In the matter of dealing in Illiquid Stocks Options at BSE

FACTS OF THE CASE IN BRIEF

1. Securities and Exchange Board of India (hereinafter referred to as 'SEBI'), observed large scale reversal of trades in Illiquid Stock Options (hereinafter referred to as "ISO") segment of Bombay Stock Exchange (hereinafter referred to as "BSE") leading to creation of artificial volume. Reversal trades were considered those trades in which an entity reverse its buy or sell positions in a contract with subsequent sell or buy position with the same counter party during the same day. The said reversal trades are alleged to be non-genuine trades as they are not executed in normal course of trading, lack basic trading rationale and allegedly lead to false or misleading appearance of trading in terms of generation of artificial volume, hence were deceptive and manipulative. Whereas the artificial volume was considered as the volume (no. of units) reversed in non-genuine trades, comprising both original volume and reversed volume while keeping out the volume which is not reversed.
2. SEBI conducted an investigation into the trading activities of certain entities in ISO, BSE for period April 1, 2014 to September 30, 2015 (hereinafter referred to as "Investigation Period"/"IP"). Pursuant to investigation, it was observed that during IP, total 2,91,643

trades comprising substantial 81.38% of all the trades executed in Stock Options of BSE were non-genuine trades. The aforesaid non-genuine trades resulted in creation of artificial volume to the tune of 826.21 crore units or 54.68% of the total market volume in Stock Options segment of BSE during the IP. It was also noted that said non-genuine trades were not restricted to any specific contract or between any specific set of entities.

3. It was alleged that Viprit Trading Pvt. Ltd (hereinafter referred to as “Noticee”) was one of the entities who had indulged in creating artificial volume of 3482000 units through 36 non-genuine trades in 5 stock option contracts. Following is noted from the dealings of Noticee in aforesaid 5 contracts at BSE

- a. Of the 49 trades executed by the Noticee on BSE Stock option segment, 36 trades were non-genuine.
- b. No. of non-genuine trades of Noticee has significantly contributed to the total no. of trades from the market in the said 5 contracts.
- c. A substantial 26% to 100% of volume generated by the Noticee in each of the 5 contracts was artificial volume, and further, artificial volume generated by it also contributed to significant upto 100% of the total volume of the market in above contracts.
- d. In all of the above contracts, alleged non-genuine trades executed by Noticee had significant difference in buy rates and sell rates. The difference in buy/sale price of the trades executed by the Noticee was in the range of 1.61 times to 2.32 times of previous trade executed in the same contract on the same day and with the same counter party and in a gap of few seconds. For example in the contract ‘SUNT15MAR410.00CEW3, the Noticee sold 320000 units at ₹ 15.9 to Avijit Saha at 12:09:25 and this order was reversed at ₹17.2 at 12:09:36, ₹19.6 at 12:09:40, ₹ 22.5 at 12:09:43, ₹25.6 at 12:10:02 and ₹25.4 at 12:10:12 on the same day between same counter parties with the time difference of 11-47 seconds.

4. In view of the foregoing, it was alleged that the Noticee has entered into reversal trades in BSE ISO and these reversal trades were non-genuine in nature and have created false and misleading appearance of trading in terms of artificial volume in Stock Options and therefore alleged to be manipulative, deceptive in nature. The Noticee was alleged

to have violated regulations 3(a), (b), (c) and (d), 4(1), 4(2)(a) of SEBI (Prohibition of Fraudulent and Unfair Trade Practices Relating to Securities Market) Regulations, 2003 (hereinafter referred to as “PFUTP Regulations”).

APPOINTMENT OF ADJUDICATING OFFICER

5. Vide an order of the Competent Authority, SEBI, dated April 3, 2018, the undersigned has been appointed as the Adjudicating Officer under Section 15-I of Securities and Exchange Board of India Act, 1992 (hereinafter referred to as “SEBI Act”) read with Rule 3 of SEBI (Procedure for Holding Inquiry and Imposing Penalties by Adjudicating Officer) Rules, 1995 (hereinafter referred to as “Adjudication Rules”) to inquire and adjudge under section 15HA of SEBI Act.

SHOW CAUSE NOTICE, REPLY AND HEARING

6. Based on the findings by SEBI, Show Cause Notice dated October 1, 2018 (hereinafter referred to as 'SCN') was issued to the Noticee under Rule 4(1) of Rules to show cause as to why an inquiry should not be held and penalty should not be imposed on it for the alleged violations. The Noticee replied to the SCN vide letter dated October 12, 2018 stating, inter alia, the following:
 - *We have traded in online platform of BSE. So we did not know the counterparty of our trade.*
 - *We have not entered into any trade with pre intention to do profit or loss. Moreover, by mistake, if the wrong trade is punched by jobber, then we have to reverse it in short time. So some trade are squared off in short time.*
 - *We have traded all transactions only through authorised broker of BSE and in online platform.*
 - *All orders are matched on Exchange Trade matching software and therefore, matching of mind is not possible.*
 - *So it is wrongly claimed that we have entered into the non-genuine trades in illiquid stock options at BSE during the FY 2014-15.*
7. In order to comply with the principles of natural justice an opportunity of personal hearing was given to the Noticee on November 2, 2018 vide notice dated October 25, 2018 and

March 08, 2019 vide notice dated February 05, 2019. The Noticee did not appear on the scheduled date of hearing repeatedly.

CONSIDERATION OF ISSUES AND EVIDENCE

8. I have carefully perused the charges levelled against the Noticee in the SCN, its reply and the material / documents available on record. In the instant matter, the following issues arise for consideration and determination:-
- I. Whether the Noticee has violated regulations 3(a), (b), (c), (d), 4(1), 4(2)(a) of PFUTP Regulations?
 - II. Do the violations, if any, on the part of the Noticee attract monetary penalty under section 15HA of SEBI Act?
 - III. If so, what would be the quantum of monetary penalty that can be imposed on the Noticee after taking into consideration the factors mentioned in section 15J of the SEBI Act?
9. Before proceeding further, I would like to refer to the relevant provisions of the PFUTP Regulations:

Relevant provisions of PFUTP Regulations

Regulation 3. No person shall directly or indirectly –

- (a) buy, sell or otherwise deal in securities in a fraudulent manner;*
- (b) use or employ, in connection with issue, purchase or sale of any security listed or proposed to be listed in a recognised stock exchange, any manipulative or deceptive device or contrivance in contravention of the provisions of the Act or the rules or the regulations made thereunder;*
- (c) employ any device, scheme or artifice to defraud in connection with dealing in or issue of securities which are listed or proposed to be listed on a recognised stock exchange;*
- (d) engage in any act, practice, course of business which operates or would operate as fraud or deceit upon any person in connection with any dealing in or issue of securities which are listed or proposed to be listed on a recognised stock exchange in contravention of the provisions of the Act or the rules and the regulations made thereunder.*

Regulation 4 Prohibition of manipulative, fraudulent and unfair trade practices

- (1) Without prejudice to the provisions of regulation 3, no person shall indulge in a fraudulent or an unfair trade practice in securities.
- (2) Dealing in securities shall be deemed to be a fraudulent or an unfair trade practice if it involves fraud and may include all or any of the following, namely;-
- (a) indulging in an act which creates false or misleading appearance of trading in the securities market;

10. I note from the documents on record that the Noticee was one of the entities who had indulged in creating artificial volume of 3482000 units through 36 non-genuine trades in 5 stock option contracts during IP.

11. The summary of trades is given below:

Stock Option Contract	Buy Quantity	Sell Quantity	Number of non genuine trades executed by Entity in the Contract	Total number of trades executed by the Entity in the Contract	Total number of trades executed in the contract	Artificial volume generated by Entity in the Contract (B+C)	Total volume generated by Entity in the Contract	Total volume in the Contract	% of Non Genuine trades of Entity in the contract to Entity's Total trades in the Contract = (D/E)	% of Non Genuine trades of Entity in the contract to Total trades in the Contract = (D/F)	% of Artificial Volume generated by Entity in the contract to Entity's Total Volume in the Contract = (G/H)	% of Artificial Volume generated by Entity in the contract to Total Volume in the Contract = (G/I)

12. To illustrate, on March 25, 2015 the Noticee entered into 1 buy trade for 305000 units at the rate of ₹ 27.8 per unit at 13:28:34 with N M Impex Private Limited for the contract named "MSSL15MAR460.00CE". Thereafter, on the same day, Noticee, at 13:28:40, 13:28:45, 13:28:49, 13:29:05 and 13:29:28 entered into 5 sell trade with same counterparty for 305000 units at average rate of ₹19.28 per unit. It is noted that while dealing in the said contract during the I.P., Noticee executed total 6 reversal trades (1 buy trade + 5 sell trade) with same counterparty viz, N M Impex Private Limited on the same day and with significant price differential in buy and sell rate. Thus, Noticee, through its dealing in the contract viz, "MSSL15MAR460.00CE" during the I.P, executed 6 non-genuine trades which is 100% of the total market trades in the said contract during the I.P and thereby, Noticee generated artificial volume of 610000 units which is 100% of the market volume traded in the said contract during the I.P.

13. It is noted that of the 49 trades executed by the Noticee during the IP in stock option segment of BSE, Noticee indulged in reversal of trades on the same day with same counter party with substantial price difference in sell rates over the buy rates and vice versa in 36 trades.

14. It is also noted that the Noticee in abovementioned 5 contracts, has reversed its trades within a short span of time. The details of 3 such contracts as per following table:

15. The Noticee adopted similar modus operandi March, 18, 19, 20, 25, and 26, 2015 i.e. 5 days. In fact, it can be observed from the table that mostly all the trades executed by the Noticee in these 5 contracts were not genuine and the same has been reversed on the same day within few seconds with the relevant same counterparties with significant difference in price, resulting into significant profit to the Noticee.
16. It is not mere coincidence that Noticee could match his trades consistently with the same counterparties with whom he had undertaken first leg of the respective trades. This is the outcome of meeting of minds elsewhere and it was a deliberate attempt to deal in such a fashion. Here I would like to rely on the judgment of Hon'ble Supreme Court in *SEBI v Kishore R Ajmera (AIR 2016 SC 1079)*, wherein it was held that *"in the absence of direct proof of meeting of minds elsewhere in synchronized transactions, the test should be one of preponderance of probabilities as far as adjudication of civil liability arising out of the violation of the Act or provision of the Regulations is concerned. The conclusion has to be gathered from various circumstances like that volume of the trade effected; the period of persistence in trading in the particular scrip; the particulars of the buy and sell orders, namely, the volume thereof; the proximity of time between the two and such other relevant factors. The illustrations are not exhaustive."* It was further held that *"It is a fundamental principle of law that proof of an allegation levelled against a person may be in the form of direct substantive evidence or, as in many cases, such proof may have to be inferred by a logical process of reasoning from the totality of the attending facts and circumstances surrounding the allegations/charges made and levelled. While direct evidence is a more certain basis to come to a conclusion, yet, in the absence thereof the Courts cannot be helpless. It is the judicial duty to take note of the immediate and proximate facts and circumstances surrounding the events on which the charges/allegations are founded and to reach what would appear to the Court to be a reasonable conclusion therefrom. The test would always be that what inferential process that a reasonable/prudent man would adopt to arrive at a conclusion."*
17. It is noted that direct evidence is not forthcoming in the present matter as regards to meeting of minds or collusion with other entities inter-alia the counterparties or agents / fronts. However, trading behavior and other scenarios as noted above make it clear that aforesaid non-genuine trades could not have been possible without meeting of minds at some level. In this regard, reliance is placed on judgment of Hon'ble Supreme Court in

the matter in respect of SEBI v Rakhi Trading Private Limited Civil Appeal Nos. 1969, 3174-3177 and 3180 of 2011 decided on February 8, 2018, which inter alia states that: *“Considering the reversal transactions, quantity, price and time and sale, parties being persistent in number of such trade transactions with huge price variations, it will be too naive to hold that the transactions are through screen-based trading and hence anonymous. Such conclusion would be over-looking the prior meeting of minds involving synchronization of buy and sell order and not negotiated deals as per the board's circular. The impugned transactions are manipulative/deceptive device to create a desired loss and/or profit. Such synchronized trading is violative of transparent norms of trading in securities.....”*

18. There is no justification for such synchronization apart from pre-determination. It seems pretty obvious that the Noticee and the counterparties had a prior meeting of mind and had executed the trades at a particular rate.
19. The manner of placing buy and sell orders in a synchronized manner within few seconds to few minutes of each other, reversal of the trades within a short time on the same day, and wide variation in prices of the trades in the same contract in a short time without any basis for such wide variation, all indicate that the trades executed by the Noticee were not genuine trades and being non-genuine, created an appearance of artificial trading volumes in respective contracts. In view of the above, I find that the allegation of violation of regulations 3(a), (b), (c) and (d), 4(1), 4(2)(a) of PFUTP Regulations by the Noticee stand established.

The Hon'ble Supreme Court of India in the matter of SEBI Vs. Shri Ram Mutual Fund [2006] 68 SCL 216(SC) held that *“In our considered opinion, penalty is attracted as soon as the contravention of the statutory obligation as contemplated by the Act and the Regulations is established and hence the intention of the parties committing such violation becomes wholly irrelevant...”*.

20. The above violation make the Noticee liable under section 15HA of SEBI Act, which reads as follows:

15HA Penalty for Fraudulent and Unfair trade practices

If any person indulges in fraudulent and unfair trade practices relating to securities, he shall be liable to a penalty which shall not be less than five lakh rupees but which may extend to twenty-five crore rupees or three times the amount of profits made out of such practices, whichever is higher.

21. While determining the quantum of penalty under Section 15HA of the SEBI Act, it is important to consider the factors relevantly as stipulated in Section 15J of the SEBI Act which read as under:-

Section 15J - Factors to be taken into account by the adjudicating officer *While adjudging quantum of penalty under section 15, the adjudicating officer shall have due regard to the following factors, namely:-*

- (a) the amount of disproportionate gain or unfair advantage, wherever quantifiable, made as a result of the default;*
- (b) the amount of loss caused to an investor or group of investors as a result of the default;*
- (c) the repetitive nature of the default.*

22. Though the records available before me does mention about amount of gain/loss of the entities involved in the non-genuine trades including the Noticee. However it is worth considering that entities involved in these non-genuine trades have either booked gains or loss and the gains or loss appears to be of notional in nature. It is further noted that the trading in illiquid stock option contracts there was nil or negligible participation by the public. Hence, the impact of these non-genuine trade has been considered. When the impact of artificial volume created by the two counterparties is seen as a whole, it is not possible from the material on record to quantify the amount of disproportionate gain or unfair advantage resulting from the artificial trades between the counter parties or the consequent loss caused to investors as a result of the default.

23. Here, Noticee has pleaded that due to his trades in illiquid stock option he has incurred loss. However, from the pattern of the trades, it is clear that the Noticee had entered into non-genuine reversal trades with prior meeting of mind with the counterparties. This pattern of trades continued for 5 days. Hence, it can be said that it repetitive in nature.

ORDER

24. In view of the above, after considering all the facts and circumstances of the case and the factors mentioned in the provisions of section 15-J of the SEBI Act, I, in exercise of the powers conferred upon me under section 15-I (2) of the SEBI Act read with Rule 5 of the SEBI Adjudication Rules, conclude that the proceedings against the Noticee stands established in terms of the provisions of the SEBI Act. Hence, in view of the charges established under the provisions of the SEBI Act, I, hereby impose monetary penalty under section 15HA of SEBI Act of ₹ 5,00,000 (Rupees Five Lakh only) for violation of regulations 3(a), (b), (c) and (d), 4(1), 4(2)(a) of PFUTP Regulations
25. The Noticee shall remit / pay the said amount of penalty within 45 (forty five) days of receipt of this order either by way of Demand Draft (DD) in favour of “SEBI - Penalties Remittable to Government of India”, payable at Mumbai and 1) the said DD should be forwarded to the Division Chief, Enforcement Department (EFD), Division of Regulatory Action - II [EFD-DRA-2] SEBI Bhavan, Plot No.C4-A, ‘ G ’ Block, Bandra Kurla Complex (BKC), Bandra (East), Mumbai – 400 051 OR 2) through e-payment facility into Bank Account, the details whereof are given as below :-
