3. SEBI observed large scale reversal of trades in stock options segment of BSE. Subsequently, upon investigation of the trading done during the period from April 1, 2014 to September 30, 2015 (hereinafter referred to as "Investigation Period" / "I.P.") in the stock options traded on BSE, SEBI observed large scale reversal of trades by various entities including the Noticee. The reversal trades comprised of 81.38% (2,91,643 trades) of all the trades executed in BSE Stock Options Segment wherein the open positions were squared off with a significant price difference without any basis for such change in the contract price. It is alleged that the aforesaid reversal trades were non-genuine in nature and also resulted into generation of artificial volumes.
4. The Noticee is alleged to have engaged in 4 instances in 2 unique contracts wherein the position was taken and was reversed with the same counterparty on the same day, but at a substantial price difference. Details of all the reversal trades of the Noticee and summary of all the reversal trades in Stock Option Segment of BSE during investigation period are given in **Annexure "B"** and **Annexure "C"** respectively.
5. A summary of dealings of Noticee in 2 Stock Options contracts in which the Noticee allegedly executed non genuine reversal trades during the investigation period, is as follows: -

Summary of dealings of Noticee in contracts wherein the Noticee executed reversal trades

Sl. No.	Contract Name	Avg. Buy Rate (Rs.)	Total Buy Volume (no. of units)	Avg. Sell Rate (Rs.)	Total Sell Volume (no. of units)	% of Non-genuine trades of the Noticee in the contract to Total trades in the contract	% of Artificial Volume generated by Noticee in the contract to Total Volume in the Contract
1	ITCL15JUL260.00PEW4	0.3	30000	1.25	30000	33.33	30
2	ITCL15JUL290.00PE	0.35	90000	1.65	90000	100	100

Note: "Unit" refers to lot size in contract multiplied by number of contracts traded.

6. The abovementioned reversal trades and volumes are illustrated through the dealings of Noticee in one contract viz, "ITCL15JUL290.00PE" during the I.P., as follows:

(a) On July 15, 2015, the Noticee bought 90000 units of the aforesaid contract at 13:20:00 (Buy order placed at 13:19:59; Sell Order placed at 13:20:00) from Xion Gems & Jewellers Pvt. Ltd. at a price of ₹0.35.

(b) On the same day the Noticee reversed his position by selling 90000 units to the same counterparty at 13:20:04 (Buy order placed at 13:20:04; Sell Order placed at 13:20:04 at price of ₹1.65.

(c) From the above, it is noted that while dealing in abovesaid contract during the investigation period, the Noticee executed total 2 trades (1 buy trade and 1 sell trade). This constituted 100% of the total market volume in the contract, and thereby the Noticee allegedly generated artificial volume of 180000 units.

7. In view of the foregoing, it is alleged that Noticee, by indulging in execution of non-genuine reversal of trades in Stock Options with same entities on the same day, created false and misleading appearance of trading in stock options and therefore allegedly violated Regulation 3(a), (b), (c), (d), 4(1), 4(2)(a) of PFUTP Regulations, 2003.

8. The aforesaid alleged violations, if established, make the Noticee liable for monetary penalty under section 15HA of the SEBI Act, 1992, the provisions of which are reproduced hereunder:

SEBI Act, 1992

15HA: "If any person indulges in fraudulent and unfair trade practices relating to securities, he shall be liable to a penalty which shall not be less than five lakh rupees but which may extend to twenty-five crore rupees or three times the amount of profits made out of such practices, whichever is higher".

9. You are, therefore, called upon to show cause as to why an inquiry should not be held against you in terms of Rule 4 of the Adjudication Rules, 1995 read with section 15-I of the SEBI Act, 1992 and why penalty should not be imposed section 15HA of the SEBI Act, 1992.
