients (Refer **Annexure 27**). Corresponding to each question, a set of answer has been stated. Each answer has been assigned a particular weightage. Depending on the response of the client, the total score of the client was calculated. The maximum total score is 2400. Based on the response of the clients, assigned scores were given and risk appetite of the client was assessed. Depending on the score, PG classified the clients into following Risk categories: -

Risk Profiling Questionnaire SCORE	Risk Category of the Client
0-800	Low
800-1600	Medium
1600-2400	High

65.1. Based on the Risk category of the client, PG offered following products:

65.1.2. Moderate Risk Investor: An investor who understand risk in investment and accept short to long term fluctuation to achieve a high return and capital gain. Capital values can fluctuate and may fall under original investment capital, during economy downturn. Such Investor should be offered services classified under Group A.

65.1.3. High Risk Investor: An Investor who seek for high return investment, able to accept short to long term fluctuation to earn very high returns. Services under group B are recommended however client may also opt for services under Group A.

65.2. Classification of services:

S. No.	Group A	Group B
1	Stock Cash	Futures and Options

65.3. On perusal of the Risk Profiling Questionnaire of PG, the following was observed:

65.3.1. Risk Profile of PG includes following 03 questions to ascertain risk appetite of the clients:

- i. *Would you invest where a small return is earned associated with small risk instead of a high return associated with high risk?*
- ii. *When market is not performing well would you like to invest in more risky investment instead of less risky investment to earn high return?*
- iii. *High risk is associated with high return, Medium risk is associated with medium returns and low risk is associated with low returns? What risks can you bear (not prefer)?*

65.3.2. The total maximum weights assigned to the aforesaid 3 such questions are 600 out of 2400 i.e. 25% of total weights. Regulation 16(b)(iii) of IA Regulations provides that the process for assessing risk of client appropriately interprets client responses to questions and should not attribute inappropriate weight to certain answers. From the above, it appears that PG has earmarked 25% of the total score for the aforesaid questions.

65.3.3. The 3 questions mentioned above appear be leading questions. For example - the expression "High Risk is associated with high return..." would inevitably lead the client to respond that he can bear High Risk as it is associated with high return. Instead of stating 'High Risk is associated with high return', the correct question should have been 'High Risk involves greater chances of losses, Medium Risk involves comparatively lesser chances of losses.....' Had the IA made aware to the client that taking High Risk would mean chances of large amount of losses in the investment, it would have been better for the client to understand the risks associated with a High Risk product.

65.3.4. From the above, it was observed that the above mentioned questions in the Risk Profile Questionnaire are vague, ambiguous and misleading. As per Regulation 16(b)(iii) of the IA Regulations, the IA has to appropriately interpreting client responses to questions and not attributing inappropriate weight to certain answers. From the question mentioned above, it is clear that the questions used for assessing Risk Profile of the client are leading questions. Moreover, disproportionately large amount of weights were assigned to only three questions. It appears that the questions mentioned in the Questionnaire were framed in such a manner so that it would be difficult for the clients to understand and provide an appropriate response. It further appears that such questions were framed to make the clients fall in High Risk category so that they can be offered complex products like derivatives. It was also observed that few questions are leading questions and prompted the clients to respond to the questions in a certain way.

66. It is alleged that the Risk Profiling exercise done by PG was a baseless exercise and was done by PG to merely fulfil the requirement of IA Regulations. The RPF has actually not been followed in

spirit and the fee has been charged disproportionately. It is also observed that PG has not obtained signatures on RPF or any confirmation from the client regarding his risk categorization.

67. It is alleged that PG did not obtain from the clients such information as is necessary for the purpose of carrying out Risk Profiling of clients and did not follow a process for assessing the risk of a client is willing to take.
68. In view of the above, it is alleged that PG has failed in its responsibility to act in fiduciary capacity to its clients, which is entrusted upon him under Regulation 15(1) of IA Regulation, 2013. It is further alleged that PG has also failed to abide by Clauses 1 (honesty and fairness), 2 (diligence), and 8 (compliance) of the Code of Conduct for Investment Advisors as specified in Third Schedule of IA Regulations read with Regulation 15(9) of IA Regulations.
69. Mr. Kiran Aravalli, Mr. S.K. Gupta who had filed complaints in SCORES, vide emails dated December 12, 2019 (**Annexure 36**), mentioned that they did not receive any RPF or suitability assessment form from PG. Since, PG did not cooperate with SEBI in the Inspection, the allegation raised by complainant could not be verified. In view of complaints of Mr Kiran Aravalli and S K Gupta, it is alleged that PG has violated Regulation 16(a), (b), (d) and (e) of IA Regulations.
70. It is alleged that PG did not consider clients' income and proposed investment amount while charging fees from its clients. It is alleged that PG failed to understand the nature and risks of products suitable for its clients. It is alleged that the investment advice provided to the client was not in line with appropriate risk assigned to its clients and the process followed by PG for selecting investment advice was faulty, as it failed to understand the clients' objective and financial situations. It is alleged that the recommendation made to the clients was without client's investment objectives, ignoring the risk tolerance capacity of the clients, without understanding the knowledge /experience of the clients in such type of products. In view of the same, it is alleged that PG failed to comply with Regulation 17(a)(b)(d)(e) of IA Regulations.
71. It is alleged that PG devised a deliberate ploy to categorize a particular investor in the High Risk bracket by framing ambiguous questions, so that PG can earn large amount of fees by providing advices in all types of products including products in futures and options segment. Further, by doing Risk Profiling of the clients in the manner as described above, it is alleged that PG violated Regulation 3(a), (b), (c) and (d) of PFUTP Regulations read with Section 12A(a), (b) and (c) of SEBI Act, 1992.

Violation of Conditions of Certificate

72. From a conversation of a representative of PG with one prospective client, namely Mr. Uttam Bhadouria, it was noted that PG has several branches and it primarily operates from the office address registered in SEBI records. During the inspection, the team had found another office of PG at 6th floor of the same building as mentioned above in paragraph 6 above. The transcript of the aforementioned conversation is given below:

Call recording at 00:05: PG (02_10.01.2019): "Apne 4 branches hain, mainly jo hamara branch hai wo Shekhar Central wala hai. Mainly saari cheezein wahan se operate hoti hain".

73. As mandated under Regulation 13(b) of IA Regulations, "The Investment advisor shall forthwith inform the Board in writing if any information or particulars previously submitted to the Board are found to be false or misleading in any material particular or if there is any material change in the information already submitted." It is however noted that PG did not inform SEBI of its other offices, which is a change of material nature. It is, therefore, alleged that PG has violated Regulation 13(b) of IA Regulations.

Non Redressal of Investor Grievances:

74. SEBI, vide Circular CIR/OIAE/2014 dated December 18, 2014 regarding Investor grievances through SEBI Complaints Redress System (hereinafter referred to as "SCORES") platform, has advised that all SEBI registered intermediaries shall review their investors grievances redressal mechanism so as to further strengthen it and correct the existing shortcomings, if any. The SEBI registered intermediaries, to whom complaints are forwarded through SCORES, shall take immediate efforts on receipt of a complaint, for its resolution, within thirty days. Further, the said circular has stated that in case of failure by SEBI registered intermediaries to file Action Taken Report (hereinafter referred to as "ATR") under SCORES within thirty days of date of receipt of the grievance, it shall be treated as failure to furnish information to SEBI and deemed to constitute non-redressal of investor grievance.
75. It is observed from the data obtained from SCORES that 42 unique complaints are pending against PG as on November 30, 2020 (Refer **Annexure 9**). Out of such 42 complaints, it is seen that in 11 complaints, PG had filed the ATR after 30 days which is not in compliance with directions given in the SEBI Circular CIR/OIAE/2014 dated December 18, 2014.
76. The details of pending complaints in which PG had filed ATR after 30 days and complaints in which PG has not yet filed any reply from the date of last communication are given below. The details of complaints are placed as **Annexure 37 in CD**.
