**Securities and Exchange
Board of India**

1. Securities and Exchange Board of India (SEBI) conducted investigation into the affairs of Rana Sugars Limited (**the company/Rana Sugars/RSL**) for the period from financial year (FY) 2014-15 to financial year (FY) 2020-21 (hereinafter referred to as Investigation Period/IP).
2. SEBI investigation into the matter inter alia alleged that the company along with its promoter directors including its Managing Director, Chairman and their family members had devised a scheme to divert/siphon off the funds of the company using certain private limited companies indirectly controlled by the Managing Director of RSL and his family members. These private companies were not shown as related party even though these were indirectly controlled by the promoters of RSL including its Managing Director and consequently the transactions with these private companies were also not shown as related party transactions. The details in respect of the above are discussed in the paragraphs below:

Diversion/ Misutilisation of funds of the company (Rana Sugars Limited):

3. It was observed that Income Tax Department had stated that Rana Sugars Limited apparently diverted funds from RSL to the promoter directors and their family members through certain private limited companies which were allegedly controlled/connected to Rana Sugars Limited and their promoters. It was further alleged that these private limited companies had no business and were used as conduits to divert funds and to avoid the regulatory requirements of reporting.
4. During investigation, bank account statements for the investigation period pertaining to entities mentioned in the CEIB reference (**Annexure 1**) namely, Flawless Traders Private Limited (FTPL), Century Agros Private Limited (CAPL), Jay Aar Builders Private Limited (JABPL), R J Texfab Private Limited (RJTPL) and R G S Traders Private Limited (RGS Traders) (hereinafter collectively referred to as 'conduit entities') with Axis Bank were analysed to ascertain the allegations of diversion of funds from Rana Sugars Limited through the abovementioned companies to the individual promoter entities and their family members. The above mentioned companies were mentioned as shell companies in the Income Tax survey report, being in indirect control of the promoters of Rana Sugars or their relatives or connected persons.

5. During investigation a direct, one to one fund transfer on the same day from Rana Sugars Limited to the individual promoter group entities via the conduit entities were observed. It was alleged that funds received from Rana Sugars in the accounts of the above mentioned private limited companies were then transferred to the individual entities belonging to the promoter and promoter group on the same day. A copy of the bank statements received from Axis Bank in respect of the aforesaid private limited companies along with analysis are placed at **Annexure 2** and a brief summary for the period from year 2014-2021 of the aforementioned period of the aforesaid transactions are as below:

6. It is alleged that Rana Sugars did not provide any supporting documents such as agreements etc. in support of its reply regarding the funds transfer to the private limited companies which it claimed to be business advances. Further it was observed that an amount of approximately Rs.165.36 crore was in continuous circulation amongst the entities namely, Rana Polycot Limited, RSL Distilleries Private Limited, Rana Informatics Private Limited, Rana Leathers Private Limited, R.G.S. Traders Private Limited, Rana Infrastructure Private Limited, Rana Power Limited, Kalinga Traders Private Limited, Superior Food Grains Private Limited Rana Energy Limited, Rana Green Power Limited, Laxmiji Sugars Mills Company Limited, Rana Logistics & Transport Private Limited, Karmganj Biofuels Private Limited, Buttar Biofuels Private Limited, Superior Biofuels Private Limited, Shree Ajudhia Sugar Mills Private Limited, Ajudhia Biofuels Private Limited, Erbir Ventures Private Limited etc. that were directly/indirectly connected and controlled by Promoters of RSL.

7. It was observed that one to one bank transactions consistently followed the following pattern.

The aforementioned transactions are in the nature of fund diversions from the listed company to the related parties and family members of directors by disguising these transactions as business advances to the conduit entities.

Financials of the conduit entities:

8. Investigations alleged that the aforementioned private limited companies were not having regular business which is evident from perusal of their financial statements for the previous five financial years of those companies available as per the filings with MCA. A summary of the financial performance of the aforementioned companies for the past 5 financial years (FY 2016-17 to FY 2020-21) is given as below:

The financial statements of the aforementioned entities are placed as **Annexure 3**.

9. The following observations are made from the table above:

- Flawless Traders Private Limited and Jay Aar Builders Private Limited have business in only one year. Further the reported revenue of Rs. 1,87,50,000 (round figure) appears to be non-genuine as it is very unlikely for two companies to have exactly the same sales figure and that too, to be a round figure. It is alleged that both the abovementioned companies have reported nil employee expenses even in the year when the aforesaid companies reported revenue from operations. It is very unlikely for any establishment to operate without having an employee. It is also alleged that both the above mentioned companies have reported losses over the period and were having substantial negative net worth during the period.
- It is observed that Century Agros Private Limited has reported revenue from operations only in 2 of the 5 financial years and in both the years it has incurred substantial losses. It has incurred losses in other years as well. CAPL's net worth is negative after FY 2016-17 and the same has increased substantially during the period.
- R J Texfab Private Limited has also reported revenue from operations in only 2 of the 5 financial years and in both the years, it has reported minimal profit in those 2 years and has incurred losses in the other years. It is observed that RJTPL has reported other income during FY 2020-21 and a negligible expenses resulting into a profit.
- It is observed that only R G S Traders Private Limited has reported revenue from operation on a regular basis (4 of the five financial years) and has incurred losses in 2

years. However, it has substantial negative net worth in all of the five financial years. However, it is noticed that R G S has reported employee expenses in only 2 of the 5 financial years. As mentioned earlier the operations of any establishment is suspicious if it has no employee or there is mismatch in the scale of operation and the corresponding employees or other expenses.

10. On perusal of financial statements of the above mentioned companies over the period, it is observed that the main activity of these companies which had no other business, seemed to be of borrowing and lending from and to companies/entities directly/indirectly related to Rana Sugars Limited. In view of the above discussions it is alleged that the above mentioned companies were operating as vehicles to create multiple layers to eliminate/blur the trail of funds diverted/transferred amongst various entities including individuals belonging to the promoter group directly or indirectly connected/associated / related to Rana Sugars Limited.
11. It is observed that the business advances that were provided to the conduit entities were interest free as the same were not in the nature of loan. It is noted that business advances are paid against goods or services to be received from an entity within a short time duration and to meet the working capital requirements of the providers of such goods or services. Further, the conduit entities to which business advances were provided by RSL had not shown any payment of interest on those advances and neither the conduit entities have accounted for any income from interest in respect of further advances provided to the individual entities belonging to the promoter group and other private limited companies indirectly controlled/connected/related to Rana Sugars Limited and its promoters. Further, the business advances paid to those private limited companies were further advanced to the individual promoter entities of RSL including its MD, Chairman, Executive Director and their family members. Therefore, it is alleged that the business advances provided to the private limited (conduit entities) were sham and was intended to be transferred further to the individuals and other entities directly/indirectly controlled by the promoters of RSL. Bank Statements of conduit entities showing funds transfers are at **Annexure 4**.
12. It is alleged that the interest free advances given as above were from the borrowings of Rana Sugars Limited from banks and other sources on which RSL had paid interest. It is noted that

Show Cause Notice in the matter of Rana Sugars Limited

अनुवर्ती :
Continuation :

**भारतीय प्रतिभूति
और विनिमय बोर्ड
Securities and Exchange
Board of India**

had the above funds not been diverted, the borrowings of RSL would have been lesser to that extent and the consequent interest upon the same would have been avoided/saved. Further, it is noted that the interest free advances as mentioned above, remained outstanding and while no income was received/receivable on those advances, RSL continued to pay interest on the same for years from the profits of the company which supposedly belonged to the investors.

13. Further, it is also observed that in all the conduit entities, the expenses in the years when the respective company had reported revenues from operations were almost equivalent to their revenues in the said financial years. It is alleged that the same may have been structured in such a way so that the companies do not have obligations to pay taxes. Further, all of the above mentioned private limited companies have taken and given loans and advances to the entities directly/indirectly connected/associated with Rana Sugars Limited. Further, there is no consistency in the items of income and expenditure over the period. For example, RGS Traders have paid interest on borrowing in the FY 2018-19 only. However, the details of borrowings in which the interest has been paid is not ascertainable as the summons issued to the company had returned undelivered and efforts to contact the company from other sources such as through RSL officials etc. failed.

14. In view of the above observations, it was alleged that the aforesaid private limited companies acted as conduits and has aided and abetted Rana Sugars Limited in the diverting the funds of RSL for the benefits of the promoters and promoter group entities.

Employee Directors in the Conduit entities:

		Rana Sugars Limited and its directors are Inder Pratap Singh Rana and Veer Pratap Singh Rana. Past directors of R G S Traders Private Limited include Mr. Ajay Inder Majithia (employee of Rana Sugars Limited), Mr. Preet Inder Singh Rana and Mr. Ranjit Singh Rana, Mr. Inder Pratap Singh Rana (directors of Rana Sugars Limited). RGSTPL, as per the CEIB letter dated 19.01.2021 vide which information was shared by the Income Tax Department, has its office address at SCO 49-50, sector 8 C, Chandigarh which is the same as that of RSL.
--	--	--

- a) It is observed from the CEIB letter dated 19.01.2021 (**Annexure 1**) vide which information was shared by the Income Tax Department that Flawless Traders Private Limited, R J Texfab Private Limited and R G S Traders Private Limited were having common auditor, M/s Kansal Singla and Associates which was being run by Mr. T N Singla. The auditor of these companies admitted that the aforesaid companies were being controlled by Mr. Inder Pratap Singh Rana (MD of RSL). It is also observed from the aforesaid letter that Mr. Pradeep Singhal and Mr. Krishan Saini, employees of RSL (handling accounts of RSL) also admitted that the said companies were controlled by Mr. Inder Pratap Singh Rana.
- b) The Company had admitted that Mr. Krishan Saini and Mr. Pradeep Singhal were employees of Rana Sugars Limited but did not mention Mr. Amit Bahadur as an employee. However, it is observed that Employees Provident Fund Organisation (EPFO) vide letter dated September 26, 2022 informed that Mr. Amit Bahadur (PAN: ARRPB5393B) was employed with Rana Power Limited which is disclosed as an associate company by Rana Sugars Limited in its Annual Report. As per the MCA filings, it is observed that Mr. Amit Bahadur is one of the present directors of R J Texfab Private Limited and was also a director in Century Agros Private Limited and Flawless Traders Private Limited during year 2015-2017. EPFO vide the abovementioned letter dated September 26, 2022 further informed that Mr. Balraj Singh (PAN:

AQKPS9679K), Mr. Ajay Inder Majithia, Mr. Palakuzhil Verghese Mohan alias P. V. Mohan and Mr. Dinesh Kumar Sharma (Dinesh Sharma) were also employees of Rana Sugars Limited.

- c) It is further alleged that Mr. Balraj Singh was director in R J Texfab Private Limited, Century Agros Private Limited, Flawless Traders Private Limited and Rana Sugar & Power Private Limited. Mr. Ajay Inder Majithia was director in Century Agros Private Limited, R J Texfab Private Limited, Rana Sugar & Power Private Limited, Flawless Traders Private Limited, R G S Traders Private Limited and Lakshmiji Sugar Mills Company Limited etc. Mr. Palakuzhil Verghese Mohan alias P. V. Mohan was director in Century Agros Private Limited, R J Texfab Private Limited, Rana Sugar & Power Private Limited Flawless Traders Private Limited and Lakshmiji Sugar Mills Company Limited. Multiple summonses issued in this regard by the Investigating Authority to the aforementioned persons for personal appearance were not complied with on medical grounds.
- d) Therefore, from the above, it is alleged that companies such as Century Agros Private Limited, R J Texfab Private Limited, Jay Aar Builders Private Limited, R G S Traders Private Limited and Flawless Traders Private Limited were indirectly controlled by Rana Sugars Limited and their promoters/directors.
- e) **The presence of interrelationships amongst the aforementioned companies and their directors with Rana Sugars Limited and its promoters/directors provides circumstantial evidence giving preponderance of probability that these companies (conduit entities) were/are in fact 'related' to RSL as the directors of RSL could exercise control over the activities of those companies by exercising control over the directors of the conduit entities by virtue of their employment/association with RSL or its connected/related entities. By virtue of this control, these conduit entities should have been treated as a related party under Section 2(76) of the companies Act 2013. The section is reproduced as follows:**

As per section 2 (76) of Companies Act 2013 "related party", with reference to a company, means:

- (i) a director or his relative;*
- (ii) a key managerial personnel or his relative;*
- (iii) a firm, in which a director, manager or his relative is a partner;*

- (iv) *a private company in which a director or manager is a member or director;*
- (v) *a public company in which a director or manager is a director or holds along with his relatives, more than two per cent. of its paid-up share capital;*
- (vi) *anybody corporate whose Board of Directors, managing director or manager is accustomed to act in accordance with the advice, directions or instructions of a director or manager;*
- (vii) *any person on whose advice, directions or instructions a director or manager is accustomed to act:*

Provided that nothing in sub-clauses (vi) and (vii) shall apply to the advice, directions or instructions given in a professional capacity;
- (viii) *any company which is— (A) a holding, subsidiary or an associate company of such company; or (B) a subsidiary of a holding company to which it is also a subsidiary;*
- (ix) *such other person as may be prescribed;*

f) Hence it is alleged that the directors of these conduit entities being earlier employees of RSL consequently, were under the management or control/influence of RSL. Therefore, RSL should have complied with the provisions of Companies Act, 2013 and Regulations made thereunder and SEBI Act, 1992 and SEBI (LODR) Regulations, 2015 which are applicable to Related Parties including but not limited to consolidation of financial statements and disclosures of applicable related party transactions etc. However, RSL did not disclose them as a related party in the Annual Reports of RSL. The following were observed in the published financial statements/Annual Reports of RSL in this connection.

- i. Conduit entities were not disclosed as a related party by RSL from the date of incorporation of these entities to till date. The said non-disclosure is not in compliance of various regulations pertaining to Related Party Transactions.
- ii. The non-disclosure by RSL also resulted in withholding material financial information from the shareholders of RSL in respect of the conduit entities, fund diversion to the related parties including promoters and their family members and the details of disbursement of crore of rupees as business advances without any interest. It is therefore alleged that the same is within the definition of “fraud” as defined under Regulation 2(1)(c) of SEBI (Prohibition of Fraudulent and Unfair Trade Practices relating to

Analysis of submissions of RSL on repayment of advances:

16. RSL vide letter dated July 27, 2022 (**Annexure 6**) has stated that the aforesaid private limited companies have refunded the aforesaid business advances since the business transactions against which the amounts were advanced did not materialize. The company in support of the same has provided certificates from Ashwani K Gupta, Chartered Accountants who is also its statutory auditor, certifying that the funds advanced have been returned to RSL and that there is no outstanding as on March 31, 2022. The certificate further states that no amounts have been written off in respect of the aforesaid entities.
17. Ashwani K Gupta and Associates had provided certificates in respect of 6 companies namely Flawless Traders Private Limited, R J Texfab Private Limited, Camelot Exports Private Limited, Century Agros Private Limited, Jay Aar Builders Private Limited and Venus Pesticides Private Limited and has stated that the certificates were provided based on verification of ledger account statements and bank account statements of the company. From the said certificates, it is observed that majority of the transactions have occurred from FY 2013-14 onwards. It is also observed that Ashwani K Gupta has provided the documents which he relied upon while issuing the aforesaid certificates to RSL in respect of the repayment of the business advances. From the said documents it is observed that some documents are claimed to be bank statements have no details of the bank, the account number, customer Id, address, bank stamps etc.. However, some of the transactions pertaining to Flawless Traders Private Limited mentioned in the documents provided by Ashwani K Gupta, Chartered Accountants, has been cross verified to be correct from the independently sourced bank statements of RSL from Zila Sahakari Bank Limited and UCO Bank. However, in respect of other conduit entities the transactions mentioned in the documents provided could not be cross verified. The documents submitted by Ashwani K Gupta is placed at **Annexure 7**. As mentioned earlier the company has provided only partial information and documents. Further

it is alleged from the ledger statements provided by the company that many of the receipts and payments have been recorded through journal voucher (book entries) without movement of funds to and from accounts of the company. It is alleged that in some cases rights have also been assigned in favour of the company by the other private limited company to whom business advances were given by Rana Sugars Limited. In view of the above, it is alleged that the claim by Rana Sugars Limited that the alleged business advances were refunded by the private limited companies are not correct. The role of each entities in the diversion of funds of Rana Sugars Limited is discussed in below paragraphs.

18. It is alleged that funds were diverted from Rana Sugars Limited for the benefit of individual entities belonging to the promoter group of Rana Sugars Limited with help of certain private limited companies which were controlled by the promoters' of Rana Sugars directly/indirectly through employees etc. A summary of the role of various persons are given as below:

Role of Directors/ promoters and family members:

The family tree of Rana Group showing their individual members is described as follows:

It is alleged that Mr. Gurjeet Singh Rana and wife Rajbans Kaur, Mr. Ranjit Singh Rana and wife Sukhjinder Kaur along with Mr. Inder Pratap Singh Rana, Mr. Karan Pratap Singh Rana, Mr. Veer Pratap Singh Rana and Mr. Preet Inder Singh Rana were active participants and recipients of fund diverted by Rana Sugars Limited. Mr. Inder Pratap Singh Rana:

- a) Mr. Inder Pratap Singh Rana is the Managing Director of Rana Sugars Limited. He was one of the promoters and was holding approximately 11.68% shares of Rana Sugars Limited. Besides Rana Sugars Limited, he is also a director in Rana Informatics Limited, Rana Polycot Limited, Erbir Ventures Private Limited and Rana Infrastructures Private Limited. He is also past director of Superior Foodgrains Private Limited, Rana Power Limited, RSL Distilleries Private Limited, R G S Traders Private Limited and Lakshmiji Sugar Mills Company Private Limited.
- b) He is one of the major beneficiaries of the diversion of funds by Rana Sugars Limited. Mr. Inder Pratap Singh Rana had received approximately Rs. 6.90 crore from Rana Sugars Limited (Rs. 2.05 crore through Flawless Traders Private Limited, Rs. 1.00 crore through Jay Aar Builders Private Limited, Rs. 2.35 crore through R J Texfab Private Limited and Rs. 1.50 crore through R G S Traders Private Limited) through various private limited companies indirectly controlled by the promoters of Rana Sugars Limited. Please refer to **Annexure 2** for bank statements received directly from the bank along with analysis. The funds were transferred by Rana Sugars Limited to the private limited companies and thereafter to individual promoter entities.
- c) Information in respect of the above funds transfers and other issues in connection with the present investigation was sought vide summons dated July 5, 2022, July 8, 2022, November 9, 2022 and January 11, 2023 and emails dated August 23, 2022, September 22, 2022 and subsequent reminders dated September 28, 2022 and October 4, 2022. However, no information was received. Mr. Inder Pratap Singh Rana had recorded his statement before the Investigating Authority and submitted that the money received by him and his family members and relatives were on account of business advances for supply of sugarcane seeds. He further submitted that the details of the repayment shall be provided by October 5, 2022. However, he has not provided any information in respect of the same.
- d) Mr. Inder Pratap Singh Rana in his statement (**Annexure 8**) submitted that his family members were into the production of high quality sugarcane seeds and that they contracted with the private limited companies for supply of sugarcane seeds. Those private limited companies were to further sale the aforesaid sugarcane seeds to Rana Sugars Limited. From the above

Board of India**

statements of Mr. Inder Pratap Singh Rana, it is gathered that the Rana family members were seller of the sugarcane seed and RSL was the buyer and the transactions were to be routed through the conduit entities. Similarly, in respect of the funds, it is understood from the statement of Mr. Inder Pratap Singh Rana that Rana Sugars Limited gave business advances to the private limited companies and the same were transferred to the individual family members of the Chairman and Managing Directors of Rana Sugars Limited and to other private limited companies which were directly /indirectly controlled by them or some person connected/associated with them. Further as confirmed by Mr. Inder Pratap Singh Rana that the transactions in respect of which the supposed business advances were given did not materialise and therefore the business advances were refunded. Therefore, it is alleged that the involvement of conduit entities was mere sham and with intent of breaking the trail of the funds being diverted.

- e) Having regard to the fact that these private limited companies were not having regular business as discussed in above paragraphs, the funds diverted in guise of business advances as claimed by Rana Sugars Limited is not acceptable. It is admitted that the transactions between Rana Sugars Limited and the conduit entities did not materialise. It is further noted as per the statements made by some of the employees of RSL (some of them were directors in some of the conduit entities) before the Income Tax Authorities during the survey operations u/s 132 of the Income Tax Act, that the conduit entities were controlled by Mr. Inder Pratap Singh Rana, MD of RSL. However, these entities did not appear before the Investigating Authority to record their statements during investigation citing age and health problems etc. The summons issued to the directors of these conduit entities returned undelivered. Further, involvement of a third party (the private limited companies that did not have any regular business of its own) in the alleged contract to supply sugarcane seeds by the individual promoter group entities is not tenable. It is alleged that no documents have been provided in respect of the above contract or agreement either by the individual promoter entities or by Rana Sugars Limited. The only explanation that suffice here is that Rana Sugars Limited transferred the funds to these private limited companies (conduit entities) and these private limited companies further transferred to the individual entities. Had the funds been given directly to the individual entities (other than these business transactions) an obligation would be cast on RSL to disclose it as Related Party

Transaction. Further the amount would have been shown as receivable from those entities in the books of RSL till the time it was received or adjusted and it would have been in the constant watch of the lenders /regulators and investors.

- f) However, RSL has avoided the above, by involving the private limited companies controlled through RSL employees appointed as the directors on the board of those companies, which in turn immediately transferred the funds to the individual promoter entities. Further, the loans and advances by the private limited companies, that were disguised as unconnected, were beyond the lens of the lenders/investors and regulators as well.
- g) Further, summons issued to the private limited companies had returned undelivered and the individual entities had not provided any information to the summons issued in the matter.
- h) Therefore, the above statements by Mr. Inder Pratap Singh Rana is without substance. Further, it is noted that Mr. Inder Pratap Singh Rana did not provide replies to most of the questions during the statement recording and had submitted that he would provide the same later. He failed to submit any documents or information post his statement recording with respect to his involvement in various committees of Rana Sugars Limited, details of unsecured loans and advances to and from Rana Sugars Limited and to and from private limited companies, GST records, information regarding his employees who were directors in the private companies details of promoter and promoter group entities etc. He stated in respect of some questions that he would provide the details by September 26, 2022 and in respect of the others by October 5, 2022. However, he failed to provide the said information despite several emails and summons even after approximately 6 months of the summons and reminders issued. In view of the above, it is observed that the funds from Rana Sugars Limited had been diverted for the benefit of the promoter and their family members as brought out in the foregoing paragraphs.

Mr. Ranjit Singh Rana:

- i) Mr. Ranjit Singh Rana is the Chairman of Rana Sugars Limited. He is also the uncle of Mr. Inder Pratap Singh Rana (Managing Director). He was also a director in R G S Traders Private Limited and Lakshmiji Sugar Mills Private Limited. He is one of the major beneficiaries of the diversion of funds by Rana Sugars Limited. Mr. Ranjit Singh Rana had received approximately

Analysis of role of conduit entities

Flawless Traders Private Limited ('FTPL')

- a) It is alleged that FTPL was incorporated in the year 2006 with authorised Capital of Rs. 1,00,000/- having its registered address at SCO 51-52, Sector 8-C, Chandigarh -160008. However, as per the CEIB letter dated 19.01.2021 vide which information was shared by the Income Tax Department, FTPL has its office address at SCO 49-50, Sector 8 C, Chandigarh which is the same as that of RSL. It is alleged that Flawless Traders Private Limited is indirectly connected to Rana Sugars Limited. However, FTPL is not disclosed as a related party in the

financial statements of RSL. FTPL's present directors, Mr. Chitaranjan Singh and Mr. Jiwan Singh are also directors in Century Agros Private Limited (CAPL). As per the company master database of the MCA database, FTPL's email id is jiwangill49@gmail.com. It is also observed from the MCA database that the past directors of FTPL namely, Mr. Balraj Singh (FY 2016-17), Mr. Amit Bahadur (FY 2015-17), Mr. Ajay Inder Majithia (FY 2006-16) and Mr. Palakuzhil Verghese (P V Mohan) (FY 2006-15) were employees of Rana Sugars Limited which has been confirmed by EPFO letter dated September 26, 2022. Letter received from EPFO is enclosed as **Annexure 5**. It is also observed that the total shares of FTPL are held by Mr. P V Mohan and Mr. Ajay Inder Majithia in equal quantity (5000 shares each). Shareholding pattern of FTPL placed at **Annexure 9**. Please refer to **table 2** on page 5, for a brief summary of the financial statements (**Annexure 3**) of FTPL.

- b) It is observed that Flawless Traders Private Limited had reported revenue from operations in FY 2017-18 only, out of the previous five financial years and had also reported major expenses in that same year. It is observed that sales in a round figure (Rs. 1,87,50,000) is very unlikely. In other financial years the company had no income either from operation or otherwise and the expenses reported were also minimal and there were no employee expenses as well. It is also noted that it did not have any fixed assets. Further, in all of the five financial years the company had reported losses and had negative net worth in three of the five financial years. It is also noted that major activity of the company was of lending and borrowings to companies and individuals directly/indirectly associated/connected with Rana Sugars Limited. It is also observed from the financial statements of FTPL that it had non-current investments mainly in the shares of companies that were directly/indirectly connected/associated with Rana Sugars Limited. It is alleged that during the investigation period approximately 45.06 crore was received from and Rs. 13.89 crore was paid to Rana Sugars Limited. Of the above transaction, direct one to one fund transfer with various individual promoter entity was noted in respect of approximately Rs. 24.18 crore. A summary of the same has been given in table no. 1 above.
- c) It is also observed FTPL has substantial investments in other companies associated with Rana Sugars Limited which is again indicative of its connection with RSL. A company which has no regular business and source of revenue but has substantial investments in the group companies

of RSL for years further indicate that the entity is controlled indirectly by the promoters of RSL. The details of which are as below:

Table - 4

Investments in shares of Rana Group of companies	2016-17	2017-18	2018-19	2019-20	2020-21
Rana Sugars Limited	10,55,087	10,55,087	10,55,087	10,55,087	10,55,087
Rana Polycot Limited	15,28,90,000	15,28,90,000	15,28,90,000	15,28,90,000	15,28,90,000

d) Therefore, it is alleged that having no fixed assets and employee expenses demonstrate that FTPL had no regular business and had acted as a medium or vehicle to Rana Sugars Limited in diverting the funds to the promoters/directors and their relatives and companies under the management/control of these relatives.

e) Rana Sugars in response to the summons issued, vide letter dated July 27, 2022 has submitted ledger account (enclosed as **Annexure 6**) of FTPL in its books of account along with a certificate from its statutory auditor. However, it has not provided bank statement reflecting the transactions /amount appearing in the ledger as an evidence of actual movement of funds. A summary of the ledger transactions of FTPL provided by Rana Sugars Limited are as under:

Table - 5

Financial Year	Amount Paid to FTPL (Rs.)	Amount Received from FTPL (Rs.)	Closing Balance (Rs.)
Opening Balance			2,00,00,000
2011-12	1200	1200	2,00,00,000
2012-13	-	-	2,00,00,000
2013-14	9,02,00,000	6,70,00,000	4,32,00,000
2014-15	29,87,38,000	2,81,00,000	31,38,38,000
2015-16	2,29,00,000	60,00,000	33,07,38,000
2016-17	4,37,92,002	-	37,45,30,002
2017-18	13,400	-	37,45,43,402

Total	45,56,44,602	46,11,38,200	

f) From the above table it is seen that RSL had a receivable of approximately Rs. 2 crore from FTPL at the beginning of FY 2011-12 and has further advanced Rs. Rs.45.56 crore during the period from FY 2011-12 to FY 2017-18 which is approximately similar to the amount of Rs. 45.06 traced to the Axis Bank account no. 912020044404859 of FTPL (**Annexure 10**) as

mentioned in table 2 above. Further, it is seen from the abovementioned bank account statement of FTPL with Axis Bank and bank account statement of Rana Sugars with Zila Sahkari Bank Limited and UCO Bank that the funds transferred during FY 2019-20, 2020-21 and 2021-22 by FTPL has been received by Rana Sugars Limited. Further, it is alleged from the above table that RSL has advanced Rs.29.87 crore to FTPL during FY 2014-15, which remained unpaid and was claimed to have been repaid in FY 2021-22 and Rs. 1.45 crore is outstanding at the end of FY 2021-22. However, RSL failed to provide any bank account statements or any other documentary evidence to support this claim of repayment. Therefore, the unverified amount has not been considered as repaid.

- g) It is further noted that Rana Sugars Limited itself was borrowing funds for its operations during the aforesaid period. Therefore, the interest free advances given to the other entities which remained outstanding for years was a fraud on the investors of RSL. It is to be noted that FTPL had not provided for payment of interest in its financial statements and neither it had received any interest from the advances given further to other entities. It is noted that had the above funds not being diverted, the borrowings of RSL would have been lesser to that extent and consequent interest upon the same would have been avoided/saved. The above act on the part of Rana Sugars and its management had created undue and extra burden on the financials of the company, which ultimately resulted in erosion of wealth of the investors of Rana Sugars Limited. Since RSL has not provided the details of the borrowings and the interest paid, interest at the rate of 12% p.a. has been taken in accordance with section 28A of the SEBI act, 1992. The table below gives details of year wise outstanding balance of advances of FTPL considering and including the alleged interest lost due to the aforesaid for the investigation period:

Table -6

Financial Year	Amount paid by RSL (Rs.)	Amount repaid by FTPL (Rs.)	Outstanding Balance including previous years' interest (Rs.)	Interest (Rs.)
2014-15	29,37,38,000	2,81,00,000	29,16,22,000	3,49,94,640
2015-16	2,29,00,000	60,00,000	34,35,16,640	4,12,21,996

			Total interest (2014-15 to 2022-23)	47,86,90,235

From the above, it is observed that RSL has allegedly lost approximately Rs. 47,86,90,236 as interest on the interest free advances over the period (FY 2014-15 to 2022-23) to FTPL at the cost of investors' interest.

- h) It is worth mentioning here that the summons issued to FTPL has returned undelivered. Further, the summons sent to the directors also returned undelivered. Further, Mr. Inder Pratap Singh Rana during his statement recording before the IA (Investigating Authority) had assured that he will inform them and provide their contact details and also tell them to receive and reply to the summons. However, he did not provide any details in this respect. Further, the summons sent to FTPL post the statement recording of Mr. Inder Pratap Singh also returned undelivered.
- i) In view of the above, it is alleged that CAPL has aided and abetted in siphoning off of the funds from RSL and been used as a conduit entity by the promoters and management of Rana Sugars Limited to divert funds from Rana Sugars Limited to the promoters and their relatives and to entities controlled by them.

Century Agros Private Limited ('CAPL')

- a) Century Agros Private Limited was incorporated with RoC Chandigarh in the year 1996 with authorised capital of Rs. 5,00,000/-. The paid up capital of CAPL is Rs. 1,70,000/-. It is also observed that the total shares of CAPL are held by Mr. P V Mohan and Mr. Ajay Inder Majithia in equal quantity (8500 shares each). Shareholding pattern of CAPL placed at **Annexure 11**. Century Agros Private Limited is indirectly connected to Rana Sugars Limited. However, CAPL is not disclosed as a related party by RSL in its financial statements. The directors of CAPL Mr. Chitaranjan Singh and Mr. Jiwan Singh are also directors in Flawless Traders Private Limited, Venus Pesticides Private Limited, Camelot Exports Private Limited, Rana Infrastructures Private Limited, Lakshmiji Sugar Mills Company Private Limited and Rana Sugars & Power Private Limited (part of Rana Group of companies). It is also observed that the email id of CAPL, jiwangill49@gmail.com is same as that of Flawless Traders Private

Limited. It is also observed from the MCA database that Mr. Balraj Singh (FY 2016-17), Mr. Amit Bahadur (FY 2015-17), Mr. Ajay Inder Majithia (FY 2004-16) and Mr. Palakuzhil Verghese (P V) Mohan (FY 2004-15) were employees of Rana Sugars Limited. It is also observed that the total shares of CAPL are held by Mr. P V Mohan and Mr. Ajay Inder Majithia in equal quantity (8500 shares each). It is also observed from the CEIB letter dated 19.01.2021, FTPL has its office address at SCO 49-50, Sector 8 C, Chandigarh which is the same as that of RSL. Therefore, CAPL can also be said to be having common address with RSL. Please refer to **table 2** for a brief summary of the financial statements (**Annexure 3**) of CAPL.

- a) Century Agros Private Limited had reported revenue from operations in only FY 2017-18 and FY 2018-19 out of the previous five financial years and had also reported major expenses in the same years. In other financial years the company had no income either from operation or otherwise and the expenses reported were also minimal. Further CAPL had reported employee expenses of Rs. 3.35 lac and Rs. 2.55 lac in the FY 2017-18 and FY 2018-19 respectively. Further it is also alleged that no employee expenses have been incurred during FY 2016-17 FY 2017-18 and FY 2020-21 which raises the question that how the company made revenue of Rs.5.23 crore in FY 2017-18 without employees. It is also noted that CAPL did not have any fixed assets because there were no depreciation charged to the accounts. Further, in all of the five financial years, the company had reported losses and had negative net worth in four of the five financial years. It is also noted that major activity of the company was of lending and borrowings to companies and individuals directly/indirectly associated/connected with Rana Sugars Limited. It is observed that the loans given by CAPL always exceed the loans taken by it. It is noted that for a company without revenue or any profit giving loans in excess of the loans taken by it shows a neglect to the primary business of trade and indicates that it is for other purposes.
- b) It is also observed that CAPL had substantial non-current investments mainly in the shares of companies that were directly/indirectly connected/associated with Rana Sugars Limited. A company which has no regular business and source of revenue but has substantial investments in the group companies of RSL for years is another evidence to prove that the entities is controlled indirectly by promoters of RSL. The details are as per the table below:

- c) It is observed from analysis of bank statement of CAPL (Axis Bank Account No - 913020037979578) for the period from 19-08-2013 to 31-12-2022 (**Annexure 12**) that Rs. 11.03 crore was received from Rana Sugars Limited of which in respect of Rs. 3.40 crore, direct one to one transfer on the same date to individual promoter entities as detailed in the earlier paragraphs was alleged.
- d) Rana Sugars in response to the summons issued, vide letter dated July 27, 2022 has submitted ledger account of CAPL (**Annexure -6**) in its books of account along with a certificate from its statutory auditor. However, it has not provided bank statement reflecting the transactions /amount appearing in the ledger as an evidence of actual movement of funds. A summary of the ledger transactions of CAPL as provided by RSL are as under:

- e) From the above table it is observed that RSL had approximately Rs. 3.88 crore payable to CAPL at the beginning of FY 2011-12. RSL has further during the period from FY 2011-12 to FY 2021-22 has advanced approximately 25.64 crore to CAPL and received back approximately Rs. 21.75 crore. Further, it is observed from ledger account of CAPL with Rana Sugars Limited

that of the Rs. 21.75 crore paid by CAPL, Rs. 8.71 (approx.) represents unsecured loan to Camelot Exports Private Limited which has been assigned to CAPL and there is no actual flow of funds. it is to be noted that RSL has paid approximately Rs. 25.64 crore of which Rs. 8.71 crore receivable from CEPL was assigned. CEPL was itself in distress and not having regular business activity or other source of revenue. Therefor chances of recovery or receipt from CEPL was remote. In such case, the assignment of receivable from CEPL by CAPL was nothing but sham and fraud. Rana Sugars Limited despite several summons for information, did not provide bank statements showing the corresponding entries of the ledger in the bank statements to verify the genuineness of the entries in the party ledger. However, RSL has not provided any bank account statements to support its claim of receipt. Therefore, the unverified amount has not been considered due to failure on the part of the company to provide documentary evidence.

- f) It is observed that the outstanding balance as per the above table at the end of FY 2019-20 was Rs. (-)99,51,718/-. Further during FY 2020-21 Rs. 7,04,51,718 was received from RSL in lieu of which CAPL assigned the unsecured loan (receivable) of Rs. 8,70,71,534/- from Camelot Exports Private Limited realisable value of which was uncertain since Camelot Exports Private Limited had no regular business and source of revenue. Thus, in respect of Rs. 8,70,71,534, there was no actual fund flow but only book entries and therefore the same was a sham and fraud on investors and to misguide the investigation. Considering the above, revised table is as under:

Table - 9

Financial Year	Amount paid by RSL	Amount repaid by CAPL	Closing Balance (Rs.)
2018-19			-1,97,57,584
2019-20	1,01,85,866	3,80,000	-99,51,718

2021-22	2,65,72,000	-	8,70,72,000
2022-23	-		8,70,72,000

- g) It is alleged that the amount of Rs. 8,70,71,534 was outstanding from FY 2020-21. It is further noted that RSL itself was borrowing funds for its operations during the aforesaid period. Therefore, the interest free advances given to the other entities which remained outstanding for

years was a fraud on the investors of RSL. It is to be noted from the financial statements that CAPL had not provided for payment of interest and neither had it received any interest as observed from the advances given further to other entities please refer to **Annexure 2** for financial statements. Since RSL has not provided the details of the borrowings and the interest paid, interest at the rate of 12% p.a. has been taken in accordance with section 28A of the SEBI act, 1992. The table below gives details of year wise outstanding balance of advances of CAPL considering and including the alleged interest lost due to the aforesaid for the investigation period.

Table -10

Financial Year	Amount paid by RSL (Rs.)	Amount repaid by CAPL (Rs.)	Outstanding Balance including previous year's interest (Rs.)	Interest (Rs.)

2022-23	-		10,41,53,827	1,24,98,459
		Total Interest		3,07,74,493.29

From the above it is alleged that RSL has lost approximately Rs. 3,07,74,493/- as interest on the interest free advances over the period given by RSL to CAPL at the cost of investors of RSL.

- h) It is worth mentioning here that the summons issued to CAPL has returned undelivered. Further, the summons sent to the directors also returned undelivered. Further, Mr. Inder Pratap Singh Rana, MD of RSL, during his statement recording before the IA had assured that he will inform these private limited companies and provide their contact details and also tell them to receive and reply to the summons. However, he did not provide any details. Further, the summons sent to CAPL post statement recording of Mr. Inder Pratap Singh also returned undelivered.

Limited to divert funds from Rana Sugars Limited to the promoters and their relatives and to entities controlled by them.

Jay Aar Builders Private Limited ('JABPL')

- a) Jay Aar Builders Private Limited is indirectly connected to Rana Sugars Limited. The directors of JABPL are Mr. Ajit Singh and Mr. Sukhjeet Singh and Mr. Mahipal Singh was one of the past directors. Mr. Ajit Singh and Mr. Sukhjeet Singh are also directors in R G S Traders Private Limited whose past directors were Mr. Ranjit Singh Rana (Chairman of Rana Sugars), Mr. Preet Inder Singh Rana, Mr. Inder Paratp Singh Rana (MD of Rana Sugars) etc. Further Mr. Sukhjeet Singh having DIN 02558824 is also a director in R G S Traders Private Limited, Rana Sugars and Power Limited and Venus Pesticides Private Limited. Similarly, Mr. Ajit Singh having DIN 0258824 holds directorship in R G S Traders Private Limited, Rana Infrastructure Private Limited and R J Texfab Private Limited. As per the MCA database it is also observed that Jay Aar Builders Private Limited and R G S Traders Private Limited have common address i.e. Chamber - 110, First Floor SCO 1A, Sector - 7 Chandigarh 160019. However, as per the CEIB letter dated 19.01.2021 vide which information was shared by the Income Tax Department, FTPL has its office address at SCO 49-50, Sector 8 C, Chandigarh which is the same as that of RSL. Therefore, it may said that Jay Aar Builders Private Limited also has the same address as that of RSL. A summary of the financial statements (**Annexure 3**) of JABPL may be seen from Table 2.
- b) Jay Aar Builders Private Limited had also reported revenue from operations only in the FY 2017-18 and had no other income in any of the five financial years. It is also observed that the JABPL had reported major expenses in the FY 2017-18 and in other financial years it had reported minimal expenses. The company had not incurred/ reported any employee expenses in any of the five financial years as well. It is also noted that it did not have any fixed assets because there was no depreciation charged to the accounts. Further, in all of the five financial years the company had reported losses and had negative net worth in three of the five financial years. It is also noted that major activity of the company was of lending and borrowings to the companies and individuals directly/indirectly associated/connected with Rana Sugars Limited.

- c) It is observed from analysis of bank account statement of account no. 915020028149775 (Annexure 13) with Axis Bank for the period from 24/06/2015 to 15/01/2020 that JABPL has received Rs.4.52 crore from Rana Sugars Limited and paid back Rs.4.27 crore to Rana Sugars Limited. It is alleged that JABPL had made one to one transfer of Rs. 3 crore (Rs. 1 crore each to Mr. Inder Pratap singh Rana, Mr. Veer Pratap Singh Rana and Mr. Ranjit Singh Rana). It is also alleged that approximately Rs. 2.99 crore was received from Mr. Gurjeet Singh which was repaid to Rana Sugars Limited. Similarly, Rs. 10 Lac and Rs. 5 lac received from Ms. Rajbans Kaur and Mr. Inder Pratap Singh Rana respectively were also repaid to Rana Sugars Limited. On perusal of JABPL ledger submitted by Rana Sugars Limited vide letter dated July 27, 2022 (Annexure – 6), it is observed that RSL has given advances to JABPL. The analysis of ledger of JABPL is as under:

Table -11

Total	5,83,01,958	5,83,01,958	

- d) From the above table, it is observed that RSL has given advances to JABPL to the tune of Rs.5.83 crore. Further, it is also observed that Rs. 2.45 crore given by RSL to JABPL remain outstanding for 4 years. Further it is observed that even though RSL has submitted that JABPL has repaid Rs. 2.45 crore in FY 2020-21, it has not provided any evidence in respect of the same. Rana Sugars Limited did not provide the bank statements showing the corresponding entries of the ledger in the bank statements to verify the genuineness of the entries in the party ledger. However, RSL has not provided any bank account statements to support its claim of receipt. Therefore, the unverified amount has not been considered due to failure on the part of the company to provide documentary evidence.

- e) It is further noted that Rana Sugars Limited itself was borrowing funds for its operations during the aforesaid period. Therefore, the interest free advances given to the other entities which remained outstanding for years was a fraud on the investors of RSL. It is to be noted that JABPL had not provided for payment of interest in its financial statements and neither had it received any interest from the advances given further to other entities. Since RSL has not provided details of borrowings and the interest paid, interest at the rate of 12% p.a. has been taken in accordance with section 28A of the SEBI act, 1992 (Annexure 14). The table below gives details of year wise outstanding balance of advances of JABPL considering and including the alleged interest lost due to the aforesaid for the investigation period:

Table -12

From the above it is alleged that RSL has lost approximately Rs. 1,86,23,117 /- as interest on the interest free advances over the period (FY 2014-15 to FY 2022-23) to JABPL at the cost of investors of RSL.

- f) It is worth mentioning here that the summons issued to JABPL had returned undelivered. Further, the summons sent to the directors also returned undelivered. Further, Mr. Inder Pratap Singh Rana during his statement recording before the IA had assured that he will inform them and provide their contact details and also tell them to receive and reply to the summons. - g) It is also alleged from JABPL's financial that despite NIL revenue and no business for FY 2016-17, FY 2018-19, FY2019-20 and FY2020-21, Rana Sugars Limited has given advances of Rs. 5.83 crore (as per the ledger provided by RSL) to JABPL. Therefore, it is alleged that JABPL has aided and abetted in siphoning off of the funds from RSL and been used as a conduit entity by the promoters and management of Rana Sugars Limited to divert funds from Rana Sugars Limited to the promoters and their relatives and to entities controlled by them.

R J Texfab Private Limited ('RJTPL')

- a) It is alleged that RJTPL is a part of Rana Group Companies, incorporated in 1998 for carrying on business of purchase, sell, of textile fabrics. Its present directors are Mr. Balraj Singh and Mr. Amit Bahadur who were the employees of Rana Sugars Limited during the investigation period. Its past directors include Mr. Ajay Inder Majithia, Mr. Palakuzhil Verghese Mohan (both employees of Rana Sugars Limited), Mr. Veer Pratap Singh Rana and Mr. Karan Pratap Singh Rana (directors of Rana Sugars Limited). A brief summary of the financial performance (**Annexure 3**) of RJTPL during the period from FY 2016-17 to FY 2020-21 may be seen from table 2.
- b) It is observed table 2 that R J Texfab Private Limited reported revenues from operations only in the FY 2016-17 and FY 2017-18 and thereafter had not reported any business activity. Major expenses of the company corresponded with the business activity reported during FY 2016-17 and FY 2017-18. The company had incurred losses in two of the five financial years. In other financial years the company had no income either from operation or otherwise and the expenses reported were minimal. It is also noted that it did not have any fixed assets because there was no depreciation charged to the accounts. It is also noted that the major activity of the company was of lending and borrowings to the companies and individuals directly/indirectly associated/connected with Rana Sugars Limited. It is also observed that RJTPL had non-current investments mainly in the shares of companies that were directly/indirectly connected/associated with Rana Sugars Limited. A company which has no regular business and source of revenue but has substantial investments in the group companies of RSL for years is another evidence to prove that the entities is controlled indirectly by promoters of RSL. Details are as given below:

- f) From the above table, it is observed that RSL had an outstanding debit balance of approximately 10.19 crore at the beginning of FY 2011-12. RSL has further advanced approximately Rs. 38.56 crore during the period from FY 2011-12 to FY 2018-19 and RSL has claimed to have received back approximately Rs.48.75 crore and at the end of FY 2021-22 it has nil outstanding balance. However, RSL has not provided any bank account statements to support its claim of receipt. Therefore, the unverified amount has not been considered due to failure on the part of the company to provide documentary evidence.
- g) It is further noted that Rana Sugars Limited itself was borrowing funds for its operations during the aforesaid period. Therefore, the interest free advances given to the other entities which remained outstanding for years was a fraud on the investors of RSL. It is to be noted that RJTPL had not provided for payment of interest in its financial statements and neither had it received any interest from the advances given further to other entities. The table below gives details of year wise outstanding balance of advances by RSL to RJTPL and the interest lost/paid due to the aforesaid. Since RSL has not provided the details of the borrowings and the interest paid, an adhoc rate of interest at the rate of 12% p.a. has been taken in accordance with section 28A of the SEBI act, 1992. The table below gives details of year wise outstanding balance of advances of RJTPL considering and including the alleged interest lost due to the aforesaid for the investigation period:

- h) From the above it is alleged that RSL has lost approximately Rs. 49,07,82,294/- (from FY 2014-15 to FY 2022-23) as interest on the interest free advances over the period (FY 2014-15 to FY 2022-23) to RJTPL at the cost of investors of RSL. Further it is alleged that even though the company has submitted that it has repaid the entire outstanding balance in FY 2021-22, it has not provided any evidence in respect of the same. Rana Sugars Limited did not provide the bank statements showing the corresponding entries of the ledger in the bank statements to verify the genuineness of the entries in the party ledger.
- i) It is worth mentioning here that the summons issued to RJTPL had returned undelivered. Further, the summons sent to the directors also returned undelivered. Further, Mr. Inder Pratap Singh Rana during his statement recording before the IA had assured that he will inform them and provide their contact details and also tell them to receive and reply to the summons. However, he did not provide any details. Further, the summons sent to RJTPL post statement recording of Mr. Inder Pratap Singh also returned undelivered. It is also observed from RJTPL's financial that RJTPL has shown nil revenue from FY 2018-19 to FY2020-21. It is seen from the table that despite having no business activities RSL has advanced so much money to RJTPL which was further used to transfer the funds to individual promoter entities of Rana Sugars and other group companies controlled by them directly/indirectly. Therefore, it is alleged that

R G S Traders Private Limited (RTPL/R G S)

- a) It is alleged that R G S Traders Private Limited is a part of Rana Group Companies. Its present directors are Mr. Ajeet Singh and Mr. Sukhjeet Singh who were also directors in Jay Aar Builders Private Limited, R J Texfab Private Limited and Venus Pesticides Private Limited. Its past directors include Mr. Ajay Inder Majithia (employee of Rana Sugars Limited), Mr. Preet Inder Singh Rana and Mr. Ranjit Singh Rana, Mr. Inder Pratap Singh Rana (directors of Rana Sugars Limited). It is also observed from the CEIB letter dated 19.01.2021 vide which information was shared by the Income Tax Department, R G S has its office address at SCO 49-50, Sector 8 C, Chandigarh which is the same as that of RSL. A brief summary of the financial performance (**Annexure 3**) of R G S during the period from FY 2016-17 to FY 2020-21 may be seen from table 2.
- b) R G S Traders Private Limited had reported revenue from operation in four of the five previous financial years. It did not show any revenue from operation in FY 2020-21 however, it has reported other income of Rs. 2.69 crore which is more than its revenue (Rs. 1.22 crore) from operation in FY 2019-20. It is also observed that the company has shown employee expenses only in two of the five financial years. Further, the company has no other fixed assets except land. It is also observed that the company had negative net worth in all the five financial years. It is observed from the profit and loss accounts of the company that it had neither paid nor received any interest on the borrowing and lending of loans and advances. Further it is alleged that the other income in the FY 2020-21 represents write back of sundry creditors.
- c) It is observed from the statement of bank account no. 911020028718713 of R G S with Axis Bank (**Annexure 16**) for the period from 13/06/2011 to 04/04/2022 that approximately Rs. 119.30 crore was received from Rana Sugars Limited and Rs. 23.71 crore was repaid during the period. - f) From the above it is alleged that RSL has lost approximately Rs. 229,50,55,937/- (from FY 2014-15 to FY 2022-23) as interest on the interest free advances over the period to R G S at the cost of investors of RSL. It is noted that Rana Sugars Limited has not provided any explanation/clarification to the transaction with R G S Traders Private Limited. Further, summons issued to R G S returned undelivered. It is to be noted that RGS was reported as a related party by RSL in the Annual Report of RSL for FY 2010-11 when Mr. Inder Pratap Singh Rana, Mr. Ranjit Singh Rana and Mr. Preet Inder Singh Rana were directors. Thereafter, Mr. Ajay Inder Majithia (employee) of RSL was appointed as a director. However, RGS was not shown as a related party thereafter, even though Rana Sugars Limited and its management was exerting control over R G S Traders through its employees who were directors in the company (R G S). Therefore, it is alleged that R G S has aided and abetted in siphoning off of the funds from RSL and been used as a conduit entity by the promoters and management of Rana Sugars Limited to divert funds from Rana Sugars Limited to the promoters and their relatives and to entities controlled by them.

Role of Mr. Manoj Gupta CFO of the company during the relevant period (from FY 2015-16 to 02/04/2019)

19. Mr. Manoj Gupta was CFO of RSL during the relevant period. It is observed from his resignation letter to the company provided in response to the summons issued to him that he resigned from the company on April 2, 2019. It is observed that he was with company for the last 26 years. It is observed from his reply dated July 6, 2022 (**Annexure-17**) that he was not involved in the day to day finances of the company and that he was only looking after the availing of credit facility by the company. Further he has stated that he was not aware of financial transactions with other private limited companies such as Century Agros Private

Limited, Flawless Traders Private Limited, Jay Aar Builders Private Limited, R J Texfab Private Limited, Superior Food Grains Private Limited, Venus Pesticides Private Limited and Camelot Exports Private Limited. It is to be noted that being CFO of RSL, he was responsible for approval of all financial transaction of the company. A CFO is responsible for the entire finances of the company. Further, when he certifies that the financial statements are free from misstatements and misrepresentation, he provides an assurance with regard to the financial affairs of the company to the investors and other stakeholders. It is observed that he was a signatory to the financial statements of the company until FY 2017-18. Further, by his act, has played fraud on the investors and other stakeholders of the company. Therefore, his reply is just an afterthought to absolve himself from the wrongs done by him in collusion with the MD, Chairman and Director of RSL and their relatives. Therefore, it is alleged that he was fully aware and in the know of the all the financial transactions/transfer of funds from RSL to the private companies controlled by the promoters of RSL including the conduit entities.

20. Under Regulation 17(8) of SEBI (LODR) Regulations, 2015, the Chief Executive Officer ('CEO') and the Chief Financial Officer ('CFO') shall provide a compliance certificate to the Board of Directors. Further, under Regulation 33(2)(a) of SEBI (LODR) Regulations, 2015, it is duty of the CEO and CFO of the listed entity to certify that the published financial results do not contain any false or misleading statement or figures and do not omit any material fact which may make the statements or figures contained therein misleading while placing the financial results.
21. It is observed from the Annual Report from FY 2010-11 to FY 2017-18 that Mr. Manoj Gupta was CFO of RSL and has certified /given CEO/CFO certification as required under Regulation 17(8) of SEBI (LODR) Regulations, 2015 and he was also a signatory to the financial statements for the investigation period until FY 2017-18 that are misstated in view of the diversion of funds from RSL. It is also alleged that the CFO, Mr. Manoj Gupta had certified /given CFO certification with respect to materially untrue financial statements for the investigation period till FY 2017-18; there by failing to comply with Regulation 17(8) read with part B of Schedule II and Regulation 33(2)(a) of SEBI (LODR) Regulations, 2015.
22. The provisions of Regulation 30 of SEBI (LODR), 2015 provides for disclosures of events

with (Part A) and without (Part B) application of guidelines for materiality which inter-alia includes “*Fraud/defaults by promoter or key managerial personnel or by listed entity or arrest of key managerial personnel or promoter*”. Therefore, it is observed that the CFO was under an obligation to disclose the above mentioned fraud (diversion and siphoning) committed by the directors and their relatives. However, he failed to do so.

23. In view of the above, the CFO Mr. Manoj Gupta has violated the provisions of Regulations 3(c)&(d), 4(1), 4(2)(f) & (k) of SEBI (PFUTP) Regulations, 2003 read with Section 12A(b)&(c) read with Regulations 17(8) read with Part B of Schedule II, 23(2), 23(4), 23(9), 30(2), 30(3), 33(1)(c), 33(2)(a), 34(3) read with Part A of Schedule V, 34(3) read with clause (2)(b) and (3)(c) of part C of Schedule V and 48 of SEBI (LODR) Regulations, 2015.

Scheme to divert funds from RSL to Individual promoter entities

24. In view of the discussions in the foregoing paragraphs it is alleged that approximately Rs. 52.98 crore was diverted to the directors and promoters of Rana Sugars Limited and their relatives by using some private limited companies as vehicle for the aforesaid diversion. Further, Rs. 165.36 crore was in continuous circulation amongst various entities connected/controlled directly/indirectly by the promoters of RSL. These companies apparently had no business and were engaged mainly in routing of funds from one company to the other which is evident from the outstanding loans and advances in their financial statements and the transactions in their bank account. The aforesaid companies have aided and abetted Rana Sugars Limited in the diversion of funds of the listed company for the benefits of the said promoter, directors and their relatives. While RSL claimed that the money was repaid during FY 2021-22, it did not produce /submit any evidence/documents other than the ledger in the books of RSL and a certificate from its auditor in respect of the said claim.
25. This scheme of diversion devised by the Promoters cum Directors including the Managing Director also misrepresented the financials of the company since the funds diverted to the promoter directors and their relatives were reported as genuine business advances to third parties which camouflaged the related party transactions. By camouflaging the above related party transactions, the company escaped /circumvented the legal requirements of reporting of such transactions as RPT (Related Party Transactions). The above scheme denied the investors,

the real state of affairs prevailing in RSL. By the above, RSL further escaped the rigors of the provisions of SEBI (LODR) Regulations and various corporate governance norms that were to be followed by RSL with respect to transactions with the related parties. In view of the above, it is alleged that the above acts of the company (RSL), its Directors, Chairman, Managing Director and other KMPs has acted as fraud upon the public shareholders and other investors who may have relied upon these misrepresented financial statements to invest or keep invested in the shares of RSL.

26. The bank accounts of the conduit entities namely Flawless Traders Private Limited (Bank Account No. 912020044404859 with Axis Bank from 27/08/2012 to 16/04/2019), Century Agros Private Limited (Bank Account No. 913020037979578 with Axis Bank from 19/08/2013 to 25/09/2020), Jay Aar Builders Private Limited (Bank Account No. 915020028149775 with Axis Bank from 24/06/2015 to 25/01/2020) R J Texfab Private Limited (Bank Account No. 912020050100918 with Axis Bank from 24/09/2012 to 04/07/2019) R G S Traders Private Limited (Bank Account No. 911020028718713 with Axis Bank from 06/06/2011 to 30/09/2022) were perused. It is alleged that RSL transferred approximately Rs. 45.06 crore to FTPL, Rs. 11.03 crore to CAPL, Rs. 4.52 crore to JABPL, Rs. 38.40 crore to RJTPL and Rs. 119.30 crore to R G S Traders (please refer to table 3) during the investigation period. It is noted that the amount transferred to the aforesaid entities is material owing to fact that these entities were having very small scale of business operations and also did not have regular business income over the years. Further, the entities also had negative net worth and were continuously incurring losses which also raised suspicion over their ability to repay the said amounts. Please refer to table 4 for brief financial summary of the abovementioned companies. Owing to the aforesaid adverse business conditions and also considering the fact that said entities did not have any fixed assets of the conduit entities, the large sum of money transferred/diverted by RSL to the aforesaid entities were beyond their repayment capacity in the normal course of business and the same were material enough to put a strain on the finances of RSL.

27. In view of the above, it is alleged that:

Non-disclosure of related party transactions with certain entities:

29. The reporting requirement for disclosures of related party and related party transactions by listed companies arise from the provisions of Accounting Standard 18 (AS 18) issued by the Institute of Chartered Accountants of India (ICAI). The provisions of AS 18 were applicable until FY 2017-18 and thereafter the provisions of Ind AS 24 became applicable from FY 2018-19. The provisions, clause 21 of AS 18 required all listed companies to disclose names of the related party and nature of the related party relationship irrespective of whether there have been transaction with the related party. The provisions, clause 23 further illustrated/mentioned the disclosure requirements in case where there was a transaction with the related party.
30. During investigation, it was observed that there were some companies which were connected/related to Rana Sugars Limited either directly or indirectly. However, the annual report of Rana Sugars Limited had no disclosure with respect to those entities or transaction. It is also alleged that there was inconsistency in reporting and disclosing the details of related party in the Annual Report i.e. certain entities reported in a particular financial year were not reported in the next financial year. Extract of Annual Report from FY 2010-11 to FY 2020-21 is at **Annexure 25**.
31. It is also alleged that RSL vide letter dated September 30, 2021 has submitted the following details regarding related party transaction for the financial year 2016.

Details of related party transactions for FY 2016-17		Purchase during the year	Sales During the Year	(INR in Lakhs)

Lakshmiiji Sugar Mills Company Limited	111.71	-	-	(111.71)	-

It is alleged that Superior Foods Grains Private Limited, Rana Informatics Private Limited & Lakshmiiji Sugar Mills Company Limited were reported as associates by RSL in its Annual Report for the financial year 2016-17. However, RSL did not disclose the transaction with those entities as related party transaction in the Annual Report for the FY 2016-17 as required under Regulation 34(3) r/w disclosures specified in Schedule IV of LODR Regulations. Further RSL has also not disclosed the transactions / fund transfers with the conduit entities, supposedly related parties operated through the employees of RSL. It is observed that in most cases the money that were transferred from RSL to various third party companies were transferred to the family members of promoters of RSL on the same day, ruling out any possibility of genuine business transfers. No explanations have been offered in the annual reports with respect to the inconsistencies. Further, the companies such as Century Agros Private Limited, Flawless Traders Private Limited, Jay Aar Builders Private Limited, R J Texfab Private Limited and R G S Traders Private Limited which are controlled indirectly by Rana Sugars Limited and its promoters and the family members of promoters, however they are also not disclosed as Related Party in any of the financial years.

32. In view of the discussions and deliberation in the foregoing paragraphs it is alleged that Rana Sugars Limited along with Mr. Inder Pratap Singh Rana (Managing Director), Mr. Ranjit Singh Rana (Chairman), Mr. Veer Pratap Singh Rana and his family members along with certain private limited companies namely, Flawless Traders Private Limited, Century Agros Private Limited, Jay Aar Builders Private Limited, R J Texfab Private Limited and R G S Traders Private Limited devised a scheme to siphon off the funds from Rana Sugars Limited by routing the same through some private limited companies as business advances. It is to be noted here that the aforesaid companies were not having a regular business, had no regular employees, had no assets, and had continuous negative net worth etc. and were continuously incurring losses which created the suspicion about the entities continuing to be going concern. The management of the company

**भारतीय प्रतिभूति
और विनिमय बोर्ड
Securities and Exchange
Board of India**

which included Mr. Inder Pratap Singh Rana (Managing Director), Mr. Ranjit Singh Rana (Chairman), Mr. Veer Pratap Singh Rana decided to give business advances to the above mentioned companies (conduit entities) ignoring the aforesaid aspects mentioned above. These conduit entities further provided business advances to the individuals belonging to the promoter group of Rana Sugars Limited including Mr. Inder Pratap Singh Rana, Mr. Ranjit Singh Rana and Mr. Veer Pratap Singh Rana and their relatives. It is alleged that approximately Rs. 52.98 crore of funds from Rana Sugars Limited were diverted through the conduit entities to the promoter and their relatives including the Managing Director, Chairman and Director and their close relatives such as father, mother, brother and wife.

33. It is further noted that Rana Sugars Limited itself was borrowing funds for its operations during the aforesaid period. It is noted that the business advances that were provided to the conduit entities were interest free as the same were not in the nature of loan. Further, the conduit entities to which business advances were provided had not shown any payment of interest on those advances and neither the conduit entities have accounted for any income from interest in respect of the advances provided to the individual entities belonging to the promoter group and other private limited companies indirectly connected/related to Rana Sugars Limited and its promoters. It is noted that the interest free advances given as above were from the borrowings of Rana Sugars Limited from banks and other sources on which RSL had paid interest. It is noted that had the above funds not being diverted, the borrowings of RSL would have been lesser to that extent and the consequent interest upon the same would have been avoided/saved. Further, it is noted that the interest free advances as mentioned above, remained outstanding and while no income was received/receivable on those advances, RSL continued to pay interest on the same for years from the profits of the company which supposedly belonged to the investors.
34. RSL has submitted that the business advances provided to the company have been received and that there was no outstanding at the end of FY 2021-22. However, the company has not provided any evidence of receipt of money by RSL except the ledgers and a certificate from its auditor. It is noted that some of the transactions pertaining to Flawless Traders Private Limited mentioned in the documents provided by Ashwani K Gupta, Chartered Accountants, has been cross verified to be correct from the independently sourced bank statements from Zila Sahakari Bank Limited and UCO bank of RSL. However, in respect of other conduit entities the transactions mentioned in the Show Cause Notice in the matter of Rana Sugars Limited

documents provided could not be cross verified. Further, since the company has not provided the supporting documents in the form of bank statements to cross verify the claim of receipts by RSL, the receipts and payments appearing in the respective bank accounts of CAPL, JABPL, RJTPL and RGS Traders have been considered as payment and repayment of business advances by RSL. Further, it is also noted that RSL was borrowing funds from banks for its working capital other requirements and simultaneously it was also giving interest free business advances to entities which reportedly had no regular business or other source revenue. RSL was asked to provide year wise details of borrowings and interest expenditure in respect of the same. However, RSL has not provided the information despite several summons and reminder summons. Further, for the purpose of calculation of interest that could have been avoided or potentially earned on the interest free business advances provided to the entities, the information provided by RSL and the receipts and payments alleged in the bank accounts with Axis Bank of the entities obtained directly from the bank has been considered.

35. Further, from the said ledgers also it is alleged that an amount of approximately Rs. 1.45 crore is outstanding as on March 31, 2022 from Flawless Traders Private Limited and another Rs. 8.71 crore receivable from Century Agros Private Limited has been adjusted by assignment of obligation from Camelot Exports Private Limited without actual flow of funds. It is noted that the documents also alleged that the documents received from the auditors based on which he had certified seems to be lacking authenticity. However, even for the argument sake it is assumed that the business advances were received back, still the company has suffered actual losses on account of the interest paid by the company on the borrowings (secured and unsecured) availed by it during the period when the business advances remained outstanding. Further, there is no evidence that the money received by the individual entities were actually repaid by them. It is further understood that the business advances which remained outstanding for years with any income from the conduit entities and the payment of interest for years on the borrowings by RSL, was a fraud on the investors of RSL by the management of RSL (MD, Chairman and Director). The above act on the part of Rana Sugars and its management had created undue and extra burden on the financials of the company, which ultimately resulted in erosion of wealth of the investors of Rana Sugars Limited.
36. It is alleged that during investigation direct one to one fund diversion was traced in respect of approximately Rs. 52.98 crore which were diverted to the individual entities belonging to the

Show Cause Notice in the matter of Rana Sugars Limited

promoter group including the Chairman, MD and Executive Director. The individual entities have not replied and the summons issued to the conduit entities did not get delivered despite assurance by MD of RSL. Further, RSL has not provided bank account statement to support its claim about the receipt of money from the said entities.

37. It is noteworthy to reiterate that RSL was borrowing funds from banks and paying interest on those borrowed funds and simultaneously, the funds were diverted as business advances and further siphoned off by the promoter entities. The table below gives It is noted that RSL had submitted that the amount given as business advances to the conduit entities have been refunded by them and that there is no outstanding at the end of March 31, 2022. The company in support has provided a certificate from its auditor which tabulates year wise outstanding advances provided by RSL to the conduit entities.
