volume generated in stock option segment of BSE, was artificial volume which was created by execution of reversal trades.

4. Reversal trades are considered non-genuine trades if it involves an entity reversing its buy or sell positions in a contract with subsequent sell or buy positions with the same counterparty during the same day. Artificial volume is considered as the volume (number of units) so reversed in non-genuine trades, comprising both original volume and reversed volume.
5. Pursuant to investigation, it was observed that during the investigation period, a total of 2,91,744 trades, which were 81.41% of all the trades executed in BSE stock options segment, were trades which involved reversal of buy and sell positions by the clients and counterparties in a contract. The reversal trades involved squaring off transactions, but with significant difference in the sell value and buy value of the transactions. The aforesaid reversal trades allegedly resulted into generation of artificial volumes.
6. The Noticee was one of the entities which indulged in reversal trades, which allegedly created false and misleading appearance of trading, generating artificial volumes in the stock options segment of BSE during the investigation period. The Noticee is alleged to have engaged in 2 such reversal trades in 1 unique contract, which led to generation of alleged artificial volume of 1,50,000 units. These trades of the Noticee involved reversal with the same counterparty on the same day, but at different price. Details of trade of Noticee (which was reversed) in stock options segment of BSE during the investigation period is given in **Annexure B**.
7. The trade entered by the Noticee, was reversed on the same day with same counterparty at a substantial price difference, without any basis for significant change in the contract price which indicates that these trades were artificial and non-genuine in nature.
8. A summary of dealings of Noticee in the contract in which the said Noticee allegedly executed reversal trades during the investigation period, is as follows:

10. In view of the foregoing, it is alleged that the Noticee, by indulging in execution of non-genuine reversal of trade in stock options with same entity on the same day, created false and misleading appearance of trading in stock options and therefore allegedly violated Regulation 3(a),(b),(c),(d), 4(1), 4(2)(a) of the PFUTP Regulations, 2003.

PART - B

2. Meanwhile, SEBI has framed the SEBI Settlement Scheme, 2022 pursuant to the Order dated May 13, 2022 passed by the Hon'ble Securities Appellate Tribunal (**Annexure 2**), wherein the following directions were issued to SEBI:

"17. We are, thus, of the opinion that SEBI should reconsider and seriously give a thought in coming out with a fresh scheme under Clause 26 of the Settlement Regulations, 2018. Such scheme can be a onetime scheme for this class of person. The terms of settlement should be attractive so that it could attract the noticees / entities to come forward and settle the matter which will ameliorate the harassment of penalty proceedings to the noticees and at the same time would help to clear the backlog of these pending matters before various AOs." (Emphasis Supplied)

3. In compliance with the above directions of the Hon'ble Securities Appellate Tribunal, SEBI has introduced a onetime settlement scheme called the SEBI Settlement Scheme, 2022, in terms of Regulation 26 of the Securities and Exchange Board of India (Settlement Proceedings) Regulations, 2018 in the matter of Illiquid Stock Options. The said scheme proposes payment of Settlement Amount as per the details given below:

S No	Number of Contracts*	Settlement Amount (Rs.)
1	1-5	1,00,000/-
2	6-50	2,00,000/-
3	51 and above	5,00,000/- base amount + 10,000 per contract

* You may refer to the relevant Annexure/table of the SCN which contains a summary of the contracts you entered to determine the applicable slab for settlement.

4. The period of the SEBI Settlement Scheme, 2022 will commence on August 22, 2022 and will close on November 21, 2022, so as to provide an opportunity for settlement to the entities who have executed reversal trades in the stock options segment of BSE during the period April 01, 2014 to September 30, 2015, against whom enforcement proceedings have been initiated and are pending. In case you wish to avail the benefit of the said Scheme, you may access the details of
