3. Meanwhile, SEBI has framed the SEBI Settlement Scheme, 2022 pursuant to the Order dated May 13, 2022 passed by the Hon'ble Securities Appellate Tribunal (**Annexure 4**), wherein the following directions were issued to SEBI:

"17. We are, thus, of the opinion that SEBI should reconsider and seriously give a thought in coming out with a fresh scheme under Clause 26 of the Settlement Regulations, 2018. Such scheme can be a onetime scheme for this class of person. The terms of settlement should be attractive so that it could attract the noticees / entities to come forward and settle the matter which will ameliorate the harassment of penalty proceedings to the noticees and at the same time would help to clear the backlog of these pending matters before various AOs."

(Emphasis Supplied)

4. In compliance with the above directions of the Hon'ble Securities Appellate Tribunal, SEBI has introduced a onetime settlement scheme called the SEBI Settlement Scheme, 2022, in terms of Regulation 26 of the Securities and Exchange Board of India (Settlement Proceedings) Regulations, 2018 in the matter of Illiquid Stock Options. The said scheme proposes payment of Settlement Amount as per the details given below:

April 01, 2014 to September 30, 2015 (hereinafter referred to as 'Investigation Period'/'relevant period').

3. It may be noted that reversal trades are considered non-genuine trades if it involves an entity reversing its buy or sell positions in a contract with subsequent sell or buy positions with the same counterparty during the same day. In this regard, artificial volume is considered as the volume (no. of units) reversed in non-genuine trades, comprising both original volume and reversed volume while keeping out the volume which is not reversed.
4. Pursuant to the investigation, it is alleged that, during the investigation period, a total of 2,91,643 trades comprising substantial 81.38% of all the trades executed by various entities in Stock Options Segment of BSE were non-genuine trades. The aforesaid alleged non genuine trades resulted into creation of artificial volume to the tune of 826.21 crore units or 54.68% of the total market volume in Stock Options segment of BSE during the Investigation period.
5. It is further noted that said alleged non-genuine trades were not restricted to any specific contract or between any specific set of entities. It is noted that Noticee was one of the various persons/ entities which were indulged in execution of such alleged non-genuine trades in Stock Options Segment of BSE during the Investigation period. Following points deals with the dealings of Noticee during the Investigation period and allegations against its execution of non-genuine trades.
6. For the purpose of illustration of non-genuine trades and creation of artificial volume by the Noticee, details of trading done by the Noticee in the contract viz. "PGCL15APR130.00CEW2" on March 26, 2015 is given below:

7. It is observed from the table above that the trades entered by the Noticee in the contract of "PGCL15APR130.00CEW2" on March 26, 2015, with the counterparty viz. Sai Refinery were reversed between the Noticee and the same counterparty on the same day resulting in reversal of trades which are, *prima facie*, considered to be as non-genuine. Therefore, in the process artificial volume in the stock option contract at BSE has been generated by the Noticee through such non-genuine trades. From the table above, it is observed that the artificial volume created as no. of units reversed in non-genuine trades is 40,000 units comprising both volume of initial trade and volume of reversal trade, while not considering the volume which is not reversed. In the process, it is observed that the Noticee had made a profit of Rs. 1,30,000 /-
8. It is further observed from the trade data of the Noticee that it has allegedly entered into non-genuine trades in 2 contracts wherein it executed a total of 4 trades all of which were, *prima facie*, non-genuine trades. In view of this, it is alleged that such fraudulent trades of the Noticee had resulted into creation of artificial volume of total 80,000 units.
9. In this regard, details of all the alleged non-genuine trades of the Noticee in Stock Option Segment of BSE during relevant period are attached as **Annexure 2**. From the perusal of the trade data of the alleged non-genuine trades of the Noticee, it is observed that Noticee has allegedly executed non-genuine trades in 2 contracts. The total volume of 80,000 units generated by the Noticee in these 2

contracts due to its alleged non-genuine trades was artificial volume generated by the Noticee in the stock option segment of BSE. These alleged non-genuine trades, executed by Noticee in above contracts, had significant differential in buy rates and sell rates considering that the trades were reversed on same day.

10. Further, summary of dealings of Noticee in 2 Stock Options contracts in which it had allegedly executed non genuine trades during the relevant period is enclosed as **Annexure 3**.

11. In view of the foregoing, it is alleged that the Noticee, by indulging in execution of reversal trades in Stock Options with same entities on the same day, which were non-genuine in nature, has created false or misleading appearance of trading in the aforementioned contracts traded in the option segment of BSE. In view of the fact that these options contracts were illiquid in nature, having very small volume in trading, the Noticee allegedly created artificial volumes in stock options which was manipulative and deceptive in nature. Therefore, in view of above, it is alleged that the Noticee has violated Regulation 3(a), (b), (c), (d), 4(1) and 4(2)(a) of PFUTP Regulations, 2003. The text of aforementioned provisions of law is being reproduced below:
