12. EXAMINATION OF COMPLAINTS

12.1. **Complaint of Mr. Lokesh Kumar:** The complainant had lodged a complaint bearing Registration No. SEBIE/MP19/0002039/1 at SCORES on August 23, 2019. The complainant alleged that his service tenure with the IA was till November, 2019. Further, upon the request of complainant the services were put on hold for 3 months. However, after 3 months his services were not activated despite requesting IA several times through emails. (Copy of complaint placed at **Exhibit 1**).

TIR was not fair in its dealing with the clients and sold multiple packages and charging unreasonable fee.

12.1.1. As observed from the mail records and supporting documents submitted by the complainant, the complainant paid Rs. 7,89,345/- lakhs to TIR in 17 parts during the period December 28, 2017 to January 1, 2019 for various services, as follows:

S.No.	Date of Payment	Name of Services	Service Period (days)	Amount (Rs)
1	28/12/2017	Stock Option	18	5900
2	30/12/2017	Stock Option	38	11800
3	01/01/2018	Stock Option	132	41300

17	01/01/2019	Base Metal	79	31500
Total				7,89,345/-

12.1.2. Further, from the emails and documents submitted by the complainant, it was observed that the complainant was not provided complete invoices with respect to the payment made to TIR. The complainant received email invoices as a proof of payments from the TIR. The following details are noted from the emails provided by TIR to Complainant for Customized Equity Option:

S. No.	Service	TIR Charged (In Rs.)	Payment date
1	Customized Equity Option (24 days)	1,27,580/-	30/01/2018
2	Customized Equity Option (14 days)	70,800/-	20/02/2018
3	Customized Equity Option (4 days)	20,060/-	20/02/2018
4	Customized Equity Option (7 days)	39,176/-	21/02/2018
5	Customized Equity Option (14 days)	83,000/-	28/02/2018
6	Customized Equity Option (1 days)	3,000/-	03/04/2018
7	Customized Equity Option (10 days)	50,000/-	02/05/2018
8	Customized Equity Option (20 days)	10,00,00/-	31/08/2018
9	Customized Equity Option (6 days)	25,000/-	28/09/2018
10	Customized Equity Option (8 days)	35,000/-	29/10/2018
11	Customized Equity Option (19 days)	99,800/-	03/04/2018

12.1.3. The charges taken appeared to be arbitrary, for example, if charge of Customized Equity Option for 1 day is Rs. 3000/-, then accordingly for the same service for 4 days should have been Rs. 12,000/- (for 4 days); Rs 18,000/- for (6 days), Rs. 21,000/- for (7 days), Rs 24,000/- for (8 days), Rs.30,000/- for (10 days), Rs. 42,000/- (for 14 days), Rs 57,000/- for (19 days) Rs 60,000/- for (20 days) and Rs. 72,000/- (for 24 days). The money charged by TIR was more in all the 10 instances discussed above and more

अनुवर्ती :
Continuation :

और विनिमय बोर्ड

than double in many instances, so the money taken seems to be arbitrary, unfair as well as unreasonable.

12.1.4. Further, it was also observed from the subscription details sent to the complainant through emails that even before the services expired, additional payments was taken from the client. For instance, on 20.02.2018 payment was taken and email was sent for Customized Equity Option service for 14 days and within same day another payment was taken and as per the subscription details service was for 4 days. Then within a span of one day i.e. on 20.02.2018 itself another payment was taken and as per the subscription details service of the same Customized Equity Option service was for another 7 days and so on. The packages were sold two or more, even prior to the continuing service. Therefore, it appeared that TIR was only bothered about collecting as much money as possible from the client having complete disregard to clients best interest and the fiduciary capacity in which an IA associates with its client.

12.1.5. Therefore, it has been alleged that Noticee failed in its responsibility to act in fiduciary capacity to its client which is entrusted upon it and violated Regulation 15 (1) and Regulation 15(9) read with clause 1, 2 and 6 of Code of Conduct specified under Schedule III of IA Regulations.

TIR promising assured return over Email to clients:

12.1.6. The complainant also submitted email correspondences held between him and TIR, wherein, the complainant vide email dated September 21, 2018 at 6:13 PM has sent an email to TIR (support@tradeindiaresearch.com) stating “Hi Team, Just now I had word with aman, could you please provide me the strategy mail”. In response, vide email dated September 21, 2018 at 6:48 PM, TIR submitted that:

“ As per your telephonic conversation with our coordinator regarding CUSTOMIZED EQUITY OPTION for 12 months. As per the past track records mentioned services you will get 1-2 Intra-day recommendation 14-16 days in month. Per trade basis you can expect 1% target (basis of technical analysis) movement in recommendation as per market condition.....”. (Exhibit 2)

12.1.7. TIR's website page indicated that it provide tips/ tele-messages in the securities pertaining to various segment of securities market viz. equity cash segment, equity futures segment, stock derivatives, index derivatives, commodity derivatives, etc., which are listed traded on the exchange platform. Performance/ return on investment in such securities is subjected to market risk. While knowing it very well that the investment by clients based on the advice given by IA is subjected to market risk, promising assured return to the client is an act of being dishonest on the part of IA and also not acting in the best interest of the clients, thereby TIR failed in its responsibility to act in fiduciary capacity to its client which is entrusted upon it and allegedly violated Regulation 15 (1) and Regulation 15(9) read with clause 1 of Code of Conduct contained in Schedule III of IA Regulations.

TIR misled prospective clients through its website:

12.1.8. It was observed from one of the e-mail dated December 28, 2017 (Exhibit 3) in relation to complainant communication with TIR, it advertises itself by saying “Here we fulfill your dreams to make money from stock market. We are registered with SEBI”, a sort of a modus operandi to garner trust in the name of SEBI registered IA as well indirectly make a profit commitment. Phrases like “here we fulfill your dreams to make money from stock market” are akin to committing assured returns and may influence the decision of the investor

to invest money. It has been alleged that TIR has violated PFUTP Regulations as such statements fall under the category of 'fraud' under Regulation 2(1) (c) of PFUTP Regulations.

TIR started services without RPM and without consent of the client:

- 12.1.9. In the scheme of IA Regulations, in terms of Regulation 16(a) of r/w 16(b)(ii) of IA Regulations, the IA obtains supporting documents such as income proof, proof of investment experience, etc., to check the authenticity/ correctness of response and to carry out its due diligence for properly assessing the risk client is able to bear and identifying whether client is unwilling or unable to accept the risk of loss of capital and after that in terms of Regulation 17(a) of IA Regulations, ensure that all investment on which investment advice is provided is appropriate to the client's risk profile. The consent of the client is integral to start his services for which he will be charged the advisory services charges.
- 12.1.10. In the matter of the complainant Mr. Lokesh Kumar, it was observed that TIR vide e-mail dated December 28, 2017 4:37 P.M welcomed the client for Stock Option Services for 18 days and communicated the Risk Tolerance to be 320. Further, the said email also mentions *that "In case of any change in Risk Profiling, Please revert us within 2 days of the receipt of this email support@tradeindiaresaerch.com."* The client would never be in position to provide his acceptance/rejection because the e-mail address at which the client's consent/rejection is sought is support@tradeindiaresaerch.com and not support@tradeindiaresearch.com.
- 12.1.11. The e-mail provided for reverting is support@tradeindiaresaerch.com and not support@tradeindiaresearch.com. Prima-facie, it was a deliberate trick

अनुवर्ती :
Continuation :

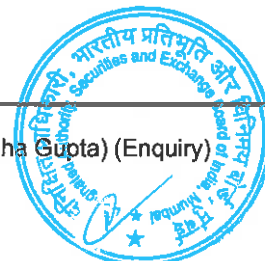

भारतीय प्रतिभूति
और विनिमय बोर्ड
Securities and Exchange

to provide wrong e-mail so that the client's mail never reach within 2 days and the IA goes ahead. Further, vide email dated December 29, 2018, the KYC Form, Risk Profile Format and Risk Suitability Assessment were sent to the complainant. However, it was noted that the said KYC Form, RPFs and Suitability Assessment were signed and mailed back at the correct e-mail i.e. support@tradeindiaresearch.com on January 2, 2019 (i.e., after taking complete payment of Rs.789345/-) at 10:16 PM, by the complainant. **(Exhibit 4).**

- 12.1.12. Thus, it was observed that the TIR continued to seek more and more payments without the consent of the client for the services and created fake Risk Tolerance Scores without being confirmed and signed by the complainant. Therefore, it has been alleged that TIR has violated the provisions of Regulation 15 (1) and Regulation 15(9) read with clause 1, 2 and 3 of Code of Conduct specified under Schedule III IA Regulations.

TIR deliberately misled prospective clients by not giving them complete invoices, manipulating risk profiles and failed to conduct due diligence:

- 12.1.13. The IA Regulations envisages that Risk profiling should be communicated to the client so that the client can assess his risk profile before agreeing to accept the advice. Further the purpose of risk profiling can be meaningful only when the Investment adviser verifies the information necessary for risk profiling. Such a requirement is mandatory, as the requirement for risk profiling is on the Investment Adviser. In the instant case, it was noted that TIR was not adhering to any of above requirements of the IA Regulations. Some of the instances are discussed as under:

The client was offered base metal service, which is part of a commodity service. It was observed from the above table that TIR changed his experience in commodity products from “No Experience” to “Moderate Experience”. The prima-facie reason for such a change in risk profile of the client could be ascribed to the fact that TIR manipulated the clients risk profile so as to meet their own parameters of delivery of a specific service i.e. commodity. In achieving their goal they completely disregarded the risk profile which was submitted by the client, suitability of services which could have been ascribed to the clients risk profile and more so also went ahead in changing the basis financial parameters of

the client like experience in investments, indebtedness, disposable income and preference of the client while being associated in the securities market. This showed that TIR never acted in the best interest of the client and its goal was to offer service so as to maximize earnings in the form of fees. Thus, TIR modified or manipulated the risk profile of the clients in order to sell the advisory products and maximize its revenue. Therefore, it has been alleged that TIR has violated the provisions of Regulation 16(a), 16(b) (ii) and 17 of IA Regulations, and Regulation 15(9) read with clause 1, 2 and 3 of the Code of Conduct Schedule III of IA Regulations.

12.1.13.2. Further, the complainant paid a total of Rs.7,89,345/- in 17 tranches. Further, from one of the email correspondences held between the client and TIR, it was observed that on October 26, 2018 at 11:59 AM, TIR submitted as:

"As per the telephonic conversation with our coordinator regarding amount of Rs.99,800 is the last amount for this particular Stock option services and It would be for next 12 months and from here on-words Mr. Harshit will give you support."

Subsequently, after receiving the payment of Rs.99800/- from the client, on **October 29, 2018 at 2:57 AM**, TIR sent an email to the client wherein following was mentioned:

"Thank you for subscribing with us.

*Please go through your registered details of subscription as mentioned below,

Payment: 99800

**In case of any change in the above mentioned details, please inform us about the same in writing through e-mail within 2 days of the receipt of this e-mail. Thus, it was noted that TIR mislead client and extorted money by initially offering Customized Equity Option services of Rs. 99800/- for a period of 12 months and soon after the payment of Rs. 99800/- made by the client the very same services, the TIR decreased the service tenure from 12 months to 19 days. Thus, it is alleged that IA failed in its responsibility to act in fiduciary capacity to its clients, which is entrusted upon it under regulation 15 (1) of IA Regulation. TIR also allegedly failed to abide by Clauses 1 (honesty and fairness), 2 (diligence), 6 (fair and reasonable charges) and 8 (compliance) of the Code of Conduct for Investment Advisors as specified in Third Schedule of IA Regulations read with regulation 15 (9) of IA Regulations.

- 12.2. **Complaint of Mr. Kavad Arvindbhai Chakurbhai** The complainant had complaint at SCORES bearing Registration No. SEBIE/MP20/0000330/1 against the IA. The copy of the said complaint is enclosed at **(Exhibit 6)**. The complainant alleged that he paid around Rs. 22 lakhs to TIR. The IA assured him of very big profit but he did not get even a single trade in any market and neither had he received single rupee profit from the IA. The IA forced to pay more and more money on pretext of getting all paid amount credited in his account.

TIR sold multiple packages to clients and charged unreasonable fee:

12.2.2. From the table above, it was noted that within a period of around 1 year 4 months i.e., October 25, 2016 to February 02, 2018, TIR collected fees from the complainant in 49 parts in lieu of multiple packages. From the analysis of details of payment submitted by the complainant, it was noted that TIR sold multiple packages and service to client viz. MCX, MCX Normal, MCX Premium, Stock Option Premium, Stock Option, Stock Cash

Premium, Customized Commodity MCX, Stock Future BTST & STBT, Stock Future Premium, MCX Premium, etc.

- 12.2.3. The invoices raised for the payment made by the client shows that the client was charged way above than what should have been charged actually. For instance, the price of Customized Commodity MCX monthly, quarterly, half yearly and yearly subscription, as depicted in the website of TIR (**Exhibit 8**) is Rs 2,41,000 + GST; 5,41,000+ GST; 9,41,000+ GST and 14,41,000 +GST respectively. From the above table, it was observed that TIR charged total of **Rs. 11,46,158/-** for the service of Customized Commodity MCX, within a short span of just **75 days**. As per the price of the service depicted in the web-site, 75 days fee for the said service should have been around Rs.4,94,045/- + GST. However, it can be seen that TIR charged Rs. **11,46,158/-**, which is more than double to what should have been actually charged by TIR. This shows that charges are taken from the client are not fair and are unreasonable and subsequently invoices are raised in an arbitrary manner.
- 12.2.4. Therefore, it has been alleged that TIR has violated Regulation 15(9) read with clause 1, 2 and 6 of Code of Conduct specified under Schedule III of IA Regulations.

TIR manipulated and forced the client to pay more and more fees with threat of forfeiture:

- 12.2.5. In the complaint of Mr. Kavad Arvindbhai Chakurbhai, it was noted that the TIR manipulated the complainant to borrow money from anyone and even incited him to sell his car so as to able him to pay fees sought by TIR in name of completing profile. From the WhatsApp chats shared by the complainant following was observed (**Exhibit 9**):

12.2.6. In the WhatsApp transcript dated 31.01.2018 at 4:07, employee of TIR is telling the client *"Sir phn par bhas ho rahi, 20k bhi rakh lia accept ni kiya"*

In the WhatsApp transcript dated 31.01.2018 at 5:37, employee of TIR is telling the client *"Arey Sir apko bola tha ye gadhe 20,000 ke chakkar me nautanki karege... mere se bhi liya ... aur apko bhi bole kal check krege"*

In a WhatsApp screenshot at 12:51 p.m, the employee of TIR is telling the client *"Apko smjh ni aaraha.... Ye amount agar mera hota toh apni car bech deta abhi tak mai"*.

Similarly, in a WhatsApp screenshot at 4:01 p.m., the employee of TIR is telling the client *"Arvind arey lelo kisi se"*

In a WhatsApp screenshot at 4:01 p.m., 5:29 p.m, the employee of TIR is telling the client *"Arvind kay kar rhe ho ap, 3lac arrange ni hua, Kya market value bna li hai apne, Jo aj apka sath ni de rahe hai"*

12.2.7. Thereafter, it was observed that the client made payments of Rs.3.15 lakh in 3 installments to TIR on December 19, 2017. Thus, from the above instances, it was noted that the TIR trapped the clients by initially taking small fees from them and thereupon they start soliciting the money on name of different services/ packages. On the hope of recovering their earlier payments, the investors make the additional payments.

12.2.8. Therefore, it has been alleged that TIR violated the provisions of Regulations 15(1) and 15(9) read with Clause 1 and 2 of Code of Conduct for Investment Advisers specified in Schedule III of IA Regulations.

12.3. **Complaint of Shri Deviya Devidas Shetkar:** The complainant Shri Deviya Devidas Shetkar lodged 6 complaints at SCORES (**Exhibit 10**). The subject matter in all the 6 complaints was the same. The complainant alleged that upon joining TIR in July, 2018, the complainant paid around Rs.32 Lakhs for

working with India's top 4 People Panel. TIR gave commitment for guaranteed returns. Further, the complainant also alleged that TIR is also indulged in hawala transactions.

TIR had not been fair in its dealing with the clients and was selling multiple packages and charging unreasonable fee.

12.3.1. As observed from the invoices submitted by the complainant, the complainant paid a hefty amount of **Rs.30,33,160/-** as a fees to TIR in 18 tranches, from the period July 18, 2018 to November 20, 2018, for multiple services, as given below:-

S.No.	Date of Payment	Date of Invoices	Name of Services	Service Period (in days)	Amount (in Rs.)

The copies of the Invoices are enclosed as **Exhibit -11**.

12.3.2. The following is observed from the Invoices provided by TIR to the complainant for Customized Equity Future services;

S. No.	Services	TIR Charged (Rs.)	Invoice date
1	CUSTOMIZED EQUITY FUTURE (10 DAYS)	62,000/-	12/01/2018
2	CUSTOMIZED EQUITY FUTURE (75 DAYS)	5,00,000/-	09/05/2018
3	CUSTOMIZED EQUITY FUTURE (12 DAYS)	79,872/-	08/07/2018
4	CUSTOMIZED EQUITY FUTURE (48 DAYS)	3,16,228/-	08/07/2018
5	CUSTOMIZED EQUITY FUTURE (5 DAYS)	29,500/-	28/08/2018
6	CUSTOMIZED EQUITY FUTURE (10 DAYS)	64,000/-	28/08/2018
7	CUSTOMIZED EQUITY FUTURE (30 DAYS)	2,08,500/-	28/08/2018
8	CUSTOMIZED EQUITY FUTURE (78 DAYS)	5,23,000/-	13/08/2018

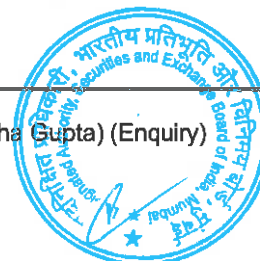

12.3.3. The charges taken appeared to be arbitrary, for example if charges for Customized Equity Future for 5 day is Rs. 29,500, then accordingly for the same services for 10 days it should have been Rs. 59,000; Rs. 70,800 (for 12 days); Rs. 1,77,000 (for 30 days); Rs.2,83,200 (for 48 days); Rs. 4,42,500 (for 75 days); Rs. 4,60,200 (for 78 days).

12.3.4. Further, it was noted that different fees were charged for same services with same service duration by TIR. As mentioned above in table at S.No.1, TIR charged Rs. 62,000 for Customized Equity Future for 10 days. Similarly, at S.no. 6 of the table, Rs. 64,000 was charged for 10 days for the same services, by TIR.

12.3.5. Similarly, the details from the Invoices provided by TIR to the complainant for Customized Equity Future services are as follows

S. No.	Service	TIR Charged (in Rs.)	Invoice date
1	CUSTOMIZED Commodity MCX (3 DAYS)	200000/-	20/10/2018
2	CUSTOMIZED Commodity MCX (4 DAYS)	250000/-	17/10/2018
3	CUSTOMIZED Commodity MCX (11 DAYS)	50000/-	10/12/2018
4	CUSTOMIZED Commodity MCX (14 DAYS)	111160/-	21/11/2018

12.3.6. It was noted from the above table that the fees charged for Customized Commodity MCX for 3 days is Rs. 2,00,000/-, for 4 days is Rs. 2,50,000/-.

अनुवर्ती :

However, for the same services fees collected for 11 days and 14 days is less than almost half of the fees charged for 3 days and 4 days which is Rs. 50,000 and Rs.1,11,160/- respectively. Hence, the money charged by TIR as discussed in tables above seemed to be arbitrary, unfair as well as unreasonable.

12.3.7. Further, it was also observed from the Invoices that even before the service expired, additional payments were taken from the client. For instance, on 08.06.2018, 3 payments were taken for the same Customized Equity Future for 48 days, 12 days and 78 days, respectively and then on 27.08.2018 again 3 payments were taken for the same services for 5 days, 10 days and 30 days, even before the earlier services could expire.

12.3.8. Similarly, before the expiry of the tenure of Stock Cash for 23 days from 18.07.2018, TIR again took payment on 21.07.2018 for another service i.e. Stock Cash Bluechip for 121 days. Thus, it appears that TIR was only bothered about collecting as much money as possible from the client having complete disregard to client's best interest and the fiduciary capacity in which an IA associates with its client.

12.3.9. Therefore, TIR failed in its responsibility to act in fiduciary capacity to its client which is entrusted upon it and allegedly Regulations 15(1) and 15(9) read with Clause 1, 2 & 6 of Code of Conduct for Investment Advisers specified in Schedule III of IA Regulations.

12.4. **Complaint of Mr. Rahul Warkhedkar:** The complainant had lodged 2 complaints at SCORES bearing Registration Nos. SEBIE/MP19/00000368/1 and SEBIE/MP19/0002793/1 (**Exhibit 12**). The subject matter in both complaints is the same. The complainant alleged that he got a call from TIR and they asked him to join their services to gain profit in share market. Being

अनुवर्ती :

और विनिमय बोर्ड

convinced, the complainant paid nearly Rs.2.3 lakhs. However, no profit was received by the complainant from TIR.

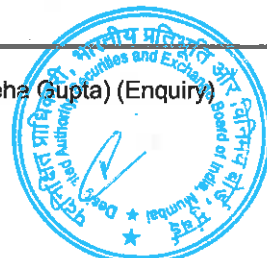

TIR had not been fair in its dealing with the clients and is selling multiple packages and charging unreasonable fee.

12.4.1. From the invoices submitted by the complainant, it was noted that the complainant paid Rs.2,34,787/- in 9 parts during the period September 12, 2018 to January 5, 2019 for services of Nifty Option, Stock Option Premium, Stock Future Premium and Stock Option BTST, as follows:

S.No.	Date of Invoice	Name of Services	Service Period (in days)	Amount (in Rs.)
1	12-09-2018	Nifty Option	15	3450/-
2	14-09-2018	Stock Option Premium	08	8165/-
3	19-09-2018	Stock Future Premium	18	18705/-
4	25-09-2018	Stock Option Premium	21	21062/-
5	06-10-2018	Stock Option Premium	Not given	29325/-
6	08-10-2018	Stock Option Premium	14	14064/-
7	15-11-2018	Stock Option BTST	27	31015/-
8	26-11-2018	Stock Option BTST	43	49001/-
9	05-01-2019	Stock Option BTST	52	60000/-
Total				2,34,787/-

The copies of the Invoices are enclosed as **Exhibit 13**.

12.4.2. Further, it was also observed from the invoices submitted by the complainant that even before the services expired, additional payments were taken from the client. For instance, on 12.09.2018, TIR sold Nifty Option package for 15 days to the client and just after 2 days TIR again sold another services of Stock Option Premium package for 8 days i.e., before the expiry of the tenure of existing services. Further, on 14.09.2018 payment had been taken and invoice raised for Stock Option Premium for 8 days and

और विनियम बोर्ड

on 19.09.2018 another payment taken for the same services even before the expiry of 8 days tenure.

12.4.3. The packages were sold two or more times, even prior to the continuing service. Therefore, it appears that TIR's was only bothered about collecting as much money as possible from the client having complete disregard to clients best interest and the fiduciary capacity in which an IA associates with its client.

12.4.4. Therefore, TIR failed in its responsibility to act in fiduciary capacity to its client which is entrusted upon it and allegedly violated Regulation 15 (1) and Regulation 15(9) read with clause 1, 2 and 6 of Code of Conduct given under Schedule III of IA Regulations.

12.5. Complaint of Randhir Kumar Mishra: The complainant had lodged 5 complaints at SCORES with the same subject matter. The complainant alleged that he did not get services and sought refund from TIR (**Exhibit 14**).

TIR had not been fair in its dealing with the clients and is selling packages before the expiry of the tenure of the continuing services and charging unreasonable fee.

12.5.1. From the invoices submitted by the complainant, it was noted that the complainant paid Rs. 32,800/- in 4 parts from the period March 20, 2018 to March 27, 2019 for service of Bluechip Cash. The client made multiple payments to TIR which is as follows:

S.No.	Date of Invoice	Name of Services	Service Period (in days)	Amount (in Rs.)
1.	20/03/2018	Bluechip Cash	04	5000/-
2.	23/03/2018	Bluechip Cash	13	15000/-
3.	26/03/2018	Bluechip Cash	08	10000/-

4.	27/03/2018	Bluechip Cash	07	7800/-
Total				Rs. 37,800/-

The copies of the Invoices are enclosed as **Exhibit -15**.

12.5.2. Further, it was also observed from the invoices submitted by the complainant that even before the services expired, additional payments were taken from the client. For instance, on 23.03.2018, TIR sold Bluechip Cash for 13 days to the client and just with a short span of 3 days it again sold the same services of Bluechip Cash for 8 days i.e., before the expiry of the tenure of existing services.

12.5.3. The same packages were sold two or more times, even prior to the continuing service. Therefore, it appears that TIR's was only bothered about collecting as much money as possible from the client having complete disregard to clients best interest and the fiduciary capacity in which an IA associates with its client.

12.5.4. Therefore, TIR failed in its responsibility to act in fiduciary capacity to its client which is entrusted upon it and allegedly violated Regulation 15 (1) and Regulation 15(9) read with clause 1, 2 and 6 of Code of Conduct specified under Schedule III of IA Regulations.

12.6. **Complaint of Tarang Patel:** The complainant had lodged 5 complaints regarding the same concern at SCORES. The complainant alleged that the company executives are not picking up his phone calls and he incurred huge losses on its services. Further, TIR also assured the complainant to makeover all losses and in case it fails to recover losses, he will get refund of all money including losses. (Copy of Complaint placed at **Exhibit 16**).

TIR had not been fair in its dealing with the clients and is selling multiple packages and charging unreasonable fee.

12.6.1. As observed from the mail records and supporting documents, the complainant paid Rs.10,24,695/- lakhs to TIR in 11 parts during the period August 28, 2018 to January 10, 2019 for various services. The client made multiple payments to TIR which is as follows:-

S.No.	Date of Invoice	Name of Services	Service Period (in days)	Amount (In Rs.)
1	28-08-2018	Stock Cash	09	2000/-
2	30-08-2018	Stock Option BTST	20	40000/-
3	14-09-2018	Combo Basic Service	16	38250/-
4	29.09.2018	Combo Basic Service	06	14445/-
5	05.10.2018	Combo Basic Service	32	80000/-
6	06.10.2018	Combo Basic Service	80	160000/-
7	10.12.2018	Combo Basic Service	105	230000/-
8	01.11.2018	Combo Basic Service	67	210000/-
9	29.11.2018	Swing Pack	89	100000/-
10	09.01.2019	Stock Option Power	18	72000/-
11	10.01.2019	Stock Option Power	20	78000/-
Total				10,24,695/-

The copies of the Invoices are enclosed as **Exhibit -16A**.

12.6.2. From the table above, it was noted that from 14.09.2018 to 01.11.2018, within 2 months in 6 tranches, TIR extorted Rs.7,32,695/- just for the Combo Basic Services.

12.6.3. The charges taken appeared to be arbitrary, for example, if charge of Combo Basic Service for 6 day is Rs. 14445, then accordingly for the same service for 16 days should have been Rs. 38,520/- (for 16 days); Rs 77,040/- for (32 days), Rs. 1,92,600/- for (80 days), Rs 2,52,787.5/- for (105 days) and Rs. 1,61,302.5/- (for 67 days). The money charged by TIR is more in all the 10 instances discussed seems to be arbitrary, unfair as well as unreasonable.

12.6.4. Further, it was also observed from the invoices submitted by the complainant that even before the services expired, additional payments were taken from the client. For instance, on 28.08.2018, TIR sold Stock Cash for 9 days to the client and just with a short span of 2 days it again sold the same services of another package of Stock Option BTST for 20 days. Similarly, from 14.09.2018 to 01.11.2018, TIR sold the same package of Combo Basic Service multiple times even before the expiry of the tenure of existing services.

12.6.5. The same packages were sold two or more times, even prior to the continuing service. Therefore, it appears that TIR's was only bothered about collecting as much money as possible from the client having complete disregard to clients best interest and the fiduciary capacity in which an IA associates with its client.

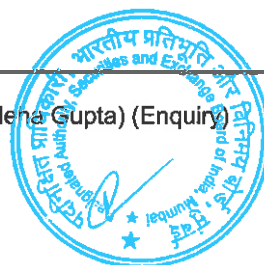

12.6.6. Therefore, TIR failed in its responsibility to act in fiduciary capacity to its client which is entrusted upon it and allegedly violated Regulation 15 (1) and Regulation 15(9) read with clause 1, 2 and 6 of Code of Conduct given under Schedule III of IA Regulations.

TIR promising assured return over telephone to clients and misleading clients:

12.6.7. From the call recordings provided by the complainant Mr. Tarang Patel (**Exhibit 17**), it was noted that the representative of TIR promised unrealistic/ exorbitant returns to the clients. The transcript of conversation between the representative / employee of TIR and the client are as under:

Complainant: Ha

Representative of TIR (Sani): Uske liye likhiye jo mai apko bta rha hu as per discussion with my market coordinator, my services will be continued till the time of my entire service charges as well as the desired profit will be not achieved.

12.6.8. Thus, Performance/ return on investment in such securities is subjected to market risk. While knowing it very well that the investment by clients based on the advice given by IA is subjected to market risk, promising assured return to the client is an act of being dishonest on the part of IA and also not acting in the best interest of the clients, thereby failed in its responsibility to act in fiduciary capacity to its client which is entrusted upon

it and violated Regulation 15 (1) and Regulation 15(9) read with clause 1 of Code of Conduct specified under Schedule III of IA Regulations.

TIR started services without doing KYC and suitability assessment of the client:

12.6.9. In the matter of the complainant Mr. Tarang Patel, it was observed that the client vide e-mail dated February 20, 2021, submitted the KYC documents which he had furnished to TIR. The date of the said KYC document is 8.10.2018. Further, the client also submitted the suitability assessment form which is dated 15.1.2019 (**Exhibit 18**). This essentially means that TIR finalized the suitability assessment of the client only on 15.1.2019. So the service which could be offered to the client was freezed on 15.1.2019. However, it was observed that TIR had taken advisory fees from the client much before the date when his services were finalized. In essence this, prima-facie, suggests that TIR gave pre-determined service to the client and the only reason which we could ascribe to such an act on the part of TIR was that it wanted to capture the client by way taking money before even deciding on to the service it could deliver. In other words, TIR only interest was to take money from the client so as to maximize its revenue. The total amount of money taken by TIR before finalizing the suitability of service is as follows:

S.No.	Date of Invoice	Name of Services	Service Period (In days)	Amount (in Rs.)
1	28-08-2018	Stock Cash	09	2000/-
2	30-08-2018	Stock Option BTST	20	40000/-

12.6.10. Thus, the entire amount of money taken by TIR was before suitability assessment was finalized. TIR continued to seek more and more payments without doing the necessary KYC, suitability assessment. Therefore, it has been alleged that TIR has violated the provisions of Regulation 15 (1) and Regulation 15(9) read with clause 1, 2 and 3 of Code of Conduct specified under Schedule III IA Regulations. Further, by taking money for a service (whose suitability had not been decided) before taking payments, TIR has allegedly violated provisions of Regulation 17 of IA Regulations, which ensures that all investment on which investment advice is provided is appropriate to the client's risk profile. Consent of the client is integral to start his services for which he will be charged the advisory services charges.

12.7. Complaint of Shri. Joydeb Mandal: The complainant Shri Joydeb Mandal had lodged 4 complaints at SCORES (**Exhibit 19**). The subject matter in all the 4 complaints is the same. The complainant alleged that he registered with Trade India Research on August 18, 2018, for customized services for 1 year to get profit through share market. TIR took total of Rs.7,17,185/- and assured the complainant that his money is safe and he will be provided 30% to 35% of profit from invested amount from share market.

TIR had not been fair in its dealing with the clients and is charging exorbitant fee.

12.7.1. As observed from the summary of payment details submitted by the complainant, the complainant paid a hefty amount of **Rs.717185.12/-** as a fees to TIR in 8 tranches, from the period August 18, 2018 to October 27, 2018, for customized services. The details of such multiple payments to TIR is given below:

S.No.	Date of Payment	Date of Invoices	Name of Services	Service Period (In days)	Amount (in Rs.)
1	18.08.2018	18.08.2018	Customized Services	Not known	5900.00
2	27.08.2018	27.08.2018	Customized Services	Not known	103545.00

Total					717185.12/-

The copies of the payment receipts are enclosed as **Exhibit 20**.

12.7.2. It was observed that within short span of just 70 days, the complainant charged an unreasonable fee for the same customized services. The same package were sold multiple times and did not provide any details regarding the service tenure i.e., the service start date and service end, to the complainant. Therefore, it appeared that TIR's was only bothered about collecting as much money as possible from the client having complete disregard to clients best interest and the fiduciary capacity in which an IA associates with its client. Therefore, TIR failed in its responsibility to act in fiduciary capacity to its client which is entrusted upon it and allegedly

violated Regulation 15 (1) and Regulation 15(9) read with clause 1, 2 and 6 of Code of Conduct specified in Schedule III of IA Regulations.

TIR started services without doing KYC and suitability assessment of the client:

- 12.7.3. In the matter of the complainant Mr. Joydeb Mandal, it was observed that the he also submitted the KYC documents which he had furnished to TIR. The date of the said signed KYC document is 27.09.2018. Further, the client also submitted the signed suitability assessment form which is dated 27.09.2018 (**Exhibit 21**). This essentially means that TIR finalized the suitability assessment of the client only on 27.09.2018. So the service which could be offered to the client should have been freezed on 27.09.2018. However, it was observed that TIR took advisory fees from the client much before the date when his services were finalized. In essence this, prima-facie, suggests that TIR gave pre-determined service to the client and the only reason which we could ascribe to such an act on the part of TIR was that it wanted to capture the client by way taking money before even deciding on to the service it could deliver. In other words, TIR only interest was to take money from the client so as to maximize its revenue. The total amount of money taken by TIR before finalizing the suitability of service i.e., before 27.09.2018 is Rs.496001.20/-.
- 12.7.4. Thus, the entire amount of money taken by TIR was before suitability assessment was finalized. TIR continued to seek more and more payments without doing the necessary KYC, suitability assessment. Therefore, TIR has allegedly violated the provisions of Regulation 15 (1) of IA regulation and Regulation 15(9) read with clause 1, 2 and 3 of Code of Conduct specified in Schedule III of IA Regulations. Further, by taking

money for a service (whose suitability had not been decided) before taking payments, TIR has allegedly violated provisions of Regulation 17 of IA Regulations, which ensures that all investment on which investment advice is provided is appropriate to the client's risk profile. Consent of the client is integral to start his services for which he will be charged the advisory services charges.

TIR deliberately misleading prospective clients by manipulating risk profiles and had failed to conduct due diligence:

- 12.7.5. In the KYC form dated 27.09.2018 submitted to TIR, the complainant submitted in his occupation that he is a **Retired** person. Further, from the point no. 20 of the risk profiling form of the complainant, it was noted that the occupation was mentioned as **Professional, Agriculturist**. The copy of the said risk profile is enclosed as **Exhibit 22**.
- 12.7.6. Thus, TIR modified or manipulated the risk profile of the clients in order to sell the advisory products and maximize its revenue. TIR allegedly failed in its responsibility to act in fiduciary capacity to its clients, which is entrusted upon it under regulation 15 (1) of IA Regulation, 2013 and also allegedly failed to abide by Clauses 1 (honesty and fairness), 2 (diligence) and 6 (fair and reasonable charges) of Code of Conduct for Investment Advisors as specified in Third Schedule of IA Regulations read with regulation 15 (9) of IA Regulations.

13. Non-Redressal of Investor Grievance:

investors grievances redressal mechanism so as to further strengthen it and correct the existing shortcomings, if any. The SEBI registered intermediaries, to whom complaints are forwarded through SCORES, shall take immediate efforts on receipt of a complaint, for its resolution, within thirty days. Further, the said circular stated that in case of failure by SEBI registered intermediaries to file ATR under SCORES within thirty days of date of receipt of the grievance, it shall be treated as failure to furnish information to SEBI and deemed to constitute non-redressal of investor grievance. As per the data obtained from the SCORES, it was observed that as on June 27, 2022, there are 69 complaints are pending against TIR and the status of 69 complaints are tabulated below:

13.2. Therefore, as noted from the above table, TIR failed to furnish information to SEBI within the time limit prescribed in the aforementioned circular. In view of the above, it has been alleged that TIR is in violation of regulation 21 of IA Regulations of SEBI IA Regulations.

14. Reference from Ministry of Corporate Affairs (MCA):

14.1. MCA vide its letter dated July 6, 2020 has informed SEBI that a company by the name of '*TradeIndia Research and Investment Advisory Private Limited*' has been incorporated on July 6, 2018 with shareholding of 99.90% held by Ms. Neha Gupta and 0.01% held by Mr. Bobby Chauhan. MCA has also submitted that the company is working as Investment Advisors which comes under the SEBI (Investment Advisers) Regulations, 2013. The copy of the MCA letter is enclosed at **Annexure 5**.

14.2. In this regard it was noted that TIR is registered with SEBI as individual investment adviser w.e.f. June 17, 2015. Further, TIR has neither informed nor taken any approval from SEBI, before incorporating the company '*Trade India Research and Investment Advisory Private Limited*', in which the proprietor of TIR (Ms. Neha Gupta) has majority shareholding. In terms of Regulation 13(b) of SEBI (IA) Regulations, 2013, all registered IA's are, *inter-alia*, mandated to inform the Board in writing, if there is any material change in the information already submitted. TIR has till date not informed

with respect to formation of the company to SEBI. It is alleged that TIR has violated Regulation 13(b) of IA Regulations read with Regulation 28(a) & 28(b) of IA Regulations.

15. Quantification of fees

15.1. It was noted that the website of the TIR is not active currently. However, the extracts of the webpages were retrieved from the webarchive.org. TIR under the head "Payment" provided details of 7 bank accounts (i.e. accounts held in ICICI Bank, HDFC Bank, Bank of Maharashtra, Axis Bank, State Bank of India, Punjab National Bank, YES Bank) and the clients / investors may make payments in any of these bank accounts. Therefore, in order to quantify the amount of advisory fees taken by the TIR, details of the bank accounts of TIR linked to the investment advisory services were sought from the banks (from the date of opening of account to till date). The details of such banks accounts are given below:

S.no	Bank Account No.	Bank
1	915020059457250	Axis Bank
2	60219596359	Bank of Maharashtra
3	004105014307	ICICI Bank
4	50200012504450	HDFC Bank
5	35549212707	State Bank of India
6	4622002100005152	PNB Bank
7	076261900000983	YES Bank

15.2. Upon analysing the bank account statements (**Annexure 6**), it was noted that huge amount of money was credited with the bank account statements

अनुवर्ती :

of TIR. Accordingly, the amounts credited, in aforementioned 7 bank accounts are tabulated as under:

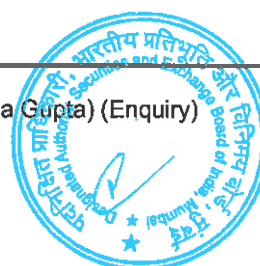

S. No.	Bank Account No.	Bank	Period of Statement	Total amount credited (in Rs.)
1	915020059457250	Axis Bank	15-12-2015 to 14-11-2019	19907098.07/-
2	60219596359	Bank of Maharashtra	09-07-2015 to 10-04-2021	35154083.32/-
3	004105014307	ICICI Bank	04-06-2015 to 02-06-2022	58448911.69/-
4	50200012504450	HDFC Bank	10-06-2015 to 09-07-2019	305263,830.45/-
5	35549212707	State Bank of India	05-02-2016 to 31-03-2018 & 01-01-2019 to 10-06-2022	41408614.54/-
6	4622002100005152	PNB Bank	23-09-2016 to 03-07-2019	13183509.2/-
7	076261900000983	YES Bank	21-06-2017 to 04-10-2019	67977929/-
Total				Rs.54,13,43,976.27/-

15.3. As the said bank accounts are current bank account of TIR and as per Account Opening Form of above mentioned banks accounts, the said banks were used by TIR to collect the advisory fees from the client. Accordingly, the amount Rs.54,13,43,976.27/- computed in the above mentioned table is considered advisory fees collected by the TIR from the clients since its inception i.e., June 17, 2015.

16. In addition to the complaints as mentioned at para 10 above, a few more complaints were also examined and the details of the same are given in the subsequent paras.

17. **Complaint of Shashi Kala:** The complainant had lodged 8 complaints in SCORES.

TIR provided Execution Services to Client:

17.1. Ms. Shashi Kala submitted copy of e-mail dated June 8, 2017, vide which she had provided TIR's number +917312428607 to Angel Broking to place trades. Copy of the E-mail is enclosed at **Exhibit 23**. TIR is a sole proprietorship firm. In terms of Regulation 22 of IA Regulations, sole proprietorship firms are not authorized to provide execution services. From the above, it was noted that TIR provided execution services to its client. In view of the above, TIR and its Proprietor Ms. Neha Gupta have violated regulation 13 (a) of IA Regulations.

Misleading Prospective Clients:

17.2. It was observed from one of the e-mail dated January 5, 2017 forwarded to Ms. Shashi Kala by TIR, TIR advertised itself by stating *"Here we fulfill your dreams to make money from stock market. We are registered with SEBI"*. It appeared that the above advertisement had been placed to garner trust by stating that it is a SEBI registered IA. The above advertisement indicate a profit commitment by the IA. Phrases like *"here we fulfill your dreams to make money from stock market"* are akin to committing assured returns.

17.3. Further, TIR also advertises in its website *"Currently, Trade India Research is a strong entity with 750+ team size with over 60+ people in core Research and has operational offices in India"*. Upon inquiry with the Legal & compliance manager of TIR, Shri Gaurav Garg and Compliance Executive Ms. Abhilasha Mishra in their statement dated June 21, 2019 (Placed at **Exhibit 24**), have submitted that the above statement is not correct. They have stated that the statement of 60+ people in Core Research and many operational office in India is also not correct. Therefore, TIR is misleading its prospective clients/clients by making big claims in its website. It was also observed that TIR is operating from 301, 3rd Floor, Mangal City Mall, Vijay Nagar, Indore – 452010 and it had 200 employees as per the Gumastha Certificate. By

placing such advertisements, which are false and misleading, TIR and its Proprietor Ms. Neha Gupta have violated regulations 4(1), 4(2) (k) of PFUTP Regulations read with Section 12A (a), (b) and (c) of SEBI Act.

18. Complaint of Vasant Kumar Rathod

**Mobilizing money deceitfully and involved in fraudulent activity
(Creation of fake portfolio):**

18.1. Vasant Kumar Rathod registered his complaint on SCORES bearing Registration No. SEBI/MP18/0002139/1 on July 14, 2018. As per the documents submitted by the complainant and his wife, they have in total paid Rs. 13 lakhs to TIR. The understanding of the complainant was that his portfolio will be managed by TIR. The client also submitted PAYUMONEY payment receipts from which it was observed that TIR took money from the client for Investment, investment Insurance, GST, Swatch Bharat Cess etc. However, subsequently TIR raised invoices in the name of advisory services. It was observed that TIR mobilized money from the client in a deceitful manner.

18.2. It was also alleged by Vasant Kumar Rathod that the employees of TIR created his fake portfolio in business standard and showed him his portfolio of around Rs.13,00,000/- on July 10, 2018. (**Exhibit 25**). On examining the Holding statement of the client from his demat account, it was observed that the portfolio value of securities held by him as on July 10, 2018 was Rs. 16,366.35. Therefore, the act on the part of TIR of creating fake portfolio of the client and showing him profit in his portfolio amounts to 'fraud' as defined under regulation 2(1)(c) of the PFUTP Regulations. therefore, it has been alleged that Noticee has violated the provisions of Section 12 A (a), (b) and (c) of SEBI Act and Regulation 4(1) of PFUTP Regulations.

19. Concealment of Information by Neha Gupta (Proprietor) Trade India Research in the application Form for grant of Registration Certificate:

19.1. Vide Order dated December 2, 2014, SEBI had, *inter alia*, directed *Moneyworld Research and Advisory Pvt. Ltd. (AAICM4895L) and its directors Mr. Chhatrpal Singh Lodhi (ADAPL0687R) and Mr. Pradhumn Agrawal (AWKPA7684G) to cease and desist from acting as Investment Advisers and cease to solicit or undertake such activities or any other unregistered activity in the securities market directly or indirectly, in manner whatsoever.*

19.2. Ms. Neha Gupta, (proprietor of TIR), applied for registration as Investment Adviser on April 10, 2015. At para 6 (c) of the application, the applicant is asked "*whether any disciplinary action has been taken by the Board or any other regulatory authority against any person directly or indirectly connected with the applicant under the Act or the regulations made there under in the last 5 years. If yes, provide details of the action*". In response to the above, Ms. Neha Gupta had stated "*Not Applicable, since we are not yet involved in investment advice*". Copy of the application form is enclosed at **Exhibit 26**.

19.3. Further, Ms. Neha Gupta, on June 1, 2018 had submitted an application to SEBI (Indore Local office) ILO for change in registered office address of the firm TIR Investment Adviser. Further, vide letter dated June 15, 2018, Ms. Neha Gupta also submitted the copy of the Registered Rent Agreement in support of the said change in Address application. It was noted from said agreement that Ms. Neha Gupta is wife of Mr. Pradhumn Agrawal. Further, Mr. Pradhumn Agrawal also signed as one of the witness in the said agreement.

19.4. Further, so as to ascertain that Mr. Pradhumn Agrawal (Husband of Ms. Neha Gupta) is the same person against whom Interim Order was passed

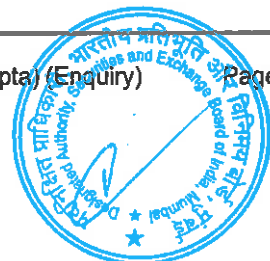

अनुवर्ती :

और विनिमय बोर्ड

on December 2, 2014, old documents available in the files pertaining to the matter of Interim Order against Pradhumn Agrawal and Ors. were scrutinized. It was observed from the PAN Card copy of Mr. Pradhumn Agrawal available in the file that the signature of Mr. Pradhumn Agrawal exactly matches with the signature of Mr. Pradhumn Agrawal (witness and husband of Ms. Neha Gupta) available in the copy of the Registered Rent Agreement.

19.5. Further, in another document dated December 12, 2104, Moneyworld Research had submitted a list of employees. In the said list, the name of Neha Gupta is figuring as an employee of the compliance department.

19.6. Therefore, it was observed that Pradhumn Agrawal against whom SEBI, vide order dated December 2, 2014, had, inter alia, issued directions and Mr. Pradhumn Agrawal, husband of Ms. Neha Gupta, who signed as witness in the Registered Rent Agreement are one and the same. The Interim Order against Mr. Pradhumn Agrawal (AWKPA7684G) was passed by SEBI on December 2, 2014 i.e. before Ms. Neha Gupta applied for SEBI Registration for acting as Investment Adviser. Ms. Neha Gupta applied on April 10, 2015. The above fact of her connection with Mr. Pradhumn Agrawal was concealed by the applicant and false submission was made by Ms. Neha Gupta for the purpose of taking Registration. Integrity, reputation and character' is one of the criteria for determining a 'fit and proper' person as defined in Schedule II of the SEBI (Intermediaries) Regulations, 2008. As per regulation 6(f) of the IA Regulations, a person has to be 'fit and proper' as defined in Schedule II of the SEBI (Intermediaries) Regulations, 2008. Since, Ms. Neha Gupta concealed a material information regarding cease and desist order passed

against her husband, she is not a 'fit and proper' person as defined SEBI (Intermediaries) Regulations, 2008.

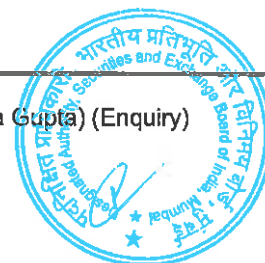

19.7. In view of the above, TIR and its Proprietor Ms. Neha Gupta have violated Regulation 13(a) of IA Regulations.

20. Allegation regarding employees providing investment advice without requisite qualification:

20.1. Regulation 7(2) IA Regulations requires an employee or an agent of an Investment advisor who is rendering investment advice (written or oral), to have at all times, a certification on financial planning/fund/asset/portfolio management or investment advisory services either from NISM or any other recognized institute.

20.2. At clause 2(l)(3) of the Form A (First Schedule of IA Regulations, it is clearly mentioned to provide educational as well as certification documents in terms of Regulation 7(1) and Regulation 7(2), of all employees and agents who shall render Investment Advice on behalf of the applicant. Further, in terms of Regulation 2(l) of IA Regulations, 'Investment Advice' means advice relating to investment in, purchasing, selling or otherwise dealing in securities or investment products and advice on investment portfolio containing securities or investment products, whether written, oral or through any other means of communication for the benefit of the client and shall include financial planning. Therefore, all employees, representatives and agents who deal and pitch investment products to clients on behalf of the Investment Adviser shall also necessarily be compliant to Regulation 7(1) and 7(2) of IA Regulations.

20.3. Further, at Annexure 4 of the IA Registration application, Ms. Neha Gupta had also declared that *"I and all our representatives will comply with certification and qualification requirements under regulation 7(2) of the Securities and Exchange*

अनुवर्ती :
Continuation :

भारतीय प्रतिभूति
और विनिमय बोर्ड

*Board of India (Investment Advisers), 2013". However, subsequent to the declaration made above, other than for herself, Ms. Neha Gupta never provided any document to sufficiently show the compliance to Regulation 7(1) and 7(2) of IA Registration by the representatives and employees of TIR who have dealt with the clients on behalf of the Investment Adviser. Therefore none of the employees of TIR have complied with the provisions contained in Regulation 7(1) and 7(2) of IA Regulations. The list of all employees (along with their qualification) who have dealt with the clients while working in TIR from the date of Registration is placed at **Exhibit 27**.*

20.4. Therefore, TIR and its Proprietor Ms. Neha Gupta and its employees have violated Regulation 7(1) and Regulation 7(2) of IA Regulations.

21. The provisions allegedly violated by the Noticee are reproduced hereunder for ready reference:
