C. SHOW CAUSE NOTICE, REPLY AND HEARING

3. A common Show Cause Notice no. SEBI/EAD-5/AN/RG/29897/1/2024 dated September 20, 2024 along with Annexures ("SCN") was issued to the Noticees under Regulation 25 (1) of SEBI (Intermediaries) Regulations, 2008 to show cause as to why appropriate recommendations should not be made against the Noticees as prescribed under Regulation 24 read with Regulation 26 of SEBI

(Intermediaries) Regulations, 2008 read with Regulation 28 of SEBI FVCI Regulations, 2000, for the violations alleged to have been committed by the Noticees.

4. The allegations in respect of the Noticees inter alia brought out in the SCNs are as under:

"

3. Background

3.1. SEBI examined the non-compliance of 19 Foreign Venture Capital Investors ("FVCIs") with filing of quarterly report, in terms of the following provisions of the SEBI FVCI Regulations, 2000:

- a) Regulations 4(1) (c), (d), (f), 8(d) and 13 (1) of the SEBI FVCI Regulations;
- b) SEBI Circular dated April 29, 2003 and;
- c) SEBI Circular dated January 12, 2010

4. Findings and Observations by SEBI and alleged violations thereto in respect of the Noticees:

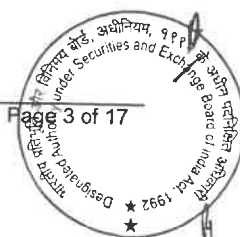

4.1. In terms of Regulation 13 (1) of the FVCI Regulations "The Board may at any time call for any information from a Foreign Venture Capital Investor with respect to any matter relating to its activity as a Foreign Venture Capital Investor."

4.2. In terms of Regulation 8 (d) of the FVCI Regulations "The certificate granted to the foreign venture capital under regulation 7 shall be inter alia, subject to the following conditions, namely: -

it shall forthwith inform the Board in writing if any information or particulars previously submitted to the Board are found to be false or misleading in any material particular or if there is any change in the information already submitted."

4.3. In terms of Regulation 4(1) (c), (d) & (f) of the FVCI Regulations, while granting registration as FVCI, the Board shall consider the following conditions for eligibility, namely

(c) whether the applicant is an investment company, investment trust, investment partnership, pension fund, mutual fund, endowment fund, university fund, charitable institution or any other entity incorporated outside India; or

(d) whether the applicant is an asset management company, investment manager or investment management company or any other investment vehicle incorporated outside India;

(f) whether the applicant is regulated by an appropriate foreign regulatory authority or is an income tax payer; or submits a certificate from its banker of its or its promoter's track record where the applicant is neither a regulated entity nor an income tax payer.

4.4. SEBI Circular dated April 29, 2003 provides that

i. In accordance with Reg. 13 (1) of SEBI (Foreign Venture Capital Investors) Regulations, 2000, all the Foreign Venture Capital Investors are directed to henceforth submit the report on venture capital activity to SEBI, complete in all respects, strictly in the prescribed format (copy enclosed).

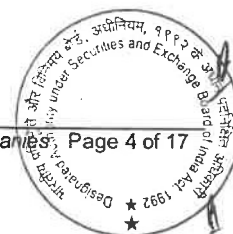

4.5. SEBI Circular dated January 12, 2010 provides that;

i. Format for the quarterly report on venture capital activity to be submitted by Foreign Venture Capital Investors has been revised as per enclosed Annexure. In accordance with Regulation 13 (1) of SEBI (Foreign Venture Capital Investors) Regulations, 2000, all Foreign Venture Capital Investors are directed to submit the report on venture capital activity to SEBI complete in all respects in the new format with effect from the quarter ended 31st March, 2010.

ii. The report is to be uploaded online on SEBI portal within 7 days from the end of each calendar quarter. Physical copies of the report are not required to be submitted.

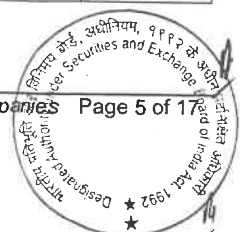

4.6. As per Regulation 13 (1) of the FVCI Regulations, FVCIs have to file quarterly data in the specified format, 7 days from the end of each calendar quarter. Since, the 19 FVCIs have not submitted quarterly data on SI portal, the period considered for examination of non-compliance is for past 4 calendar quarters i.e., from quarter ending March 31, 2023 to quarter ending December 31, 2023. Period beyond this has been considered as found relevant.

4.7. As the 19 FVCIs had not been filing reports for last 4 quarter, enquiry was made with the SEBI registered Custodians regarding any investments made by such FVCIs. It was informed by the Custodians that none of the said 19 FVCIs presently have an account with any of the Custodians.

In this regard, I note from the material available on record that SEBI had inter alia observed that of the 14 entities whose date of strike off is available, 11 entities had been defunct for more than 5 years in their home jurisdiction, and 3 others for 10 months to 3 years.

20. I note from the material available on record that the summary of jurisdiction wise list of defunct FVCIs and source of obtaining status of the companies, is as below:

S no	No. of Defunct Companies	Jurisdiction	Source
1.	14	Mauritius	Website of Corporate and Business Registration Department of Govt. of Mauritius (https://onlinereach.mns.mu/)
2.	4	Singapore	https://www.companies.sg . Companies were registered with Accounting and Corporate Regulatory Authority (ACRA)
3.	1	Cyprus	https://i-cyprus.com Website of Cyprus Corporate Registry

21. Further in this regard, I note from the material available on record that SEBI also sought information from regulators in Mauritius, Cyprus and Singapore regarding the status of these 19 FVCIs. SEBI received response from Cyprus Securities and Exchange Commission (CySEC), vide email dated February 08, 2024, which confirmed that the status of the FVCI P6 Holding Investments (Cyprus) Limited is recorded in the records of Registrar of Companies as '*Dissolution followed by Voluntary Liquidation*'.
22. I note from the material available on record that SEBI also received an email dated March 20, 2024 from Apex Fund services (Mauritius) Ltd., on behalf of FVCI AV 2014 Global Investments Limited confirming that FVCI has been removed from the Register of Mauritius. It also submitted a letter from Corporate and Business Registration Department of Mauritius.
23. I note from the material available on record that SEBI also sent emails to the last available contact email ids of 11 FVCIs where email ids were available. However, no response was received by SEBI.
24. I note from the material available on record that the entity-seeking registration as an FVCI should be regulated by an appropriate foreign regulatory authority or is an income tax payer and as per condition of certificate, registered entity has to inform any change in information provided at the time of registration. I further note from the material available on record that the 19 FVCIs did not intimate SEBI about the change in their regulatory status i.e. the entities becoming defunct in their home jurisdiction. Therefore, I note that the 19 FVCIs failed to intimate change in eligibility criteria.

25. In view of the foregoing, I note that the allegations that the Noticees ceased to exist as incorporated entities in respective jurisdictions and thus no longer satisfy the condition of being an entity incorporated outside India, the Noticees failed to file quarterly reports and that the Noticees failed to intimate change in eligibility criteria, stands established. Therefore, I hold that the Noticees had violated Regulation 4(1) (c) and (d) of the FVCI Regulations, 2000, Regulation 13 (1) of FVCI Regulations, 2000 read with SEBI Circular dated April 29, 2003, & SEBI Circular dated January 12, 2010 and Regulation 4(1)(f) & 8(d) of FVCI Regulations, 2000.

26. Therefore, in view of the violations as dealt with in the foregoing, the material available on record and the facts and circumstances of the case, the Noticees are liable for recommendation of action under Regulation 26 of the SEBI (Intermediaries) Regulations, 2008. Relevant extracts of the aforesaid provisions are reproduced hereunder:

“...

...”

E. RECOMMENDATION

27. In view thereof, after taking into consideration the facts and circumstances of the case and the material available on record, I recommend that the certificate of registration of 19 FVCIs be cancelled.
