Total				8011	4.00	7	93	3.76%

6. It is further observed that, the Noticees entered into reversal trades among themselves on 10 days and contributed 27.60% to market volume. The Noticees have traded amongst themselves through 1,480 trades during the 10 days. These trades did not result in change in beneficial ownership and created misleading appearance of trading in the scrip.
