**ORDER**

1. The appellant had filed an application dated December 02, 2022 (received by the respondent through RTI MIS Portal) under the Right to Information Act, 2005 (“**RTI Act**”). The respondent, by a letter dated December 09, 2022, responded to the application filed by the appellant. The appellant filed an appeal (Reg. No. SEBIH/A/E/22/00665) dated December 10, 2022. I have carefully considered the application, the response and the appeal and find that the matter can be decided based on the material available on record.
2. **Queries in the application** –The appellant, vide his application dated December 02, 2022, sought the following information:

*“Pls advise dates of Meetings held to discuss Points No.s 39/40/41 in the SEBI FAQs.  
<https://www.scores.gov.in/scores/Docs/FAQSCORES.pdf>”*
3. The respondent, in response to the aforesaid query, informed that no such meetings were held.
4. **Ground of appeal-** The appellant has filed the appeal on the ground that access to the requested information was refused. The appellant, in his appeal, *inter alia*, submitted that he finds it difficult to believe that changes in SEBI policy are inserted without any meetings.
5. I have perused the query and the response provided thereto. On consideration, I find that the respondent has adequately addressed the query by providing the information available with him on record. Further, I do not find any reason to disbelieve the response provided by the respondent.

6. In view of the above observations, I find that there is no need to interfere with the decision of the respondent. The Appeal is accordingly dismissed.
