

Hinduja Global Solutions profit jumps multifold

PRESS TRUST OF INDIA
New Delhi, May 29

BUSINESS PROCESS MANAGEMENT firm Hinduja Global Solutions said its consolidated profit after tax jumped multifold to ₹5,686 crore for the quarter ended March, mainly on account of a one-time gain from divestment of its healthcare services business. The company had registered a profit after tax (PAT) of ₹130.32 crore in the same period a year ago.

"HGS had an eventful FY2022 — from posting strong revenue growth in all the four quarters in an uncertain socioeconomic environment, registering our highest-ever quarterly PAT, to divesting the healthcare services business for an almost 3x valuation and enhancing shareholder value," executive director and group CEO Partha DeSarkar said in a statement.

The consolidated revenue from operations of Hinduja Global Solutions (HGS) grew 13.57% to ₹865.46 crore during the reported quarter, from ₹762 crore in the year-ago period.

PSB brass to get immunity for bonafide calls

Similarly, the approval of the department of financial services is needed to arrest the MDs or executive directors of PSBs. However, these guidelines have often been flouted by state police on one pretext or another, which will only change once the protection is enshrined in the CrPC, they added.

The move to accord greater protection to PSB staff on honest commercial decisions comes at a time when the government is nudging state-run banks to satiate the growing credit appetite of investors and help spur economic growth. Following a spate of high-profile arrests in recent years, public-sector bankers feel the extant mechanism has proved to be inadequate to curb arbitrary actions, especially by local police. The arrests also prompted them to turn more risk-averse, which weighed on the broader credit disbursement.

Having remained subdued over most part of the last two years, credit growth has improved in recent months, and the government wants this momentum to accelerate further. Non-food bank credit grew 9.7% in March, compared with 8% in the previous month and 4.5% a year before. However, loans to industry grew at a slower pace of 7.1% even on a marginally contracted base.

The clamour for a more robust protection mechanism grew shriller after former State Bank of India (SBI) chairman Pratip Chaudhuri was suddenly arrested by Rajasthan police in an alleged loan fraud case last year, long after his retirement, on the basis of a warrant issued by the Jaipur court. The allegations (labelled by defaulters) against Chaudhuri included borrowers' properties worth ₹200 crore being sold for ₹25 crore after SBI had seized them for non-repayment of the loan. The bank sold the properties to Alchemist Asset Reconstruction Company a good six months after Chaudhuri had retired. SBI defended its former chairman. Chaudhuri got bail, but not before 8-9 days.

Similarly, in 2018, Bank of Maharashtra chief executive Ravindra Prabhakar Marathe, his predecessor and other top officials were arrested in a ₹2,043-crore loan fraud case. However, within about four months, the Pune police filed a closure report for lack of evidence.

To discourage such actions, the department of personnel & training, in a circular in September 2021, stipulated standard operating procedures for tackling cases under Section 17A of the Prevention of Corruption Act (PCA). The circular says any police investigation on decisions taken by public servants while discharging their duties will require prior approval from the competent authority. In fact, Section 17A was inserted in the PCA in July 2018. Still, these measures didn't stop the arrests of bankers by state police.

"Despite good intention and the support for bankers announced by the central government, bankers are still being hounded, mainly by state police. Moreover, it is observed that senior bankers are targeted, often by defaulters, after their retirement. All these have to stop," said the executive director of a state-run bank.

Late last year, the government finalised a consolidated staff accountability framework for bad loan accounts up to ₹50 crore.
