**Appeal No. 6426 of 2025**

Nitin Goradia : Appellant

Vs

CPIO, SEBI, Mumbai : Respondent

**ORDER**

1. The appellant had filed an application dated May 27, 2025 (received by the respondent through RTI MIS Portal) under the Right to Information Act, 2005 (“**RTI Act**”). The respondent, by a letter dated June 02, 2025, responded to the application filed by the appellant. The appellant filed an appeal (Reg. No. SEBIH/A/E/25/00126) dated June 06, 2025. I have carefully considered the application, the response and the appeal and find that the matter can be decided based on the material available on record.
2. **Query in the application** - The appellant, in his application dated May 27, 2025, sought the following information:  
  
*“Ms. XXXXX XXXX@sebi.gov.in who is the DGM at SEBI does not know how to reply to emails. Is there a training program at SEBI where she can be sent, in order to learn how to read and reply to emails? I have sent 42 emails to Ms. XXXXX in the last 42 days regarding multiple regulatory violations by DP Bank of Maharashtra. But since she does not know how to read and write, she has not responded to even a single email.”*
3. **Reply of the Respondent** –The respondent, in response to query in the application, informed that the query is in the nature of seeking clarification/opinion. Accordingly, the same cannot be construed as “Information”, as defined u/s 2(f) of the RTI Act.
4. **Ground of appeal** – The appellant has filed the appeal on the ground that he was refused access to the information requested.

5. I have perused the application and the response provided thereto. On consideration, I find that the appellant's query is in the nature of seeking clarification/opinion/confirmation from the respondent. I find that the said query cannot be construed as seeking 'information' as defined under section 2(f) of the RTI Act. Consequently, the respondent did not have an obligation to provide such clarification or opinion or confirmation under the RTI Act. In this context, reliance is placed on matter of *Azad Singh vs. CPIO, Oriental Insurance Company Limited* (order dated March 23, 2021) wherein Hon'ble Central Information Commission that *"7. The Commission, after hearing the submissions of both the parties and after perusal of records, observed that some queries of the appellant are in the nature of seeking explanation/ opinion/ advice/ confirmation/ clarification from the CPIO and he has expected that the CPIO firstly should analyze the documents and then provide information to the appellant. But the CPIO is not supposed to create information; or to interpret information; or to compile information as per the desire of the appellant under the ambit of the RTI Act. As per Section 2(f) of the RTI Act, the reasons/ opinions/ advices can only be provided to the applicants if it is available on record of the public authority. The CPIO cannot create information in the manner as sought by the appellant. The CPIO is only a communicator of information based on the records held in the office and hence, he cannot be expected to do research work to deduce anything from the material therein and then supply it to him."* Accordingly, I do not find any deficiency in the response of the respondent.
6. In view of the above observations, I find that there is no need to interfere with the decision of the respondent. The appeal is accordingly dismissed.
